CGM & COMPANY SECRETARY

NOTES :

1. Explanatory statement as required under section 102 of the Companies Act, 2013 is annexed hereto.
2. The Board in its meeting held on 14.08.2023 has approved the company's proposal to conduct 41st Annual General Meeting through (Video Conference) VC / OAVM (Other Audio Visual Means) instead of physical Annual General Meeting in compliance of MCA General Circular No.2/2022 dated 05.05.2022 and General Circular No.10/2022, dated 28.12.2022 read with SEBI Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 05.01.2023 and after due examination, it has been decided to allow companies whose AGMs were due 30.09.2023, or become due in the year 2023, to conduct their AGMs on or before 30.09.2023, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January 13, 2021 and General Circular No.2/2022 dated May 05, 2022 read with January 05, 2023.

3. Further, it has been decided that physical copies of Annual Reports will not be sent by post to Members and instead only soft copy of Annual Report (including Notice of AGM) will be sent to Registered email_ids of shareholders in pursuance to MCA Circular No. 17/2020 dated April 13, 2020 & May 12, 2020 and SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, SEBI/HO/CFD/CMD21/CIR/P/2022/162 dated 13.05.2022 and SEBI Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 05.01.2023. Shareholders can view soft copy of the Annual Report on company's website www.tgvgroup.com and BSE Website and also on RTA Website.

Since the company has opted for convening Annual General Meeting through VC/OAVM, there will not be any provision for physical ballot voting. Members who have participated in Annual General Meeting through VC/OAVM mode can cast their vote through e-voting at the time of Annual General Meeting (provided that he has not cast his vote through remote e-voting).

4. Pursuant to Sec.91 of the Companies Act, 2013 and Regulation 42 of SEBI (LODR) Regulations, 2015, the Register of Members and Share Transfer Books of the Company will remain closed for 7 (Seven) days i.e. from 23-09-2023 to 29-09-2023 (both days inclusive).
5. Non-resident Indian Shareholders are requested to inform us immediately :
- a) the change in Residential Status on return to India for permanent settlement.
 - b) the particulars of Bank/NRE Account, if not furnished earlier.

Shareholders who have not registered their email_ids are requested to register / update immediately to enable the company to send soft copy of Annual Report of the ensuing Annual General Meeting and for future communication.

6. Payment of Dividend through electronic means

- To avoid loss of dividend warrants in transit and undue delay in receipt of dividend warrants, the Company provides the facility to the Members for remittance of dividend directly in electronic mode through National Automated Clearing House (NACH). Members holding shares in physical form and desirous of availing this facility of electronic remittance are requested to provide their latest bank account details (Core Banking Solutions Enabled Account Number, 9-digit MICR and 11-digit IFS Code), along with their Folio Number and original cancelled cheque leaf bearing the name of the first-named shareholder as account holder, to the Company's Registrar and Share Transfer Agent – Aarthi Consultants Pvt Ltd.
- Members holding shares in electronic form are requested to provide the said details to their respective Depository Participants.
- Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the respective Depository Participant of the Members.
- Members holding shares in physical form are requested to advise any change of address immediately to the Company's Registrar and Share Transfer Agent. Members holding shares in electronic form must send the advice about change in address to their respective Depository Participant only and not to the Company or the Company's Registrar and Share Transfer Agent.
- Members may note that the Income-tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 1, 2020 shall be

taxable in the hands of members. The Company shall therefore be required to deduct tax at source ("TDS") at the time of making the payment of final dividend. In order to enable us to determine the appropriate TDS rate as applicable, members are requested to submit relevant documents, as specified in the below paragraphs, in accordance with the provisions of the IT Act:

For Resident Shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows:

Members having valid Permanent Account Number ("PAN")	10% or as notified by the Government of India
Members not having PAN / valid PAN	20% or as notified by the Government of India

However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them during financial year 2023-24 does not exceed Rs. 5,000/- and also in cases where members provide Form 15G / Form 15H (Form 15H is applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower / nil withholding tax. PAN is mandatory for members providing Form 15G / 15H or any other document as mentioned above.

For Non-Resident Shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA"), read with Multilateral Instrument ("MLI") between India and the country of tax residence of the member, if they are more beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA read with MLI, non-resident shareholders will have to provide the following:

- Copy of the PAN card allotted by the Indian income tax authorities duly attested by the Member or details as prescribed under rule 37BC of Income-tax Rules, 1962.
- Copy of Tax Residency Certificate for financial year 2023-24 obtained from the revenue authorities of the country of tax residence, duly attested by member.
- Self-declaration in Form 10F.
- Self-declaration by the member of having no permanent establishment in India in accordance with the applicable tax treaty.
- Self-declaration of beneficial ownership by the non-resident shareholder.
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by the member.

In case of Foreign Institutional Investors / Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act @ 20% (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents.

