Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of AvenuesAI Limited (Formerly known as Infibeam Avenues Limited) pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
AvenuesAI Limited (Formerly known as Infibeam Avenues Limited)

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results for the Quarter and Nine Months ended December 31, 2025 ("the Statement") of AvenuesAI Limited (Formerly known as Infibeam Avenues Limited) ("the Company") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Note:

- 1 The above statement of unaudited standalone financial results for the quarter and nine months ended December 31, 2025 ('the Statement') of AvenuesAI Limited (Formerly known as Infibeam Avenues Limited) ('the Company') are reviewed and recommended by the Audit Committee and taken on record by the Board of Directors at their meeting held on February 13, 2026. The report has been filed with the stock exchanges and is available on the Company's website at "www.avenuesai.com".
- 2 During the previous quarter, the Company had transferred its Platform Business Undertaking on a going concern basis through a slump sale to Rediff.com India Limited ("Rediff"), subsidiary of the Company. Accordingly, the Company now operates in a single business segment i.e. Payment Business which includes Payment Gateway business with CC Avenue business brand and payment infrastructure including CPGS towards banks, and Credit & Lending related business

In accordance with IndAS-108, segment information has been given in consolidated financial results of AvenuesAI Limited (Formerly known as Infibeam Avenues Limited), and therefore, no separate disclosure on segment information is given in these standalone results.
- 3 During the previous quarter, the Company had transferred its Platform Business Undertaking on a going concern basis through a slump sale to Rediff.com India Limited ("Rediff"), subsidiary of the Company.

Accordingly, the Platform Business Undertaking have been disclosed as discontinued operations and financial results of previous periods presented have been restated accordingly, to disclose the results of transferred undertakings separately from the Company's continuing business operations.
- 4 During the quarter under review, the Company has approved the Change in Name of the Company from "Infibeam Avenues Limited" to "AvenuesAI Limited" subject to the approval of the Shareholders of the Company, the Ministry of Corporate Affairs and other applicable statutory authorities, as required. Subsequently, during the current quarter, the Company received the requisite approvals from the shareholders, the Ministry of Corporate Affairs and the stock exchanges.
- 5 On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and disclosed the incremental impact of these changes on the basis of actuarial valuation report obtained and the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact as "Statutory impact of new Labour Codes" under "Exceptional items" in the statement of profit and loss for the period ended December 31, 2025. The incremental impact consisting of gratuity of Rs. 2.0 Million primarily arises due to change in wage definition. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

- 6 During the previous quarter, the Company had allotted 69,99,85,723 partly paid-up Equity Shares of Face Value Re.1/- each at an issue price of Rs.10/- (including Rs. 9/- premium) on a rights basis to eligible Equity Shareholders against receipt of share application money of Rs. 5/- per share (including Rs. 4.50 premium) aggregating to Rs. 3,499.93 Million.

Notes: 1. Business segments:

Based on the "management approach" as defined in Ind AS 108 - Operating Segments and evaluation by the Chief Operating Decision Maker, primary reportable segments of the Group consists of: (1) Payment Business and (2) E-Commerce Platform Business

2. Segment assets and liabilities:

Segment information is prepared in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the Group as a whole. Segment assets include all operating assets used by a segment and principally consists of operating cash, trade receivables and fixed assets, net of allowances and provisions which are reported as direct offsets in the balance sheet. While most such assets can be directly attributed to individual segments, the carrying amount of certain assets used jointly by two segments is allocated to the segments on a reasonable basis. Segment liabilities include all operating liabilities and consist principally of trade payables and accrued liabilities. Segment assets and liabilities do not include those relating to income taxes.

3. Segment expense:

Segment expense comprises the expense resulting from the operating activities of a segment that is directly attributable to the segment or that can be allocated on a reasonable basis to the segment and expense relating to transactions with other segments. Certain expenses are not specifically allocable to individual segments as the underlying services are used interchangeably. The Group therefore believes that it is not practicable to provide segment disclosures relating to such expenses, and accordingly such expenses are separately disclosed as 'unallocated' and directly charged against total income.

4. Certain assets and liabilities which are common to both the segments for which basis of allocation cannot be consistently identified are included under un-allocable assets and liabilities.
