LETTER TO SHAREHOLDERS

Dear Shareholders,

I, Nikhil Gupta, Managing Director of the Company, heartily welcome you all to this Tenth Annual General Meeting being held at Bhavnagar.

This is the fifth year of operations of the Company after IPO. This was a very difficult year for the economy in general & your company in particular. The overall recessionary trend prevailing in the market coupled with wild fluctuations in steel prices affected the performance of the Company. Apart from volatility, there was overall southward movement in prices of steel which badly affected the bottom line of the Company.

Your Company is in the process of adopting the most suitable business model which will enable it to tide over the crisis.

I would like to thank the entire management team, the entire work force, the Bankers and also Business Associates for enabling your Company to grow. I also take this opportunity to thank my fellow Directors for their immense efforts in formulating and steering your Company's strategies and policies.

This year, as the previous one, witnessed high volatility in market conditions. Your Company could withstand this only on account of efforts at all levels. Your Company is presently focusing on improving efficiency and also on tackling vibrant and volatile market conditions by adopting different business models. I am confident that your Company will achieve greater heights in the times to come and also will deliver long term value addition to its shareholders.

Yours sincerely,

Nikhil Gupta

Managing Director,

RUDRA GLOBAL INFRA PRODUCTS LIMITED

RUDRA GLOBAL INFRA PRODUCTS LIMITED**(Formerly Known as a M D Inducto Cast Limited)**

**Expected maximum value over 3 financial years starting from 2019-20.*

RESOLVED FURTHER THAT the consent of the members of the Company be and is hereby accorded to the Board of Directors of the Company and/or a duly constituted Committee thereof, to do all such acts, deeds, matters and things as may be necessary, expedient or desirable including any negotiation/ renegotiation/ modification/ ratification/ amendments to or termination thereof, of the subsisting arrangements/ transactions/ contracts or any future arrangements/ transactions/ contracts and to make or receive/ pay monies or to perform all other obligations in terms of such arrangements/ transactions/ contracts with the Related parties.

RESOLVED FURTHER THAT the consent of the members of the Company, be and is hereby accorded to the Board of Directors of the Company and/or a duly constituted Committee thereof, to severally do or cause to be done all such acts, matters, deeds and things and to settle any queries, difficulties, doubts that may arise with regard to any of the transactions with the related parties and severally execute such contracts, agreements, documents and writings and to make such filings, as may be necessary, expedient or desirable for the purpose of giving full effect to this resolution, in the best interest of the Company."

5. Revision in Remuneration of Mr. Nikhil Gupta, (DIN 01069514) Managing Director of the Company:

To consider and if thought fit, with or without modification(s), to pass following resolution as an Ordinary Resolution:

"RESOLVED THAT in supersession of the resolution earlier passed by the members at general meetings and pursuant to the provision of section 197, 198 and other applicable provisions, if any, of the companies act, 2013 (the act) and rules made there under (including any statutory modification(s) or re-enactment thereof for the time being in force) read with schedule V of the act and pursuant to article of association of company and subject to such approval(s) of any statutory authorities as may be required, the consent of the members of the Company be and is hereby accorded for revision in the remuneration of Mr. Nikhil Gupta, (DIN 01069514), Managing Director, as set out in the Explanatory Statement annexed to the Notice convening this Meeting, with effect from October 01, 2020 for the remaining period of his tenure i.e. up to May 15, 2023, with liberty to the Board of Directors and/or duly constituted committees thereof to alter and vary the terms and conditions of the said remuneration as it may deem fit and as may be acceptable to Mr. Nikhil Gupta, (DIN 01069514), subject to the same not exceeding the limits specified under Schedule V to the Companies Act, 2013 or any statutory modification(s) or re-enactment thereof.

"RESOLVED FURTHER THAT the Board be and is hereby authorized to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution."

6. To appoint Mr. Parth Paragbhai Vora (DIN: 08821664) as an Independent Director of the company,

To consider and if thought fit, to pass with or without modification(s), if any, the following resolution as an Ordinary Resolution.

"RESOLVED THAT pursuant to the provisions of Sections 149, 150 and 152 read with Schedule IV and all other applicable provisions, if any, of the Companies Act, 2013 ('the Act') and the Companies (Appointment and Qualification of

Directors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof, for the time being in force) and pursuant to the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') (including any modification or amendment thereof) for the time being in force, **Mr. Parth Paragbhai Vora (DIN: 08821664)**, being eligible and fulfilling the criteria of independence as provided in the Act and the Listing Regulations and in respect of whom the Company has received a notice in writing from a Member under Section 160(1) of the Act proposing his candidature for the office of Director of the Company, be and is hereby appointed as an Independent Director of the Company, not liable to retire by rotation, to hold office for the term of 5 (five) consecutive years, on the Board of Company with effect from September 30, 2020."

7. To Appoint of Mr. Sher Singh Ishwar Singh Shekhawat as an Independent director of the company

To consider and if thought fit, to pass with or without modification(s), if any, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Sections 149, 150 and 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 ("the Act") and the Companies (Appointment and Qualification of Directors) Rules, 2014 and the applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), Mr. Sher Singh Ishwar Singh Shekhawat (DIN: 08821664), who was appointed as a Non-Executive (additional & independent) director of the company with effect from July 08, 2020 and whose term expires at this AGM, be and is hereby appointed as an Independent Director of the Company, not liable to retire by rotation and to hold office for a term of 5 (five) consecutive years, commencing from July 08, 2020."

Date:- September 04 2020

Place: Bhavnagar

By order of the Board

RUDRA GLOBAL INFRA PRODUCTS LIMITED

Nikhil Gupta

Managing Director

Note:-

1. A member entitled to attend and to vote at the annual general meeting is entitled to appoint a proxy to attend and vote instead of himself/herself and a proxy need not be a member of the company. The proxy form, in order to be effective, must be deposited at the registered office of the company not less than 48 hours before the commencement of the meeting.
2. A person can act as a Proxy on behalf of Members not exceeding fifty in numbers and holding in the aggregate not more than ten percent of the total share capital of the Company carrying Voting Rights. A member holding more than ten percent of the total share capital of the Company carrying Voting Rights may appoint a single person as Proxy for his/her entire shareholding and such person shall not act as a Proxy for another person or shareholder.
3. A member desirous of getting any information on the accounts or operations of the Company is required to forward his/her queries to the Company at least Ten days prior to the meeting so that the required information can be made available at the meeting.
4. Corporate members intending to send their authorized representatives to attend the Meeting are requested to send to the Company a certified copy of the Board Resolution authorizing their representatives to attend and vote on their behalf at the Meeting.
5. The Register of Members and Share Transfer Books of the Company will remain closed from September 24, 2020 To September 30, 2020 (both days inclusive), for the purpose of Annual General Meeting.
6. A statement pursuant to Section 102(1) of the Companies Act, 2013, relating to the Special Business to be transacted in the Meeting is annexed hereto.
7. Members/ Proxies are requested to bring the attendance slip duly filled in for attending the meeting.
8. Members who are yet to register their e-mail address with the Company or with the depository are once again requested to register the same.
9. Members who wish to obtain information on the Company or view the Accounts may visit the Company's website or send their queries at least ten days before the AGM to the Company Secretary and Compliance Officer at the Registered Office of the Company.

