MSME Strategic Initiatives

Expansion of ECG Footprint	Establish dedicated ECG centres across high-potential locations to enhance geographic coverage and deepen market penetration, alongside strengthening the existing regional footprint.
Accelerated NTB Business	Drive focused acquisition of New-to-Bank clients in identified growth markets to scale the NTB portfolio and improve market share.
Defined Borrower Segment Focus	Target mid-sized enterprises with turnover up to ₹500 crores, enabling structured sourcing of proposals ranging from ₹3 crores to ₹35 crores per borrower.
Augmentation of Key Resource Capabilities	Deploy additional RM/SM resources at major ECG centres to strengthen origination, relationship management, and execution capabilities.
LOS Workflow Optimization & Digitization	Streamlined the LOS process through simplified data capture, API-led integrations, and enhanced automation to significantly reduce login-to-disbursement turnaround time.
Capability Building & Training	Implement continuous learning interventions through structured online and offline programs in collaboration with training institutions to build domain expertise and market readiness.
Branch Empowerment	Bank branches are empowered to handle small-value MSME loans with the support of on-the-ground technology for faster sanctioning.
Structured Performance Recognition	Roll out quarterly campaigns with clearly defined performance metrics, complemented by staff Recognition for ECG teams, branches, and credit hubs.
