**Mr. C. S. Nopany**

### **Commenting on the results, Mr. C.S. Nopany, Executive Chairman, Sutlej Textiles and Industries Limited said:**

“Q3 FY2025-26 was a step forward from the previous quarter, though global uncertainties and input cost pressures continued to weigh on the industry. The operating environment is stabilizing, and what is particularly noteworthy is the structural shift unfolding in India's trade landscape.

The free trade agreements with the UK and the European Union, along with the improving trade outlook with the US, are creating unprecedented market access for Indian textiles. For Sutlej, with our strengths in value-added and specialty yarns, these developments are directly relevant and deeply encouraging.

We continue to sharpen our focus on efficiency, product innovation, and sustainability. While near-term caution is warranted, we approach the coming quarters with measured optimism, backed by a clearer and more favourable external environment than we have seen in some time.”
