Sub: Corrigendum to 41st Annual Report for the year ended 31st March, 2025

Dear Sir/Madam,

This has reference to our letter dated 06.08.2025 submitting the Annual Report for the financial year 2024-25. In the said Annual Report, some typographical errors have occurred as under:

1. In page no. 18-Heading of Key financial Ratios, provided in Management Discussion and Analysis Report, the heading “%Change” may please be read as “Change”.
2. In page no. 57- Under the heading “Disclosure in the Board Report under Rule 5 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014”, point (b) – the percentage increase in median remuneration of employees in the financial year 2024-25 compared to 2023-24 was incorrectly mentioned as 44.35% instead of the correct figure 21.07%.

Accordingly, a rectified copy of the Annual Report incorporating the above rectifications is enclosed herewith for your kind reference and records.

Thanking you,

Yours faithfully,
For Jindal Drilling And Industries Limited

Chairman's Statement

D. P. Jindal
Chairman

Your Company's performance in the financial year under review is a true reflection of resilience, adaptability and strategic focus. It is this resilience that enabled us to overcome significant challenges, while our flexibility and adaptability ensured that we met our obligations and consistently deliver, regardless of external headwinds.

As detailed in the Annual Report, we navigated a year marked with severe operational hurdles and market volatility. Despite these hurdles, we successfully mobilized and redeployed rigs within record time under new charter hire contracts; reinforcing our commitment to strategic execution and showcasing our seamless logistical capabilities.

We are, at our core, a people-driven organisation. We continue to invest in our human capital through regular training, performance incentives and leadership development programs - preparing our people to take on greater responsibilities as future leaders. Our well-maintained fleet, designed specifically for Indian offshore conditions, gives us a significant operational advantage, particularly as our focus remains on domestic projects.

Our emphasis on health, safety and sustainability has only deepened. We have scaled up our initiatives aimed at reducing greenhouse gas emissions and improving our performance across the Environmental, Social and Governance (ESG) spectrum. This is not just a compliance measure; this is a fundamental part of how we see long-term value creation.

I am pleased to report that these combined efforts have enabled your Company to achieve record profits on both-Standalone and Consolidated basis. I congratulate the senior leadership team for this exemplary achievement, which came despite falling charter hire rates and rising operational costs, largely due to increasing input costs and stringent regulatory frameworks.

This robust financial performance has resulted in a stronger Balance Sheet. Your Company enjoys a healthy cash surplus, positioning us well for future growth and strategic investments. I take this opportunity to extend my sincere gratitude to all employees across levels for their outstanding contribution.

To our shareholders, thank you for your continued trust and unwavering support through what has been a uniquely challenging year. I also extend my appreciation to our customers for their collaboration and understanding as we align our operations with their evolving needs.

In closing, I firmly believe that your Company is well-positioned to participate meaningfully in India's growth story. Our focus on sustainable and profitable operations will drive us forward and I am confident that the coming years will reflect our ambitions and capabilities.

Thank you,

D.P. JINDAL

Managing Director's Statement

Raghav Jindal
Managing Director

Dear Shareholders,

It is with great pride that I present to you the annual performance review of your company for the financial year 2024–25. This has been a year of significant transformation, not just for our Company but for the offshore drilling industry at large amidst a complex global backdrop.

The world economy in 2024–25 stood resilient, even as it was buffeted by deepening geopolitical tensions, persistent inflationary pressures, and global supply chain disruptions. The Ukraine conflict, continued crisis in Gaza, Houthi attacks in the Red Sea, and a sharp escalation in tensions involving Iran posed substantial risks to trade routes and energy security. Further uncertainty was introduced by the imposition of tariffs by the new U.S. administration, creating ripple effects across commodities and energy markets. While these developments impacted investor sentiment globally, the oil and gas sector experienced a mixed year—Brent crude prices remained relatively stable in the range of US\$ 74 to US\$ 90 per barrel, which, while positive, failed to fully translate into sustained offshore drilling activity.

One of the most disruptive events for our industry was the strategic reversal by Saudi

Aramco, which suspended several on-going drilling contracts and released large number of jack-up rigs back into the global market. This sudden influx of idle rigs intensified competition across regions, forcing charter rates downward. India, too, witnessed its share of challenges as ONGC unexpectedly cancelled tenders, leading to a significant reduction in domestic drilling activity. Moreover, extremely low bids by a few players in recent tenders have pushed charter hire rates to unsustainable levels—creating further strain on operating margins for the entire sector.

