Cost of Deposits (%)	2.0%		1.7%	3.9%

Continue to acquire customers @ 3 L per month

Higher ticket size savings account-premium / senior citizen accounts

Offer FD / RD products

Enhance target customer segment

Niche Alliances – MSME, 3-in-1 SA, MF accounts

2/3rd sourcing from existing merchant channel

Strategic Advantages

90%
Secured Portfolio

Asset-Light Operations

 Merchants acting as service centers - No heavy branch infrastructure required

Lower CAC & Better Collections

 Deep on-ground presence enables superior customer insight and engagement

A well-diversified lending portfolio anchored by a predominantly secured mix and asset-light operations

Right To Win – Differentiated SFB

Base

1.75 crore customers - 70% active; 20.8 lakh merchants – Covering 98% of India's pin codes and 25% active

Potential

Of the top percentile total base, ~22 lakh customers & merchants are availing credit facility. Our referral business surge in FY'26 validates the same.

Asset-Light Model

Asset-light operating model to sustain lower cost-to-income; **50% more efficient** than existing SFB's

Cost Of Funds

300 bps lower than existing SFB's, key advantage

Analytics

Data driven scorecards for existing customer / merchants, edge for establishing better alternate credit worthiness

Technology

Upgraded system architecture enabling seamless transaction processing, agile solutioning & enhanced customer experience

People

Resource augmentation in progress – leadership onboarding to be completed by

Aug'26

Technology

Key systems LOS, LMS identified and implementation to be completed by

Oct'26

Product

Secured product rollout in a phased manner – targeting existing merchants and customers in Phase 1

Net-worth

Current net-worth is 2x of regulatory requirement – For business growth until FY'30, no incremental capital is required

Other Conditions

Alignment with the holding company and investors, work in progress

Timeline

Aiming to go live in a phased manner by

Q1 FY'28
