UNNATI KI AUR PEHLA KADAM

We feel very proud and happy that we've the chance to be connected with you and earn your trust for the past 28 years. During this time, we've faced both good times and challenges. But what truly matters is how we've handled tough situations, not just the problems themselves. At Akme Fintrade (India) Limited (AFIL), our growth is a result of the choices, we've made along the way. We've always focused on growing in the right way to create a strong financial institution.

Our journey began 28 years ago with a goal to make positive changes in Rajasthan's financial system. We had plenty of opportunities, even though there were difficulties. Looking back now, we feel proud of what we've achieved – building an organization that has not only survived the test of time but has also improved the lives of millions of people.

Every time, we've come out stronger because of the qualities we've developed over the years: being careful (prudence), sensible (sensitivity), and honest (honesty).

"Enthusiastically, we unveil our latest endeavours that pave the path for our mutual growth. We have launched our digital lending platform, Aasaan Loans. This innovative platform marks a significant step forward in providing convenient and accessible lending solutions to our valued customers. With Aasaan Loans, we are committed to making the lending process simpler and more user-friendly, reaffirming our dedication to meeting your financial needs.

Your Company's issue saw an overwhelming response from Institutional, High net-worth and Retail investors and the issue was oversubscribed 56.48 times. Equity shares of your Company got listed on the BSE Ltd and National Stock Exchange of India Limited on June 26, 2024.

Our story, initially intertwined with the essence of India's hinterlands, is now gracefully expanding into vast metropolises and urban vistas, all the while maintaining an unwavering dedication to placing our customers at the forefront of our efforts.

Thank you for being a part of this journey with us. We're excited about what lies ahead as we continue to grow and serve our customers even better.

"Linked by purpose, we chart a course where growth knows no limits."

1996

Akme Fintrade(India)Limited got incorporated. Initiated the journey as a Private Limited company

1995

A group of young enthusiastic and energetic qualified professionals join hands together with a vision to start a company in the field of finance.

1997

MISSION

- To promote a work culture that fosters individual growth, team spirit and creativity to overcome challenges and attain goals.
- To encourage ideas, talents, and value systems.
- To uphold the guiding principle of trust, integrity and transparency in all aspects of interactions and dealings.

VISION

To be a leading financial service provider in the semi urban and rural section, by being the most preferred and trusted financial institution, excelling in customer service delivery through commitment, caring and empowered employees to transform rural lives and drive positive change in the communities.

OUR VALUE

We value professional and personal integrity above all else. We achieve our goals by being honest and straightforward with all our stakeholders. We earn trust with every action, every minute of every day.

PASSION : We play to win. We have a healthy desire to stretch, to achieve personal goals and accelerate business growth. We strive constantly to improve and be energetic in everything that we do.

QUALITY: We take ownership of our work. We unfailingly meet high standards of quality in both what we do and the way we do it. We take pride in excellence.

RESPECT : We respect the dignity of every individual. We are open and transparent with each other. We inspire and enable people to achieve high standards and challenging goals. We provide everyone equal opportunities to progress and grow.

RESPONSIBILITY : We are responsible corporate citizens. We believe we can help make a difference to our environment and change lives for the better. We will do this in a manner that benefits our size and also reflects our humility.

SEEKING EXCELLENCE : We strive for perfection and excellence in all that we do and it is this motto that has led to the sustained growth of AFIL, regardless of upheavals in the economic environment. The sincerest efforts of every member of the AKME family to uphold these values shows in the treatment of customers and employees, while dealing with investors and clients and above all, in the supportive and inspiring environment we work in.

TEAMWORK & COLLABORATION

The AFIL way is to 'do it better together!' We believe in the collaborative approach; each person finds their niche in the company and the best manner in which to serve its needs, rather than chasing individual gains. Teamwork brings out the best in people and at AFIL, we feel that positive, constructive and efficient collaboration can ensure success.

PROFESSIONAL LEADERSHIP

The management team is led by qualified and experienced visionaries, who are supported by competent professionals. AFIL is chaired by Mr. Nirmal Kumar Jain, Chartered Accountant by Profession, an industry expert with more than 25 years of experience in the Finance industry,

GEOGRAPHIC FOOTPRINT

The Company commenced its journey from Udaipur, Rajasthan, in 1995. Apart from our Registered Office located at Udaipur, Rajasthan, we have network of 12 branches, spread across 4 states, Rajasthan, Maharashtra, Gujarat and Madhya Pradesh. Apart from our branch network we have our reach to 25 locations digitally.

DIFFERENTIATED MODEL

AFIL is selected to serve the needs of finance customers in the low and middle income segments of sub-urban and rural India, contrary to the industry preference of servicing customers in metro cities and urban clusters. AFIL could have addressed large, visible and conventionally credit worthy loan seekers instead the company chose to focus on customers excluded from the country's formal banking system on account of their inadequate documents for income validation.

ACCOUNTABILITY & OWNERSHIP

Accountability is all about answerability; the willingness to accept a task and be responsible for completing it to the best of one's abilities. Ownership, on the other hand, requires not only taking onus of the task at hand, but responsibility for the outcome of it, whatever that may be while workload and responsibilities are often shared at AFIL, each person feels completely accountable for the job they do. Employee diligence and dedication form the very foundation on which happy, successful companies are built.

HUMAN CAPITAL

AFIL comprises dedicated and qualified professionals like Chartered Accountants, Company Secretaries, Lawyers and MBAs from reputed institutions enhancing a culture of outperformance.

Whether it's finding the right loan or simply providing guidance, Dipesh's commitment to putting clients first has made him an essential part of the team, driving both trust and success at Aasaan Loans.

CHAIRMAN'S FOREWORD

Dear Shareholders,

It is with diametrically opposite feelings of pride and humility that I am connecting with all of you this year. February 05, 1996 is a date that has remained etched in our memories, the day that saw the birth of your Company. June 26, 2024 is another date that would remain indelibly in our heart and soul, the day that saw your Company emerge as a listed entity. Both these were moments of immense pride. But the way the entire listing panned out showed me how it is important to remain humble amidst all achievements and glory.

IPO is one of the most important dreams of every entrepreneur. The feelings of an entrepreneur at the time of his / her Company's listing are the same as the feelings experienced by a mother who sees her son or daughter reach a coveted position in the world. Words are inadequate to express those emotions. And I experienced this moment for myself when the clock struck 10 am on June 26, 2024. It was a long journey that culminated when we rang the bell in the National Stock Exchange to commence the listing of your Company's shares, but by no means was this journey an easy one.

MR. NIRMAL KUMAR JAIN
CHAIRMAN & MANAGING DIRECTOR

I firmly believe, responsible businesses are sustainable businesses in the long run. Beyond being recognized as India's most reliable financial services provider, we function as a powerful means of fostering inclusivity and empowerment across all segments of society. Our commitment to accountability seamlessly aligns with this underlying business ideology. Evaluating our achievements over the past year requires considering the lens of responsible value generation for every stakeholder.

I'm delighted to share with you the Annual Report of Akme Fintrade (India) Limited for the fiscal year 2023-24. Our extensive coverage, profound grasp of customer requirements, efficiency, speedy service, and trustworthiness persistently position us as the favoured choice in retail financing, even amidst these demanding circumstances. This truly reflects our joint efforts over the years to fulfill our goal- fostering financial access and improving the lives of people across all societal levels.

Economic landscape

On a macro level, the global economy observed a moderation in growth due to a convergence of multiple factors that had an impact on the majority of the major economies. In the context of India, the GDP growth stood at 8.2%, which was less than the previously predicted 9.6%.

In the field of industries, the year 2023-24 has shown positive results for Non-banking Finance Companies (NBFCs), indicating an encouraging growth trend for the sector. The RBI took various steps to enhance the management and risk oversight of NBFCs and create new avenues for these companies to secure funds and ensure their financial stability. NBFCs are actively exploring innovative methods to finance their expansion, and the RBI is aiding this process by simplifying the system. NBFCs have a vital role in sustaining demand for consumption as well as facilitating capital formation in the small and medium-sized industrial sector, making them indispensable to the Indian financial landscape.

Performance in perspective

We remained on track in ensuring consistent performance. In the year being evaluated, our loan assets under management increased to Rs. 40,372.00/- Lacs, compared to Rs. 35,416.00/- Lacs in the previous year.

Our total revenue during the year is Rs. 7350.12/- Lacs compared to Rs. 6,956.82/- Lacs in the previous year, whereas our profit after tax Rs. 1,852.92/- Lacs compared to Rs. 1,451.86/- Lacs in the previous year.

These numbers highlight the strong commitment within our company. We have kept growing steadily over time, and I'm delighted to share that our collective efforts have helped us achieve a net worth of Rs. 21,968.11/- Lacs and an Earnings per Share of Rs. 5.85/- as of March 31, 2024.

Responsible in every sense

Aligned with our core mission of empowering the often neglected sections of society, we also channel our efforts into fostering comprehensive progress. I can confidently affirm that anyone who has been linked with our organization can attest to the fact that our aim extends beyond mere profit generation; rather, it encompasses a profound drive to catalyse meaningful change in individuals' lives. Our dedication to community well-being seamlessly integrates with our strategy for advancement.

The well-being of our esteemed shareholders, who have shown their confidence in the Company, has consistently ranked as a top priority for the Board of Directors. Your backing and motivation hold great significance in propelling our company towards success. Both the Board and the executive leadership acknowledge their duty to ensure your investment in us translates into valuable returns.

We look forward to the future with renewed optimism as AFIL is focused on measurable outcomes. Our Future plans offers a clear roadmap and we believe that we have a bright opportunity ahead of us. Our targets are set, as we get ready to explore and create more milestones ahead. We owe a debt of gratitude to all the employees for helping build your Company and its businesses. We could not have done this without our shareholders and the communities we operate within. I envision greater achievements for your Company in the years to come and look forward to a successful year ahead.

Warm regards

Nirmal Kumar Jain
Chairman & Managing Director

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMIC AND INDUSTRY OVERVIEW

Global Economic Overview

The global economy has shown remarkable resilience despite enduring repeated and overlapping shocks, coupled with unprecedented monetary tightening measures. Growth in the US and several key emerging market economies (EMEs) has outperformed expectations. While, manufacturing activity has remained subdued, services have exhibited strength. The global economy grew by 3.1% and is anticipated to slow down to 2.9% in 2024. Although, headline inflation has decreased across countries, the decline in core and service inflation has been gradual, given the persistent tightness in labour markets. Major central banks in advanced economies (AEs) have kept policy rates on hold to ensure alignment of inflation with targets.

Following a two-year surge, global inflation exhibited signs of easing in 2023, although it remained elevated compared to the 2010-2019 average. After peaking at 8.1% in 2022, the highest in nearly three decades, global headline inflation declined to an estimated 5.7% in 2023. Projections indicate a further decrease to 3.9% in 2024, driven by the continued moderation in international commodity prices and reduced demand amid monetary tightening measures. While developed economies witnessed a notable slowdown in inflation, core inflation rates remain relatively high, influenced by increasing service sector prices and tight labour markets. Furthermore, inflation in most developing countries peaked in 2023 and is expected to continue moderating in 2024.

