SHAREHOLDERS INSTRUCTIONS FOR REMOTE E-VOTING

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i. The voting period begins at 9.00 a.m. on 21-09-2025 and ends at 5.00 p.m. on 23-09-2025. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 17th September 2025 may cast their vote electronically. The e-voting modules shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method **for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Other shareholders without PAN / with invalid PAN / (or) Inoperative PAN	20%	--

Non-resident Shareholders:

For Non-resident Shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement("DTAA"), read with Multilateral Instrument ("MLI") between India and the country of tax residence of the member, if they are more beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA read with MLI, non-resident shareholders will have to provide the following:

- Copy of PAN card allotted by the Indian income tax authorities duly attested by the members or details as prescribed under Rule 37BC of Income Tax Rules, 1962.
- Copy of Tax Residency Certificate for fiscal 2025 obtained from the revenue authorities of the country of tax residence, duly attested by member.
- Self-declaration in Form 10F.

- Self-declaration by the member of having no permanent establishment in India in accordance with the applicable tax treaty.
- Self-declaration of beneficial ownership by the non-resident shareholders.
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by the member.

In case of Foreign Institutional Investors/Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act @ 20% (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents.

Please Note that:

- a. TDS will be deducted @ 20% i.e., at twice the applicable rate on the amount of dividend payable where the resident shareholders have not furnished valid PAN.
- b. Shareholders holding shares under multiple accounts under different status / category and single PAN, may note that, applicable TDS will be made on their entire cumulative holding in different accounts
- c. The documents as mentioned in the above table are required to be sent to us at the Regd. Office of the Company or may be sent by way of email to jocil@jocil.net on or before 6 September 2025 in order to enable the Company to determine and deduct appropriate TDS / withholding tax rate. No communication/ documents on the tax determination / deduction shall be considered post 6 September 2025.
- d. The Company will arrange to send TDS certificate to the shareholders in due course.
- e. The tax credit can also be viewed in Form 26AS by logging in with your credentials (with valid PAN) at TRACES <https://www.tdscpc.gov.in/app/login.xhtml> or the e-filing website of the Income Tax department of India <https://www.incometaxindiaefiling.gov.in/home>.
- f. In the event of any income tax demand (including interest, penalty, etc.) arising from any misrepresentation, inaccuracy or omission of information provided by the Shareholder/s, such Shareholder/s will be responsible to indemnify the Company and also, provide the Company with all information/documents and co-operation in any appellate proceedings.
- g. In case where shares held by intermediaries/ stock brokers and TDS is to be deducted in the PAN of the beneficial shareholders then intermediaries/ stock brokers and beneficial shareholders will have to provide a declaration in this regard. This declaration should be shared within 2 days from the record date. No declaration shall be accepted after 2 days from the record date.

- h. It may be further noted that in case the tax on said Final Dividend is deducted at a higher rate in the absence of receipt of the aforementioned details/documents from you, there would still be an option available with you to file the return of income and claim an appropriate refund, if eligible. No claim shall lie against the Company for such taxes deducted.

We request your cooperation in this regard.

Thanking you,

Yours faithfully,

For Jocil Limited

Online Dispute Resolution

Dear Shareholder(s),

The Securities and Exchange Board of India ("SEBI") vide circular no. SEBI/HO/OIAE/OIAE_IAD1/P/CIR/2023/131 on July 31, 2023, SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/135 on August 04, 2023, SEBI/HO/OIAE/IGRD/CIR/P/2023/156 on September 20, 2023 and SEBI/HO/OIAE/OIAE_IAD-3/P/CIR/2023/191 on December 20, 2023 (collectively known as Circulars) has introduced a common Online Dispute Resolution("ODR") mechanism to facilitate online resolution for all kinds of grievances/disputes/complaints arising in the Indian securities market. The ODR Portal allows investors with additional mechanism to resolve the grievances in the following manner:

Level 1: Raise your concerns with Registrar and Transfer Agent (RTA)/ Company

At First, all grievances/disputes/complaints are required to be directly lodged with the RTA/the Company.

The shareholder(s) may lodge their grievances/disputes/complaints by sending an email to Company's RTA i.e., M/s. XL Softech Systems, Hyderabad at xlfield@gmail.com or by sending physical correspondence at: M/s. XL Softech Systems (Unit: JOCIL LIMITED), 3, Sagar Society, Road No.2, Banjara Hills, Hyderabad - 500 034, Telangana.

Further, shareholder(s) can also write to the Company at jocil@jocil.net or send physical correspondence to the registered office of the Company.

Level 2: SEBI SCORES

In case the RTA/Company fails to redress the grievances/disputes/complaints of the Shareholder(s) within the applicable time frame under law at Level 1 or if the shareholder is not satisfied with the resolution provided by the Company/ RTA, then the shareholder(s) may escalate the same on the SEBI Complaints Redress System ("SCORES") Platform at <https://www.scores.gov.in> in accordance with the process laid out therein.

Level 3: ODR Mechanism

If the Shareholder(s) is not satisfied with the resolution(s) provided at Level 1 or 2, or grievances/disputes/complaints of the shareholders are not resolved then the Online Dispute Resolution process may be initiated through the ODR Portal at <https://smartodr.in/login> within the applicable timeframe under law.

