Mumbai, July 01, 2026: Mahindra & Mahindra Ltd.'s Farm Equipment Business (FEB), part of the Mahindra Group, today announced its tractor sales numbers for June 2026.

Domestic sales in June 2026 were at **58,177** units, as against **51,769** units in June 2025, reflecting a **12%** year-on-year growth.

Total tractor sales (Domestic + Exports) during June 2026 were at **59,935** units, as against **53,392** units for the same period last year. Exports for the month stood at **1,758** units.

Commenting on the performance, **Veejay Nakra, President – Farm Equipment Business, Mahindra & Mahindra Ltd.** said *“We have sold 58,177 tractors in the domestic market during June 2026 registering a growth of 12% over last year. While it is early to assess the full impact of emerging El Niño conditions, strong government interventions like sustained fertilizer subsidies and targeted support measures at the local level are expected to mitigate some of the risk to farmers and cushion its impact to the Kharif season. In the export markets, we have sold 1,758 tractors, a growth of 8% over last year.”*
