Caution regarding Forward-Looking Statements

We have used a few forward-looking (futuristic) statements throughout the report solely to articulate our future growth prospects and to exemplify our intended milestones. However, the actual results may vary from the forward-looking statements as the business is subject to a number of risks and uncertainties according to the market scenario. For reader's reference, we have used words like 'anticipate', 'estimate', 'expect', 'project', 'intend', 'plan', 'believe' and words of similar nature to signify every forward-looking statement. We do not guarantee that these statements will stand true, but we believe that these are backed up by prudent assumptions. The achievement of the result may vary due to risks, uncertainties and inaccurate assumptions. If in case, certain unforeseen risks or uncertainties dominate the market or any of the assumptions proved erroneous, then the final result may vary exponentially with respect to the anticipated, estimated or projected result. Thus, the readers should bear this in their mind. We undertake no obligation to update any forward-looking statements publically, if there is any change in future events, there is new information, or whatsoever.

Sustenance Through Leadership

Create a way where you can't find one and stay ahead of the curve – the Omaxe mantra to build, sustain and grow. At Omaxe, we have always believed in charting our own path, taking risks, setting benchmarks and sustaining through leadership.

Over the last more than three decades, we at Omaxe have been taking strides that have been away from league, involved risks but had a vision to lead. The vision behind our success mantra has been to set our own course. Started as third party construction contracts entity in 1987, it was a major leap for us to develop our own projects. Today, our ratio of real estate portfolio has increased to 75% of the total deliveries. We were among the pioneers in launching super premium luxury projects when we diversified into real estate development in 2001 with The Forest in Noida; NRI City, an integrated township in Greater Noida, The Nile in Gurgaon. After showing the way and setting the trend for a high-quality luxury lifestyle with community living in a secure environment in NCR, the Company ventured into tier II/III cities in 2005. These centres would go on to become the future engines of growth and employment akin to metro cities was foretold by our CMD Mr. Rohtas Goel under whose visionary leadership the Company ventured into tier II/III cities with a mission to transform the lifestyle and landscape of these cities and contribute to their socio-economic development.

The Company forayed into cities like Lucknow, Indore, New Chandigarh, Jaipur, Allahabad, Vrindavan, Ludhiana, Bahadurgarh, Faridabad, Sonapat to name a few with a wide range of residential and commercial projects catering to the every income segment. In the last decade or so, the company has earned leadership position and brand equity in these cities and continue to expand its projects and keep offering new and innovative products, thereby solidifying its numero uno position. In 2019, the Company has set yet another trend in commercial redevelopment project with the launch of its project Omaxe Chowk in Delhi where a new-age & modern, safe and clean organised retail spaces will be created in an established marketplace of Chandni Chowk, Asia's largest wholesale and retail destination.

As an organization, we are content to have attained success in our far-sighted initiatives and setting benchmarks in our industry. Our success has its reflection in our consistent financial performance, creating stakeholder value and earning the trust of our customers.

We believe that it is imperative to keep inventing and taking risk and to not only sustain but rather set newer paths for our entire eco-system.

Leadership through geographical diversification

Omaxe was among first players, back in 2005, when we decided to take the big city real estate experience to Tier II & III cities/ towns. This was not just an attempt to develop business but to develop these future growth hotspots and provide heightened living standards in these cities. Since then, we have never looked back and instead solidified our position thereby proving this strategy to be the pillar of our success. Today, Omaxe is proud to have contributed in development of many new upcoming growth areas of India's landscape like New Chandigarh, Lucknow, Indore, Sonapat, Faridabad, Ludhiana and Bahadurgarh.

Leadership through amplifying retail

Over the years, Omaxe has developed a strong portfolio of Retail assets. More than that, Omaxe is proud of providing excellent spaces for people to eat, shop and enjoy in and around the developing residential townships for ease of living apart from other standalone commercial projects. The Omaxe journey of creating impactful commercial spaces started with commercial projects in Greater Noida, Gurgaon, Delhi and later on in tier 2/3 cities of Ludhiana, Lucknow, Patiala, Indore, Faridabad etc. Omaxe's commercial portfolio comprises 11 operational and multiple ongoing malls, offices and SCOs.

With several commercial projects under development in tier 2/3 cities of New Chandigarh, Lucknow, Ludhiana, Amritsar and two of the most iconic and revered commercial projects in NCR – Omaxe World Street, one of the largest themed shopping destinations, partially operational in Faridabad and Omaxe Chowk, a multi-level parking cum commercial project, under construction in Chandni Chowk, Delhi, the company is slated to take a giant leap and usher a new era of shopping and entertainment in the coming years owing to their strategic location, quality of construction and insightful design & development. Our success trail is all built on customer trust and love.

Some such landmark projects include following:

Leadership through customer empowerment with wider product range

We believe that it's never like one size fits all and we have imbibed our own learnings from this aspect of consumer insight. We set out to develop integrated townships that not just encompasses a variety of product offerings from plots to villas, floors, group housing, commercial spaces but also lifestyle amenities like club, swimming pool, restaurants, medical facilities, shopping centre, indoor and outdoor sports, open and green spaces, safety and security. With COVID-19 pandemic bringing about a transformational shift in homebuyers' preference, the swift of homebuyers and investors have off late moved to owning large and self-sustainable living spaces.

Omaxe has developed more than 45 integrated townships, group housing and commercial projects that have redefined high quality living and shopping in the last 33 years with projects in Lucknow, Indore, Noida and Greater Noida, New Chandigarh, Ludhiana, and Faridabad amongst others. With more than one lakh smiles and with 21 ongoing projects, Omaxe is set to take a giant leap with newer and innovative products that will not just fulfil the housing needs but also provide an aspirational and luxurious living and shopping experiences.

This strategy of ours has not only helped our consumers with a variety of options to choose from but at the same time has helped us weather business challenges in dynamic business environment.

Product Portfolio:

Integrated and hi-tech townships: Plot, villa, floor, group housing, SCO, commercial complex, hotels, entertainment

Group Housing: Luxury and affordable Apartments; and Penthouses

Commercial: SCO, booths, commercial complex, serviced and studio apartments, hotels, entertainment

Leadership through building stakeholder value

Over the last more than three decades, Omaxe has stayed committed and focused on consistently building greater stakeholder value. We have always invested in core fundamentals and foundation of the organization as base for year-by-year consolidating sustainable growth.

We have seen all ups and downs of Indian economy and Indian real estate over these more than 30 years. Omaxe stood its ground firmly even amid the most comprehensive phase of structural changes to the industry. We stood the test of time when industry faced challenges from De-monetization, RERA implementation, GST roll-out and even the COVID-19 pandemic. The company has delivered 123.44 million sq. ft. as on March 2020. The turnover of the Company stood at Rs 1,160 Crores (For FY 19-20) and NetWorth at Rs 1,639 Crores (As on March 2020).

From The Desk of Rohtas Goel

Dear Shareholders,

"The road may be rough, the journey may be tough, and the experience may be bitter, but they are stepping stones to our future throne." In our history of 33 years, Omaxe has delivered sustainable growth from a modest start by facing the challenges head-on with this resolve and philosophy. The last few years have been particularly testing for the real estate sector and the Company due to the seismic shifts in regulations, economic conditions, and sectoral dynamics. However, the Company has emerged much stronger and performed superlatively vis-a-vis its peers. The main credit goes to its mantra of "Consolidate, Adapt, and Transform" in the face of these trials.

The macro-economic environment remained demanding even in FY 2019-20. The industry saw some pickup in residential sales and launches in the initial part of the financial year. However, the subsequent economic slowdown and the impact of pandemic in the last quarter once again put paid to the hopes of a recovery in the sector's fortunes. The Government along with the RBI have been extending full support to the real-estate sector with legislative, administrative and monetary measures including a stimulus package to counter the impact of COVID-19 linked lockdowns. This situation, however, did not affect the consistent track record of the Company as one of the very few operationally profitable companies in the sector.

The Company's FY2019-20 turnover was Rs. 1160 crore and Profit Before Tax was Rs. 44.3 crore. The Profit After Tax for the reported year would have been Rs. 25.77 crore, excluding the impact of the deferred tax asset reversal of Rs. 122.91 crore due to change in Income Tax policy for all but three group companies. Hence, the Company has been successful in sustaining its operating performance even in the face of macro headwinds. Omaxe sold a total of 8.26 million square feet area worth Rs 2145 crore in FY 2019-20. The average realization for the financial year was Rs 2912 per square feet for residential, Rs 8382 per sq. ft. for commercial and Rs 8919 per sq. Yd. for plotting. The total area under development touched 48.52 million square feet out of which roughly 8 million square feet is expected to be delivered in FY2020-21. We have invested time and resources in developing in-depth local knowledge at the micro-market level which has helped us plan and execute our projects better than our peers.

On the new launches and fresh bookings in the coming financial year, the first quarter will be challenging due to the lockdown and prolonged persistence of the Coronavirus. However, a foreseeable recovery led by the pent-up demand in tier 2/3 cities is likely to boost the Company's performance in conjunction with its stellar brand reputation, strong balance sheet, and quality project pipeline. Also, the foresight to understand the market shift towards the Tier II and Tier III towns would continue to hold us in good stead. The Central Government's push to develop these alternate urban centers by pushing investments in "Ease of Living" infrastructure such as Sanitation, Water, Transport, and Utilities is a significant growth driver. This would be aided by the Work-From-Home trend and reverse migration to these towns due to pandemic. The lowering of interest rates and support to lending growth by the Reserve Bank of India will amplify the thrust from supportive government policies. Our presence across diversified geographies and focus on product planning as per local and cultural requirements of the city and the residents helps us get exceptional response to our launches. On the commercial front, while office spaces in metros may take a couple of years to recover, the retail segment with 2-3 years delivery timeline continue to be a good investment bet. The pandemic has aided the idea of organized shopping in an established marketplace. Omaxe Chowk in Chandni Chowk, Delhi is a recent example of how this commercial redevelopment project in Asia's largest wholesale and retail hub has seen encouraging demand from businesses and brands and enthusiasm from shoppers. This will set a trend in the times to come!

To conclude, we have faith in our abilities to overcome adversities and in the goodness of what the future holds. And this is primarily due to the dedication and commitment shown by our stakeholders towards Omaxe for which we remain indebted. We thank our investors, bankers, partners, suppliers, employees, and customers for preserving this trust on us and hope all have a safe, healthy, and a fruitful year ahead!

Best regards,

Rohtas Goel

MANAGEMENT DISCUSSION AND ANALYSIS

GLOBAL ECONOMY

The Global economy continued its sluggish pace of expansion in the year 2019 due to adverse factors that started impacting business activities from the second half of 2018. Heightened tensions between the United States and its trade partners, especially with China, continued to affect the global trade. The manufacturing sector, which was reeling from new emissions standards related adjustments in the auto sector, inventory build-up, and a lacklustre tech sector, was also affected by the weakening of demand. The overall growth was further affected by the internal dynamics weighing on the domestic economic activity in developing economies of Mexico, India, and South Africa in the second half of the year. While the global trade and slowdown in manufacturing had seemed to have bottomed out towards the end of 2019, Coronavirus pandemic put a spanner in the growth prospects for 2020. By Q2 of 2020, the severity of the impact of pandemic was visible in the form of a recession. The world economy was expected to decline by 4.4% in 2020 as against a growth of 2.8% in 2019 and 3.5% in 2018.

[All figures as per the International Monetary Fund's (IMF) World Economic Outlook report of October 2020.]

INDIAN ECONOMY

In the financial year 2019-20, the Indian economy fell from its position as the world's fastest-growing large economy. The GDP growth slipped to 4.2% from 6.1% in FY2018-19. The slump in domestic demand and private investment continued to exacerbate after the default crisis in the Non-Banking Financial sector. The current account deficit reduced from 2.1% in the previous year to 0.9% of the GDP in FY2019-20. The country saw its first quarterly current account surplus

The Lake, Omaxe New Chandigarh
3D Rendered Image

India Trade Tower, Omaxe New Chandigarh
(Actual Picture)

in the last 13 years during the fourth quarter as imports fell at a faster pace due to a slowing economy. Inflation inched up during the year with the annual Consumer Price Index for FY2019-20 rising to 4.8% from the 3.4% level seen in the preceding financial year. The Reserve Bank of India reduced policy rate from 5.75% to 4.4% in tranches during the financial year, and by another 40 basis points in FY2020-21.

The condition of the Central Government's finances also worsened due to a jump in fiscal deficit to 4.59% of the GDP as against its revised target of 3.8% due to slower pace of economic growth affecting revenue collection. The Coronavirus pandemic led to a hard stalling of economic activity as the Government implemented a severe lockdown, travel and trade restrictions, and social distancing measures. Growth in the last quarter of the FY2019-20 was severely affected due to the lockdown towards the end. However, the greater concern was for the coming year when the economy was projected to see a contraction by 10.3% (Source: IMF). The GDP growth was predicted to bounce back to 8.8% in the FY2021-22. The country continued its progress in the World Bank's Ease of Doing Business rankings during the year when it secured 63rd rank after jumping to 77th in the previous year from 100th rank in the 2018 rankings.

REAL ESTATE SECTOR

The Real Estate sector in India commands high importance in the Government's agenda due to its position as the second-largest employer after agriculture. This is reflected in

the series of reforms that the Government has rolled out for the sector over the last few years to improve formalization, increase customer-centricity, reduce regulatory complexities, minimize compliance costs and taxation, and enhance access to capital. However, the overhang of inventory, a demand crisis, lack of funding, and past practices has resulted in the sector lagging in growth. A positive side to this predicament is the separation of wheat (large, adequately funded, and trusted brands) from the chaff (fly-by-night, low quality, poor delivery on commitments, smaller builders) through consolidation and increased formalization.