Indian Economic Overview

India has solidified its position as the world's third-largest fintech economy, ranking behind only USA and the UK. Furthermore, it has surged ahead of Hong Kong to claim the fourth spot in global stock markets. This accomplishment stems from both domestic and international investor confidence, strengthened by sustained IPO activity. Initiatives like the Skill India Mission, Start-Up India, and Stand-Up India have played a pivotal role in fostering greater women's participation in human capital development. Despite global economic uncertainties, India's GDP grew by 8.2% in FY 2023-24, driven by increased public sector investments, a resilient financial sector, and significant growth in non-food credit.

Going forward, the country is likely to remain the world's fastest-growing major economy on the back of growing demand, moderate inflation, stable interest rate regime and robust foreign exchange reserves. The economy is poised to achieve nearly 7% growth in FY 2024-25. The catalysts for this projected growth are likely to be robust domestic demand, private consumption and investment, and Government reforms and initiatives implemented over the past decade. The Government's investments in both physical and digital infrastructure, coupled with measures to increase manufacturing have strengthened the supply side. Together, these developments are likely to provide an impetus to the country's economic activity.

India is making significant strides to achieve its futuristic growth targets. The Indian economy is projected to cross the USD 4 Trillion mark during FY 2024-25, further escalating to USD 5 trillion by FY 2026-27. Additionally, the Government has set an ambitious goal of transforming into a developed country by 2047. India will sustain its upward growth track, propelled by stable and robust domestic demand, expanding private consumption and investments, and ongoing structural reforms.

The challenges to the growth trajectory are geo-political risks, food inflation triggered by heatwaves and climate risks, rising non-fuel commodity input prices of corporates and job creation for a rising population.

Industry Overview

Financial Industry: The Indian financial services industry is a dynamic and evolving sector, poised for further growth and innovation. It is a vital component of the country's economy, providing a range of financial products and services to individuals and businesses alike. Over the past two years, the financial services industry has demonstrated its ability to successfully navigate unprecedented levels of uncertainty. The industry is diverse, with a mix of traditional players such as commercial banks, insurance companies, and NBFCs, along with newer entities such as payment banks and small finance banks. The sector is well-regulated by the RBI, which has also allowed fintech companies to enter the fray, bringing innovation and efficiency to the industry. Digital transformation has been an important

driver in increasing the reach of financial services in the country and transparency.

India's financial services sector is undergoing a profound transformation, driven by the widespread adoption of digital technologies, shifting consumer preferences and heightened competition. This dynamic landscape is reshaping the sector's growth direction. Additionally, the integration of rapid technology has revolutionised the way Indians access and pay for services, with even street vendors embracing QR code payments. Consequently, the Boston Consulting Group anticipates a remarkable surge in India's digital payments market, projecting a threefold increase from USD 3 trillion to USD 10 trillion by 2026.

NBFC Industry: Non-Banking Financial Companies (NBFCs) are financial intermediaries that conduct financial transactions and offer almost all banking services except for issuing self-drawn checks and demand drafts. They solicit funds from the public, directly or indirectly, and execute loans to parties having repayment capacity. They provide credit to the unorganized sector and small local borrowers, such as wholesale/retail merchants, small and medium-sized businesses, and sole proprietors.

In the face of market competition from banks, NBFCs will retain their significance due to their extensive outreach, enhanced flexibility, personalized services, and innovative digital offerings. NBFCs' GNPA ratio has dropped from 5.9% (September 2022) to 4.6% (September 2023), approaching pre-pandemic levels, reflecting improved asset quality. With the decline in GNPA, the capital position of NBFCs also remains robust.

Company Overview:

Akme Fintrade (India) Limited (hereinafter referred as "AFIL" ('the Company')) is an Udaipur based diversified Non-Banking Finance Company (NBFC) registered with the Reserve Bank of India (RBI). Incorporated in 1996, the Company is engaged in providing specialized retail financing services to the lower income and middle-income groups of the society. Since over two decades, the Company primarily caters to the financially underserved masses spread across urban, semi-urban, and rural areas in the formal and informal sectors. The Company offers a wide range of retail finance products such as micro enterprise loans, SME loans, two-wheeler loans, used car loans and commercial vehicle loans to satisfy the varied needs of customers. A highly experienced management team, huge borrower base, diverse product mix, efficient liability management, and a well-spread branch network underpin the operations of the Company. The Company shares relevant applications with multiple lenders, increasing the probability of securing a loan and providing choices to the lenders to select the best loan for their portfolio.

Distribution Network

The distribution network of the company is characterized by its efficiency and customer-centric approach. The Company has established a strong distribution network and believes in offering best-in-class services at the doorstep of its customers. The Company has presence across Gujarat, Maharashtra, Rajasthan and Madhya Pradesh around 15 branches and 25 Business Points.

The well-entrenched network enables the Company to serve underserved masses and capture a significant share of the untapped demand in the hinterlands ensuring last-mile delivery of credit. AFIL is focused on catering to the borrowing needs of lower income and middle income groups of the society spread across urban, semi-urban and rural areas, in the formal and informal financial sectors.

Till 31st March, 2024, AFIL has catered to more than 2,00,000 customers through its robust network of 15 branches and 25 Business Points.

OVERVIEW OF COMPANY'S PERFORMANCE

In a volatile economic environment, the Company focused on capital preservation, collections, stringent operating expenses management and strengthening Balance Sheet. The credit rating of the Company is "ACUTE BBB". The new initiatives undertaken by the Company continue to show positive impact in all areas during the current year.

Disbursements and Loan Assets

The disbursements for the year increased from Rs. 7834.00/- Lacs in FY 2022-23 to Rs. 9705.00/- Lacs in FY 2023-24.

The focus of the Company was on maintaining the portfolio quality and focusing more on credit tested customers. Total Loan Assets as

on 31st March, 2024 on stood at Rs. 40372.00/- Lacs against Rs. 35416.00/- Lacs for the previous year.

OPPORTUNITIES & THREATS

Opportunity

- Proven track record and powerful brand recognition among small income groups of the society including urban, semi urban, and rural areas.
- Embracing digital initiatives
- Understanding the customer's approach
- Easy and simplified sanction procedure and disbursement
- Flexible operation & ability to innovate
- Successful track record of catering to the MSME sector.
- Operates in underpenetrated business segment with huge growth potential.
- Initiatives by the Government to further boost MSME sector.
- Untapped credit needs of MSME segment.
- Consolidation and shift towards digital and organized space.

Threats

- Sharper monetary tightening.
- Rise in competitive intensity due to Strong and dynamic competitors.
- External political risk.
- New Entries in same space with Digitisation.
- Unpredictable policy changes by the Government.
- Higher exposure to semi-formal and informal sector customers.

OUTLOOK

In the face of market competition from banks, NBFCs will retain their significance due to their extensive outreach, enhanced flexibility, personalized services, and innovative digital offerings. The role of NBFCs in the larger financial sector is expected to gain in strategic importance. NBFCs have become an integral part of the financial system, complementing the role of traditional banks and contributing to the inclusive growth of the economy. They cater to the diverse financial needs of different customer segments and play a significant role in promoting financial access and deepening financial markets. Being predominantly digital natives, there is already a trend towards greater use of digital tools and technology amongst NBFCs in their processes and customer outreach. This will enhance their efficiency parameters, going forward.

Additionally, as NBFCs cater to those at the bottom of the pyramid, both at the individual as well as enterprise level, it is assumed that while their clients rise in economic status, they will continue to patronise the financiers that have introduced them to the formal financial sector, assuming that they receive good service and suitable products. Within this evolving scenario, AFIL has clarity on the path ahead with respect to its approach to Asset Creation and Liability Management.

Furthermore, NBFCs are increasingly adopting digitisation to enhance operational efficiency, elevate customer experiences, drive cost savings and ensure compliance with regulatory standards. Despite facing stiff competition from public and private sector banks and Microfinance Institutions (MFIs) across market share, customer acquisition, asset quality and technological innovation, NBFCs have spearheaded innovative digital initiatives. Through frugal innovation, they leverage cutting-edge technologies like cloud computing, low- code/no-code platforms, data lakes and artificial intelligence (AI). These technologies propel multiple concepts like application modernisation, super apps, data transparency and robust information security.

This digital transformation enables NBFCs to compete effectively with larger institutions for customer engagement, while delivering seamless experiences for both customers and employees. In recent times, NBFCs have surpassed banks in terms of new credit disbursements, leveraging technology to reach underserved sectors and capitalising on banks' limitations in swiftly expanding operations and adapting inflexible policies.

26. ARM'S LENGTH PRINCIPLES

The transactions between the Company and its group companies are to be undertaken on an arm's length basis. The following broad principles shall be adhered to at the time of undertaking such transactions:

- a) All transactions shall have the substantive characteristics of a transaction between independent parties.
- b) The transactions shall be entered into in a need based manner and shall be based on principle of impartiality.
- c) The pricing for specific transactions shall be at market related rates and would be benchmarked against comparable quotes for similar transactions in the market between independent parties.
- d) The transactions shall comply with all statutory/regulatory guidelines, internal policy norms and procedures (including appropriate documentation) applicable to such transactions, if engaged with independent parties with similar background.

27. WEB LINK OF ANNUAL RETURN

In pursuance to the provisions of Section 92(3) of the Companies Act, 2013 read with Rules made thereunder and amended time to time, the Annual Return of the Company for the Financial Year ended on March 31, 2024 is available on the website of the company i.e. www.aasaanloans.com and the web link of the same is <https://aasaanloans.com/investor-relation/financials/>.

28. ARISK MANAGEMENT POLICY OF THE COMPANY

Financing activity is the business of management of risks, which in turn is the function of the appropriate credit models and the robust systems and operations.

Your Company continues to focus on the above two maxims, and is always eager to improve upon the same. Your Company continues to give prime importance to the function of receivables management, as it considers this the ultimate reflection of the correctness of marketing strategy as well as appraisal techniques.

The Board of Directors has adopted a risk management policy for the Company which provides identification, assessment and control of risks which in the opinion of the Board may threaten the existence of the Company. The Management identifies and controls risks through a properly defined framework in terms of the aforesaid policy.

The Company has in place a Risk Management Policy and introduced several measures to strengthen the internal controls systems and processes to drive a common integrated view of risks, optimal and mitigation responses. This integration is enabled through a dedicated team and Risk Management, Internal Control and Internal Audit systems and processes.

29. CORPORATE SOCIAL RESPONSIBILITY (CSR):

The Company's CSR policy is committed towards CSR activities as envisaged in Schedule VII of the Act. The Details of CSR policy of the Company are available on the website of the Company at www.aasaanloans.com. The Annual Report on CSR activities as required under Companies (Corporate Social Responsibility Policy) Rules, 2014 is attached to this report as **Annexure II**.

