18. The route map showing directions to reach the venue of the 39th AGM is annexed herewith the Notice.

VOTING THROUGH ELECTRONIC MODE:

Pursuant to Section 108 of the Companies Act, 2013 and rule 20 of the Companies (Management and Administration) Rules, 2014, as amended (hereinafter called 'the Rules' for the purpose of this section of the Notice) and regulation 44 of the SEBI Listing Regulations, 2015, the Company has arranged e-voting facility through Central Depository Services (India) Limited for members to exercise their voting rights for all business to be transacted at 39th Annual General Meeting of the Company.

Mr. Nitesh Chaudhary, Practicing Company Secretary (Membership No. F10010), Mumbai, has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins on Saturday, 27th Nov 2021 09:00 AM and ends on Monday 29th November 2021 05:00 PM. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 23rd Nov 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAVE OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR OF THE COMPANY TO WHICH THE FINANCIAL STATEMENT RELATE AND THE DATE OF THE REPORT.

COVID-19

The Company's business has been adversely impacted due to COVID-19 pandemic and subsequent steps taken by the Government to curtail the spread of the same. The Company had to shut down its operations and it has caused tremendous shortages and supply chain issues leading to revenue losses to the business.

Once lockdown was eased in India, operations remained very low initially due to subdued orders and labour shortages. Hence Company's sales and financials were adversely affected for the first quarter of 2020-21. Sales has now revived with some encouraging orders received from overseas customers in countries where lockdowns has been considerably eased. We expect the demand for all the products and services by the Company is expected to revive once the shut down restrictions are lifted and resumption of supply chain.

The Company believes the pandemic has not altered the fundamentals of the business significantly nor its viability. At the close of the accounting year on March 31, 2021 the Company had a balance sheet and a cash position. Efforts are being made continuously to conserve cash and improve collections and reschedule supplies and payments.

However the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from the estimated as at the date of approval of these financial results/statements. The Company will continue to monitor any material changes to future economic conditions.

There are some material changes and commitments which affecting the financial position of the Company due to lockdown and Covid 19 which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

MANAGEMENT DISCUSSION AND ANALYSIS

The Management Discussion and Analysis Report for the year ended 31st March, 2021 as stipulated under Regulation 34 (2) read with Schedule V of SEBI (LODR) Regulations 2015 have been included in consonance with the Code of Corporate Governance as approved by The Securities and Exchange Board of India (SEBI). Investors are cautioned that these discussions contain certain forward looking statements that involve risk and uncertainties including those risks which are inherent in the Company's growth and strategy. The company undertakes no obligation to publicly update or revise any of the opinions or forward-looking statements expressed in this report consequent to new information or developments, events or otherwise.

The operational performance and future outlook of the business has been reviewed by the management based on current resources and future development of the Company.

ECONOMIC OVERVIEW OF FINANCE INDUSTRY:

➤ **GLOBAL ECONOMY**

The US economy was performing well prior to the COVID-19 outbreak, with job growth accelerating in January and February 2021, consumer spending holding up well with the support of broad-based strength in the services sector. The initial outlook for the ensuing year was for stronger growth, especially over the subdued 2019 economic performance, buoyed by favourable development on US-China trade negotiations, the UK transitioning to a new economic relationship with Europe by December 2021 and a healthy performance of emerging markets. However, 2021 saw a significantly changed scenario with the outbreak of the COVID-19 pandemic.

As the world continues to navigate the global pandemic, financial stability risks have been contained so far, reflecting ongoing monetary and fiscal policy support and the rebound of the global economy this year. While financial conditions have eased further in advanced economies, on net, the sense of optimism that had propelled markets in the first half of the year faded somewhat over the summer. Investors have become increasingly concerned about the economic outlook amid rising virus infections and greater uncertainty about the strength of the recovery, particularly in emerging markets. In late September, concerns that inflationary pressures may be more persistent than initially anticipated have pushed nominal yields higher, in some countries entirely reversing their earlier moves. Despite some improvements since the April 2021 Global Financial Stability Report, financial vulnerabilities continue to be elevated in a number of sectors, masked in part by massive policy stimulus.