The aforementioned documents can be downloaded from Company's website at <https://www.tgvgroup.com> on general tab and are required to be send at our RTA's e-mail id info@aarthiconsultants.com on or before 5 pm (IST), 20th September, 2023 to enable the Company to determine the appropriate TDS/ withholding tax rate applicable. Incomplete and/ or unsigned forms and declarations will not be considered by the Company. Any communication on the tax determination/ deduction received post 5:00 pm (IST) 20th September, 2023 shall not be considered. All communications/ queries in this respect should be addressed to our RTA, M/s.Aarthi Consultants Private Limited to its email address at info@aarthiconsultants.com or Company's e-mail address at sralkalies@tgvmail.net. The Company will send through email a soft copy of the TDS Certificate at the shareholders registered email ID post payment of the said Final Dividend. Shareholders will also be able to see the credit of TDS in Form 26AS, which can be downloaded from their e-filing account at <https://incometaxindiaefiling.gov.in>.

- Members holding shares in physical form are advised to furnish, on or before 10th September, 2023 particulars of their bank account, if not done already or if it has changed, to the Company to incorporate the same in the dividend warrants/ payment instruments.
- Section 72 of the Act provides for Nomination by the Members of the Company in the prescribed Form No. SH-13 for shares held in physical form. Blank forms will be supplied by ACPL on request. Members holding shares in dematerialized form may contact their respective Depository Participants for recording of nomination.

Pursuant to the provisions of Section 124 of the Act, Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules") read with the relevant circulars and amendments thereto, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to the Investor Education and Protection Fund ("IEPF"), constituted by the Central Government.

Members who have not encashed dividend declared by the Company during previous years, are advised to write to the Company immediately at sralkalies@tgvmail.net

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1 :** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2 :** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on 25-09-2023 at 9.00 A.M and ends on 28-09-2023 at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 22-09-2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. ITEM NO. 8

Members may kindly aware that pursuant to Sec.188 of the Companies Act, 2013, Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014 read with Regulation 23 of SEBI (LODR) Regulations, 2015 requires shareholders prior approval for all Material Related Party Transactions. Further, it may kindly be noted that when aggregate value of Related Party transactions with single party exceeds the following threshold limit, then it is called material related party transaction for a particular year.

Based on estimates it is expected that aggregate value of Related Party transactions to be entered with SRHHL for 2023-24 will likely be more than material Related Party transactions value (threshold limit) explained hereunder. To comply with the above statutory provisions members prior approval is sought for the following estimated values of Related Party transactions with SRHHL (Related Party/Group Company) for the year 2023-24.

Threshold Limit :

Pursuant to the above provisions, the threshold limit for 2023-24 is lower of the following:

1. 10% of previous year audited turnover (2022-23) which is Rs.233 Cr
2. Rs.1000 Crores

Threshold value of material Related Party transactions is Rs.233 Crores being lowest of the above (1) and (2) above. It is more likely that aggregate value of Related Party transactions with SRHHL (a group Company/ Related party) will be more than Rs. 233 Cr for 2023-24 as mentioned in the following table (i.e. Rs.455 Cr).

(₹ in Crores)

Name of the Related Party	Actuals for 2022-23				Estimates for 2023-24			
	Sales	Purchases	Others	Total	Sales	Purchases	Others	Total
Sree Rayalasema Hi-Strength Hypo Limited (SRHHL)	156.76	123.96	2.58	283.30*	250.00	200.00	5.00	455.00

(*) Members prior approval is for Rs. 302 Cr in 40th AGM)

In compliance of the above statutory provisions, prior approval for estimated Material Related Party Transactions is sought to the aggregate value of Rs.455 Cr as clearly explained in the table for which the resolution has been placed in Notice of AGM vide Item No.8. It may kindly be noted that the actuals

for 2023-24 with respect to sales, purchases and others may vary (i.e. subject to interchange) but overall omnibus value i.e. within will be Rs.455 Cr for which members prior approval sought.

It may kindly be noted that all Related Party Transactions are having Omnibus approval of the Audit Committee and Board. Related Party Transactions are entered during the ordinary course of business and are at arm's length. These transactions are subject to transfer price audit to comply with statutory provisions. 98.6% of Related Party Transactions are between two Listed Companies and these transactions are mutually beneficial.

None of the Directors /Key Managerial Personnel (KMP) of the Company / their relatives except the promoters are, in any way, concerned or interested in passing the Resolution set out in Item No. 8 of the Notice.