30. DISCLOSURES UNDER SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION & REDRESSAL) ACT, 2013

The Company is committed to provide a safe and conducive work environment to its employees at workplace. The Company has in place a Policy for prevention of Sexual Harassment, in line with the requirements of the "Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013." Internal Complaints Committee (ICC) has been set up to redress complaints, as and when received, regarding sexual harassment and all employees are covered under this Policy. During the year under review, there were no cases filed pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

32. SUBSIDIARY, ASSOCIATE AND JOINT VENTURE COMPANY

The Company does not have any subsidiary, associate and joint venture company within the meaning of Section 2(87) and 2(6) of the Companies Act, 2013 and no new subsidiary, associate and joint venture Company was formed during the year under review.

33. DELISTING FROM STOCK EXCHANGE OF NON CONVERTIBLE DEBENTURE

The Company has allotted the Non-Convertible Redeemable Debentures on 30th June 2020 with the maturity period of 3 years. The Company has made full repayment of principal and interest amount of the said allotted debentures on 30th June 2023. As the debentures are redeemed, the Company had filed application with the stock exchange for the delisting of such debentures and the same is approved by the stock exchange.

34. DIRECTORS' RESPONSIBILITY STATEMENT

To the best of their knowledge and belief and according to the information and explanations obtained by them, your Directors make the following statements in terms of Section 134(5) of the Companies Act, 2013:

- that in the preparation of the Annual Financial Statements for the year ended March 31, 2024, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
- that such accounting policies as mentioned in the Notes to the Financial Statements have been selected and applied consistently and judgment and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2024 and of the profit of the Company for the year ended on that date;
- that proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- that the Annual Financial Statements have been prepared on a going concern basis;
- that proper Internal Financial Controls were in place and that the financial controls were adequate and were operating effectively;
- that systems to ensure compliance with the provisions of all applicable laws were in place and were adequate and operating effectively.

35. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

In accordance with the applicable provisions of the Master Direction issued by the Reserve Bank of India a detailed analysis of the Company's performance is discussed in the Management Discussion and Analysis Report, which forms part of this Annual Report.

36. HUMAN RESOURCES AND INDUSTRIAL RELATIONS

Many initiatives have been taken to support business through organizational efficiency, process change support and various employee engagement programmes which has helped the organization achieve higher productivity levels. A significant effort has also been undertaken to develop leadership as well as technical/ functional capabilities in order to meet future talent requirement.

A. TRAINING & DEVELOPMENT

In the field of Human Resource Development, your company stresses on the need to continuously upgrade the competencies of its employees and equip them to keep abreast of latest developments in the sector. The Company operates in a knowledge intensive business and is committed to enhancing these skills of its employees. In order to achieve this, the Company has an annual training plan to assess the various training needs. Necessary professional skills are also imparted across all levels of employees through customized training interventions.

B. HUMAN RESOURCE MANAGEMENT

The Company had 125 employees on its rolls at various levels of organizational structure as on March 31, 2024. Our employees remain one of the company's greatest assets. We as an organization, believe in recognizing and appreciating employees for their valuable contribution and loyalty. We offer equal opportunities to all our employees irrespective of gender to learn and grow in the organization. For the convenience of our employees and bringing new ways of working, we are promoting digitalization for our employees as well as our customers.

Your Company lays great emphasis on upgrading the skills of its Human Resource. It benchmarks its practices with the best practices being followed in the corporate world. This, apart from other strategic interventions, leads to effective management of Human Resource thereby ensuring high level of productivity. Your Company enjoys a very cordial and harmonious relationship with its employees.

C. WELFARE MEASURES

Your Company follows good management practices to ensure welfare of its employees through a process of inclusive growth & development. The Company follows an open door policy whereby the employees can access the top management thereby contributing in the management and growth of the company. Commitment of the workforce is ensured through an effective package of welfare measures which include comprehensive insurance, medical facilities and other amenities which in turn lead to a healthy workforce.

37. OPPORTUNITIES & THREATS

Most of the NBFCs Customer profile is concentrated either in unorganized sector or on the self-employed segment, NBFCs have also ventured into riskier segments such as real estate, unsecured loans, purchase finance for used commercial vehicles, etc. These factors increase their risk profile which could have adverse impact on the financial health of NBFCs and have immense business potential from the segment untapped by commercial banks. The changes in the regulatory frame work have made NBFCs very competitive and responsible. The Reserve Bank of India (RBI) has introduced guidelines under which bank loans to NBFCs are not considered priority-sector loans, which reduces incentives from banks to lend directly to NBFCs and will increase the latter's funding costs. Access to stable funding from banks, institutional investors and capital markets is a key factor in the stable outlook on the sector, and any disruption in funding access could lead to negative growth as well as rating action.

38. AUDIT COMMITTEE

The Company has constituted an Audit Committee in accordance with the requirements of the Companies Act, 2013, RBI directions, and SEBI Listing Regulations. Details on Audit committee, terms of reference and meetings appear on the Report on Corporate Governance annexed to this report. All recommendations of Audit Committee were accepted by your Board during the financial year 2023-24.

39. MAINTENANCE OF COST RECORDS:

The provision of section 148 of the Act relating to maintenance of cost records and cost audit are not applicable to the Company. Hence, the Company is not maintaining Cost records.

40. DEPOSITS (SECTION 73 OF THE COMPANIES ACT 2013)

Your Company is a non-deposit taking Non-Banking Financial Company. The Company has not accepted any deposit during the

year under review. Further, the Company had also passed a resolution to the effect that the company has neither accepted public deposit nor would accept any public deposit during the year under review from public.

41. APPLICATION OR PROCEEDING UNDER INSOLVENCY AND BANKRUPTCY CODE, 2016

According to the 2016 Insolvency and Bankruptcy Code, no such application has been made.

42. VIGIL MECHANISM AND WHISTLE BLOWER POLICY

The Company has established a Vigil Mechanism/ Whistle Blower policy to enable Directors, and Stakeholders, including individual employees and their representative bodies to report, in good faith, unethical, unlawful or improper practices, acts, or activities and the same have been disclosed on the website of the company www.aasaanloans.com.

43. REPORTING OF FRAUDS BY AUDITORS

During the year under review, neither the statutory auditors nor the secretarial auditor has reported to the Audit Committee, under Section 143 (12) of the Companies Act, 2013, any instances of fraud committed against the Company by its officers or employees, the details of which would need to be mentioned in the Board's report, which forms part of this Integrated Annual Report.

44. EVALUATION OF BOARD AND SENIOR MANAGEMENT

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out an annual performance evaluation of its own performance, the directors individually as well as the evaluation of the working of its Committees. Further, the Nomination & Remuneration Committee has carried out the performance evaluation of Senior Management including the Company Secretary, Chief Executive Officer and Chief Financial Officer of the Company. The manner in which the evaluation was carried out has been explained in the Corporate Governance Report which forms part of this report.

45. NOMINATION AND REMUNERATION POLICY

The Board has framed a policy for selection and appointment of Directors, Key Managerial Personnel (KMP) and Senior Management and their remuneration. As and when need arises to appoint Director, KMP and Senior Management Personnel, the Nomination and Remuneration Committee (NRC) of the Company will determine the criteria based on the specific requirements. NRC, while recommending candidature to the Board, takes into consideration the qualification, attributes, experience and independence of the candidate. Director(s), KMP(s) and Senior Management Personnel appointment and remuneration will be as per NRC Policy of the Company. The salient features of the Nomination and Remuneration Policy of the Company has been disclosed in the Corporate Governance Report, which is a part of this report. The said Policy is available on the Company's website on <https://aasaanloans.com/wp-content/uploads/2023/04/Nomination-and-Remuneration-Policy.pdf>.

46. ACKNOWLEDGEMENT

Your Directors wish to place on record their appreciation for cooperation your Company has received from the various departments like MCA, Registrar of Companies, various Organizations and Agencies for the continued help and co-operation extended by them. The Directors also gratefully acknowledge all stakeholders of the Company viz. customers, members, dealers, vendors, banks and other business partners for the excellent support received from them during the year. The Directors place on record their sincere appreciation to all employees of the Company for their unstinted commitment and continued contribution to the Company.

ANNEXURE -I

FORM MR-3 SECRETARIAL AUDIT REPORT

(For The Financial Year Ended March 31st, 2024)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members

Akme Fintrade (India) Limited

Akme Business Centre (ABC), 4-5 Subcity Centre Savina

Circle, Opp. Krishi Upaz Mandi, Udaipur -313002

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Akme Fintrade (India) Limited** (hereinafter called "**The Company**"). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period **01.04.2023 to 31.03.2024**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **Akme Fintrade (India) Limited** for the period ended on 31.03.2024 according to the provisions of:

1. The Companies Act, 2013 (**the Act**) and the Rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 (**'SCRA'**) and the Rules made thereunder; (**Not Applicable to the Company during the Audit Period**)
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**'SEBI Act'**) to the extent applicable to the Company: -
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (**Not Applicable to the Company during the Audit Period**)
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (**Not Applicable to the Company during the Audit Period**)
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (**Not Applicable to the Company during the Audit Period**)
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 - (**Not Applicable to the Company during the Audit Period**)
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993

regarding the Companies Act and dealing with client

- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 - **(Not Applicable to the Company during the Audit Period)**
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - **(Not Applicable to the Company during the Audit Period);** and
 - i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 to the extent applicable to the company.
5. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of External Commercial Borrowings;
 6. Rules, regulations, directions and guidelines issued by the Reserve Bank of India as are applicable to the Company;

7. I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
- (ii) During the period under review, the Company has complied with provisions of the Act, Rules, applicable Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

- A. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Director and Independent Directors. The changes in the composition of the Board of Directors, Non-Executive Directors and Independent Directors that took place during the period under review were carried out in compliance with the provisions of the Act;
- B. Adequate notice was given to all directors to schedule the Board Meetings, agenda were sent in advance, and a system exists for seeking and obtaining further information and clarification on the agenda items before the meeting and for meaningful participation at the meeting;
- C. All decision at Board Meetings and Committee Meetings are carried unanimously as recorded in the minutes of the Meetings of the Board of Directors or Committee of the Board, as the case may be;

I further report that based on review of compliance mechanism established by the Company and on the basis of the Compliance Certificate(s) issued by the Company Secretary and taken on record by the Board of Directors at their meeting(s), I am of the opinion that the management has adequate systems and processes commensurate with its size and operations, to monitor and ensure compliance with all applicable laws, rules, regulations and guidelines except the following:

I further report that during the review period there were no other specific events/action having a major bearing on the Company affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

REPORT ON CORPORATE GOVERNANCE

The report on Corporate Governance pursuant to the Companies Act, 2013 ("the Act") and the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations") and forming part of the Directors' Report for Financial year 2023-24 is presented below:

Company's philosophy on Code of Governance

"Good corporate governance helps to build an environment of trust, transparency and accountability necessary for fostering long-term investment, financial stability and business integrity, thereby supporting stronger growth."

Akme Fintrade (India) Limited ("the Company") is committed towards achieving the highest standards of Corporate Governance by staying true to its core values of Customer First, Transparency, Integrity and Professionalism. The Company continually works towards implementing robust, resilient and best-in-class corporate practices in every facet of its operations, and in all spheres of its activities, thereby generating higher returns and maximizing shareholder value.