Policymakers are confronted with a challenging trade-off: maintaining near-term support for the global economy while preventing unintended consequences and medium-term financial stability risks. A prolonged period of extremely easy financial conditions, while needed to sustain the economic recovery, may result in overly stretched asset valuations and could fuel financial vulnerabilities. Some warning signs—for example, increased financial risk-taking and rising fragilities in the nonbank financial institutions sector—point to a deterioration in the underlying financial stability foundations. If left unchecked, these vulnerabilities may evolve into structural legacy problems, putting medium-term growth at risk and testing the resilience of the global financial system

➤ **INDIAN ECONOMY**

India has a diversified financial sector undergoing rapid expansion, both in terms of strong growth of existing financial services firms and new entities entering the market. The sector comprises commercial banks, insurance companies, non-banking financial companies, co-operatives, pension funds, mutual funds and other smaller financial entities. The banking regulator has allowed new entities such as payment banks to be created recently, thereby adding to the type of entities operating in the sector. However, financial sector in India is predominantly a banking sector with commercial banks accounting for more than 64% of the total assets held by the financial system.

The Government of India has introduced several reforms to liberalise, regulate and enhance this industry. The Government and Reserve Bank of India (RBI) have taken various measures to facilitate easy access to finance for Micro, Small and Medium Enterprises (MSMEs). These measures include launching Credit Guarantee Fund Scheme for MSMEs, issuing guideline to banks regarding collateral requirements and setting up a Micro Units Development and Refinance Agency (MUDRA). With a combined push by Government and private sector, India is undoubtedly one of the world's most vibrant capital markets..

The Reserve Bank of India (RBI) announced the following measures in March 2020 to mitigate the risk of economic fallout due to COVID -19:

- Announced aRs 3.74 lakh crore of liquidity package for Indian banking system to support financial markets hit by COVID-19.

- Slashed the Cash Reserve Ratio (CRR) by 100 basis points to 3% of bank deposits.
- Allowed banks to borrow an additional 1% from their investment of Statutory Liquidity Ratio (SLR) securities.
- Cut repo rate by 75 bps to 4.40%.
- Cut the reverse repo rate or the rate at which it accepts excess funds from banks by 90 basis points to 4% widening the existing policy rate corridor from 50 bps to 65bps.
- Permitted all lending institutions to allow a moratorium of three months on repayment of instalments for term loans outstanding between March 1, 2020 and May 31, 2020.
- Permitted all lending institutions to allow the deferment of three months on payment of interest with respect to all such working capital facilities outstanding as of March 1, 2020.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

The NBFC sector saw a largely stable outlook for major NBFC's. From the perspective of larger financial systems, scheduled commercial banks continued to be a dominant players accounting for nearly 47% of the bilateral exposure followed by Asset Management Companies managing mutual funds, NBFC's, Insurance Companies, Housing Finance Companies and all India Financial Institutions.

For several years, NBFCs have rapidly emerged as an important segment of the Indian Financial System. The sectors now being recognized as complementary to the banking sector due to the implementation of innovative marketing strategies, introduction of tailor made products, customer oriented services, attractive rates of return on deposits and simplified procedures. NBFCs in India have recorded marked growth in recent years. After their existence, they are useful and successful for the evolution of a vibrant, competitive and dynamic financial system in Indian money market. The success factors of their business has been by making the most of their ability to contain risk, adapt to changes and tap demand in markets that are likely to be avoided by the bigger players. Thus the need for uniform practices and level playing field for NBFCs in India is indispensable.

NBFCs

Over the past few years, NBFCs have undergone a significant transformation and today they form an important component of India's financial system. Playing a critical role in the development of infrastructure, transport and employment generation, NBFCs are changing the business loan landscape in the country. Most NBFCs, leverage alternative and tech-driven credit appraisal methodologies to assess the credit worthiness of prospective borrowers.

