INTRODUCTION

Founded in 1987, we are involved in production of edible oils, animal feed ingredients, soya value added products and supply chain of agri commodities. Our wide range of processed and manufactured products includes soya de-oiled cake (soya meal), Hipro Soya Meal, soya refined oil, soya crude oil, degummed oil, soya lecithin, acid oil, soya husk, cotton seed oil, refined rapeseed oil, rapeseed de-oiled cake, soya grits, soya flakes, and soya flour.

*We have strategically located plants in the state of Madhya Pradesh comprising of three solvent extraction plants, two oil refineries and one flour mill. The location of our plants gives us the competitive edge over other players in terms of procurement and availability of major raw material (i.e. soyabean seeds). We have cumulative solvent extraction capacity of 3,75,000 TPA, **edible oil refining capacity of 60,000 TPA** and flour milling capacity of 24,000 TPA.*

Our two manufacturing units, namely, Khandwa Oils -Unit I and Unit II situated in Khandwa, M.P., are spread in the wide area of around 20 acres, while our another unit located in Kheda, Itarsi, M.P. is spread around an area of 10 acres. All our units have a well-equipped laboratory, modern technology and testing equipments with supporting environment and facilities, to ensure that the products conforms with the pre-determined food standards.

We possess ISO 9001: 2015 and ISO 22000:2018 certificate in respect of our Khandwa Oils Unit I, certifying that our Quality Management System and Food & Safety Management System are in accordance with the requirements of ISO 9001 :2008 and ISO 22000:2018 respectively in regards to manufacture, supply and export of our soyabean products. Similarly, we possess ISO 22000:2018 certificate for our unit situated in Kheda.

'MANAGEMENT DISCUSSION AND ANALYSIS REPORT'

A. Industry Structure and Developments

Global Economy

Global Growth has been affected by Russia's invasion of Ukraine. Other Factors influencing Global economy are liquidity, debt distress, climate change and pandemic.

Russia's invasion of Ukraine and its effects on commodity markets, supply chains, inflation, and financial conditions have steepened the slowdown in global growth. One key risk to the outlook is the possibility of high global inflation accompanied by tepid growth. At the same time, economic damage from the conflict will contribute to a significant slowdown in global growth in 2022 and add to inflation. Fuel and food prices have increased rapidly, hitting vulnerable populations in low-income countries hardest.

This could eventually result in a sharp tightening of monetary policy in advanced economies, which could lead to financial stress in some emerging market and developing economies. A forceful and wide-ranging policy response is required to boost growth, bolster macroeconomic frameworks, reduce financial vulnerabilities, and support vulnerable groups.

Indian Economy

The Indian economy grew 8.7 per cent in 2021-22, with the gross domestic product (GDP) expanding 4.1 per cent in the March quarter from a year ago. The GDP growth for 2021-22 takes the economy above its pre-pandemic level and is an improvement after contracting 6.6 per cent in 2020-21.

Following a contraction of 7.3% in 2020-21, the Indian economy is expected to grow by 9.2% in real terms in 2021-22. GDP is expected to grow in real terms by 8-8.5% in 2022-23. The "second wave's" economic effect was significantly less than the full lockdown in 2020-21, but the health consequences were far more severe.

The coming year is expected to see an increase in private sector investment with the financial system in strong shape to support the country's economic recovery. The projection is equivalent to the World Bank's and Asian Development Bank's recent predictions of 8.7% and 7.5% real GDP growth for 2022-23, respectively. In 2021-22, agriculture and allied industries are predicted to grow by 3.9%, industry by 11.8%, and services by 8.2%.

Edible Oil & Soya Product Market

India is the world's second-largest consumer and number one importer of vegetable oil, consuming around 23 million tons of edible oil every year. Out of the total requirement, around 10 million tons is estimated to be produced domestically from primary sources. Edible oils like soybean oil, mustard oil, and sunflower oil are largely used for domestic consumption. Other edible oils include sesame oil, coconut oil, groundnut oil, rice bran oil, etc.

In terms of volume, the four key edible oils - palm, soybean, mustard and sunflower - constitute 85-88% of the total edible oil consumption in India. The edible oil retail market has been growing steadily at a CAGR of 6% in the last five years and is estimated to be around Rs. 1,79,500 crores.