After promulgating momentous reforms such as Real Estate (Regulation and Development) Act (RERA), Insolvency and Bankruptcy Code (IBC), Benami Transactions (Prohibition) Amendment Act, and Real Estate Investment Trust (REIT), the Government has also provided sops to the industry in the form of:

- Infrastructure status to Affordable Housing
- Tax subsidy to Affordable Housing
- Lower Goods and Services Tax (GST)
- Credit Linked Subsidy Scheme on Interest Outflow for Middle- and Lower-Income Groups to help them reduce borrowing cost for purchasing residences
- Short-term reductions in stamp duty post-COVID
- An outlay of Rs 26000 crores for urban housing projects (announced in two tranches) that are stuck due to lack of funding to create jobs in the post-COVID scenario
- Allow the sale of primary residential units up to Rs 2 crores below circle rates up to 20% variance (as against 10% allowed previously) for Income Tax purposes

- Extension of Emergency Credit Liquidity Guarantee Scheme to stressed sectors including Real Estate that will cover MSMEs with credit outstanding of up to Rs 500 crores as on February 29, 2020. Under the scheme, an additional 20% of the total outstanding loans as on February 29, 2020, would be provided by the banks and NBFCs without any collateral at capped interest rates
- Direct approval of 100% Foreign Direct Investment (FDI) in township and settlement development projects
- Full tax exemption on interest, dividend, and capital gains income of sovereign wealth funds from investments in infrastructure projects including affordable housing

These are in addition to the 'Housing for All by 2022' scheme and heavy investments in social infrastructure to improve 'Ease of Living' that have benefitted the real estate sector directly.

Indian Real Estate sector is projected to cross US\$ 1 trillion by 2030 from US\$ 120 billion in 2017 in market size and claim a share of 13% in the country's GDP by 2025. Indian Real Estate sector will witness 19.5% CAGR from 2017 to 2028 in terms of size. The industry encompasses four main sub-sectors – Residential, Commercial-retail, Commercial-office, and Hospitality. Investments into the sector totalled Rs 43,780 crore (US\$ 6.26 billion) in the year 2019 of which US\$ 5 billion was from Private Equity (PE) flows. Nearly 2/3rd of the PE flows was invested in the Commercial segments of which the retail segment pulled around US\$ 1 billion in 2019. Institutional investment in the sector slowed down to US\$ 712 million during the quarter ended March 2020 as the pandemic clouded the outlook for the Commercial-office segment especially. Over the years between 2015 and Q3 2019, the sector has drawn around US\$ 14 billion from international PE funds. (Source for all data in this paragraph: IBEF)

Cassia, Omaxe New Chandigarh
(Actual Picture)

Performance of the Real Estate sector saw a declining trend during the FY2019-20 when it started on a positive note in the initial quarter and then weakened due to broader economic slump and finally on account of the COVID-19 pandemic. This was true for all the segments, including the office segment, which was growing consistently in the last few years. Emerging segments such as Co-working and Co-living also suffered setbacks during the year.

Chief impacts of COVID-19 pandemic other than pullback of demand on account of cautious consumer sentiments were:

- Disruption in raw material supply chains
- Migrant workers heading back home meant the availability of labour was a challenge
- Increased costs due to the implementation of safety and social distancing measures
- Reduction in lease rentals (residential and commercial) due to a decrease in demand, Work-From-Home from any location, and job losses
- Reverse migration to smaller towns and cities to drive growth in demand for quality residential stock
- Large-scale retail formats affected due to severe lockdown restrictions, social distancing norms, and reduction in footfalls
- Expected rise in preference for branded residential units and township projects as they would offer a safer environment

RESIDENTIAL

Annual Residential Segment Performance (Source: Real Estate Intelligence Service (JLL), 2019)

Period	2019	2018	Growth
Launches (Units)	136,998	159,452	-14%
Sales (Units)	143,923	136,273	6%
Unsold Inventory (Units)	442,228	449,153	-2%

As the macro-economic scenario worsened in 2019 with a slump in GDP growth and increasing inflation, the consumption expenditure remained muted. However, the Residential segment showed resilience where the sales exceeded launches for the first time after 2016.

Quarterly Residential Segment Performance (Source: India Real Estate Market Update Q1 2020: Residential by JLL)

Period	Q1 2020	Q1 2019	Growth
Launches (Units)	40,574	39,330	3%
Sales (Units)	27,451	38,628	-29%
Unsold Inventory (Units)	455,351	449,855	1.2%

The cautious optimism of sales growth in 2019 meant the launches in the first quarter of 2020 saw an increase on a YOY basis before coming to a halt due to pandemic. The buyers however deferred purchases due to impending uncertainty on account of pandemic and deteriorating economic outlook resulting in a steep fall in sales.

Annual Office Segment Performance (Source: India Real Estate Market Update 2019: Office by JLL)

Period	2019	2018	Variance
Net absorptions (million square feet)	46.5	33.2	40%
New completions (million square feet)	51.6	35.7	45%
Vacancy (%)	13%	13.5%	-0.5%

Sustained demand for Grade A office space from IT, ITeS, BFSI and Co-working sector notwithstanding the broader economic environment and consumer demand slump, meant that the Office segment saw a historically high performance with a big rise in both absorptions and completions. Key markets here remained Bengaluru, Delhi-NCR, and Hyderabad.

performance was expected to continue in 2020 along with a decline in rental yields and an increase in vacancies due to the severe impact of COVID-19 lockdown restrictions on organized retail players.

Quarterly Office Segment Performance (Source: India Real Estate Market Update Q1 2020: Office by JLL)

Period	Q1 2020	Q1 2019	Variance
Net absorptions (million square feet)	8.6	12.3	-30%
New completions (million square feet)	8.6	14.3	-40%
Vacancy (%)	12.8%	13.3%	-0.5%

Re-evaluation of office space needs due to the pandemic meant a steep decline in net absorption levels in the first quarter of 2020 and corresponding pause in completion of new properties. Completions were also affected by delays in Government approvals and obstructions in construction activity in terms of supply chain and labour availability.

Annual Retail Segment Performance (Source: Indian Real Estate in 2019 by Anarock)

Period	2019	2018	Variance
Retail Leasing (million square feet)	3.6	5.5	-35%
Vacancy (%)	14%	15%	-1.0%

While the Organized Retail sector was set to grow from 12% in 2019 to 25% in 2024, sizeable reductions in consumer spending due to weak economic performance and slowing investment cycle resulted in new leasing activity for the retail sector decreasing by a substantial 35% in 2019. Similar

BUSINESS OPERATIONS

Omaxe Limited has established itself as one of India's premier listed real estate company with presence across 27 cities in 8 states. The Company is part of the real estate leader table in several states including Delhi, Haryana, Uttar Pradesh, Madhya Pradesh, Punjab, and Rajasthan, among others. In addition to executing its own real estate projects of various types such as Residential, Commercial, Hospitality, Integrated Townships, Hi-tech Townships, the Company has also delivered third-party construction contracts. The total area delivered up to March 31, 2020, was 123.44 million square feet out of which 91.64 million square feet were across own real estate projects and remaining 31.80 million square feet as a third-party contractor. The work done by the Company caters to multiple customer segments and use-cases from affordable housing for the Lower Income Group and Middle Income Group to luxury projects for High Net-worth Individuals (HNIs) and Non-Resident Indians to best-in-class office facilities to public infrastructure development contracts to mix-use large scale township developments and many more. The number of ongoing projects as on March 31, 2020, was 21 with 5 group housing, 9 townships, and 7 Commercial Malls/ Hotels/ SCOs/ Offices.

Omaxe has been a pioneer in some of the Tier-II and Tier-III cities for delivering high quality, branded, hi-tech residential, commercial, and township projects. It has also contributed

significantly to the emergence of some peripheral locations of major cities by investing in projects ahead of others. The Company's performance in FY2019-20 was commendable under the prevailing scenario where it sold 8.26 million square feet of space worth Rs 2145 crore. Out of this, Residential projects accounted for 7.35 million square feet worth Rs 1381 crores and Commercial project accounted for 0.91 million square feet worth Rs 764 crores.

The average realization for the financial year was Rs 2912 per square feet for residential, Rs 8382 per sq. ft. for commercial and Rs 8919 per sq. Yd. for plotting – all higher than FY2018-19. The top three contributors to the new bookings completed in the reported year were projects in New Chandigarh, Lucknow, and Faridabad.

NEW LAUNCHES AND SALES DURING FY2019-20

Given the macro scenario, the focus of the Company has been on delivering existing projects and exploring development potential through expansion of existing projects. The number of new project-launches in FY2019-20 covered a total saleable area of 3.5 million square feet across 15 projects spread across 8 cities out of which residential projects accounted for 49% in value terms.

City-wise distribution of new launches and sales was as follows:

City	New Launches in FY2019-20 (million square feet)	Bookings in FY2019-20 (million square feet)
New Chandigarh	1.12	0.326
Lucknow	1.15	0.643
Faridabad	0.40	0.098
Allahabad	0.227	0.14
Indore	0.299	0.24
Delhi	0.341	0.047
Other projects	0.021	0.021

FINANCIAL PERFORMANCE

Notwithstanding the industry performance, the Company managed to sustain its operating performance. While it reported loss at the Profit after tax level due to a one-off adjustment in the Income Tax policy, the EBITDA improved by an impressive margin due to the Company's measures to tighten costs. It ended the year with a Net Worth of Rs 1638.63 crores.

(Rs in crores)

Particulars	FY 2019-20	FY 2018-19
Total income from operations	1155.63	1200.24
EBITDA	225.23	161.86
Profit before tax	44.26	78.56
Profit after tax	-97.14	48.65

Total Income from Operations: The total income of the Company on a consolidated basis during Financial Year 2019-20 stood at Rs.1155.63 crores, down marginally by 3.72% as compared to the Rs. 1200.24 crores in Financial Year 2018-19.

EBITDA: For FY2018-19, the EBITDA stood at Rs 161.86 crores which jumped to Rs 225.23 crores in FY2019-20 due to better construction cost and administrative expenses management because of operating efficiency improvement initiatives. EBITDA margin improved from 13.49% to 19.49%, a jump of 6%.

Profit before tax: The Profit before tax for FY2019-20 was Rs 44.26 crores as compared to Rs 78.56 crores in FY2018-19. PBT margin declined from 6.55% to 3.83% in FY 2019-20 on account of the increase in finance costs and depreciation.

Profit after tax: Profit after tax for FY2019-20 showed a loss of Rs 97.14 crores as against a profit of Rs 48.65 crores in the previous year. This was owing to a reversal of deferred tax assets amounting to Rs. 122.91 crores on account of the Company opting to move to the new Income Tax policy for all but three of its entities. Without this one-off impact, the Profit after tax would have been Rs. 25.77 crores.

KEY CHANGES IN FINANCIAL RATIOS

The reasons that have impacted and led to a significant movement in financial ratios have been stated below for the information of the shareholders.

Parameter	FY 2018-19	FY 2019-20	Change	Explanation
Debtor Turnover	3.23	2.04	> 25%	The Company has maintained the DSO at the end of FY2019-20 at 111 days as compared to 110 days at the end of FY2018-19. The movement in the debtor turnover ratio is on account of high levels of starting debtors in FY2018-19 that suppressed the debtor turnover ratio in that year.
Inventory Turnover	0.13	0.17	< 25%	-
Interest Coverage Ratio	1.41	2.06	> 25%	Increase in finance costs and depreciation over the previous year resulted in a reduced interest coverage ratio in FY2019-20.
Current Ratio	1.23	1.25	< 25%	-
Debt Equity Ratio	0.91	1.07	< 25%	-
EBITDA margin %	19.49%	13.49%	> 25%	Improved operating efficiencies leading to a reduction in direct and administrative costs led to 6% jump in EBITDA margin in FY2019-20.
Net Profit Margin %	-8.41%	4.05%	> 25%	Higher finance costs, depreciation, and mainly the reversal of deferred tax assets due to opted change in applicable Income Tax policy led to the substantial decline in net profit margin.
Return on Net Worth %	-5.93%	2.80%	> 25%	Higher finance costs, depreciation, and mainly the reversal of deferred tax assets due to opted change in applicable Income Tax policy led to the loss at net profit level and a significant reduction in the return on net worth.

KEY STRATEGIES

The strategic and tactical actions of the Company that have brought it the success have remained consistent over the years. The critical underlying mantra is to read the changes in the market early and better than the competition and take the necessary steps to lock-in the advantage. Broad-level strategies that have proven to be the best for it are described below.

Strategic Land Acquisitions: Success in the real estate industry is tightly linked with the right land and location, as they determine the project economics and attractiveness for customers. Omaxe has invested focused efforts in finding land, mainly in Tier-II and Tier-III cities and select micro-markets in larger cities, ahead of the curve by foreseeing the future potential. The clear strategic focus on the smaller towns helped it secure an early mover advantage that has helped lock-in prime land at attractive valuations that gives the Company flexibility to either price at a premium or competitive prices as compared to the competition. This approach has been balanced by simultaneously selling-off land from the bank in non-strategic locations to improve

capital allocation.