This difference in approach allows them to meet loan requirements of individuals and businesses left traditionally underserved by banks. With the introduction of e-KYC, making borrowing an instant and hassle-free experience, NBFCs are already offering the right financial products to consumers and small businesses in a customized manner. The use of technology to optimize business processes also keeps cost overheads to a minimum, enabling credit to be available at highly competitive interest rates.

Key Opportunities

- ♣ Increasing the penetration in the Micro, Small and Medium Enterprise (MSME) segment with new and dynamic operating models.
- ♣ Synergistic alliances with fintech companies to tap niche markets.
- ♣ Accessing new customers and cheaper funding sources by developing a viable co-lending business model.
- ♣ Tapping into the fast-growing e-commerce segment.
- ♣ Diversifying assets by targeting new profitable segments and developing the capabilities required to serve those segments.
- ♣ Increasing fee income through advisory services.
- ♣ Using digital competencies and tools to improve sales productivity – the use of advanced analytics and machine learning to build propensity models for lead generation, making real-time offers available to sales representatives by using customer data from multiple internal and external sources.

Initiatives launched by the RBI to support NBFCs

Measures	RBI guidelines	Impact
Increasing exposure limit	The RBI increased the counterparty exposure limit of banks to a single NBFC to 20% of Tier-I capital from 15%.	While the measure was intended to encourage banks to lend more to NBFCs, banks have been largely cautious and have refrained from making the best use of higher limits. Many banks are still below the former limit.
Priority sector classification	Loans given by banks to NBFCs for lending to agriculture, micro and small enterprises, and housing to be classified as Priority Sector Lending (PSL)	The measure has benefit some of the larger NBFCs and specialized NBFCs. However, it has not directly addressed the refinancing challenges of the NBFC sector.
Partial credit guarantee	GOI has created a mechanism whereby it will provide partial credit guarantee to banks for the purchase of NBFC assets, amounting to Rs. 1 trillion during 2019-20. The guarantee will be provided on a one-time basis for six months for public sector bank's first loss of up to 10%.	The measure is in the initial stages of implementation. Market participants are confident that the guarantee is adequate to cover typical losses. This could help some of the large and mid-sized NBFCs with their liquidity needs for about six months.
Co-origination model	The RBI released guidelines on co-origination of loans by banks and non-deposit taking NBFCs in the priority sector. NBFCs must take a minimum exposure of 20% with the remaining contribution by the participating bank	There are obvious benefits from this arrangement in terms of the liquidity support, especially for struggling NBFCs. The NBFCs are also likely to benefit from the risk sharing model and will be able to target a new customer base.
Securitisation	The RBI guidelines on securitization allow NBFCs to securitize their loans with original maturity of more than 5 years.	NBFCs would benefit from the liquidity generated by securitization of assets to address problems arising from asset liability mismatch.

The government has approved 100% FDI for insurance intermediaries and increased FDI limit in the insurance sector to 74% from 49% under the Union Budget 2021-22.

Government Initiatives:

- In January 2021, the Central Board of Direct Taxes launched an automated e-portal on the e-filing website of the department to process and receive complaints of tax evasion, foreign undisclosed assets and register complaints against 'Benami' properties.
- In December 2020, the Reserve Bank of India issued a draft circular on declaration of dividends by NBFCs, wherein it proposed that NBFCs should have at least 15% Capital to Risk Weighted Assets Ratio (CRAR) for the last 3 years, including the accounting year for which it proposes to declare a dividend.
- In November 2020, the Union Cabinet approved the government's equity infusion plan for Rs. 6,000 crores (US\$ 814.54 million) in the NIIF Debt Platform funded by the National Investment and Infrastructure Fund (NIIF) consisting of Aseem Infrastructure Finance Limited (AIIFL) and NIIF Infrastructure Finance Limited (NIIF) (NIIF-IFL).
- In November 2020, two MoUs were signed—one between India International Exchange (India INX) and Luxembourg Stock Exchange and another between State Bank of India and Luxembourg Stock Exchange for cooperation in financial services, ESG (environmental, social and governance) and green finance in the local market.