The soya market consists of products like soya flakes, soya flours, soya grits, soya TVP (Textured Vegetable Protein), soya lecithin, soya distillate, among other value-added products. The soya chunks retail market in India is estimated to be around Rs. 2,000 crores and is expected to jump to Rs. 3,422 crores by FY 2024-25.

Agriculture and Food Management

Agriculture has witnessed strong growth in the last two years, accounting for 18.8% of the country's Gross Value Added (GVA) in 2021-22, with growth of 3.6% in 2020-21 and 3.9% in 2021-22. Crop diversity is aided by the Minimum Support Price (MSP) policy. In the most recent Situation Assessment Survey (SAS), net earnings from crop output grew by 22.6% as compared to the 2014 SAS Report.

Agriculture's allied areas, including as animal husbandry, dairying, and fisheries, are rapidly developing as high-growth sectors and important drivers of total growth in the agricultural sector.

B. Opportunities and Threats

Opportunities & Threats

The demand for soybean by-products like soybean meal and oil cakes has increased over the past few years. The high nutritional value of the products has enhanced their popularity among consumers. The increased disposable income of consumers in developed countries and the improved soybean productivity in these countries contributed to the demand for soybean by-products.

The increased awareness among farmers about soybean cultivation and the well-equipped nature of cultivation in the region enhanced soybean production. The domestic and global demand for oilseeds like soybean has been rising over the years, impacting the prices of soybean and farmers' revenue positively.

India has developed sustainable standards for soyabean production, a move that could help farmers improve productivity while enhancing competitiveness of the processing industry globally. The Indian Standards for Sustainable Soya (ISSS), launched at the soya conclave in Indore, were developed by the Soyabean Processors Association of India(SOPA), the Indian Institute of Soyabean Research, along with the support of key soya industries and businesses.

Weather conditions play a major role in affecting the productivity of any crop. Accurate and intensified weather forecasting coupled with correct and timely advisory system at grass root level will definitely help in improving the productivity.

C. Segment-wise Performance

		Rs. (in Lakhs)	
		Year Ended	
Particulars		31.03.2022	31.03.2021
1	Segment-wise Revenue		
	(a) Agri Commodities	187931.60	129779.79
	(b) Power	170.09	115.7

	Less: Interest	193.63	-463.72
	Total Profit Before tax	6369.96	3513.46

D. Outlook

In India, the changing consumer dietary habits are primarily augmenting the demand for soybean oil based on its neutral taste, high smoke point, and low saturated fat content. Moreover, rising consumer health concerns have led to the introduction of healthy product variants for managing heart health and lowering blood cholesterol levels. Additionally, the high penetration of international food trends in India has led to the increasing utilization of soybean oil in preparing condiments, dressings, mayonnaise, non-dairy creamers, margarine, shortenings, whipped toppings, etc. Besides this, the rising consumer sedentary lifestyles and their hectic work schedules are also augmenting the demand for soybean oil in processed food items.

E. Risks and Concerns

The Company is committed to recognizing and managing the risks it is exposed to, both internal and external, and has put in place mechanisms to handle the same proactively and efficiently. The Company also recognizes that these risks could adversely affect its ability to create value for all stakeholders, and has taken steps to mitigate the same.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF KN AGRI RESOURCES LIMITED Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **KN AGRI RESOURCES LIMITED** ("the Company"), which comprise the Balance sheet as at **March 31, 2022**, the Statement of Profit and Loss (Including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. On the facts and circumstances of the entity and the audit, that there are no key audit matters to communicate.

Information other than the financial statements and auditors' report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of Sub Section (11) of Section 143 of the company Act 2013, we give in the **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by sub-section (3) of section 143 of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, and
 - e. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**. Our report expresses unmodified opinion on the adequacy and operating effectiveness of the Company's Internal Financial Controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:-

- i) the Company does not have any pending litigations which would impact its financial position
- ii) the Company does not have any long-term contracts including derivatives contracts, hence no provision are required for material foreseeable losses; and
- iii) There is no amount required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The Company has neither declared nor paid any dividend during the year.

ANNEXURE “A” TO THE AUDITOR'S REPORT

For the annexure referred to in our report of even date to the Members of KN AGRI RESOURCES LIMITED (“the Company”) for the year ended on March 31, 2022; we report that:

1) Property, Plant & Equipment:

(a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment;

B. No Intangible Asset has been recognised by the Company.

(b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.

