Mr. C. S. Nopany

Commenting on the results, Mr. C.S. Nopany, Executive Chairman, Sutlej Textiles and Industries Limited said:

“FY25 has been a challenging year due to ongoing global uncertainties, unpredictable demand, and changing trade and tariff rules. These external factors have impacted the entire textile industry, but they’ve also highlighted the need for resilience, flexibility, and strong operational management.

At Sutlej Textiles, we have focused on strengthening our core — cutting costs, boosting efficiency, and building stronger relationships with customers in key markets. Although the earlier part of the year felt the impact of global challenges, our efforts are beginning to show, especially in Q4.

Our team has worked hard to adjust supply chains, add more value to our products, and stay agile in response to changing market trends. With this progress, we are cautiously hopeful about starting FY26 in a more stable and growth-focused position.”