Deep Capabilities in Tier-II and Tier-III Cities: Omaxe foresaw the stagnation and overcapacity in the bigger markets vs growth and rising aspirations in the smaller markets well ahead of the competition. The Company's resulting shift towards the Tier-II and Tier-III cities has helped gain a competitive edge in these centres, and allow it the flexibility to define the terms as an organized large player vs mainly local unorganized builders in those cities at the time. The Company has deployed this strategy in the North and Central Indian cities. It continues to believe in the approach as the Government schemes and various other factors are pushing up economic growth there.

Diversified Product Mix: The Company has constructed residential, commercial, hospitality, integrated townships, and hi-tech townships. Within these segments as well, the Company caters to a spectrum of customer needs, including sale models covering the outright sale, commercial lease, operating lease for hotels, etc. This diversified mix helps the Company focus or defocus on a specific product type in line with the market movements and mitigate the financial

impact. The company has identified the scope and potential for commercial redevelopments and organised retail in metro cities as the future engine of growth for the company and Omaxe Chowk in Delhi is a step in that direction. The Company has a specialisation in executing large sized projects and the recent developments arising out of the pandemic which has resulted in walk-to-everything in a township as a preferred mode of housing for homebuyers is another area where the company will endeavour to expand and innovate.

Focus on Customers and Quality Delivery: Omaxe's growth and brand value have been built on its values of 'Customer First', 'Commitments Fulfilled' and 'Superior Quality Always'. The Company believes these values go a long way in delivering a superlative purchase experience and long-term customer satisfaction. For a serious player in the real estate sector, these are critical success factors that need a dedicated and steadfast approach to deliver on these values consistently and continuously. It also has a robust grievance redressal mechanism where the customers can reach them through off-line and on-line modes in the event of any issues. In dealing with the customers, the Company has also made sure it sincerely complies with the customer-focused stipulations in RERA.

Strong Balance Sheet: The financing of projects has been a major stress area for the sector, but Omaxe has concentrated on ensuring timely servicing of debt and clean balance sheet to remain successful in tying up funding for new projects. The efforts in the last few years have also been directed towards reducing the debt on the balance sheet to the best extent possible.

OPPORTUNITIES

The housing sector is expected to get a boost from the extension of the Credit-Linked Subsidy Scheme (CLSS) up to March 2021 for the affordable and middle-income housing segment. Also, measures such as the reduction in the repo rate to 4% by the RBI, reduction in stamp duty implemented by a few states etc. have made purchasing a home more attractive.

The central government in its economic package which was announced post lockdown had put aside Rs. 81 billion (USD 1.1 billion) for providing viability gap funding up to 30% of the total project cost for social infrastructure projects. This measure will make additional markets in Tier-II and Tier-III cities more attractive for real estate development. There are likely to be many opportunities for PPP projects such as the one in Multi-level Car Park project in Chandni Chowk, New Delhi named Omaxe Chowk.

The key trends post-pandemic that will uplift the sector include:

- Reverse migration to Tier-II and Tier-III cities leading to a surge in demand for quality housing from big-name, credible builders.
- Jump in preference for integrated township projects which will offer constrained, sanitised and open living with all facilities inside a perimeter.
- Commercial redevelopment projects and organised retail in an established marketplace will drive future growth in the retail real estate segment.
- Consolidation in favour of organized and branded players with opportunities to take over quality smaller & mid-sized companies or projects facing funds crunch.

THREATS, RISKS, AND CONCERNS

The reduction in repo rates and cash reserve ratios by the RBI is expected to increase the lending by banks. However, the cautious approach by public sector banks due to high NPAs, restrictions on lending to real estate sector, and other such roadblocks mean an actual uptick in the availability of capital to the industry may be limited, or the cost of funds

may be higher. With the end of pandemic not in sight and universal vaccination not a possibility in the immediate future, the economy may continue to remain affected despite the lifting of lockdowns and other restrictions. The shift to Work-From-Home model and social distancing measures may become entrenched and lead to a decline in demand for office spaces.

INTERNAL CONTROL SYSTEMS

The Company's Internal Control Systems are attuned to the dynamics, volume, and complexity of all the business transactions and resources involved in its complete operations. They are designed to ensure accurate and reliable financial information with proper records and safety of the Company's assets, along with highlighting financial risks, if any. The Company has put in place processes and controls to ensure compliance with all the laws and regulations at the corporate and project levels. A trained and capable internal audit team conducts regular audits to check compliance, ascertain lapses, and deficiencies in control systems, and highlight misconduct. Statutory and Internal Audit by reputed CA firms are also done regularly as per mandated timelines and procedures, and findings reported to the board, investors, and regulators.

HUMAN RESOURCES

The Company always focuses on the nurture and growth of its single most significant asset, the human capital. The care for its employees begins with the creation of an encouraging and motivating work environment that creates a feeling of belongingness and ownership. Omaxe practices open communication to ensure that the team members are aligned with the Company's goals, objectives, and policies. It invests in training to enhance capabilities of its staff, employee engagement activities and reward and recognition programs to keep them motivated and offer them challenging opportunities for career growth. An inspired and committed workforce is essential for delivering a superlative customer experience and achieving the Company's business goals. It has, therefore put in place the necessary Human Resource

management practices to achieve this people goal.

The total strength of Team Omaxe as on March 31, 2020, was 888 full-time employees.

CORPORATE SOCIAL RESPONSIBILITY

Omaxe has always remained true to its duties and responsibilities as a diligent Corporate Citizen. It has endeavoured to stay ahead of its social obligations by supporting multiple causes through specific initiatives. Not only does the Company deploy its monetary and other resources in pursuing these initiatives, but it also encourages its employees to wholeheartedly participate in them to foster a sense of collective satisfaction of having made a difference. The Company conducts its activities of Corporate Social Responsibility directly and/or through an Education Trust, i.e. "Omaxe Foundation", a Not-for-profit organization. The causes that it focuses on are environment, education and skill development, girl child development, preventive healthcare, rural development and a few other initiatives to uplift marginalized sections of the society. During FY 2019-20, Omaxe continued its CSR related activities with the major activity being Skill Development by providing training under National Employment through Apprentice Programme (NETAP) and Plantation of trees & plants for ecological conservation.

OUTLOOK

The outlook for Omaxe is cautiously optimistic. With the Indian economy expected to slightly bounce back in the second half of FY2020-21 after lifting of lockdown and pandemic related restrictions and reforms and support package announced by the government, the macro environment was also expected to turn positive and encouraging. The scenario for the sector is believed to be upbeat based on the booking data trend and new launches as seen in the market and with the Company. With its top-performing projects such as New Chandigarh, Lucknow, Faridabad, Amritsar, Ludhiana, and Indore, and PPP opportunities in Tier-I cities, the project pipeline for the Company is robust.

Accordingly, consent of the Members is for confirmation and ratification of the remuneration payable to the Cost Auditors for the FY 2020-21.

The Board recommends the Resolution as set out at item No.6 for approval of Members to be passed as an Ordinary Resolution.

None of the Directors, Key Managerial Personnel of the Company and their relatives are in any way, concerned or interested, financially or otherwise, in this transaction.

ITEM NO. 7**PRIVATE PLACEMENT OF SECURED / UNSECURED / REDEEMABLE/ NON-REDEEMABLE/ CONVERTIBLE/ NON-CONVERTIBLE / LISTED/UNLISTED AND/OR OTHER SECURITIES UNDER SECTION 42 AND 71 OF COMPANIES ACT, 2013**

The Members may take note that in order to augment long term resources for financing the ongoing capital expenditures and for general corporate purposes, the Board may, at an appropriate time, offer /make an invitation to subscribe to secured / unsecured / redeemable/ non-redeemable/ convertible/ non-convertible / listed/unlisted and/or other securities as it may deem fit, in one or more tranches / series upto Rs. 500 Crore.

Further, pursuant to the provisions of Section 42, other applicable provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, SEBI (Issue and Listing of Debt Securities) Regulations, 2008, SEBI (Issue and Listing of Debt Securities) (Amendment) Notification, 2012, 2014 and 2015 and other

SEBI Regulations and Guidelines, if applicable, a Company offering or making an invitation to subscribe to secured / unsecured / redeemable/ non-redeemable/ convertible/ non-convertible/ listed/unlisted and/or other Debt Securities (hereinafter referred to as "Securities") required prior approval of the Members by way of a **Special Resolution**.

After such Special Resolution, an invitation for said Securities can be made during the year, therefore it is proposed to offer or invite subscriptions for said Securities, in one or more tranches, as the Board may deem fit, for an aggregate amount of Rs. 500 Crore (Rupees Five Hundred Crores only) or its equivalent in any other currency, with authority to the Board to determine the terms and conditions as referred in the Resolution, including the Nominal value / issue price, interest, repayment, redemption, utilization, security, listed and / or otherwise, as it may deem expedient and to do all such acts, deeds, matters and things in connection therewith and incidental thereto as the Board in its absolute discretion deems fit, without being required to seek any further consent or approval of the Members. Hence, the said resolution shall be an enabling resolution.

Accordingly, the approval of the Members is being sought by way of a Special Resolution under Section 42 & 71 of the Companies Act, 2013 and the Rules framed thereunder for issuance of the aforesaid Securities.

The Board recommends the Resolution as set out at item No.7 for approval of Members to be passed as Special Resolution.

None of the Directors / Key Managerial Personnel of the Company or their respective relatives is, in any way, concerned or interested, financially or otherwise, in the proposed Resolution.

ITEM NO. 8**ISSUE, OFFER AND ALLOT EQUITY SHARES, GDRS, ADRS, FOREIGN CURRENCY CONVERTIBLE BONDS, CONVERTIBLE OR NON CONVERTIBLE DEBENTURES AND SUCH OTHER SECURITIES**

This Special Resolution contained in the Notice relates to a resolution by the Company enabling the Board to create, issue, offer and allot Equity Shares, GDRs, ADRs, Foreign Currency Convertible Bonds, Convertible or Non Convertible Debentures, Preference Shares convertible into equity Shares and such other securities as stated in the resolution (the "Securities"), including by way of a qualified

institutions placement in accordance with Chapter VIII of the SEBI ICDR Regulations, in one or more tranches, at such price and on such terms and conditions as may be deemed appropriate by the Board (which term shall be deemed to include any committee thereof which the Board may have constituted) at its absolute discretion including the discretion to determine the categories of Investors to whom the issue, offer, and allotment shall be made considering the prevalent market conditions and other relevant factors and wherever necessary, in consultation with lead manager(s) and other agencies that may be appointed by the Board for the purpose of the Issue.

This Special Resolution enables the Board to issue Securities for an aggregate amount not exceeding Rs.750 Crores or its equivalent in any foreign currency. The Board shall issue Securities pursuant to this special resolution and utilize the proceeds for business purposes, including but not limited to meet capital expenditure and working capital requirements of the Company and its subsidiaries, joint ventures and affiliates, including investment in subsidiaries, joint ventures and affiliates, repayment of debt, exploring acquisition opportunities and general corporate purposes.

The special resolution seeks to empower the Board to issue by way of one or more public and/or private offerings, and/ or on preferential allotment basis including Qualified Institutions Placement ("QIP") or any combination thereof, through issue of prospectus and /or placement document/ or other permissible/requisite offer document to any eligible person, including Qualified Institutional Buyers ("QIBs") as defined under the SEBI ICDR Regulations in accordance with Chapter VIII of the SEBI ICDR Regulations, or otherwise, foreign/resident investors (whether institutions, incorporated bodies, mutual funds, individuals or otherwise), venture capital funds (foreign or Indian), alternate investment funds, foreign institutional investors, foreign portfolio investors, qualified foreign investors, Indian and/or multilateral financial institutions, mutual funds, insurance companies, nonresident Indians, stabilizing agents, pension funds and/ or any other categories of investors, whether they be holders of equity shares of the Company or not (collectively called the "Investors") as may be decided by the Board. OPERATIONS

Omaxe Limited has established itself as one of India's premier listed real estate company with presence across 27 cities in 8 states. The Company is part of the real estate leader table in several states including Delhi, Haryana, Uttar

Pradesh, Madhya Pradesh, Punjab, and Rajasthan, among others. In addition to executing its own real estate projects of various types such as Residential, Commercial, Hospitality, Integrated Townships, Hi-tech Townships, the Company has also delivered third-party construction contracts. The total area delivered up to March 31, 2020, was 123.44 million square feet out of which 91.64 million square feet were across own real estate projects and remaining 31.80 million square feet as a third-party contractor. The work done by the Company caters to multiple customer segments and use-cases from affordable housing for the Lower Income Group and Middle Income Group to luxury projects for High Net-worth Individuals (HNIs) and Non-Resident Indians to best-in-class office facilities to public infrastructure development contracts to mix-use large scale township developments and many more. The number of ongoing projects as on March 31, 2020, was 21 with 5 group housing, 9 townships, and 7 Commercial Malls/ Hotels/ SCOs/ Offices.

Omaxe has been a pioneer in some of the Tier-II and Tier-III cities for delivering high quality, branded, hi-tech residential, commercial, and township projects. It has also contributed significantly to the emergence of some peripheral locations of major cities by investing in projects ahead of others. The Company's performance in FY2019-20 was commendable under the prevailing scenario where it sold 8.26 million square feet of space worth Rs 2145 crore. Out of this, Residential projects accounted for 7.35 million square feet worth Rs 1381 crores and Commercial project accounted for 0.91 million square feet worth Rs 764 crores.

