Message From Chairman

“उद्यमेन हि सिध्यन्ति कार्याणि न मनोरथैः ।”

(Efforts, not desires, lead to success)

GREETINGS, FELLOW STAKEHOLDERS,

It gives me great pleasure to present your Company's Annual Report for the fiscal year FY 2022-23. Before I discuss our annual performance for the year, let me first highlight the macroeconomic and industry landscape during the year gone by.

Performance in the Financial Year 2022-23:

India continued to be one of the fastest growing major economies of the world, despite economic volatility and high inflationary pressure in many advanced countries of the world, the Government of India's sustained focus on boosting the manufacturing, services and infrastructure sectors and RBI's prudent monetary policy to curb inflation have resulted in robust economic growth in FY 2022- 23.

At Astron paper, we have firmly rooted ourselves in the Kraft Paper and packaging space and aspire to continue our strong growth momentum over the next couple of years and remain focused on growing operating and profitability margins. The government initiative on plastic ban will increase the demand of Kraft papers & we are confident that in upcoming period the demand for Kraft paper will be strong and increasing from new applications like Groceries, E-commerce for packaging and shipping. The rapid growth of e-commerce has further propelled the industry forward, as corrugated boxes and packaging materials are essential for shipping

and delivery in the online retail sector. Factors such as population growth, urbanization, and evolving consumer preferences have contributed to this rising demand.

Corporate Governance:

Your Company aims to determine the ways to reach the most effective strategic decisions. To ensure transparency, which in turn ensures a strong and balanced economic development for the organization. Transparency also helps to keep the interest of all shareholders safeguarded. As such, we are dedicated to upholding the highest standards of Corporate Governance and are fully committed to complying with the regulations set by the Securities and Exchange Board of India (SEBI).

Future Outlook:

As we look ahead to the next financial year, we remain committed to delivering exceptional value to our stakeholders and driving sustainable growth for our company. In conclusion, I would like to express my sincere gratitude and appreciation to the distinguished Board Members for their unwavering support and guidance and our hardworking employees for their commitment and determination to carry out our activities successfully.

Acknowledgment

I would also like to extend my heartfelt thanks to our valued customers, suppliers, vendors, consultants, and investors for their trust and cooperation, which have been instrumental in our success. I hope that the next financial year will be a successful one and expect this company to grow further with the trust and support of our esteemed shareholders. On behalf of the Board of Directors and management we wish everyone a successful future ahead.

With Best Compliments.

Management Discussion and Analysis

यत् भावो-तत् भवति — You Became What You Believe

Global Outlook

The Global Economy: The global economy is set to face another challenging year, with growth rates forecasted to fall from 3.4% in 2022 to 2.8% in 2023 before evening out at 3.0% in 2024. While this may appear as a huge slide, the reality is quite the opposite.

Global headwinds: In FY'23, global economic activity experienced a broad-based slowdown beyond anticipation owing to a number of factors. Globally, energy costs increased due to geopolitical tensions and supply-side disruptions distorted consumer prices. As a result, most economies faced very high inflation with the global average being around 9% and consequently central banks hiked interest rates to restore price stability, which led to fewer investments.

However, inflation is being tamed in most countries and the IMF anticipates global headline inflation to fall from 8.7% in 2022 to 7% in 2023 and 4.9% in 2024. It also anticipates core inflation to decline slowly and most countries to reach their inflation targets by 2025.

The World Bank expects investment growth in emerging markets and developing economies to remain below its average rate of the past two decades. The IMF has also laid stress on multilateral cooperation between countries for fast-tracking the process of global green-energy-transition and preventing fragmentation owing to geopolitical tensions.

The IMF anticipates that any further adverse shocks could impede global progress. Well-concerted global and national level efforts are necessary to mitigate the risks of global recession and debt distress in EMDEs and to support a major increase in EMDE investment.

There are, however, chances of a faster than-expected recovery of the global economy due to reduced inflation, structural reforms by governments, an increase in overall demand and the reopening of China. The overall scenario calls for cautious optimism.

Indian economic review

As per the IMF, for FY 2023 India was one of the fastest growing economies with real GDP growing at 6.8% year-on-year. During the year, the growth was fueled by private consumption, growing manufacturing activity and the revival of the service sector. The Government of India's sustained focus on infrastructure investment drove economic growth leading to employment generation. The service sector was observed to have fully recovered from the weakness suffered during the pandemic.

Like many other Central Banks across developed economies, the Reserve Bank of India (RBI) increased the repo rate on multiple occasions since May 2022 amounting to a cumulative increase of 250 bps in FY 2023. These efforts managed to bring retail inflation below the upper tolerance target set by the RBI in November-December, 2022 before breaching the threshold of 6% in January-February, 2023. In the most recent review, the Monetary Policy Committee unanimously decided to keep policy repo rate unchanged.

Annual GST collection in the financial year 2022-23 was at C18 lakh crore, clocking a growth of 22% over last year. It shows the resilience of the Indian economy amid several global headwinds. Net Direct Tax collections (provisional) for the FY23 stood at C16.61 lakh crore marking a growth of 17.63% on a y-o-y basis.

India was ranked 63rd in 2022 in ease of doing business across the world among 190 countries, by the World Bank, improving its rank from 142 in 2014 and is expected to move a few notches higher in the coming years. This augurs well for India Inc.

INDUSTRY OUTLOOK

Indian population is around 15% of world population but consumes only 5% of the total paper produced in the world. India's growing FMCG sector with growth in organized retail and demand for better quality paper as well as more health consciousness of people, etc., are triggering factors of growth prospects of Indian Paper Industry. The estimated annual turnover of the industry is INR 80,000 Crore and its contribution to the exchequer is around INR 5,000 Crore. The industry provides direct employment to 0.5 million persons, and indirectly to around 1.5 million.

Most of the paper mills are in existence for a long time and hence present technologies fall in a wide spectrum ranging from oldest to the most modern. The mills use a variety of raw material viz. wood, bamboo, recycled fiber, bagasse, wheat straw, and grasses. In terms of share in total production, approximately 18% are based on wood, 73% on recycled fiber and 9% on agro-residues. The geographical spread of the industry, as well as market, is mainly responsible for the regional balance of production and consumption.

The domestic paper industry witnessed encouraging growth during the year, driven by rising demand for all types of paper products across various sectors such as education, FMCG, packaging, pharma and e-commerce. This momentum is expected to continue in the coming year as well. The paper industry has witnessed substantial growth over the years due to several factors. There is an increase in demand for paper products, including packaging materials, stationery, and specialty papers. Factors such as population growth, urbanization, and evolving consumer preferences have contributed to this rising demand.

Sustainable packaging solutions have emerged as a crucial growth driver in recent years. With growing environmental concerns, there is a strong shift towards eco-friendly packaging alternatives. Paper-based packaging, being renewable and recyclable, has gained prominence as a sustainable choice, driving the demand for paper materials.

The paper industry consumes a large amount of energy and water. Energy costs that account for about 16-18 per cent of costs, vary depending on the fuel used for generating power. The cost of power has increased as a result of inadequate supply and increase in tariff for industrial consumers. The prospect of availability of good quality fuel is diminishing. This has been offset by your company by establishing a state-of-the-art captive Co-Gen Plant to meet its power requirements, thereby reducing its dependency on the grid power.

According to the IMF, India, along with China, is expected to contribute 50% of the global growth in CY 2023.

STRATEGIC GROWTH DRIVERS:

Paperboard demand is expected to grow sharply, primarily fueled by moderate demand from end-use sectors:

FMCG volumes are expected to witness a surge, which is the major growth driver for the paperboard segment. Over the long-term, a rise in population and gradually increasing private expenditure would keep demand from the FMCG segment afloat.

Demand for consumer durables is expected to improve, which will be marked by better affordability, shorter replacement cycles, multiple ownership (in the case of CTVs) and low penetration levels (in the case of other appliances such as room ACs).

The requirement of the ready-made garment industry, too, is expected to report growth in volume terms.

E-retail growth is expected to register a healthy expansion rate and rapidly rising shipments in the e-retail industry and a rise in penetration levels in overall retail will provide a fillip to the volumes within the segment over the medium-term.

Similarly, the pharma sector's demand is also expected to spike, mainly driven by vaccination shipments and deliveries across the country, supporting the paper board demand

OPERATIONAL PERFORMANCE:

During the Financial Year ended 31st March, 2023, your Company has achieved on standalone basis an operational revenue of Rs. 39,473.39 Lakhs as compared to Rs. 51,283.33 Lakhs in the previous Financial Year and the Loss after Tax is Rs. 2,070.44 Lakhs as compared to Profit after Tax of Rs. 868.30 Lakhs in the previous Financial Year and on Consolidated basis Loss After Tax of Rs. 2,394.67 Lakhs as compared to Profit after Tax of Rs. 811.04 Lakhs in the previous Financial Year.

The Company has reported a net loss on account of market volatility and escalation over raw materials and ancillary material prices during the last financial year, raw material prices were soaring very high as against Sales prices due to downtrend in the paper industry, demand for Kraft paper at international market is also volatile due to which we have faced challenges in exporting the finished goods so that sales volume and sales price could not be met out as compare to earlier years, underutilization in the production capacity because of Boiler modification and Turbine upgradation and adverse foreign currency fluctuations.

During the Previous Financial, Company has gone into Boiler modification and Turbine upgradation. With the help of upgradation & modification there is huge savings in fuel cost as expected. Requirements of power units from Outsiders get reduced and due to modification, we are generating more units from turbine as well. Earlier steam generated from turbine was not utilized properly but now onwards it is utilized fullest & used in dryer for production of finished goods.

INTERNAL CONTROL

Information Technology

Company has in place adequate internal control system to commensurate with its size and scale of Operations. Company is using Microsoft Navision (ERP system) which has been developed to fulfil maker checker concept at every point. Company has also established proper authorization concept at every point. Company also have adequate daily back up system and antivirus software to prevent any data loss. And for better chain of transactions, company is using same ERP system from gate inward till gate outward i.e. everything is properly centralized and can have real time check. Company has also maintained role centers (access control) as per employees' requirement to keep security of data.

Internal Control System:

1. Maker-Checker Concept-

To reduce the risk of errors in work, Company has introduced new concept of Maker and Checker. Under which work of an employee is reviewed by either another employee or their reporting person. This is how any of the smallest error would be traced and solved.

2. Physical Controls-

Company has adequate system for its inventories, machines, and other assets. This can occur using locks, safes, or other environmental controls. Access is restricted to those with authority to handle them.

Transactions and Physical verification

Company has formed different committees to take collective decisions e.g., company has purchase committee to authorize the purchase transaction, value of which is in excess of specified limit. Company is also maintaining barcoding in finish inventory to properly physical check at any time and identify inventory properly. All transactions are being made by maker checker concept to avoid mistakes and control all transactions.

Quality Controls

Company has in-house Lab to test finished goods for quality control and quality check for purchase items so that quality can be maintained in purchase as well as sales.

CCTV Network

Company has adequately established CCTV network to cover every location in the office and factory premises and it can be accessed from anywhere by authorized personnel.

Internal Audit

Company has proper third-party internal audit system to check every transaction and monthly report of the same is also discussed with authorized personnel for better improvement in internal control systems.

HUMAN RESOURCE

Human resource management is the management of an organization's workforce, or human resources. It is responsible for the attraction, selection, training, assessment, and rewarding of employees. HR also oversees organizational leadership culture and ensures compliance with employment and labor laws. Human resource development combines training and career development to improve the effectiveness of the individual, group, and organization. A performance appraisal (PA) or performance evaluation is a systematic and periodic process that assesses an individual employee's job performance and productivity in relation to certain pre-established criteria and organizational objectives. Total around 292 plus employees were on the pay rolls of the Company in the FY 2022-2023.

RISK MANAGEMENT

It is important to note that risk management is an ongoing process and does not end once risks have been identified and mitigated. An organization's risk management policies should be revisited every year to ensure policies are up-to-date and relevant.

Following are most significant risks and the Company's approach to managing them.

