# From the CEO's Desk

We are pleased to announce results for the period ending 30<sup>th</sup> September 2025 along with news of the landmark development in Navi Mumbai.

During the quarter total revenue growth was ~11.0% with a consol. EBITDA growth of 14.2% over same period last year. With continued growth in EBITDA and reduction in finance cost, we witnessed ~2.8x growth in PBT for the quarter. Accounting for the reinstatement of Navi Mumbai, we are very pleased to report a PAT of ~₹998mn for the quarter.

**For the first half of FY2026**, total revenue growth was **12.0%** and **EBITDA growth of 16.3%** over same period last year. This sets a very strong base for the remaining part of FY2026 and for FY2027.

We are very excited about the **Navi Mumbai development**. This project will redefine, both Navi Mumbai's skyline and SAMHI's future with potential to create a **700-room dual branded hotel**. We are happy to contribute to the state's commitment to make Navi Mumbai a world class city.

During the quarter, we also signed a long-term variable lease for a **large midscale hotel in heart of Financial District in Hyderabad**, allowing us to secure an impactful share of a market that continues to outperform.

We made good progress on on-going growth projects. By end of December 2025, we would have **added about 8% inventory** to our portfolio in current year, which will aide performance in Q4-FY2026 and FY2027. Work on the W-Hyderabad, Westin Bengaluru and other initiatives continue as planned.

With all these growth initiatives, same-store growth continuing in range of our forecast (~9%-11% CAGR) and strong free cash from operations, we are confident of SAMHI's growth and the value it will create for our shareholders.

Thank you for your continued support.

**Ashish Jakhanwala**