The average realization for the financial year was Rs 2912 per square feet for residential, Rs 8382 per sq. ft. for commercial and Rs 8919 per sq. Yd. for plotting – all higher than FY2018-19. The top three contributors to the new bookings completed in the reported year were projects in New Chandigarh, Lucknow, and Faridabad.

OUTLOOK

The outlook for Omaxe is cautiously optimistic. With the Indian economy expected to slightly bounce back in the second half of FY2020-21 after lifting of lockdown and pandemic related restrictions and reforms and support package announced by the government, the macro environment was also expected to turn positive and encouraging. The scenario for the sector is believed to be upbeat based on the booking data trend and new launches as seen in the market and with the Company. With its top-performing projects such as New Chandigarh, Lucknow, Faridabad, Amritsar, Ludhiana, and Indore, and PPP opportunities in Tier-I cities, the project pipeline for the Company is robust.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **OMAXE LIMITED** (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company, and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on 31st March 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2020 according to the provisions of: -

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; - **Not Applicable**
 - (e) The Securities and exchange Board of India (Share Based Employee Benefits) Regulations, 2014 - **Not Applicable**
 - (f) The Securities and Exchange Board of India (Issue and Listing of Debt securities) Regulations, 2008; - **Not Applicable**

 - (h) The Securities and Exchange Board of India (Delisting of Equity shares) Regulations, 2009; - **Not Applicable**
 - (i) The Securities and Exchange Board of India (Buy back of securities) Regulations, 2018 - **Not Applicable**
- (vi) The Company has identified following laws applicable specifically to the Company and we have relied upon the representation made by the Company and its officers for the system and mechanism framed by the Company for compliances made under following laws:
 - a) The Real Estate (Regulation and Development) Act,

2016 and rules of the state(s) where project(s) were being undertaken.

- b) The Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996.
- c) The Land Acquisition Act, 1984.
- d) Transfer of Property Act, 1882.
- e) Indian Easements Act, 1882.
- f) Registration Act, 1908.

We have also examined compliance with the applicable provisions of the following: -

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with BSE Limited (BSE) & National Stock Exchange Limited (NSE).

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Standards, and Guidelines, etc. mentioned above *except in following*;

- (i) *Subject to the non-compliance of Regulation 29 (1) & (2) of SEBI (LODR) Regulations, 2015 for not giving specific prior intimations for fund raising activities, to the Stock Exchange(s). In this regard fine has been imposed by NSE & BSE, which has been paid by the Company.*
- (ii) *Subject to the non-compliance of Regulation 17(1) read with Regulation 25 (6) of SEBI (LODR) Regulations, 2015 in respect of composition of the Board for the period indicated below:*

- *From 01.04.2019 to 03.04.2019 i.e. Three days;*
- *From 02.11.2019 to 03.11.2019 i.e. Two days;*

In this regard fine has been imposed by NSE & BSE, which has been paid by the Company.

- (iii) *The Company has not filed certain e-forms with the Registrar of Companies in terms of section 117 read with Section 179(3) & Section 77 of the Act.*
- (iv) *Subject to disclosure of the defaults for the payment of interest/ repayment of principal amount on loans from banks / financial institutions to Stock Exchanges pursuant*

to SEBI's Circular SEBI/HO/CFD/CMD1/CIR/P/2019/140 dated 21st November 2019. However, we have been informed by the management that the default was not caused by the fund issues but was necessitate because of the business recession, COVID-19 challenges and, to facilitate the restructuring of borrowing at that point of time.

We further report that

Subject to the above instances, the Board of Directors of the Company has been duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings and Committee Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and in case of shorter notice, compliance as required under the Act has been made by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out with requisite majority of the members of the Board or committees as the case may be. Further there is no case of views of the dissenting members as per the recordings in the minutes of the meetings of the Board or Committee(s) thereof.

We further report that there are adequate systems and process in the company commensurate with the size and operations of the Company to monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

We further report that during the audit period following event/action having a major bearing on the company's affairs in pursuance of the above-referred laws, rules, regulations, standards & guidelines.

DIVIDEND DISTRIBUTION POLICY

1. Background and Applicability

In terms of Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), the company is required to formulate a Dividend distribution policy which shall be disclosed in its Annual Report and on its website.

To comply with the above requirement and with an endeavor to maintain a consistent approach to dividend pay-out plans, the Board of Directors ('Board') of Omaxe Limited ('the Company') adopts this Dividend Distribution Policy ('Policy').

2. Dividend distribution philosophy

The Company is deeply committed to driving superior value creation for all its stakeholders. The focus will continue to be on sustainable returns, through an appropriate capital strategy for both medium term and longer term value creation. Accordingly, the Board would continue to adopt a progressive and dynamic dividend policy, ensuring the immediate as well as long term needs of the business.

3. Circumstances under which the Shareholders of the Company may or may not expect Dividend

The decision regarding dividend pay-out is a crucial decision as it determines the amount of profit to be distributed among shareholders of the Company and the amount of profit to be retained in business. The decision seeks to balance the dual objectives of appropriately rewarding shareholders through dividends and retaining profits in order to maintain a healthy capital adequacy ratio to support future growth.

The Board will assess the Company's financial requirements, including present and future organic and inorganic growth opportunities and other relevant factors (as mentioned elsewhere in this policy) and declare Dividend in any financial year.

The Dividend for any financial year shall normally be paid out of the Company profits for that year. This will be arrived at after providing for depreciation in accordance with the provisions of the Companies Act, 2013. If circumstances require, the Board may also declare dividend out of accumulated profits of any previous

financial year(s) in accordance with provisions of the Act and Regulations, as applicable.

The shareholders of the Company may not expect dividend in the following circumstances, subject to discretion of the Board of Directors:

- i. Proposed expansion plans requiring higher capital allocation
- ii. Decision to undertake any acquisitions, amalgamation, merger, joint ventures, new product launches etc. which requires significant capital outflow
- iii. Requirement of higher working capital for the purpose of business of the Company
- iv. Proposal for buy-back of securities
- v. In the event of loss or inadequacy of profit

4. Parameters/Factors considered by the Company while declaring Dividend

The Board of Directors of the Company shall consider the following parameters before declaring or recommending dividend to shareholders:

A) Financial Parameters / Internal Factors:

- (a) Financial performance including profits earned (standalone), available distributable reserves etc;
- (b) Impact of dividend payout on Company's return on equity, while simultaneously maintaining prudent and reasonably conservative leveraging in every respect viz. interest coverage, DSCR (Debt Service Coverage Ratio) Net Debt: EBITDA and Net debt: Equity, including maintaining a targeted rating – domestically and internationally;
- (c) Alternate usage of cash viz. acquisition/ Investment opportunities or capital expenditures and resources to fund such opportunities/ expenditures, in order to generate significantly higher returns for shareholders;
- (d) Debt repayment schedules;

- (e) Fund requirement for contingencies and unforeseen events with financial implications;
- (f) Past Dividend trend including Interim dividend paid, if any; and
- (g) Any other factor as deemed fit by the Board.

B) External Factors:

- (a) Macroeconomic environment
- (b) Capital markets
- (c) Global Conditions
- (d) Statutory provisions and guidelines
- (e) Dividend payout ratio of competitors

5. Utilization of the retained earning

The Board may retain its earnings in order to make better use of the available funds and increase the value of the stakeholders in the long run. The retained earnings of the Company may be used in any of the following ways:

- i. Funding organic growth needs including working capital, capital expenditure, repayment of debt, etc.
- ii. Investment in new business(es) and/or additional investment in existing business(es),

- iii. Declaration of dividend,
- iv. Buy back of shares,
- v. General corporate purposes, including contingencies,
- vi. Any other permissible purpose.

6. Parameters with regard to various classes of Shares

Presently, the issued and paid-up share capital of the Company comprises of both equity and preference shares. The Dividend Distribution Policy is applicable on both type of shares. In case, the Company issues other kind of shares, the Board may suitably amend this Policy.

7. Policy review and amendments

This Policy would be subject to modification in accordance with the guidelines / clarifications as may be issued from time to time by relevant statutory and regulatory authority. The Board may modify, add, delete or amend any of the provisions of this Policy. Any exceptions to the Dividend Distribution Policy must be consistent with the Regulations and must be approved by the Board of Directors.

7. CREDIT RATINGS

The details of Credit Rating assigned by Credit Analysis and Research Limited (CARE) indicated below:

Instrument	Rating	Remarks
Fixed Deposit Programme	CARE BB+ (FD); Stable [Double B Plus (Fixed Deposit); Outlook: Stable]	Revised from CARE BBB (FD); Negative

Facilities	Rating	Remarks
Long-term Fund Based Bank Facilities-TL	CARE BB+; Stable [Double B Plus; Outlook: Stable]	Revised from CARE BBB-; Negative
Long-term Fund Based Bank Facilities-TL (Proposed)	CARE BB+; Stable [Double B Plus; Outlook: Stable]	Revised from CARE BBB-; Negative
Long-term Fund Based Bank Facilities- CC	CARE BB+; Stable [Double B Plus; Outlook: Stable]	Revised from CARE BBB-; Negative
Long-term Non-Fund based Bank Facilities - BG	CARE BB+; Stable [Double B Plus; Outlook: Stable]	Revised from CARE BBB-; Negative
Long-term/Short-term Non-fund based Facilities – BG/LC	CARE BB+; Stable/CARE A4+ [Double B Plus; Outlook: Stable/ A Four Plus]	Revised from CARE BBB-; Negative/ CARE A3

The rationale & key rating drivers indicating the reasons for downward revision are as follows:

The revision in ratings of Omaxe factor in the lower-than- envisaged project collection, its subdued bookings (although trending improvement in 9MFY20), continued slump in the real estate sector and rising input costs. The ratings also factors in the execution of large township projects having relatively higher turnaround time in comparison to Omaxe's debt maturity profile, therefore creating pressure on liquidity. The ratings continue to remain constrained on account of elevated debt level along with its dependence on debt refinancing, execution and saleability risk for ongoing projects along with new

launches. The rating also takes into cognizance the legal petition filed with National Company Law Tribunal (NCLT) by erstwhile Joint Managing Director - Mr. Sunil Goel against Mr. Rohtas Goel for malpractices and financial mismanagement in the company. However, the ratings continues to derive strength from promoter's experience in the real estate business, large land bank, improving average realization in sold spaces in FY19 & 9MFY20 and proven track record of timely execution of the projects.

**STANDALONE
FINANCIAL STATEMENTS
2019-20**

INDEPENDENT AUDITORS' REPORT

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Omaxe Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in Equity and the Statement of Cash Flows for the year then ended, and Notes to Standalone Financial Statement including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020, and loss after tax (including other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion:

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the

provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to note no. 49 to standalone financial statements which describes the management's assessment of impact of outbreak of Covid-19 on business operations of the company. The management of the company have concluded that no adjustments are required to be made in financial statements as it does not impact current financial year, however, various preventive measures taken by Government are still in force leading to highly uncertain economic environment, therefore, the management's assessment of impact on subsequent period is highly dependent on situations/circumstances as they evolve. The company continues to monitor the impact of covid-19 on its business including its impact on customer, associates, contractors, vendors etc.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters ("KAM") are those matters that, in our professional judgement, were of the most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of Key Audit Matters

Sr. No.	Key Audit Matters	How that matter was addressed in our audit report
1	<p><u>Revenue recognition</u></p> <p>The application of Ind AS 115 accounting standard involves certain key judgment's relating to identification of contracts with customer, identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p> <p>Refer Notes 27 to the Standalone Financial Statements</p>	<p>Our audit procedure on revenue recognition from real estate projects included:</p> <ul style="list-style-type: none"> • Selecting sample to identify contracts with customers, identifying separate performance obligation in the contracts, determination of transaction price and allocating the transaction price to separate performance obligation. • On selected samples, we tested that the revenue recognition is in accordance with accounting standards by <ul style="list-style-type: none"> i) Reading, analyzing and identifying the distinct performance obligations in real estate projects. ii) Comparing distinct performance obligations with that identified and recorded. iii) Reading terms of agreement to determine transaction price including variable consideration to verify transaction price used to recognize revenue. iv) Performing, analytical procedures to verify reasonableness of revenue accounted by the Company.
2	<p><u>Pending Income Tax cases</u></p> <p>The Company has pending income tax cases involving tax demands which involves significant judgment to determine possible outcome of these cases.</p> <p>Refer Notes 37 and 39 to the Standalone Financial Statements</p>	<p>We obtained details of all pending income tax matters involving tax demands on the Company and discussed with the Company's in house tax team regarding sustainability of Company's claim before various income tax/ appellate authorities on matters under litigation. The in-house tax team of the company relied upon past legal and other rulings, submissions made by them during various hearings held; which was taken in consideration by us to evaluate management position on these tax demands.</p>
3	<p><u>Liability for Non-performance of real estate agreements/ civil law suits against the Company</u></p> <p>The Company may be liable to pay damages/ interest for specific non- performance of certain real estate agreements, civil cases preferred against the Company for specific performance of the land agreement, the liability on account of these, if any have not been estimated and disclosed as contingent liability.</p> <p>Refer Notes 37 to the Standalone Financial Statements</p>	<p>We obtained details/ list of pending civil cases and also reviewed on sample basis real estate agreements, to ascertain damages on account of non-performance of those agreement and discussed with the legal team of the Company to evaluate management position.</p>

Sr. No.	Key Audit Matters	How that matter was addressed in our audit report
4	<p><u>Inventories</u></p> <p>The company's inventories comprise mainly of projects under construction/development (projects-in-progress) completed real estate projects and land.</p> <p>The inventories are carried at lower of cost and net realizable value (NRV). NRV of completed property is assessed by reference to market price existing at the reporting date and based on comparable transactions made by the company and/or identified by the company for properties in same geographical area. NRV of properties under construction is assessed with reference to market value of completed property as at the reporting date less estimated cost to complete.</p> <p>The carrying value of inventories is significant part of the total assets of the company and involves significant estimates and judgments in assessment of NRV. Accordingly, it has been considered as key audit matter.</p>	<p>Our audit procedures to assess the net realizable value (NRV) of the inventories include the following:</p> <ul style="list-style-type: none"> We had discussions with Management to understand Management's process and methodology to estimate NRV, including key assumptions used and we also verified project wise un-sold area and recent sale prices and also estimated cost of construction to complete projects.
5	<p><u>Recognition and measurement of deferred tax assets</u></p> <p>Under Ind AS, the company is required to reassess recognition of deferred tax asset at each reporting date. The company has deferred tax assets in respect of brought forward losses and other temporary differences, as set out in Note no 7 and 35 to the Standalone Financial Statements.</p> <p>The company's deferred tax assets in respect of brought forward business losses are based on the projected profitability. This is determined on the basis of business plans demonstrating availability of sufficient taxable income to utilize such brought forward business loss.</p> <p>We have identified recognition of deferred tax assets as key audit matter because of the related complexity and subjectivity of the assessment process. The assessment process is based on assumptions affected by expected future market or economic conditions.</p>	<p>Our Audit procedures include:</p> <ul style="list-style-type: none"> Understood the business plans and projected profitability for the existing ongoing projects. We tested the computations of amount and tax rate used for recognition of deferred tax assets. We verified the disclosure made by the company in respect of deferred tax assets.

