**CORRIGENDUM**

Dear Member,

Notice of the 37<sup>th</sup> Annual General Meeting of the Members of INDAG RUBBER LIMITED to be held on Friday, May 27, 2016 at 10:00 A.M. at Sai International Centre, Pragati Vihar, Lodhi Road, New Delhi-110003 was sent to the Members on their registered emails/ through registered post on 30 April, 2016.

We would like to draw attention of the Members towards following typographical errors-

- i. On page 3, resolution number 3, final dividend will be paid to those members whose names appear in the company's register of members as on the close of business hours on May 27, 2016 (if shares held in physical form) and on May 19, 2016 (if shares held in dematerialized form). '
- ii. On page 11, Depreciation for the year 2015-2016 may be read as Rs.275.87 lacs, instead of Rs.2758.70 lacs.

We are extremely sorry for the inconvenience caused to you, which is deeply regretted.

Sincerely yours,

## INDUSTRY EXPERIENCE

The tyre retreading industry gained some respite from a decline in the prices of crude oil and natural rubber, which are major raw materials for manufacturing of precured tread rubber.

However, the industry faced competition from cheap, single-life tyres in the marketplace from China. As these tyres are not suitable for retreading, eventually they cost more and end up as scrap, thereby adding to pollution and wastage.

## OPPORTUNITIES AND THREATS

Government's focus on infrastructure development, investment in highways, and implementation of GST will give boost to retreading industry.

Radialization will get more tyres for retreading, as casing can be retreaded multiple times. However, cheap Chinese tyres will continue to be a threat to retreading industry, unless anti-dumping duty is levied.

## RISK AND AREA OF CONCERN

The company has laid down a well defined risk management mechanism covering the risk mapping and trend analysis, risk exposure, potential impact and risk mitigation process. A detailed exercise is being carried out to identify, evaluate, manage and monitor and non-business risks. The Audit Committee and the Board periodically review the risks and suggest steps to be taken to manage/ mitigate the same through a properly defined framework.

During the year, a risk analysis and assessment was conducted and no major risks were noticed, which may threaten the existence of the company.

## MATERIAL CHANGES EFFECTING FINANCIAL POSITIONS OF THE COMPANY

No material changes have occurred and commitments made, affecting the financial position of the company, between the end of the financial year of the company and the date of this report.

There is no order passed by any regulator or court or tribunal against the company, impacting the going concern concept or future operations of the company.

## INTERNAL CONTROL SYSTEM

The Company has adequate internal control systems and procedures designed to effectively control the operations at its Head Office, Plants and Depots. The internal control systems are designed to ensure that the financial and other records are reliable for the preparation of financial statements and for maintaining assets. The Company has well designed Standard Operating Procedures. Independent Internal Auditors conduct audit covering a wide range of operational matters and ensure compliance with specified standards. Planned periodic reviews are carried out by Internal Audit. The findings of Internal Audit are reviewed by the top management and by the Audit Committee of the Board of Directors.

Based on the deliberations with Statutory Auditors to ascertain their views on the financial statements including the Financial Reporting System and Compliance to Accounting Policies and Procedures, the Audit Committee was satisfied with the adequacy and effectiveness of the Internal Controls and Systems followed by the company.

**SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED ON 31<sup>st</sup> MARCH 2016

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies  
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To  
The Members  
**Indag Rubber Limited**

We have conducted the secretarial audit of the compliance of the applicable statutory provisions and the adherence to good corporate practices by Indag Rubber Limited (hereinafter referred as 'the Company'), having its Registered Office at 11, Community Centre, Saket, New Delhi-110017. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2016, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Indag Rubber Limited ("the Company") for the financial year ended on 31<sup>st</sup> March, 2016 according to the provisions of:

- I. The Companies Act, 2013 ('the Act') and the rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder by the Depositories with regard to dematerialization / rematerialization of securities and reconciliation of records of dematerialized securities with all securities issued by the Company;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder.
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):-
  - (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
  - (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 including the provisions with regard to disclosures and maintenance of records required under the said Regulations;
  - (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 which came into effect from 15<sup>th</sup> May, 2015.
  - (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.
- VI. Laws specifically applicable to the industry to which the Company belongs, as identified by the management, that is to say :
  1. Indian Boilers Act, 1923
  2. Indian Boiler Regulations, 1950

For the compliances of Labour Laws & other General Laws, our examination and reporting is based on the documents, records and files as produced and shown to us and the information and explanations as provided to us, by the officers and management of the company and to the best of our judgment and understanding of the applicability of the different enactments upon the Company, in our opinion there are adequate systems and processes exist in the Company to monitor and ensure compliance with applicable General laws and Labour Laws.

