OFAC: Office of Foreign Assets Control, USA

Ahmedabad, July 29, 2026: Adani Enterprises Ltd (AEL), the flagship company of the Adani Group, announced its results today for the quarter ended June 30, 2026.

The current quarter results reflect the strength of AEL's diverse portfolio of established and incubating businesses, which provides both stability and growth. On the back of strong performance from established businesses and continued momentum of incubating businesses, AEL reports its highest ever quarterly EBITDA with y-o-y increase of 49%. Having established a strong foundation of infra-platform through disciplined investment cycle, AEL is now poised to witness the phase where capacity utilization of its assets and operational efficiencies will translate into meaningful financial outcomes for its shareholders.

"Adani Enterprises has begun FY27 with an exceptionally strong performance, delivering its highest-ever quarterly EBITDA of Rs 5,642 crore, driven by the growing scale and maturity of our infrastructure and incubation platforms," said **Mr Gautam Adani, Chairman of the Adani Group**. "The commencement of international operations at Navi Mumbai International Airport, toll collections on the Ganga Expressway, the expansion of our solar module capacity and a major new hyperscale data center order mark important milestones in our growth journey. The successful Rs 15,000 crore QIP further reflects strong institutional confidence in our strategy and execution capabilities. As India's infrastructure requirements expand, we remain focused on building globally competitive businesses that advance national priorities and create enduring value for all our stakeholders."