10. The members who hold shares in dematerialized form are requested to bring their Client ID and DP ID numbers for easy identification of attendance at the meeting.
11. Members are requested to send all communications relating to shares to the Company's Share Transfer Agent to **M/s. KFIN Technologies Private Limited. Karvy Selenium Tower B, Plot 31-32, Financial District, Nanakramguda, Gachibowli, Hyderabad – 500 032.**
12. The Securities and Exchange Board of India (SEBI) has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participant(s). Members holding shares in physical form shall submit their PAN details to the Company and/or its RTA.
13. To ensure correct identity of each member and proxy holders attending meeting, the investors attending the meeting are expected to bring with him/her an appropriate ID document issued by the Government Authority like Driving License, Passport, Voter ID card, etc.
14. All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection at the Registered Office of the Company during normal business hours (10.00 am to 5.00 pm) on all working days except Sunday and Public holidays, up to the day of the Annual General Meeting of the Company.
15. Notice of Annual General Meeting was sent to those shareholders / beneficial owners, whose names were, appearing in the register of the members / list of beneficiaries received from the depositories as on August 28, 2020.
16. The investors may contact the Company Secretary for redressal of their grievances/queries. For this purpose, they may either write to him at the registered office address or e-mail their grievances/queries to the Company Secretary at the following e-mail address: cs@mdgroup.in.
17. The route map showing directions to reach the venue of the Tenth AGM is provided at the end of this Notice;
18. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long period of time. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
19. The members who holds shares of the Company in Physical form are informed that the company is in process of updating records of the shareholders in order to reduce the physical documentation as far as possible. In line with new SEBI Circular SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated April 20, 2018, it is mandatory for all the investors including transferors to complete their KYC information. Hence, members are requested to update and intimate their PAN, phone no., e-mail id, Bank details including bank name, bank account number, branch details, MICR code and IFSC code and such other information to the Company's Registrars and Transfer Agents, KFIN Technologies Private Limited ("KARVY"). Members are further requested to update their current signature in KARVY system. The Performa of updating of Shareholder information is provided at the end of Annual Report as an **"Annexure – XIV"**
20. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details such as bank account number, name of the bank and branch details, MICR code and IFSC code, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their depository participant (DP). Changes intimated to the DP will then be automatically reflected in the Company's records which will help the Company and the Company's Registrars and Transfer Agents to provide efficient and better services.
21. The name and address of the Stock Exchange where the Company's Shares are listed, is given below:

The BSE Platform
25th Floor, P. J. Towers,
Dalal Street, Fort, Mumbai- 400 001

PROCEDURE AND INSTRUCTIONS FOR e-VOTING & INSTAPOLL

Remote e-voting: In compliance with the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and the provisions of Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by Karvy Fintech Private Limited (Karvy) on all resolutions set forth in this Notice, from a place other than the venue of the Meeting (Remote e-voting).

- (A) In case a Member receives an email from Karvy [for Members whose email IDs are registered with the Company/Depository Participants (s)]:

Launch internet browser by typing the URL: <https://evoting.karvy.com>.

Enter the login credentials (i.e. User ID and password). In case of physical folio, User ID will be **EVEN (E-Voting Event Number) 5620** followed by folio number. In case of Demat account, User ID will be your DP ID and Client ID. However, if you are already registered with Karvy for e-voting, you can use your existing User ID and password for casting your vote.

After entering these details appropriately, click on "LOGIN".

You will now reach password change Menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A- Z), one lower case (a-z), one numeric value (0-9) and a special character (@, #, \$, etc.,). The system will prompt you to change your password and update your contact details like mobile number, email ID etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.

You need to login again with the new credentials.

On successful login, the system will prompt you to select the "EVENT" i.e., "**RUDRA GLOBAL INFRA PRODUCTS LIMITED**". On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under "FOR/AGAINST" or alternatively, you may partially enter any number in "FOR" and partially "AGAINST" but the total number in "FOR/AGAINST" taken together shall not exceed your total shareholding as mentioned herein above. You may also choose the option ABSTAIN. If the Member does not indicate either "FOR" or "AGAINST" it will be treated as "ABSTAIN" and the shares held will not be counted under either head.

Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/demat accounts.

Voting has to be done for each item of the notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as abstained.

You may then cast your vote by selecting an appropriate option and click on "Submit".

A confirmation box will be displayed. Click "OK" to confirm else "CANCEL" to modify. Once you have voted on the resolution (s), you will not be allowed to modify your vote, during the voting period, Members can login any number of times till they have voted on the Resolution(s).

Corporate/Institutional Members (i.e. other than Individuals, HUF, NRI etc.) are also required to send scanned certified true copy (PDF Format) of the Board Resolution/Authority Letter etc., together with attested specimen signature(s) of the duly authorised representative(s), to the Scrutinizer at email nandish.dave1@gmail.com with a copy marked to evoting@karvy.com. The scanned image of the above mentioned documents should be in the naming format "Corporate Name_Event No."

- (B) In case of Members receiving physical copy of Notice [for Members whose email IDs are not registered with the Company/Depository Participants (s)]:

- **E-Voting Event Number –5620 (EVEN)**, User ID and Password is provided in the Attendance Slip.
- Please follow all steps from Sl. No. (i) to (xii) above to cast your vote by electronic means.

Voting at AGM:- The Members, who have not cast their vote through Remote e-voting, can exercise their voting rights at the AGM. The Company will make necessary arrangements in this regard at the AGM Venue. Members who have already cast their votes by Remote e-voting are eligible to attend the Meeting; however those Members are not entitled to cast their vote again in the Meeting.

A Member can opt for only single mode of voting i.e. through Remote e-voting or voting at the AGM. If a Member casts votes by both modes then voting done through Remote e-voting shall prevail and vote at the AGM shall be treated as invalid.

OTHER INSTRUCTIONS

- a. In case of any query and/or grievance, in respect of voting by electronic means, Members may refer to the Help & Frequently Asked Questions (FAQs) and E-voting user manual available at the download section of <https://evoting.karvy.com> (Karvy Website) or contact P Varalakshmi, Unit: **RUDRA GLOBAL INFRA PRODUCTS LIMITED** of Karvy Fintech Private Limited, Karvy Selenium Tower B, Plot 31-32, Gachibowli, Financial District, Nanakramguda, Hyderabad - 500 032 or at evoting@karvy.com or phone no. 040 – 6716 1514 or call Karvy's toll free No. 1-800-34-54-001 for any further clarifications.
- b. You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).
- c. The remote e-voting period commences on **September 27, 2020 (09.00 A.M. IST) and ends on September 29, 2020 (05.00 P.M. IST)**. During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (Record date) of September 23, 2019 may cast their votes electronically. A person who is not a Member as on the cut-off date should treat this Notice for information purposes only. The remote e-voting module shall be disabled for voting thereafter. Once the vote on a resolution(s) is cast by the Member, the Member shall not be allowed to change it subsequently.
- d. The voting rights of Members shall be in proportion to their share of the paid up equity share capital of the Company as on the cut-off date (**Record date**) i.e. **September 23, 2020**.
- e. In case a person has become a Member of the Company after dispatch of AGM Notice but on or before the cut-off date (record date) for E-voting, he/she may obtain the User ID and Password in the manner as mentioned below :
- f. If the mobile number of the member is registered against Folio No./ DP ID Client ID, the member may send SMS: **MYEPWD**<space> E-Voting Event Number + Folio No. or DP ID Client ID to 9212993399
 Example for NSDL:
 MYEPWD <SPACE> IN12345612345678
 Example for CDSL:
 MYEPWD <SPACE> 1402345612345678
 Example for Physical:
 MYEPWD <SPACE> XXXX1234567890
- g. If e-mail address or mobile number of the member is registered against Folio No. / DP ID Client ID, then on the home page of <https://evoting.karvy.com>, the member may click "Forgot Password" and enter Folio No. or DP ID Client ID and PAN to generate a password.
- h. Member may call Karvy's toll free number 1800-3454-001.
- i. Member may send an e-mail request to evoting@karvy.com. However, Karvy shall Endeavour to send User ID and Password to those new Members whose mail ids are available.

PROCEDURE AND INSTRUCTIONS FOR WEB CHECK-IN/ATTENDANCE REGISTRATION

Web Check-in/Attendance Registration: Members are requested to tender their attendance slips at the registration counters at the venue of the AGM and seek registration before entering the meeting hall. Alternatively, to facilitate hassle free and quick registration/entry at the venue of the AGM, the Company has provided a Web-Check in facility through Karvy's website. Web Check-in on the Karvy's website enables the Members to register attendance online in advance and generate Attendance Slip without going through the registration formalities at the registration counters.