Despite this challenging environment your company stood tall, demonstrating resilience, discipline, and excellence in execution. I am pleased to report that we recorded an all-time high EBITDA of ₹ 293.80 crore and a net profit of ₹ 140.84 crore in FY 2024–25 [Consolidated-EBITDA ₹ 368.85 crore and Net Profit ₹ 215.90 Crore]. Our operational efficiency remained high at 98.8%, while we upheld our uncompromising commitment to safety with Zero Lost Time Incidents [LTI] across all rigs. This achievement reflects our stringent adherence to operational protocols, rigorous maintenance standards, and a workforce that is both

competent and deeply committed to our values.

Our assets—modern, state-of-the-art jack-up rigs—have been built and maintained specifically for Indian conditions. This strategic advantage not only enhances operational reliability but also reduces risk and mobilization overheads. Additionally, our strong vendor partnerships and regular certification by OEMs ensure that our equipment remains compliant, efficient, and field-ready at all times.

The current market turbulence, while challenging in the short term, does not diminish our long-term outlook. India remains a bright spot on the global economic map, with an expected GDP growth of 6.5%, making it one of the fastest-growing major economies globally. Recent offshore discoveries in regions like the Andamans have the potential to unlock new drilling opportunities. Your company with its track record, asset readiness, and reputation for performance, is well poised to capitalize on such prospects when the market rebounds.

A cornerstone of our operations is our unwavering focus on sustainability and ESG excellence. All our rigs are certified under ISO 9001, 14001, and 45001 standards, and comply with the MARPOL Convention under the International Maritime Organization. We continue to adopt a wide range of environmental practices including waste segregation, exhaust emission controls, and energy-efficient operations. Safety and environmental stewardship are not just regulatory requirements—they are embedded into our culture. Our workforce is routinely trained in advanced safety protocols such as Working at Heights, Confined Space Entry, Rigging and Banksman operations, and Emergency Management.

We are deeply invested in the development of our people. Continuous training, skills enhancement, and strong retention strategies have ensured that we maintain a highly motivated and competent workforce.

Our HR strategy aligns closely with business priorities—focusing on capability building, inclusion, employee well-being, and structured career development.

From a financial standpoint, our performance has further strengthened our balance sheet. We now maintain a net cash surplus, ensuring the liquidity required to navigate volatility and capitalize on emerging opportunities. This gives us the flexibility to invest in rig upgrades, adopt advanced technologies, and explore strategic collaborations as needed.

We are also committed to strong governance and internal controls and continuously strive to enhance our systems, minimize risk, and uphold the highest standards of corporate governance.

Looking ahead, while we remain cautious of on-going market pressures, we are optimistic about the medium-to-long-term trajectory. The fundamentals of the Indian drilling market remain strong, and with infrastructure development, energy security priorities, and upstream exploration gaining attention, demand is likely to improve in the coming years. Jindal Drilling is ready—operationally, financially, and strategically—to lead this next phase of growth.

In closing, I extend my heartfelt gratitude to our employees, whose commitment, integrity, and professionalism continue to define our Company's success. I also thank our customers, partners, regulators, and most importantly, our shareholders, for their continued trust and support. Together, we will continue to chart a sustainable, profitable, and responsible path forward.

SECRETARIAL AUDIT REPORT**FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2025**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies [Appointment and Remuneration of Managerial Personnel] Rules, 2014]

To,

The Members,

Jindal Drilling and Industries Limited,

[CIN: L27201MH1983PLC233813]

Pipe Nagar, Village Sukeli, NH 17, BKG Road, Taluka-Roha,

District Raigad-402126, Maharashtra

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Jindal Drilling and Industries Ltd. [hereinafter called 'the Company']. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that, in my opinion, the Company has, during the audit period covering the financial year ended on **31st March, 2025** [Audit Period], generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31st March, 2025** according to the provisions of:

- (i) The Companies Act, 2013 [the Act] and the rules made thereunder;
- (ii) The Securities Contracts [Regulation] Act, 1956 ['SCRA'] and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ['SEBI Act']:-
 - [a] Securities and Exchange Board of India [Substantial Acquisition of Shares and Takeovers] Regulations, 2011;
 - [b] Securities and Exchange Board of India [Prohibition of Insider Trading] Regulations, 2015;
 - [c] Securities and Exchange Board of India [Issue of Capital and Disclosure Requirements] Regulations, 2018; [Not applicable to the Company during the Audit Period]
 - [d] Securities and Exchange Board of India [Share Based Employee Benefits and Sweat Equity] Regulations, 2021 [Not applicable to the Company during the Audit Period];
 - [e] Securities and Exchange Board of India [Issue and Listing of Non-Convertible Securities] Regulations, 2021; [Not applicable to the Company during the Audit Period];
 - [f] Securities and Exchange Board of India [Registrars to an Issue and Share Transfer Agents] Regulations, 1993 regarding the Companies Act and dealing with client;
 - [g] Securities and Exchange Board of India [Delisting of Equity Shares] Regulations, 2021; [Not applicable to the Company during the Audit Period];
 - [h] Securities and Exchange Board of India [Buyback of Securities] Regulations, 2018; and [Not applicable to the Company during the Audit Period]
 - [i] Securities and Exchange Board of India [Listing Obligations and Disclosures Requirements] Regulations, 2015.
- (vi) Management has, in its Representation Letter, identified and confirmed the applicability and compliance of all laws as being specifically applicable to the company, relating to Labour/Pollution/Environment/Production process etc, apart from other general laws.

I have also examined compliance with the applicable clauses of the Mandatory Secretarial Standards issued by the Institute of Company Secretaries of India and the Listing Agreements entered into by the company with Stock Exchanges.

During the period under review, the Company has generally complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

During the year, the Board of Directors of the Company was duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. Changes in the composition of Board of Directors during the audit period were in accordance with the statutory requirements.

Adequate Notice is given to all Directors at least seven days in advance to schedule the Board meetings. Agenda and detailed notes on agenda are also sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the Meeting.

All decisions at Board Meetings and Committee Meetings, including circular resolution, are carried out unanimously as recorded in the Minutes of the Meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that, that, based on review of compliance mechanism established by the Company and on the basis of compliance certificates issued by the Company Executives and taken on record by the Board of Directors and Audit Committee at their meetings, there are adequate systems and processes in the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. It is reiterated that legal compliance mechanism, however, needs strengthening and streamlining to commensurate with company's size and operations.

I further report that, during the audit period, there has been a major event having bearing on the company's affairs, viz.

A Jack up Rig, "Jindal Pioneer", was acquired from a Joint Venture Partner for US\$ 75.00 million to improve company's operational synergies and increase operations.

I further state that this report is to be read alongwith the following:

1. Maintenance of secretarial record is the responsibility of the management of the company. My responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the company.
4. Wherever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

CORPORATE GOVERNANCE REPORT

At Jindal Drilling And Industries Limited ("the Company" or "JDIL"), we believe that robust corporate governance is the foundation of sustainable value creation and long-term stakeholder trust. Our governance philosophy is anchored in transparency, integrity, ethical conduct, and accountability and guides our strategic decisions, operational excellence and stakeholder engagement. We recognise that corporate governance is not a regulatory obligation alone, but a strategic enabler that ensures fairness, fosters responsible leadership and supports inclusive growth. We believe that businesses must serve a purpose beyond profit and that true prosperity comes from making a positive impact on the world's pressing challenges.

JDIL's governance framework is built on sound internal controls, effective risk management practices and a commitment to lawful and ethical business conduct at every level of the organization. The Company ensures that its practices are aligned with the evolving expectations of shareholders, regulators, customers, employees and other stakeholders. Our value-based approach is reflected in our strong compliance culture, open disclosure practices and structured oversight mechanisms.

Your Company has complied with applicable guidelines & regulations as stipulated by the Securities and Exchange Board of India pertaining to the Corporate Governance. The Board structure and the various Committees that constitute the governance structure of the Company are covered in detail in this report.

1. BOARD OF DIRECTORS

Composition

The composition of Board of Directors of the Company is governed by the relevant provisions of the Companies Act, 2013 ['Act'] and Rules made thereunder, Regulation 17 of Securities And Exchange Board of India [Listing Obligations and Disclosure Requirements] Regulations, 2015 ["SEBI Listing Regulations"] and all other applicable laws and in accordance with the best practices in Corporate Governance.

As on March 31, 2025 the Board of Directors of the Company consists of seven Directors having a pool of collective knowledge from various disciplines like Engineering, Finance, Treasury, Business Management, Corporate Planning, etc. The Board has been constituted in a manner resulting in an appropriate composition of Executive, Non-Executive and Independent Directors. The Non-executive Directors play an active role in the meetings of the Board and are associated with the various Board Committees. They also bring independent judgment in the Board's deliberations and decisions. The Board meets regularly and is responsible for the proper management of the Company. The Company has one Executive Director, four Independent Directors including one Woman Director and two Non-Executive Directors.