We further report that during the period under review the company has complied with the Listing Agreement to the extent applicable entered into by the Company with the Bombay Stock Exchange Limited.

We have also examined compliances with the applicable clauses of Secretarial Standards (SS-1 and SS-2) issued by the Institute of Company Secretaries of India and it was noted that the Company has complied with the same to the extent possible, however the stricter applicability of the Secretarial Standards is to be observed by the company.

We further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this audit since the same have been subject to review by the statutory financial auditor and other designated professionals.

We further report that

As per the information furnished, adequate notice(s) were given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance to all Directors and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

The minutes of the Annual General Meeting, Board Meetings and Committee Meetings of the Board were duly signed by the Chairman. All the decisions of the Board were unanimously passed and no dissenting views have been recorded in the Minutes of the Board. Further, in the minutes of the Annual General Meeting, absence of Statutory Auditors & Secretarial Auditors of the Company at the meeting was required to be recorded.

As per the Annual Report of the Company, the Company has generally made all the disclosures as required by the Act and the Listing Agreement with the Stock Exchange, except providing the web link in the Annual Report for the familiarisation program as disclosed on the company's website.

As per the records, the Company generally filed all the forms, returns, documents and resolutions as were required to be filed with the Registrar of Companies ('ROC') within the stipulated time. Further, the company is recommended to take utmost care while filling & filing the forms with MCA.

We further report that during the audit period the Company has following specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc. referred to above:-

- (i) The Company has sub-divided its equity shares of Rs. 10/- each into equity shares of Rs. 2/- each after obtaining the approval of Shareholders by way of postal ballot in March 2015. However, April 24, 2015 was fixed as the Record Date for aforesaid corporate action.

## **INDEPENDENT AUDITOR'S REPORT**

### **To the Members of Indag Rubber Limited**

#### **Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of **Indag Rubber Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016, and its profit and its cash flows for the year ended on that date.

Re: Indag Rubber Limited ('the Company')**

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to information and explanations given by the management, the title deeds of immovable properties are held in the name of the Company.
- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii)(a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, guarantees, and securities granted in respect of which provisions of Section 185 and 186 of the Companies Act 2013 are applicable and hence not commented upon. Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to information and explanations given by the management, the Company has complied with provisions of Section 186 of the Companies Act 2013 in respect of investments made during the year.
- (v) The Company has not accepted any deposits from the public.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013, related to the manufacture of products, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues applicable to it.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues were outstanding at the year end, for a period of more than six months from the date they became payable.
- (c) According to the records of the Company, the dues outstanding of income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax and cess on account of any dispute, are as follows:

<b>Name of the statute</b>	<b>Nature of dues</b>	<b>Amount (Rs.in lacs)</b>	<b>Period to which the amount relates</b>	<b>Forum where dispute is pending</b>
Income Tax Act, 1961	Income Tax demand	139.15	A.Y.1998-99	Delhi High Court

## **ANNEXURE ‘A’ TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF INDAG RUBBER LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

To the Members of Indag Rubber Limited

We have audited the internal financial controls over financial reporting of Indag Rubber Limited (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not

be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Explanatory paragraph**

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the financial statements of Company, which comprise the Balance Sheet as at March 31, 2016, and the related Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated April 14, 2016 expressed an unqualified opinion thereon.

## Notes to financial statements for the year ended 31 March 2016

### 1 Corporate information

Indag Rubber Limited (hereinafter referred to as 'the Company') is a public company domiciled in India. Its shares are listed on Bombay stock exchange. The Company is engaged in the manufacturing and selling of Precured Tread Rubber and allied products.

### 2 Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared under the historical cost convention on an accrual basis.

The accounting policies adopted in the preparation of financial statements are consistent with those used in previous year, except for the change in accounting policy explained below.