Important Notes:

1. The shareholder(s) are requested to initiate dispute resolution through the ODR Portal only if the grievances/disputes/complaints lodged with the RTA/the Company at Level 1 or on the SCORES Platform at Level 2 are not resolved to satisfaction.
2. The shareholder(s) may initiate dispute resolution through ODR Portal without having to go through SCORES Portal (i.e Level 1 to Level 3) if the grievance lodged with the Company is not resolved satisfactorily.
3. The dispute resolution through the ODR Portal can be initiated only if such grievances/disputes/complaints are not pending before any arbitral process, court and tribunal or consumer forum.
4. The dispute resolution through the ODR Portal cannot be initiated if the same is non-arbitrable under Indian law or if the same is against the Government of India/President of India or a State Government/Governor of a State.
5. There is no fee for registration of Complaints/Disputes on ODR Portal. However, the process of Conciliation/Arbitration through ODR Portal may attract Fee and the same shall be borne by the concerned investor/listed entity/its RTA (as the case may be)
6. Please refer the aforesaid SEBI Circulars for the applicable fees and charges relating to registration of grievances/disputes/complaints on the ODR Portal and for conciliation/arbitration process through the ODR Portal.
7. The Master Circular issued by SEBI containing detailed information about the ODR mechanism has been made available on SEBI's website at <https://www.sebi.gov.in>

For any queries on the above matter, investors may contact RTA, XL Softech Systems at xlfield@gmail.com or the Company at jocil@jocil.net.

Thanks and Regards,

For Jocil Limited

4. BUSINESS REVIEW AND OUTLOOK

Your Company has not changed its nature of business during the period under review. Division wise performance and outlook is described as given below.

Fatty Acids and Soap

There is an improvement in sales volume of Soap Noodles. However, the profitability of the year under review is lower when compared to previous year due to the reasons afore stated. GST refund/benefit is continuing for North-eastern states and Jammu & Kashmir and will be available upto June 30, 2027. However, these benefits may not be attractive enough to overcome the increased logistical costs for marketing in the south. As a result, the opportunities have improved for manufacturers in non-exempt areas especially for those catering to the Southern markets. However, due to intense competition, the Company is able to market short of its full capacity and that too with meagre margins. Also, in order to survive in the competing business for Stearic Acid, Company reduced the prices of various grades of Stearic Acid. The Company is continuing to explore the market for its products from medium to small customers with reasonable success.

Cost of raw materials is a major component in total cost of production and the fluctuation in their prices is a serious cause of concern to the company particularly when the customers demand long term forward contracts while the same is not possible with the raw material suppliers. There is stiff competition from manufacturers particularly from those having backward integration which gives them a cost advantage. The Company is able to source the raw materials largely from local suppliers. However, to meet the urgent requirements of major customers, Company may have to import PFAD and RBD Palm Stearine in case of shortage in local market.

The Company enters into contracts for supply of Fatty Acids, Soap Noodles and Toilet Soap for major customers wherein the price of raw materials is factored into the selling price of the products. The customers themselves supply/cover raw materials required for the total process and the Company receives processing charges for the manufacture of final products. This system provides meagre margins but helps to safeguard against fluctuations in raw material prices and thereby avoids losses.

M/s. Hindustan Unilever Ltd, one of Company's major customer expressed its interest to procure additional quantity of Soap Noodles. As such Company increased the capacity of Soap Noodles production by 1500 MT per month by investing an amount of Rs.6.5 Crores. Commercial production of the expanded capacity commenced from 15 May 2025. The market for Toilet Soap and Soap Noodles is expected to increase compared to the year under review due to increase in capacity of Soap Noodles Plant. For Stearic Acid there may be a slight increase in demand in the forth coming period due to offering of competitive prices to customers.

Biomass Power Plant

The generation from the Plant during the year decreased to 253 lakh units from 272 lakh units achieved in the previous year, a 7% drop when compared to the previous year. However, sale of Biomass Power

improved to 53 lakh units a 9% rise when compared to the previous year. The main reason for increase in sales is due to sale of additional units of Power to Indian Energy Exchange (IEX) when compared to the previous year due to decrease in internal consumption. The revenue from Biomass Power Plant is expected to decrease slightly compared to the year under review due to additional requirement of Power for internal consumption for the anticipated higher production of Fatty Acids and Soap Noodles.

Wind Energy Generators (WEG)

Power generation during the year from the four Wind Energy Generators (WEGs) of 6.3 MW capacity has increased as compared to the previous year. During the year, the power generation from all the four WEGs was 115.72 lakh units as compared to 95.96 lakh units in the previous year due to decrease of grid failure from 13.12% to 4.67%. The backdown of WEGs for want of evacuation facilities amounts to 3.14% of available time during the year 2024-25 as compared to 4.26% in the previous year.

5. SUBSIDIARY/ASSOCIATE COMPANIES

Your Company has no subsidiary/associate/joint venture companies. During the year under review, your company has not added any subsidiaries, joint ventures or associate companies.

6. FINANCE AND STATUTORY COMPLIANCES

The Company availed working capital facilities under consortium arrangement with Union Bank of India and State Bank of India and the accounts are in order. The company complied with all the legal requirements and there are no outstanding statutory dues as on 31st March 2025.

During the year there have been no significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and company's operations in future.

7. CREDIT RATING

During the year the Credit Rating Agency CARE re-affirmed the credit rating for working capital facilities as detailed hereunder.