Procedure of Web Check-in is as under:

- a. Log on to <https://karisma.karvy.com> and click on "**WebCheckin for General Meetings (AGM)**".
- b. Select the name of the company: **RUDRA GLOBAL INFRA PRODUCTS LIMITED**
- c. Pass through the security credentials viz., DP ID/Client ID/Folio no. entry, PAN No & "CAPTCHA" as directed by the system and click on the submission button.
- d. The system will validate the credentials. Then click on the "Generate my attendance slip" button that appears on the screen.
- e. The attendance slip in PDF format will appear on the screen. Select the "PRINT" option for direct printing or download and save for the printing.
- f. A separate counter will be available for the online registered Members at the AGM Venue for faster and hassle free entry and to avoid standing in the queue.
- g. After registration, a copy will be returned to the Member.
- h. The Web Check-in (Online Registration facility) is available for AGM during e-voting Period only i.e., **September 27, 2020 (09.00 A.M. IST) and ends on September 29, 2020 (05.00 P.M. IST)**.
- i. The Members are requested to carry their valid photo identity along with the above attendance slip for verification purpose.

Confirmation by Board:

In terms of Section 149 of the Companies Act, 2013 ("The Act") and rules made there under, as on March 31, 2020 the Company has two Non-Promoter Independent Directors (**Mr. Vikrambhai Shah** (DIN: 07187024) and **Mr. Vinodkumar Jangid** (DIN: 07865629)) in line with the act. In the opinion of the Board of Directors, all the Independent Directors of the Company **meet all the criteria mandated by Section 149** of the Companies Act, 2013 and rules made there under and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and they are Independent of Management.

Separate Meeting of Independent Directors for evaluates the performance:

Pursuant to the Companies Act, 2013 and rules made there under, a separate meeting of the Independent Directors of the Company was held on March 13, 2020 to review the performance of Non-independent directors (including the Chairman) and the Board as a whole. The Independent directors also reviewed the quality, content and timeliness of the flow of information between the Management and the Board and its committees which is necessary to effectively and reasonably perform and discharge their duties.

The terms and conditions of appointment of Independent Directors and Code for Independent Director are hosted on the website of the Company at www.rudratmx.com.

Declaration by Independent Director:

The Company has received a declaration from the Independent Directors of the Company under Section 149(7) of Companies Act, 2013 confirming that they meet criteria of Independence as per relevant provisions of Companies Act, 2013 for financial year 2020-2021. The Board of Directors of the Company has taken on record the said declarations and confirmation as submitted by the Independent Directors after undertaking due assessment of the veracity of the same. In the opinion of the Board, they fulfill the conditions for re-appointment as Independent Directors and are independent of the Management.

Resignation of Independent Director:

1. During the period under review, Mr. Himanshu Desai an Independent Director of the Company has tendered his resignation w.e.f. August 01, 2019 due to his pre-occupation elsewhere.

Note:- Event occurred after the end of Financial Year before the date of this report.

2. Tenure of Five years has been completed of Mr. Vikrambhai Shah as an Independent Director on May 15, 2020 and he shows his unwillingness for reappointment on board for Second Term.

Evaluation of Board's performance:

During the year under review, the Board of Directors has adopted a mechanism for evaluating its performance as well as that of its Committees and individual Directors, including the Chairman of the Board. The exercise was carried out through a structured evaluation process covering various aspects of the Boards functioning such as composition of the Board & committees, experience & competencies, performance of specific duties & obligations, attendance at the meetings, governance issues etc. Separate exercise was carried out to evaluate the performance of individual Directors including the Board Chairman who were evaluated on parameters such as attendance, contribution at the meetings and otherwise, independent judgment, safeguarding of minority shareholders interest etc.

Further, Nomination and Remuneration Committee has also carried out the performance evaluation of the individual directors on the basis of the criteria such as the contribution of the individual director to the board and committee meetings. In addition, the chairman was also evaluated on the key aspects of his role.

The evaluation of the Independent Directors was carried out by the entire Board and that of the Chairman and the Non-Independent Directors were carried out by the Independent Directors.

The Directors were satisfied with the evaluation results, which reflected the overall engagement of the Board and its Committees with the Company.

Code of Conduct:

Pursuant to provision of Companies Act, 2013 and regulation of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Company has formed a Code of Conduct which is extended over directors and key managerial personnel of the Company. The Company believes in conducting business in accordance with the highest standards of business ethics and complying with applicable laws, rules and regulations in letter as well as spirit. The "Code of Conduct" is available on the Corporate Governance section of the Company's website www.rudratmx.com.

The Code lays down the standard procedure of business conduct which is expected to be followed by the directors and management personnel in their business dealings and in particular on matters relating integrity in the work place, in business practices and complying with applicable laws etc.

All the directors and management personnel have submitted declaration confirming compliance with the code.

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members of,
RUDRA GLOBAL INFRA PRODUCTS LIMITED

We have examined the compliance of conditions on Corporate Governance of **RUDRA GLOBAL INFRA PRODUCTS LIMITED**, for the financial year ended March 31, 2020, as per SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 of the said Company with the Stock Exchange.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the Procedures and implementation thereof adopted by the company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statement of the company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the company has complied with the conditions of Corporate Governance as stipulated in the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, except remarks/observations mentioned in Secretarial Audit Report issued By Practicing Company Secretary (enclosed herewith).

We state that there were no investors' grievances pending against the company for a period exceeding one month as at March 31, 2020 as per the records maintained by the company

MANAGEMENT DISCUSSIONS AND ANALYSIS
INDUSTRY STRUCTURE AND OUTLOOK:

Steel is a cornerstone and key driver for the world's economy. The steel industry directly employs more than two million people worldwide, plus two million contractors and four million people in supporting industries. Moreover, industries such as construction, transport & energy, and the steel industry are a source of employment for more than 50 million people. Steel is at the core of the green economy, in which economic growth and environmental responsibility work hand in hand. Steel is the main material used in delivering renewable energy: solar, tidal and wind. Steel is 100% recyclable and can be used in new products and applications amounting to significant energy and raw material savings.

Our Company, incorporated in 2010 and listed on BSE board in 2015 is ISO 14001:2004, ISO 9001:2008 and BS OHSAS 18001:2007 certified. Our Company is engaged in manufacturing of superior quality TMT bars and billets. The registered office of our Company is situated at MD House; Plot No. 2715/A, Near Central Salt, Waghawadi Road, Bhavnagar – 364002.

Our Company “**RUDRA GLOBAL INFRA PRODUCTS LIMITED**” forms part of the esteemed Rudra Group. Rudra Group is promoted by a team of young entrepreneurs and experienced veterans with proven track records. The group started its journey in 1991 with a steel re-rolling mill having modest capacity of around 1000 MT per month. Today, the group is engaged in various backward & forward integrated businesses like Ship Recycling, Oxygen Plant, Induction Furnace, Re-rolling mill, producing more than 3 Lakhs MT per annum of steel, with a group turnover of around Rs. 600 Crore per annum. Fulfilling its objective of consistent growth in quality steel manufacturing, our Company has launched its premiere TMT Brand “Rudra TMX” manufactured from premium quality billets.

PRODUCT WISE PERFORMANCE:

Our Company is engaged in the manufacturing of TMT bars and Billets and trading in Cement. Irrespective of number of competitors the overall demand of our products is high on account of superior quality and hence overall performance of our Company has improved during the current year in comparison with the earlier performance. The gross turnover of the company for the Financial Year ended March 31, 2020 and its segment wise comparison with previous Financial Year is given below:

Type of Product	2019-20		2018-19	
	Qty.	Rs. (In Lac)	Qty.	Rs. (In Lac)
MS Billets	40291	12337.84	61290	21,501.00
TMT Bars	63162	22607.88	76941	30,733.96
Rudra Cement	3319	156.44	22302	934.94

RISK AND CONCERN:

The development of the company would depend on overall macro and micro economic policy of the Government. The rapid technological advancement requiring huge investments is another area of concern for the company.

OPPORTUNITIES AND THREATS:-

The industry has vast opportunities for expansion to meet up the increasing demand. As mentioned above, irrespective of Number of Competitors, demand of our company's products is high and hence the company can take benefit of this opportunity. In addition to this, various thrusts to industrialization (Make in India) and infrastructure development given by our Government, the overall demand for steel products is certainly going to increase. With already established brand and quality, the company will certainly reap benefits of these policies.

The following factors have been considered for determining the materiality of Threat/Risk Factors:

1. General economic and business conditions in the markets in which we operate and in the local, regional, national and international economies;
2. Changes in laws and regulations relating to the sectors/areas in which we operate;
3. Major change in policy and/or practice of road transport.

