Dear Sir/Ma'am,

Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Press Release

In continuation of our Letter No. HZL/2026-27/SECY/10 dated April 24, 2026, regarding the declaration of the Audited Standalone and Consolidated Financial Results of the Company for the fourth quarter and year ended March 31, 2026 ("Financial Results"), please find enclosed a copy of the press release issued in relation to the Financial Results.

The same is also available on the website of the Company at www.hzlindia.com.

This is for your information and records.

Thanking You.

Yours faithfully,
For Hindustan Zinc Limited

Hindustan Zinc Limited, the World's Largest Integrated Zinc Producer, announces Results for the Fourth Quarter and Full Year ended March 31, 2026

Hindustan Zinc delivered a historic quarter and year, driven by record production, industry-leading cost structure, and strong commodity tailwinds. FY26 marked a structural step-up in profitability, cash generation, and reserve life, positioning the Company strongly for its next growth phase.

Record High Quarterly Net Profit of ₹ 5,033 crore, up 68% YoY

Record Quarterly EBITDA of ₹ 7,747 crore, up 61% YoY

4QFY26 Highlights: Record Quarter Across All Key Metrics

- **Best-ever mined metal production** at 315 Kt
- **Record refined metal production** at 282 Kt
- **Lowest-ever cost of production** of \$ 903 per tonne, better 9% YoY
- **Highest-ever revenue** of ₹ 13,544 crore, up 49% YoY
- **All-time high EBITDA** of ₹ 7,747 crore, up 61% YoY with **industry leading EBITDA margin of 57%**, up c.420 bps YoY
- **Record net profit** of ₹ 5,033 crore, up 68% YoY
- Silver production of 176 tonnes, **up 11% QoQ**

FY26 Highlights: Sets New Records

- **Highest-ever mined metal production** of 1,114 Kt
- **2nd best-ever refined metal production** of 1,048 Kt
- **5-year lowest zinc cost of production** of \$ 959 per tonne, better 9% YoY
- **Highest-ever revenue** of ₹ 40,844 crore, up 20% YoY
- **All-time high EBITDA** of ₹ 22,162 crore, up 27% YoY
- **Record net profit** of ₹ 13,832 crore, up 34% YoY
- **Strong free cash flow** pre growth capex of ₹ 13,337 crore
- Silver production of 627 tonnes, contributing 45% to the overall profitability
- **Record ore resources & reserves** of 468.6 Mnt with 25+ years of mine life
- **Surpassed 13.9 Mnt of metal reserves and 10.9 Kt of silver reserves for the first time**
- Contribution to exchequer of c.₹ 19,000 crore, including contribution over ₹ 6,000 crores (including mining royalties) to Rajasthan state

ESG highlights:

Our ESG initiatives reinforce operational resilience, risk mitigation, and long-term value creation while strengthening Hindustan Zinc's sustainability leadership.

- Chanderiya Lead Zinc Smelter has become **India's first** site to receive the **Zinc Mark and Copper Mark certification**.
- **Partnership with Tata Steel and Silox India for adoption of EcoZen**, Asia's first low carbon zinc boasting a 75% lower carbon footprint as compared to global average, across galvanised steel production, facilitating transition to lower Scope 3 emissions.
- Business Responsibility and Sustainability Report (BRSR) was selected as the **best BRSR report under manufacturing large-cap category** at the 4th ICAI Sustainability Reporting Awards.
- Hindustan Zinc's **Sustainability Report FY2025 has won Platinum award** at the League of American Communications Professionals (LACP) Vision Awards 2024-25, reaffirming our commitment to strong governance, transparency and global best-in-class reporting practices.
- Successfully implemented **collision avoidance system, covering 30 equipment** across Sindesar Khurd Mine, enhancing safety through prevention of man-machine interactions.
- **Commenced all women driven** leaching & purification unit in Chanderiya Smelting Complex
- Introduced **tele-remote drilling** in two long-hole production drills in Rajpura Dariba Mine.
- Hindustan Zinc has emerged as the **overall winner** at 36th Mines Environment and Mineral Conservation (MEMC) Week, organised by Indian Bureau of Mines, securing all top 3 positions.