The Chairman of the Board is a Non-Executive Director, who is also a Promoter of the Company. The Board meets the requirement of not less than half being Independent Directors. The size and composition of the Board conforms to the requirements of Regulation 17 of SEBI Listing Regulations.

None of the Directors hold Chairmanship of more than five Committees or Membership in more than ten Committees across all the Companies in which they are Directors.

All Independent Directors have confirmed in accordance with applicable Listing Regulations and Section 149(6) of the Companies Act, 2013 and the rules framed thereunder that they meet the independence criteria. The Independent Directors have further stated that they are not aware of any circumstance or situation, which exists or may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective, independent judgement and without any external influence. Based on the disclosure received from all the Independent Directors, the Board is of the opinion that the Independent Directors fulfill the conditions of Independence as specified in the Companies Act, 2013 and Listing Regulations and are independent of management. The Board is of the opinion that the Independent Directors of the Company possess requisite qualifications, experience and expertise and they hold highest standards of integrity [including the proficiency].

The Board as part of its succession planning exercise periodically reviews its composition to ensure that the same is closely aligned with the strategy and long-term needs of the Company.

Confirmation and Certification

On an annual basis, the Company obtains from each Director, details of the Board and Board Committee positions he/she occupies in other Companies and changes, if any, regarding their Directorships. The Company has obtained a certificate from Mr. Namo Narain Agarwal, [FCS No. 234], Company Secretary in Practice, confirming that none of the Directors on the Board of the Company has been debarred or disqualified from being appointed or continuing as Directors of Companies by Securities and Exchange Board of India and Ministry of Corporate Affairs or any such authority and the same forms part of this Report.

CORPORATE GOVERNANCE REPORT

9. Details of performance and career development reviews of employees and workers:

100% of eligible employees have received performance & career development reviews.

10. Health and safety management system:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?

JDIL has a well-defined Health and Safety Management System, JDIL is certified for ISO 45001:2015 i.e. for Occupational Health & Safety.

Health and Safety Management System covers all rig crew and activities carried out onboard. JDIL HSE Policy focuses on health, safety, security and environmental. Complete "Hazard identification and Risk Assessment" has been conducted for all activities/ jobs carried out at all Jindal rigs. Based on the outcome of HIRA, control measures and barriers are implemented as part of risk mitigation plan and all risk are brought down to industry acceptable level "ALARP". The Company emphasises on implementing best industry practices for the well fare and betterment of Employees, Environment and Equipment.

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

JDIL has a robust system to ensure that all risks to personnel, environment and assets have been identified and that measures are in place to manage these risks to as low as reasonably practicable. Detailed HSE Case has been prepared for Rigs, which covers "Hazard Identification and Risk Assessment".

Below HSE Systems are in place to identify associated risks/ hazards and barriers to control –

- Daily Pre-Tour Meetings
- Daily Safety Toolbox talk.
- Job Safety Analysis and pre-Job Safety Meetings are being carried out
- Pre-Job Safety Inspection by safety supervisor, line supervisor and crew.
- Safety Training and observations Program (STOP) – for routine identification of unsafe conditions and unsafe acts.
- Weekly/ Monthly safety inspection by HODs [Rig Team]
- Permit to Work System is implemented
- All incidents and Near Misses are reporting and corrective actions are taken.
- Internal audit by base Management [Rig Manager & QHSE Manager]
- Periodic audits by external parties – Classification body, Regulatory & Statutory body, Operator
- Relevant PPE's are provided
- Emergency Mock Drills are conducted on regular basis

c. Whether you have processes for workers to report the work related hazards and to remove themselves from such risks?

All Accidents, Incidents, Near miss, Non-Conformances are reported to the Supervisor/ OIM immediately. The OIM shall coordinate the appropriate response to manage, report & investigate the Accident/ Incident/ Dangerous Occurrence/ Near Miss depending upon the nature of the event and taking into account [but not limited to] the various relevant policy documents viz Emergency Response Plan, Emergency Preparedness Manual, Medivac Plan, SOPEP, etc.

All Accidents, Incidents, Near miss and Non-Conformance are reported in the prescribed formats as per Companies Accident Reporting norms.