FINANCIAL PERFORMANCE:

The Revenue of the company for the year ended March 31, 2020 was Rs. 361.01 Crore as against Rs. 557.25 Crore of previous year. The profit after taxation for the year under review was Rs.0.24 Crore as compared to Rs. 15.74 Crore for the preceding year.

INTERNAL CONTROL:

Your Company has well-established and robust internal control systems in place which are commensurate with the nature of its businesses, size & scale and complexity of its operations. Roles and responsibilities are clearly defined and assigned. Standard operating procedures are in place and have been designed to provide a reasonable assurance. Your Company has carried out the evaluation of design and operating effectiveness of the controls to ensure adherence to the Standard operating procedures and noted no significant deficiencies/material weaknesses.

In addition to the above, internal audits are undertaken on a continuous basis by senior officer of the company covering all business operations periodically to validate the existing controls. The Internal audit program is reviewed by the Audit Committee at the beginning of the year to ensure that the coverage of the areas is adequate. Reports of the internal auditors are regularly reviewed by the management and corrective action is initiated to strengthen the controls and enhance the effectiveness of the existing systems. Significant audit observations are presented to the Audit Committee along with the status of management actions and the progress of implementation of recommendations.

The Audit Committee reviews the adequacy and effectiveness of internal control systems and provides guidance for further strengthening them.

CAUTIONARY STATEMENT:

Statements in the Management Discussions and Analysis Report in regard to projections, estimates and expectations may be "forward looking statement" within meaning of applicable securities laws and regulations. Many unforeseen factors may come into play and affect the actual results, which would be different from what directors envisage in terms of future performance and outlook. Market data and product information contained in this report have been based on information gathered from various sources such as various published and un-published reports.

Annexure- III
CONSERVATION OF ENERGY

Information as per Section 134 (3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014 and forming part of the Director's Report for the year ended on March 31, 2020.

A. Conservation of Energy:
a) Energy conservation measure taken:

The Company is engaged in the manufacturing of Billets and MS TMT Bars (RUDRA TMX). The use of energy and fuel is substantial in the manufacturing process. The company has taken various measures to minimize consumption of energy, to optimize productivity and also to conserve energy and making best use of the resources. A considerable amount of time and effort was earmarked for conserving power across all our plant. The measures undertaken were namely:

- Installation in Capacitor bank for furnace to improve in Electricity Power Factor.
- Use of compact fluorescent lamps and lighting in place of conventional lights
- Exercise to check the connected electricity machines (motors etc.) against actual loading and necessary measures.

b) Additional investment and proposals, if any, being implemented for reduction in consumption of energy: Nil
c) Impact of the measures at (a) & (b) on energy consumption & consequent impact on the cost of production of goods:

- The above measures have resulted in energy saving cost and thus have led to reduction in the cost of production.
- As a result of above measures efficient utilization of power and other energy sources has been achieved.

d) Total energy consumption and energy consumption per unit of production as per Form-A of the Annexure is annexed.
e) The Company has also ventured into the area of production of power through renewable energy power. The company has set up three wind mill producing the unit of electricity. This has reduced our Conventional power usage. This is the company's small efforts in this field of green energy.
B. Technology Absorption as per Form –B
C. Foreign Exchange Earning and Outgo: Total foreign exchange used and earned

	(Rs. In Lakh)	
Financial Year	2019-20	2018-19
i) Foreign currency Outward	6421.03	15287.22
ii) Foreign currency Inward	-	6863.18

FORM – A
Form for disclosure of Particulars with respect to Conservation of Energy

Financial Year		2019-20	2018-19

**SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31 2020**

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members
RUDRA GLOBAL INFRA PRODUCTS LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **RUDRA GLOBAL INFRA PRODUCTS LIMITED (CIN:- L28112GJ2010PLC062324)** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2020 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

Due to unprecedented lockdown imposed in the country caused by COVID-19 at a crucial time when the audit was underway limiting the availability of physical access to the records of the Company, we have examined in the best possible manner, through the virtual platform, the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2020, according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made there under; **during the year under review, Few forms has been filed late after its due dates.**
- ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015; **during the year under review; Composition of Board of Directors is not as per Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015;**
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 notified on 28 October 2014; - **No event occurred attracting provision of this Regulations during the period under review;**
 - e) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009- **No event occurred attracting provision of this Regulations during the period under review and**
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 - **No event occurred attracting provision of these Regulations during the period under review.**
 - i) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **No event occurred attracting provision of these Regulations during the period under review.**

All other relevant applicable laws including those specifically applicable to the Company, a list of which has been provided by the management. The examination and reporting of these laws and rules are limited to whether there are adequate systems and processes are in place to monitor and ensure compliance with those laws.

I have also examined compliance with the applicable clauses of the following:

1) Secretarial Standards issued by The Institute of Company Secretaries of India;

The Secretarial Standards namely, SS-1, SS-2 and SS-3 issued and notified by the Institute of Company Secretaries of India have been generally complied with by the Company during the financial year under review.

2) The Listing Agreements entered into by the Company with Stock Exchanges.

3) Secretarial Standards issued by The Institute of Company Secretaries of India (So far as issued and notified);

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, except to the extent as mentioned below:

1.	Constitution of Board is not as per the provision of Companies Act & SEBI LODR (Please mention exact section & Regulation)	Non Compliance / Qualification
2.	Company has not appointed Internal Auditor as per provision of Companies Act (Please mention exact section)	Non Compliance / Qualification

I further report that, The Board of Directors of the Company is not duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that, there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with other applicable laws, rules, regulations and guidelines.

Annexure- XIII
NOMINATION & REMUNERATION POLICY
1. Preface:

RUDRA GLOBAL INFRA PRODUCTS LIMITED (“**The Company**”), in order to attract motivated and retained manpower in competitive market, to harmonize the aspirations of human resources consistent with the goals of the Company and in terms of the provisions of the Companies Act, 2013 and the SEBI (Listing Regulations and Disclosure Requirements) Regulation, 2015 as amended from time to time, this policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated and recommended by the Nomination and Remuneration Committee and approved by the Board of Directors.

2. Objective:

The Key Objectives of the Nomination and Remuneration Policy would be:

- A. To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel and Senior Management.
- B. To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation of the Board.
- C. To recommend to the Board on Remuneration payable to the Directors, Key Managerial Personnel and Senior Management.

3. Definition:

- a) “**Board**” means Board of Directors of the Company.
- b) “**Director**” means Directors of the Company.
- c) “**Committee**” means the Nomination and Remuneration Committee of the Company as constituted or re-constituted by the Board.
- d) “**Company**” means RUDRA GLOBAL INFRA PRODUCTS LIMITED.
- e) “**Independent Director**” means a Director referred to in Section 149(6) of the Companies Act, 2013.
- f) **Key Managerial Personnel** means:
 - i. Executive Chairman or Chief Executive Officer and/or Managing Director;
 - ii. Wholetime Director;
 - iii. Chief Financial Officer;
 - iv. Company Secretary;
 - v. Such other Officer as may be prescribed under the applicable statutory provisions / regulations.
- g) “**Senior Management**” means personnel of the Company who occupy the position of Head of any department/ division/ unit.

Unless the context otherwise requires, words and expressions used in this policy and not defined herein but defined in Companies Act, 2013 as may be amended from time to time shall have the meaning respectively assigned to them therein.

4. Guiding principles:

The guiding principle is to lay down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (including Independent Director) and persons who may be appointed in Senior Management and Key Managerial positions and to determine their remuneration.

- A. To carry out evaluation of performance of Directors, Key Management Personnel as well as Senior Management Personnel.
- B. The level and composition of remuneration and the other terms of employment is reasonable and sufficient to attract, retain and motivate executives of the Company shall be competitive in order to ensure that the Company can attract and retain competent Executives.
- C. To determine remuneration based on Company’s size and financial position and trends and practice on remuneration prevailing in the similar Industry. When determining the remuneration policy and arrangements for Directors/ KMP’s and Senior Management, the Committee considers pay and employment conditions with peers / elsewhere in the competitive

market to ensure that pay structures are appropriately aligned and that levels of remuneration remain appropriate in this context.

