To
The Board of Directors,
The Karnataka Bank Limited,

Report on the Audit of the Standalone Financial Results

Opinion

1. We have jointly audited the accompanying Standalone Financial Results of The Karnataka Bank Limited (the "Bank") for the quarter and year ended March 31, 2026 ("the Statement") attached herewith, being submitted by the Bank pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("LODR Regulations") except for the disclosures relating to Pillar 3 disclosure as at March 31, 2026 including Leverage Ratio, Liquidity Coverage Ratio and Net Stable Funding Ratio under Basel III Capital Regulations as have been disclosed on the Bank's website in respect of which a link has been provided in the Statement and have not been audited by us.
2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
 - i. are presented in accordance with the requirements of Regulation 33 of the LODR Regulations in this regard except for the disclosures relating to Pillar 3 disclosure as at March 31, 2026 including Leverage Ratio, Liquidity Coverage Ratio and Net Stable Funding Ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in Note XX in the Statement and have not been audited by us; and
 - ii. gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards, prescribed under Section 133 of the Companies Act 2013 (the "Act") read with the Companies (Accounting Standards) Rules, 2021 to the extent applicable, the relevant provisions of the Banking Regulation Act, 1949, circulars, directions and guidelines issued by the Reserve Bank of India (RBI) from time to time ("the RBI guidelines") and other accounting principles generally accepted in India, of the net profit for the quarter ended March 31, 2026 as well as the year to date results for the year ended March 31, 2026 and also the Standalone Statement of Assets and Liabilities as at March 31, 2026 and the Standalone Statement of Cashflows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of Standalone Financial Results' section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the ICAI together with the ethical requirements that are relevant to our audit of the Statement, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management and Board of Directors' Responsibility for the Standalone Financial Results

4. The Statement have been compiled from the annual audited standalone financial statements which are approved by the Board of Directors. The Management and Bank's Board of Directors are responsible for the preparation of the Statement that gives a true and fair view of the net profit, the Standalone Statement of Assets and Liabilities and the Standalone Statement of Cashflows in accordance with the recognition and measurement principles laid down in Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder, RBI Guidelines and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 read with Regulation 63(2) of the LODR Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, Banking Regulations Act, 1949 and RBI Guidelines for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors and management are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Management and Board of Directors of the Bank are also responsible for overseeing the financial reporting process of the Bank.

Auditor's Responsibilities for the Audit of Standalone Financial Results

5. Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.
6. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to the standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
 - Evaluate the overall presentation, structure, and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
7. Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statement.
8. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
9. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

10. The Statement including financial results for the quarter ended March 31, 2026 being the balancing figure between the audited figures in respect of the year ended March 31, 2026 and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Our opinion on the Statement is not modified in respect of above matter.

We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statement.

7. We communicate with those charged with governance of the Bank , among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