Nature of Facilities	Rating Assigned	
	2024-25	2023-24
i. Long term facilities	CARE A-; Stable (adequate degree of safety regarding timely servicing of financial obligations)	CARE A -, Stable (adequate degree of safety regarding timely servicing of financial obligations)
ii. Short term facilities	CARE A2+ (Strong degree of safety regarding timely payment of financial obligations)	CARE A2+ (Strong degree of safety regarding timely payment of financial obligations)

8. DEPOSITS

Your Company has not accepted any deposits covered under Chapter V of the Companies Act, 2013 i.e. within the meaning of Section 2(31) of the Companies Act, 2013 read with Rule 2(1)(c) of the Companies (Acceptance of Deposits) Rules, 2014 and as such there are no such overdue deposits outstanding as on 31 March 2025.

The Company has in place an Anti-Sexual Harassment Policy in line with the requirements of The Sexual Harassment of Women at the Workplace (Prevention, Prohibition & Redressal) Act 2013. All women employees whether permanent, temporary or contractual are covered under the said policy. The Company has complied with provisions relating to the constitution of Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. During the year the Company has not received any complaints on sexual harassment of women at the workplace.

11. VIGIL MECHANISM/WHISTLE BLOWER POLICY

The Company has established Vigil Mechanism as required under Section 177 of the Companies Act, 2013 for directors and employees to report genuine concerns as prescribed in the policy. The policy provides adequate safeguards against victimization of persons who use such mechanism and makes provision for direct access to the Chairperson of the Audit Committee in appropriate or exceptional cases.

12. DIRECTORS AND KEY MANAGERIAL PERSONNEL (KMP)

In accordance with the provisions of the Companies Act 2013 and Articles of Association of the Company, Sri Mullapudi Thimmaraja and Sri Mullapudi Mrutyumjaya Prasad, Directors retire by rotation at the ensuing Annual General Meeting and being eligible offers themselves for re-appointment. Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS 1 to CSAS 4 (“CSAS”) prescribed by The Institute of Company Secretaries of India (“ICSI”). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records. Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS. Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the company and for which we relied on the report of statutory auditor.
4. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**a Industry Structure and Developments :**

The Company is engaged in the manufacture of Stearic Acid, Fatty Acids, Refined Glycerine, Soap Noodles, Toilet Soap, Industrial Oxygen and in the generation of Power from biomass and wind. Non edible vegetable oils and Fat distillates, both indigenous and imported, are used as raw materials for the manufacture of the finished products. The products manufactured are marketed directly from the factory as well as through Depots and C&F Agents located in major cities across the country. The Company also undertakes to manufacture major portion of Soap Noodles and Toilet Soap on contract basis for reputed customers and some portion of Soap Noodles to other medium to small size customers on regular sale basis.

The Company is having 6 Mw Biomass Cogeneration Captive Power Plant located within the factory premises. It is also having four Wind Energy Generators (WEGs) of total 6.30 MW setup in Tamil Nadu and the power generated from these plants is sold to Tamil Nadu Generation and Distribution Corporation Limited (TANGEDCO).

Majority of the Fatty Acids produced in the industry are consumed as raw material in Toilet Soap industry for making Soap Noodles and Toilet Soap. Hence performance of that industry will also have its impact on the demand for fatty acids. Stearic Acid is used in rubber, plastic, metal polish, cosmetics, paints and number of other industries. Any changes in consumption pattern by the major user industries may lead to fluctuations in demand. Glycerine and Industrial Oxygen are the by-products.

The country is short of both edible and non-edible vegetable oils. However, in India, refineries with huge capacities have been setup for processing Crude Vegetable Oils like Palm Oil mainly imported from Malaysia and Indonesia and some that is available domestically. By-products generated from these refineries viz., RBD Palm Stearin (RBDPS) and Palm Fatty Acid Distillate (PFAD) are the raw materials to the Company. As a result, the Company indirectly depends on imports of crude vegetable oils for refining. Consequently the supply and demand position in the international market for vegetable oils influence the domestic market.

The Malaysian and Indonesian Governments vary export duty from time to time on crude oil to encourage value addition within their country prior to exports. This turns out as additional cost to consumers in India. Further, fluctuation in crude oil (fossil) prices also have impact on edible and non-edible oils due to their usage in production of bio-diesel.

The fuels intended for running the biomass power plant are Rice Husk, fire wood like Cotton Stalk, Chili Stalk, Juliflora etc., available in the surrounding areas. Their availability is seasonal and also depends on availability of labour and farm works during the season. Transportation and storage of biomass fuels are the other problems due to their low bulk density. They are also more fire hazardous.

Scheduled maintenance activities are being carried out regularly for optimum capacity utilization of the power plant. Steam and power requirements of Process Plants are met from the Biomass Power Plant. Surplus power after internal consumption is sold to Indian Energy Exchange through PTC India Ltd.

Continuous development efforts are being made to absorb the latest technologies and practices. Quality Management Systems (QMS) Standard ISO 9001:2015 obtained from a renowned certification agency, TUV SUD South Asia Pvt. Ltd., Mumbai is being followed by the Company, Det Norske Veritas (DNV) also confirmed ISO 22716:2007 on the Company for following GMP Guidelines of Standards in the manufacture of Stearic Acid and Glycerine.

Raw materials and semi-finished soap products are tested in Company's laboratory having Micro-organism Testing Equipment for reliable and consistent results. It also saves time involved in sending samples to outside laboratories situated far away from the Company.