Additional safety program implemented - Du Pont's Safety Training & Observation Program (STOP) is a behaviour-based safety system that has been adopted on Jindal rigs. By using STOP, trends related to unsafe act/ conditions are identified and immediate corrective actions are taken.

Safety Training and Observations Program (STOP) is designed to influence employee actions toward safer outcomes by preventing an accident or injury before it occurs. Implementing a behaviour-based safety program is the most comprehensive way to promote safety, eliminate hazards and prevent injuries.

STOP provides positive rewards to change unsafe behaviour, reduce job-related injuries, minimize lost production hours, and improve workplace morale, essential ingredients for creating a strong safety culture. Behaviour Based Safety matters as most of incidents and accidents occur due to the choices made and the way one acts. Unsafe acts, rather than unsafe conditions, are the root cause of most incidents. A good attitude toward safety is a key to preventing unnecessary incidents and injuries.

Behavior based Safety Program “Jindal Onsite Safety Hero” implemented onboard all Jindal Rigs to promote safety culture.

d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services?

Yes, all the employees and workers are covered under Medical Insurance Policy and having access to non-occupational medical and healthcare services.

11. Details of safety related incidents, in the following format:

Safety Incident/Number	Category	FY 2024-2025	FY 2023-24

12. Describe the measures taken by the entity to ensure a safe and healthy work place.

JDIL Management is committed to Safety and promotes an accident free and healthy work environment. Continuous efforts are made to provide a safe, productive and positive environment for employees/ workers. We have implemented occupational health & safety [OH&S] Management system at our Rigs. The OH&S Management System is also supported through Safety Observation [SO], legal and statutory compliance, internal and external audits by 3rd party etc.

The Safety Observation Program has been launched by the HSE Team to recognize Safety conscious employees & workmen those who can contribute to implement the Safety Norms at Shop floor.

Behavior based Safety Program “Jindal Onsite Safety Hero” implemented onboard all Jindal Rigs to promote safety culture

Safety systems are being implemented as per industry best practices and in compliance with regulatory & statutory requirements. Norms/ Rules have been developed as per the regulatory requirements and corrective actions based on the past record of accidents & near miss observations are collected on a routine basis. The same is intimated/ cascaded to all the employees and crew working onboard Jindal rigs.

We are providing safe and healthy working conditions to prevent injury and ill health by effectively evaluating hazards to identify risk level and promoting adequate use of control measures like:

- Elimination
- Substitution
- Engineering Control
- Administrative Control and
- Use of Personal Protective Equipment [PPE]

The Company has also taken several measures to prevent and mitigate significant occupational health & safety impacts which are given hereunder:

- Jindal rigs are modern jack-up rigs with many intrinsically safety specifications.
- Rigs are equipped with high-tech fire detection and suppression systems.
- In compliance with nation and international regulatory and statutory requirements.
- Rigs equipped with latest Life Saving Appliances.
- Regular inspections and audits to assess safety preparedness.
- Periodic mock drills are conducted for emergency preparedness.
- Regular trainings by external institutes both mandatory and job-specific trainings are given to crew.
- Onboard safety trainings and campaigns are carried out by supervisors.

- Safety induction and training/awareness programs are provided to the employees and workers through audio/video and presentations [pictorial] on a routine basis.

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions:

All incidents/ accidents/ near misses if any are reported and investigated to ascertain root cause, immediate preventive action and long term corrective actions are implemented to eliminate any future occurrence.

Regular safety trainings and job specific trainings are being provided to all crew to enhance their skills.

We are preventing accidents and are working on further improvements to address safety-related incidents. We have a cross-functional investigation team who are responsible for investigating the accidents and submitting detailed reports in a timely manner regarding the causes. Safety issues are sent by the safety team for discussion in Tool Box and shop floor safety meetings.

We have taken various corrective actions across our plants, including:

- Providing suitable guards on all moving machines and adequate fencing provided all pipe conveyors and also instructed to the workforce to use over stairs while crossing the conveyor.
- We have also implemented standard operating procedures [SOP's] for routine and non-routine activities.
- We do data analysis of accident and incident investigations and on the basis of its outcome suggesting corrective and preventive actions.
- We ensure implementation of various work permit system.
- Identifying potential hazards through risk assessment [HIRA], JSA, rendering advice on minimising risk to acceptable levels.
- Conducting safety audit and advising management on findings & its effective implementation.
- Periodic inspections are carried out by rig based management and shore based Management to ensure compliance with the national and international standards/ recommendations.
- Conducting regular safety induction training, Preparing training module & Conducting training Program for different level on various subject for i.e.in fire safety & fire fighting, Material Handling, Work Permit System, Work place hazards & prevention, Emergency Preparedness, Important of PPEs, Use of PPEs, etc.
- Introduce various motivational schemes for near miss reporting, PPEs implementations, reducing of accident frequency rate and enhance safety awareness level of work force.
- Conducting all the incident investigations, doing its analysis at various angles and on the basis of its outcome suggesting concern department for CAPA.
- Conduct periodical Emergency mock drill on the basis of emergency plan.
- Conducting weekly safety committee meeting with management representative and worker representative and discuss safety related issues and take appropriate action.
- To adopt best practices in all jobs and continually improving them to aim zero accident by reviewing performance and having an action plan.

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders

Essential Indicators

Management Discussions & Analysis

1. Overview of Business Environment

a) Global Economy

The global economy demonstrated resilience during the Calendar Year 2024, despite persistent challenges from supply chain disruptions, geopolitical tensions and inflationary pressures carried over from CY23. Additionally, the tariff announced by the new U.S. President added new economic and political uncertainties, which began influencing market forecasts. Advanced Economies According to the International Monetary Fund (IMF), advanced economies, including the United States, Euro Area and Japan, experienced moderate growth. The IMF estimates growth in these economies at 1.8% in CY24, slightly up from 1.6% in CY23. The U.S. economy is estimated to have grown by 2.8% in 2024, a marginal decline compared to 2.9% in the previous year. Despite internal economic adjustments, energy concerns and trade tensions, the Euro Area is expected to have shown growth of 0.8%, up from 0.4% in CY23. Emerging Markets and Developing Economies Emerging markets and developing economies are estimated to have grown at a steady 4.3% in CY24, slightly down from 4.4% in CY23. China is expected to have growth rate of 5%, a slight decline from 5.2% in CY23. Overall, global growth for CY24 is estimated at 3.3%, aligning with the pace seen in CY23. In this backdrop India remains a growth leader with 6.5% growth,

b) Indian Economy

The current financial ending 2025 India's Economic Growth hit a four-year low of 6.5%, despite Q4 GDP growth hitting one-year high.

India's economic growth in Q4 beat estimates after accelerating to 7.4 per cent but it couldn't save the economy from posting its slowest growth since Covid-era in FY25. The economy in 2024-25 hit a four-year low of 6.5 per cent, slowing down sharply from the 9.2 per cent growth recorded in FY24.

The full-year growth remained within official projections, as private investment remained subdued amid global uncertainties.

For the quarter ending March 31, 2025, India's growth stood was fastest in the four quarters, on the back of robust industrial activity and sustained global trade tensions grew larger by day.

The third quarter had seen growth rise to 6.2 per cent, revised upward from an earlier estimate of 5.6 per cent, showing resilience amid global headwinds.

The fourth quarter was marred by global trade disruptions led by tariffs announced by US President and escalation of the Russia-Ukraine war. However, the Indian economy powered through the storm on the back of pick up rural demand and healthy government spending.

Moreover, the latest growth figures continue to keep India in the race of fastest economies in the world. The International Monetary Fund (IMF) also expects India's economic size to surpass Japan's by the end of the year, reaching \$4.18 trillion.

Private consumer spending jumped 7.2 per cent YoY, up from 5.6 per cent in the previous financial year, buoyed by improved rural demand due to moderating food prices and higher spending during the festival season compared to a year earlier. Agricultural growth accelerated to 4.6 per cent YoY in FY25, a significant rise from 2.7 per cent in the previous year. In Q4FY25, farm activity grew 5.4 per cent, up from 0.9 per cent a year ago. The construction sector grew at 9.4% YoY, marking an increase from the 10.4% growth seen in the prior year. Meanwhile, for the quarter ended on March 31, 2025, the said sector grew by 10.8 per cent as against 8.7 per cent in Q4 FY24. Manufacturing growth stood at 4.5% YoY, a decline from 12.3% in the previous year. In the fourth quarter manufacturing stood at 4.8 per cent, down from 11.3 per cent in the year ago period.

Despite the external challenges, the Indian economy remained relatively healthy due to its limited reliance on global goods trade, recent tax cuts, controlled inflation and a potentially softer interest rate environment.

While external uncertainties—such as supply chain disruptions and energy market volatility—pose challenges, India continues to benefit from strong service sector performance, a stable banking system, and improving manufacturing output under schemes like PLI rate.

