During the current year the Company envisages annual growth in volume and product value of about 16% and 25% respectively over the previous year.

Mr. M. P. Taparia, Managing Director, The Supreme Industries Limited, said:

Company has envisaged Capex plan of about Rs.400 crores during the year. All investment plans are progressing well. Brief status of the same is summarised hereinbelow:

- (a) New Unit at Hosur in Tamilnadu for Protective Packaging Products with an investment of about Rs.25 crores has commenced production during September, 2012.
- (b) Construction of most of the buildings at New Unit for expanding capacities of Cross laminated Film at Halol (Gujarat) is completed. Installation of 4000 MT capacity line is over and became operational during October, 2012. Further capacity of 8000 MT is likely to be operational in tranches of 4000 MT each by January, 2013 and March, 2013 respectively.
- (c) Work on Company's site for Composite Cylinders and Pipes at Halol (Gujarat) is progressing well. Construction of building work is in final stage of completion. Equipments for its first Unit to Manufacture 5,00,000 Composite cylinders and Production Line for Composite Pipes for Oil & Gas exploration application are being shipped by the respective suppliers and likely to be commissioned and operational during January - March, 2013.
- (d) The Company's plan to set up Plastic Piping System manufacturing facility at its earlier closed down PVC Film business unit at Malanpur near Gwalior (M.P.) is progressing well. First phase capacity involving capital investment of about Rs.65 crores is likely to be operational by November, 2012 and full capacity with further investment of about Rs.60 Crores shall be in production by March, 2013.
- (e) Augmenting of additional capacities, Automation and installation of balancing equipments at existing locations in various product segments are progressing well.