Risk	Impact	Mitigation
 Competitor Risk	Competition indomestic as well as international markets could affect market presence.	Focus on cost effective manufacturing of Paper by understanding the need of end user is important so we are constantly in touch with end users and their feedbacks if any.
 Foreign exchange risk	The risk of foreign exchange fluctuation can impact the Company as it is engaged in procuring Raw material from the overseas as well as the Company exports its product to foreign countries.	Our strong foreign exchange hedging mechanism and processes, such as forward contracts, help us to manage this risk
 Raw material risk	Scarce raw materials can hamper output with profitability	The Company enhancing local waste paper sourcing that moderated logistics cost. The Company's robust R&D function helped generate high yield.
 Compliance risk	A non-compliance with statutory norms could result in penalties and affect the Company's credit rating.	"Company has robust compliance assurance tool and mechanism to monitor various compliance. The Company's certifications (ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018) indicate a compliance with modern qualitative, environment and safety norms."
 Resource risk	Increased use of water coupled with a substandard water discharge can hamper resource security and respect.	The Company moderated water consumption and improved discharged water quality by implementing superior technologies coupled with efficient effluent recycling and treatment.
 Labour disputes risk	Industrial conflicts might result in strikes, limiting our capacity to fulfill client demands	The Company has open lines of communication with its workforce and maintains a friendly and open connection with its employees, workers, subcontractors, and others, thereby reducing the risk
 Labour disputes risk	A reduction in product quality might compromise customer relationships, lowering profitability	We have a rigorous quality-control system in place and adhere to all external requirements

S

STRENGTHS:

1. Eco-friendly and Sustainable: Kraft paper is known for its biodegradability and recyclability, making it an environmentally friendly choice.
2. Versatility: Kraft paper finds applications in various sectors, protection packaging and gift packing, Food wrapping, art and craft, void fill, printing, and bookbinding.
3. Cost-effective: Production of Kraft paper involves simple and cost-efficient manufacturing processes.
4. Growing Demand: Increased awareness of environmental concerns has led to a surge in demand for eco-friendly packaging materials, benefiting the Kraft paper industry.

W

WEAKNESSES:

1. Limited Aesthetics: Kraft paper's natural appearance may limit its usage in certain premium packaging applications.
2. Competition from Alternatives: Kraft paper faces competition from alternative packaging materials like plastic, which may offer more diverse design options.
3. Quality Variation: The quality of craft paper may vary based on the manufacturing process and raw materials used, affecting consistency.

O

OPPORTUNITIES:

1. Sustainable Packaging Trend: The growing emphasis on sustainable packaging solutions presents significant opportunities for the craft paper industry.
2. Customization and Innovation: Manufacturers can explore innovations and customized solutions to cater to various industries' specific needs.
3. Export Potential: Kraft paper's eco-friendly attributes can open up opportunities in international markets where environmental consciousness is on the rise.
4. Kraft paper finds a range of probable uses in invitation cards and wedding cards.

T

THREATS:

1. Fluctuations in the cost of raw materials, such as waste paper, can affect the profitability of the craft paper industry.
2. Regulatory Changes: Evolving environmental regulations and policies may impact the production, usage, and disposal of craft paper.
3. Substitutes: The availability of alternative packaging materials and digitalization of certain industries may pose a threat to craft paper demand.

2. CONSOLIDATED FINANCIAL AND OPERATIONAL REVIEW:

During the Financial Year ended 31st March, 2023, your Company has achieved an operational revenue of Rs. 39,473.39 Lakhs as compared to Rs. 51,283.33 Lakhs in the previous Financial Year and incurred a loss of Rs. 2,070.44 Lakhs against Profit after Tax of Rs. 868.30 Lakhs in the previous Financial Year and on Consolidated basis there is a loss of Rs. 2,394.67 Lakhs as compared to Profit after Tax of Rs. 811.04 Lakhs in the previous Financial Year.

The company experienced a net loss in the past fiscal year, primarily attributable to market volatility and the significant escalation in raw materials and ancillary material prices. During this period, raw material costs surged considerably in contrast to sales prices, largely due to a downtrend in the paper industry. Furthermore, the international market for Kraft paper exhibited substantial volatility, presenting challenges in exporting our finished goods. Consequently, we were unable to meet our sales volume and pricing targets compared to previous years. Additionally, underutilization of production capacity resulted from boiler modifications and turbine upgrades, further compounded by adverse fluctuations in foreign currency exchange rates.

During the Previous Financial, Company has gone into Boiler modification and Turbine upgradation. With the

help of upgradation & modification there is huge savings in fuel cost as expected. Requirements of power units from Outsiders get reduced and due to modification, we are generating more units from turbine as well. Earlier steam generated from turbine was not utilized properly but now onwards it is utilized fullest & used in dryer for production of finished goods. Consolidated Financial Statements of the Company and its Wholly Owned Subsidiary Company Balam Papers Private Limited, which forms part of this report.

A detailed note on the Board and its committees, composition and compliances, as per the applicable provisions of the Act and Rules are provided under the Corporate Governance Report.

20. AUDITOR(S):

a) STATUTORY AUDITOR

M/s, S N D K & Associates LLP, Chartered Accountants (FRN: W10060) were appointed as a Statutory Auditors of the Company to hold office for a period of 5 (Five) consecutive financial years (commencing from 1st April, 2022) from the conclusion of the 12th Annual General Meeting of the Company until the conclusion of the 17th Annual General Meeting of the Company by the Board in Board Meeting dated 14th February, 2022; and same has been approved in the 12th Annual General Meeting.

During the year under review, the Statutory Auditor has given following qualification for Standalone and consolidated Annual Audited Financial Results:

The current trade receivables reported in the financial statements include export trade receivable of Rs. 1,53,43,129/- outstanding for more than three years, which the company has considered as good for recovery. In our opinion, the same should have been considered as doubtful and necessary provision for doubtful debts should have been made by the

company. Non-provision of such doubtful debts of Rs. 1,53,43,129/- has resulted into understatement of loss and overstatement of outstanding balance of current trade receivables and shareholder's fund by Rs. 1,53,43,129/-.

For Audit Qualification(s) where the impact is quantified by the auditor for Standalone and Consolidated Annual Audited Financial Results, Management's Views:

The company had made export of goods to two parties located in China. However, subsequent to shipment of goods from port in India and before goods could reach the destination in China, Corona pandemic spread out across globe and government of various countries imposed restrictions on movement of goods as well as people and economic activities came to standstill. It took some time to normalize the routine operations. On account of above unprecedented reasons, the shipment to the parties was delayed from port. The company has been constantly following up the matter with respective parties for realization of the outstanding dues and based on the discussion so far, the management of the company was reasonably certain that the dues will be recovered and therefore has not made provision for doubtful debts so far. As part of its continuous efforts for recovery of outstanding dues, the management of the company is now contemplating to send its representative to discuss the matter with respective parties. The company will take further action in this regard based on further communication with the respective parties and legal opinion if it is deemed appropriate. Based on efforts and communication made so far and possible course of actions, the management of the company is of the view that there is fair possibility that the company may recover due and hence no provision for doubtful debts has been made.

Management's estimation on the impact of audit qualification:

Based on the present scenario, the management is of the view that there is possibility of recovery of amount and has no impact on the reported amounts in the financial statement for the year ended 31st March, 2023. However, due to any reason if any part of outstanding dues or entire dues becomes non recoverable, the company may have to write off/ make provision for doubtful debts to that extent on occurrence of events when it becomes reasonably certain that no recovery or part recovery will not be made.

Further, company has given disclosure in compliance of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

b) SECRETARIAL AUDITOR

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board of Directors has appointed M/s. GKV and Associates., Practicing Company Secretaries (CP No.: 19866) as the Secretarial Auditors of the Company to undertake the Secretarial Audit of the Company for the FY 2022-23.

The report of Secretarial Auditor contain one qualification regarding default in holding board meeting dated 28th May, 2022 and non filing of financial results u/r 33 of SEBI (LODR) 2015. However, company has clarified that due to income tax search Proceedings Company was not able to conduct board meeting on time and same was filed on 11th June, 2022.

Internal Auditors:

Pursuant to the provision of section 138 of the companies Act, 2013 read with the companies (Accounts) rules, 2014, the company had appointed M/s S N Shah and Associates (FRN:109782W), chartered Accountant in the board meeting held on 14th February, 2022, to conduct internal Audit for the financial year 2022-23.

c) Annual Secretarial Compliance Report:

The Company has obtained Annual Secretarial Compliance Report for the financial Year 2022-23 for all applicable compliances as per SEBI Regulations and Circular- Guidelines issued thereunder.

Company has received remarks for default in holding board meeting dated 28th May, 2022 and non filing of financial results u/r 33 of SEBI (LODR) 2015. However, company has clarified that due to income tax search Proceedings Company was not able to conduct board meeting on time and same was filed on 11th June, 2022.

d) Cost Auditors:

Section 148 of the companies Act, 2013 read with rules made thereunder mandates every company belonging to category prescribed in the Rules to undertake a Cost Audit. The company is not required to mandatorily appoint Cost Auditors and maintain cost records as per 148(1) due to nature of business

activity however, company do maintain cost record for internal purpose for better as a good practice.

CORPORATE GOVERNANCE COMPLIANCE CERTIFICATE

To
The Members
Astron Paper & Board Mill Limited
Ahmedabad

I have examined the compliance of conditions of corporate governance by Astron Paper & Board Mill Limited, for the year ended on March 31, 2023 as stipulated under Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, amended from time to time, pursuant to the Listing Agreement of the said Company with stock exchanges.

The compliance of conditions of corporate governance is the responsibility of the management. My examination was limited to procedures and implementation thereof, adopted by the Company, for ensuring the compliance of the conditions of corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me and the representations made by the Directors and the Management, I certify that the Company has complied with the mandatory conditions as stipulated in abovementioned Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, except non-compliance with Regulation 33, delay in submitting the financial statements to both the stock exchanges BSE and NSE. This postponement was due to the unexpected inability to convene a Board Meeting on the 28th of May, 2022, prompted by the abrupt initiation of income tax search proceedings by the Income Tax Department led to the imposition of monetary penalties by both stock exchanges, accompanied by advisory letters emphasizing the necessity for stringent adherence to compliance protocols in forthcoming instances. Pursuant to the Listing Agreement of the said Company with stock exchanges. The company have paid the penalty to the stock exchanges within prescribed time.

I further state that such compliance is neither an assurance as to the future viability of the Company nor efficiency or effectiveness with which the management has conducted the affairs of the Company.

This certificate is issued solely for the purposes of complying with the aforesaid Regulations and may not be suitable for any other purpose.

For, GKV & Associates,

Gautam Virsadiya,

Practicing Company Secretary

INDEPENDENT AUDITOR'S REPORT

To the Members of

ASTRON PAPER & BOARD MILL LIMITED

REPORT ON THE STANDALONE FINANCIAL STATEMENTS:

QUALIFIED OPINION

We have audited the standalone financial statements of **ASTRON PAPER & BOARD MILL LIMITED** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2023, the Standalone Statement of Profit and Loss (Including Other Comprehensive Income), the Standalone Statement of Changes In Equity and the Standalone Statement of Cash Flows for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us except for the effect for the possible effects of matters described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, of the state of affairs of the Company as at March 31, 2023, and its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR QUALIFIED OPINION

The current trade receivables reported in the financial statements include export trade receivable of Rs. 1,53,43,129/- outstanding for more than three years, which the company has considered as good for recovery. In our opinion, the same should have been considered as doubtful and necessary provision for doubtful debts should have been made by the company. Non-provision of such

doubtful debts of Rs. 1,53,43,129/- has resulted into understatement of loss and overstatement of outstanding balance of current trade receivables and shareholder's fund by Rs. 1,53,43,129/-.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER:

We draw attention to the following matters in the Notes to the Financial Statements:

- I. Note No. 36(d)(1) relating to the disputed Income Tax Liabilities amounting to Rs. 36,15,110/-.
- II. Note No. 36(d)(2) relating to RCM Liabilities on Ocean Freight Rs. 30,59,267/-.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit

of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a

separate opinion on these matters.