**ANNEXURE “E” TO THE DIRECTORS’ REPORT****MANAGEMENT DISCUSSION AND ANALYSIS :****Economy:**

The pace of Indian Economy is expected to remain strong in the context of structural reforms under taken by the Government and estimated to be a USD Four Trillion Economy by 2024-25. Easier compliances and robust single window systems installed will enhance ease of doing business in the Country and helps growth. India is now ranks 5th in overall world economies. The Reserve Bank of India (RBI) has projected India's GDP at 6.5% for 2023-24 which is slightly lower compared to 2022-23 of 7.2%. The downward revision was made by RBI keeping in view of continuation of ongoing war between Ukraine & Russia resulting in adverse effect on Indian as well as Global Economies. This has resulted in volatility in Commodity Market, Fuel etc., prices. Positive steps initiated by Government for further progress of Economy is showing results in right direction. Though the current season has started with scanty rains, now abundant rain in July & August 2023 will help agriculture in general power generation with improvement in rural spending.

Products & Performance:

Indian chemical industry, ranks 4th place in the world. The presence of India in global trade of chemicals is in a laudable position. Chloro-Alkali products are prominent in chemical industry with installed capacity of 48 lakh MTs, the industry is growing at CAGR of 6.4 %.

The Company Operations are divided into three segments. They are: (a) Chemicals Segment (b) Oils and Fats Segment and (c) Power Segment. Segment wise products and their uses are described here under.

- a. Caustic Soda with its versatile nature finds its consumption in Aluminum, Pulp and Paper, Textile, Pharmaceuticals etc., etc. Industries. Chlorine is used in Water treatment, Pesticides, Pigments, Pulp & Paper, Textiles etc. Company manufactures Hydrochloric Acid using in house materials that is Chlorine and Hydrogen. Sodium Hypo. Potassium Hydroxide is used in industries like Soaps, Detergents, Batteries, Bio fuel, Dyes, Medical Products, Photovoltaic Cells etc., Chloromethanes products namely Methylene-di-Chloride, Chloroform, are used as solvents, Pharmaceuticals, Drugs, Refrigrant Gasses, PTFE Pipes, Fluoropolymers, Insecticides etc., applications.
- b. Hydrogenated Castor Oil is used as Surfactant, Specialty Lubricants, Skin care products, Toiletry Creams etc. With regards Fatty Acids, Company manufactures Stearic Acid of various grades and Soap Noodles.
- c. The power plant at Bellary (power segment) is in closed condition due to elapse of power purchase agreement entered with Electricity Authorities, Karnataka.

All products of the company are for industrial use and hence the performance depends on the wellbeing of the respective Industry.

Chlorine, a Joint Product while manufacturing Caustic Soda is witnessing continuous reduced in demand and being marketed with unremunerative prices. In Indian Market Caustic Soda is Centric unlike European and other Countries where Chlorine is centric. Chloromethanes plant operations are absorbing sizable quantities of Chlorine internally with value addition, which otherwise is to be disposed in the market with unremunerative prices. In order to have flexibility in marketing operations of Chlorine commercial disposal the company has taken steps to further increase its Chloromethane Capacity by another 125 TPD to the existing capacity of 250 TPD.

The Company has scaled down the operations of Oils & Fats Segment consisting of Hydrogenated Castor Oil, 12 Hydroxy Stearic Acid, and Soap Noodles, as the margins have become very thin due to intensive price fluctuations for both inputs and finished goods.

The Ukraine / Russia war has not only disrupted Global economy but also has led to rise of prices of commodities, fuel supply chain etc., aspects. With this, the prices of many commodities in India have shown a temporary rise including in Chloro-Alkali Products.

The Company has achieved a Gross Turnover of Rs.2076.41 Cr against previous year (2021-22) Turnover of Rs.1775.19 Cr. The increase in Sales value is the resultant of increased production coupled with better market conditions prevailed during the year.

In order to have better quality of Salt, the raw material for Caustic Soda production the company has resorted procurement of same from Gujarat belt incurring increased transportation cost. All inputs used in manufacture are mainly sourced locally except Potassium Chloride the raw material for Caustic Potash.

Being Caustic Soda / Potash manufacture Power intensive, the company's drive before it is to ensure proper supply and contain the power cost. Continuous monitoring system is installed in this direction. During the year the company has installed 22.75 MW Solar Power Plant adjacent to the Factory. Plans are in anvil for further increase of the capacity by another 17.25 MW.

GENERAL-SEGMENT-WISE PERFORMANCE TOGETHER WITH DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

Segment-wise performance together with discussion on financial performance with respect to operational performance has been dealt with in the Directors' Report which should be treated as forming part of this Management Discussion and Analysis.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

NO. We have carried out internally

4. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

Total effluent generated from different industrial operations is estimated to be 1754 KLD, which will be taken to the Effluent Treatment plant for treatment. The treated water shall be reused for process units and greenbelt development. There will be no discharge of treated/untreated waste water from the unit, and thus conforming to Zero Liquid Discharge. from Chloro Alkali, Chloromethanes Plant and Co- generation Thermal Power plant.

5. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 2022-23	FY 2021-22
NOx	mg/Nm3	17.4	18.0

TGV SRAAC LIMITED**

Report on the Audit of Financial Statements**Opinion**

We have audited the accompanying financial statements of TGV SRAAC LIMITED ("the Company"), which comprise the balance sheet as at 31st March, 2023, the statement of profit and loss (including Other Comprehensive Income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, and its profit, other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How the key audit matter addressed in our audit
1. Fair Valuation of Investments in Unquoted / unlisted Equity Shares of Andhra Pradesh Gas Power Corporation Limited (APGPCL) - The company has invested as a participating industry in unquoted equity shares of APGPCL a captive gas based power generator to avail power for its captive consumption. During the year the operations of APGPCL were halted due to stoppage of gas supply by Government and has negative profit and huge contingent liabilities on account of disputes pending in court cases. - These factors have triggered in determining the fair value of investments in APGPCL by measuring at nominal value per equity share, which involves significant estimates and judgements. - Accordingly, it is determined as a key audit matter. Refer Note 31 to the Financial Statements.	In view of the significance of the matter, we performed the following key audit procedures, among others to obtain audit evidence. - Examined the company's accounting policy for recognition of the changes in fair value of investments in equity shares as per Ind AS. - Assessed the company's assumptions and methods applied in respect of fair value measurement process. - Verified the inputs data used in the valuation and historical trends. - Evaluated the financials, cash flows and pending legal cases and the financial statements of APGPCL. - Assessed the adequacy of disclosures made in the financial statements. Conclusion: Based on the work performed and the evidence obtained, we considered the methodology and assumptions used by management to be appropriate.
2. Contingent liabilities (Refer Note 27 to the financial statement) - The Company has ongoing litigations and claims with State Power Distribution Company of Andhra Pradesh i.e APSPDCL/ APCPDCL. which have arisen from contentions raised by the Company against the charges levied by the State Power Distribution Company of Andhra Pradesh. - Resolution of litigations and claims proceedings may span over multiple years beyond March 31, 2023 due to the complexity and magnitude of the legal matters involved and may involve protracted negotiation or litigation. - The determination of a provision or contingent liability requires significant judgement by the Company because of	We evaluated the design of, and tested, key controls in respect of litigation and regulatory procedures, which we found to be satisfactory for the purposes of our audit. Our procedures included the following: - We read the summary of litigation matters provided by the Company's legal team and discussed each of the material cases noted in the report to determine the Company's assessment of the likelihood and magnitude of any liability that may arise. - We read, where applicable, external legal or regulatory advice sought by the Company and reviewed related correspondence. - Assessed the appropriateness of the disclosure in the financial statements.

Key audit matters	How the key audit matter addressed in our audit
the inherent complexity in estimating whether it is probable that there will be an outflow of economic resources. The amount recognized as a provision is the best estimate of the probable expenditure. The provisions and contingent liabilities are subject to changes due to the outcomes of litigations and claims over time as new facts emerge as each legal case progresses. • Significant judgment is necessary to estimate the likelihood, timing and amount of the cash outflows, interpretations of the legal aspects, legislations and judgements previously made by the authorities. Accordingly, this is identified as a key audit matter.	

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting

frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to

events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

**ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT**

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Statement on the matters specified in the Companies (Auditor’s Report) Order, 2020

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that

- i) in respect of the Company’s property, plant and equipment and intangible assets:
 - a) A. the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment;
 - B. the Company does not have any intangible assets and hence reporting under Clause 3(i)(a)(B) of the Order is not applicable to the Company;
 - b) the Company has a program of physical verification of property, plant and equipment which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification;
 - c) according to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all immovable properties are held in the name of the Company *except the title to the property of 12.17 acres of land situated in Bellary amounting to Rs. 15.29 Lakhs acquired by the Company from Karnataka Industrial Area Development Board (KIADB) is in the process of being transferred in the Company’s name;*
 - d) according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right-of-Use assets) or intangible assets or both during the year;
 - e) according to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made there under;
- ii) in respect of Company’s inventory:
 - a) the management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion, the coverage and the procedure of such verification by the management is appropriate. Discrepancy of 10% or more were not noticed on such physical verification. There are no inventories lying with third parties as at year-end;
 - b) according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in

excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks and financial institutions are in agreement with the books of account of the Company with some insignificant variances;

- iii) according to the information and explanations given to us, the Company has not made any investment, granted loans, provided guarantee or security to companies, firms, Limited Liability Partnerships or any other parties covered in the register maintained under Section 189 of the Act. Accordingly, the requirement to report on clause 3(iii)(a) to (f) of the Order is not applicable to the Company;
- iv) in our opinion and according to the information and explanations given to us, the compliance with the provisions of Sections 185 does not arise and the Company has complied with Section 186 of the Act in respect making investments in securities, as applicable;
- v) the Company has not accepted deposits from public and does not have any unclaimed deposits during the year and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company;
- vi) the maintenance of cost records has been specified by the Central Government under Section 148(1) of the Act. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as prescribed by the Central Government under sub-section (1) of Section 148 of the Act, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained.

