Gurugram | December 01, 2025: Hyundai Motor India Limited (HMIL) achieved total monthly sales of 66,840 units in November 2025 thereby registering YOY growth of 9.1%. This includes monthly domestic sales of 50,340 units and exports of 16,500 units.

Commenting on HMIL's sales performance in November 2025, Mr. Tarun Garg, Whole-time Director & Chief Operating Officer, HMIL said, "Supported by GST 2.0 reforms, we continue to carry forward sales momentum with a year-on-year growth in our monthly domestic sales in November 2025. Further, our commitment to bolstering India's role as a global manufacturing hub is further solidified with 26.9% year-on-year growth in monthly exports."

Mr Garg further added "The all-new Hyundai VENUE, our first software defined vehicle in India has set new benchmarks in the compact SUV segment, clocking more than 32,000 bookings within a month of its launch. With its bold, futuristic design and cutting-edge technology featuring ccNC infotainment powered by NVIDIA - the all-new Hyundai VENUE gives a big boost to our already strong SUV portfolio."