(c) Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.

(d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

2) Inventory:

(a) The management has conducted the physical verification of inventory at reasonable intervals. In the opinion of the auditor, the coverage and procedure of such verification by the management is appropriate; no discrepancies of 10% or more in aggregate for any class of inventory were noticed, moreover the minor discrepancy noticed, if any, have been properly dealt with in the books of account.

(b) the company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets; Based on our audit procedures and according to the information and explanations given to us, we are of the opinion that the quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company;

3) Loans, Investments, Guarantees, Securities and Advances in nature of Loan:

The Company has made investments in, companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, in respect of which:

(a) The Company has provided loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year:

(A) the aggregate amount during the year amounted to Rs. 205.85 Crs, and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to subsidiaries, joint ventures and associates is NIL;

(B) the aggregate amount during the year amounted to Rs. 29.96 Crs, and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to parties other than subsidiaries, joint ventures and associates is Rs. 13.44 Crs;

(b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.

(c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.

(d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.

(e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

(f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.

4) Compliance of Section 185 and 186:

In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.

5) Deposits:

The Company has not accepted any deposits or amount which are deemed to be deposit from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.

6) Cost Records:

Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

7) Statutory Dues

(a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.

(b) According to the information and explanation given to us, there are no dues of income tax, sales

tax, Goods & Service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute except followings.

8) Unrecorded Income:

There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

9) Repayment and Usage of Borrowings:

Based on our audit procedures and according to the information and explanations given to us, we are of the opinion that:

- On an overall examination of the financial statements of the Company, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- the company is not a declared willful defaulter by any bank or financial institution or other lender;
- On an overall examination of the financial statements of the Company, the term loans were applied for the purpose for which the loans were obtained;
- On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- On an overall examination of the financial statements of the Company, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- On an overall examination of the financial statements of the Company, the company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

10) Money raised through issue of own shares:

- During the year, the Company was listed in SME Platform. Based upon the audit procedures performed and the information and explanations given by the management, we report that, moneys raised by way of initial

public offer were applied for the purposes for which those are raised. Further, no debt instruments were offered during the year.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

11) Fraud:

Based upon the audit procedures performed and the information and explanations given by the management, we report that:

(a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) No whistle blower complaints have been received by the Company during the year (and upto the date of this report).

12) Nidhi Company:

In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.

13) Related Party Transactions:

In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.

14) Internal Audit

(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

15) Non-cash transactions with Directors

Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.

16) Registration u/s 45-IA of RBI Act

(a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

17) Cash Losses

The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

18) Auditor's Resignation:

There has been no resignation of the statutory auditors of the Company during the year.

19) Financial Position:

On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

20) CSR Compliance:

(a) There are no unspent amounts towards Corporate Social Responsibility (CSR) requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

(b) There are no unspent amounts towards under sub-section (5) of section 135 of the Companies Act, pursuant to any ongoing project, required to be transferred to special account in compliance with the provision of sub-section (6) of section 135 of the said Act;

“ANNEXURE B” TO THE AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **KN AGRI RESOURCES LIMITED (“the Company”)** as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 2: Significant accounting policies and Explanatory Notes to Reinstated Ind AS Financial Statement
BASIS OF ACCOUNTING AND PREPARATION OF FINANCIAL STATEMENTS

- i. The restated financial statements are prepared on the accrual basis of accounting under the historical cost convention, on a going concern basis, in accordance with provisions of the Companies Act, 2013 and Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act, to the extent applicable. These Accounting Policies have been consistently applied by the Company and are consistent with those used in the previous year. The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.
- ii. **Going Concern Concept** - The financial statements of the company have been prepared on the premise that its business will continue indefinitely.
- iii. **Use of estimates**- The preparation of the financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.
- iv. **Inventory valuation:**
 - a. **RAW Material:** - Raw Material is stated at cost. In determining the cost of Raw Materials the FIFO Method is used.
 - b. **Finished Goods:** - Finished goods are stated at the lower of cost and realizable value. Cost of manufactured finished goods includes material cost Labour & factory overheads on the basis full absorption costing.
 - c. **Stores, Spares And Others:** - Stores & Spares and others have been valued at cost.
- v. **Revenue Recognition** - Revenue is recognised to the extent that it is probable that economic benefit will flow to the Company and that the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated rebates and other similar allowances.
- vi. **Interest Income** - Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