- On November 11, 2020, The Cabinet Committee on Economic Affairs approved continuation and revamping of the scheme for financial support to public-private partnerships (PPPs) in 'Infrastructure Viability Gap Funding (VGF) Scheme' until 2024-25 with a total outlay of Rs. 8,100 crore (US\$ 1.08 billion).

INDEPENDENT AUDITOR'S REPORT

To the Members of **INDIAN INFOTECH AND SOFTWARE LIMITED**

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

OPINION

We have audited the financial statements of INDIAN INFOTECH AND SOFTWARE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the statement of Profit and Loss, statement of changes in equity, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit/loss, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER

Attention is invited to following notes of the Financial Statements:

- Note 29 to the financial statements, in respect of Loans & Advances and Unsecured Loans, external confirmations of the balances are not available. Due to non-availability of confirmation of balances, we are unable to quantify the impact, if any, arising from the confirmation of balances.
- Note 30 to the financial statements, in respect of Interest Income (taken on accrual basis) on Loans & Advances, external confirmations of the Interest balances are not available. Due to non-availability of confirmation of balances, we are unable to quantify the impact, if any, arising from the confirmation of balances.
- Note 31 to the financial statements, as per section 138 of Indian Companies Act 2013 read with Rule 13 of Companies (Accounts) Rules, 2014, the Company is required to appoint Internal Auditor. However, no such appointment is made by the Company for the year ending 31st March, 2021 and no such Internal Audit has been conducted.

Our opinion is not modified in respect of these matters.

OTHER MATTERS

- As per SEBI Order dated 12th November, 2020, the Company is restrained from accessing the securities market and further prohibited from buying, selling or otherwise dealing in securities including units of mutual

funds, directly or indirectly, or being associated with the securities market in any manner, whatsoever, for a period of 1 year i.e. till 12th November, 2021.

Our opinion on the financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the financial information certified by the Management and the comparative financial information.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no reportable key audit matters for the period.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- 1 As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d. Having regard to the matter described under Emphasis of Matter paragraph, in our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015, as amended.
- e. On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements section of our report to the members of **INDIAN INFOTECH AND SOFTWARE LIMITED** of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of **INDIAN INFOTECH AND SOFTWARE LIMITED** ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

- 1 Refer Emphasis of Matter paragraph in our Independent Auditors Report on non-availability of confirmation of balances for Loans & Advances, Unsecured Loans and Accrued Interest Income in the Independent Auditor's Report
- 2 COVID 19 pandemic has resulted in a different and unique working environment which required performance of selective audit procedures remotely and to that extent there is an impact on testing.

NOTE 23:- FINANCIAL RISK MANAGEMENT

- (a) **Risk Management Framework:** In the ordinary course of business, the Company is exposed to a different extent to a variety of financial risks: foreign currency risk, interest rate risk, liquidity risk, price risk and credit risk. In order to minimize any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.
- (b) **Credit Risk :** Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations to the Company. The Company assesses the credit quality of all financial instruments that are subject to credit risk. Classification of financial assets under various stages

The Company classifies its financial assets in three stages having the following characteristics:

Stage 1: unimpaired and without significant increase in credit risk since initial recognition;

Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised;

Stage 3: objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.

Unless identified at an earlier stage, all financial assets are deemed to have suffered a significant increase in credit risk.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD) along with an adjustment considering forward macro economic conditions [for a detailed note for methodology of computation of ECL please refer to significant accounting policies note no 1(L) to the financial statements.

The table below summarises the gross carrying values and the associated allowances for expected credit loss (ECL) stage wise for loan portfolio :

Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does not expect any investment counterparty to fail to meet its obligations.