In February, 2025, the RBI had initiated interest reductions as a result of drop in inflation. Retail inflation dropped to a near six-year low of 3.16% in April, 2025. Further favourable monsoon forecast is expected to help stabilize food prices.

Looking ahead, all this augurs well for Indian Economy as reduction in interest rate, lower inflation, increased money in the hand of consumers consequent to reduction of taxes, would provide substantial boost to Indian Economy.

c) International Drilling Market

The fundamentals driving oil supply and demand during the current financial year were marked by extreme volatility, with heightened geopolitical tensions in the Middle East and Russia combined with macroeconomic weakness in Asia. Despite this volatility the price of Brent crude remained between US\$ 74 and US\$ 90 per barrel, making one of the most stable years in terms of oil price in recent times. While oil price should have provided a supportive backdrop, the market was significantly impacted by Saudi Aramco's decision to unwind the entirety of its activity increase during last three years. This resulted in an unprecedented increase in supply of jackups. Simultaneously, activity levels in India declined from an all-time high reached in late 2023, driven largely by cancellation of tenders by ONGC in an unprecedented manner.

Global jack-up activity in 2024 did not expand as expected, as mentioned above one of the most significant developments in 2024 was Saudi Aramco's reversal of their previous expansion plans, gradually suspending and releasing at least 34 rigs over the course of the year. Although a number of these rigs have since secured new contracts, many are being marketed globally for new opportunities. This resulted in disruption of market for Jackup Rigs globally.

d) Indian Market

In this backdrop, the Indian market was substantially affected due to unexpected cancellation of tenders floated by ONGC. Further in recent times the unexpected reduction in rates by some of the Indian Contractors has brought to charter higher rates to extremely low levels. These rates are unsustainable at current levels in view of increased cost of operations and compliances. Therefore, it is expected that the market for rigs is likely to remain subdued during next one to two years, after which it is expected to improve. Jindal Drilling rigs have an edge as they have been built specific to requirement of Indian Conditions and are well position to take advantage as and when market conditions improve.

2. Review of Operations

The operations continued under high safety standard during the year. During the year all Jindal Drilling rigs showed exemplary performance as no Lost Time Incident (LTI) was recorded.

Training is inherent part of Corporate Culture. Regular on the job training is carried out for people involved in their respective functions. On the job training campaign includes Trailing hand Technique, Work at height, Permit To Work, Hand & Finger Injury Prevention etc. Further safety training is carried out by external agency on Safety in Drilling Operations, MEMIR (Major Emergency Management Initial Response) for OIM, etc, Scaffolding Awareness, Working at Height, Rigging, Slings & Banksman, Confined Space Entry.

All operations and activities are carried out keeping in view the environmental requirements. The company is certified by DNV for ISO 9001, ISO 14001, ISO 45001. It is a testimony to company's commitment to comply with International standards and to reduce risks associated with rig operations. The objective is to minimize Operational Risks while delivering Optimum Working Conditions by meeting Legal, Industry and Customer Requirements.

Green Initiative taken by rig include Waste Segregation, Plastic reuse, using Trash Compactor for compressing plastic wastes, periodic maintenance of equipment to check engine exhausts and green plantations are few to mention.

The rig continued to operate at high efficiency levels. The overall efficiency was 98.8%. The financial performance for the year reflects the significant efforts made by the team to reduce costs and implement innovative solutions to maximize revenue and reduced cost. The company therefore achieved an all time high EBIDTA of Rs. 293.80 crores and net profit of Rs. 140.84 crores.

3. SWOT ANALYSIS:

a) Strength

- 1) The Company has an advantage of having latest state-of-art rigs with modern technologies. Further Rigs equipment maintenance are done regularly and are certified periodically by OEMs. This is supported by Strong Vendor relationships, thereby, supporting operations with timely delivery.

High degree of Safety standards help in mitigating risk associated with operations. Fewer rig moves reduces risks associated with the movement of rig. Highly dedicated and committed staff with low employee turnover provides stability to operations.