- vii. Employee Benefits-** Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, compensated absences, post-retirement medical benefits and other terminal benefits.
- viii. Foreign currency transaction:**
1. Transactions made during the year in Foreign Currency are recorded at the exchange rate prevailing at the date of transaction on settlement of transaction. The realized gains and losses on foreign exchange transactions are recognized in the Profit and Loss Account.
 2. Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of year are translated at the year-end rate. The resultant exchange rate differences are recognized in the profit and loss account.
 3. In case of forward contracts, the difference between the forward rate and the exchange rate at the date of transaction is recognized as income or expense over the contract period. The premium or discount arising at inception of the forward contracts on the Foreign Exchange Currency not intended for trading or speculation purpose is amortized as expense or income over the life of contract.
- ix. Borrowing Costs**
Borrowing costs attributable to the Tangible Assets during their construction/ renovation and modernization are capitalized. Such borrowing costs are apportioned on the average balance of capital work-in-progress for the year. All other borrowing costs are recognized as an expense in the period in which they are incurred.
- x. Taxation** - Income tax expense represents the sum of the tax currently payable and deferred tax.
- Current tax:**
The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.
Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income- tax Act, 1961 enacted in India.
- Deferred tax:**
- Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.
 - The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.
 - Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
 - Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in Other Comprehensive Income or directly in equity.

- Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax asset and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

xi. Property plant and equipment

- Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Depreciation commences when the assets are ready for their intended use.
- Freehold land and Assets held for sale are not depreciated.
- Depreciation is recognised so as to write off the cost of assets (other than freehold land) less their residual values over their useful lives, using the written down value (WDV) method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. Depreciation on assets are provided on written down value (WDV) method on the gross block at the rates specified in the Schedule II to the Companies Act, 2013. Depreciation on additions/deductions to fixed assets is being provided on pro-rata basis from/to the month of acquisition/disposal. Full cost of all small and low value items each costing Rs.5000/- or less under all class of assets is fully charged to revenue in the year in which the assets are put to use. No part of the cost of such items is included in the cost of fixed assets and accordingly no depreciation is charged thereon.
- An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Type of Assets	Useful life (In Years)
Land – Freehold	-
Buildings	30
Electrical Installations and Equipments	40
Plant and Machinery	15/22
Furniture & Fixtures	10
Office Equipments	5
Motor Vehicles	8
Computers and Data Processing Units	3

xii. Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less Accumulated amortisation and accumulated impairment losses. Amortisation is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation methods are reviewed at the end of each reporting year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with Indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

xiii. Impairment of assets:

Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amounts. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from sale of the asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, then such loss is

reversed and the asset is restated to the extent of the carrying value of the asset that would have been determined (net of amortization/ depreciation), had no impairment loss been recognized.

xiv. Pre - paid expenses:

Expenses pertaining to the subsequent period are accounted as "Pre Paid Expenses".

xv. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

xvi. Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

xvii. Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

xviii. Investment In Associates

The investment in associates are carried in the financial statements at historical cost except when the investment is classified as held for sale in which case it is accounted for as non-current assets held for sale and discontinued operations.

Investments in subsidiaries carried at cost are tested for impairment in accordance with Ind AS 28. Any impairment loss reduces the carrying value of the investment.

xix. Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition, the Company makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

xx. Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Other financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly

attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

xxi. Cash and cash equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

xxii. Cash Flow Statement

The Cash Flow Statement has been prepared under the "Indirect Method" as set out in the Indian Accounting Standard (Ind AS-7) - Statement of Cash Flow.

xxiii. Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

xxiv. Earnings per equity share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods.

xxv. Critical accounting estimates and judgments

In the application of the Company's accounting policies, the directors of the Company are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates are:

- Estimation of current tax and deferred tax expense
- Estimation of values of contingent liabilities

Estimates and judgment are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF KN AGRI RESOURCES LIMITED Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **KN AGRI RESOURCES LIMITED** ("the Company") and its associates, which comprise the Balance sheet as at **March 31, 2022**, the Statement of Profit and Loss (Including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. On the facts and circumstances of the entity and the audit, that there is no key audit matters to communicate.