Commenting on Hindustan Zinc's performance, Arun Misra, Chief Executive Officer, said:

"We are proud to deliver a record-breaking performance this quarter and for the full year, by crossing a key milestone of 1.1 million tonnes of mined metal production. We also delivered a record quarterly refined metal production at the lowest cost of production of \$ 903 per tonne despite the ongoing geopolitical challenges. These milestones reflect the resilience of our business, strong execution, and unwavering focus on value creation. As we step into our 2.0 growth phase, we are strengthening our strategic roadmap. With our move into critical minerals, we are aligning with future-facing sectors while contributing meaningfully to India's growth and long-term stakeholder value.

Sandeep Modi, Chief Financial Officer, said:

"Hindustan Zinc delivered a record quarter and full year financial performance, with quarterly net profit surging by 68% YoY to a historic high of ₹ 5,033 crore, driven by an all-time high quarterly EBITDA of ₹ 7,747 crore, up by 61% YoY. Further, we have marked the historic full year net profit of ₹ 13,832 crore, up 34% YoY, backed by disciplined capital allocation and strong free cash flow, reinforcing our balance sheet strength as we enter the next phase of growth – HZL 2.0. With continued strength in cost leadership and industry-leading margins, underpinned by disciplined execution, we are well positioned to translate growth opportunities into sustained value creation.

Financial Summary

(In ₹ crore or as stated)

Particulars	4Q			3Q		FY		
	FY2026	FY2025	Change	FY2026	Change	FY2026	FY2025	Change

Note: all numbers reported are consolidated numbers unless otherwise mentioned

- Including other operating income
- ₹, not annualised
- Silver occurs in Lead & Zinc ore and is recovered in the smelting and silver-refining processes
- Includes 16 MT, 21 MT and 37 MT of Silver equivalent in 4QFY26, 3QFY26, and FY26, respectively
- Includes 6 Kt, 5 Kt and 11 Kt of refined Lead equivalent in 4QFY26, 3QFY26, and FY26, respectively
- Cost of production (CoP) wherever referred is excluding royalty

Financial Performance

Revenue:

- Revenue stood at ₹ 13,544 crore during the quarter, up 49% YoY and 23% QoQ, driven by higher zinc and silver prices, increased production, lead concentrate sale, higher by-product realisation, and a stronger dollar.
- It was ₹ 40,844 crore on a full year basis, up 20% YoY, in line with higher zinc and silver prices, lead concentrate sale, higher by-product realisation, and a stronger dollar

EBITDA:

- **EBITDA stood at ₹ 7,747 crore during the quarter**, up 61% YoY and 27% QoQ, driven by increased production, higher zinc and silver prices, lower cost of production, lead concentrate sale, and a stronger dollar.
- **For the full year, the Company recorded an EBITDA of ₹ 22,162 crore**, up 27% YoY, driven by higher zinc and silver prices, lower cost of production, lead concentrate sale, and a stronger dollar, partly offset by lower production.
- The Company continues to maintain an attractive **industry leading EBITDA margin of 57% during the quarter**, up c.420 bps YoY and c.180 bps QoQ. It recorded an EBITDA margin of 54% in FY26, up c.300 bps YoY.

Net Profit:

- **During the quarter, net profit stood at ₹ 5,033 crore**, up 68% YoY and 29% QoQ in line with record EBITDA. **For the full year, it was ₹ 13,832 crore**, up 34% YoY. The effective tax rate for the quarter was 25.45% and it was 25.26% for the full year.

Zinc Cost of Production (COP):

- **Zinc COP excluding royalty stood at \$ 903 per tonne during the quarter**, better by 9% YoY and 4% QoQ on account of lower power cost driven by higher domestic coal usage and softened coal prices, higher by-product realization, better mined grades, and increased metal production.
- **For the full year, Zinc COP excluding royalty was \$ 959 per tonne**, better 9% YoY driven by lower power cost through higher domestic coal usage, softened coal prices and increased renewable energy usage, higher by-product realization, and better mined grades, partly offset by higher mine development.