Description of Key Audit Matters:

The Key Audit Matter	How the matter was addressed in our audit
1. Impairment Evaluation of Investment in a Subsidiary (Refer to Note No. 6)	
<ul style="list-style-type: none"> The carrying amount of the investments (held at cost less impairment, if any) made in a subsidiary as at 31st March, 2023 was Rs. 4.04 Crores. The initial cost of investment was also Rs. 4.04 Crores. We do not consider the valuation of these investments to be at a high risk of significant misstatement, or to be subject to a significant level of judgment. However, due to their materiality in the context of total assets of the Company, this is considered to be significant to our overall audit strategy and planning. 	<ul style="list-style-type: none"> Comparing the carrying amounts of investments with the balance sheet of the subsidiary to identify whether their net assets were in excess of their carrying amount and assessing whether that subsidiary has historically been profit-making. Considering the adequacy of disclosures in respect of the investments in the subsidiary.
2. Litigations and Claims (Refer to Note No. 32 & 36(d))	
<ul style="list-style-type: none"> The Company operates in various States within India as well as export of goods which exposes the company to a variety of different Laws and Regulations and implications and interpretations thereof. In such regulatory environment, the Company is subject to some legal and tax related claims which have been disclosed for in the financial statements based on the facts and circumstances of each case. Taxation and litigations have been identified as a key audit matter due to the status of legal proceedings, timescales involved for resolution and the potential financial impact of these on the financial statements. Further, such tax litigations involve significant management judgment in assessing the exposure of each case and thus a risk that such cases may not be adequately provided for or disclosed. 	<ul style="list-style-type: none"> Gained an understanding of the process of identification of claims, litigations and contingent liabilities and identified key controls in the process. For selected controls we have performed tests of controls. Obtained the summary of Company's legal and tax cases and critically assessed management's position through discussions with the Legal Counsel, appropriate senior management and operational management, on both the probability of success in significant cases, and the magnitude of any potential loss. Assessed management's estimate of the possible outcome of the litigations, the relevant disclosures made within the financial statements to address whether they appropriately reflect the facts and circumstances of the respective tax and legal exposures and the requirements of relevant accounting standards.
3. Claims Receivable on Imported Raw Materials:	
<ul style="list-style-type: none"> The Company imports raw materials i.e. waste paper and some of the chemicals which constituted 82.05% of the total cost of raw materials consumed for the financial year 2022-23. In cases of quality differences, the company files quality claims with the respective suppliers. After due verification process, the quality claims are allowed and paid by the respective supplier depending upon the quality differences. The amounts of claims filed and actual claims received varies depending upon the final quality assessment and its acceptance by the respective suppliers and the company. 	<ul style="list-style-type: none"> Gained an understanding of the process of identification of claims, identified key controls in the process and past trend of amounts at which claims were finally settled with the amount for which claims were filed. For selected controls we have performed tests of controls. Assessed management's estimate of the amount of overall claims receivable as at the end of the financial year, the possibility of recoverability, assessed overall past trend of claims filed and amounts recovered and the requirements of relevant accounting standards.

- In respect of claims filed but not accepted/approved by the suppliers and the company as at the end of the financial year, the company accounts for such claims at the estimated amount of claim likely to be realized based on the past trend and management estimate of the likely recoverability of claims. Such treatment involves significant management judgment in assessing the recoverability in each case and thus a risk that such claims may not be adequately accounted for.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS:

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS), accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended.

This responsibility also includes the maintenance of

adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including

any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

1. As required by The Companies (Auditor's Report) Order, 2020 issued by The Central Government Of India in term of section 143 (11) of The Companies Act, 2013, we enclose in the Annexure-A hereto a statement on the matters specified in paragraphs 3 and 4 of the said order, to the extent applicable to the company.

ANNEXURE-A

TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under "Report On Other Legal And Regulatory Requirements" section of our report of even date to the members of ASTRON PAPER & BOARD MILL LIMITED on the Standalone financial statements of the company for the year ended 31st March, 2023:

In terms of the information and explanations sought by us and given to us by the management of the company and on the basis of such checks of the books and records of the company during the course of audit and to the best of our knowledge and belief, we further report that:

i. In respect of its Property, Plant & Equipment, Capital Work-in-Progress, Investment Properties and Intangible Assets:

a) Maintenance of Records:

A. According to the information and explanations given to us, the company has maintained proper records showing full particulars including quantitative details and situation of property, plant & equipment, capital work-in-progress and investment properties.

B. According to the information and explanations given to us, the company has maintained proper records showing full particulars of intangible assets.

b) As explained to us, the management in accordance with a phased programme of verification adopted by the company has physically verified the property, plant & equipment, capital work-in-progress and investment properties. To the best of our knowledge and according to the information and explanation given to us, no material discrepancies have been noticed on such verification or have been reported to us.

c) According to the information and explanations given to us and on the basis of the examination of the records of the company, the title deeds of immovable properties are held in the name of the Company as at the balance sheet date.

d) The Company has not revalued any of its property, plant & equipment and intangible assets during

the year.

e) According to the information and explanations given to us no proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. In respect of its Inventories:

a) As explained to us, the inventories have been physically verified by the management of the company during the year at reasonable interval. In our opinion, the coverage and procedure of such verification by the Management of the company is appropriate having regard to the size of the Company and the nature of its operations. According to the information and explanations given to us, no discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.

b) According to the information and explanations given to us, the company has been sanctioned working capital limits in excess of Rs. 5 Crores, in aggregate from banks on the basis of security of its current assets. According to the information and explanations given to us, the quarterly returns or statements filed by the Company with such banks in materiality are in agreement with the unaudited books of account of the company of the respective quarters. According to the information and explanations given to us and on the basis of verification of unaudited books of accounts for the first three quarters of the year, audited books of account for the year and quarterly returns submitted to the banks, we are of the opinion that there been no variation of more than 10.00% in net current assets as submitted to the banks and as per books of account.

iii. Investments/Guarantee/Security/Loans/Advances Granted:

- a) As informed to us, during the year the Company has granted unsecured loans to a subsidiary company re-

payable on demand and has made investment in Life Insurance Fund, the details of which are given below:

	Others	1.37	NIL	NIL

According to the information and explanations given to us, the company has not provided any guarantee or security to companies, firms, limited liability partnerships or other parties during the year.

- b) According to the information and explanations given to us, the company has not stipulated any specific terms or conditions as to the loans granted to the subsidiary company. According to the information and explanations given to us and in our opinion, the investments made and the terms and conditions of grant of loans given during the year, are prima facie, not prejudicial to the interest of the Company.
- c) According to the information and explanations given to us, the company has not stipulated any schedule for repayment of the loans. As informed to us, the repayment of loan and interest was received as and when demands were raised. According to the information and explanations given to us, the payment of interest has been made as and when demanded. As informed to us, there is no default in repayment of loan and payment of interest by the party.
- d) According to the information and explanations given to us, in respect of loans granted and advances in the nature of loans provided by the Company, there was no overdue amount remaining outstanding as at the balance sheet date.
- e) According to the information and explanations given to us, the company has not stipulated any schedule for repayment of the loans. However, as explained to us, no loan or advances in the nature of loan granted by the Company against which demand was

made from the party, has been renewed or extended or fresh loans were granted to settle the amounts against which demands were made from the same party.

- f) According to the information and explanations given to us, the company has not stipulated any specific terms or conditions and stipulated any schedule for repayment of the loans as to the loans granted to the above party. The aggregate amount of such loans granted during the year to other parties was Rs. NIL and Rs. 8.65 crores to related parties (being 100.00% of loans or advances granted during the year to a subsidiary company) referred as defined in clause (76) of section 2 of the Companies Act, 2013.
- iv. According to the information and explanations given to us, the company has complied with the provisions of Sections 185 and 186 of The Companies Act, 2013 in respect of grant of any loans, investments, guarantees and securities, as applicable.
- v. According to the information and explanations given to us, the company has not accepted any deposits from the public within the meaning of section 73, 74, 75 & 76 of the Act and Rules framed thereunder during the year and therefore, the provisions of clause 3(v) of the Order are not applicable to the Company.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to rules made by the Central Government under section 148 (1). We are of the opinion that prima facie the prescribed accounts and records have been maintained and made. We have however, not made a detailed examination of these records with a view to determine whether they are

accurate or complete.

vii. In respect of Statutory Dues:

- a) As per the information & explanations furnished to us, in our opinion the company is generally regular in depositing with appropriate authorities undisputed statutory dues of Custom Duty, T.D.S., GST, Employee Provident Fund, Employees' State Insurance, Cess and other material statutory dues

- b) According to information and explanations given to us and so far as appears from our examination of books of account, there were no statutory dues outstanding as at 31st March, 2023 which have not been deposited on account of any dispute except the following disputed dues.

- viii.** According to the information and explanations given to us and so far as appears from our examination of books of account and other records as applicable and produced before us by the Company, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

amounting to Rs. 13.21 crores have been used during the year for long-term purposes by the company.

ix. In respect of Loans & Other Borrowings:

- a) According to the information and explanations given to us, the company has not defaulted in repayment of loans or in the payment of interest thereon and has repaid the principal amount and made payment of interest on loans or borrowings taken by it from banks.
- b) According to the information and explanations given to us so far as appears from our examination of relevant records, we are of the opinion that the company has not been declared willful defaulter by any bank or financial institution or any other lender.
- c) The company has not raised any new term loan during the year and hence reporting as per clause 3(ix)(c) of the Order is not applicable to the Company.
- d) According to the information and explanations given to us, and the audit procedures performed by us, and on an overall examination of the financial statements of the company for the year, we are of the opinion that funds raised on short-term basis

- e) According to the information and explanations given to us and on an overall examination of the financial statements of the company, we report that the company has not taken any funds during the year from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures, if any and hence reporting under clause 3(ix)(e) of the Order is not applicable to the company.
- f) According to the information and explanations given to us and audit procedures performed by us, we report that the company has not raised any loan during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, if any and hence reporting under clause 3(ix)(f) of the Order is not applicable.

x. In respect of moneys raised by issue of securities:

- a) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) According to the information and explanations given to us and based on our examination of

the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence reporting under clause 3(x)(b) of the Order is not applicable.

xi. In respect of Frauds and Whistle Blower Complaints:

- a) According to the information and explanations given to us and to the best of our knowledge, no material fraud by the Company or on the Company has been noticed or reported to us by the management during the year.
 - b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT- 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - c) According to the information and explanations given to us, the Company has not received any whistle-blower complaints from any party during the year.
- xii. As the company is not the Nidhi Company, clause (xii) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
- xiii. According to the information and explanations given to us, the company is in compliance with the provisions of sections 177 and 188 of the Companies Act, 2013, where applicable, for related party transactions and the details of related party transactions have been disclosed in the Notes to the Financial Statements in accordance with the applicable Accounting Standards.

xiv. In respect of Internal Audit:

- a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - b) We have considered the internal audit reports for the year under audit issued to the company in determining the nature, timing and extent of our audit procedure.
- xv. According to the information and explanations given to us, the Company has not entered into any non-cash transaction with directors or persons connected with them and hence clause (xv) of paragraph 3 of

The Companies (Auditor's Report) Order, 2020 is not applicable to it during the year.

xvi. In respect of Registration Under Section 45-IA of the Reserve Bank of India Act, 1934/CIC:

- a) As the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934), clause (xvi)(a) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
- b) According to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year and clause (xvi)(b) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
- c) As the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, clause (xvi)(c) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
- d) According to the information and explanations given to us, the company has no Core Investment Company (CIC) as part of its group, clause (xvi)(c) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.

xvii. The Company has incurred cash losses during the financial year covered by our audit. However, the company had not incurred cash losses in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors of the Company during the year and hence reporting under clause (xviii) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, financial position of the company as at the year end, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and

when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. In respect of CSR Activities:

- a) There are no unspent amounts towards Corporate Social Responsibility (CSR) requiring transfer of such unspent amounts to a Fund specified in Schedule VII to the Companies Act, 2013 within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act.

ANNEXURE-B

TO THE INDEPENDENT AUDITOR'S REPORT

[REFERRED TO IN PARAGRAPH 2(f) UNDER "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS SECTION OF OUR REPORT OF EVEN DATE] FINANCIAL YEAR ENDED 31ST MARCH 2023

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of ASTRON PAPER & BOARD MILL LIMITED ("the Company") as of March 31, 2023 in conjunction with our audit of the Standalone Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and

the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding

prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may

deteriorate.