Information other than the financial statements and auditors' report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone financial statements, Consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions

are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- a. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, we report that there are no qualifications or adverse remarks in respect of the consolidated financial statement.

- b. As required by sub-section (3) of section 143 of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- c. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- d. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
- e. In our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, and
- f. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report

expresses unmodified opinion on the adequacy and operating effectiveness of the Company's Internal Financial Controls over financial reporting.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:-

- i) the Company does not have any major pending litigations which would impact its financial position.
- ii) the Company does not have any long-term contracts including derivatives contracts, hence no provision are required for material foreseeable losses; and
- iii) There is no amount required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The Company has neither declared nor paid any dividend during the year.

“ANNEXURE A” TO THE AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **KN AGRI RESOURCES LIMITED (“the Company”)** as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide

reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanation given to us and based on the consideration of reports of other auditors on separate financial statements, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 2: Significant accounting policies and Explanatory Notes to Reinstated Ind AS Consolidated Financial Statement

BASIS OF ACCOUNTING AND PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS

- i. The restated consolidated financial statements are prepared on the accrual basis of accounting under the historical cost convention, on a going concern basis, in accordance with provisions of the Companies Act, 2013 and Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act, to the extent applicable. These Accounting Policies have been consistently applied by the Company and are consistent with those used in the previous year. The preparation of consolidated financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as on the date of the consolidated financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. Future results could differ from these estimates.
- ii. **Going Concern Concept** - The consolidated financial statements of the company have been prepared on the premise that its business will continue indefinitely.
- iii. **Use of estimates-** The preparation of the consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the consolidated financial statements and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.
- iv. **Inventory valuation:**
 - a. **RAW Material:** - Raw Material is stated at cost. In determining the cost of Raw Materials the FIFO Method is used.
 - b. **Finished Goods:** - Finished goods are stated at the lower of cost and realizable value. Cost of manufactured finished goods includes material cost Labour & factory overheads on the basis full absorption costing.
 - c. **Stores, Spares And Others:** - Stores & Spares and others have been valued at cost.
- v. **Revenue Recognition** - Revenue is recognised to the extent that it is probable that economic benefit will flow to the Company and that the revenue can be reliably measured. Revenue is measured at the fair

value of the consideration received or receivable. Revenue is reduced for estimated rebates and other similar allowances.

- vi. Interest Income** - Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
- vii. Employee Benefits**- Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, compensated absences, post-retirement medical benefits and other terminal benefits.
- viii. Foreign currency transaction:**
1. Transactions made during the year in Foreign Currency are recorded at the exchange rate prevailing at the date of transaction on settlement of transaction. The realized gains and losses on foreign exchange transactions are recognized in the Profit and Loss Account.
 2. Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of year are translated at the year-end rate. The resultant exchange rate differences are recognized in the profit and loss account.
 3. In case of forward contracts, the difference between the forward rate and the exchange rate at the date of transaction is recognized as income or expense over the contract period. The premium or discount arising at inception of the forward contracts on the Foreign Exchange Currency not intended for trading or speculation purpose is amortized as expense or income over the life of contract.
- ix. Borrowing Costs**
- Borrowing costs attributable to the Tangible Assets during their construction/ renovation and modernization are capitalized. Such borrowing costs are apportioned on the average balance of capital work-in-progress for the year. All other borrowing costs are recognized as an expense in the period in which they are incurred.
- x. Taxation** - Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax:

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income- tax Act, 1961 enacted in India.

Deferred tax:

- Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition,

deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

- The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.
- Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in Other Comprehensive Income or directly in equity.
- Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax asset and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

xi. Property plant and equipment

- Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Depreciation commences when the assets are ready for their intended use.
- Freehold land and Assets held for sale are not depreciated.
- Depreciation is recognised so as to write off the cost of assets (other than freehold land) less their residual values over their useful lives, using the written down value (WDV) method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. Depreciation on assets are provided on written down value (WDV) method on the gross block at the rates specified in the Schedule II to the Companies Act, 2013. Depreciation on additions/deductions to fixed assets is being provided on pro-rata basis from/to the month of acquisition/disposal. Full cost of all small and low value items each costing Rs.5000/- or less under all class of assets is fully charged to revenue in the year in which the assets are put to use. No part of the cost of such items is included in the cost of fixed assets and accordingly no depreciation is charged thereon.
- An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Type of Assets	Useful Life (in Years)
Land – Freehold	-
Buildings	30
Electrical Installations and Equipments	40
Plant and Machinery	15/22
Furniture & Fixtures	10