Reserves & Resources (R&R)

- **Record ore reserves & resources of 468.6 Mnt** as on March 31, 2026, with metal R&R of 29.2 Mnt and silver R&R of 24.2 Kt. At current mining rates, the R&R underpins a mine life of more than 25 years.
- **Surpassed 13.9 Mnt of metal reserves and 10.9 Kt of silver reserves (net of production) for the first time since underground transition.**

Ore Reserves (Mnt)	%Zn	%Pb	Silver (ppm)	Metal Reserves (Mnt)	Silver Reserves (Kt)	Mineral Resources (Mnt)	%Zn	%Pb	Silver (ppm)	Metal Resources (Mnt)	Total R&R (Mnt)	Total Metal R&R (Mnt)	Total Silver R&R (Kt)
219.1	4.9	1.5	50	13.9	10.9	249.5	4.3	1.8	53	15.3	468.6	29.2	24.2

Liquidity and Investment

- As on March 31, 2026, the Company had healthy gross investments and cash and cash equivalents of ₹ 13,846 crore invested in high quality debt instruments. Total borrowings outstanding as on March 31, 2026, was ₹ 8,252 crore.
- Company has consistent Investment grade credit rating of AAA from CRISIL, demonstrating the strength of the balance sheet.

Contribution to Exchequer

During the full year, the Company has contributed **around ₹ 19,000 crore** to the **national exchequer**. This includes a contribution of **over ₹ 6,000 crore** to the **Rajasthan state exchequer**, including mining royalties.

Project Update

- The 510 Ktpa Fertiliser plant is under progress and is expected to be completed by 2QFY27.
- The innovative hot acid leaching technology for recovery of lead and silver from smelting waste at Dariba is expected to be completed by 2QFY27.
- For the 250 Ktpa integrated refined zinc capacity expansion, site mobilisation is completed, and detailed engineering and mining partner deployment at site are currently underway, with expected completion by 2QFY29.
- For India's first 10 Mtpa tailings reprocessing plant at Rampura Agucha, detailed engineering is completed, major orders have been placed, and activities started at site, with expected completion by 4QFY28.

Outlook for FY27

Particulars	FY27 Guidance
Production	
- Mined Metal	1,150 (±10) Kt
- Refined Metal	1,100 (±10) Kt
- Saleable Silver	680 (±10) MT
Zinc CoP	\$ 975-1,000 per MT
Growth Capex	\$ 500-600 million

Notes:

Quarterly zinc cost of production is excluding royalty and is the lowest since underground transition
 Record metal reserves and silver reserves are since underground transition
 Free cash flow is before growth capex and renewable energy investments

Earnings Call on Friday, April 24, 2026, at 16:00 hours (IST)

The Company will hold an earnings conference call on Friday, April 24, 2026, at 16:00 hours IST, where senior management will discuss the Company's results and performance.

About Hindustan Zinc

Hindustan Zinc Limited (BSE: 500188 and NSE: HINDZINC), a Vedanta Group company, is the world's largest integrated zinc producer and is amongst the top 10 silver producers globally. The company supplies to more than 40 countries and holds a market share of about 74% of the primary zinc market in India. Hindustan Zinc has been recognized as the world's most sustainable company in the metals and mining category for the third consecutive year by the S&P Global Corporate Sustainability Assessment 2025, reflecting its operational excellence, innovation, and leading ESG practices. The company also became the first Indian company to join the prestigious International Council on Mining & Metals (ICMM) in 2025. The company also launched EcoZen, Asia's first low carbon 'green' zinc brand, produced using renewable energy. Hindustan Zinc is also a certified 3.32 times Water-Positive company and is committed to achieving Net Zero emissions by 2050 or sooner. The company is also transforming the lives of 2.6 million people through its focused social welfare initiatives. As an energy transition metals company, Hindustan Zinc is pivotal in the journey of sourcing critical metals essential for a sustainable future.