Opinion

In our opinion and to the best of our information and according to the information and explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the company and operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Statement on Impact of Audit Qualifications (for audit report with modified opinion) submitted along-with Annual Audited Financial Results – (standalone)

Statement on Impact of Audit Qualifications for the Financial Year ended March 31, 2023
[Regulation 33 / 52 of the SEBI (LODR) (Amendment) Regulations, 2016]

I.	Sl. No.	Particulars	Audited Figures (as reported before adjusting for qualifications)	Adjusted Figures (audited figures after adjusting for qualifications)
	1.	Turnover / Total income	3,96,38,75,941	3,96,38,75,941
	2.	Total Expenditure	4,17,09,18,857	4,18,62,61,986
	3.	Net Profit/(Loss)	(20,70,42,916)	(22,23,86,045)
	4.	Earnings Per Share	(4.45)	(4.78)
	5.	Total Assets	3,04,23,25,250	3,02,69,82,121
	6.	Total Liabilities	1,43,33,42,040	1,43,33,42,040
	7.	Net Worth	1,60,89,83,210	1,59,36,40,081
	8.	Any other financial item(s) (as felt appropriate by the management)	-	-

II. Audit Qualification (each audit qualification separately):

a. Details of Audit Qualification:

The current trade receivables reported in the financial statements include export trade receivable of Rs. 1,53,43,129/- outstanding for more than three years, which the company has considered as good for recovery. In our opinion, the same should have been considered as doubtful and necessary provision for doubtful debts should have been made by the company. Non-provision of such doubtful debts of Rs. 1,53,43,129/- has resulted into understatement of loss and overstatement of outstanding balance of current trade receivables and shareholder's fund by Rs. 1,53,43,129/-.

b. Type of Audit Qualification: Qualified Opinion

c. Frequency of qualification: First Time Reporting (Audit of Annual Financial Statements)

d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views :

He company had made export of goods to two parties located in China. However, subsequent to shipment of goods from port in India and before goods could reach the destination in China, Corona pandemic spread out across globe and government of various countries imposed restrictions on movement of goods as well as people and economic activities came to standstill. It took some time to normalize the routine operations. On account of above unprecedented reasons, the shipment to the parties was delayed from port. The company has been constantly following up the matter with respective parties for realization of the outstanding dues and based on the discussion so far, the management of the company was reasonably certain that the dues will be recovered and therefore has not made provision for doubtful debts so far. As part of its continuous efforts for recovery of outstanding dues, the management of the company is now contemplating to send its representative to discuss the matter with respective parties. The company will take further action in this regard based on further communication with the respective parties and legal opinion if it is deemed appropriate. Based on efforts and communication made so far and possible course of actions, the management of the company is of the view that there is fair possibility that the company may recover due and hence no provision for doubtful debts has been made.

For Audit Qualification(s) where the impact is not quantified by the auditor:

(i) Management's estimation on the impact of audit qualification:

Based on the present scenario, the management is of the view that there is possibility of recovery of amount and has no impact on the reported amounts in the financial statement for the year ended 31st March, 2023. However, due to any reason if any part of outstanding dues or entire dues becomes non recoverable, the company may have to write off/make provision for doubtful debts to that extent on occurrence of events when it becomes reasonably certain that no recovery or part recovery will not be made.

(ii) If management is unable to estimate the impact, reasons for the same: N.A.

NOTES TO STANDALONE FINANCIAL STATEMENTS

For The Year Ended March 31, 2023

CORPORATE INFORMATION:

Astron Paper & Board Mill Limited is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The registered office of the is located at Ahmedabad, Gujarat, India. The shares of the company are listed in two recognized stock exchanges in India i.e. the Bombay Stock Exchange Limited ('BSE') and the National Stock Exchange of India Limited ('NSE').

The company is engaged in the manufacturing of Kraft Paper from waste paper.

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES:

I BASIS OF PREPARATION & PRESENTATION OF FINANCIAL STATEMENTS

a) Accounting Conventions:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and with Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and such further amendments as notified and as applicable and comply in all material aspects with the relevant provisions of the Companies Act, 2013 to the extent applicable to it.

The Financial Statements have been prepared on a historical cost basis except the following assets and liabilities which have been measured at fair values:

- Certain Financial Assets and Liabilities that are measured at Fair Value and
- Defined Benefit Plans that are measured at Fair Value

The accounting policies are applied consistently to all the periods reported in the financial statements unless otherwise stated.

b) Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that are believed to be reasonable under the circumstances and such estimates and assumptions may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relate.

c) 1. Property, Plant and Equipment (PPE):

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

- it is probable that future economic benefits associated with the item will flow to the company; and
- the cost of the item can be measured reliably.

The acquisition of property, plant and equipment, directly increasing the future economic benefits of any

particular existing item of property, plant and equipment, which are necessary for the Company to obtain the future economic benefits from its other assets, are recognized as Property, Plant and Equipment.

The Freehold land is carried/stated at historical cost/cost of acquisition. The other items of Property, Plant and Equipment are stated at cost of acquisition/construction (less Accumulated Depreciation and Impairment, if any). The cost of Property, Plant and Equipment comprises of their purchase prices including freight, duties, taxes or levies, directly attributable to cost of bringing the assets to their working conditions for their intended use. The Company capitalises its Property, Plant and Equipment at a value net of GST/Other Tax Credits received/receivable during the year in respect of eligible item of Property, Plant and Equipment. Subsequent costs are included in the carrying amount of respective Property, Plant and Equipment or recognized as separate assets as appropriate, only if such costs increase the future economic benefits from the existing items beyond their previously assessed standard of performance and cost of such items can be measured reliably.

Machinery spares that meet the definition of Property, Plant & Equipment are capitalised and depreciated over the useful life of the principal item of an asset. All other repair and maintenance costs, including regular servicing, are recognised in the Statement of Profit and Loss as incurred.

The items of Property, Plant and Equipment that are under construction/erection or not fully acquired and therefore not available for productive use are classified as "Capital Work in Progress" under Property, Plant and Equipment and are/will be transferred to respective item of Property, Plant and Equipment on completion of the construction/erection/acquisition activities.

Advances given to acquire property, plant and equipment are stated as non-current assets and subsequently transferred to respective Property, Plant & Equipment and CWIP on acquisition of related assets.

The carrying amounts of items of Property, Plant & Equipment have been eliminated from the books of account on disposal and the profits/(losses) arising from the disposal are recognised in the Statement of Profit and Loss of the period.

2. Estimated Useful Lives of Items of Property, Plant & Equipment are as follows:

Sr. No.	Class of Items of Property, Plant & Equipment	Estimated Useful Life
a.	Factory and Other Buildings and Borewell	30 to 60 Years
b.	Plant & Machineries and Electrifications of Plant & Machineries	25 Years
c.	Laboratory Equipments	10 Years
d.	Furniture & Fixtures	10 Years

e.	Vehicles	8 to 10 Years
f.	Office Equipments	5 Years
g.	Computers, Printers and Other Peripherals to Computers	3 Years

3. Investment Properties:

The property that is held by the company for rental yields or for capital appreciation for the relevant period is classified as investment property. The investment property is initially recognized at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditures on such assets are capitalized to the asset's carrying value only when it is probable that future economic benefits associated with the expenditure will flow to the company or such cost are incurred to comply with regulatory requirements or have been incurred in connection with continued use of such assets and cost of such items can be measured reliably. All other repairs and maintenance cost are expensed as and when incurred.

4. Intangible Assets:

The Intangible Assets of Accounting Software, Server Software, Website Development, Trade Mark-Logo etc. resulting in future economic benefits have been recognised at their cost of acquisition and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. On the basis of the availability of these assets for their intended use, relevant contractual agreements and technological changes that may affect the usefulness of these

assets, the useful lives of these assets have been assumed to be of five years from the date of their acquisition.

The estimated useful life is reviewed annually by the management of the company.

5. Depreciation & Amortization:

The Depreciation on tangible items of Property, Plant and Equipment is provided on straight line method for the period of acquisition/ construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the items of Property, Plant and Equipment as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013 except freehold land and other related development on that land.

The plant & machineries which are used as continuous process plant are depreciated at the rates applicable to continuous process plant for the period for which respective plant & machineries were available for use.

The intangible assets have been amortized on pro-rata basis over period of their estimated useful lives on straight line basis i.e. @ 20.00% assuming useful life of five years.

d) Inventories

The Inventories of Raw Materials, Packing

Materials, Stores & Spares, Fuel and Work-in-Process have been valued at cost. Finished Goods have been valued at cost or net realisable value whichever is lower. Costs in respect of all items of inventories have been computed on FIFO basis. The cost of Raw Materials, Packing Materials, Fuel, Consumable Stores and items of Spares comprises of the purchase price including duties and taxes, freight inwards and other expenditure directly attributable to the acquisition. The purchase price does not include GST/Other Tax credits availed of by the Company during the year. The value of Work-in-Process includes cost of Raw Materials and conversion cost depending upon the stage of completion as determined by the management. The cost of Finished Goods includes cost of conversion and other costs incurred in bringing the inventories to their present location and conditions. The Finished Goods are valued at cost after availing of GST/Other Tax credits on input materials.

e) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable from the customers/parties net of returns, rebates, value added taxes and discount to the customers and amounts collected on behalf of third parties. The Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably, regardless of when the payment is being made.

Sale of Goods:

The revenue from the sale of goods is recognized at transaction price when the company had transferred the property in Goods to the buyer for a price and all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the

amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched.

Interest Income:

Income from investments and deposits, where appropriate, is taken into revenue in full on declaration or accrual on time basis and tax deducted at source thereon is treated as advance tax. The interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount interest income can be measured reliably.

Claims Against the Imported Raw Materials:

The claims against the imported raw materials on account of quality difference have been accounted on the basis of claims filed and accepted by the supplier of materials except in case claims pending for acceptance which have been accounted on the basis of claims filed and at estimated value expected to be realized as determined by the management.

Subsidy Income:

Subsidy incomes available to the Company are accounted on the basis:

- i) Where there is reasonable assurance that the company will comply with the Conditions attached to them,
- ii) where such benefits have been earned by the company and it is reasonably certain that the ultimate collection will be made and
- iii) nature of the grant i.e. whether in the nature of capital contribution or in the form of revenue.

f) **Foreign Currency Transactions**

The Company's financial statements have been prepared and presented in Indian Rupees (₹) which is also its functional currency.

The transactions in foreign currency initially have been recorded using the rate of exchange prevailing on the date of transactions. The differences arising on the settlement/restatement of the foreign currency denominated Financial Assets/Liabilities into Indian Rupees have been recognized as expenses/income (net) of the year and carried to the statement of profit and loss.

The monetary items denominated in foreign currencies outstanding as at the end of the reporting period, are translated at the exchange rates prevailing as at the end of the reporting period.

g) **Investments in Subsidiary**

Investments in subsidiary is recognised at cost as per Ind AS 27 "Separate Financial Statements" initially and subsequently carried at cost less accumulated impairment losses measured at the end of each year, if any.

h) **Employee Benefits:**

1. **Short Term Obligations:**

Short term employee benefits like wages, salaries, production incentives and other monetary and non-monetary benefits are recognized in the period during which services are rendered by the employees and are recognized at the value at which liabilities have been settled or are expected to be settled.

2. **Post-Employment and Other Long -Term Employee Benefits:**

2.1 **Contribution to Provident Fund & ESIC:**

The Company's contribution to the Provident Fund and ESIC is remitted as per the applicable provisions relating to the Employee Provident Fund Scheme and ESIC and such contributions are charged to the Statement of Profit & Loss of the period to which contributions relates.

2.2 **Defined Benefit Plan for Gratuity:**

The Company operates defined benefit plans for Gratuity. The Liabilities in respect of retirement benefits to eligible employees in the form of Gratuity are provided on the basis of Actuarial Valuation as per Ind AS-19 "Employee Benefits". The employee's gratuity fund scheme is managed by IndiaFirst Life Insurance Company Limited. The cost of providing defined benefits plans in the form of gratuity is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each reporting date.

The remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. The remeasurements are not reclassified to profit or loss in subsequent periods.

The changes in net defined benefit obligations in the form of services costs comprising of current service cost, past

service cost, net interest cost and gains/ (losses) on curtailments and settlements are recognized in the Statement of Profit & Loss.

i) Borrowing Costs

The Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. The borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

j) Operating Segment

The Company identifies operating segments on the basis of dominant source, nature of risks and returns and the internal organization. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the Managing Director/Chief Executive Officer who is Company's chief operating decision maker in deciding how to allocate resources and in assessing performance.

The dominant source of income of the company is from the sale of kraft paper of various quality which do not materially differ in respect of risk perception and the return realized/to be realized. Further, the geographical/regulatory environment in which the company operates does not materially differ considering the political and economic environment, the type of customers, the nature of business, assets employed and the risk and return associated in respect of each of the geographical area. So, the disclosure requirements pursuant to Ind AS-108- "Operating Segments" are not applicable.

k) Taxes On Income:

1. Current Tax:

The provision for current tax is made

as per the provisions of the Income Tax Act, 1961.

Taxes on income have been determined based on the tax rates and tax laws that have been enacted or substantively enacted by the financial statements date. The current tax liabilities and assets are measured at the amounts expected to be paid or to be recovered from the taxation authorities as at the financial statements date.

The current tax liabilities and assets are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

The current income tax relating to items recognized outside profit or loss is recognized either in the Other Comprehensive Income or in Other Equity Directly.

2. Deferred Tax:

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities as per the provisions of the Income Tax Act, 1961 and their carrying amounts for financial reporting purposes as at the financial statements date.

Deferred tax liabilities are recognized for all taxable temporary timing differences. Deferred tax assets are recognized for all deductible taxable temporary timing differences, the carry forward of unused tax losses and unused tax credits to the extent to which future taxable profits are expected to be available against which the deductible temporary differences

and the carry forward of unused tax losses and unused tax credits can be utilized/set-off.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period.

l) Impairment of Tangible & Intangible Assets:

Assets that are subject to depreciation or amortization are reviewed for impairment. Company assesses, at each reporting date, whether there is an indication that an asset may have been impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Impairment loss is recognized when the carrying amount of an asset exceeds recoverable amount.

m) Provisions, Contingent Liabilities and Contingent Assets

The Company recognises a provision when it has a present obligation as a result of a past event that probably requires an outflow of the Company's resources embodying economic benefits at the time of settlement and a reliable estimate can be made of the amount of the obligation. The provisions are measured at the best estimate of the amounts required to settle the present obligation as at the financial statement date and are not discounted to

its present value.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more future uncertain events not wholly or substantially within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

When demand notices are issued by the Government Authorities and demand is disputed by the company and it is probable that the company will not be required to settle/pay such demands then these are classified as disputed obligations under contingent liabilities.

Contingent Assets, if any, are not recognised in the financial statements. If it becomes certain that inflow of economic benefit will arise then such asset and the relative income are recognised in financial statements.

n) Current/Non-Current Classifications:

The Company presents assets and liabilities in the balance sheet on the basis of their classifications into current and non-current.

Assets:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period
- Cash or cash equivalent unless restricted from being exchanged or used to settle

a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Liabilities:

A liability is treated as current when it is:

- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- Due to be settled within twelve months after the reporting period
- No unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

o) Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments

The financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

A. Financial Assets:

Initial Recognition:

Financial Assets include Investments, Trade Receivables, Security Deposits, Cash and Cash Equivalents and

eligible current and non-current assets. The financial assets are initially recognized at the transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being value at fair value through the Statement of Profit and Loss.

Subsequent Measurement:

The subsequent measurement of financial assets depends upon the initial classification of financial assets. For the purpose of subsequent measurement, financial assets are classified as under:

- i. **Financial Assets At Amortized Cost** where the financial assets are held solely for collection of cash flows and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.
- ii. **Fair value through other comprehensive income (FVTOCI)**, where the financial assets are held not only for realization of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- iii. **Fair value through profit or loss (FVTPL)**, where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and

losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade Receivables, Security Deposits, Cash and Cash Equivalents, Investments in Equity where reliable data for fair value is not available and eligible current and non-current assets are classified for measurement at amortized cost.

Investments in equity instruments are classified for measurement at FVTPL.

Impairment:

If the recoverable amount of an asset (or cash-generating unit/Fixed Assets) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a re-valued amount if any, in which case the impairment loss is treated as a revaluation decrease.

Financial assets, other than those at Fair Value through Profit and Loss (FVTPL), are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

The company recognises impairment loss on trade receivables using expected credit loss model.

B. Financial Liabilities:

Financial liabilities, which include long and short-term loans and borrowings, trade payables, eligible current and non-current liabilities. The borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry of the terms.

p) Fair Value Measurement:

The Company measures financial instruments, such as, derivatives at fair value at each financial statement date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate

economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the

nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

q) Cash and Cash Equivalents-For the Purpose of Cash Flow Statements:

Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less or deposits with bank held as margin money against the import of goods or as security against the supply of goods, which are subject to an insignificant risk of changes in value.

r) Operating Cycle:

Based on the activities of the company and normal time between incurring of liabilities and their settlement in cash or cash equivalents and acquisition/right to assets and their realization in cash or cash equivalents, the company has considered its operating cycle as 12 months for the purpose of classification of its liabilities and assets as current and non-current.

s) Prior Period Errors:

Prior period errors are in the form of omission of certain items in the financial statements of prior periods which were not available when the financial statements were approved for issue and which could reasonably be expected to have been obtained and taken into account in the preparation and presentation of financial statement of prior period.

The Prior period errors have been corrected retrospectively by restating the respective amounts of the prior period presented in which the error occurred. If the errors have occurred before the earliest prior period presented, the errors have been corrected by restating the opening

balances of assets, liabilities and equity of the earliest prior period presented.

t) Events Subsequent to Financial Statements Period:

Events after the reporting period are those events, both favourable and unfavourable that have occurred between the end of the reported financial statements year and the date when financial statements are approved for issue by the Board of Directors of the company.

Events after the reporting period can be identified as those that provide evidence of conditions that existed as at the end of the financial year i.e. adjusting events after the financial year end and those are indicative of conditions that arose after the financial year end i.e. non-adjusting events after the financial year end.

The company adjusts the amounts of assets, liabilities, incomes and expenses recognised in the financial statements of the reporting period to reflect the effects of adjusting events to the respective assets, liabilities, incomes and expenses of the reporting period.

The non-adjusting events are not recognised in the financial statement of the reporting period but the nature of event and an estimate of its financial effect are disclosed in the notes of accounts.

u) Government Grants:

Government grants are recognised in the period where it is determined that there

is reasonable assurance that the grant will be received and all attached conditions relating to grant will be complied with.

The revenue grant relating to or arising from business operations is recognised as operating income in the Statement of Profit and Loss of the period in which is determined that it is reasonably certain that grant will be received and all attached conditions relating to grant will be complied with.

v) Earnings Per Share:

The Company presents basic and diluted earnings per share details for its ordinary shares. Basic earning per share is calculated by dividing the net profit after tax for the year attributable to the ordinary shareholders of the company by weighted number of ordinary shares outstanding for applicable period during the year.

Diluted earning per share is calculated considering the effect of dilution if any to ordinary share during the year.

w) Expected Credit Loss:

The measurement of expected credit loss on financial assets is based on the evaluation of collectability and the management's judgement regarding recoverability. A considerable amount of judgement is required in assessing the ultimate realization of the trade receivables having regard to the past collection history of each party, ongoing dealings with the parties, and assessment of their ability to pay the debts.

c. Debtors of Sale of Goods

The company has initiated legal proceedings/taken actions for recovery against the doubtful debtors amounting to Rs. 58.26/- Lakhs (Previous Year Rs. 63.26/- Lakhs). In respect of debts of Rs. 58.26/- Lakhs, though the company has initiated legal proceedings/taken actions for the recovery, the company had made provision for doubtful debts against that in the books of account pending outcome of the litigation in respect of each of the debtor.

d. Disputed Government Liabilities:

1. Disputed Income Tax Liabilities for A.Y. 2021-22: (Refer Note No. 32(VI))

In pursuance of various notices, the assessment proceedings for A.Y. 2021-22 relevant to financial year 2020-21 were completed by the office of Deputy Commissioner of Income Tax, Central Circle 1(1), Ahmedabad on 30/12/2022 by passing an assessment order under section 143(3) of the Income Tax Act, 1961. Vide assessment order dated 30/12/2022 under section 143(3), the Deputy Commissioner of Income Tax, Central Circle 1(1), Ahmedabad made an addition of Rs. 84.40/- Lakhs to taxable income for A.Y. 2021-22 on account of demurrage, detention and other related charges incurred by the company in respect of import of raw materials treating the same as being penal in nature as per section 37(1) of the Income Tax Act, 1961 and raised demand of Rs.36.15/- Lakhs.

The charges were in the nature of storage/container facilities availed by the company beyond the time allowed to lift the materials from the port pending clearance of documents/compliance of procedure on account of various factors like late receipt of documents from the suppliers, late release of shipment etc. and were paid to various shipping line companies/agencies for availing their facilities. The charges incurred not being in the nature of penalty within the meaning of section 37(1) and hence the additions of Rs. 84.40/- Lakhs have been considered by the company as inappropriate based on legal advice and has preferred an appeal before Commissioner of Income Tax-(Appeal), National Faceless Appellate Centre. The matter was pending for adjudication before Commissioner of Income Tax-(Appeal) as on the date of approval of financial statements by the Board of Directors.

Considering the nature of expenses incurred, provisions of section 37(1) of the Income Tax Act, 1961 and the legal advice, it is more likely that the addition so made by the Deputy Commissioner of Income Tax, Central Circle 1(1), Ahmedabad will be reversed and hence no provision has been made for such liability in the books of account for the financial year 2022-23. However, such the same has been disclosed as contingent liabilities in notes to the accounts (Refer Note No. 32(VI)).

2. RCM Liability on Ocean Freight: (Refer Note No. 32(V))

In the course of audit by the Office of the Commissioner of Central Goods and Service Tax, Audit Commissionerate, Rajkot dated 30th January, 2019, it had raised audit objections regarding non-payment of RCM on Ocean Freight amounting to Rs. 30.59/- Lakhs and requested the company to provide suitable explanations/clarifications in case of disagreement by the company. The company did not concur with the audit objections raised by the office of Commissioner of Central Goods and Service Tax, Audit Commissionerate, Rajkot since the similar matter in cases of other parties were going on for adjudication at the jurisdictional Hon'ble High Court of Gujarat. However, upto the date of authorization of Financial Statements for issue by the Board of Directors i.e. 27th May, 2023, the company has paid Rs. 30.59/- Lakhs under protest. There has been no further proceeding in the matter subsequent to the date of initial report upto the date of authorization of Financial Statements for issue by the Board of Directors i.e. 27th May, 2023.

f. Financial Instruments and Related Disclosures: (Refer to Note No. 33,34 & 35)

Financial Risk Management:

The company activities are exposed various financial risks: credit risk, liquidity risk and foreign exchange fluctuation risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

I. Credit Risk:

Trade Receivables:

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss to the Company. The maximum exposure to the credit risk as at the reporting date is primarily from trade receivables. Trade receivables are unsecured and are derived from revenue earned from customers from sale of goods. Trade receivables generally are impaired after three years when recoverability is considered doubtful based on general trend. The Company considers that trade receivables stated in the financial statements are not impaired and past due for each reporting dates under review are of good credit quality subject to outcome of the litigations where the company has initiated legal proceedings for recovery.

Other Financial Assets:

Credit risk relating to cash and cash equivalents is considered negligible since the counterparties are banks which are majorly owned by Government of India and have oversight of Reserve Bank of India. The Company considers the credit quality of term deposits with banks to be good and the company reviews these banking relationships on an ongoing basis.

The Company considers all other financial assets as at the financial statement dates to be of good credit quality.

II. Liquidity Risk:

The company's principal sources of liquidity are from Short Term Bank Borrowings, Cash and Cash Equivalents and Cash generated from operations.

The Short- term liquidity requirements consist mainly of Trade Payables, Expense Payables, Employee Dues, Servicing of Interest on Short -Term and Long -Term Borrowings and payment of instalments of term loans and vehicle loans and other payments arising during the normal course of business.

III. Foreign Exchange Rate Risk:

The Company undertakes transactions denominated in foreign currency mainly for purchase of raw materials and sale of goods which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency are also subject to reinstatement risks. Hedging is regularly carried out to mitigate the risks of exchange rate fluctuations to the extent considered feasible.

j. In the opinion of the Board of Directors, Current Assets & Loans and Advances have a value on realisation in the ordinary course of business equal to the amount at which they are stated in the balance sheet. In the opinion of the Board of Directors, claims receivable against property/goods are realizable as per the terms of the agreement and/or other applicable relevant factors and have been stated in the financial statements at the value which is most probably expected to be realized.

k. The company has obtained balance confirmation from some of the parties for Trade Payables, Trade Receivables and parties to whom loans/advance have been granted. All other balances of debtors and creditors and loans and advances are subject to confirmation and subsequent reconciliation, if any.

m. Income Tax Search Proceedings:

The Income Tax Authorities had carried out search operations from 26th May, 2022 to 29th May, 2022 at the registered office of the company and had seized certain documents relating to the company during the course of search. The post-search proceedings were carried out during the current financial year and the company has complied with notices and instructions from the Income Tax Department as issued from time to time. No notices for assessment of income as per the provisions of Income Tax Act, 1961 were issued upto the date of approval of financial statements i.e. 27th May, 2023 and hence liability of any nature has neither been envisaged by the management of the company nor determined by the Income Tax Authorities. Based on the legal consultations and the documents seized and proceedings carried out during the course of search as well as post search proceedings, in the opinion of the management of the company it is more likely that the company may not be required to incur any liability towards income tax on completion of the applicable income tax proceedings and hence no provision of income tax liability could either be determined or made or disclosed.

o. Subsidy Income:

The company had made an application for grant of subsidy to Industrial Commissionerate, Gandhinagar for grant of subsidy under the Scheme for Incentive to Industries in the form of reimbursement of Net VAT-Gujarat/Net GST-Gujarat based on gross investments in fixed assets and subject of compliance of the conditions as specified for eligibility of the grant of subsidy in the financial year 2021-22. The company had been issued Provisional Eligibility Certificates under Scheme for Incentive to Industries by the Industrial Commissionerate, Gandhinagar during the financial year 2021-22. Based on the consideration of such Provisional Eligibility Certificates and on the basis of consideration of compliance of terms and conditions of grant of subsidy and possibility of further compliance as may be required, the company had accounted an amount of Rs. 825.25/- Lakhs as subsidy income for the financial year 2021-22 as an operational income and had classified the same as income from operations in the financial statements.

The company has not realized any amount out of the subsidy income of Rs. 825.25/- Lakhs during the current financial year on account of ongoing procedural compliances. Based on the legal consultation it is expected that the company may realize stage-wise or in instalments or period-wise subsidy amount in the coming year(s).

p. Relationship with Struck off Companies:

The company did not have any transaction with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956, during the current year and in the previous year.

q) The Financial Statements were authorised for issue by the Board of Directors on 27th May, 2023.

- r)** The previous year's figures have been reworked, regrouped and reclassified wherever necessary so as to make them comparable with those of the current year.

The Financial Statements have been presented in Indian Rupee (₹) in Lakhs rounded off to two decimal points as per amendment to Schedule III to the Companies Act, 2013.

The figures wherever shown in bracket represent deductions.

INDEPENDENT AUDITOR'S REPORT

To the Members of

ASTRON PAPER & BOARD MILL LIMITED

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS:

QUALIFIED OPINION

We have audited the consolidated financial statements of ASTRON PAPER & BOARD MILL LIMITED (herein after referred to as "the Holding Company") and its subsidiary (the Holding Company and its Subsidiary together hereinafter referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2023, the Consolidated Statement of Profit and Loss (Including Other Comprehensive Income), the Consolidated Statement of Changes In Equity and the Consolidated Statement of Cash Flows for the year then ended and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of audit report of the subsidiary company except for the possible effects of matters described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the consolidated state of affairs of the Group as at March 31, 2023, and its consolidated loss and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

BASIS OF QUALIFIED OPINION

The current trade receivables reported in the financial statements include export trade receivable of Rs. 1,53,43,129/- outstanding for more than three years, which the group has considered as good for recovery. In our opinion, the same should have been considered as

doubtful and necessary provision for doubtful debts should have been made by the company. Non-provision of such doubtful debts of Rs. 1,53,43,129/- has resulted into understatement of loss and overstatement of outstanding balance of current trade receivables and shareholder's fund by Rs. 1,53,43,129/-.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

EMPHASIS OF MATTER:

We draw attention to the following matters in the Notes to the Financial Statements:

- I. Note No. 37(d)(1) relating to the disputed Income Tax Liabilities amounting to Rs. 36,15,110/-.
- II. Notes No. 37(d)(2) relating to RCM Liabilities on Ocean Freight Rs. 30,59,267/-.
- III. Note No. 37(n) relating to Revenue from Operations in the form of GST Subsidy Claim amounting to Rs. 8,25,00,000/- accounted in the financial year 2021-22 and non-realization of any amount during the current financial year. [Refer to Note No. 37(n)].
- IV. Note No. 37(l) relating to income tax search carried out at the registered office of the company subsequent to the balance sheet date. [Refer to Note No. 33(VII)]

Our opinion is not modified in respect of the above referred matters.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional

judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit

of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matters:

The Key Audit Matter	How the matter was addressed in our audit
<p>1. Litigations and Claims (Refer to Note No. 33 & 37(d))</p> <p>The Group operates in various States within India as well as export of goods which exposes the Group to a variety of different Laws and Regulations and implications and interpretations thereof. In such regulatory environment, the Group is subject to some legal and tax related claims which have been disclosed for in the consolidated financial statements based on the facts and circumstances of each case.</p> <p>Taxation and litigations have been identified as a key audit matter due to the status of legal proceedings, timescales involved for resolution and the potential financial impact of these on the financial statements. Further, such tax litigations involve significant management judgment in assessing the exposure of each case and thus a risk that such cases may not be adequately provided for or disclosed.</p>	<ul style="list-style-type: none"> • Gained an understanding of the process of identification of claims, litigations and contingent liabilities and identified key controls in the process. For selected controls we have performed tests of controls. • Obtained the summary of Group's legal and tax cases and critically assessed management's position through discussions with the Legal Counsel, appropriate senior management and operational management of the holding company, on both the probability of success in significant cases, and the magnitude of any potential loss. • Assessed management's estimate of the possible outcome of the litigations, the relevant disclosures made within the financial statements to address whether they appropriately reflect the facts and circumstances of the respective tax and legal exposures and the requirements of relevant accounting standards.
<p>2. Claims Receivable on Imported Raw Materials:</p> <p>The Group imports raw materials i.e. waste paper and some of the chemicals which constituted major part of the total cost of raw materials consumed for the financial year 2022-23.</p> <p>In cases of quality differences, the Group files quality claims with the respective suppliers. After due verification process, the quality claims are allowed and paid by the respective supplier depending upon the quality differences. The amounts of claims filed and actual claims received varies depending upon the final quality assessment and its acceptance by the respective suppliers and the Group.</p> <p>In respect of claims filed but not accepted/approved by the suppliers and the Group as at the end of the financial year, the Group accounts for such claims at the estimated amount of claim likely to be realized based on the past trend and management estimate of the likely recoverability of claims. Such treatment involves significant management judgment in assessing the recoverability in each case and thus a risk that such claims may not be adequately accounted for.</p>	<ul style="list-style-type: none"> • Gained an understanding of the process of identification of claims, identified key controls in the process and past trend of amounts at which claims were finally settled with the amount for which claims were filed. For selected controls we have performed tests of controls. • Assessed management's estimate of the amount of overall claims receivable as at the end of the financial year, the possibility of recoverability, assessed overall past trend of claims filed and amounts recovered and the requirements of relevant accounting standards.

INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS:

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Indian Accounting Standards (Ind AS), accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of each of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and

fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing each Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management of the respective company in the group either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the group is also responsible for overseeing each Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary company have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in the preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (the Holding Company and its Subsidiary Company) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and its Subsidiary Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance of the Holding Company and its Subsidiary Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of

most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTERS:

The consolidated financial statements include the financial information of a subsidiary whose financial information reflect total assets of Rs. 3,709.48 Lakhs as at March 31, 2023 and total revenue of Rs. 610.08 Lakhs and company's share of total net loss before tax of Rs. 553.97 Lakhs for the year ended on that date, as considered in the consolidated financial statements. The financial information of the subsidiary has been audited by us.

Our opinion on the consolidated financial statements is not modified in respect of above matters.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

ANNEXURE-A

TO THE INDEPENDENT AUDITOR'S REPORT

[REFERRED TO IN PARAGRAPH 1(f) UNDER "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS SECTION OF OUR REPORT OF EVEN DATE]

FINANCIAL YEAR ENDED 31ST MARCH 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements **ASTRON PAPER & BOARD MILL LIMITED** (hereinafter referred to as "the Holding Company") as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting with reference to Consolidated Financial Statements of the Holding Company and its Subsidiary Company (**the Holding Company and its Subsidiary hereinafter referred to as "Group"**).

Management's Responsibility for Internal Financial Controls

The management of the Holding Company and Subsidiary Company respectively is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to each company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its Subsidiary Company based on our audit. We conducted our audit in accordance with the

Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its Subsidiary Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these

consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over

financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the information and explanations given to us and based on the consideration of our report of the Holding Company and its Subsidiary Company, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the Group and operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

II. Audit Qualification (each audit qualification separately):

a. Details of Audit Qualification:

The current trade receivables reported in the financial statements include export trade receivable of Rs. 1,53,43,129/- outstanding for more than three years, which the company has considered as good for recovery. In our opinion, the same should have been considered as doubtful and necessary provision for doubtful debts should have been made by the company. Non-provision of such doubtful debts of Rs. 1,53,43,129/- has resulted into understatement of loss and overstatement of outstanding balance of current trade receivables and shareholder's fund by Rs. 1,53,43,129/-.

b. Type of Audit Qualification: Qualified Opinion

c. Frequency of qualification: First Time Reporting (Audit of Annual Financial Statements)

d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views :

The company had made export of goods to two parties located in China. However, subsequent to shipment of goods from port in India and before goods could reach the destination in China, Corona pandemic spread out across globe and government of various countries imposed restrictions on movement of goods as well as people and economic activities came to standstill. It took some time to normalize the routine operations. On account of above unprecedented reasons, the shipment to the parties was delayed from port. The company has been constantly following up the matter with respective parties for realization of the outstanding dues and based on the discussion so far, the management of the company was reasonably certain that the dues will be recovered and therefore has not made provision for doubtful debts so far. As part of its continuous efforts for recovery of outstanding dues, the management of the company is now contemplating to send its representative to discuss the matter with respective parties. The company will take further action in this regard based on further communication with the respective parties and legal opinion if it is deemed appropriate. Based on efforts and communication made so far and possible course of actions, the management of the company is of the view that there is fair possibility that the company may recover due and hence no provision for doubtful debts has been made.

For Audit Qualification(s) where the impact is not quantified by the auditor:

(i) Management's estimation on the impact of audit qualification:

Based on the present scenario, the management is of the view that there is possibility of recovery of amount and has no impact on the reported amounts in the financial statement for the year ended 31st March, 2023. However, due to any reason if any part of outstanding dues or entire dues becomes non recoverable, the company may have to write off/make provision for doubtful debts to that extent on occurrence of events when it becomes reasonably certain that no recovery or part recovery will not be made.

(ii) If management is unable to estimate the impact, reasons for the same: N.A.

(iii) Auditors' Comments on (ii) above:

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For The Year Ended March 31, 2023

CORPORATE INFORMATION:

Astron Paper & Board Mill Limited, the holding company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The shares of the company are listed in two recognized stock exchanges in India i.e. the Bombay Stock Exchange Limited ('BSE') and the National Stock Exchange of India Limited ('NSE'). The company has wholly owned subsidiary company Balaram Papers Private Limited.

The Holding Company and its Subsidiary Company (hereinafter referred to as "Group") are engaged in the business the manufacturing of Kraft Paper from waste paper.

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES:

I BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS

a) Accounting Conventions & Basis of Consolidation:

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and with Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and comply in all material aspects with the relevant provisions of the Companies Act, 2013 to the extent applicable to it.

The Consolidated Financial Statements have been prepared on a historical cost basis except the following assets and liabilities which have been measured at fair values:

- Certain Financial Assets and Liabilities that are measured at Fair Value and

- Defined Benefit Plans that are measured at Fair Value

The consolidated financial statements of the Group consolidate financial statements of the Holding Company and its subsidiary line-by-line by adding together the like items of assets, liabilities, income and expenses. All intra-group assets, liabilities, income and expenses are eliminated on consolidation. The same accounting policies to subsidiary have been applied to ensure the consistency with the policies adopted by the Holding Company. The consolidated financial statements have been presented to the extent possible, in the same manner as Holding Company's standalone financial statements.

