World Nature Conservation Day

As part of our CSR initiative, we at LIF celebrated World Nature Conservation Day with 500-550 students from three schools in Ghugus and Mhatardevi. The event aimed to raise awareness and promote environmental sustainability among the younger generation. The students participated in various activities such as drawing competition, plantation, hand washing activity, and gift distribution. The students learned about the importance of nature conservation and renewable energy and pledged to adopt eco-friendly habits, 30 teachers and staff members helped us deliver this positively.

Education Material Distribution

In this program we partnered with 3 schools in Chandrapur District and improved their educational facilities like science lab and also inaugurated science labs, library, and computer rooms. We donated 15 computers, and distributed 3000 books, benefiting 749 students. We also gave a set of School bag, geometry box, graph book and drawing book to each student. This event was to ensure a complete learning experience to all students for a brighter future.