Other Information

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but

does not include the standalone financial statements and our auditor's report thereon. The other information is expected to make available to us after the date of audit report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Results

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability

to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure-II**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in

the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure I**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure II to Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Omaxe Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Omaxe Limited** ("the Company") as at 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established

and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Limitations of Internal Financial Controls over Financial

Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial

controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

A Significant Accounting Policies:**1 Corporate information**

Omaxe Limited ("The Company") is a listed entity incorporated in India. Registered address of the Company is 19-B, First Floor, Omaxe Celebration Mall, Sohna Road, Gurgaon-122001, (Haryana) and Corporate Office is 7, LSC, Kalkaji, New Delhi-110019.

The company is into the business of developing real estate properties for residential, commercial and retail purposes.

2 Significant Accounting Policies :**(i) Basis of Preparation**

The standalone financial statements of the Company have been prepared in accordance with the Companies (Indian Accounting Standards) Rules 2015 ('INDAS') issued by Ministry of Corporate Affairs ('MCA').

The financial statements for the year ended 31 March 2020 were authorised and approved for issue by the Board of Directors on 29th July, 2020.

(ii) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of returns and discounts to customers.

(a) Real estate projects

The company derives revenue from execution of real estate projects. Revenue from Real Estate project is recognised in accordance with INDAS 115 which establishes a comprehensive framework in determining whether how much and when revenue is to be recognised. Revenue from real estate projects are recognised upon transfer of control of promised real estate property to customer at an amount that reflects the consideration which the company expects to receive in exchange for such booking and is based on following 6 steps :

1. Identification of contract with customers:-

The company accounts for contract with a customer only when all the following criteria are

met:

- Parties (i.e. the company and the customer) to the contract have approved the contract (in writing, orally or in accordance with business practices) and are committed to perform their respective obligations.
- The company can identify each customer's right regarding the goods or services to be transferred.
- The company can identify the payment terms for the goods or services to be transferred.
- The contract has commercial substance (i.e. risk, timing or amount of the company's future cash flow is expected to change as a result of the contract) and
- It is probable that the company will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. Consideration may not be the same due to discount rate etc.

2. Identify the separate performance obligation in the contract:-

Performance obligation is a promise to transfer to a customer:

- Goods or services or a bundle of goods or services i.e. distinct or a series of goods or services that are substantially the same and are transferred in the same way.
- If a promise to transfer goods or services is not distinct from goods or services in a contract, then the goods or services are combined in a single performance obligation.
- The goods or services that is promised to a customer is distinct if both the following criteria are met:
 - The customer can benefit from the goods or services either on its own or together with resources that are readily available to the customer (i.e. the goods or services are capable of being distinct) and

- The company's promise to transfer the goods or services to the customer is separately identifiable from the other promises in the contract i.e the goods or services are distinct within the context of the contract.
- 3 Satisfaction of the performance obligation:-
- The company recognizes revenue when (or as) the company satisfies a performance obligation by transferring a promised goods or services to the customer.
- The real estate properties are transferred when (or as) the customer obtains control of the property.
- 4 Determination of transaction price:-
- The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring promised goods or services to customer excluding GST.
- The consideration promised in a contract with a customer may include fixed amount, variable amount or both. In determining transaction price, the company assumes that goods or services will be transferred to the customer as promised in accordance with the existing contract and the contract can't be cancelled, renewed or modified.
- 5 Allocating the transaction price to the performance obligation:-
- The allocation of the total contract price to various performance obligation are done based on their standalone selling prices, the stand alone selling price is the price at which the company would sell promised goods or services separately to the customers.
- 6 Recognition of revenue when (or as) the company satisfies a performance obligation:
- Performance obligation is satisfied over time or at a point in time
- Performance obligation is satisfied over time if one of the criteria out of the following three is met:

- The customer simultaneously receives and consumes a benefit provided by the company's performance as the company performs.
- The company's performance creates or enhances an asset that a customer controls as asset is created or enhanced or
- The company's performance doesn't create an asset within an alternative use to the company and the company has an enforceable right to payment for performance completed to date.

Therefore the revenue recognition for a performance obligation is done over time if one of the criteria is met out of the above three else revenue recognition for a performance obligation is done at point in time.

The company disaggregates revenue from real estate projects on the basis of nature of revenue.

(b) **Project Management Fee**

Project Management fee is accounted as revenue upon satisfaction of performance obligation as per agreed terms.

(c) **Interest Income**

Interest due on delayed payments by customers is accounted on accrual basis.

(d) **Income from trading sales**

Revenue from trading activities is accounted as revenue upon satisfaction of performance obligation.

(e) **Dividend income**

Dividend income is recognized when the right to receive the payment is established.

(iii) **Borrowing Costs**

Borrowing cost that are directly attributable to the acquisition or construction of a qualifying asset (including real estate projects) are considered as part of the cost of the asset/project. All other

borrowing costs are treated as period cost and charged to the statement of profit and loss in the year in which incurred.

(iv) **Property, Plant and Equipment**

Recognition and initial measurement

Properties, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Depreciation on Property, Plant and Equipment is provided on written down value method based on the useful life of the asset as specified in Schedule II to the Companies Act, 2013. The management estimates the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in the case of steel shuttering and scaffolding, whose life is estimated as five years considering obsolescence.

Cost of building constructed on land owned by third party under 'Build Own Transfer' agreement is amortized over the period of the agreement.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

(v) **Intangible Assets**

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent measurement (amortization and useful lives)

Intangible assets comprising of ERP & other computer software are stated at cost of acquisition less accumulated amortization and are amortised over a period of four years on straight line method.

(vi) **Impairment of Non-Financial Assets**

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss.

(vii) **Financial Instruments**

(a) **Financial assets**

Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs

Subsequent measurement

(1) Financial instruments at amortised cost – the financial instrument is measured at the amortised cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. All other debt instruments are measured at Fair Value through other comprehensive income or Fair value through profit and loss based on Company's business model.

- (2) Equity investments – All equity investments in scope of INDAS 109 are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.
- (3) Mutual funds – All mutual funds in scope of Ind-AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

(b) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost that are attributable to the acquisition of the financial liabilities are also adjusted. These liabilities are carried at as amortised cost.

Subsequent measurement

Subsequent to initial recognition, these

liabilities are measured at amortised cost using the effective interest method. These liabilities include borrowings and deposits.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or on the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(c) Compound financial instrument

Compound financial instrument are separated into liability and equity components based on the terms of the contract. On issuance of the said instrument, the liability component is arrived by discounting the gross sum at a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost until it is extinguished on conversion or redemption. The remainder of the proceeds is recognised as equity component of compound financial instrument. This is recognised and included in shareholders' equity, net of Income tax effects, and not subsequently re-measured.

(d) Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortization.

(e) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 47 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by INDAS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(f) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(viii) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in

its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs:

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfer have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosure, the Company has determined classes of assets and liabilities on the basis of nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(ix) Inventories and Projects in progress**(a) Inventories**

- (i) Building material and consumable stores are valued at lower of cost and net realisable value. Cost is determined on the basis of the 'First in First out' method.
- (ii) Land is valued at lower of cost and net realisable value. Cost is determined on average method. Cost includes cost of acquisition and all related costs.
- (iii) Construction work in progress is valued at lower of cost and net realisable value. Cost includes cost of materials, services and other related overheads related to project

under construction.

(iv) Completed real estate project for sale is valued at lower of cost and net realizable value. Cost includes cost of land, materials, construction, services and other related overheads.

(v) Stock in trade is valued at lower of cost and net realisable value.

(b) Projects in progress

Projects in progress are valued at lower of cost and net realisable value. Cost includes cost of land, development rights, materials, construction, services, borrowing costs and other overheads relating to projects.

(x) Foreign currency translation

(a) Functional and presentation currency

The financial statements are presented in currency INR, which is also the functional currency of the Company and presented in Crore.

(b) Foreign currency transactions and balances

- i. Foreign currency transactions are recorded at exchange rates prevailing on the date of respective transactions.
- ii. Financial assets and financial liabilities in foreign currencies existing at balance sheet date are translated at year-end rates.
- iii. Foreign currency translation differences related to acquisition of imported fixed assets are adjusted in the carrying amount of the related fixed assets. All other foreign currency gain and losses are recognised in the statement of profit and loss.

(xi) Retirement benefits

- i. Contributions payable by the Company to the concerned government authorities in respect of provident fund, family pension fund and employee state insurance are charged to the statement of profit and loss.
- ii. The Company is having Group Gratuity Scheme

with Life Insurance Corporation of India. Provision for gratuity is made based on actuarial valuation in accordance with INDAS-19.

iii. Provision for leave encashment in respect of unavailed leave standing to the credit of employees is made on actuarial basis in accordance with INDAS-19.

iv. Actuarial gains/loss resulting from re-measurement of the liability/asset are included in other comprehensive income.

(xii) Provisions, contingent assets and contingent liabilities

A provision is recognized when:

- the Company has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

(xiii) Earnings per share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(xiv) Leases

The company has applied INDAS 116 w.e.f 01.04.2019. In accordance with INDAS 116, the company recognises right of use assets representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of right of use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before commencement date less any lease incentive received plus any initial direct cost incurred and an estimate of cost to be incurred by lessee in dismantling and removing underlying asset or restoring the underlying asset or site on which it is located. The right of use asset is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any, and adjusted for any re-measurement of lease liability. The right of use assets is depreciated using the Straight Line Method from the commencement date over the charter of lease term or useful life of right of use asset. The estimated useful life of right of use assets are determined on the same basis as those of Property, Plant and Equipment. Right of use asset are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in Statement of Profit and Loss.

The company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the company uses incremental borrowing rate.

The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest on lease liability, reducing the carrying amount to reflect the lease payments made and re-measuring the carrying amount to reflect any reassessment or lease modification or to reflect revised-in-substance fixed lease payments. The company recognises amount of re-measurement of lease liability due to modification as an adjustment to write off use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of right of use assets is reduced to zero and there

is further reduction in measurement of lease liability, the company recognises any remaining amount of the re-measurement in Statement of Profit and Loss.

The company has elected not to apply the requirements of INDAS 116 to short term leases of all assets that have a lease term of 12 months or less unless renewable on long term basis and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense over lease term.

(xv) Income Taxes

- i. Provision for current tax is made based on the tax payable under the Income Tax Act, 1961. Current income tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity).
- ii. Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

(xvi) Cash and Cash Equivalent

Cash and Cash equivalent in the balance sheet comprises cash at bank and cash on hand, demand deposits and short term deposits which are subject to an insignificant change in value. The amendment to INDAS-7 requires entities to provide disclosure of change in the liabilities arising from financing activities, including both changes arising from cash flows and non cash changes (such as foreign exchange gain or loss). The Company has provided information for both current and comparative period in cash flow statement.

(xvii) Significant management judgement in applying accounting policies and estimation of uncertainty

Significant management judgements

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Estimation of uncertainty related to Global Health Pandemic from COVID-19

The company has assessed the possible effect that may result from pandemic relating to COVID-19 on carrying amount of receivables, inventory, investments, advances and other assets & liabilities. In considering the assessment, the company has considered internal information and is highly dependent on estimates and circumstances as they evolve.

(a) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

Estimation of uncertainty

(a) Recoverability of advances/receivables

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

(b) Defined benefit obligation (DBO)

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

(c) Provisions

At each balance sheet date based on management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However the actual future outcome may be different from this judgement.

(d) Inventories

Inventory is stated at the lower of cost or net realisable value (NRV).

NRV for completed inventory is assessed including but not limited to market conditions and prices existing at the reporting date and is determined by the Company based on net amount that it expects to realise from the sale of inventory in the ordinary course of business.