Office Equipments	5
Motor Vehicles	8
Computers and Data Processing Units	3

xii. Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less Accumulated amortisation and accumulated impairment losses. Amortisation is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation methods are reviewed at the end of each reporting year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with Indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

xiii. Impairment of assets:

Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amounts. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from sale of the asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to the extent of the carrying value of the asset that would have been determined (net of amortization/ depreciation), had no impairment loss been recognized.

xiv. Pre - paid expenses:

Expenses pertaining to the subsequent period are accounted as "Pre Paid Expenses".

xv. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

xvi. Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

xvii. Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

xviii. Investment In Associates

The investment in associates are carried in the financial statements at historical cost except when the investment is classified as held for sale in which case it is accounted for as non-current assets held for sale and discontinued operations.

Investments in subsidiaries carried at cost are tested for impairment in accordance with Ind AS 28. Any impairment loss reduces the carrying value of the investment.

xix. Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition, the Company makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

xx. Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Other financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

xxi. Cash and cash equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

xxii. Cash Flow Statement

The Cash Flow Statement has been prepared under the "Indirect Method" as set out in the Indian Accounting Standard (Ind AS-7) - Statement of Cash Flow.

xxiii. Financial liabilities and equity instruments**Classification as debt or equity**

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is

recognised and deducted directly in equity. No gain or loss is recognised in statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

xxiv. Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

xxv. Earnings per equity share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods.

xxvi. Critical accounting estimates and judgments

In the application of the Company's accounting policies, the directors of the Company are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

The areas involving critical estimates are:

- Estimation of current tax and deferred tax expense
- Estimation of values of contingent liabilities
-

Estimates and judgment are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

EXPLANATORY STATEMENT (PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013)

Item No. 3 & 4:

Pursuant to the provisions of Section 180(1)(c) of the Companies Act, 2013, the Board of Directors have the powers to borrow money, where the money to be borrowed, together the monies already borrowed by the company (apart from temporary loans obtained from the company's bankers in the ordinary course of business) exceeds aggregate of the paid-up share capital, free reserves and securities premium of the Company, with the consent of the Shareholders of the Company by way of Special Resolution.

At the Extra-ordinary General Meeting ("EGM") of the Company held on 16th March, 2015, the members in terms of the provisions of Section 180(1)(c) of the Companies Act, 2013, had granted their approval by way of a Special Resolution to the Board of Directors, to borrow from time to time, such amounts as they may deem necessary for the purpose of business of the Company, not exceeding Rs. 250 Crores (Rupees Two Hundred Fifty Crores only) over and above the paid-up share capital and free reserves of the Company and in terms of provisions of Section 180(1)(a) of the Companies Act, 2013 to mortgage and/or create a charge on any of the moveable and/or immoveable properties and/or the whole or any part of undertaking(s) of the Company to secure its borrowings up to the limits of Section 180(1)(c).

In view of the increased business activities, keeping in view the future plans of the Company and to fulfill long term strategic and business objectives, it is proposed to increase the borrowing limit to Rs. 400 Crores (Rupees Four Hundred Crores) over and above the paid-up share capital and free reserves and securities premium of the Company, pursuant to Section 180(1)(c) of the Companies Act, 2013 and accordingly, increase the limit for creation of charge to secure the indebtedness pursuant to Section 180(1)(a) of the Companies Act, 2013 upto the aggregate limit passed by the members under section 180(1)(c).

The Board recommends the Special Resolutions set forth in item No. 3 and 4 of the Notice, for the approval of the members.

None of the Directors, Key Managerial Personnel of the Company and their respective relatives are, in any way, concerned or interested, financially or otherwise, in the resolutions set out at Item No. 3 and 4 of the accompanying Notice.

Item No. 5:

The Board of Directors of the Company, on the recommendation of the Audit Committee, at their meeting held on August 24, 2022, approved the appointment and remuneration of M/s. Sanat Joshi & Associates, Cost Accountants (Firm Registration No. 000506), to conduct the audit of the cost records of the Company for the financial year ending March 31, 2023 at a remuneration of Rs. 76000/- (Rupees Seventy Six Thousand) plus applicable taxes thereon and reimbursement of any out-of-pocket expenses.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, as amended, the remuneration payable to the Cost Auditors is required to be ratified by the Members of the Company. Accordingly, consent of the Members is sought for passing an Ordinary Resolution as set out at Item No. 5 of the accompanying notice, for ratification of remuneration payable to the Cost Auditors for the financial year ending March 31, 2023.

