Operations for half year ended 30th September 2025

- The reason for reduction in profits are - (i) notional diminution in the value of investments as on September 30, 2025. The Company plans to realign its investment portfolio to enhance returns, (ii) Initial expenses related to the leased property Sinclairs Palace Retreat Udaipur were charged to the expense account, and (iii) the losses of the two Udaipur units
- Current booking trends indicate a rebound in revenue growth. The operations in the third quarter has started on a strong footing. The year-on-year revenue in October 2025 has grown by approximately 35%

Launch of Sinclairs Palace Retreat Udaipur

Sinclairs Palace Retreat located in the outskirts of Udaipur commenced operations from 1st August 2025. Spread over 5 acres of land, the property is built like a traditional Rajasthani palace and has a grand banquet hall of 7000 sq.ft.

It is ideal for destination weddings, social functions, large corporate meetings and family get-togethers.

The initial response to the property is excellent and we have already booked several weddings and conferences.