NRV in respect of inventories under construction is assessed with reference to market prices (by referring to expected or recent selling price) at the reporting date less estimated costs to complete the construction, and estimated cost necessary to make the sale. The costs to complete the construction are estimated by management.

(e) Lease

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of INDAS 116. Identification of a lease requires significant judgement. The company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The company determines the lease term as the non-cancellable period of lease, together with both periods covered by an option to extend the lease if the company is reasonably certain to exercise that option and periods covered by an option to terminate the lease if the company is reasonably certain not to exercise that option. In exercise whether the company is reasonably certain to exercise an option to extend a lease or to exercise an option to terminate the lease, it considers all relevant facts and circumstances

that create an economic incentive for the company to exercise the option to extend the lease or to exercise the option to terminate the lease. The company revises lease term, if there is change in non-cancellable period of lease. The discount rate used is generally based on incremental borrowing rate.

(f) Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would

price the instrument / assets. Management bases its assumptions on observable data as far as possible but this may not always be available. In that case Management uses the best relevant information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

(g) Classification of assets and liabilities into current and non-current

The Management classifies assets and liabilities into current and non-current categories based on its operating cycle.

8	The Company has one class of non-convertible redeemable preference shares and having a par value of Rs. 10 per share. The preference shares carry a right to preferential dividend of 0.1 % per annum in relation to capital paid on them and are redeemable upon 20 years from the date of allotment with call and put option for redemption after 10 years from the date of allotment. The redemption of preference share shall be at a premium of 6% per annum from the date of allotment over and above the total issue price per preference share and premium will be prorated/proportionate to the period of holding of these shares. As the aforesaid preference shares carry nominal rate of preference dividend and premium on redemption, therefore, on transition to INDAS, these has been considered as compound financial instrument, which has been bifurcated into liability and equity components. In subsequent years, the liability part is increased with the notional interest computed using effective interest rate and said interest is charged to statement of profit and loss. Further, the premium payable on redemption of preference shares shall be provided out of the profit of the company or out of securities premium before the preference shares are redeemed. The company has chosen to pay premium on such redemption out of securities premium account, therefore, no appropriation out of profit have been made. 38 Balances of trade receivable, trade payable, loan/ advances given and other financial and non-financial assets and liabilities are subject to reconciliation and confirmation from respective parties. The balance of said trade receivable, trade payable, loan/ advances given and other financial and non-financial assets and liabilities are taken as shown by the books of accounts. The ultimate outcome of such reconciliation and confirmation cannot presently be determined, therefore, no provision for any liability that may result out of such reconciliation and confirmation has been made in the financial statement, the financial impact of which is unascertainable due to the reasons as above stated.

39 The Income Tax Department has filed writ petition before Hon'ble Supreme Court against the order of Income tax settlement commission in earlier years for assessment year 2000-01 to 2006-07, which is pending for hearing. Pending final outcome of such petition filed, no provision of any potential liability has been made in the books of accounts, the amount of which cannot presently be ascertained.

The income tax department has raised a demand of Rs. 109.35 crore against the company after giving effect to orders of CIT(A) / ITAT for A.Y. 2007-08 to A.Y. 2010-11, mainly on account of disallowance u/s 80IB. The company has filed further appeals before the higher authorities against the impugned orders of the CIT (A) / ITAT. An amount of Rs. 105.23 crore has been deposited by the company against this demand under dispute. Further the Income Tax Department has also filed necessary appeals/writ petitions/ SLP with appropriate authority against the relief given of Rs. 130.40 crore by various appellate authorities to the Company. A demand of Rs. 1.20 cr had been raised on account of penalty u/s 271C in previous years, which has been deleted by CIT(A), against which department may have filed an appeal before the higher authorities. A further demand of Rs. 35.24 crore has been raised against the company for A.Y.s 2009-10 to 2016-17 either mainly on account of disallowance u/s 80IB or penalty u/s 271(1)(c) and the company has filed appeals before the CIT(A) against this demand. An amount of Rs. 14.87 crore has been deposited by the company against this demand under dispute. Provision against disputed tax demands amounting to Rs. 64.37 crores has been made in financial statement and is appearing in long term provisions in note no. 7 A. Based on the decision of various appellate authorities and the interpretations of relevant provisions of Income Tax Act, 1961, the Company has been advised by the experts that the claim of the company under Section 80IB is sustainable; accordingly the Company is hopeful that the demand so raised is likely to be deleted.

- 40 The Ministry of Corporate Affairs (MCA) through Companies (Indian Accounting Standard) Amendment Rules 2019 and Companies (Indian Accounting Standard) Second Amendment Rules has notified INDAS 116 'leases' which replaces existing lease standard, INDAS 17 Leases and other Interpretation. INDAS 116 sets out the principles for recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single on balance sheet lease accounting model for lessees.

The company has adopted INDAS 116 effective annual reporting period beginning from April 1, 2019 and applied the standard to its leases retrospectively with the cumulative effect of initially applying the standard, recognised on the date of initial application (April 1, 2019). Accordingly, the company has not restated comparative information, instead, the cumulative effect of initially applying Standard has been recognised as an adjustment to opening balance of retained earnings as on April 1, 2019.

On Transition date i.e. April 1, 2019, the company has recognised a lease liability measured at the present value of remaining lease payments. The right of use assets is recognised at its carrying amount as if the Standard had been applied since the Commencement of the lease but discounted using lessee incremental borrowing rate. Accordingly, right of use asset of Rs. 2.65 Crore and a corresponding lease liability of Rs. 3.07 Crore has been recognised. The Cumulative effect on transition adjusted in retained earnings as on April 1, 2019 amounted to Rs 0.31 Crore (net of deferred tax of Rs. 0.10 Crore). The principal portion of the lease payments have been disclosed under cash flow from financing activities. The weighted average incremental borrowing rate of 16% has been applied to lease liability recognised in balance sheet at the date of initial application.

On application of INDAS 116, the nature of expense has changed from lease rent in previous periods to depreciation cost for right of use asset and finance cost for interest accrued on lease liability.

The details of right of use asset held by the company is as follows:

(Rupees in Crore)		
Particulars	Addition for the year ended 31 March 2020	Net Carrying amount as at 31 March 2020
Building	219.92	162.39

o. Description of Risk Exposures:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow-

- A. Salary Increases- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- B. Investment Risk – If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
- C. Discount Rate: Reduction in discount rate in subsequent valuations can increase the plan's liability.
- D. Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- E. Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

2) Leave Encashment

Provision for leave encashment in respect of un-availed leaves standing to the credit of employees is made on actuarial basis. The Company does not maintain any fund to pay for leave encashment

Note 47: RISK MANAGEMENT

'The Company's activities expose it to market risk, liquidity risk and credit risk. The management has the overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Credit risk

Credit risk is the risk that counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

Credit risk management*Credit risk rating*

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk on financial reporting date

B: Moderate credit risk

C: High credit risk

The Company provides for expected credit loss based on the following:

Credit risk	Basis of categorization	Provision for expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances and investment	12 month expected credit loss
Moderate credit risk	Trade receivables and other financial assets	Life time expected credit loss or 12 month expected credit loss

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in the statement of profit and loss.

(Rupees in Crore)			
Credit rating	Particulars	As at 31 March 2020	As at 31 March 2019
A: Low credit risk	Cash and cash equivalents, other bank balances and investment	469.67	493.23
B: Moderate credit risk	Trade receivables and other financial assets	2,152.30	2,136.63

Concentration of trade receivables

Trade receivables consist of a large number of customers spread across various states in India with no significant concentration of credit risk. The company do not envisage any financial difficulties resulting in higher credit risk higher than usual credit term due to COVID 19 outbreak.

Credit risk exposure

Provision for expected credit losses

The Company provides for 12 month expected credit losses for following financial assets –

As at 31 March 2020			(Rupees in Crore)
Particulars	Gross carrying amount	Expected credit losses	Carrying amount net of expected credit losses
Trade Receivables	220.84	0.78	220.06
Security deposits	42.19	2.10	40.09
Loans and Advances	1,908.85	22.16	1,886.69
Other Receivables	7.80	2.34	5.46
Total	2,179.68	27.38	2,152.30

As at 31 March 2019			(Rupees in Crore)
Particulars	Gross carrying amount	Expected credit losses	Carrying amount net of expected credit losses
Trade Receivables	229.32	0.78	228.54
Security deposits	21.81	1.95	19.86
Loans and Advances	1,901.55	19.95	1,881.60
Other Receivables	7.80	1.17	6.63
Total	2,160.48	23.85	2,136.63

The Company considers provision for lifetime expected credit loss for trade receivables, loans and advances given. Given the nature of business operations, the Company's receivables from real estate business has little history of losses as transfer of legal title of properties sold is generally passed on to the customer, once the Company receives the entire consideration. Advances are given for purchase of land and for other goods and services. Therefore trade receivables and advances given have been considered as moderate credit risk financial assets.

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

Market risk

Interest Rate risk

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. As At 31st March the Company is exposed to changes in market interest rates through bank borrowings at variable interest rates. Other borrowings are at fixed interest rates.

Company's exposure to interest rate risk on borrowings is as follows:

(Rupees in Crore)

Particulars	As at 31 March 2020	As at 31 March 2019
Variable rate	567.71	595.07
Fixed rate	172.32	235.05

Note 48: CAPITAL MANAGEMENT POLICIES

(a) Capital Management

The Company's capital management objectives are to ensure the Company's ability to continue as a going concern as well as to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The Company monitors capital on the basis of the carrying amount of equity plus its subordinated loan, less cash and cash equivalents as presented on the face of the statement of financial position and cash flow hedges recognised in other comprehensive income.

The Company manages its capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares. The amounts managed as capital by the Company are summarised as follows:

(Rupees in Crore)

This proposed dividend is subject to the approval of shareholders in the ensuing annual general meeting.		

Note 49: The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The management of the Company have made its own assessment of impact of the outbreak of COVID-19 on business operations of the Company and have concluded that no adjustments are required to be made in the financial statement as it does not impact current financial year. However, the situation with COVID-19 is still evolving. Also the various preventive measures taken by Government of India are still in force leading to highly uncertain economic environment. Due to these circumstances, the management's assessment of the impact on the subsequent period is dependent upon the circumstances as they evolve. The Company continues to monitor the impact of COVID-19 on its business including its impact on customer, associates, contractors, vendors etc.

INDEPENDENT AUDITORS' REPORT

To The Members of Omaxe Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Omaxe Limited** ("the Holding Company"), its subsidiaries (collectively referred to as "the Group") and its associates as per list Annexed comprising of the Consolidated Balance Sheet as at 31st March 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow for the year then ended, and Notes to Consolidated Financial Statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2020, of its consolidated loss after tax and other comprehensive income, consolidated changes in equity and consolidated cash flows including its associates for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report**. We are independent of the Group and of its associates in

accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the **ICAI's** Code of Ethics. We believe that the audit evidence we have obtained along with the consideration of unaudited management certified financial statements referred to in "Other Matters" is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to note no. 49 to consolidated financial statements which describes the management's assessment of impact of outbreak of Covid-19 on business operations of the company. The management of the company have concluded that no adjustments are required to be made in financial statements as it does not impact current financial year, however, various preventive measures taken by Government are still in force leading to highly uncertain economic environment, therefore, the management's assessment of impact on subsequent period is highly dependent on situations/circumstances as they evolve. The company continues to monitor the impact of covid-19 on its business including its impact on customer, associates, contractors, vendors etc.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters ("KAM") are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of key Audit Matters

Sr. No.	Key Audit Matters	How that matter was addressed in our audit report
1	<p><u>Revenue recognition</u></p> <p>The application of <i>Ind AS 115</i> accounting standard involves certain key judgment's relating to identification of contracts with customer, identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p> <p>Refer Notes 27 to the Consolidated Financial Statements</p>	<p>Our audit procedure on revenue recognition from real estate projects included:</p> <ul style="list-style-type: none"> • Selecting sample to identify contracts with customers, identifying separate performance obligation in the contracts, determination of transaction price and allocating the transaction price to separate performance obligation. • On selected samples, we tested that the revenue recognition is in accordance with accounting standards by <ul style="list-style-type: none"> i) Reading, analyzing and identifying the distinct performance obligations in real estate projects. ii) Comparing distinct performance obligations with that identified and recorded. iii) Reading terms of agreement to determine transaction price including variable consideration to verify transaction price used to recognize revenue. iv) Performing, analytical procedures to verify reasonableness of revenue accounted by the Company.
2	<p><u>Pending Income Tax cases</u></p> <p>The Company has pending income tax cases involving tax demands which involves significant judgment to determine possible outcome of these cases.</p> <p>Refer Notes 37 and 39 to the Consolidated Financial Statements</p>	<p>We obtained details of all pending income tax matters involving tax demands on the Company and discussed with the Company's in house tax team regarding sustainability of Company's claim before various income tax/ appellate authorities on matters under litigation. The in-house tax team of the company relied upon past legal and other rulings, submissions made by them during various hearings held; which was taken in consideration by us to evaluate management position on these tax demands.</p>

Sr. No.	Key Audit Matters	How that matter was addressed in our audit report
3	<p><u>Liability for Non-performance of real estate agreements/ civil law suits against the Company</u></p> <p>The Company may be liable to pay damages/ interest for specific non- performance of certain real estate agreements, civil cases preferred against the Company for specific performance of the land agreement, the liability on account of these, if any have not been estimated and disclosed as contingent liability.</p> <p>Refer Notes 37 to the Consolidated Financial Statements</p>	<p>We obtained details/ list of pending civil cases and also reviewed on sample basis real estate agreements, to ascertain damages on account of non-performance of those agreement and discussed with the legal team of the Company to evaluate management position.</p>
4	<p><u>Inventories</u></p> <p>The company's inventories comprise mainly of projects under construction/development (projects-in-progress) completed real estate projects and land.</p> <p>The inventories are carried at lower of cost and net realizable value (NRV). NRV of completed property is assessed by reference to market price existing at the reporting date and based on comparable transactions made by the company and/or identified by the company for properties in same geographical area. NRV of properties under construction is assessed with reference to market value of completed property as at the reporting date less estimated cost to complete.</p> <p>The carrying value of inventories is significant part of the total assets of the company and involves significant estimates and judgments in assessment of NRV. Accordingly, it has been considered as key audit matter.</p>	<p>Our audit procedures to assess the net realizable value (NRV) of the inventories include the following:</p> <ul style="list-style-type: none"> • We had discussions with Management to understand Management's process and methodology to estimate NRV, including key assumptions used and we also verified project wise un-sold area and recent sale prices and also estimated cost of construction to complete projects.