#### 2.1 Summary of significant accounting policies

##### Change in accounting policy

##### (i) Accounting for proposed dividend

As per the requirements of pre-revised Accounting Standard- 4, the Company used to create a liability for dividend proposed after the balance sheet date if dividend related to periods covered by the financial statements. Going forward, as per Accounting Standard- 4(Revised), the Company cannot create provision for dividend proposed after the balance sheet date unless a statute requires otherwise. Rather, Company will need to disclose the same in notes to the financial statements. Accordingly, the Company has disclosed dividend proposed by board of directors after the balance sheet date in the notes to the financial statements.

Had the Company continued with creation of provision for proposed dividend, its surplus in the statement of profit and loss would have been lower by Rs.473.91 lacs and current provision would have been higher by Rs.473.91 lacs (including dividend distribution tax of Rs.80.16 lacs).

##### a) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting year. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future years.

##### b) Property, Plant and Equipment

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing plant, property and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

##### c) Depreciation on property, plant and equipment

Leasehold land is amortized on a straight line basis over the period of lease i.e., 95/99 years.

Depreciation on property, plant and equipment is calculated on a straight-line basis using the rates arrived at, based on the useful lives estimated by the management, which are equal to the useful lives prescribed under Schedule II to the Companies Act, 2013.

Depreciation on the amount of adjustment to property, plant and equipment on account of capitalisation of insurance spares is provided over the remaining useful lives of related assets.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**d) Intangible assets**

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

Costs relating to software, software licenses and website development, which are acquired, are capitalized and amortized on a straight-line basis over their four year useful lives or actual period of license, whichever is lower.

**e) Leases**

**Where the Company is lessee**

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

**f) Borrowing costs**

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the year they occur.

**g) Impairment of tangible and intangible assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a year of five years. For longer years, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses, including impairment on inventories, are recognized in the statement of profit and loss.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

## h) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long - term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

## i) Inventories

### Inventories are valued as follows:

Raw materials, stores and spares and packing materials

Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated, are expected to be sold at or above cost. Cost is determined on moving weighted average method.

Work in progress and finished goods (own manufactured)

Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty. Cost is determined on monthly moving weighted average basis.

Traded goods

Lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on moving weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated cost of completion and estimated costs necessary to make the sale.

## j) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

### Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

### Sale of services (Income from services)

Revenue from sale of services is recognized as and when the services are rendered.

### Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

### Export Benefits

Export entitlements in the form of Duty Drawback Scheme, Focus Product Scheme and Merchandise Export from India are recognized in the statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

### Dividends

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date.

## k) Foreign currency translation

### Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

### Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

### Exchange differences

Exchange differences arising on the settlement of monetary items, or on reporting such monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

## l) Retirement and other employee benefits

- (i) Retirement benefits in the form of provident fund (where contributed to the Regional PF Commissioner) is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

Retirement benefits in the form of provident fund contributed to the Trust set up by the employer is a defined benefit scheme and is provided for on the basis of actuarial valuation of projected unit credit method made at the end of each financial year. The difference between the actuarial valuation of the provident fund of employees at the year end and the balance of own managed funds is provided for as liability in the books by the Company.

- (ii) Gratuity liability under the Payment of Gratuity Act is a defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. The gratuity plan has been funded by policy taken from Life Insurance Corporation of India. Actuarial gains and losses for defined benefit plan are recognized in full in the year in which they occur in the statement of profit and loss.
- (iii) Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.
- (iv) The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial

gains/losses are immediately taken to the statement of profit and loss and are not deferred. The Company presents the entire leave as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

**m) Income taxes**

Tax expense comprises of current tax and deferred tax. Current income tax is measured at the amount expected to be paid to the income tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

**n) Segment reporting**

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

**o) Earnings per equity share**

Basic earning per equity share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of shares outstanding during the year is adjusted for share split that have changed the number of equity shares outstanding without a corresponding change in resources.

For the purpose of calculating diluted earnings per equity share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**p) Provisions**

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

**q) Cash and cash equivalents**

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

**r) Government grants and subsidies**

Grants and subsidies from the government are recognized when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the years necessary to match them with the related costs, which they are intended to compensate. Where the grant or subsidy relates to an asset, its value is deducted in arriving at the carrying amount of the related asset.

Government grants of the nature of promoters' contribution are credited to capital reserve and treated as a part of the shareholders' funds.

**s) Contingent Liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

## 29. Contingent liabilities (not provided for) in respect of:

		31 March 2016 (Rs. in lacs)	31 March 2015 (Rs. in lacs)
a)	The Company is under litigation with the revenue authorities regarding an expenditure claimed by the Company arising out of an arbitration award. As per the Company, the expenditure should be allowed to them in the year the arbitrator has passed the award. The department is of the view that the liability is not accrued till the award becomes a rule of court and has therefore disallowed the expenditure in the AY 1998-99 (the year in which the Company claimed the expenditure). During the financial year 2006-2007, the Company has received a demand notice from Income tax authorities pursuant to the order by Income Tax Appellate Tribunal, Delhi. The Company is presently in appeal before the Hon'ble High Court. The Company has deposited Rs. 20.00 lacs against the above demand which is included in the 'Advance Tax' under note no. 10.	159.15*	159.15*

c)	Demand raised by the Excise Authorities, being disputed by the Company.	6.90*	6.90*
d)	Claims against the Company not acknowledged as debts. The Company had deposited Rs. 4.23 lacs against the aforesaid claim which was included in the 'Deposits' under note no. 10 of complete set of financial statements.	-	4.78*
e)	Demand raised by the Sales Tax Authorities, being disputed by the Company.	25.80*	1.66*
f)	Entry tax demand being disputed by the Company (excluding the amount of interest and penalty, if any, which can't be determined at this stage) #	1,083.43*	793.85*

g)	Differential amount of custom duty payable by the Company in case of non-fulfillment of export obligation excluding interest thereon against the import of capital goods made at concessional rate of duty.	35.36*	-
h)	Demand raised by Income Tax Authorities, being disputed by the Company for A.Y. 2013-14	8.93*	-
	<b>Total</b>	<b>1324.88</b>	<b>971.65</b>

# The Company had obtained a stay of the Himachal Pradesh Government order levying entry tax @ 2% on all goods entering the state with effect from 24th January, 2011. The same has been reduced to 1% w.e.f. July 13, 2011 and again increased to 2% w.e.f. March 01, 2014. The Hon'ble High Court, Shimla while staying the levy in an interim order, directed the Company to deposit 1/3rd of the assessed amount as "deposit" with the state government and furnish a bank guarantee for the balance 2/3rd amount to them. Since the cash payment as per court order is in the nature of deposits, no amount has been expensed off in the financial statements as entry tax. However, the cash deposited so far is Rs.343.84 lacs (previous year Rs.238.08 lacs) and bank guarantee furnished is for an amount of Rs.702.99 lacs (previous year Rs. 476.16 lacs). The Hon'ble High Court, Shimla had disposed off the writ petition on August 05, 2014 by providing that the writ petition shall be abide by the judgement of Supreme Court in the case of State of Orrisa & others versus M/s Reliance Industries Ltd. & others.

\* Based on the discussions with the solicitor/ expert opinions taken/status of the case, the management believes that the Company has strong chances of success in above mentioned cases and hence no provision there against is considered necessary at this point in time.

### 30. Leases

#### Operating Lease

The Company has taken offices, guest house, residence and warehouse premises under operating lease agreements. There are no purchase options in the lease agreements. The Company expects to contribute Rs. 27.38 lacs (previous year Rs. 33.43 lacs) to gratuity fund during the next year.

#### Provident Fund

The provident fund of few employees is being administered by a provident fund trust. The provident fund being administered by this Trust is a defined benefit scheme whereby the Company deposits an amount determined as a

fixed percentage of basic pay to the fund every month. The benefit vests upon commencement of employment. The interest credited to the accounts of the employees is adjusted on an annual basis to conform to the interest rate declared by the government for the Employees Provident Fund. The Guidance Note on implementing AS-15, Employee Benefits (Revised 2005) issued by the Accounting Standard Board (ASB) states that provident funds set up by employers, which requires interest shortfall to be met by the employer, needs to be treated as defined benefit plan. The Actuarial Society of India has issued the final guidance for measurement of provident fund liabilities. The actuary has accordingly provided a valuation and based on the below provided assumptions, there is no shortfall as at 31 March 2016

**The principal assumptions used in determining provident fund obligations for the Company's plans are shown below:**