Company's believes in adopting and adhering to the best standards of Corporate Governance. It consistently benchmarks itself against such standards. The Company duly acknowledges its fiduciary role and responsibility towards all of its Stakeholders including Shareholders and strives hard to meet their expectations. The Company's philosophy on Corporate Governance enshrines the goal of achieving the highest levels of transparency, accountability and equity in all spheres of its operations and in all its engagements with the Stakeholders. It understands that best Board practices, transparent disclosures, ethical conduct of business and Shareholder's empowerment are necessary for creating sustainable Shareholder value.

Company's philosophy on Corporate Governance encompasses simple tenets of integrity, transparency, accountability and fairness in whatever the Company does and what it basically aims at achieving is a complete adherence to the applicable laws while at the same time ensuring complete commitment to values and the highest ethical standards in every facet of its operations and in each of its functional areas. This together with meaningful social activities has enabled your Company to earn the trust and goodwill of its investors, business partners, employees and the communities in which it operates. In line with the nature and size of operations, the Corporate Governance framework of the Company, is based on the following main principles:

- Constitution of a Board of Directors of appropriate composition, size, varied experience and commitment to discharge their responsibilities and duties.
- Transparency and independence in the functions of the Board.
- Ensuring timely flow of information to the Board and its Committees to enable them to discharge their functions effectively.
- Independent verification and assured integrity of financial reporting.
- Timely and balanced disclosure of all material information concerning the Company to all stakeholders and protection of their rights and interests.
- A sound system of risk management, internal control, anti-bribery and anti-corruption business practices.
- Compliance with applicable laws, rules and regulations in letter and spirit.
- Number of Board and Committee meetings more than the statutory requirement, including meetings dedicated for discussing strategy, operating plans and risks.
- Board comprises of directors from diverse backgrounds and substantial experience, who are able to provide appropriate guidance to the executive management as required.
- Complete and detailed information provided to Board members in advance to enable them to evaluate matters carefully for meaningful discussions.

Your Company recognizes and embraces the importance of a diverse Board in its success which is enriched with appropriate balance of skills, experience, diversity of perspectives, thereby ensuring effective Board governance. The Board of Directors of your Company is at the core of the Corporate Governance practices and oversees how the management serves and protects the long-term interest of the Stakeholders. Your Company's Corporate Governance framework ensures that it makes timely and appropriate disclosures and shares factual and accurate information. Given below is the report of the Directors on Corporate Governance in accordance with the provisions of the SEBI LODR Regulations.

BOARD OF DIRECTORS

The Board of Directors of the Company plays a key role, as they oversee the functioning of the organization and ensure that it continues

to operate in the best interest of all the stakeholders. Thus, the Company strives to keep its Board well-informed, independent and actively involved in the important decision-making process pertaining to the Company.

The Board of Directors represents the interest of Company Shareholders, in optimizing long-term Value by providing the Management with the guidance and strategic direction on the shareholder's behalf. The Board has a formal schedule of matters reserved for its consideration and decision, which includes reviewing corporate performance, ensuring adequate availability of financial resources, regulatory compliance, safeguarding the interest of shareholders and reporting to shareholders.

The Directors attend and actively participate in Board Meetings and meetings of the Committees in which they are Members. The Board's responsibilities include various matters, inter-alia, including:

- a) Overall direction of the Company's business, including projections on capital requirements, budgets, and revenue streams, expenses and profitability;
- b) Review of quarterly/annually results and its business segments.
- c) Compliance with various laws and regulations;
- d) Addressing conflicts of interest;
- e) Ensuring fair treatment of borrowers and employees;
- f) Ensuring information sharing with and disclosures to various Stakeholders, including investors, employees and regulators;
- g) Developing a corporate culture that recognizes and rewards adherence to ethical standards;

The Company has a broad-based Board of Directors, constituted in compliance with the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and in accordance with highest standards of Corporate Governance in its management, which ensures an appropriate mix of Executive/Non-Executive and Independent Directors with demonstrated skill sets and relevant experience.

***Resignation of Mr. Shiv Prakash Shrimali from the post of Non-Executive Non-Independent Director w.e.f. July 22, 2024

F. Evaluation of Performance of Directors and Board

With the objective of enhancing the effectiveness of the board, the Nomination & Remuneration Committee formulated the methodology and criteria to evaluate the performance of the board and each director. The evaluation of the performance of the board is based on the approved criteria such as the board composition, strategic planning, and role of the Chairman, Non-Executive Directors and other senior management, assessment of the timelessness and quality of the flow of information by the company to the board and adherence to compliance and other regulatory issues.

Some of the specific issues and questions that should be considered in a performance evaluation of the entire Board by Independent Directors are set out below:

1. The Board of Directors of the Company is effective in decision making.
2. The Board of Directors is effective in developing a corporate governance structure that allows and encourages the Board to fulfill its responsibilities.
3. The Company's systems of control are effective for identifying material risks and reporting material violations of policies and law.
4. The Board reviews the organization's performance in carrying out the stated mission on a regular basis.
5. The Board of Directors is effective in providing necessary advice and suggestions to the Company's management.
6. Is the Board as a whole up to date with latest developments in the regulatory environment and the market.
7. The information provided to Directors prior to Board Meetings meets your expectations in terms of length and level of detail.
8. Board meetings are conducted in a manner that encourages open communication, meaningful participation, and timely resolution of issues.
9. The Board Chairman effectively and appropriately leads and facilitates the Board meetings and the policy and governance work of the Board.
10. The Board appropriately considers internal audit reports, management's responses, and steps towards improvement.
11. The Board oversees the role of the Independent Auditor from selection to termination and has an effective process to evaluate the Independent Auditor's qualifications and performance.
12. The Board considers the Independent Audit plan and provides recommendations.

G. Board Meetings

The Company holds at least four Board meetings in a year, one in each quarter. Apart from the four scheduled Board Meetings, additional Board Meetings are also convened to address the specific requirements of the Company, as and when required. In case of urgency or business exigencies, matters are also approved by way of circular resolution as per the provisions of Companies Act, 2013 and subsequently noted at the next Board meeting.

The Functional/business heads of the Company periodically give presentations covering their respective operations, performance, plans and strategies and discuss the areas of improvements and prospective opportunities. The Agenda along with comprehensive notes and background material are circulated well in advance before each meeting to all the Directors. Presentations are made by the Senior Management on the Company's performance, operations, plans and other matters on a periodic basis. The proceedings of the meetings of the Board and its Committees are recorded in the form of minutes, which are circulated to the Board for perusal. The important decisions taken at the Board / Committee meetings are promptly communicated to the concerned departments. The information as given to the Board either as a part of the agenda of the meeting or by way of presentation during the meeting; inter alia includes:

- Minutes of various committees of the Board.
- Annual operating plans, budgets and business strategies and performance.

- Information on the exits and recruitments including the remuneration of senior officials just below the Board level.
- Significant transactions, related party transactions and arrangements.
- Update on non-fulfillment or defaults by the Company of any financial liability/obligations of material nature.
- Update on shareholders' grievance redressal process, significant regulatory matters.
- Risk evaluation and control mechanism.
- Details of investments and deployment of capital issue proceeds.

During the financial year 2023-24, Eight (8) Board meetings were held as under:

H. Independent Directors

Independent directors play a vital role in deliberations at the board meetings and bring to the Company their wide experience and knowledge in the fields of finance, housing, accountancy, law and public policy. This wide knowledge of both, their field of expertise and boardroom practices helps foster varied, unbiased, independent and experienced perspectives. The Company benefits immensely from their inputs in achieving its strategic direction.

The Audit Committee, the Nomination & Remuneration Committee, the Stakeholders Relationship Committee have a majority of Non-Executive Directors. These committees function within the defined terms of reference in accordance with the Companies Act, 2013, the SEBI (LODR) Regulations, 2015 to the extent applicable and as approved by the board, from time to time. The Board members ensure that their work in other capacities do not impinge on their fiduciary responsibilities as Directors of the Company.

All Independent Directors of the Company, at the time of their first appointment to the Board and thereafter at the first Board meeting of the Board in every Financial Year, give a declaration that they meet the criteria of independence as provided under the provisions of Section 149 of the companies Act, 2013. In the opinion of the Board, each Independent Director possesses the appropriate balance of skills, experience and knowledge as required.

• **Separate Meeting of the Independent Directors**

During the year, as per the requirement of Schedule IV of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015, a separate meeting of the Independent Directors of the Company was held on 25th March 2024 without the attendance of Non-Independent Directors and members of the management. Three (3) Independent Directors were present at the meeting, wherein they had inter alia; reviewed the performance of Non-Independent Directors and the Board as a whole; reviewed the performance of the Chairman of the Company and assessed the quality, quantity and timeliness of flow of information between the company management and the Board.

I. **Remuneration to Directors**

• **Non-Executive Directors**

During the Year under review sitting fees has been paid to Non-Executive and Independent Directors.

There was no pecuniary relationship or transactions of the non-executive director's except the sitting fees paid to them w.r.t. the meetings attended by them vis a vis the Company during the Financial Year ended March 31, 2024.

• **Executive Director**

The Executive Directors of the Company have been appointed, in terms of the resolutions passed by the shareholders at the Annual General Meetings. Elements of the remuneration package comprise of salary, perquisites and other benefits are as approved by the members at the Annual General Meeting. Details of the remuneration paid to the Executive Directors during the year under review are provided in Annexure III.

COMMITTEES OF THE BOARD

With a view to have a more focused attention on business and for better governance and accountability, the Board has constituted the following mandatory committees viz. Audit Committee, Stakeholders' Relationship Committee, Nomination and Remuneration Committee, Corporate Social Responsibility Committee, Risk Management Committee. The terms of reference of these Committees are determined by the Board and their relevance reviewed from time to time. Meetings of each of these Committees are convened by the respective Chairman of the Committee, who also informs the Board about the summary of discussions held in the Committee Meetings. The Minutes of the Committee Meetings are sent to all Directors individually and tabled at the Board Meetings.

The Committees of the Board meet at regular intervals and have the requisite subject expertise to handle and resolve matters expediently. The Board overlooks the functioning of the Committees. The Chairman of the respective Committees briefs the Board on significant discussions and decision taken at their respective meetings. Minutes of the Committee Meetings are placed in the subsequent Board Meeting for their noting.

A. **Audit Committee**

The Audit Committee has been constituted by the Company in terms of provisions of Section 177 of the Act and Regulation 18 read with Part D of Schedule II of SEBI LODR Regulations and is chaired by Non-Executive Independent Director.