Company's existing Enterprise Resource Planning (ERP), SAP Application 2016 version implemented from 1 July 2017 is being upgraded to 2023 version as the old version is out dated and any new reports related by SAP based on latest changes in statutes may not be available in older versions. In this upgradation process, it's connected Hardware i.e., Servers, Storage, Switches and operating system is also being upgraded to latest version. Total cost of entire upgradation is around Rs.1.70 Crores and is expected to be completed by October 2025.

b. Opportunities and Threats:

Raw material cost is a major component in the cost of production of fatty acids and soap products. International market prices of edible and non-edible oils highly influence the raw material prices in the domestic market. Competitors having backward integration have an edge over the Company because of cheaper and secured source of raw materials. Volatility of raw material prices and demand by bulk consumers of fatty acids for contracts of large quantities for future delivery is a big challenge to the Company when similar facility for advance coverage of raw materials is not available to hedge the risks. Retention of high volume customers is considered very important and hence very competitive rates are having to be quoted with hidden risks.

GST refund/benefit is continuing for North-eastern states and Jammu & Kashmir and will be available upto 30 June 2027. However, these benefits may not be attractive enough to overcome the increased logistical costs for marketing in the south. As a result, the opportunities have improved for manufacturers in non-exempt areas especially for those catering to the Southern markets.

During the year under review, Company is unable to sustain reasonable volume of orders for Stearic Acid from major customers as other competitors are offering the product at very low price. Hence, Company is forced to reduce the prices for various Stearic Acid grades to retain existing customers with reasonable success. However, drawing new customers away from their existing suppliers offering lower prices becomes difficult.

Even though there is an opportunity for higher sale of Biomass Power to Indian Energy Exchange (IEX) through PTC India Limited by way of Open Access arrangement, it will not be viable due to increase in the cost of fuels used for generation of power without a commensurate increase in selling price as prices prevailing in the Exchange are very competitive.

The generation of power from Wind Energy Generators (WEGs) has increased to 115.72 lakh units as against 95.96 lakh units in the previous year mainly due to decrease of grid failure from 13.12% to 4.67%. As a result, revenue from sale of power from Wind Energy Generators increased to ₹ 335.96 lakhs from ₹ 280.55 lakhs. Payments from TANGEDCO are being received as per Late Payment Surcharge (LPSC) Scheme opted by TANGEDCO.

c. Segment-wise or Product-wise performance:

Segment-wise performance of the Company is at Note No. 31 to the Accounts.

d. Outlook:

The demand for Stearic Acid is expected to increase slightly compared to the year under review due to offering of the product at lower prices in view of severe competition. Also, the demand for Soap Noodles may increase from existing level due to anticipated orders from existing customers due to availability of additional capacity arising from expansion of Soap Noodles Plant. Toilet Soap and Glycerine demand is expected remain the same.

e. Risks and Concerns:

Inverted duty structure for imports (higher duty for raw materials and lower duty for finished products) is a major problem for manufacturers of Soap Noodles. There is no customs duty on Soap Noodles imported from Asian countries under Indian Free Trade Agreement. Whereas, Lauric Acid and PFAD, the major raw materials in the manufacture of Soap Noodles attracts basic customs duty at 7.5% and 5% respectively. As a result indigenous manufacturers are placed at a disadvantage in competing with import of Soap Noodles. The Company expects the Government to recognize the inverted duty structure for Soap Noodles and correct the anomaly to enable the industry to face the competition from import of soap noodles effectively.

The wide fluctuations in raw material prices in the international market affect the prices of final products which may result in conditions favourable at times or unfavourable at other times to the Company, in spite of taking precautions to avoid risks in price fluctuations.

Availability of Palm Fatty Acid Distillate (PFAD) and RBD Palm Stearin, the major raw materials for fatty acids production is a bit of concern as processing of Crude Palm Oil (from which PFAD & RBD Palm Stearin are derived as by products) has come down substantially at refineries due to lower demand in the market for Palm Olein as prices are equivalent to Soya and Sunflower oils. As a result, Company may have to import PFAD & RBD Palm Stearin at increased costs in case of shortage.

Generation of power by Biomass Power Plant depends on availability of biomass and its cost. Generation of power by windmills depends on wind velocity and the policy of TANGEDCO to prioritize evacuation over the other sources of energy available to it. The profitability of Wind Energy Generators largely depends upon the purchase price fixed by the Government for purchase of energy from renewable sources of energy as a promotional measure.

f. Internal Control System and their adequacy:

The Company has proper and adequate internal control procedures commensurate with its size and nature of business. These internal control procedures ensure protection to the resources of the Company and compliance with the policies, procedures and statutes.