- D. The Committee while designing the remuneration package considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the company successfully. The Committee considers that a successful remuneration policy must ensure that a significant part of the remuneration package is linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.

5. Coverage:

A. Policy on Appointment and Nomination of Directors, Key Managerial Personnel and Senior Management:

1) Appointment criteria and qualifications:

- a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director and KMP and recommend to the Board his / her appointee.
- b) A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the concerned position.
- c) The Company shall not appoint or continue the employment of any person as Wholetime Director who has attained the age of seventy years.

Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution based on the explanatory statement annexed to the notice for such motion indicating the justification for extension of appointment beyond seventy years.

- d) Any appointment made at Senior Management Level shall be placed before the meeting of the Board of Directors of the Company.

2) Tenure of Employment:

a) Managing Director/Whole-time Director/ Executive Director

The Company shall appoint or re-appoint any person as its Executive Chairman, Managing Director, Whole-Time Director or Executive Director for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

b) Independent Director

An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.

No Independent Director shall hold office for more than two consecutive terms, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director. Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly. However, if a person who has already served as an Independent Director for 5 years or more in the Company as on 1st October, 2014 or such other date as may be determined by the Committee as per regulatory requirement, he / she shall be eligible for appointment for one more term of 5 years only.

At the time of appointment of Independent Director it should be ensured that number of Boards on which such Independent Director serves is restricted to seven listed companies as an Independent Director and three listed companies as an Independent Director in case such person is serving as a Whole-time Director of a listed company.

The Committee shall satisfy itself with regard to the independent nature of the Director vis-à-vis the Company so as to enable the Board to discharge its function and duties effectively.

3) Evaluation:

The Committee shall evaluate performance of every Director, KMP and Senior Management Personnel at regular period of one year.

The Board shall take into consideration the performance evaluation Director, KMP and Senior Management Personnel at the time of Re-appointment.

B. Policy on remuneration of Director, KMP and Senior Management Personnel:

- 1) The remuneration/compensation/commission etc. to the Managing Director, KMP and Senior Management Personnel will be determined by the Committee and recommended to the Board for approval. The remuneration/compensation/ commission etc. shall be subject to the prior/post approval of the shareholders of the Company and Central Government, wherever required.
- 2) The remuneration and commission to be paid to the Managing Director shall be in accordance with the provisions of the Companies Act, 2013, and the rules made there under.
- 3) Increments to the existing remuneration / compensation structure may be recommended by the Committee to the Board which should be within the slabs approved by the Shareholders in the case of Managing Director.
- 4) Where any insurance is taken by the Company on behalf of its Managing Director, Chief Executive Officer, Chief Financial Officer, the Company Secretary and any other employees for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel. Provided that if such person is proved to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.
- 5) Remuneration to Whole-time/ Executive/ Managing Director, KMP and Senior Management Personnel;

a) Fixed pay:

The Managing Director / KMP and Senior Management Personnel shall be eligible for a monthly remuneration as may be approved by the Board on the recommendation of the Committee. The break-up of the pay scale and quantum of perquisites including, employer's contribution to P.F, pension scheme, medical expenses, club fees etc. shall be decided and approved by the Board on the recommendation of the Committee and approved by the shareholders and Central Government, wherever required.

b) Minimum Remuneration:

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Managing Director in accordance with the provisions of Schedule V of the Companies Act, 2013 and if it is not able to comply with such provisions, with the previous approval of the Central Government.

c) Provisions for excess remuneration:

If any Managing Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he / she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

- 6) Remuneration to Non- Executive / Independent Director;

a) Remuneration / Commission:

The remuneration / commission shall be fixed as per the slabs and conditions mentioned in the Articles of Association of the Company and the Companies Act, 2013 and the rules made thereunder.

b) Sitting Fees:

The Non- Executive / Independent Director may receive remuneration by way of fees for attending meetings of Board or Committee thereof. Provided that the amount of such fees shall not exceed Rs. One lakh per meeting of the Board or Committee or such amount as may be prescribed by the Central Government from time to time.

The Independent Director shall be entitled to reimbursement of expenses for participation in the Board and other meeting.

c) Commission:

Commission may be paid within the monetary limit approved by shareholders, subject to the limit not exceeding 1% of the profits of the Company computed as per the applicable provisions of the Companies Act, 2013.

d) Stock Options:

An Independent Director shall not be entitled to any stock option of the Company.

6. Reward principles and objectives:

Our remuneration policy is guided by a common reward framework and set of principles and objectives as particularly envisaged under section 178 of the Companies Act 2013, interalia principles pertaining to determining qualifications, positives attributes, integrity and independence etc.

7. Disclosure of Information:

Information on the total remuneration of members of the Company's Board of Directors, Executive Board of Management and senior management may be disclosed in the Company's annual financial statements.

8. Application of the Nomination and Remuneration Policy

This Nomination and Remuneration Policy shall apply to all future employment agreements with members of Company's Senior Management including Key Managerial Person and Board of Directors.

The Remuneration Policy is binding for the Board of Directors. In other respects, the Remuneration Policy shall be of guidance for the Board. The Board of Director reserves the right to modify the policy as and when recommended by the Nomination and Remuneration Committee either in whole or in part without assigning any reason whatsoever.

INDEPENDENT AUDITORS' REPORT

To,
The Members,
Rudra Global Infra Products Limited

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited standalone financial statements of **Rudra Global Infra Products Limited** ("the company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss (including other Comprehensive Income), the Statement in Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statement, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2020 and profit and total comprehensive income, change in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw your attention to the following matter:

On account of COVID-19 pandemic situation and its related preventive measures such as lockdown and travel restrictions by the Government of India, books of accounts are audited online with supporting documents keeping in view of materiality.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy

and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matter related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of written representations received from the directors as on 31st March, 2020, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts;
 - iii. There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure B" a statement on the matters Specified in paragraphs 3 and 4 of the Order.

ANNAEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Rudra Global Infra Products Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub - section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Rudra Global Infra Products Limited** as of 31st March, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNAEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Rudra Global Infra Products Limited of even date)

- i. In respect of company’s fixed assets:
 - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b. The Company has a program of verification to cover all the items of fixed assets in phased manner which, in our opinion, is reasonably having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to information and explanations given to us by the management, no material discrepancy was noticed on such verification.
 - c. According to information and explanations given by the management, the title deeds of immovable properties, included under tangible fixed assets, are held in the name of the Company.
- ii. We have been informed that, inventories have been physically verified by the management at reasonable intervals. In our opinion, the frequency of verification is reasonable with regard to the size of company. According to information and explanations given to us by the management, no material discrepancy was noticed on such verification.
- iii. The Company has not granted any loan to any party listed in the register maintained under section 189 of the Companies Act. Accordingly, paragraph 3(iii) of the Order is not applicable.
- iv. According to the information and explanations given to us, the Company has not granted loans and made any investments or provided any guarantee or security to the parties covered under section 185 and 186. Accordingly, paragraph 3(iv) of the Order is not applicable.
- v. According to the information and explanation given to us, the company has not accepted the any deposits and does not have any unclaimed deposits as at 31st March, 2020 and therefore, the provisions of the clause 3(v) of the Order are not applicable to the company.
- vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the company. Thus reporting under clause 3(vi) of the order is not applicable to the company.
- vii. (a) According to the information and explanation given to us, the company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees’ State Insurance, Sales Tax, Goods & Service Tax, Duty of Customs, Cess and any other statutory dues applicable to it with appropriate authorities and no such undisputed amounts were in arrears for a period of more than six months from the date they became payable except income tax for the year ended on 31st March, 2019 and professional tax of employees.
 (b) As per the information and explanation given to us, there are no disputed dues outstanding on account of *Provident Fund, Employees’ State Insurance, Income-tax, Sales Tax, Goods & Service Tax, Duty of Customs, Cess and any other statutory dues*.
- viii. According to the records made available to us and information and explanation given to us by the management, in our opinion the company has not defaulted in repayment of dues to a bank or financial institution.
- ix. In our opinion and according to the information and explanations given to us, the money raised by way of term loans have been applied for the purpose for which they were obtained. The company has not raised moneys by way of initial public offer or further public offer (including debt instruments).
- x. According to the information and explanation given to us, no fraud by the company or no material fraud on the company by its officers or employees has been noticed or reported during course of our audit.
- xi. The company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act.
- xii. According to the information and explanation given to us the company is not a nidhi company hence clause 3(xii) of companies (auditor’s Report) order 2016 is not applicable.
- xiii. According to the information and explanation given to us and based on our examination of the records of the company, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements, as required by the applicable accounting standards.
- xiv. According to the information and explanation given to us and based on our examination of the records of the company, the company has made private placement of shares. As per the information and explanation given to us, the company has complied with Section 42 of Companies Act, 2013 and the amount has been used for the purpose for which the funds were raised.