In adherence to the provisions of the Act, and SEBI LODR Regulations to the extent applicable and all other applicable regulatory requirements, the terms of reference of the Audit Committee are covered by its charter. Its functioning inter alia broadly includes the following:

- oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible;
- recommendation for appointment, remuneration and terms of appointment of auditors of the Company;
- approval of payment to statutory auditors for any other services rendered by the statutory auditors;
- reviewing, with the management, the annual financial statements and auditor's report thereon before submission to the board for approval, with particular reference to:
 - a. matters required to be included in the director's responsibility statement to be included in the board's report in terms of clause (c) of sub-section (3) of Section 134 of the Companies Act, 2013;
 - b. changes, if any, in accounting policies and practices and reasons for the same;
 - c. major accounting entries involving estimates based on the exercise of judgment by management;
 - d. significant adjustments made in the financial statements arising out of audit findings;
 - e. compliance with listing and other legal requirements relating to financial statements;
 - f. disclosure of any related party transactions (the term "related party transaction" shall have the same meaning as assigned to it under the SEBI Listing Regulations, and any amendment made to it);
 - g. modified opinion(s) in the draft audit report;
- reviewing, with the management, the quarterly financial statements before submission to the board for approval;
- reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / DRHP / notice and the report submitted by the monitoring agency monitoring the utilization of proceeds of a public or rights issue, and making appropriate recommendations to the board to take up steps in this matter;
- reviewing and monitoring the auditor's independence and performance, and effectiveness of audit process;
- approval or any subsequent modification of transactions of the Company with related parties;
- scrutiny of inter-corporate loans and investments;
- valuation of undertakings or assets of the Company, wherever it is necessary;
- evaluation of internal financial controls and risk management systems;
- reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems;
- reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- discussion with internal auditors of any significant findings and follow up there on;
- reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the board;
- discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
- to look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of

- non-payment of declared dividends) and creditors;
- to review the functioning of the whistle blower mechanism;
- approval of appointment of chief financial officer after assessing the qualifications, experience and background, etc. of the candidate;
- carrying out any other function as is mentioned in the terms of reference of the audit committee;
- reviewing the utilization of loans and/ or advances from/investment by the holding company in the subsidiary exceeding ₹100 crore or 10% of the asset size of the subsidiary, whichever is lower including existing loans/ advances /investments, if applicable;
- consider and comment on rationale, cost-benefits and impact of schemes involving merger, demerger, amalgamation etc., on the listed entity and its shareholders.

The audit committee shall mandatorily review the following information:

- management discussion and analysis of financial condition and results of operations;
- management letters / letters of internal control weaknesses issued by the statutory auditors;
- internal audit reports relating to internal control weaknesses; and
- the appointment, removal and terms of remuneration of the chief internal auditor shall be subject to review by the audit committee.
- statement of deviations: (a) quarterly statement of deviation(s) including report of monitoring agency, if applicable, submitted to stock exchange(s) in terms of Regulation 32(1) of the SEBI ICDR Regulations. (b) annual statement of funds utilized for purposes other than those stated in the offer document/prospectus/notice in terms of Regulation 32(7) of the SEBI ICDR Regulations.

Powers of the Audit Committee:

- Investigating any activity within its terms of reference;
- Seeking information from any employee;
- Obtaining outside legal or other professional advice; and
- Securing attendance of outsiders with relevant expertise, if it is considered necessary.

The Company held Six (6) pre-scheduled Audit Committee meetings annually and the maximum time gap between two Audit Committee meetings is not more than One Hundred Twenty days.

The composition of the Audit Committee as at March 31, 2024 and details of the Members participation at the Meetings of the Committee are as under:

SHAREHOLDERS RELATION:

Majorly, annual report is the main source of information to the shareholders of the Company which inter alia, includes the Directors' Report, the shareholders' information, Report of Directors on Corporate Governance, Management Discussion and Analysis Report and the audited financial results. Company emphasizes the importance of regular communication with its shareholders to ensure that the Company's strategy is clearly understood. Since, shareholders have an opportunity to attend the Annual General Meeting at which the business outlook is presented and relevant aspects of the Company's operations are discussed.

Along with the financial results, other information as per the listing guidelines such as may be required, are being uploaded on BSE portal under "BSE Listing Centre" On regular basis, quarterly results & performance of the Company is placed on the website of the Company and furnished to stock exchanges for the benefit of the investors. The quarterly, half yearly and annual financial results of the Company are communicated to the stock exchanges as per the provisions of SEBI (LODR) Regulations, 2015 and uploaded on Company's website i.e, www.aasaanloans.com.

The Ministry of Corporate Affairs (MCA) and the Companies Act, 2013, has taken a "Green Initiative" in corporate governance by allowing paperless compliances by the Companies through electronic mode. The listing agreement with the stock exchanges and the Companies Act, 2013 permits companies to send soft copies of the annual report to all those shareholders who have registered their e-mail addresses with the Company/Depository participant. In every Annual Report, the Company has been requesting the shareholders holding shares both in physical/demat form to register/update their e-mail addresses to the Company/depository participants.

Accordingly, the annual report for 2023-24, notice for AGM etc., are being sent in electronic mode to shareholders who have registered their e-mail addresses with the Company/depository participants.

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members of
Akme Fintrade (India) Limited
Akme Business Centre (ABC),
4-5 Subcity Centre Savin Circle,
Opp. Krishi Upaz Mandi,
Udaipur, Rajasthan, India 313002

We have examined the compliance of conditions of Corporate Governance by Akme Fintrade (India) Limited ("the Company") for the year ended on 31st March, 2024, as stipulated in Chapter IV of The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as specified in chapter IV of the Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To,
**The Members of
Akme Fintrade (India) Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Akme Fintrade India Limited ("the Company") which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2024
- b) In the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Cash Flow Statement, cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of Financial Results section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended 31 March 2024. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Ind AS financial statements.

Key Audit Matter	How the matter was addressed in our audit
Impairment of financial assets (expected credit losses) (as described in note 6 of the Ind AS financial statements)	
<p>Ind AS 109 requires the Company to recognize impairment loss allowance towards its financial assets (designated at amortized cost and fair value through other comprehensive income) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ind AS109 including:</p> <ul style="list-style-type: none"> unbiased, probability weighted outcome under various scenarios; time value of money; impact arising from forward looking macro-economic factors and; Availability of reasonable and supportable information without undue costs. <p>Applying these principles involves significant estimation in various aspects, such as:</p> <ul style="list-style-type: none"> grouping of borrowers based on homogeneity by using appropriate statistical techniques; Staging of loans and estimation of behavioral life; determining macro-economic factors impacting credit quality of receivables; Estimation of losses for loan products with no/minimal historical defaults. Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter. 	<ul style="list-style-type: none"> We read and assessed the Company's accounting policies for impairment of financial assets and their compliance with Ind AS109. We tested the criteria for staging of loans based on their past-due status to check compliance with requirement of Ind AS 109. Tested a sample of performing (stage 1) loans to assess whether any loss indicators were present requiring them to be classified under stage 2 or 3 and vice versa. We evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation and tested the controls around data extraction and validation.. <ul style="list-style-type: none"> Tested the ECL model, including assumptions and underlying computation. Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults. Audited disclosures included in the Ind AS financial statements in respect of expected credit losses. Ensured compliance with RBI Master Circular on 'Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to advances' ('IRACP') read with RBI circular on 'Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances – Clarifications' dated 12 November 2021, in relation to identification, upgradation and provisioning of nonperforming assets (NPAs); and Assessed the appropriateness and adequacy of the related presentation and disclosures in the accompanying financial statements in accordance with the applicable accounting standards and related RBI circulars/ guidelines.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's report including the Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of The Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as issued by Central Government of India in terms of Sub Section (11) of Section 143 of the Act, we hereby give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable..
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards referred to in Section 133 of the Act read with Rule 7 of The Companies (Accounts) Rules, 2014;
 - e. On the basis of written representations received from the Directors and taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March 2024, from being appointed as a Director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of The Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.
 - v. The Management has represented that, to the best of it's knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or

entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- vi The Management has represented, that, to the best of it's knowledge and belief, as disclosed in the notes to accounts, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- vii. Based on the audit procedures that has been consider reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.
- viii. The company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

"ANNEXURE-A"

TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in para 1 under "Report on other Legal and Regulatory Requirement" of our report of even date)

1. According to the information and explanations given to us, in respect of the property, plant and equipment:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment. The Company does not have intangible assets and right of use assets.
 - (b) As explained to us, Property, plant and equipment have been physically verified by the management during the year and no discrepancies between the book records and the physical inventory have been noticed. In our opinion, the frequency of verification is reasonable in regards to size of the Company.
 - (c) We report that the Company does not have any immovable property as at the balance sheet date.
 - (d) The Company has not revalued its Property, Plant and Equipment (including Right to Use assets) and intangible assets during the year and hence clause 3(i)(d) of the Order is not applicable.
 - (e) There are no proceedings initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder, and hence clause 3(i) (e) of the Order is not applicable.
2. (a) The Company does not have any inventory and hence reporting under clause (ii) of paragraph 3 of the Order is not applicable to the Company.
 - (b) According to the explanations and information given to us, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, However existing Cash Credit limit of Rs. 35.90 Crores with Bank of Baroda, cash credit limit of Rs. 3.20 Crores with State Bank of India and Cash Credit (DLOD) limit of Rs. 1.34 Crores with AU Small Finance Bank have been renewed during the year.
3. According to the information and explanations given to us, the Company has made investments in, and granted any loans or advances in the nature of loans, secured to Companies, Firms, Limited Liability Partnerships or other parties. The Company has not provided any guarantee or security to any other entity during the year. With respect to such investments and loans and advances:
 - (a) The Company's principal business is to give loans, and hence reporting under clause 3(iii)(a) of the Order is not applicable.
 - (b) The investments made and the terms and conditions of the grant of all the loans and advances in the nature of loans, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
 - (c) In respect of loans granted by the Company, the repayments of principal amounts and interest are generally regular considering the stipulation to repayment.
 - (d) The total amount overdue for more than 90 Days: Rs. 2.08 Crores. Reasonable steps are been taken by the Company for recovery of the principal and interest as stated in the applicable Regulations and Loan Agreement.
 - (e) The Company's principal business is to give loans and hence reporting under clause 3(iii)(e) of the Order is not applicable.

- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable
4. According to the information and explanations given to us, the Company has not advanced any loan or given any guarantee or provided securities to the parties covered under section 185 of the Act. The Company has complied with the provisions of section 186 of the Act in respect of investments made or loans or guarantee or security provided to the parties covered under section 186.
 5. As per the Ministry of Corporate Affairs notification dated March 31, 2014 the provisions of Sections 73 to 76 or any other relevant provisions of The Companies Act, 2013 and The Companies (Acceptance of Deposits) Rules, 2014, as amended, with regard to the deposits accepted are not applicable to the Company. According to information and explanations given to us, the Company has not accepted any deposits during the year.
 6. According to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under Sub-Section (1) of Section 148 of the Act, in respect of the activities carried on by the Company.
 7. According to the information and explanations given to us:
 - a) The Company is generally been regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, cess and any other statutory dues applicable to the Company to the appropriate authorities.
 - b) There are no undisputed statutory dues payable in respect of GST, Provident Fund, Employees' State Insurance, Income-tax, cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.
 - c) There were no dues referred in sub clause (a) above which have not been deposited on account of disputes as at March 31, 2024..
 8. According to the information and explanations given to us, no transactions relating to previously unrecorded income were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 during the year.
 9. According to the information and explanations given to us, in respect of borrowings:
 - a) The Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - c) During the year, term loan availed by the Company were applied for the purposes for which the loans were obtained.
 - d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(ix)(e) of the Order is not applicable.
 - f) The Company does not have any subsidiary or associate or joint venture and hence reporting on clause 3(ix)(f) of the Order is not applicable

10. (a) According to the information and explanations given to us the Company has not raised moneys by way of Public Offer or further public offer during the year.
- (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year and hence reporting under clause 3(x)(b) of the Order is not applicable.
11. (a) According to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under section 143(12) of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this report..
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
12. The Company is not a Nidhi Company; hence reporting under clause (xii) of paragraph 3 of the Order is not applicable to the Company.
13. According to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of The Companies Act, 2013, wherever applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the notes on Financial Statements as required by the applicable accounting standards
14. (a) During the year, Internal audit has been carried out by the Independent firm of Chartered accountants. In our opinion and according to the information and explanations given to us, the scope and coverage is commensurate with the size of the Company and the nature of its business.
- (b) We have considered the internal audit reports issued to the Company during the year and covering the period up to March 31, 2024.
15. According to the information and explanations given to us, the Company has not entered into any non- cash transactions with Directors or persons connected with him under provisions of Section 192 of The Companies Act, 2013. Therefore, provision of clause (xv) of paragraph 3 of the Order is not applicable to the Company.
16. (a) According to the information and explanations given to us, we report that the Company has registered as required under section 45-IA of the Reserve Bank of India Act, 1934..
- (b) The Group does not have any CIC as part of the group and accordingly reporting under clause (xvi) of the Order is not applicable.
17. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
18. There has been no resignation of the statutory auditors of the Company. Hence, reporting under clause 3(xviii) of the Order is not applicable.
19. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, Asset Liability Maturity (ALM) pattern, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of

one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Act or special account in compliance with the provision of section 135(6) of the said Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable.
21. According to the information and explanations given to us, the Company does not have subsidiary, associate and joint venture. Accordingly, reporting under clause 3(xxi) of the Order is not applicable.

"ANNEXURE-B"

TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in para 2(f) under "Report on other Legal and Regulatory Requirement" of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Akme Fintrade India Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under Section 143(10) of the Act, 2013 to the extent applicable, to an audit of internal financial controls both issued by The Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and Directors of the Company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India".

NOTES TO STANDALONE FINANCIAL STATEMENT

For The Year Ended 31st March, 2024

1. Corporate Information

Akme Fintrade (India) Limited (the 'Company') is a public company domiciled in India and incorporated on February 5, 1996 under the provisions of the Companies Act, 1956. The Company has received a Certificate of Registration from the Reserve Bank of India ('RBI') on April 7, 1999 to commence / carry on the business of Non-Banking Financial Institution ('NBFC'). The company has surrendered Deposit taking license and RBI has issued new certificate as on 5th Sept, 2019 as Non-Deposit Taking Systemically Important NBFC.

As per RBI, vide the circular - 'Harmonization of different categories of NBFCs' issued on 22 February 2019 the Company has been reclassified as "NBFC-Investment and Credit Company (NBFC-ICC)"

2. Basis of preparation

2.1 Statement of Compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction - Non-Banking Financial Company - Master Directions issued by RBI. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties.

For all periods up to and including the year ended 31 March 2024, Company had prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 and the NBFC Master Directions (hereinafter referred as 'Previous GAAP'). These financial statements for the year ended 31 March 2024 are the fourth set of financial statements that the Company has prepared in accordance with Ind AS. The Company has applied Ind AS 101 'First-time Adoption of Indian Accounting Standards', for transition from previous GAAP to Ind AS.

2.2 Presentation of financial statements

The financial statements are presented in Indian Rupee (INR) which is also the functional currency of the Company. The financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value. The financial statements are prepared on a going concern basis, as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

The Balance Sheet, the Statement of Profit and Loss and Statement of Changes in Equity are presented in the format prescribed under Division III of Schedule III to the Companies Act, 2013 as amended from time to time, for Non-Banking Financial Companies ('NBFC') that are required to comply with Ind AS. The statement of cash flows has been presented as per the requirements of Ind AS 7 Statement of Cash Flows.

The Company presents its Balance Sheet in order of liquidity.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognized

amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

2.3 Functional and presentation currency

These Financial information are presented in Indian Rupees (INR), which is also the Company's functional currency. All amount have been rounded off to the nearest lakhs (two decimals), unless otherwise indicated.

2.4 Basis of Measurement

The financial information has been prepared on Historical cost basis except for the following items:

Items	Measurement basis
Financial Assets and Liabilities	Fair Value/Amortised Cost, as applicable
Net defined benefit (Asset)/Liability	Fair value of plan assets less present value of defined benefit obligations

2.5 Critical accounting estimates and judgements

The preparation of the Company's financial statements in conformity with Ind AS requires Management to make use of estimates and judgments and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of Restated Financial Information and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the Financial Information in the period in which changes are made and, if material, their effects are disclosed in the notes to the Financial Information. Accounting estimates and judgments are used in various line items in the financial statements for e.g.:

- Business model assessment [Refer note no. 3.4(I)]
- Fair value of financial instruments [Refer note no. 3.14 and 34]
- Effective Interest Rate (EIR) [Refer note no. 3.1(I)]
- Impairment on financial assets [Refer note no. 3.4(I), 6 and 35]
- Provisions and other contingent liabilities [Refer note no. 3.10 and 30]
- Provision for tax expenses [Refer note no. 3.6]
- Residual value and useful life of property, plant and equipment [Refer note no. 3.7(g)]

3. Summary of Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

3.1 Revenue Recognition

The Company earns revenue primarily from giving loans. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

(i) Interest Income

The Company recognizes interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortized cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortized cost of a financial liability.

The Company recognizes interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets [as set out in note no. 3.4(i)] regarded as 'stage 3', the Company stops recognizing interest income on these accounts till the account is credit impaired. If the financial asset is no longer credit-impaired [as outlined in note no. 3.4(i)], the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non-payment of contractual cashflows is recognized on realization.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognized at the contractual rate of interest.

(ii) Dividend Income

Dividend income on equity shares is recognized when the Company's right to receive the payment is established and it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of dividend can be measured reliably, which is generally when shareholders approve the dividend.

(iii) Other Revenue from Operations

The Company recognizes revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognizes revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

(a) Fees and Commission

The Company recognizes service and administration charges towards rendering of additional services to its loan customers on satisfactory completion of service delivery.

Fees on value added services and products are recognized on rendering of services and products to the customer.

Distribution income is earned by selling of services and products of other entities under distribution arrangements. The income so earned is recognized on successful sales on behalf of other entities subject to there being no significant uncertainty of its recovery.

Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognized on realization.

(b) Net Gain on Fair Value Changes

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognizes gains/losses on fair value change of financial assets measured as FVTPL and realized gains/losses on derecognition of financial asset measured at FVTPL and FVOCI.

(c) Sale of Services

The Company, on de-recognition of financial assets where a right to service the derecognized financial assets for a fee is retained, recognizes the fair value of future service fee income over service obligations cost on net basis as service fee income in the statement of profit or loss and, correspondingly creates a service asset in Balance Sheet. Any subsequent increase in the fair value

of service assets is recognized as service income and any decrease is recognized as an expense in the period in which it occurs. The embedded interest component in the service asset is recognized as interest income in line with Ind AS 109 'Financial instruments'.

Other revenues on sale of services are recognized as per Ind AS 115 'Revenue from Contracts with Customers' as articulated above in 'other revenue from operations'.

(d) Recoveries of financial assets written off

The Company recognizes income on recoveries of financial assets written off on realization or when the right to receive the same without any uncertainties of recovery is established.

(iv) Taxes

Incomes are recognized net of the Goods and Services Tax/Service Tax, wherever applicable.

3.2 Expenditures

(i) Borrowing Costs

Borrowing costs are interest and other costs incurred in connection with the borrowings of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as part of the cost of the asset. Other borrowings costs are recognized as an expense in the statement of profit and loss account on an accrual basis using the effective interest method. [Refer note no. 3.1(i)].

(ii) Fees and Commission Expenses

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognized in the Statement of Profit and Loss on an accrual basis.

(iii) Taxes

Expenses are recognized net of the Goods and Services Tax/Service Tax, except where credit for the input tax is not statutorily permitted.

3.3 Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.4 Financial Instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

Loans are recognized when funds are transferred to the customer account. Debt securities issued are initially recognized when they are originated. All the other financial instruments are recognized on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognizes the financial instruments on settlement date.

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments. Financial instruments are initially measured at their fair value, except in the case of financial assets and financial liabilities recorded at fair value through profit and loss (FVTPL), transaction costs are added to, or subtracted from this amount.

(i) Financial Assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

Business model assessment

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the Company's key management personnel.
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed.
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).
- The expected frequency, value and timing of sales are also important aspects of the Company's assessment.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

SPPI test

As a second step of its classification process, the Company assesses the contractual terms of financial assets to identify whether they meet SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of financial asset (for example, if there are repayments of principal or amortisation of the premium/ discount).

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk. To make the SPPI assessment, the Company applies judgement and considers relevant factors such as the period for which the interest rate is set.

In contrast, contractual terms that introduce a more than the minimum exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement do not give rise to contractual cash flows that are solely payments of principal and interest on the amount outstanding. In such cases, the financial asset is required to be measured at FVTPL.

Accordingly, financial assets are measured as follows based on the existing business model:

(a) Financial Assets carried at amortized cost

The Company measures its financial assets at amortized cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are sole Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Bank balances, Loans, Trade receivables and other financial investments that meet the above conditions are measured at amortized cost.

The business model of the Company for assets subsequently measured at amortized cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to banks and/or asset reconstruction companies.

After initial measurement, such financial assets are subsequently measured at amortized cost on effective interest rate (EIR). For further details, refer note no. 3.1(i). The expected credit loss (ECL) calculation for debt instruments at amortized cost is explained in subsequent notes in this section.

(b) Financial Assets at FVOCI

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Financial Assets included within the FVOCI category are measured at each reporting date at fair value with such changes being recognized in other comprehensive income (OCI). The interest income on these assets is recognized in profit or loss. The ECL calculation for debt instruments at FVOCI is explained in subsequent notes in this section.

Debt instruments such as long-term investments in Government securities to meet regulatory liquid asset requirement of the Company's deposit program and mortgage loans portfolio where the Company periodically resorts to partially selling the loans by way of assignment to willing buyers are classified as FVOCI.

On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified to profit or loss.

(c) Financial Assets at FVTPL

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gains and losses on changes in fair value of debt instruments are recognized on net basis through profit or loss.

The Company's investments into mutual funds, Government securities (trading portfolio) and certificate of deposits for trading and short term cash flow management have been classified under this category.

(d) Equity investment designated under FVOCI

All equity investments in scope of Ind AS 109 'Financial Instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognized in OCI and are available for reclassification to profit or loss on derecognition of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

Derecognition of Financial Assets

The Company derecognizes a financial asset (or, where applicable, a part of a financial asset) when:

- The right to receive cash flows from the asset have expired; or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognized, the Company does not have any continuing involvement in the same.