The internal controls are supplemented by internal audit by M/s. Mastanaiah & Co., Chartered Accountants, Guntur. The internal controls and internal audit ensure that appropriate financial records are available for preparing financial statements and other data for maintaining accountability of assets. The Report of the Auditors on Internal Financial Controls under Sec.143(3)(i) of the Act is provided as Annexure-B to the Independent Auditors' Report.

g. Discussion on Financial Performance with respect to Operational Performance:

The operations of Fatty Acids decreased by 6.54% and that of Toilet Soap & Soap products increased by 12.37%. The operation of Biomass Power declined by around 7% due to decrease in internal power consumption due to lower production. However, the operations of Wind Power increased by around 20%. The profit before interest & depreciation decreased by around 20.21% due to decrease in sales volume of Fatty Acids.

h. Material developments in Human Resources/Industrial Relations front, including number of people employed:

The Company employed 749 persons as on 31 March 2025 both in the factory and office. The Management of the Company maintains good relations with the employees. There have been no labour problems since the inception of the Company in 1980.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF JOCIL LIMITED

Report on the Audit of the Financial Statements**Opinion**

We have audited the accompanying financial statements of JOCIL LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the State of affairs of the Company as at March 31, 2025, its Profit, total comprehensive Income, changes in equity and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the

Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. a. The final dividend paid by the Company during the year in respect of dividend declared for the previous year 2023-24 is in accordance with Section 123 of the Act, as applicable.
 - b. As stated in Note no.42 of the financial statements, the Board of Directors of the Company proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
 - vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Further, the audit trail has been preserved by the company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure-A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE-A TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in paragraph 2 under "Report on other legal and regulatory requirements" section of our report to the members of JOCIL LIMITED for the year ended March 31, 2025.

We report that:

1. In respect of its Property, plant and equipment and intangible assets:
 - a. The Company has maintained proper records showing full particulars including quantitative details and situation of Property, plant and equipment.
 - b. The Company has maintained proper records showing full particulars of intangible assets.
 - c. The company has a programme of physical verification to cover all items in a phased manner which, in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the said programme, certain property, plant and equipment were physically verified by the management during the year and according to the information and explanations given to us, no material discrepancies have been noticed on such verification.
 - d. According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties are held in the name of the company.
 - e. The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.

2. In respect of its inventories:
 - a. According to the information and explanations furnished to us, the Company has physically verified its inventories during the year and no discrepancies were noticed on such verification. In our opinion, the frequency of verification is reasonable.
 - b. According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising of value of closing stock of inventory, receivables and payables filed by the Company with such bank are in agreement with the unaudited books of account of the Company of the respective quarters and no material discrepancies have been observed.
3. The Company has not made any investments or provided any securities or guarantees or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, LLP's or other parties and hence reporting under clauses (iii) of the Order is not applicable.

4. The company has not granted any loans or provided any guarantees or securities in respect of which the provisions of section 185 and 186 of the Act are applicable.
5. The company has not accepted any deposits or the amounts, which are deemed to be deposits. Hence reporting under clauses (v) of the Order is not applicable.
6. We have broadly reviewed the books of account and records maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed audit of the same.
7.
 - a. According to the information furnished to us, the Company is regular in depositing with appropriate authorities, the undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Goods and Service Tax, Customs duty, Cess and any other statutory dues wherever applicable to it during the year.
 - b. There were no undisputed statutory dues in arrears in respect of Provident Fund, Employees' State Insurance, Income-tax, Goods and Service Tax, Customs duty, Cess and other material statutory dues as at the date of the Balance Sheet under report, for a period of more than six months from the date they became payable.
 - c. According to the information furnished to us, the following amounts of Value added tax and Customs duty have been disputed by the Company, and hence were not remitted to the authorities concerned at the date of the Balance Sheet under report.

Name of the Statute	Nature of Dues	Amount involved (Rs.in lakhs) ₹	Amount unpaid (Rs.in lakhs) ₹	Period to which it relates	Forum where dispute is pending
AP VAT	Availment of Input tax credit	15.90	10.40	2005-06	STAT, Vizag
	Purchase tax on Biomass	25.92	0	2012-16	STAT, Vizag
		40.98	30.73	2008-11	STAT, Vizag
Customs Act, 1962	Classification of goods imported	32.03	30.43	2012-13	CESTAT, Chennai

8. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
9.
 - a. In our opinion and according to the information and explanations furnished to us by the Company, there were no defaults in repayment of loans or other borrowings or in the payment of interest thereon to the lenders.
 - b. The Company has not been declared as wilful defaulter by any bank or financial institution or government or any government authority.

- c. According to the information and explanations given to us by the management, the Company has not obtained any term loans during the year. Accordingly, clause 3(ix)(c) of the Order is not applicable.
 - d. On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - e. The company does not have any subsidiaries, associates and Joint ventures and hence reporting under clause 3(ix)(e) and (f) of the Order is not applicable.
10. a. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b. During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
11. a. No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year under report.
- c. According to the information and explanations furnished to us by the company, no whistle blower complaints has been received by the Company during the year.
12. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
13. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
14. a. In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b. We have considered the internal audit reports for the year under audit issued to the Company during the year in determining the nature, timing and extent of our audit procedures.
15. In our opinion, the Company has not entered into any non-cash transactions during the year with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
16. a. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- b. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

17. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
18. There has been no resignation of the statutory auditors of the Company during the year and hence the reporting requirement in terms of clause (xviii) of the order is not applicable.
19. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
20. a. There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

b. In respect of ongoing projects, considering the total amount spend under the provisions of section 135 of the Act, there are no unspent amounts required to be transferred u/s 135(5) of the Act and hence the reporting under clause (3)(xx)(b) of the order is not applicable for the year under report.

ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

**Report on the Internal Financial Controls over Financial Reporting under Clause (i) of
Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of JOCIL LIMITED ("the Company") as of 31st March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

I. NOTES TO THE FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

Jocil Limited (hereinafter referred to as Jocil) is engaged in the manufacture of Stearic Acid, Fatty Acids, Soap Noodles, Toilet Soap, Glycerine and Industrial Oxygen. The manufacturing facilities of Jocil and its Registered Office are located at Dokiparru Village, Medikondur Mandal, Guntur District, Andhra Pradesh. It is also having a 6 MW Biomass Cogeneration Captive Power Plant to meet the power requirements of the manufacturing activity and surplus power is sold to Indian Energy Exchange (IEX) through PTC India Ltd. Jocil is also having 4 Wind Energy Generators in the State of Tamil Nadu and the power generated is sold to Tamil Nadu Generation and Distribution Corporation Limited. Jocil is a subsidiary to The Andhra Sugars Limited (ASL), Tanuku, W.G.District, Andhra Pradesh. As on date, ASL owned 55.02% of the Jocil's equity share capital.

2. BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

a) Statement of compliance

These Financial Statements are prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act ("The Act") read together with Companies (Indian Accounting Standards) Rules 2015 (as amended). The financial statements have also been prepared with relevant presentation requirements of the Act.

b) Basis of preparation of financial statements

These financial statements have been prepared under historical cost convention on accrual basis of accounting except for certain financial instruments which are measured at fair values at the end of each reporting period.

Historical cost is generally based on the fair value of consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

c) Operating cycle

All assets have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the schedule III to the act and Ind AS-I Presentation of Financial statements, based

on the nature of the products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

d) Key accounting estimates and judgements

The preparation of the company's financial statements in conformity with Ind AS requires the management of the Company to make judgments, estimates and assumptions that affect the application of accounting policies and reported amount of assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Uncertainty about these assumptions and estimates could result in outcomes that require adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

The following are the critical judgments and estimates that have been made in the process of applying the company's accounting policies that have the most significant effect on the amounts recognized in the financial statements.

i) Depreciation / amortization and useful lives of property plant and equipment and intangible assets:

Property, plant and equipment and intangible assets are depreciated/amortised based on the useful lives specified under schedule II of Companies Act, 2013. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortization to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation/amortization for future periods is revised if there are significant changes from previous estimates.

ii) Recoverability of trade receivable:

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, past history of receivables, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non payment.

iii) Fair value measurement of financial instruments:

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or liability, the Company uses market-observable data to the extent available. Where Level 1 inputs are not available, the fair value is measured using valuation techniques, including the discounted cash flow model, which involves various judgments and assumptions. The Company also engages third party qualified valuers to perform the valuation in certain cases. The appropriateness of valuation techniques and inputs to the valuation model are reviewed by the Management.

iv) Provisions:

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

v) Impairment of non-financial assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

vi) Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

vii) Income Taxes:

The Company's tax jurisdiction is India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/ recovered for uncertain tax positions.

viii) Defined benefit obligations:

The Company uses actuarial assumptions viz., discount rate, mortality rates, expected rate of return on plan assets, salary escalation rate etc., to determine such employee benefit obligations.

ix) Other estimates:

The preparation of financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analysing historical payment patterns, customer

concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

The judgments, estimates and underlying assumptions are made with the management's best knowledge of the business environment and are reviewed on an on going basis. Accounting estimates could change from period to period. Actual results could differ from these estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

II. MATERIAL ACCOUNTING POLICIES

a) Property, plant and equipment

An item of Property, Plant and Equipment that qualified as an asset is measured at initial recognition at Cost. Following initial recognition, items of property, plant and equipment (PPE) are carried at cost less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the management.

The company identifies and determines cost of each part of PPE separately, if the part has a cost which is significant to the total cost of that items of PPE and has useful life that is materially different from that of the remaining items.

Advances paid for acquisition of Property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets. Cost of the assets not put to use before such date are disclosed under 'Capital Work-in-progress'. Any subsequent expenditure relates to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. Items of spare parts are recognized as Property, plant and equipment when they meet the definition of PPE. The cost and related depreciation are eliminated from the PPE upon sale or retirement of the asset and the resultant gain or losses are recognized in statement of profit and loss.

b) Intangible assets

Intangible assets are stated at cost of acquisition less accumulated amortization. Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis from the date they are available for use.

c) Borrowing costs

Borrowing Costs, that are directly attributable to the acquisition or construction of assets, that necessarily take a substantial period of time to get ready for its intended use, are capitalised as part of the cost of qualifying asset when it is possible that they will result in future economic benefits and the cost can be measured reliably.

d) Depreciation and amortization

Depreciation is recognized so as to write off the cost of assets less their residual values based on useful lives as specified in Schedule II of the Companies Act, 2013 as follows:

- i) Under straight line method in respect of plant and machinery of wind power division.
- ii) Under written down value method on the remaining assets of the company.
- iii) The intangible assets, being computer software is amortized over a period of 5 years on straight line method.

Depreciation methods, useful lives and residual values are reviewed periodically at each financial year end.

e) Inventories

- i) Finished goods are valued at lower of cost or net realizable value.
- ii) Cost of work-in-progress and finished goods includes appropriate portion of overheads etc.,
- iii) Raw materials, stores and spares are valued at cost using weighted average method.
- iv) Work-in-progress, raw materials, stores, spares, material in transit, are valued at cost except where the net realizable value of the finished goods they are used in is less than the cost of finished goods and in such an event, if the replacement cost of such materials etc., is less than their book values, they are valued at replacement cost.
- v) By-products and scrap are valued at net realizable value.

f) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

- i) Revenue from sale of products is recognised when the entity satisfies a performance obligation by transferring the promised goods to customers and the goods are transferred when the customer obtains control over the goods and the company retains no effective control over the goods sold. Revenue is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold is net of variable consideration on account of discounts offered as part of contract.