We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete;

- vii) according to the information and explanations given to us, in respect of statutory dues:
 - a. the Company is generally regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Goods and Services Tax (GST), Customs Duty, Cess and other material statutory dues as applicable, with the appropriate authorities;

There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Goods and Services Tax (GST), Customs Duty, Cess and other material statutory dues in arrears as at 31st March, 2023 for a period of more than six months from the date they became payable;

**ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Statements under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of TGV SRAAC Ltd (“the Company”) as of 31st March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

**Meaning of Internal Financial Controls with Reference to Financial Statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2023, based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes to financial statements for the year ended 31st March, 2023****Note 1: General Information**

TGV SRAAC LIMITED (formerly known as Sree Rayalaseema Alkalies and Allied Chemicals Limited) incorporated on 24th June, 1981 is the flagship company of the TGV Group. It is the leading producer of Chlor-Alkali products, Chloromethane and also manufactures Castor Derivatives and Fatty Acids.

The Company is a public limited company domiciled in India. The equity shares of the Company are listed on Bombay Stock Exchange (BSE).

The financial statements are approved for issue by the Company's Board of Director's on 29th May, 2023.

Note 2: Significant Accounting Policies**A. Statement of Compliance**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) Amendment Rules, 2016, Companies (Indian Accounting Standards) Amendment Rules, 2017, Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, 2019.

B. Basis of preparation and presentation of financial statements

The financial statements have been prepared in accordance with the Indian Generally Accepted Accounting Principles on accrual basis of accounting and the historical cost convention basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

C. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current

**Notes to financial statements for the year ended 31st March, 2023****D. Use of estimates and judgements**

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates.

Any revision to accounting estimates is recognised prospectively in current and future periods. The critical accounting judgements and key estimates followed by the Company for preparation of financial statements is described in Note 2(W).

E. Property, Plant and Equipment

Freehold Land is carried at historical cost. Other property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under Other Non-Current Assets and the cost of the assets not put to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognised in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

F. Depreciation and amortisation

The Company depreciates property, plant and equipment over their estimated useful lives as specified in Schedule II to the Companies Act, 2013 using the straight-line method in respect of plant and machinery and buildings and in respect of other assets on written down value method.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. The useful life as prescribed under Schedule II of the Companies Act have been followed except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage

**Notes to financial statements for the year ended 31st March, 2023**

of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc:

- Continuous process plant – 18 years
- Thermal power plant – 13 years
- Chlorine cylinders – 5 years
- Membranes – 5 years
- Soap plant – 15 years
- Solar plant – 15 years

G. Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation of the technical experts.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

H. Non-current assets held for sale/ distribution to owners and discontinued operations

The Company classifies non-current assets and disposal groups as held for sale/ distribution to owners if their carrying amounts will be recovered principally through a sale/ distribution rather than through continuing use. Actions required to complete the sale/ distribution should indicate that it is unlikely that significant changes to the sale/ distribution will be made or that the decision to sell/ distribute will be withdrawn. Management must be committed to the sale/distribution expected within one year from the date of classification.

For these purposes, sale transactions include exchanges of non-current assets for other non-current assets when the exchange has commercial substance. The criteria for held for sale/ distribution classification is regarded met only when the assets or disposal group is available for immediate sale/ distribution in its present condition, subject only to terms that are usual and customary for sales/ distribution of such assets (or disposal groups), its sale/ distribution is highly probable; and it will genuinely be sold, not abandoned. The Company treats sale/ distribution of the asset or disposal group to be highly probable when:

- The appropriate level of management is committed to a plan to sell the asset (or disposal group),
- An active programme to locate a buyer and complete the plan has been initiated,
- The asset (or disposal group) is being actively marketed for sale at a price that is reasonable in relation to its current fair value,

**Notes to financial statements for the year ended 31st March, 2023**

- The sale is expected to qualify for recognition as a completed sale within one year from the date of classification and
- Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Non-current assets held for sale/for distribution to owners and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell/ distribute. Assets and liabilities classified as held for sale/distribution are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale/ distribution to owners are not depreciated or amortised.

A disposal group qualifies as discontinued operation if it is a component of an entity that either has been disposed of, or is classified as held for sale, and:

- Represents a separate major line of business or geographical area of operations,
- Is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations
- Is a subsidiary acquired exclusively with a view to resale

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss.

Additional disclosures are provided in Note 34. All other notes to the financial statements mainly include amounts for continuing operations, unless otherwise mentioned.