The Company transfers its financial assets through the partial assignment route and accordingly derecognizes the transferred

portion as it neither has any continuing involvement in the same nor does it retain any control. If the Company retains the right to service the financial asset for a fee, it recognizes either a servicing asset or a servicing liability for that servicing contract. A service liability in respect of a service is recognized at fair value if the fee to be received is not expected to compensate the Company adequately for performing the service. If the fees to be received is expected to be more than adequate compensation for the servicing, a service asset is recognized for the servicing right at an amount determined on the basis of an allocation of the carrying amount of the larger financial asset.

On derecognition of a financial asset in its entirety, the difference between:

- the carrying amount (measured at the date of derecognition) and
- the consideration received (including any new asset obtained less any new liability assumed) is recognized in profit or loss.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses ECL model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL). ECL are recognized for financial assets held under amortized cost, debt instruments measured at FVOCI, and certain loan commitments.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12 month ECL is recognized. Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognized for stage 2 and stage 3 financial assets.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

Treatment of the different stages of financial assets and the methodology of determination of ECL.

(a) Credit Impaired (Stage 3)

The Company recognizes a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether:

- Contractual payments of either principal or interest are past due for more than 90 days;
- The loan is otherwise considered to be in default.

Restructured loans (Except loan restructured under the RBI Covid 2.0 framework), where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months– post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Interest income is recognized by applying the EIR to the net amortized cost amount i.e. gross carrying amount less ECL allowance.

(b) Significant Increase in Credit Risk (Stage 2)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure. Considering the market in which company is primarily operating and the class of customers which primarily comes from rural background where financial literacy is very poor and banking and collection facilities are not present at all places, management considers that unless identified at an earlier stage, 60 days past due

is considered as an indication of financial assets to have suffered a significant increase in credit risk. Based on other indications such as borrower's frequently delaying payments beyond due dates though not 60 days past due are included in stage 2 for mortgage loans.

The measurement of risk of defaults under stage 2 is computed on homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles. The default risk is assessed using PD (probability of default) derived from past behavioral trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioral trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

(c) Without Significant Increase in Credit Risk since Initial Recognition (Stage 1)

ECL resulting from default events that are possible in the next 12 months are recognized for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioral trends witnessed for each homogenous portfolio using application/behavioral score cards and other performance indicators, determined statistically.

(d) Measurement of ECL

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD and adjusted for time value of money using a rate which is a reasonable approximation of EIR.

- Determination of PD is covered above for each stage of ECL.
- EAD represents the expected balance at default, taking into account the repayment of principal and interest from the Balance Sheet date to the date of default together with any expected drawdowns of committed facilities.
- LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realized and the time value of money.

A more detailed description of the methodology used for ECL is covered in the 'credit risk' section of note no. 35.

(e) Write-offs

Financial assets are written off when there is a significant doubt on recoverability in the medium term. If the amount to be written off is greater than the accumulated loss allowance, the difference is first treated as an addition to the allowance that is then applied against the gross carrying amount. Any subsequent recoveries are credited to the statement of profit and loss.

(ii) **Financial Liabilities**

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial asset to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

Initial measurement

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

Subsequent measurement

After initial recognition, all financial liabilities are subsequently measured at amortized cost using the EIR [Refer note no. 3.1(i)]. Any gains or losses arising on derecognition of liabilities are recognized in the Statement of Profit and Loss.

Embedded derivatives

An embedded derivative is a component of a hybrid instrument that also includes a non-derivative host contract with the effect that some of the cash flows of the combined instrument vary in a way similar to a standalone derivative. An embedded derivative causes some or all of the cash flows that otherwise would be required by the contract to be modified according to a specified interest rate, financial instrument price, commodity price, foreign exchange rate, index or prices or rates, credit rating or credit index, or other variable, provided that, in the case of a non-financial variable, it is not specific to a party to the contract. A derivative that is attached to a financial instrument, but is contractually transferable independently of that instrument, or has a different counterparty from that instrument, is not an embedded derivative, but a separate financial instrument.

Derivatives embedded in all other host contracts are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognized in profit or loss, unless designated as effective hedging instruments.

Derecognition measurement

The Company derecognizes a financial liability when the obligation under the liability is discharged, cancelled or expired.

(iii) Reclassification of financial assets and liabilities

The Company does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line. Financial liabilities are never reclassified. The Company did not reclassify any of its significant financial assets or liabilities in the year ended March 31, 2024 and March 31, 2023.

(iv) Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognized amounts with an intention to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

3.5 Investment in Subsidiaries

The Company does not have any Subsidiary.

3.6 Taxes

(i) Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognized outside profit or loss is recognized in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred Tax

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets, if any, are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.7 Property, Plant and Equipment

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.

Depreciation on property, plant and equipment

- (a) Depreciation is provided on a pro-rata basis for all tangible assets on straight line method over the useful life of assets.
- (b) Useful lives of assets are determined by the Management by an internal technical assessment except where such assessment suggests a life significantly different from those prescribed by Schedule II – Part C of the Companies Act, 2013 where the useful life is as assessed and certified by a technical expert.
- (c) Depreciation on leasehold improvements is provided on straight line method over the primary period of lease of premises or 5 years whichever is less.
- (d) Depreciation on addition to assets and assets sold during the year is being provided for on a pro rata basis with reference to the month in which such asset is added or sold as the case may be.
- (e) Assets having unit value up to Rs. 5,000 is depreciated fully in the financial year of purchase of asset.
- (f) An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included under other income in the Statement of Profit and Loss when the asset is derecognized.
- (g) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

3.8 Intangible assets and amortization thereof

Intangible assets, representing software's are initially recognized at cost and subsequently carried at cost less accumulated

amortization and accumulated impairment. The intangible assets are amortized using the straight-line method over a period of five years, which is the Management's estimate of its useful life. The useful lives of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

3.9 Impairment of non-financial assets

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

3.10 Provisions and Contingent Liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.11 Foreign Currency Translation

The Company's financial statements are presented in Indian Rupee, which is also the Company's functional currency.

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are re-translated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Exchange differences

All exchange differences are accounted in the Statement of Profit and Loss.

3.12 Employment benefits

I. Post-employment benefits

Defined Contribution plan

The Company's contribution to provident fund is considered as defined contribution plan and is charged as an expense as they fall due based on the amount of contribution required to be made and when the services are rendered by the employees.

Defined benefit plans

Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'), if any. In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs

The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

ii. Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

3.13 Lease

Company has applied Ind AS 116 "Leases" for all lease contracts covered by the Ind AS. Under Ind AS 116 a contract is, or contains a lease, if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The Company undertook an assessment of all applicable contracts to determine if a lease exists as defined in Ind AS 116. This assessment will also be completed for each new contract or change.

Measurement of Lease Liability

At the time of initial recognition, the Company measures lease liability as present value of all lease payment discounted using the Company's incremental cost of borrowing rate. Subsequently, the lease liability is

- i) Increase by interest on lease liability
- ii) Reduce by lease payments made

Measurement of Right-of-Use asset

At the time of initial recognition, the Group measures 'Right-of-Use assets' as present value of all lease payment discounted using the Group's incremental cost of borrowing rate w.r.t said lease contract. Subsequently, 'Right-of-Use assets' is measured using cost model i.e. at cost less any accumulated depreciation and any accumulated impairment losses adjusted for any re-measurement of the lease liability specified in Ind AS 116 'Leases'. Depreciation on 'Right-of-Use assets' is provided on straight line basis over the lease period.

In contract going forward. The Company has further elected not to recognize ROU assets and lease liabilities for leases of low value assets and for short-term leases (less than 12 months).

3.14 Fair Value Measurement

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole. For a detailed information on the fair value hierarchy, refer note no. 34.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

3.15 Segment reporting- Identification of segments:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's Chief Operating Decision Maker (CODM) to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108 Operating Segments, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

3.16 Earnings per share

The Company reports basic and diluted earnings per equity share in accordance with Ind AS 33, Earnings Per Share. Basic earnings per equity share is computed by dividing net profit / loss after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed and disclosed by dividing the net profit/ loss after tax attributable to the equity shareholders for the year after giving impact of dilutive potential equity shares for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

3.17 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, financing and investing activities of the Company are segregated. Cash flows in foreign currencies are accounted at the actual rates of exchange prevailing at the dates of the transactions.

3.18 Standards issued but not yet effective

Ministry of Corporate Affairs has issued Companies (Indian Accounting Standards) Amendment Rules, 2022 on March 23, 2022, which contains various amendments to Ind AS. Management has evaluated these and have concluded that there is no material impact on the Company's financial statements.

Note 4: Cash and Cash Equivalents

INR in Lakhs

Particulars	March 31, 2024	March 31, 2023
Balances with Banks in Current Accounts	414.39	455.93
Bank deposit with maturity of less than 3 months (Refer Note 3.1)	400.00	200.00

Terms/rights attached to Equity Shares:

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend to the extent the shares are paid up, as declared from time to time subject to payment of dividend to preference shareholders. Dividends are paid in Indian Rupees. Dividend proposed by the board of directors, if any, is subject to the approval of the shareholders at the General Meeting, except in the case of interim dividend.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders, to the extent the shares are paid up.

Basic EPS*	5.85	5.38
Diluted EPS*	5.85	5.38

Note 38: Segment Information

An operating segment is a component of the company that emerges in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the company's management to make decisions about resources to be allocated to the segments and assess their performance. The MD is considered to be the chief operating decision maker ('CODM') within the purview of Ind AS 108 operating segments.

The CODM considers the entire business of the company on a holistic basis for making operating decisions and thus there are no segregated operating segments. The company is engaged into the business of providing Mortgage loans and Vehicle loans. The CODM of the company reviews the operating results of the company as a whole and therefore not more than one reportable segment is required to be disclosed by the company as envisaged by Ind AS 108 operating segments. Accordingly, amounts appearing in these financial statements relate to the business of providing Mortgage loans and Vehicle loans.

The company does not have any separate geographic segment other than India. As such there are no separate reportable segments as per IND AS 108 operating segments.

40. Employee benefits - post employment benefit plans

A Defined contribution plans

The Company makes provident fund and employee state insurance scheme contributions which are defined contribution plans, for qualifying employees. Under the schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised INR 14.24 Lakhs (March 31, 2023 – INR 14.86 Lakhs) for provident fund contributions and INR 1.73 Lakhs (March 31, 2023 – INR 2.78 Lakhs) for employee state insurance scheme contributions in the statement of profit and loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

B Defined benefit plans

Gratuity

The Company operates a defined benefit plan (the Gratuity plan) covering eligible employees. The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age/ resignation date.

The defined benefit plans expose the Company to risks such as Actuarial risk, Investment risk, Liquidity risk, Market risk, Legislative risk. These are discussed as follows:

Actuarial risk: It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

Adverse salary growth experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in obligation at a rate that is higher than expected.

Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption then the gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption then the Gratuity Benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

Investment risk: For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

Liquidity risk: Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the company there can be strain on the cash flows.