When there is any uncertainty as to the measurement or collectability of consideration, revenue recognition to the extent of amount of uncertainty is postponed until such uncertainty is resolved.

- ii) Amounts collected on behalf of third parties such as GST are excluded from Revenue.
- iii) Revenue realized on processing charges is recognized to the extent of completion of job as per the agreements/arrangements with the concerned parties.
- iv) Power purchased from other units is accounted at market price at which the power is purchased from external party.

- v) Interest income is recognized using effective interest method.
- vi) Dividend income is recognized when the right to receive payment is established.

g) Taxes on income

Income tax expense comprises the sum of tax currently payable and deferred tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Current tax is determined at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. The carrying amount of deferred tax assets is reviewed at the end of each year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or subsequently enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities are recognized as income or expense in the year of enactment. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

h) Segment reporting

The operating segments of the entity are identified based on the revenues earned and expenses incurred whose operating results are regularly reviewed by the entity's decision maker to make decisions about resources to be allocated to the segment and assess its performance for which discrete financial information is available.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company.

Inter segment revenue has been accounted for based on the market related prices.

Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated expenses".

i) Retirement benefits

The Company provides retirement benefits in the form of Provident Fund, Superannuation and Gratuity etc., contribution to Provident Fund, a defined contribution scheme, is made at the prescribed rates to the

Provident Fund Commissioner and is charged to the Statement of Profit and Loss. There is no other obligation other than the contribution payable.

Certain employees of the company are eligible for superannuation and company has no obligation beyond its monthly contribution to LIC. The periodic contribution is charged to the statement of profit and loss account.

Gratuity, a defined Benefit scheme is covered by a Group Gratuity cum Life Assurance policy with LIC. The cost of providing benefits is determined using the projected unit credit method with actuarial valuations being carried out at the end of each reporting period. Remeasurement, comprising actuarial losses and gains, the effect of changes to the asset ceiling and actual return on plan assets, in excess of the yield computed by applying the discount rate used to measure the defined benefit obligation, is reflected in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Such remeasurement losses/gains are not reclassified to profit or loss subsequently.

The liability in respect of compensated absences due or expected to be availed within one year from the balance sheet date is recognized on the basis of undiscounted value of estimated amount required to be paid. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of actuarial valuation using projected unit credit method at the end of each year.

j) Research & development expenditure

Revenue expenditure is charged to Statement of Profit & Loss and Capital expenditure is added to the cost of Fixed Assets in the year in which it is incurred.

k) Foreign exchange transactions

The functional currency of the company is the Indian rupee and the financial statements are presented in Indian rupee.

Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of the transaction, and adjusted appropriately, with the difference in the rate of exchange arising on actual receipt/payment during the year.

At each Balance Sheet date

- i) Foreign currency denominated monetary items are translated into the relevant functional currency at exchange rate at the balance sheet date. The gains and losses resulting from such translations are included in net profit in the statement of profit and loss.
- ii) Foreign currency denominated non-monetary items are reported using the exchange rate at which they were initially recognized.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in statement of profit and loss.

l) Impairment of assets**i) Financial assets (other than at fair value)**

The company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ii) Non financial assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amount may not be recoverable. If any such indication exists, the recoverable amount (i.e higher of the fair value less cost of sale and value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset or CGU is estimated to be less than its carrying amount, the carrying amount of the asset or CGU is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss.

An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount and the carrying amount of the asset is increased to its revised recoverable amount subject to maximum of carrying amount.

m) Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present obligation as a result of past event, it is probable that the company will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Where the effect of time value of money is material, the amount of provision is the present value of the expenditure to be required to settle the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. The company does not recognise contingent liabilities but the same are disclosed in the notes.

Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

n) Financial instruments

Initial recognition:

The company recognizes financial assets and liabilities when it becomes a party to the contractual provisions of the instruments. All financial assets and liabilities are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities (other than the financial assets and liabilities at fair value through profit and loss) are added to or deducted from the fair value of financial assets and liabilities, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities at fair value through profit or loss are recognized immediately in profit or loss. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement:

i) Financial assets carried at amortized cost:

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income.

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

De-recognition of financial asset

The company de-recognises financial assets when the contractual right to the cash flows from the asset expires or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. The effective method is a method of calculating the amortization cost of a financial liability and of allocating

interest expense over the relevant period. The effective interest is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the net carrying amount on initial recognition.

De-recognition of financial liability

The company de-recognises financial liabilities when the company's obligations are discharged, cancelled or expired. The difference between the initial carrying amount of the financial liabilities and their redemption value is recognized in the statement of profit and loss over the contractual terms using the effective interest method.

o) Earning per equity share

Basic earning per equity share is computed by dividing the net profit attributable to the equity shareholders of the company by the weighted average number of equity shares during the period. The company did not have any potentially dilutive securities in any of the years presented.