- xv. According to the information and explanation given to us and based on our examination of the records of the company, the company has not entered into non cash transactions with directors or persons connected with him hence clause 3 (xv) of companies (auditor's Report) order 2016 is not applicable.
- xvi. The company is not required to be registered under section 45-IA of the Reserve Bank of India, 1934. .

Notes to Standalone financial statements for the year ended 31st March, 2020

A. Company Overview:

Rudra Global Infra Products Limited ("the Company") is public limited company and domiciled in India and is incorporated as per the provisions of the Companies Act with its registered office located at "M.D.House", Plot No. 2715/A, Near Central Salt, Waghawadi Road, Bhavnagar – 364001. The Company is listed on the Bombay Stock Exchange (BSE). The Company is currently into the business of manufacturing and trading of Billets, TMT Bars.

B. Significant Accounting Policies

1. Basis of Preparation and Presentation

1.1 Statement of Compliance

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements up to year ended March 31, 2020 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act. Previous period figures in the financial statements have been restated in Ind AS.

1.2 Basis of Measurement

The standalone financial statements have been prepared on a historical cost basis, on the accrual basis of accounting except for certain financial assets and liabilities measured at fair value at the end of each reporting period, as explained in relevant schedule notes.

1.3 Functional and presentation currency

Indian rupee is the functional and presentation currency.

1.4 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are:

- Useful lives of Property, plant and equipment
- Valuation of financial instruments
- Provisions and contingencies
- Income tax and deferred tax
- Measurement of defined employee benefit obligations
- Export Incentive

2. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

2.1 Sale of Goods

Revenue from sale of goods is recognized when the Company transfers all significant risks and rewards of ownership to the buyer, while the Company retains neither continuing managerial involvement nor effective control over the products sold.

Revenue is exclusive of excise duty and is reduced for estimated customer returns, commissions, rebates and discounts and other similar allowances.

2.2 Other Operating Revenue

Other Operating Revenue comprises of income from ancillary activities incidental to the operations of the company and is recognised when the right to receive the income is established as per the terms of contracts.

2.3 Dividend and Interest income

Dividend income is recognized when the right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably).

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably).

3. Foreign currency transactions

The company is exposed to currency fluctuations on foreign currency transactions. Transactions denominated in foreign currency are recorded at the original rates of exchange in force/ notional determined exchange rates at the time transactions are affected. Exchange difference arising on foreign exchange transactions settled during the year is recognized in the Statement of profit and loss of the year.

In the case of forward contract, if any, difference between the forward rates and the exchange rates on the transaction dates is recognized as income or expenses over the lives of the related contracts. The Profit/Loss arising out of the cancellation or renewal of forward exchange contract is recorded as Income/ Expense for the period.

4. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

5. Employee benefits

Retirement benefit costs and termination benefits:

Payments to defined contribution plans i.e., Company's contribution to provident fund are determined under the relevant schemes and/ or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees.

In respect of provident fund, eligible employees of the Company are entitled to receive benefits in respect of provident fund, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions are made to the provident fund as set up by Government.

For defined benefit plans i.e. gratuity, the Company has an obligation towards gratuity. The plan provides for payment to vested employees at retirement, death while in employment or on termination of employment in accordance with the scheme of the company. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- Service cost;
- Net interest expense or income; and
- Re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

6. Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax:

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

Provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and TDS/TCS receivables.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes

eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India. MAT Credit Entitlement, is classified as unused tax credits under deferred tax by way of a credit to the statement of profit and loss.

Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

7. Property, Plant and Equipment

Cost:

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Property, Plant and Equipment not ready for the intended use on the date of the Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided using the written down method based on the useful life of the assets as estimated by the management and is charged to the Statement of Profit and Loss as per the requirements of Schedule II of the Act. The estimate of the useful life of the assets has been assessed based on technical advice which considered the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Depreciation on items of property, plant and equipment acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal. Cost of lease-hold land is amortized equally over the period of lease.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

De-recognition:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss.

8. Impairment Losses

At the end of each reporting period, the Company determines whether there is any indication that its assets (property, plant and equipment, intangible assets and investments in equity instruments in subsidiaries carried at cost) have suffered an impairment loss with reference to their carrying amounts. If any indication of impairment exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value in use) of such assets is estimated and impairment is recognised, if the carrying amount exceeds the recoverable amount.

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

9. Inventories

Inventories are taken as verified, valued and certified by the management. The company has been following the practice of accounting for the quantity of raw material and finished goods on the basis of the weight (in MTs). Inventories are stated at lower of cost and net realisable value.

Cost of raw materials, stores, spares, consumable tools comprises cost of purchases and includes taxes and duties other refundable or eligible for credits. Cost of inventories also includes all other related costs incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Cost of inventories is determined as follows:

- Raw Material - At Cost
- Finished Goods - At lower of cost or net realizable value
- Traded Goods - At lower of cost or net realizable value
- Consumable & Store Spare - At Cost

10. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent liability is disclosed for possible obligations which will be confirmed only by future events not within the control of the Company or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets are not recognized since this may result in the recognition of income that may never be realized.

11. Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Classification of financial assets

The financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition.

After initial recognition:

- I. Financial assets (other than investments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Income on such debt instruments is recognised in profit or loss and is included in the "Other Income".

The Company has not designated any debt instruments as fair value through other comprehensive income.

- II. Financial assets (i.e. investments in instruments other than equity of subsidiaries) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g. any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Other Income".

Investments in equity instruments of subsidiaries

The Company measures its investments in equity instruments of subsidiaries at cost in accordance with Ind AS 27. At transition date, the Company has elected to continue with the carrying value of such investments measured as per the previous GAAP and use such carrying value as its deemed cost.

Impairment of financial assets:

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive).

De-recognition of financial assets:

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

Financial liabilities and equity instruments

Equity instruments

Equity instruments issued by the Company are classified as equity in accordance with the substance and the definitions of an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

12. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

C. Critical Accounting judgements and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the key estimates that have been made by the Management in the process of applying the accounting policies:

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value are measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions relating to these factors could affect the reported fair value of financial instruments.

Allowance for doubtful trade receivables

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts.

Estimated irrecoverable amounts are derived based on a provision matrix which takes into account various factors such as customer specific risks, geographical region, product type, currency fluctuation risk, repatriation policy of the country, country specific economic risks, customer rating, and type of customer, etc.

Individual trade receivables are written off when the management deems them not to be collectable.

Defined benefit plan

The cost of the defined benefit plans and other post-employment benefits and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter that is subject to change the most is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation and extrapolated as needed along the yield curve to correspond with the expected term of the defined benefit obligation.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases are after considering the expected future inflation rates for the country.

C. Terms & Rights attached to equity shares :

(A) The company has only one class of equity shares having a par value of Rs. 10 per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividend in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing AGM. During the year ended March 31, 2020, the amount per share of dividend recognised as distributions to equity share holders was Rs. NIL.

(B) In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

D. The details of shareholders holding more than 5% shares in the company :

Name of the shareholder	Number	% of holding	Number	% of holding
Ashok kumar Gupta	2,502,775	9.98	2,402,950	9.98
Shamarani Gupta	2,002,960	7.98	2,002,960	8.32
Nikhil Gupta	2,586,724	10.31	2,206,396	9.16

Earnings per share		
Basic	0.10	6.54
Diluted	0.10	6.54
Face value per share	10	10
Profit for the year attributable to equity shareholders	2,403,625	157,649,383
Weighted average number of equity shares used in the calculation of earnings per share	25,085,957	24,087,704

Note 3.4 : Capital Management

For the purpose of the company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objectives of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximize return to stakeholders through the optimization of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual planning and budgeting and corporate plan for working capital, capital outlay and long-term product and strategic involvements. The funding requirements are met through internal accruals and a combination of both long-term and short-term borrowings.

