EBITDA Margin (excl. other income)	17.1%	15.6%	-150BPS	15.1%	15.8%	70BPS
PAT	1,162	912	-21.5%	2,934	3,639	24.0%
PAT Margin	11.8%	7.3%	-450BPS	10.8%	10.0%	(80BPS)

Key Highlights:

- Achieved revenues of INR 36,264 mn during the FY 2026, establishing growth of 33% YoY.
- EBITDA margins stood at 15.8% respectively during the FY26 as compared to 15.1% for the same period during the previous year.

Commenting on the results, Mr. Ramesh Kunhikannan, Executive Vice Chairman & Promoter, Kaynes Technology India Limited, said: “We achieved revenues of INR 36,264 mn during the FY 2026 registering a growth of 33% YoY along with steady YoY growth in difficult market situations. Our order book stood at upwards of INR 80,000 million as of FY26, providing strong revenue visibility for the future.

During the quarter our Company achieved a significant milestone with the inauguration of our OSAT facility in Sanand, Gujarat. The event was graced by the Hon’ble Prime Minister Shri Narendra Modi ji, Hon’ble Chief Minister of Gujarat, Shri Bhupendrabhai Patel ji and Hon’ble Union Minister for Railways, Information & Broadcasting, and Electronics & Information Technology, Shri Ashwini Vaishnav ji, along with other distinguished dignitaries. Our OSAT unit is rapidly scaling up – within just 14 months of its groundbreaking ceremony, it has commenced commercial operations.

The HDI PCB manufacturing unit is nearing operational readiness, improving execution visibility and supporting scalable growth. We continue to see strong customer engagement, healthy long-term demand visibility, and increasing strategic relevance across key sectors. With our expanding capabilities in high-value electronics manufacturing, OSAT, PCB, and design-led solutions, we remain confident about the long-term growth potential of the company.”

Our Company has further strengthened its Board leadership and governance framework with the appointment of two distinguished Independent Directors. Padma Shri Dr. M. Annadurai, a renowned ISRO scientist and Former Director of the U.R. Rao Satellite Centre (URSC), brings over 37 years of experience across India’s landmark space missions, including Chandrayaan and Mangalyaan. His deep expertise in advanced technology, research, and national innovation programs adds significant strategic depth as Kaynes expands into new technology-driven opportunities. Additionally, Mr. Rajesh Mittal, a seasoned industry leader with over four decades of global experience in the automotive and engineering sectors, including serving as President and Managing Director of ISUZU Motors India, brings strong operational, technical, and strategic leadership capabilities that will further support the company’s next phase of growth and transformation.

About Kaynes Technology India Limited

Kaynes Technology is a leading end-to-end and IoT solutions-enabled integrated electronics manufacturer in India, having capabilities across the entire spectrum of Electronics System and Design Manufacturing (ESDM) services. It has over three decades of experience in providing Conceptual Design, Process Engineering, Integrated Manufacturing and Life Cycle Support for major players in the Automotive, Industrial, EVs, Aerospace, Outer-space, Strategic electronics, Medical, Railways, Internet of Things (“IoT”), Information Technology (“IT”) and other segments. The company has 16 advanced manufacturing infrastructure to manufacture high mix and high value products at variable or flexible volumes across all industry verticals. Apart from this, the company also has Service centres in Cochin and Mumbai, catering to Railway, Aerospace, and Industrial Clients.