Trade Receivable, Trade Payable, Short Term Borrowings and Short Term Loans and Advances balances are subject to confirmation and reconciliation

- (c) **Liquidity Risk management:** Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due. Due to the dynamic nature of the underlying businesses, Company's treasury maintains flexibility in funding by maintaining sufficient cash and bank balances available to meet the working capital requirements. Management monitors rolling forecasts of the Company's liquidity position (comprising the unused cash and bank balances along with liquid investments) on the basis of expected cash flows. This is generally carried out at Company level in accordance with practice and limits set by the Company. These limits vary to take into account the liquidity of the market in which the Company operates.

Ultimate responsibility for liquidity risk management rests with the board of directors. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(d) Fair value Estimations

Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments:

Disclosure" Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in a arm's length transaction other than in forced or liquidation sale. As no readily available market exists for a large part of the Company's Financial instruments, judgement is necessary in arriving at fair value, based on current economic conditions and specific risk attributable to the instrument. The estimates presented herein are not necessarily indicative of the amount the Company could realize in a market exchange from the sale of its full holding or a particular instrument.

Dividend/Interest-bearing investments:

Fair value is calculate based on discounted expected future principles and interest cash flows. The carrying amount on the Company's investment are valued at fair value on the basis of fair market rate with reference to the investment with similar credit risk level and maturity period at the reporting date.

Trade & other receivable / Payables

The management assessed that Trade Receivables, Cash and Cash equivalents, Bank Balances, Deposits, other non-derivative current financial, assets, Short term borrowings, Trade payables, Non derivative Current Financial Liabilities approximate their carrying amount largely due to the short-term maturities of these instruments.

There are no transfers between level 1 and level 2 during the year

The carrying amounts of trade receivables, cash and bank balances, current loans, current borrowings, and trade payables are considered to be approximately equal to the fair value.

I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are

- (a) recognised and measured at fair value and,
 - (b) measured at amortised cost and for which fair values are disclosed in the financial statements.
- To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the Indian accounting standard. An explanation of each level is as follows :

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

II. Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date.
 - o Use of quoted market price or dealer quotes for similar instruments
 - o Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.

NOTE 25

Capital Management

The company's objectives when managing capital are to • safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and • maintain an optimal capital structure to reduce the cost of capital. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. The management monitors the return on capital as well as the level of dividends to shareholders. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Provision for retirement benefits to employees was not provided on accrual basis, which is not in conformity with Ind AS19 and the amount has not been quantified because actuarial valuation report is not available. However, in the opinion of the management the amount involved is negligible and has no material impact on the Profit & Loss Account.

NOTE 29:-

SEGMENT REPORTING

The Company's Managing director (MD) is identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators, however the Company is primarily engaged in only one segment viz., 'Lending and Securities Trading' and that most of the operations are in India. Hence the Company does not have any reportable Segments as per Indian Accounting Standard 108 "Operating Segments".

NOTE 30:-

MICRO, SMALL AND MEDIUM ENTERPRISES

The Company has not received any intimation from any of its suppliers regarding their Status as Micro, Small and Medium Enterprise under "The Micro, Small and Medium Enterprises Development Act, 2006". Hence Disclosures, if any, relating to amounts unpaid as at the end of the year along with interest paid/payable as required under the said act is not applicable in the case of the Company.

NOTE 31:-

The balances in Loans and Advances and Unsecured Loans are subject to reconciliation/confirmations and adjustments, if any. Such adjustments, in the opinion of the management, are not likely to be material and will be carried out as and when ascertained.

NOTE 32:-

Due to COVID -19 pandemic and lockdown prevailing in country, a substantial number of Companies and entities have not yet provided confirmation of ledgers and Interest. Therefore, Interest income is taken on accrual basis only.

NOTE 33:-

As per section 138 of Companies Act, 2013 read with Rule 13 Of Companies (Accounts) Rules, 2014, the Company is required to appoint Internal Auditor. However, the Company was not able to appoint any Internal auditors for the year due to onset of Covid-19 Pandemic.