The Company monitors the capital structure on the basis of total debt (long term and short term) to equity and maturity profile of the overall debt portfolio of the Company.

Particulars	As at	
	March 31, 2020	March 31, 2019
Total Debt (Inclusive of current maturities of long term debt)	1,069,968,917	937,127,632
Total Equity	1,003,865,740	801,462,115
Debt Equity Ratio	1.07	1.17

Note 3.5 : Financial Risk Management

In course of its business, the Company is exposed to certain financial risks that could have significant influence on the Company's business and operational/ financial performance. These include market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk

The Board of Directors reviews and approves risk management framework and policies for managing these risks and monitors suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings. In line with the overall risk management framework and policies, the management monitors and manages risk exposure through an analysis of degree and magnitude of risks.

(i) Market Risk

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realizable fair values or future cash flows to the Company. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

(a) Foreign Currency Risk Management:

The Company undertakes transactions denominated in foreign currencies and thus it is exposed to exchange rate fluctuations. The Company actively manages its currency rate exposures, arising from transactions entered and denominated in foreign currencies, and uses derivative instruments such as foreign currency forward contracts to mitigate the risks from such exposures. The company does not use derivative instruments to hedge risk exposure.

(b) Interest Rate Risk Management:

The Company is exposed to interest rate risk pertaining to funds borrowed at both fixed and floating interest rates. The Company's risk management activities are subject to management, direction and control under the framework of risk management policy of interest rate risk. The management ensures risk governance framework for the company through appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives

For the company's total borrowings, the analysis is prepared assuming that amount of the liability outstanding at the end of the reporting period was outstanding for the whole year.

Particulars	As at	
	March 31, 2020	March 31, 2019
Total Borrowings	1,069,968,917	937,127,632

(ii) Credit Risk

Credit risk refers to the risk that a counterparty or customer will default on its obligation resulting in a loss to the company. Financial instruments that are subject to credit risk principally consist of Loans, Trade and Other Receivables, Cash and Cash Equivalents, Investments and Other Financial Assets.

Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risk. The Company's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties

Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in independent markets. Ongoing credit evaluation is performed on the financial condition of accounts receivable and, where appropriate. The average credit period is generally in the range of 14 days to 90 days. Credit limits are established for all customers based on internal rating criteria.

<i>Age analysis of Trade Receivables</i>	As at	
	March 31, 2020	March 31, 2020
Gross Trade Receivables		
Due Less than 6 Months	317,805,475	171,973,846
Due greater than 6 Months	109,293,633	95,150,311
Allowance for doubtful debts	-	4,929,489
Net Trade Receivables	427,099,108	262,194,668

(iii) Liquidity Risk

The Company monitors its risk of shortage of funds through using a liquidity planning process that encompasses an analysis of projected cash inflow and outflow.

The Company's objective is to maintain a balance between continuity of funding and flexibility largely through cash flow generation from its operating activities and the use of bank loans. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding

Note 3.6 : Categories of Financial Assets and Liabilities

2. Previous Year Figures have been regrouped, rearranged, recalculated and reclassified whenever required and opening balance as per previous auditor certified.

INDEPENDENT AUDITORS' REPORT

To,
The Members,
Rudra Global Infra Products Limited

Report on the Audit of the consolidated Financial Statements**Opinion**

We have audited consolidated financial statements of **Rudra Global Infra Products Limited** (herein after referred to as "the company") and its one subsidiary (the company and its subsidiary together referred to as 'the group'), which comprise the Consolidated Balance Sheet as at 31st March 2020, the Consolidated Statement of Profit and Loss (including other Comprehensive Income), the Consolidated Statement in Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the financial statement, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group as at 31st March, 2020 and consolidated total comprehensive income (comprising of profit and consolidated other comprehensive income), consolidated change in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw your attention to the following matter:

On account of COVID-19 pandemic situation and its related preventive measures such as lockdown and travel restrictions by the Government of India, books of accounts are audited online with supporting keeping in view of materiality.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matter related to going concern and using the going concern basis of accounting unless management either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be

influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

As required by section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b. In our opinion proper books of account as required by law have been kept so far as it appears from our examination of those books.
- c. The Consolidated Balance Sheet, the consolidated Statement of Profit and Loss including Consolidated Other Comprehensive Income, consolidated Statement of Changes in Equity and the consolidated Cash Flow statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of written representations received from the directors as on 31st March, 2020, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group's internal financial controls over financial reporting.
- g. In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
 - iv. The group has disclosed the impact of pending litigations on its financial position in its consolidated Ind AS financial statements.
 - v. The group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts;
 - vi. There were no amounts which required to be transferred by the group to the Investor Education and Protection Fund

ANNAEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Rudra Global Infra Products Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub - section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Rudra Global Infra Products Limited** (hereinafter referred to as “the Company”), and its subsidiary as of 31st March, 2020 in conjunction with our audit of the consolidated financial statements of the group for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to group’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the group’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A group’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A group’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations management and directors of the group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the group’s assets that could have a material effect on the consolidated financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

B. Significant Accounting Policies

13. Basis of Preparation and Presentation

13.1 Statement of Compliance

The Consolidated Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016. The Consolidated Financial Statements up to year ended March 31, 2020 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act. Previous period figures in the Consolidated Financial Statements have been restated in Ind AS.

13.2 Basis of Measurement

The Consolidated financial statements have been prepared on a historical cost basis, on the accrual basis of accounting except for certain financial assets and liabilities measured at fair value at the end of each reporting period, as explained in relevant schedule notes.

13.3 Functional and presentation currency

Indian rupee is the functional and presentation currency.

13.4 Use of estimates

The preparation of the consolidated financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenues and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these consolidated financial statements are:

- Useful lives of Property, plant and equipment
- Valuation of financial instruments
- Provisions and contingencies
- Income tax and deferred tax
- Measurement of defined employee benefit obligations
- Export Incentive

14. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

14.1 Sale of Goods

Revenue from sale of goods is recognized when the Company transfers all significant risks and rewards of ownership to the buyer, while the Company retains neither continuing managerial involvement nor effective control over the products sold.

Revenue is exclusive of excise duty and is reduced for estimated customer returns, commissions, rebates and discounts and other similar allowances.

14.2 Other Operating Revenue

Other Operating Revenue comprises of income from ancillary activities incidental to the operations of the company and is recognised when the right to receive the income is established as per the terms of contracts.

14.3 Dividend and Interest income

Dividend income is recognized when the right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably).

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably).

15. Foreign currency transactions

The company is exposed to currency fluctuations on foreign currency transactions. Transactions denominated in foreign currency are recorded at the original rates of exchange in force/ notional determined exchange rates at the time transactions are affected. Exchange difference arising on foreign exchange transactions settled during the year is recognized in the Statement of profit and loss of the year.

In the case of forward contract, if any, difference between the forward rates and the exchange rates on the transaction dates is recognized as income or expenses over the lives of the related contracts. The Profit/Loss arising out of the cancellation or renewal of forward exchange contract is recorded as Income/ Expense for the period.

16. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

17. Employee benefits

Retirement benefit costs and termination benefits:

Payments to defined contribution plans i.e., Company's contribution to provident fund are determined under the relevant schemes and/ or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees.

In respect of provident fund, eligible employees of the Company are entitled to receive benefits in respect of provident fund, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions are made to the provident fund as set up by Government.

For defined benefit plans i.e. gratuity, the Company has an obligation towards gratuity. The plan provides for payment to vested employees at retirement, death while in employment or on termination of employment in accordance with the scheme of the company. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- Service cost;
- Net interest expense or income; and
- Re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

18. Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax:

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

Provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and TDS/TCS receivables.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India. MAT Credit Entitlement, is classified as unused tax credits under deferred tax by way of a credit to the statement of profit and loss.

Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

19. Property, Plant and Equipment
Cost:

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Property, Plant and Equipment not ready for the intended use on the date of the Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided using the written down method based on the useful life of the assets as estimated by the management and is charged to the Statement of Profit and Loss as per the requirements of Schedule II of the Act. The estimate of the useful life of the assets has been assessed based on technical advice which considered the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Depreciation on items of property, plant and equipment acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal. Cost of lease-hold land is amortized equally over the period of lease.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

De-recognition:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss.

20. Impairment Losses

At the end of each reporting period, the Company determines whether there is any indication that its assets (property, plant and equipment, intangible assets and investments in equity instruments in subsidiaries carried at cost) have suffered an impairment loss with reference to their carrying amounts. If any indication of impairment exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value in use) of such assets is estimated and impairment is recognised, if the carrying amount exceeds the recoverable amount.

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

21. Inventories

Inventories are taken as verified, valued and certified by the management. The company has been following the practice of accounting for the quantity of raw material and finished goods on the basis of the weight (in MTs). Inventories are stated at lower of cost and net realisable value.

Cost of raw materials, stores, spares, consumable tools comprises cost of purchases and includes taxes and duties other refundable or eligible for credits. Cost of inventories also includes all other related costs incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Cost of inventories is determined as follows:

- Raw Material - At Cost
- Finished Goods - At lower of cost or net realizable value
- Traded Goods - At lower of cost or net realizable value
- Consumable & Store Spare - At Cost

22. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent liability is disclosed for possible obligations which will be confirmed only by future events not within the control of the Company or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets are not recognized since this may result in the recognition of income that may never be realized.

23. Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Classification of financial assets

The financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition.

After initial recognition:

- III. Financial assets (other than investments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Income on such debt instruments is recognised in profit or loss and is included in the "Other Income".

The Company has not designated any debt instruments as fair value through other comprehensive income.

- IV. Financial assets (i.e. investments in instruments other than equity of subsidiaries) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g. any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Other Income".

Investments in equity instruments of subsidiaries

The Company measures its investments in equity instruments of subsidiaries at cost in accordance with Ind AS 27. At transition date, the Company has elected to continue with the carrying value of such investments measured as per the previous GAAP and use such carrying value as its deemed cost.

Impairment of financial assets:

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive).

De-recognition of financial assets:

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

Financial liabilities and equity instruments

Equity instruments

Equity instruments issued by the Company are classified as equity in accordance with the substance and the definitions of an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

24. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

C. Critical Accounting judgements and key sources of estimation uncertainty

The preparation of consolidated financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the consolidated financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the key estimates that have been made by the Management in the process of applying the accounting policies:

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value are measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions relating to these factors could affect the reported fair value of financial instruments.

Allowance for doubtful trade receivables

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts.

Estimated irrecoverable amounts are derived based on a provision matrix which takes into account various factors such as customer specific risks, geographical region, product type, currency fluctuation risk, repatriation policy of the country, country specific economic risks, customer rating, and type of customer, etc.

Individual trade receivables are written off when the management deems them not to be collectable.

Defined benefit plan

The cost of the defined benefit plans and other post-employment benefits and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter that is subject to change the most is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation and extrapolated as needed along the yield curve to correspond with the expected term of the defined benefit obligation.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases are after considering the expected future inflation rates for the country.

The accompanying notes form integral part of these consolidated Financial Statements

C. Terms & Rights attached to equity shares :

(A) The company has only one class of equity shares having a par value of Rs. 10 per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividend in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. During the year ended March 31, 2020, the amount per share of dividend recognised as distributions to equity share holders was Rs. NIL.

(B) In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

D. The details of shareholders holding more than 5% shares in the company :

Name of the shareholder	As at 31st March, 2020		As at 31st March, 2019	
	Number	Amount	Number	Amount
Ashok kumar Gupta	2,502,775	9.98	2,402,950	9.98

Note 3: Basis of Consolidation

The Consolidated Financial Statements relate to Rudra Global Infra Products Limited (the Parent Company) and its subsidiary (the Parent Company and its subsidiaries together constitute “the Group”).

Principles of Consolidation:

- The Consolidated Financial Statements have been prepared in accordance with Indian Accounting Standard 110 (IND AS 110) “Consolidated Financial Statements” prescribed under Section 133 of the Companies Act, 2013.
- The Consolidated Financial Statements of the Group have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The intra-group balances and intra-group transactions and unrealized profits have been fully eliminated
- Non-controlling interests in the net assets of consolidated subsidiary consists of the amount of equity attributable to the non controlling shareholders at the dates on which investments are made by the Parent Company in the subsidiary company and further movements in their share in the equity, subsequent to the dates of investments as stated above.
- The following subsidiary is considered in the Consolidated Financial Statements:

Name of Subsidiary: Rudra Aerospace & Defence Private Limited

Face value per share	10	10
Basic & Diluted EPS		
Profit for the year attributable to equity shareholders	1,369,430	157,165,945
Weighted average number of equity shares used in the calculation of earnings per share	25,085,957	24,087,704

Note 4.4 : Capital Management

For the purpose of the company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objectives of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximize return to stakeholders through the optimization of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual planning and budgeting and corporate plan for working capital, capital outlay and long-term product and strategic involvements. The funding requirements are met through internal accruals and a combination of both long-term and short-term borrowings.

The Company monitors the capital structure on the basis of total debt (long term and short term) to equity and maturity profile of the overall debt portfolio of the Company.

Particulars	As at	
	March 31, 2020	March 31, 2019
Total Debt (Inclusive of current maturities of long term debt)	1,069,968,917	937,127,632
Total Equity	1,002,320,753	800,951,323
Debt Equity Ratio	1.07	1.17

Note 3.5 : Financial Risk Management

In course of its business, the Company is exposed to certain financial risks that could have significant influence on the Company's business and operational/ financial performance. These include market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk.

The Board of Directors reviews and approves risk management framework and policies for managing these risks and monitors suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings. In line with the overall risk management framework and policies, the management monitors and manages risk exposure through an analysis of degree and magnitude of risks.

(i) Market Risk

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realizable fair values or future cash flows to the Company. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

(a) Foreign Currency Risk Management:

The Company undertakes transactions denominated in foreign currencies and thus it is exposed to exchange rate fluctuations. The Company actively manages its currency rate exposures, arising from transactions entered and denominated in foreign currencies, and uses derivative instruments such as foreign currency forward contracts to mitigate the risks from such exposures. The company does not use derivative instruments to hedge risk exposure.

(b) Interest Rate Risk Management:

The Company is exposed to interest rate risk pertaining to funds borrowed at both fixed and floating interest rates. The Company's risk management activities are subject to management, direction and control under the framework of risk management policy of interest rate risk. The management ensures risk governance framework for the company through appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives

For the company's total borrowings, the analysis is prepared assuming that amount of the liability outstanding at the end of the reporting period was outstanding for the whole year.

Particulars	As at	
	March 31, 2020	March 31, 2019
Total Borrowings	1,069,968,917	937,127,632

(ii) Credit Risk

Credit risk refers to the risk that a counterparty or customer will default on its obligation resulting in a loss to the company. Financial instruments that are subject to credit risk principally consist of Loans, Trade and Other Receivables, Cash and Cash Equivalents, Investments and Other Financial Assets.

Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risk. The Company's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties

Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in independent markets. Ongoing credit evaluation is performed on the financial condition of accounts receivable and, where appropriate. The average credit period is generally in the range of 14 days to 90 days. Credit limits are established for all customers based on internal rating criteria.

<i>Age analysis of Trade Receivables</i>	As at	As at
	March 31, 2020	March 31, 2020
Gross Trade Receivables		
Due Less than 6 Months	318,079,424	171,973,846
Due greater than 6 Months	109,350,301	95,150,311
Allowance for doubtful debts	-	4,929,489
Net Trade Receivables	427,429,725	262,194,668

(iii) Liquidity Risk

The Company monitors its risk of shortage of funds through using a liquidity planning process that encompasses an analysis of projected cash inflow and outflow.

The Company's objective is to maintain a balance between continuity of funding and flexibility largely through cash flow generation from its operating activities and the use of bank loans. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding
