COMPANY OVERVIEW

Company Overview

- Share India Securities Ltd was founded in 1994 and is headquartered in Noida, Uttar Pradesh, India.
- A 31-year young, technology-driven financial services leader, recognised for strong capabilities in Algorithmic Trading and advanced Fintech solutions.
- Successfully evolved from a traditional financial services firm into a Fintech-focused organisation, delivering latency-optimised, high-performance trading solutions.
- Driven by a strong customer-first philosophy, continuously adapting offerings to meet the evolving needs of new-age retail, HNI, and institutional investors.
- Offers a comprehensive suite of financial services in equity, derivatives, commodities, wealth management, portfolio management services, advisory & alternate investment solutions.
- Operates a pan-India distribution network with 225 branches and franchises across 19 states and UTs, serving a diversified investor base.
- Proprietary platforms uTrade Algos and Algowire Trading Technologies deliver AI and ML driven algorithmic strategies, empowering HNI and retail investors with enhanced decision making, execution efficiency and disciplined wealth creation.

- Share India entered the insurance broking business in FY2019 through its subsidiary, Share India Insurance Brokers Private Limited expanding its financial services offering beyond capital markets
- Leverages its branch and franchise network to provide clients with a wide range of insurance solutions
- Delivers a comprehensive range of insurance products across 15 categories, covering life, health, and general insurance.
- The Company partners with 43 leading insurance providers, including LIC, ICICI Prudential Life, New India Assurance, HDFC Life, and SBI General Insurance, to deliver customised risk mitigation solutions.

All numbers as of Q1-FY27

An Integrated Algorithmic Trading Ecosystem

uTrade Solutions Pvt Ltd

- Operates uTrade Algos, a no-code, institutional-grade algorithmic trading platform aligned with the “Har Ghar Algo” vision.
- Enables retail and HNI investors to deploy pre-built or custom strategies with AI-powered analytics, backtesting, and risk tools.
- Seamlessly integrated with brokerage accounts including Share India for direct execution and real-time monitoring.

Algowire Trading Technologies Pvt Ltd

- Provides latency-optimized, institutional-grade trading infrastructure for high-speed execution in volatile markets.
- Powers the Group’s proprietary trading desk and client-facing algo platforms using advanced execution models.
- Serves global institutions with expertise in spans data mining, machine learning and quantitative analysis.

Silverleaf Securities Research Pvt Ltd

- Acts as the Group’s quantitative research and strategy development arm for systematic trading.
- Builds rules-based, data-driven strategies designed for automation, scalability, and repeatability rather than discretionary calls.
- It owns the end-to-end lifecycle from research and model development to live deployment and risk control.

Reliable Trading Platform

Rest API:

Build custom trading solutions with our real-time REST APIs for order execution, portfolio management, and position monitoring.

MTF Dashboard:

This dashboard shows all MTF holdings with details like quantity, invested amount, funded amount, P&L, and approved MTF stocks.

AI Screener & Overview:

Discover stocks using simple natural-language queries and get instant plain-English insights on fundamentals, momentum, and risk.

One App:

uAlgo is integrated into the Share India Retail app through a new tab with shared sessions and seamless OneApp silent login.

Super Order:

An advanced order type that combines entry, target, and stop-loss orders in a single instruction, enabling automated trade execution and risk management.

BackOffice P&L Reports:

Track every trade with smarter, more insightful P&L Reports. Download tax-ready reports with detailed charges and ledger analysis in just a few clicks.

uTrade Algos: Modern, Reliable & Effortless Algo Trading

New Strategies:

Launched advanced Sensex-based strategies aimed at capturing key market trends and weekly opportunities.

Custom Order Form:

Experience a more intuitive and efficient order placement process with an upgraded Custom Order Form, offering improved usability, faster execution, and a smoother trading experience.

Custom Order Form Enhanced with Same-Page Backtesting:

Get smarter and quicker assistance with our upgraded AI Chatbot, now offering improved responses, better query understanding, and a more seamless support experience.

Strike Criteria:

Enhanced technical indicators to deliver greater accuracy, deeper market insights, and improved trading strategy performance.