The Board recommends the Ordinary Resolution set forth in item No. 5 of the Notice, for the approval of the members.

None of the Directors, Key Managerial Personnel of the Company and their respective relatives are, in any way, concerned or interested, financially or otherwise, in the resolutions set out at Item No. 5 of the accompanying Notice.

Item No. 6:

The Board of Directors, on the recommendation of the Nomination and Remuneration Committee, and pursuant to the provisions of Section 149, of the Companies Act, 2013 ("Act") and other applicable provisions, if any, have proposed the appointment of Ms. Deeptimayee Vidushi (DIN:09807751) as Independent Director (Non-Executive) of the Company.

The Board, based on the background and experience of Ms. Deeptimayee Vidushi, is of the opinion that her association would be beneficial to the Company and it is desirable to avail her services as an Independent Director. Accordingly, it is proposed to appoint Ms. Deeptimayee Vidushi as Independent Director of the Company, not liable to retire by rotation and to hold office for a term of 5 (five) consecutive years on the Board of the Company with effect from December 26, 2022.

Ms. Deeptimayee Vidushi is not disqualified from being appointed as Director in terms of Section 164 of the Act, and has given her consent to act as Director. The Company has also received declaration from Ms. Deeptimayee Vidushi to the effect that she meets

the criteria of Independence as prescribed under Section 149(6) of the Act. In the opinion of the Board, Ms. Deeptimayee Vidushi fulfils the conditions for appointment as Independent director as specified in the Act. Details required in terms of Regulation 36(3) of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, has been annexed hereto forming part of this Explanatory Statement.

The Board recommends the Ordinary Resolution set forth in item No. 6 of the Notice, for the approval of the members.

None of the Directors, Key Managerial Personnel of the Company and their respective relatives are, in any way, concerned or interested, financially or otherwise, in the resolutions set out at Item No. 6 of the accompanying Notice.

Item No. 7:

Mr. Vijay Shrishrimal was appointed as Chairman & Managing Director of the Company with effect from December 07, 2021, to hold office for a term up to December 06, 2026. The terms of appointment and remuneration were approved by the Members vide resolution passed at the Extra-ordinary General Meeting of the Company held on December 07, 2021. Further, the members had authorized the Board to alter and vary the terms and conditions including remuneration and incremental thereof, from time to time, but such remuneration payable shall be within the limits specified in the Section 197 and other applicable provisions of the Companies Act, 2013 ('the Act').

In recognition of the leadership and strategic guidance provided by Mr. Vijay Shrishrimal to the Company over the last couple of years, the Board of Directors, on the recommendation of the Nomination and Remuneration Committee have, at the meeting held on March 30, 2022, approved revision in the terms of remuneration payable to Mr. Vijay Shrishrimal in accordance with the provisions contained in Section 196, 197, 198 and 203 of the Companies Act, 2013, subject to the approval of Members of the Company at the ensuing general meeting.

In this regard, it is proposed to revise the overall remuneration limit for Mr. Vijay Shrishrimal from the existing limit of Rs. 84,00,000 (Rupees Eighty Four Lakhs only) per annum to Rs. 1,20,00,000 (Rupees One Crores Twenty Lakhs only) per annum. Apart from the revision in terms of remuneration stated in the resolutions at Item No. 7, the other terms and conditions of appointment of Mr. Vijay Shrishrimal, as previously approved by the shareholders at the Extra-ordinary General Meeting of the Company held on December 07, 2021, shall remain unchanged and continue to be effective.

Details required in terms of Regulation 36(3) of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, has been annexed hereto forming part of this Explanatory Statement.

The Board recommends the Ordinary Resolution set forth in item No. 7 of the Notice, for the approval of the members.

Except Mr. Vijay Shrishrimal, none of the Directors, Key Managerial Personnel of the Company and their respective relatives are, in any way, concerned or interested, financially or otherwise, in the resolutions set out at Item No. 7 of the accompanying Notice.