I. Impairment of Tangible Assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.

In such cases, the recoverable amount is determined for the cash generating unit to which the asset belongs. If such assets are considered to be impaired, the impairment is recognized in the Statement of Profit and Loss and is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

J. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Notes to financial statements for the year ended 31st March, 2023**

- **Financial assets**

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in two categories:

- Financial assets at amortised cost
- Equity instruments at fair value through other comprehensive income (FVTOCI)

Financial assets at amortised cost

A 'Financial asset' is measured at the amortised cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables. For more information on receivables, refer to Note 8.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value.

The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

**Notes to financial statements for the year ended 31st March, 2023**

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement~ and either

- (a) the Company has transferred substantially all the risks and rewards of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

Impairment of Financial assets

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss.

The Company follows "Simplified approach" for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit or loss.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L.

**Notes to financial statements for the year ended 31st March, 2023**

- **Financial liabilities**

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

K. Investment in associates

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

Such investments in which the Company has no significant influence are accounted under Ind AS 109 at fair value and the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value.

The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts

**Notes to financial statements for the year ended 31st March, 2023**

from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

L. Inventories

Inventories are stated at the lower of cost and net realisable value after providing for obsolescence. Costs of inventories are determined on weighted average basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition.

M. Cash and Cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

N. Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax.

- **Current Tax:**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'Profit Before Tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

- **Deferred tax:**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

**Notes to financial statements for the year ended 31st March, 2023**

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

- **Current and Deferred Tax for the Year:**

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

O. Government Grants

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Grants related to revenue items are presented as part of profit or loss under general heading such as other income or they are deducted in reporting the related expenses. Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the company with no future related costs are recognized in profit or loss in the period in which they become receivable.

The benefit of a government loan at a below-market rate of interest is treated as a government grant, measured as the difference between proceeds received and the fair value of the loan based on prevailing market interest rates.

P. Provisions, Contingent liabilities and Commitments

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

Contingent liability is disclosed in the case of;

- A present obligation arising from past events, when it is not probable that an outflow of resources will not be required to settle the obligation.
- A present obligation arising from past events, when no reliable estimate is possible
- A possible obligation arising from past events, unless the probability of outflow of resources is remote

**Notes to financial statements for the year ended 31st March, 2023**

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.

Contingent asset

Wherever there is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. A contingent asset is disclosed when the inflow of economic benefit is probable.

Q. Revenue Recognition

Effective 1st April, 2018 the Company has applied Ind AS 115: Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

Ind AS 115 replaces Ind AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations.

The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for such discounts and rebates.

Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

Our customers have the contractual right to return goods only when authorised by the Company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Interest income is recognized using the effective interest rate (EIR) method.

Dividend income on investments is recognised when the right to receive dividend is established.

R. Leases

Ind AS 116 'Leases' was notified on 30th March, 2019 and it replaces Ind AS 17 'Leases', including appendices thereto. Ind AS 116 is effective for annual periods beginning on or after 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-Balance Sheet model similar to the accounting for finance leases under Ind AS 17.

**Notes to financial statements for the year ended 31st March, 2023**

The standard includes two recognition exemptions for lessees – leases of 'low-value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Lease is 'a contract or part of a contract that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'. An underlying asset has been defined to mean an asset that is the subject of lease, for which the right to use that asset has been provided by a lessor or lessee.

Measurement of lease liability

On the date of transition lease liability is measured at present value of lease payments that are not paid as at the date of transition.

After the transition date lease liability is measured at amortised cost using the effective interest method.

Subsequently the company measures the lease liability by increasing the carrying the amount to reflect the interest on the lease liability; reducing the carrying amount of reflect the lease payments made; and re-measuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

The Company uses the incremental borrowing rate which is the rate of interest that a lessee would have to pay over a similar term, and with a similar security, the funds necessary to obtain an asset of similar value of the right-to-use asset in a similar economic environment.

Right-of-use asset (ROU)

This is measured as lease liability adding any initial direct costs, prepaid lease payments, cost to dismantle or restore less lease incentives.

After the commencement date, the Company measures the ROU at cost:

- Less any accumulated depreciation and any accumulate impairment losses; and
- Adjusted for any re-measurement of the lease liability on subsequent to lease commencement date

A Company applies the depreciation requirement in Ind AS 16 while depreciating ROU asset. The said asset is depreciated over a period of lease term unless in case where ownership of underlying asset is transferred. In such case, the asset is depreciated over the useful life of underlying asset. Also, impairment requirements as per Ind AS 36 is applied by the Company.

**Notes to financial statements for the year ended 31st March, 2023****S. Foreign Currencies****(i) Functional Currency:**

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees (rounded off to lakhs).

(ii) Transactions and translations:

In preparing the financial statements, transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings.

T. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

U. Employee Benefits**Short term Employee Benefits:**

All employee benefits payable wholly within twelve months of rendering the services are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of Bonus, Ex-gratia, Leave Travel Allowance, Reimbursement of Medical Expenses, Personal Accident Policy, Deposit Linked Insurance Policy are recognised in the period in which the employee renders the related services.

Post-Employment Benefits:**(i) Defined Contribution Plan:**

The Company's contribution paid / payable during the year to Provident Fund, Superannuation Fund and other welfare funds are considered as defined contribution plans.

**Notes to financial statements for the year ended 31st March, 2023**

The Contribution paid / payable under these plans are recognised in the Statement of Profit and Loss during the period in which the employee renders the services.

(ii) **Defined Benefit Plans:**

The Gratuity Scheme managed by Life Insurance Corporation of India through a Trust is considered as defined benefit plan. The present value of the obligation is determined based on actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss and Other Comprehensive Income.

The fair value of the plan assets is reduced from the gross obligation under the defined benefit plan to recognise the obligation on net basis.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs.

(iii) **Long term Employee Benefits:**

The obligation for long term employee benefits such as long term compensated absences, long service awards, etc. is recognised in the same manner as in the case of defined benefit plans as mentioned in (b) (ii) above except that the actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

V. Earnings per share

Basic earnings per share are computed by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The Company has made preferential allotment of Share Warrants convertible into equity shares. The warrants that are yet to be converted are treated as dilutive shares.

W. Estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities.

Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Revenue recognition:

The Company applies judgement to determine whether each product or services promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised product or services are combined and accounted as a single performance obligation. The Company allocates the arrangement consideration to separately identifiable performance obligation deliverables based on their relative stand-alone selling price. Because the financial reporting of these contracts depends on estimates that are assessed continually during the term of these contracts, recognized revenue and profit are subject to revisions as the contract progresses to completion.

Useful lives and residual value of property, plant and equipment:

The Company reviews the useful life and residual value of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

**Notes to financial statements for the year ended 31st March, 2023****Allowance for expected credit losses:**

Note 2(J) describes the use of practical expedient by computing the expected credit loss allowance for trade receivables based on provision matrix. The expected credit allowance is based on the aging of the days receivables which are past due and the rates derived based on past history of defaults in the provision matrix.

Fair value of investments:

The Company has invested in the equity instruments of various companies. However, the percentage of shareholding of the Company in such investee companies is very low and hence, it has not been provided with future projections including projected profit and loss account by those investee companies. Hence, the valuation exercise carried out by the Company with the help of available historical annual reports and other information in the public domain.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Contingent liability judgement:

Note 27 describes claims against the Company not acknowledged as debt. Contingencies may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum of contingencies inherently involve the exercise of significant judgement and the use of estimates regarding the outcome of future events.

The Company will continue to closely monitor any material changes to future economic conditions.

Recent Indian Accounting Standard (Ind AS) and other pronouncements which are not yet effective:

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, as and when they become effective. The Ministry of Corporate affairs (MCA) has notified certain amendments to Ind AS, through Companies (Indian Accounting Standards) Amendment Rules, 2023 on 31st March, 2023. The amendments have been made in the following standards:

Ind AS 1: Presentation of Financial Statements is amended to replace the term "significant accounting policies" with "material accounting policy information" and providing guidance relating to immaterial transactions, disclosure of entity specific transactions and more.

Ind AS 8: Accounting Policies, Changes in Accounting Estimates and Errors to include the definition of accounting estimates as "monetary amounts in financial statements that are subject to measurement uncertainty."

Notes to financial statements for the year ended 31st March, 2023

Ind AS 12: Income Taxes relating to initial recognition exemption of deferred tax related to assets and liabilities arising from a single transaction. Other Amendments in Ind AS 102 - Share based Payments,

Ind AS 103 - Business Combinations, Ind AS 109 - Financial Instruments, Ind AS 115 - Revenue from Contracts with Customers which are mainly editorial in nature in order to provide better clarification of the respective Ind AS's.

These amendments shall come into force with effect from April 01, 2023. The Company is assessing the potential effect of the amendments on its financial statements. The Company will adopt these amendments, if applicable, from applicability date.

Estimation of fair value

The Company obtains independent valuations for its investment properties at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the Company considers information from a variety of sources including:

Current prices in an active market for properties of different nature or recent prices of similar properties in less active markets, adjusted to reflect those differences

The main input used is the price per square metre as per state government's registration and stamps department rate for the property. All resulting fair value estimates for investment properties are included in level 2.

No trade or other receivable are due from directors or other officers of the company either severally or jointly with any other person.

No interest is charged on Trade Receivables for delay in payment beyond credit period from the due date of the Invoice.

The Company has used a practical expedient by computing the expected credit loss allowance for Trade Receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates are given in the provision matrix. The provision matrix at the end of the Reporting Period is as follows :

Nature and purpose of other reserves**Securities Premium Reserve**

Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Act.