The number of equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of financial statements by the board of directors.

p) Cash flow statement

Cash flows are reported using indirect method whereby the profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financial activities of the company are segregated.

q) Dividends

Final dividends on shares are recorded as a liability on the date of approval by the shareholders i.e the year in which the dividends are approved and interim dividends are recorded as a liability on the date of declaration by the company's board of directors.

r) Government Grants

Government grants are not recognized until there is reasonable assurance that the company will comply with the conditions attaching to them and that the grants will be received .

Government grants related to revenue are recognized on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs which they are intended to compensate. When the grant relates to an asset, it is recognized as deferred revenue in the Balance sheet and transferred to the statement of Profit and Loss on a systematic and rational basis over the useful lives of the related assets.

Export benefits available under prevalent schemes are accrued as revenue in the year in which goods are exported when there is reasonable assurance that the conditions attached to them will be completed and the amounts will be received.

RECENT ACCOUNTING PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind AS 116 Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its financial statements.

On May 9, 2025, MCA notifies the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are affective for annual periods beginning on or after April 1, 2025. The Company is currently assessing the probable impact of these amendments on its financial statements.

The Company has disclosed financial instruments such as cash and cash equivalents, trade receivables, trade payables and Short Term Borrowings at carrying value because their carrying amounts are a reasonable approximation of the fair values due to their short-term nature.

Calculation of fair values

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended 31st March, 2024.

Financial assets and liabilities measured at fair value as at Balance Sheet date

The fair values of investments in mutual funds is based on the net asset value ['NAV'] as stated by issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual funds and the price at which issuers will redeem such units from the investors.

38. FAIR VALUE HIERARCHY

The fair value of financial instruments as referred to above note have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identified assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements]

The categories used are as follows:

Level 1: Quoted prices for identified instruments in an active market.

Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data.

This note provides information about how the Company determines fair values of various financial assets and financial liabilities. Fair value of the Company's financial assets and financial liabilities that are measured at fair value on a recurring basis. Some of the Company's financial assets are measured at the fair value at the end of each reporting period.

The following table gives information about how the fair value of these financial assets and financial liabilities are determined (in particular, the valuation technique and other inputs used).

Financial assets/ Financial liabilities		Fair value as at		Fair value hierarchy	Valuation technique and key input
		March 31 2025	March 31 2024		
1) Investments in quoted Mutual Funds	Investment in Quoted mutual funds-aggregate fair value of -	2512.30	2839.80	Level 1	Quoted bid prices in an active market
2) Investments in Equity instruments (quoted)	Listed Equity Securities in various companies domiciled in India aggregate fair value of -	507.42	870.96	Level 1	Quoted bid prices in an active market

Note: The fair value of trade receivables, trade payables, loans and other current financial assets and liabilities is considered to be equal to the carrying amount of these items due to their short-term nature.

39. Financial Risk Management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, credit risk and foreign currency risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also planned before the Board of Directors of the Company.

A. Credit risk

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligation. To manage this, the company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of the account receivables. Individual risk limits are set accordingly.

The following table gives details in respect of revenues generated from top customers and top five customers.

Particulars	For the year ended 31st March, 2025	For the year ended 31st March, 2024
Revenue from top customers from whom the company receives 10% or more of its revenues	41,231	33,918
Revenue from top five customers	57,298	49,805

Trade receivables

Concentration of credit risk with respect to trade receivables are limited, due to Company's customer base being large and diverse. All trade receivables are reviewed and assessed for default on a monthly basis. Historical experience of collecting receivables is that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets.

Other financial assets

The Company maintains exposure in cash and cash equivalents, term deposits with banks and money market liquid mutual funds.

The Company's maximum exposure of credit risk as at March 31, 2025, and March 31, 2024 is the carrying value of each class of financial assets.

B. Foreign currency risk management

The Company is subject to the risk that changes in foreign currency values impact the Company's export revenues and import of raw materials. The Company is exposed to foreign exchange risk arising from various currency exposures, primarily with respect to US Dollars.

The Company manages currency exposures within prescribed limits. The aim of the Company's approach to management of currency risk is to leave the Company with no material residual risk.

The following table presents foreign currency risk from non-derivative financial instruments as of March 31, 2025 and March 31, 2024.

Particulars	31.3.2025	31.3.2024
	\$	\$
Assets :		
Trade receivables	-	767.15
Cash and cash equivalents	887.40	242.46
Liabilities		
Trade payables	0.33	0.33
Net assets / (liabilities)	887.07	1009.28

Foreign currency sensitivity analysis

A 5% strengthening of the INR against key currencies to which the Company is exposed would have led to approximately an additional ₹ 44.35 Lakhs gain in the Statement of Profit and Loss (2023-24: ₹ 50.46 Lakhs gain). A 5% weakening of the INR against these currencies would have led to an equal but opposite effect.

The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the year-end for a 5% change in foreign currency rates. The company has not entered into any derivative contracts like foreign exchange forward contracts to hedge the risk of exposure in foreign currency.

C. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due. The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended March 31, 2025 and March 31, 2024. Cash flow from operating activities provides the funds to service the financial liabilities on a day to day basis.

The Company regularly maintains the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short-term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposits and mutual funds with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities. All the payables such as trade payables and borrowings fall due for payment within one year.

d. Capital Management

Equity share capital and other equity are considered for the purpose of Company's capital management.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on Management's judgment of its strategic day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence.

The Management and the Board of Directors monitors the return on capital as well as the level of dividends to shareholders. The Company may take appropriate steps in order to maintain, or is necessary, adjust its capital structure.