The accounting policies are applied consistently to all the periods reported in the financial statements.

b) Use of Estimates:

The preparation of consolidated financial statements requires management to make estimates and assumptions that are believed to be reasonable under the circumstances and such estimates and assumptions may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of consolidated financial statements and the reported amounts of income and expenses during the reporting period. Although the consolidated financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relate.

c) 1. Property, Plant and Equipment (PPE):

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

- (a) it is probable that future economic benefits associated with the item will flow to the entity; and
- (b) the cost of the item can be measured reliably.

The acquisition of property, plant and equipment, directly increasing the future economic benefits of any particular existing item of property, plant and equipment, which are necessary for the Group to obtain the future economic benefits from its other assets, are recognized as Property, Plant and Equipment.

The Freehold land is carried/stated at historical cost/cost of acquisition. The other items of Property, Plant and Equipment are stated at cost of acquisition/construction (less Accumulated Depreciation and Impairment, if any). The cost of Property, Plant and Equipment comprises of their purchase price including freight, duties, taxes or levies, directly attributable cost of bringing the assets to their working conditions for their intended use. The Group capitalises its Property, Plant and Equipment at a value net of GST/ Other Tax Credits received/receivable during the year in respect of eligible item of Property, Plant and Equipment. Subsequent costs are included in the carrying amount of respective Property, Plant and Equipment or

recognized as separate assets as appropriate, only if such costs increase the future economic benefits from the existing items beyond their previously assessed standard of performance and cost of such items can be measured reliably.

Machinery spares that meet the definition of Property, Plant & Equipment are capitalised and depreciated over the useful life of the principal item of an asset. All other repair and maintenance costs, including regular servicing, are recognised in the Statement of Profit and Loss as incurred.

The items of Property, Plant and Equipment that are under construction/erection or not fully acquired and therefore not available for productive use are shown as "Capital Work in Progress" under Property, Plant and Equipment and will be transferred to respective item of Property, Plant and Equipment on completion of the construction/erection/acquisition activities.

Advances given to acquire property, plant and equipment are stated as non-current assets and subsequently transferred to respective Property, Plant & Equipment and CWIP on acquisition of related assets.

The carrying amounts of items of Property, Plant & Equipment have been eliminated from the books of account on disposal and the profits/(losses) arising from the disposal are recognised in the Statement of Profit and Loss of the period.

2. Estimated Useful Lives of Items of Property, Plant & Equipment are as follows:

Sr. No.	Class of Items of Property, Plant & Equipment	Estimated Useful Life
a.	Factory and Other Buildings and Borewell	30 to 60 Years
b.	Plant & Machineries and Electrifications of Plant & Machineries	25 Years
c.	Laboratory Equipments	10 Years
d.	Furniture & Fixtures	10 Years
e.	Vehicles	8 to 10 Years
f.	Office Equipments	5 Years
g.	Computers, Printers and Other Peripherals to Computers	3 Years

3. Investment Properties:

The property that is held by the Group for rental yields or for capital appreciation for the relevant period is classified as investment property. The investment property is initially recognized at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditures on such assets are capitalized to the asset's carrying value only when it is probable that future economic benefits associated with the expenditure will flow to the Group and cost of such items can be measured reliably. All other repairs and maintenance cost are expensed as and when incurred.

3. Intangible Assets:

The Intangible Assets of Accounting Software, Server Software, Website Development, Trade Mark-Logo etc. resulting in future economic benefits have been recognised at their cost of acquisition and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. On the basis of the availability of these assets for their intended use, relevant contractual agreements and technological changes

that may affect the usefulness of these assets, the useful lives of these assets have been assumed to be of five years from the date of their acquisition.

The estimated useful life is reviewed annually by the management of the respective company in the group.

4. Depreciation & Amortization:

The Depreciation on tangible items of Property, Plant and Equipment is provided on straight line method for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the items of Property, Plant and Equipment as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013 except freehold land and other related development on that land.

The plant & machineries which are used as continuous process plant are depreciated at the rates applicable to continuous process plant for the period for which respective plant & machineries were available for use.

The intangible assets have been amortized on pro-rata basis over period of their estimated useful lives on straight line basis i.e. @ 20.00% assuming useful life of five years.

d) Inventories

The Inventories of Raw Materials, Packing Materials, Stores & Spares, Fuel and Work-in-Process have been valued at cost. Finished Goods have been valued at cost or net realisable value whichever is lower. Costs in respect of all items of inventories have been computed on FIFO basis. The cost of Raw Materials, Packing Materials, Fuel, Consumable Stores and items of Spares comprises of the purchase price including duties and taxes, freight inwards and other expenditure directly attributable to the acquisition. The purchase price does not include GST/Other Tax credits availed of by the Group during the year. The value of Work-in-Process includes cost of Raw Materials and conversion cost depending upon the stage of completion as determined by the management. The cost of Finished Goods includes cost of conversion and other costs incurred in bringing the inventories to their present location and conditions. The Finished Goods are valued at cost after availing of GST/Other Tax credits on input materials.

e) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable from the customers/parties net of returns, rebates, value added taxes and discount to the customers and amounts collected on behalf of third parties. The Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be measured reliably, regardless of when the payment is being made.

Sale of Goods:

The revenue from the sale of goods is recognized at transaction price when the group had transferred the property

in Goods to the buyer for a price and all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Group retains no effective control over the goods dispatched.

Interest Income:

Income from investments and deposits, where appropriate, is taken into revenue in full on declaration or accrual on time basis and tax deducted at source thereon is treated as advance tax. The interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the group and the amount interest income can be measured reliably.

Claims Against the Imported Raw Materials:

The claims against the imported raw materials on account of quality difference have been accounted on the basis of claims filed and accepted by the supplier of materials except in case claims pending for acceptance which have been accounted on the basis of claims filed and at estimated value expected to be realized as determined by the management.

Subsidy Income:

Subsidy incomes available to the Company are accounted on the basis:

- i) Where there is reasonable assurance that the group will comply with the Conditions attached to them,
- ii) where such benefits have been earned by the group and it is reasonably

certain that the ultimate collection will be made and

- iii) nature of the grant i.e. whether in the nature of capital contribution or in the form of revenue.

f) Foreign Currency Transactions

The Group's financial statements have been prepared and presented in Indian Rupees (₹) which is also its functional currency.

The transactions in foreign currency initially have been recorded using the rate of exchange prevailing on the date of transactions. The differences arising on the settlement/restatement of the foreign currency denominated Financial Assets/Liabilities into Indian Rupees have been recognized as expenses/income (net) of the year and carried to the statement of profit and loss.

The monetary items denominated in foreign currencies outstanding as at the end of the reporting period, are translated at the exchange rates prevailing as at the end of the reporting period.

g) Government Grants:

Revenue Grant: The government grants are recognised where there is reasonable assurance that the grant will be received and all the terms and conditions relating to the grant will be complied with.

The revenue grant relating to or arising from business operations is recognised as operating income in the Statement of Profit and Loss of the period in which is determined that it is reasonably certain that grant will be received and all attached conditions relating to grant will be complied with.

The revenue grant other than grant recognised as operating revenue is recognised as other income in the Statement of Profit and Loss of the period to which such grant relates.

h) Employee Benefits:

1. Short Term Obligations:

Short term employee benefits like wages, salaries, production incentives and other monetary and non-monetary benefits are recognized in the period during which services are rendered by the employees and are recognized at the value at which liabilities have been settled or are expected to be settled.

2. Post-Employment and Other Long -Term Employee Benefits:

2.1 Contribution to Provident Fund & ESIC:

The Group's contribution to the Provident Fund and ESIC is remitted as per the provisions relating to the Employee Provident Fund Scheme and ESIC and such contributions are charged to the Statement of Profit & Loss of the period to which contribution relates.

2.2 Defined Benefit Plan for Gratuity:

The Group operates defined benefit plans for Gratuity. The Liabilities in respect of retirement benefits to eligible employees in the form of Gratuity are provided on the basis of Actuarial Valuation as per Ind AS-19 "Employee Benefits". The employee's gratuity fund scheme is managed by IndiaFirst Life Insurance Company Limited. The cost of providing defined benefits plans in the form of gratuity is determined using the Projected Unit Credit Method with actuarial

valuation being carried out at each reporting date.

The remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. The remeasurements are not reclassified to profit or loss in subsequent periods.

The changes in net defined benefit obligations in the form of services costs comprising of current service cost, past service cost, net interest cost and gains/(losses) on curtailments and settlements are recognized in the Statement of Profit & Loss.

i) Borrowing Costs

The Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. The borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

j) Operating Segment

The Group identifies operating segments on the basis of dominant source, nature of risks and returns and the internal organization. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the Managing Director/Chief Executive Officer/Board of Director who is respective Company's chief operating decision maker in deciding

how to allocate resources and in assessing performance.

The dominant source of income of the Group is from the sale of kraft paper of various quality which do not materially differ in respect of risk perception and the return realized/to be realized. Even the geographical/regulatory environment in which the Group operates does not materially differ considering the political and economic environment, the type of customers, the nature of business, assets employed and the risk and return associated in respect of each of the geographical area. So, the disclosure requirements pursuant to Ind AS-108- "Operating Segments" are not applicable.

k) Taxes On Income:

1. Current Tax:

The provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Taxes on income have been determined based on the tax rates and tax laws that have been enacted or substantively enacted by the financial statement date. The current tax liabilities and assets are measured at the amounts expected to be paid or to be recovered from the taxation authorities as at the financial statement date.

The current tax liabilities and assets are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

The current income tax relating to items recognized outside profit or loss is recognized either in the Other Comprehensive Income or in Other Equity Directly.

2. Deferred Tax:

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities as per the provisions of the Income Tax Act, 1961 and their carrying amounts for financial reporting purposes as at the financial statement date.

Deferred tax liabilities are recognized for all taxable temporary timing differences. Deferred tax assets are recognized for all deductible taxable temporary timing differences, the carry forward of unused tax losses and unused tax credits to the extent to which future taxable profits are expected to be available against which the deductible temporary differences and the carry forward of unused tax losses and unused tax credits can be utilized/set-off.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period.

l) Impairment:

The Group assesses, at each reporting date, whether there is an indication that an asset may have been impaired. If any indication exists, or when annual impairment testing for an asset is required, the group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Impairment loss is recognized when the carrying amount of an asset exceeds recoverable amount.

m) Provisions, Contingent Liabilities and Contingent Assets

The Group recognises a provision when it has a present obligation as a result of a past event that probably requires an outflow of the Group's resources embodying economic benefits at the time of settlement and a reliable estimate can be made of the amount of the obligation. The provisions are measured at the best estimate of the amounts required to settle the present obligation as at the balance sheet date and are not discounted to its present value.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more future uncertain events not wholly or substantially within the control of the Group or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

When demand notices are issued by the Government Authorities and demand is disputed by the Group and it is probable that the Group will not be required to settle/pay such demands then these are classified as disputed obligations.

Contingent Assets, if any, are not recognised in the financial statements. If it becomes certain that inflow of economic benefit will arise then such asset and the relative income are recognised in financial statements.

n) Current/Non-Current Classifications:

The Group presents assets and liabilities in the balance sheet on the basis of their classifications into current and non-current.

Assets:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Liabilities:

A liability is treated as current when it is:

- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- Due to be settled within twelve months after the reporting period
- No unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

o) Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments

The financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

A. Financial Assets:

Initial Recognition:

Financial Assets include Investments, Trade Receivables, Security Deposits, Cash and Cash Equivalents and eligible current and non-current assets. The financial assets are initially recognized at the transaction price when the Group becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being valued at fair value through the Statement of Profit and Loss.

Subsequent Measurement:

The subsequent measurement of financial assets depends upon the initial classification of financial assets. For the purpose of subsequent measurement, financial assets are classified as under:

- Financial Assets At Amortized Cost where the financial assets are held solely for collection of cash flows and contractual terms

of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.

- ii. Fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for realization of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- iii. Fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade Receivables, Security Deposits, Cash and Cash Equivalents, Investments in Equity where reliable data for fair value is not available and eligible current and non-current assets are classified for measurement at amortized cost.