Market risk: Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in defined benefit obligation of the plan benefits and vice versa. This assumption depends on the yields on the government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

Legislative risk: Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the labour laws, thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the defined benefit obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

Funding

The Company has funded their gratuity liability with Life Insurance Corporation. Gratuity provision has been made based on the actuarial valuation.

Reconciliation of net defined benefit (asset) liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit asset (liability) and its components.

Particulars	INR in Lakhs

b. Measurement of Fair Value

Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the financial statements. These fair values were calculated for disclosure purpose only.

Short Term financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and cash equivalent, other financial assets (excluding security deposit), trade payables and other financial liability.

Loans and advances to customers

In case of retail loans and term loans with floating rates, the interest rate represents the market rate. Consequently, the carrying amount represents the fair value.

Term Loan with fixed rate: – The fair values estimated by discounted cash flow model that incorporates assumptions for credit risk, probability of default and loss given default estimates. As per management assumptions, the fair value of the loans & advances has been at par with the carrying value of the portfolio considering the fact that the competitive interest rates in the operational area of the company and the portfolio in which the company has exposure are more or less as per prevailing market rates.

Investments

The fair values estimated by discounted cash flow model that incorporates assumptions for credit risk, probability of default and loss given default estimates.

Borrowings

In case of borrowings with floating rates, the interest rate represents the market rate. Consequently, the carrying amount represents the fair value.

Transfer between Levels I and II

There has been no transfer in between level I and level II.

Capital

The company maintains an activity managed capital base to cover risks inherent in the business and is meeting the capital adequacy of the local regulatory body, Reserve Bank of India (RBI). The adequacy of the Company's capital is monitored using, among other measures the regulation issued by RBI.

The Company has complied in full with all its externally imposed capital requirements over the reported period. Equity share capital and other equity are considered for the purpose of Company's capital management.

Capital Management

The Primary objectives of the company's capital management policy are to ensure that the Company complies with externally imposed capital requirement and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximize shareholder value.

The company manages its capital structure and adjusts it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment of shareholders, return capital to shareholder or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the board.

43. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company Principal financial liabilities comprises borrowings. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include loans, cash, and cash equivalents, investments and other financial assets and that derives directly from its operations.

The Company is exposed to credit risk; liquidity risk and market risk. The Company's board of directors has an overall responsibility for the establishment and the oversight of the company's risk management framework. The board of directors has established the risk management for developing and monitoring the Company's risk management committee, which is responsible for developing and monitoring Company's risk management. The committee reports regularly to the boards of directors on its activities.

The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls and to monitor risk and adherence to limit. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company's risk management committee oversees how management monitors compliance with the Company's risk management policies and the procedures, and reviews the adequacy of the risk management framework in the relation to the risk faced by the Company.

(i) Credit Risk

Credit Risk is the risk of financial loss to the company if a customer or counter party to financial instruments fails to meet its contractual obligations and arises primarily from the company's loan and investments.

The carrying amounts of financial assets represent the maximum credit risk exposure.

A. Loans and Advances

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry.

The risk management committee has established a credit policy under which every new customer is analyzed individually for credit worthy before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information etc.

The Company's gross exposure to credit risk for loans and investments by type of counterpart is as follows:

Carrying Amounts		INR in Lakhs	
Particulars	As at 31 March 2024	As at 31 March 2023	
Vehicle Loans	8,776.53	7525.18	
Business/LAP Loans	31,595.46	27890.94	
Total (A)	40,371.99	35416.11	
Investments (B)	20.44	20.39	
Total (A + B)	40,392.43	35436.50	

The above exposures are entirely concentrated in India. There is no overseas exposure.

An impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purpose of this analysis, the loan receivables are categorized into groups based on days past due. Each group is then assessed for impairment using the Expected Credit Loss (ECL) model as per the provisions of Ind AS 109- Financial instruments.

Staging

As per the provisions of Ind AS 109 general approach all financial instruments are allocated to stage 1 on initial recognition. However, if a significant increase to credit risk is identified at the reporting date as compared with the initial recognition, then an instrument is transferred to stage 2. If there is objective evidence of impairment, then the asset is credit impaired and transferred to stage 3.

The Company considers a financial instrument defaulted and therefore stage 3 (credit-impaired) for ECL calculations in all cases when the borrower becomes 90 days past due on its contractual payments.

For Financial assets in stage 1, the impairment calculated based on defaults that are possible in next twelve months, whereas for financial instruments in stage 2 and 3 the ECL calculation considers default event for the lifespan of the instrument.

As per Ind AS 109, Company assesses whether there is a significant increase in credit risk at the reporting date from the initial recognition. Company has staged the assets based on the day past dues criteria and other market factors which significantly impacts the portfolio.

DAYS PAST DUE STATUS	STAGE	PROVISIONS
Current	Stage 1	12 Months Provision
1-60 days	Stage 1	12 Months Provision
61-90 days	Stage 2	Lifetime Provision
90+ days	Stage 3	Lifetime Provision

Grouping

As per Ind AS 109, Company is required to group the portfolio based on the shared risk characteristics. Company has assessed the risk and its impact on the various portfolios and has divided the portfolio into following groups:

- Vehicle Loans
- Business/SME/LAP

Impairment-Expected Credit Loss ("ECL"):

The accounting standard, Ind AS 109 does not specifically prescribe any methodology for computing ECL. However, entities are required to adopt sound and market acceptable methodologies which are in line with the size, complexity and risk profile of the financial entity for computing the ECL. The Company uses following three main components to measure ECL: -

- a. Probability of default (PD)
- b. Loss given default (LGD).
- c. Exposure at default (EAD).

Probability of default (PD):

PD is defined as the probability of whether borrowers will default their obligations in an ensuring period of 12 months. Historical PD is derived from the Company's internal data calibrated with forward looking macro-economic factors like current Pandemic scenarios etc.

For computation of probability of default company has considered four years' Historical data and the current Macroeconomic conditions along with probable Impacts of COVID-19. Based on these factors PD has been worked out.

Loss given default (LGD):

LGD is an estimate of the loss from a transaction given that a default occurs. Under Ind AS 109, Lifetime LGD's are defined as collection of LGD's estimates applicable to different future periods.

Various approaches are available to compute the LGD. Company has considered workout LGD approach.

The following steps are performed to calculate the LGD.

- 1.) Haircut was applied on the value of the collateral (asset cost) as of reporting date.
- 2.) The outstanding amount was adjusted with the haircut adjusted collateral value.
- 3.) LGD has been computed using the outstanding amount in step 2.

Over and above the LGD has been floored using regulatory guidelines.

Exposure at default ("EAD")

As per Ind AS 109, EAD is estimation of the extent to which the financial entity may be exposed to counterparty in the event of default and at the time of counterparty's default. Company has modeled EAD based on the contractual and behavioral cash flows till the lifetime of the loan and considering the expected prepayments.

Company has considered expected cash flows for all loans at DPD bucket level for each of the segments which were used for computation for ECL. Moreover, the EAD comprised of principal component, accrued interest on the outstanding exposure for the ensuring 12 months. So, discounting was done for computation of expected credit loss.

ECL Computation:

Proportion of expected credit loss provided for across the stage is summarized below:

INR in Lakhs		
Particulars	As at March 2024	As at March 2023
Stage 1	589.22	521.69
Stage 2	28.01	32.39
Stage 3	761.82	399.53
Amount of expected Credit loss provided for	1379.05	953.61

The loss rates are based on actual credit loss experience over past years. These loss rates are then adjusted approximately to reflect differences between current and historical economic conditions and the Company's view of prevailing economic conditions over the expected lives of the loan receivable.

Movement in provision of expected credit loss has been provided in below note.

Movement of ECL

INR in Lakhs		
Particulars	March 31, 2024	March 31, 2023
ECL allowance - opening balance	953.61	905.08
Net Addition during the year	425.44	48.53
ECL allowance - closing balance	1379.05	953.61

Collateral and other credit enhancements

The amount and type of collateral required depends on an assessment of the credit risk of the counterparty. Guidelines are in place covering the acceptability and valuation of each type of collateral. The main types of collateral obtained are mortgaged properties based on the nature of loans. Management monitors the market value of collateral in accordance with underlying agreement. The Company advances loan to maximum extent of 65% of the value of the mortgaged properties.

(ii) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due.

The company is monitoring its liquidity risk by estimating the future inflows and outflows during the start of the year and planned accordingly the funding requirement. The company manages the liquidity by unutilized cash credit facility, term loan and the direct assignment. The composition of the Company's liability mix ensures healthy asset liability maturity pattern and well diverse resource mix.

The total cash credit and working capital limit available to the Company is INR 6000.00 Lakh spread across 3 banks. The utilization level is maintained in such a way that ensures sufficient liquidity on hand.

Majority of the Company's portfolio is individual vehicle loans, Business Loans, SME Loans and Loan against property. The company is also managing off book assets to the tune of Rs. 2,192.71 lakhs as on March 31st 2024.

The table below summarizes the maturity profile of the Company's non-derivative financial liabilities based on contractual discounted payments along with its carrying value as at the balance sheet date.

INR in Lakh

Particulars	As at 31 March 2024		As at 31 March 2023	
	Borrowing	Trade payable	Borrowing	Trade payable
1 day to 30/31 days (one month)	555.33	-	314.27	-
Over 1 month to 2 months	564.41	-	381.76	-
Over 2 months to 3 months	768.69	-	1478.52	-
Over 3 months to 6 months	2,518.19	-	1176.96	-
Over 6 months to 1 year	4,301.61	-	3154.36	-
Over 1 year to 3 years	8,920.85	-	7304.36	-
Over 3 years to 5 years	2,440.18	-	2942.35	-
Over 5 years	408.99	-	1023.73	-
Total	20,478.25	-	17776.31	-

(iii) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk includes interest rate risk and foreign currency risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

(iv) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company's exposure to the risk of changes in market interest rates relates primarily to the company's investment in bank deposits and variable interest rate on borrowings and lending. Whenever there is a change in borrowing interest rate for the company, necessary change is reflected in the lending interest rates over the timeline in order to mitigate the risk of change in interest rates of borrowings.

(v) Analytical Ratios**(a) Capital to Risk Assets Ratio**

Net profit ratio	1852.92	7350.12	25.21%	20.87%	4.34

(vi) Foreign currency risk

The Company is exposed to foreign currency fluctuation risk for its foreign currency borrowing (FCB). The Company's borrowings in foreign currency are governed by RBI guidelines (RBI master direction RBI/FED/2018-19/67 dated 26 March 2019 and updated from time to time) which does not requires entities raising ECB for an average maturity of more than 5 years to hedge its ECB exposure (Principal and Coupon). The Company however hedging its foreign currency payment obligations against ECB for the next one year as per Board approved Interest Rate risk, Currency risk and Hedging policy.

44. Subsequent event

There is no significant subsequent event that has occurred after the reporting period till the date of these financial statements.

45. Other statutory information**a. Details of Benami Property held:**

The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property as at 31st March 2024 and 31st March 2023.

b. Transactions with Struck off companies:

The Company does not have any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of the Companies Act, 1956.

c. Registration of charges or satisfaction with Registrar of Companies:
