- I. In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Amendment Rules, 2015 and the Regulation 44 of the Listing Regulation, 2015, the Company is pleased to provide members facility to exercise their right to vote at the 31st Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services provided by CDSL, on all resolutions set forth in this notice.
- II. Similarly, Members opting to vote physically can do the same by remaining present at the meeting and should not exercise the option for e-voting. However, in case Members cast their vote exercising both the options, i.e. physically and e-voting, then votes casted through e-voting shall only be taken into consideration and treated valid whereas votes casted physically at the meeting shall be treated as invalid. The instructions for e-voting are as under. Members are requested to follow the instruction below to cast their vote through e-voting.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

(i) The voting period begins on 26.09.2022 at 09.00 AM IST and ends on 28.09.2022 at 05.00 PM IST. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 22.09.2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020,** under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- **Step 1**: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the Management Discussion and Analysis Report for the year ended on March 31st, 2022.

1. FORWARD-LOOKING STATEMENTS

This report contains forward-looking statements based on certain assumptions and expectations of future events. The Company, therefore, cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements can thus differ materially from those projected in any such forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS

GTV Engineering Ltd's major business is a Hi-Tech Heavy Steel Fabrication & Machining Company working as sub-contractors for various Giant Engineering companies and is engaged in the execution of several Infrastructural Projects (Power / Mineral / Cement / Railways & Metros projects). We do fabrication as per customer's designs & specifications. The Company is building up its network to play a significant role from time to time. In addition at Unit-I in Malanpur, Company is involved in the manufacturing of Whole Wheat Atta.

3. BUSINESS OVERVIEW AND OUTLOOK

The fabrication sector forms a sub segment of the engineering industry and is one of the smallest in terms of turnover. This is a highly fragmented and labor intensive sector with medium & small scale industries heavily dependent on job work. Fabrication applies to the building of machines, structures and other equipment, by cutting, shaping and assembling components made from raw materials by using various mechanical processes such as welding, soldering, forging, brazing, forming, pressing, bending and stress removal. Welding is a major process input in most fabrication jobs. Since the demand for fabrication sector comes from the engineering sector, especially capital goods, the growth of fabrication industry largely depends on the overall industrial scenario. The fabrication industry mainly caters to the sectors such as transportation, packaging, consumer products, and construction. The major user industry for the fabrication sector is the general structural fabrication followed by the railway & shipping, machine building and construction. Transportation sector also continues to be one of the largest markets for sheet metal fabrication followed by construction. Major players in the fabrication sector in India are — Larson and Toubro (L&T), Southern

Structural's, Bellary Steels, Binny Engg, Triveni Structural's, Burn Standard and Ispat Profiles.

The raw material for the fabrication industry is easily available in India, only special steel needs to be imported, which is cheaper than indigenously available steel. However, with prices of steel increasing on global and domestic level, slowing demand and manufacturers in the engineering sector planning a reduction in production capacity, the growth of this industry is likely to undergo a moderation in the near term.

4. MARKETING

The Company is setting up a good marketing team to enter to increased turnover.

5. SWOT

STRENGTHS:

• Diversified Product Portfolio:

The company's manufacturing facilities and operations are quite versatile in nature and can cater to the wide range of EPC contractors in many sectors like Power (Hydro / Thermal / Nuclear), Railways, Cement, Minerals, Oil & Gas, Chemicals and other infrastructural projects. In-house Plant & Machineries and Technology with existing workforce can cater all the fabrication requirements to all these sectors.

• Experienced Management Team:

Besides the Promoters being Top Class Techno-Commercial professionals, the key working team of all the technicians and skilled workforce is quite experienced with adequate technical know-how in the fabrication of several varieties of Plant & Machineries required by EPC companies in diversified sectors. This is a great asset with the company.

• Robust & Scalable Business Model:

The infrastructure sector in India is ever-growing irrespective of any political scenario. Each sector i.e. Power / Railway / Cement / Minerals / Oil & Gas is in expansion mode. All these sectors provide enough potential for growth in multiples to all the players who provide manufacturing support. The company is well equipped to expand in multiples with suitable business opportunities. Expansion & Diversification — Both are quite possible in the company.

• Strong Marketing & Distribution Network:

By virtue of long experience and association with all the major EPC Companies operating in India (MNCs and Indian both), the company is well placed as regards to Marketing. All the customers provide strong support to the company.

WEAKNESSES:

• Working Capital Intensive Business:

The large working capital requires bank credit / LC & BG limits which is quite manageable.

• Limited Geographical Reach:

Since the company is located in the central region of the country, the company is not adversely affected by any geographical constraints.

OPPORTUNITIES

• Huge Growth Potential:

Due to high growth in all the infra-sectors i.e. Power Generation & Distribution, Mineral & Cement, Oil & Gas, Steel & Railways, the company has got high growth potential because the company caters to all the EPC corporate engaged in these infra-sectors.

• Potential to provide other value Added Services:

Presently the company is engaged in shop-manufacturing activities. The company can further take-up the site erection & commissioning activities and thus there is a great potential to provide value added services to the same customers.

THREATS:

• Increased Competition from Local & Big Players:

Competitors are quite limited because company is not into general fabrication, but it is into hi-tech & specialized fabrication of sophisticated & critical equipments. Most of the time, the demand is more than the facilities & capacities available.

• Change in Government Policy affecting subsidy payment:

Ir-respective of any political scenario every government keeps the "Power Generation / Railways / Minerals & Cement / Oil & Gas" Sectors on priority; hence these projects are always on Fast Track. In this view there is no any significant impact on the business of the company due to change in any political scenario.

6. INTERNAL CONTROL

The Company has engaged the services of an independent internal auditor to carry out the internal audit and ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transaction are appropriately authorized, recorded and reported. Exercises for safeguarding assets and protection against unauthorized use are undertaken from time to time. The Company's Audit Committee and Management review the internal control system and as and when necessary improvements are affected.

7. SEGMENT WISE REPORTING

During the year under review, Company has achieved sales through Heavy Steel Fabrication Division and Atta Division.

8. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED.

As on March 31st, 2022 the company had 26 permanent employees at its manufacturing plants and administrative office. The company recognizes the importance of human value and ensures that proper encouragement both moral and financial is extended to employees to motivate them. The company has provided all the facilities necessary to all its staff & workers adjacent to the factory premises of the company. The company enjoyed excellent relationship with workers and staff during the last year.

9. <u>DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO</u> OPERATIONAL PERFORMANCE.

The financial performance during the year has been impressive in terms of sales. Even though there has been a decent increase in the turnover but due to long completion cycle of job work, resulting in the quite increase of profit. The company currently has huge and sufficient orders.

10. RISKS AND CONCERNS

In any business, risks and prospects are inseparable. As a responsible management, the Company's principal Endeavour is to maximize returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts.

11. CAUTIONARY STATEMENT

Statement in this Management's Discussion and Analysis detailing the Company's objectives, projections, estimates, estimates, expectations or predictions are "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand-supply conditions, finished goods prices, feedstock availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries within which the Company conducts business and other factors such as litigation and labour negotiations.

Corporate Governance Report for the year ended on 31st March, 2022

1. Company Philosophy on Corporate Governance:

Corporate governance is creation and enhancing long-term sustainable value for the stakeholders through ethically driven business process. At GTV Engineering Limited, it is imperative that our Company affairs are managed in a fair and transparent manner. We ensure that we evolve and follow the corporate governance guidelines and best practices. We consider it our inherent responsibility to disclose timely and accurate information regarding our financials and performance as well as the leadership and governance of the Company. Thus we expects to realize our vision by taking such actions as may be necessary in order to achieve its goals of value creation, safety, environment and people.

Board of Directors

The Board of Directors ('the Board') is at the core of our corporate governance practice and oversees how the Management serves and protects the long-term interests of all our stakeholders. We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of corporate governance.

Committee of Directors

With a view to have a more focused attention on various facets of business and for better accountability, the Board has constituted the following committees viz. Audit Committee, Stakeholders' Relationship Committee, Nomination and Remuneration Committee, Risk Management Committee. Each of these Committees has been mandated to operate within a given framework.

Board Members Evaluation Mechanism:

The functions of the Board are to monitor and review the Board Evaluation framework. The Board works with the Nomination and Remuneration committee to lay down the evaluation criteria for the performance of executive/non-executive/ independent directors through a peer evaluation. Each Board member is requested to evaluate the effectiveness of the Board dynamics and relationships, information flow, decision making of the directors, relationship to stakeholders, company performance, company strategy, and the effectiveness of the whole board and its various committees. Feedback on each director is encouraged to be provided as part of the survey.

Independent Directors have three key roles- governance, control and guidance. Some of the performance indicators based on which the independent directors are evaluated include:

- Active participation in long term strategic planning
- Ability to contribute to monitor our corporate governance practices
- Commitment to the fulfillment of a Director's obligations and fiduciary responsibilities.

3. Committees of the Board

With a view to have a more focused attention on business and for better governance and accountability, the Board has constituted the following mandatory committees viz. Audit Committee, Stakeholders' Relationship Committee, Nomination and Remuneration Committee and Risk Management Committee

The terms of reference of these Committees are determined by the Board and their relevance reviewed from time to time. Meetings of each of these Committees are convened by the respective Chairman of the Committee, who also informs the Board about the summary of discussions held in the Committee Meetings. The Minutes of the Committee Meetings are sent to all Directors individually and tabled at the Board Meetings.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GTV ENGINEERING LTD.

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **GTV Engineering Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss and Cash Flow Statement for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its profits and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the

context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements & Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3)(i) of the
 Companies Act, 2013, we are also responsible for expressing our opinion on whether the
 company has adequate internal financial controls system in place and the operating
 effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative

materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder.
 - e. On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in

our opinion and to the best of our information and according to the explanations given to us:

 The Company does not have any pending litigations which would impact its financial position.

 The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, and as required on long-term contracts including derivative contracts.

iii. There were no amounts which were required to be transferred to Investor

Education & Protection fund by the company.

2. As required by the Companies (Auditor's Report) Order 2016 ("The Order") issued by the Central Government of India in terms of Sub Section 11 of Section 143 (3) of the Act, We give in the "Annexure B" statement on the matters specified in the Paragraph 3 & 4 of the order to the extent applicable.

Annexure- A to the Independent Auditors' Report of even date on the Standalone financial statement of GTV Engineering Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **GTV Engineering Limited** ("the Company") as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on 31st March 2022.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures

selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1. Corporate information

GTV Engineering Ltd. is a Limited company incorporated on 4thDecember1990. The company is engaged in Hi-tech steel fabrication having its manufacturing unit at Plot No.216-218, Industrial Area, Mandideep, Dist. Raisen and a Flour Mill at Plot No.K-20-22, Industrial Area, Malanpur, Dist. Bhind and Plot No.69, Industrial Area, Mandideep, Dist Raisen, M.P.

Basis of accounting and preparation of financial statements

- (a) These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.
- These consolidated financial statements have been prepared on historical cost basis except for certain (b) financial instruments and defined benefit plans which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Group's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Group has considered an operating cycle of 12 months.

The statement of cash flows have been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated

(c) The classification of assets and liabilities of the company into current or non-current is based on the criterion specified in the Ind AS. The company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

3. Use of estimates

The preparation of the financial statements in conformity with the recognition and measurement principles of Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

Cash Flow Statement

Cash Flow are reported using the indirect method, where by Profit before tax is adjusted for the effects of transaction of a non cash nature, any deferral or accruals of past or future cash receipts or payments and item of Income or expenses associated with investing and financing cash flow. The cash flow from operating investing and financing activities of the company are

	segregated.
5.	Revenue Recognition
(a)	Sales
	Revenue from sale of goods is recognized:
	• When all the significant risks and rewards of ownership are transferred to the buyer and the seller retains no effective control of the goods transferred to a degree usually associated with ownership and
	 No significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.
(b)	Interest
	Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable
6.	Fixed Assets
	Fixed assets are carried at cost less accumulated depreciation. Cost of fixed assets comprises its purchase price and any attributable expenditure (both direct and indirect) for bringing an asset to its working condition for its intended use.
7.	Depreciation and amortization
	As per the requirements of Companies act, 2013, the company has computed depreciation with reference to the useful life of respective assets specified in and in the manner prescribed in Schedule II to the Act. Accordingly, depreciation has been charged on the basis of straight line method maintaining 5%scrap value with reference to remaining useful life of assets. In relation to the assets added after 1st April, 2016, depreciation has been charged as per the provisions of said Schedule II.
8.	Impairment of Assets
	The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.
9.	Inventories
·	Inventories are valued at cost or net realizable value, whichever is lower. The cost in respect of the various items of inventory is computed as under: • In case of raw materials at FIFO plus direct expenses. • In case of work in progress at raw material cost plus conversion costs depending upon the stage of completion. • In case of finished goods at raw material cost plus conversion costs, packing cost and other overheads incurred to bring the goods to their present location and condition.

(b)	Post-employment benefits: Employee Provident Fund				
	The eligible employees of the Company are entitled to receive post employment benefits in respect of provident fund, in which both the employees and the Company make monthly contributions at a specified percentage of the employees' eligible salary.				
11.	Borrowing costs				
	Borrowing cost includes amortization of ancillary cost related to borrowings and foreign exchange to the extent they regarded as adjustment to interest cost. Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets till such time that the asset is ready for its intended use or sale . A qualifying asset is one that necessarily takes substantial period of time to get ready for the intended use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

14.	Provisions and contingencies				
	A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed unless the possibility of an outflow of resources embodying the economic benefit is remote.				
15	Government Grants				
	Government grants available to the Company are recognized when there is a reasonable assurance of compliance with the conditions attached to such grants and where benefits in respect thereof have been earned and it is reasonably certain that the ultimate collection will be made. Grants related to depreciable assets are treated as deferred income which is recognized in the profit and loss statement on a systematic and rational basis over the useful life of the asset. Such allocation to income is usually made over the periods and in the proportions in which depreciation on related assets is charged. Grants in the nature of subsidies related to revenue are recognized in the statement of Profit and Loss over the period in which the corresponding costs are incurred and are recorded on accrual basis.				

16.	Taxation
	Tax expense comprises of current and deferred tax. Current tax is measured at the amount expected to be paid in accordance with the Income-tax Act, 1961. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rate and tax laws enacted or substantially enacted at the balance sheet date.
17.	The previous year figures have been regrouped/reclassified, wherever necessary to conform to the current year's presentation.
