UFO's innovation driven DNA empowers it to use technology and business intelligence to minimize content irrelevance by providing relevant content, to the relevant people, at the relevant time! It aims at enabling an environment of content sufficiency to the running cinema infrastructures, as well as to create a one stop solution to set-up local movie theatres through a standardized model both in terms of infrastructure and experience. Apart from this the company also has Caravan Talkies that takes brands to rural India providing them an opportunity to reach media dark areas.