Investments in equity instruments are classified for measurement at FVTPL.

Impairment:

If the recoverable amount of an asset (or cash-generating unit/Fixed Assets) is estimated to be less than its carrying amount, the carrying amount

of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a re-valued amount if any, in which case the impairment loss is treated as a revaluation decrease.

Financial assets, other than those at Fair Value through Profit and Loss (FVTPL), are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

The group recognises impairment loss on trade receivables using expected credit loss model.

B. Financial Liabilities:

Financial liabilities, which include long and short-term loans and borrowings, trade payables, eligible current and non-current liabilities. The borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry of the terms.

p) Fair Value Measurement:

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset

or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

q) **Cash and Cash Equivalents-For the Purpose of Cash Flow Statements:**

Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less or deposits with bank held as margin money against the import of goods or as security against the supply of goods, which are subject to an insignificant risk of changes in value.

r) **Operating Cycle:**

Based on the activities of the Group and normal time between incurring of liabilities and their settlement in cash or cash equivalents and acquisition/right to assets and their realization in cash or cash equivalents, the group has considered its operating cycle as 12 months for the

purpose of classification of its liabilities and assets as current and non-current.

s) Prior Period Errors:

Prior period errors are in the form of omission of certain items in the financial statements of prior periods which were not available when the financial statements were approved for issue and which could reasonably be expected to have been obtained and taken into account in the preparation and presentation of financial statement of prior period.

The Prior period errors have been corrected retrospectively by restating the respective amounts of the prior period presented in which the error occurred. If the errors have occurred before the earliest prior period presented, the errors have been corrected by restating the opening balances of assets, liabilities and equity of the earliest prior period presented.

t) Events Subsequent to Financial Statements Period:

Events after the reporting period are those events, both favourable and unfavourable that have occurred between the end of the reported financial statements year and the date when financial statements are approved for issue by the Board of Directors of the Group.

Events after the reporting period can be identified as those that provide evidence of conditions that existed as at the end of the financial year i.e. adjusting events after the financial year end and those are indicative of conditions that arose after the financial year end i.e. non-adjusting events after the financial year end.

The Group adjusts the amounts of assets, liabilities, incomes and expenses recognised in the financial statements of the reporting period to reflect the effects of adjusting events to the respective assets, liabilities, incomes and expenses of the reporting period.

The non-adjusting events are not recognised in the financial statement of the reporting period but the nature of event and an estimate of its financial effect are disclosed in the notes of accounts.

u) Earnings Per Share:

The Group presents basic and diluted earnings per share details for its ordinary shares. Basic earning per share is calculated by dividing the net profit after tax for the year attributable to the ordinary shareholders of the Group by weighted number of ordinary shares outstanding for applicable period during the year.

Diluted earning per share is calculated considering the effect of dilution if any to ordinary share during the year.

v) Expected Credit Loss:

The measurement of expected credit loss on financial assets is based on the evaluation of collectability and the management's judgement regarding recoverability. A considerable amount of judgement is required in assessing the ultimate realization of the trade receivables having regard to the past collection history of each party, ongoing dealings with the parties, and assessment of their ability to pay the debts.

c. Debtors of Sale of Goods

The Group has initiated legal proceedings/taken action for recovery against the doubtful debtors amounting to Rs. 58.26/- Lakhs (Previous Year 63.26/- Lakhs). In respect of debts of Rs. 58.26/- Lakhs, though the Group has initiated legal proceedings/taken actions for the recovery, the Group had made provision for doubtful debts against that in the books of account pending outcome of the litigation in respect of each of the debtor.

d. Disputed Government Liabilities:

1. Disputed Income Tax Liabilities for A.Y. 2021-22: (Refer Note No. 32(VI))

In pursuance of various notices, the assessment proceedings for A.Y. 2021-22 relevant to financial year 2020-21 were completed by the office of Deputy Commissioner of Income Tax, Central Circle 1(1), Ahmedabad on 30/12/2022 by passing an assessment order under section 143(3) of the Income Tax Act, 1961 in respect of the Holding Company. Vide assessment order dated 30/12/2022 under section 143(3), the Deputy Commissioner of Income Tax, Central Circle 1(1), Ahmedabad made an addition of Rs. 84.40/- Lakhs to taxable income for A.Y. 2021-22 on account of demurrage, detention and other related charges incurred by the company in respect of import of raw materials treating the same as being penal in nature as per section 37(1) of the Income Tax Act, 1961 and raised demand of Rs.36.15/- Lakhs.

The charges were in the nature of storage/container facilities availed by the company beyond the time allowed to lift the materials from the port pending clearance of documents/compliance of procedure on account of various factors like late receipt of documents from the suppliers, late release of shipment etc. and were paid to various shipping line companies/agencies for availing their facilities. The charges incurred not being in the nature of penalty within the meaning of section 37(1) and hence the additions of Rs. 84.40/- Lakhs have been considered by the company as inappropriate based on legal advice and has preferred an appeal before Commissioner of Income Tax-(Appeal), National Faceless Appellate Centre. The matter was pending for adjudication before Commissioner of Income Tax-(Appeal) as on the date of approval of financial statements by the Board of Directors.

Considering the nature of expenses incurred, provisions of section 37(1) of the Income Tax Act, 1961 and the legal advice, it is more likely that the addition so made by the Deputy Commissioner of Income Tax, Central Circle 1(1), Ahmedabad will be reversed and hence no provision has been made for such liability in the books of account for the financial year 2022-23. However, such the same has been disclosed as contingent liabilities in notes to the accounts (Refer Note No. 33(VII)).

2. RCM Liability on Ocean Freight: (Refer Note No. 32(V))

In the course of audit by the Office of the Commissioner of Central Goods and Service Tax, Audit Commissionerate, Rajkot dated 30th January, 2019, it had raised audit objections regarding non-payment of RCM on Ocean Freight amounting to Rs. 30.59/- Lakhs and requested the company to provide suitable explanations/clarifications in case of disagreement by the company. The company did not concur with the audit objections raised by the office of Commissioner of Central Goods and Service Tax, Audit Commissionerate, Rajkot since the similar matter in cases of other parties were going on for adjudication at the jurisdictional Hon'ble High Court of Gujarat. However, upto the date of authorization of Financial Statements for issue by the Board of Directors i.e. 27th May, 2023, the company has paid Rs. 30.59/- Lakhs under protest. There has been no further proceeding in the matter subsequent to the date of initial report upto the date of authorization of Financial Statements for issue by the Board of Directors i.e. 27th May, 2023.

f. Financial Instruments and Related Disclosures: (Refer to Note No. 34,35 & 36)

Financial Risk Management:

The Group activities are exposed various financial risks: credit risk, liquidity risk and foreign exchange fluctuation risk. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

I. Credit Risk:

Trade Receivables:

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss to the Group. The maximum exposure to the credit risk as at the reporting date is primarily from trade receivables. Trade receivables are unsecured and are derived from revenue earned from customers from sale of goods. Trade receivables generally are impaired after three years when recoverability is considered doubtful based on general trend. The Group considers that trade receivables stated in the financial statements are not impaired and past due for each reporting dates under review are of good credit quality subject to outcome of the litigations where the Group has initiated legal proceedings for recovery.

Other Financial Assets:

Credit risk relating to cash and cash equivalents is considered negligible since the counterparties are banks which are majorly owned by Government of India and have oversight of Reserve Bank of India. The Group considers the credit quality of term deposits with banks to be good and the group reviews these banking relationships on an ongoing basis.

The Group considers all other financial assets as at the financial statement dates to be of good credit quality.

II. Liquidity Risk:

The Group's principal sources of liquidity are from Short Term Bank Borrowings, Cash and Cash Equivalents and Cash generated from operations.

The Short-term liquidity requirements consist mainly of Trade Payables, Expense Payables, Employee Dues, Servicing of Interest on Short Term and Long -Term Borrowings and payment of instalments of term loans and vehicle loans and other payments arising during the normal course of business.

III. Foreign Exchange Rate Risk:

The Group undertakes transactions denominated in foreign currency mainly for purchase of raw and sale of goods materials which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency are also subject to reinstatement risks. Hedging is regularly carried out to mitigate the risks of exchange rate fluctuations to the extent considered feasible.

- i. In the opinion of the Board of Directors of the respective companies in the Group, Current Assets & Loans and Advances have a value on realisation in the ordinary course of business equal to the amount at which they are stated in the balance sheet. In the opinion of the Board of Directors of the respective companies in the Group, claims receivable against property/goods are realizable as per the terms of the agreement and/or other applicable relevant factors and have been stated in the financial statements at the value which is most probably expected to be realized.
- j. The Group has obtained balance confirmation from some of the parties for Trade Payables, Trade Receivables and parties to whom loans/advance have been granted. All other balances of debtors and creditors and loans and advances are subject to confirmation and subsequent reconciliation, if any.

l. Income Tax Search Proceedings:

The Income Tax Authorities had carried out search operations from 26th May, 2022 to 29th May, 2022 at the registered office of the Group and had seized certain documents relating to the holding company during the course of search. The post-search proceedings were carried out during the current financial year and the Group has complied with notices and instructions from the Income Tax Department as issued from time to time. No notices for assessment of income as per the provisions of Income Tax Act, 1961 were issued upto the date of approval of financial statements i.e. 27th May, 2023 and hence liability of any nature has neither been envisaged by the management of the Group nor determined by the Income Tax Authorities. Based on the legal consultations and the documents seized and proceedings carried out during the course of search as well as post search proceedings, in the opinion of the management of the Group it is more likely that the Group may not be required to incur any liability towards income tax on completion of the applicable income tax proceedings and hence no provision of income tax liability could either be determined or made or disclosed.

The previous financial year ratios have been restated considering the effects of prior period errors and omission applied as per Ind-AS-8.

& On Account of Increase in Short Term Borrowings and Operational Losses Incurred during the year.

@ On Account of Increase Finance Cost resulting from increase in Short Term Borrowings and Decline in Operating Profit during the year.

Resulting from operational losses on account of increase in raw materials cost and other cost, lower capacity utilization constrained by lower market demand of finished goods and other market related factors compared to previous financial year.

\$ Resulting from Increase in Short Term Borrowings during the current financial year compared to preceding two years.

^ On Account of decline in operational activities and operational profits during the year.

* Investments includes Investment in Securities, Balance in Fixed Deposit Accounts with Bank, Investment Properties only.

Income On Investment includes Interest on Bank Fixed Deposits, Rental Income on Investment Property and Gain/(Loss) on Investment Held or Sold.

n. Subsidy Income of Holding Company:

The holding company had made an application for grant of subsidy to Industrial Commissionerate, Gandhinagar for grant of subsidy under the Scheme for Incentive to Industries in the form of reimbursement of Net VAT-Gujarat/Net GST-Gujarat based on gross investments in fixed assets by the holding company and subject of compliance of the conditions as specified for eligibility of the grant of subsidy in the financial year 2021-22. The holding company has been issued Provisional Eligibility Certificates under Scheme for Incentive to Industries by the Industrial Commissionerate, Gandhinagar during the financial year 2021-22. Based on the consideration of such Provisional Eligibility Certificates and on the basis of consideration of compliance of terms and conditions of grant of subsidy and possibility of further compliance as may be required, the holding company had accounted an amount of Rs. 825.25/- Lakhs as subsidy income for the financial year 2021-22 as an operational income and had classified the same as income from operations in the financial statements.

The Holding Company has not realized any amount out of the subsidy income of Rs. 825.25/- Lakhs during the current financial year on account of ongoing procedural compliances. Based on the legal consultation it is expected that the holding company may realize stage-wise or in instalments or period-wise subsidy amount in the coming year(s).

o. Relationship with Struck off Companies:

The Group did not have any transaction with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956, during the current year and in the previous year.

p. The Consolidated Financial Statements were authorised for issue by the Board of Directors of the Holding Company on 27th May, 2023.

q. The previous year's figures have been reworked, regrouped and reclassified wherever necessary so as to make them comparable with those of the current year.

The Financial Statements have been presented in Indian Rupee (₹) in Lakhs rounded off to two decimal points as per amendment to Schedule III to the Companies Act, 2013.

The figures wherever shown in bracket represent deductions.

The accompanying notes 1 to 37 are an integral part of the Financial Statements.
