Impact of one time settlement on account of closure of JDA in Kolkata

With commencement of revenue recognition in recently completed projects, revenue and profitability momentum are set to stay robust

Q3 FY26

- Continued GBA & e-Khata issues impacted revenue recognition during Q3 FY26.
 - Chennai & Kolkata projects remained major contributors during Q3.
 - Nearly 50%+ of Q3 handovers were in JVs & DMs, thus limited impact on SPL Consolidated Revenues.
 - Normalcy seen in e-Khata & Portal glitches is yet to materialize thereby impacting Q3 revenue momentum.
- Other Expenses higher due to Kolkata launch expenses.
- Margin pressures are transitory and expected to normalise with accelerated handovers in Q4;
- Net earnings for the quarter remained negative, on account of lower revenue base.
- Set to bounce back strong in Q4, supported by robust handovers. Remain confident of achieving targeted handover of 3,300+ units in FY26

9M FY26

- External delays led deferred handover / Income recognition led to subdued 9M performance.
- Current revenues driven by handover in recently completed projects (Park 63, Liberty Square, Sunshine One & Grand One).
- Other Expenses slightly higher due to Pune brand campaigning, non recurring land settlement costs and new launch expenses.