Sr. No.	Key Audit Matters	How that matter was addressed in our audit report
5	<p><u>Recognition and measurement of deferred tax assets</u></p> <p>Under Ind AS, the company is required to reassess recognition of deferred tax asset at each reporting date. The company has deferred tax assets in respect of brought forward losses and other temporary differences, as set out in Note no 7 and 35 to the consolidated Financial Statements.</p> <p>The company's deferred tax assets in respect of brought forward business losses are based on the projected profitability. This is determined on the basis of business plans demonstrating availability of sufficient taxable income to utilize such brought forward business loss.</p> <p>We have identified recognition of deferred tax assets as key audit matter because of the related complexity and subjectivity of the assessment process. The assessment process is based on assumptions affected by expected future market or economic conditions.</p>	<p>Our Audit procedures include:</p> <ul style="list-style-type: none"> • Understood the business plans, projected profitability for the existing ongoing projects. • We tested the computations of amount and tax rate used for recognition of deferred tax assets. • We verified the disclosure made by the company in respect of deferred tax assets.

Other information

The Holding Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon. The other information is expected to make available to us after the date of audit report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in

this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) amendment Rules, 2016. The respective Board of Directors of the Companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and of its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and

prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group and of its associates are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and subsidiary companies which are companies incorporated in India has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and of its associates of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditor. We remain solely responsible

for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements and other financial information in respect of 152 subsidiary companies, included in the statement, whose financial statements includes total assets of Rs. 83.86 crores as at 31st March 2020, total revenues (including other income) of Rs. 7.78 crores for the year ended 31st March 2020 and net cash flows amounting

to Rs. (1.89) crores for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, are based solely on such unaudited financial statements as certified. In our opinion and according to the information and explanations given to us by the management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of above matter with respect to our reliance on financial statements as certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidated financial statements have been kept by the Company so far as it appears from our examination of those books.
 - c. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flow dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the Holding company and its subsidiaries which are companies incorporated in

India as on 31st March, 2020 and taken on record by the Board of Directors of respective companies, none of the directors of the holding company and its subsidiaries which are companies incorporated in India is disqualified as on 31st March 2020 from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of the internal financial controls with reference to the financial statements of the Holding Company and its subsidiaries companies which are companies incorporated in India and the operating effectiveness of such controls, refer to our separate report in “**Annexure-I**”.
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act.:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid during the current year by the Holding company and its subsidiaries which are companies incorporated in India is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations as at 31st March 2020 on the consolidated financial position of the Group.
- ii. Provisions has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies which are companies incorporated in India during the year ended 31st March 2020.

Annexure I

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Omaxe Limited ("the Holding Company") as of and for the year ended 31st March 2020, we have audited the internal financial controls over financial reporting of the Holding Company and its subsidiary companies which are companies incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls systems over financial reporting of the company and its subsidiary companies which are companies incorporated in India and its associates.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and

not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Group has, in all material respects, an adequate internal financial controls system over financial reporting but requires more strengthening and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Group consisting the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to consolidated financial statements of 2 wholly owned subsidiaries incorporated outside India, and 150 subsidiary companies which are companies incorporated in India, is based on the financial statements as certified by the Management.

A Significant Accounting Policies:

1 Corporate information

Omaxe Limited ("The Company") and its subsidiaries (collectively referred to as "Group") are mainly into the business of developing real estate properties for residential, commercial and retail purposes. The shares of the Company are listed on the National Stock Exchange and the Bombay Stock Exchange. The registered office of the Company is at Shop No. 19-B, First Floor, Omaxe Celebration Mall, Sohna Road, Gurgaon, Haryana-122001.

2 Significant Accounting Policies:

(i) Basis of Preparation

The financial statements of the Group have been prepared in accordance with the Companies (Indian Accounting Standards) Rules 2015 ('INDAS') issued by Ministry of Corporate Affairs ('MCA').

The financial statements for the year ended 31 March 2020 were authorised and approved for issue by the Board of Directors on 29th July, 2020..

(ii) Basis of Consolidation

The consolidated financial statements relates to Omaxe Limited ('the Company') and its subsidiary companies and associates. The consolidated financial statements have been prepared on the following basis:

- (a) The financial statements of the Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- (b) Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.
- (c) Where the cost of the investment is higher/lower than the share of equity in the subsidiary / associates at the time of acquisition, the resulting difference is disclosed as goodwill/ capital reserve in the investment schedule. The said Goodwill is not amortised, however, it is tested for impairment at each Balance Sheet date and the impairment loss, if any, is provided

for in the consolidated statement of profit and loss.

- (d) In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the consolidated statement of profit and loss.
- (e) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- (f) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.
- (g) Non Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- (h) Non Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.
- (i) Investment in Associates has been accounted under the equity method as per INDAS 28 - Investments in Associates and Joint Ventures.
- (j) The Company accounts for its share of post-acquisition changes in net assets of associates, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associates' Statement of Profit and Loss and through its reserves for the balance based on available information.

(iii) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable for goods

supplied and services rendered, net of returns and discounts to customers.

(a) Real estate projects

The company derives revenue from execution of real estate projects. Revenue from real estate projects are recognised upon transfer of control of promised real estate property to customer at an amount that reflects the consideration which the company expects to receive in exchange for such booking and is based on following 6 steps:

1. Identification of contract with customers:-

The company accounts for contract with a customer only when all the following criteria are met:

- Parties (i.e. the company and the customer) to the contract have approved the contract (in writing, orally or in accordance with business practices) and are committed to perform their respective obligations.
- The company can identify each customer's right regarding the goods or services to be transferred.
- The company can identify the payment terms for the goods or services to be transferred.
- The contract has commercial substance (i.e. risk, timing or amount of the company's future cash flow is expected to change as a result of the contract) and
- It is probable that the company will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. Consideration may not be the same due to discount rate etc.

2. Identify the separate performance obligation in the contract:-

Performance obligation is a promise to transfer to a customer:

- Goods or services or a bundle of goods or services i.e. distinct or a series of goods or services that are substantially the same

and are transferred in the same way.

- If a promise to transfer goods or services is not distinct from goods or services in a contract, then the goods or services are combined in a single performance obligation.
- The goods or services that is promised to a customer is distinct if both the following criteria are met:
 - The customer can benefit from the goods or services either on its own or together with resources that are readily available to the customer (i.e. the goods or services are capable of being distinct) and
 - The company's promise to transfer the goods or services to the customer is separately identifiable from the other promises in the contract i.e the goods or services are distinct within the context of the contract.

3 Satisfaction of the performance obligation:-

The company recognizes revenue when (or as) the company satisfies a performance obligation by transferring a promised goods or services to the customer.

The real estate properties are transferred when (or as) the customer obtains control of the property.

4 Determination of transaction price:-

The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring promised goods or services to customer excluding GST. The consideration promised in a contract with a customer may include fixed amount, variable amount or both. In determining transaction price, the company assumes that goods or services will be transferred to the customer as promised in accordance with the existing contract and the contract can't be cancelled, renewed or modified.

5 Allocating the transaction price to the performance obligation:-

The allocation of the total contract price to various performance obligation are done based on their standalone selling prices, the stand alone selling price is the price at which the company would sell promised goods or services separately to the customers.

- 6 Recognition of revenue when (or as) the company satisfies a performance obligation:

Performance obligation is satisfied over time or at a point in time

Performance obligation is satisfied over time if one of the criteria out of the following three is met:

-The customer simultaneously receives and consumes a benefit provided by the company's performance as the company performs.

- The company's performance creates or enhances an asset that a customer controls as asset is created or enhanced or
- The company's performance doesn't create an asset within an alternative use to the company and the company has an enforceable right to payment for performance completed to date.

Therefore the revenue recognition for a performance obligation is done over time if one of the criteria is met out of the above three else revenue recognition for a performance obligation is done at point in time.

The company disaggregate revenue from real estate projects on the basis of nature of revenue.

(b) Project Management Fee

Project Management fee is accounted as revenue upon satisfaction of performance obligation as per agreed terms.

(c) Interest Income

Interest due on delayed payments by customers is accounted on accrual basis.

(d) Income from trading sales

Revenue from trading activities is accounted as revenue upon satisfaction of performance obligation.

(e) Dividend income

Dividend income is recognized when the right to receive the payment is established.

(iv) Borrowing Cost

Borrowing cost that are directly attributable to the acquisition or construction of a qualifying asset (including real estate projects) are considered as part of the cost of the asset/project. All other borrowing costs are treated as period cost and charged to the statement of profit and loss in the year in which incurred.

(v) Property, Plant and Equipment

Recognition and initial measurement

Properties plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Depreciation on Property, Plant and Equipment is provided on written down value method based on the useful life of the asset as specified in Schedule II to the Companies Act, 2013. The management estimates the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in the case of steel shuttering and scaffolding, whose life is estimated as five years considering obsolescence.

Cost of building constructed on land owned by third party under 'Build Own Transfer' agreement is amortized over the period of the agreement.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

(vi) Intangible Assets**Recognition and initial measurement**

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent measurement (amortization and useful lives)

Intangible assets comprising of ERP & other computer software are stated at cost of acquisition less accumulated amortization and are amortised over a period of four years on straight line method.

(vii) Goodwill on Consolidation

Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses, if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount.

(viii) Impairment of Non Financial Assets

The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its

recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss.

(ix) Financial Instruments**(a) Financial assets****Initial recognition and measurement**

Financial assets are recognised when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs

Subsequent measurement

- (1) Financial instruments at amortised cost – the financial instrument is measured at the amortised cost if both the following conditions are met:
 - (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. All other debt instruments are measured at Fair Value through other comprehensive income or Fair value through profit and loss based on Group's business model.

- (2) Equity investments – All equity investments in scope of INDAS 109 are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Group decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Group makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

- (3) Mutual funds – All mutual funds in scope of Ind-AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

(b) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost that are attributable to the acquisition of the financial liabilities are also adjusted. These liabilities are carried at as amortised cost.

Subsequent measurement

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. These liabilities include borrowings and deposits.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or on the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(c) Compound financial instrument

Compound financial instrument are separated into liability and equity components based on the terms of the contract. On issuance of the said instrument, the liability component is arrived by discounting the gross sum at a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost until it is extinguished on conversion or redemption. The remainder of the proceeds is recognised as equity component of compound

financial instrument. This is recognised and included in shareholders' equity, net of income tax effects, and not subsequently re-measured.

(d) Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

(e) Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 47 details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by INDAS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(f) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(x) Fair value measurement

Fair value is the price that would be received to sell as asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value

measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs:

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfer have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosure, the Company has determined classes of assets and

liabilities on the basis of nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(xi) Inventories and Projects in Progress

(a) Inventories

- Building material and consumable stores are valued at lower of cost and net realisable value. Cost is determined on the basis of the 'First in First out' method.
- Land is valued at lower of cost and net realisable value. Cost is determined on average method. Cost includes cost of acquisition and all related costs.
- Construction work in progress is valued at lower of cost and net realisable value. Cost includes cost of materials, services and other related overheads related to project under construction.
- Completed real estate project for sale is valued at lower of cost and net realizable value. Cost includes cost of land, materials, construction, services and other related overheads.
- Stock in trade is valued at lower of cost and net realisable value.

(b) Projects in progress

Projects in progress are valued at lower of cost and net realisable value. Cost includes cost of land, development rights, materials, construction, services, borrowing costs and other overheads relating to projects.

(xii) Foreign currency translation

(a) Functional and presentation currency

The financial statements are presented in currency INR, which is also the functional currency of the Group and presented in crores.

(b) Foreign currency transactions and balances

- Foreign currency transactions are recorded at exchange rates prevailing on the date of respective transactions.
- Financial assets and financial liabilities in

foreign currencies existing at balance sheet date are translated at year-end rates.

- iii. Foreign currency translation differences related to acquisition of imported fixed assets are adjusted in the carrying amount of the related fixed assets. All other foreign currency gains and losses are recognized in the statement of profit and loss.

(xiii) Retirement benefits

- i. Contributions payable by the Group to the concerned government authorities in respect of provident fund, family pension fund and employee state insurance are charged to the statement of profit and loss.
- ii. The Group is having Group Gratuity Scheme with Life Insurance Corporation of India. Provision for gratuity is made based on actuarial valuation in accordance with INDAS-19.
- iii. Provision for leave encashment in respect of unavailed leave standing to the credit of employees is made on actuarial basis in accordance with INDAS-19.
- iv. Actuarial gains/losses resulting from re-measurements of the liability/asset are included in other comprehensive income.