Fair value of Equity Instruments through Other Comprehensive Income (FVOCI)

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

General Reserve

The General Reserve is used from time to time to transfer profits from Retained Earnings for appropriation purpose. As General Reserve is created by a transfer from one component of Equity to another and is not an item of other comprehensive income, items included in the General reserve will not be reclassified subsequently to profit or loss.

Sensitivity analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase rate. Effect of change in mortality rate is negligible. Please note that the sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in the assumption would occur in isolation of one another as some of the assumptions may be correlated. The result of the sensitivity analysis is given below:

Period	As at 31st March, 2023	As at 31st March, 2022
Defined benefit obligation (base)	10,84,95,747 @ salary increase rate: 7% and discount rate: 7.50%	10,27,05,647 @ salary increase rate: 7% and discount rate: 7.00%

Notes to financial statements for the year ended 31st March, 2023

Level 1: Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

There are no transfers between levels 1 and 2 during the year.

**Notes to financial statements for the year ended 31st March, 2023****Note 33: Capital Management & Risk management****Capital management**

The Company being in a capital intensive industry, its objective is to maintain a strong credit rating healthy capital ratios and establish a capital structure that would maximise the return to stakeholders through optimum mix of debt and equity. "The Company's capital requirement is mainly to fund its capacity expansion, repayment of principal and interest on its borrowings. The principal source of funding of the Company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings. "The Company regularly considers other financing and refinancing opportunities to diversify its debt profile, reduce interest cost and align maturity profile of its debt commensurate with life of the assets, and closely monitors its judicious allocation amongst competing capital expansion projects and strategic acquisitions, to capture market opportunities at minimum risk.

Gearing ratio

The Company monitors its capital using gearing ratio, The Company's strategy is to maintain gearing ratio below 1, which is total debt divided to total equity as given below:

(₹ in lakhs)

Particulars	As at 31st March, 2023	As at 31st March, 2022
Total Debt*	21,405.49	44,012.75

*Total Debt is defined as secured long-term including current maturities of borrowings excluding cumulative redeemable preference shares.

Financial risk management and objectives and policies

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact in the financial statements.

A Special Team with Senior Executives having exposure in various fields has been formed to assist Executive Director and CEO in "(a) Overseeing and approving the Company's enterprise wide risk management framework, and "(b) Overseeing that all the risks that the organisation faces such as market risk(including currency risk, interest rate risk and other price risk), Credit risk and liquidity risk have been identified and assessed and there is an adequate risk management infrastructure in place capable of addressing those risks. "The Executive Director and CEO, monitors and reports on the principal risks and uncertainties that can impact the Company and its ability to achieve strategic objectives. The Company's management systems, organisational structures, processes, standards, code of conduct and behaviors together form the Management and business of the Company.

A. Market risk

The Company is exposed to market risk through changes in foreign currency exchange rates and changes in interest rates. Financial assets/liabilities affected by this risk are borrowings, letter of credits and trade receivables.

The Company's investments in listed and non-listed equity securities are susceptible to price risk arising from uncertainties about future value of the investment securities. The Company's non-current investment in equity shares are strategic investments and hence are considered as Fair Value through Other Comprehensive Income. The company's Board of Directors reviews and approves all equity investment decisions.

Notes to financial statements for the year ended 31st March, 2023
Foreign Currency risk management

The Company operates internationally and is exposed to foreign currency risk arising from foreign currency transactions, primarily with respect to the US\$, EUR, JPY, CHF. Foreign exchange risk arises from import as well as exports of goods. The risk is measured through a forecast of highly probable foreign currency cash flows.

The special team as mentioned above analysis the options for hedging. Based on the analysis the management takes decision regarding hedging of foreign currency exposures. Currently, the Company has not hedged any of the foreign currency transactions in the view of the natural hedging. The natural hedging is sufficient to manage the current foreign currency risk management.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities are restated at the end of each quarter. The same at the end of the reporting period are as follows :

50 base points lower	(54.48)	(35.61)

B. Credit risk

"Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is operating through network of dealers based at different locations. Regular monitoring of the receivables is undertaken by the marketing department and in case the limits are exceeded, steps will be taken by the marketing departments and after discussing with the management the Company will decide whether to stop or not further supplies to the concerned dealer till the amount outstanding is recovered. For the export made by the Company, the sales are backed by ECGC Coverage or advance receipts. The internal risk management committee of the Company meets regularly to discuss the dealers and credit risks, measures taken to address them and the status and level of risk after the measures taken."Export sales are fully secured through ECGC Coverage or against advance receipts. (refer Note No.8(a) for Trade Receivables outstanding)."

C. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company maintains flexibility in funding by maintaining availability under committed credit lines.

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