(xiv) Provisions, contingent assets and contingent liabilities

A provision is recognized when:

- the Group has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

(xv) Earnings per share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(xvi) Leases

The company has applied INDAS 116 w.e.f. 01.04.2019. In accordance with INDAS 116, the company recognises right of use assets representing its right of use the underlying asset for the lease term at the lease commencement date. The cost of right of use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before commencement date less any lease incentive received plus any initial direct cost incurred and an estimate of cost to be incurred by lessee in dismantling and removing underlying asset or restoring the underlying asset or site on which it is located. The right of use asset is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any, and adjusted for any re-measurement of lease liability. The right of use assets is depreciated using the Straight Line Method from the commencement date over the charter of lease term or useful life of right of use asset. The estimated useful life of right of use assets are determined on the same basis as those of Property, Plant and Equipment. Right of use asset are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in Statement of Profit and Loss.

The company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the company uses incremental borrowing rate.

The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest

on lease liability, reducing the carrying amount to reflect the lease payments made and re-measuring the carrying amount to reflect any reassessment or lease modification or to reflect revised-in-substance fixed lease payments. The company recognises amount of re-measurement of lease liability due to modification as an adjustment to write off use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of right of use assets is reduced to zero and there is further reduction in measurement of lease liability, the company recognises any remaining amount of the re-measurement in Statement of Profit and Loss.

The company has elected not to apply the requirements of INDAS 116 to short term leases of all assets that have a lease term of 12 months or less unless renewable on long term basis and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense over lease term.

(xvii) **Income Taxes**

- i. Provision for current tax is made based on the tax payable under the Income Tax Act, 1961. Current income tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity)
- ii. Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

(xviii) **Cash and Cash Equivalent**

Cash and Cash equivalent in the balance sheet comprises cash at bank and cash on hand, demand deposits and short term deposits which are subject to an insignificant change in value.

The amendment to INDAS-7 requires entities to

provide disclosure of change in the liabilities arising from financing activities, including both changes arising from cash flows and non cash changes (such as foreign exchange gain or loss). The Company has provided information for both current and comparative period in cash flow statement.

(xix) **Significant management judgements in applying accounting policies and estimation of uncertainty**

Significant management judgements

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

The following are significant management judgements in applying the accounting policies of the Group that have the most significant effect on the financial statements.

Estimation of uncertainty related to Global Health Pandemic from COVID-19

The company has assessed the possible effect that may result from pandemic relating to COVID-19 on carrying amount of receivables, inventory, investments, advances and other assets & liabilities. In considering the assessment, the company has considered internal information and is highly dependent on estimates and circumstances as they evolve.

(a) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized.

Estimation of uncertainty

(a) Recoverability of advances/receivables

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

(b) Defined benefit obligation (DBO)

Management's estimate of the DBO is based

on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

(c) Provisions

At each balance sheet date based on management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding warranties and guarantees. However the actual future outcome may be different from this judgement.

(d) Inventories

Inventory is stated at the lower of cost or net realisable value (NRV).

NRV for completed inventory is assessed including but not limited to market conditions and prices existing at the reporting date and is determined by the Company based on net amount that it expects to realise from the sale of inventory in the ordinary course of business.

NRV in respect of inventories under construction is assessed with reference to market prices (by referring to expected or recent selling price) at the reporting date less estimated costs to complete the construction, and estimated cost necessary to make the sale. The costs to complete the construction are estimated by management.

(e) Lease

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of INDAS 116. Identification of a lease requires significant judgement. The company uses significant judgement in assessing the lease

term (including anticipated renewals) and the applicable discount rate.

The company determines the lease term as the non-cancellable period of lease, together with both periods covered by an option to extend the lease if the company is reasonably certain to exercise that option and periods covered by an option to terminate the lease if the company is reasonably certain not to exercise that option. In exercise whether the company is reasonably certain to exercise an option to extend a lease or to exercise an option to terminate the lease, it considers all relevant facts and circumstances that create an economic incentive for the company to exercise the option to extend the lease or to exercise the option to terminate the lease. The company revises lease term, if there is change in non-cancellable period of lease. The discount rate used is generally based on incremental borrowing rate.

(f) Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument / assets. Management bases its assumptions on observable data as far as possible but this may not always be available. In that case Management uses the best relevant information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

(g) Classification of assets and liabilities into current and non-current

The Management classifies assets and liabilities into current and non-current categories based on its operating cycle.

The group tests goodwill annually for impairment. Goodwill of Rs. 72.98 crore (PY Rs. 73.01 crore) have been allocated to the respective business/projects from where goodwill is generated. The estimated value in use is based on future cash flows and annual growth rate. Based on reasonable assumption, the group did not identify any probable scenario in which the recoverable amount of cash generating unit would decrease below its carrying value, hence no impairment is required in the carrying value of goodwill.

10	The Company has one class of non-convertible redeemable preference shares and having a par value of Rs. 10 per share. The preference shares carry a right to preferential dividend of 0.1 % per annum in relation to capital paid on them and are redeemable upon 20 years from the date of allotment with call and put option for redemption after 10 years from the date of allotment. The redemption of preference share shall be at a premium of 6% per annum from the date of allotment over and above the total issue price per preference share and premium will be prorated/proportionate to the period of holding of these shares. As the aforesaid preference shares carry nominal rate of preference dividend and premium on redemption, therefore, on transition to INDAS, these has been considered as compound financial instrument, which has been bifurcated into liability and equity components. In subsequent years, the liability part is increased with the notional interest computed using effective interest rate and said interest is charged to statement of profit and loss. Further, the premium payable on redemption of preference shares shall be provided out of the profit of the company or out of securities premium before the preference shares are redeemed. The company has chosen to pay premium on such redemption out of securities premium account, therefore, no appropriation out of profit have been made. 38 Balances of trade receivables, trade payables, loan/ advances given and financial and non financial assets and liabilities are subject to reconciliation and confirmation from respective parties. The balance of said trade receivables, trade payables, loan/ advances given and financial and non financial assets and liabilities are taken as shown by the books of accounts. The ultimate outcome of such reconciliation and confirmation cannot presently be determined, therefore, no provision for any liability that may result out of such reconciliation and confirmation has been made in the financial statement, the financial impact of which is unascertainable due to the reasons as above stated.

39 The Income Tax Department has filed writ petition before Hon'ble Supreme Court against the order of Income tax settlement commission in earlier years for assessment year 2000-01 to 2006-07, which is pending for hearing. Pending final outcome of such petition filed, no provision of any potential liability has been made in the books of accounts, the amount of which cannot presently be ascertained.

The income tax department has raised a demand of Rs. 109.35 crore against the Company after giving effect to orders of CIT(A) / ITAT for A.Y. 2007-08 to A.Y. 2010-11, mainly on account of disallowance u/s 80IB. The company has filed

further appeals before the higher authorities against the impugned orders of the CIT (A) / ITAT. An amount of Rs. 105.23 crore has been deposited by the company against this demand under dispute. Further the Income Tax Department has also filed necessary appeals/writ petitions/ SLP with appropriate authority against the relief given by various appellate authorities of Rs. 138.42 crore to the Company. A demand of Rs. 1.20 cr had been raised on account of penalty u/s 271C in previous years, which has been deleted by CIT(A), against which department may have filed an appeal before the higher authorities. A further demand of Rs. 59.28 crore has been raised against the Group for A.Y.s 2011-12 to 2017-18 mainly on account of disallowance u/s 80IB, Additions u/s 68 and penalty u/s 271(1)(c) and the company has filed appeals before the CIT(A)/ rectifications against these demands. An amount of Rs. 22.64 crore has been deposited by the company against this demand under dispute. Provision against disputed tax demands amounting to Rs. 64.37 crores has been made in financial statement and its appearing in long term provisions in note no. 7 A.

Based on the decision of various appellate authorities and the interpretations of relevant provisions of Income Tax Act, 1961, the Company has been advised by the experts that the claim of the company under Section 80IB is sustainable; accordingly the Company is hopeful that the demand so raised is likely to be deleted.

- 40 The Ministry of Corporate Affairs (MCA) through Companies (Indian Accounting Standard) Amendment Rules 2019 and Companies (Indian Accounting Standard) Second Amendment Rules has notified INDAS 116 'leases' which replaces existing lease standard, INDAS 17 Leases and other Interpretation. INDAS 116 sets out the principles for recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single on balance sheet lease accounting model for lessees.

The company has adopted INDAS 116 effective annual reporting period beginning from April 1, 2019 and applied the standard to its leases retrospectively with the cumulative effect of initially applying the standard, recognised on the date of initial application (April 1,2019). Accordingly, the company has not restated comparative information, instead, the cumulative effect of initially applying Standard has been recognised as an adjustment to opening balance of retained earnings as on April 1,2019.

On Transition date i.e. April 1, 2019, the company has recognised a lease liability measured at the present value of remaining lease payments. The right of use assets is recognised at its carrying amount as if the Standard had been applied since the Commencement of the lease but discounted using lessee incremental borrowing rate. Accordingly, right of use asset of Rs. 3.17 Crore and a corresponding lease liability of Rs. 3.60 Crore has been recognised. The Cumulative effect on transition adjusted in retained earnings as on April 1, 2019 amounted to Rs. 0.33 Crore (net of deferred tax of Rs. 0.11 Crore). The principal portion of the lease payments have been disclosed under cash flow from financing activities. The weighted average incremental borrowing rate of 16% has been applied to lease liability recognised in balance sheet at the date of initial application.

On application of INDAS 116, the nature of expense has changed from lease rent in previous periods to depreciation cost for right of use asset and finance cost for interest accrued on lease liability.

The detail of right of use asset held by the company is as follows:

(Rupees in Crore)

Particulars	Addition for the year ended 31 March 2020	Net Carrying amount as at 31 March 2020
Building	226.39	165.52

(ii) Fair Value Hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are recognised and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the Indian Accounting Standard. An explanation of each level follows underneath the table.

For short term financial assets and liabilities carried at amortized cost, the carrying value is reasonable approximation of fair value.

Note 47: RISK MANAGEMENT

'The Group's activities expose it to market risk, liquidity risk and credit risk. The management has the overall responsibility for the establishment and oversight of the Group's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Group. The Group's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Group continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

Credit risk management

Credit risk rating

The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk on financial reporting date

B: Moderate Credit Risk

C: High credit risk

The Group provides for expected credit loss based on the following:

Credit risk	Basis of categorisation	Provision for expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances and investment	12 month expected credit loss
Moderate credit risk	Trade receivables and other financial assets	Life time expected credit loss or 12 month expected credit loss

Based on business environment in which the Group operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or litigation decided against the Group. The Group continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in the statement of profit and loss.

(Rupees in Crore)

Credit rating	Particulars	As at 31 March 2020	As at 31 March 2019
A: Low credit risk	Cash and cash equivalents, other bank balances and investment	214.95	255.50
B: Moderate credit risk	Trade receivables and other financial assets	656.34	653.98

Concentration of trade receivables

Trade receivables consist of a large number of customers spread across various states in India with no significant concentration of credit risk.

Credit risk exposure

Provision for expected credit losses

The Group provides for 12 month expected credit losses for following financial assets –

As at 31 March 2020

(Rupees in Crore)

Particulars	Gross carrying amount	Expected credit losses	Carrying amount net of expected credit losses
Trade Receivables	343.24	0.78	342.46

Other receivables	7.80	1.17	6.63
Total	678.04	24.06	653.98

The Group considers provision for lifetime expected credit loss for trade receivables, loans and advances given. Given the nature of business operations, the Group's receivables from real estate business has little history of losses as transfer of legal title of properties sold is generally passed on to the customer, once the Group receives the entire consideration. Advances are given for purchase of land and for other goods and services. Therefore trade receivables and advances given have been considered as moderate credit risk financial assets.

Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates.

Maturities of financial liabilities

The tables below analyse the financial liabilities into relevant maturity pattern based on their contractual maturities.

Market risk

Interest Rate risk

The Group's policy is to minimise interest rate cash flow risk exposures on long-term financing. As At 31st March the Group is exposed to changes in market interest rates through bank borrowings at variable interest rates. Other borrowings are at fixed interest rates.

Group's exposure to interest rate risk on borrowings is as follows:

(Rupees in Crore)

Particulars	As at 31 March 2020	As at 31 March 2019
Variable rate	1,259.04	1,460.97
Fixed rate	183.33	375.05
Total	1,442.37	1,836.02

The following table illustrates the sensitivity of profit and equity to a possible change in interest rates of +/- 1% (31 March 2020: +/- 1%; 31 March 2019: +/- 1%). These changes are considered to be reasonably possible based on observation of current market conditions. The calculations are based on a change in the average market interest rate for each period, and the financial instruments held at each reporting date that are sensitive to changes in interest rates. All other variables are held constant.

Note 48: CAPITAL MANAGEMENT POLICIES

(a) Capital Management

The Group's capital management objectives are to ensure the Group's ability to continue as a going concern as well as to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The Group monitors capital on the basis of the carrying amount of equity plus its subordinated loan, less cash and cash

equivalents as presented on the face of the statement of financial position and cash flow hedges recognised in other comprehensive income.

The Group manages its capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the group may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares. The amounts managed as capital by the group are summarised as follows:

(Rupees in Crore)