The company's rigs are suitable for Indian conditions, and have been specifically designed and maintained for Indian conditions. The operations of company have been appreciated by the customers who have stated that the company's performance to be exemplary.

b) Weakness

The challenges by way of increase costs of maintenance and OEM suppliers, increase compliances, logistic disruptions provide limited scope for reduction in operational costs.

c) Opportunities

The opportunities would continue to be strong due to the gap in demand and local production. Thus, the demand for rigs is expected to improve going forward. New recent discoveries in Andaman region have potential to create large opportunities for the company. The company has established its leadership and is well positioned to capitalize these opportunities. The high safety standard, operational efficiency, strong commitment towards ESG requirements and operations bench-marked to Global standards provide huge opportunity to the company.

d) Threat

The recent reduction in charter higher rates has led to short term disruption in the market. However, consequent to the fact that Jindal Drilling Rigs are suitable for Indian conditions provide huge opportunity to the Company. Further the company has positioned itself well to overcome this threat consequent to strong financial position, high efficiency as also placing strong systems for controlling costs.

We recognize the responsibility of our business and our sector to support the achievement of the UN Sustainable Development Goals (SDGs). Our operations and material topics present particularly strong opportunities to have a meaningful and sustainable impact on the attainment of several SDGs to our business. The Company values engagement with our stakeholders, including our customers, employees, and regulatory bodies, to understand and meet their expectations regarding sustainability, strategy, and we communicate our sustainability performance to them on an on-going basis through various channels.

6. Internal controls and systems

The Company's internal control environment ensures adherence to policies and procedures, compliance with laws and regulations, efficient conduct of operations, security of assets, prevention and detection of frauds/errors, timely remediation of deficiencies, accuracy and completeness of accounting records and the timely preparation of reliable financial information.

The Company believes that internal controls are one of the key pillars of governance, which provides a platform to the management to operate, within a framework of appropriate checks and balances. The Company has a robust internal control framework, which has been established considering the nature, size and complexity of its operations and risks in the business. The framework comprises, inter alia, a well-defined organisation structure, roles and responsibilities, documented policies and procedures, financial delegation of authority for various business activities, etc. These policies are complimented by a management information and monitoring system, which ensures compliance with internal processes, as well as with applicable laws and regulations. The Company has an independent, external Audit Firm that is responsible for providing assurance on compliance with operating systems, internal policies, and legal requirements, as well as suggesting improvements to systems and processes. The Internal Audit monitors and evaluates the efficacy, and adequacy of internal control systems in the Company. The audit is carried out across all functional areas. The independent internal audit functionally reports to the Audit Committee of the Company. Key internal audit findings are presented to the Audit Committee at its quarterly meetings.

Human Resources:

Human Resource serves as the strategic backbone of the Company, aligning its goals closely with overarching business objectives. HR utilises a multifaceted approach to ensure success of the organisation. The Company is dedicated to nurturing a diverse and inclusive talent pool, ensuring that the workforce reflects a wide range of backgrounds and perspectives. As mentioned before there is continuous training and development to enhance skills and competencies. This extends to providing clear career paths and development frameworks, empowering employees to chart their professional growth within the Company. To complement this, HR strategies are also tailored towards fostering high retention rates, recognizing and rewarding employees' contributions while ensuring a conducive work environment that promotes engagement and well-being. To summarise, HR's major focus areas encompass cultivating a robust talent pool, facilitating capability building, fostering career development, enhancing retention, promoting engagement, and safeguarding employee well-being, all of which collectively contribute to the sustained success and growth of the Company.

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITORS' REPORT

To the Members of Jindal Drilling & Industries Limited

Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Jindal Drilling & Industries Limited ('the Company'), which comprise the Balance Sheet as at **31st March 2025**, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'standalone Ind AS financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ["Ind AS"] specified under Section 133 of the Act, of, of the state of affairs (financial position) of the Company as at **31st March, 2025**, and its Profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statement in accordance with the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India [ICAI] together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statement of the current period. These matters were addressed in the context of our audit of the standalone financial statement as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>Provisions and Contingent Liabilities</p> <p>The Company faces several legal, regulatory, and tax disputes, the outcomes of which are uncertain and could potentially lead to substantial liabilities. Notably, there is a disputed income tax demand amounting to Rs 512.21 Lakhs, which is detailed in Note No. [p] of the Accounting Policy and further elaborated in Note No. 33 to the Standalone Ind AS Financial Statements.</p> <p>The evaluation of the risks associated with these litigations involves complex assumptions and requires significant judgment to determine the appropriate level of provisioning. This inherently increases the risk that provisions and contingent liabilities may either be inadequately provided for or not fully disclosed.</p> <p>Due to the complexity and judgment involved in assessing these matters, they are considered to be key audit matters.</p>	<p>In order to get a sufficient understanding of litigations and contingent liabilities, we have discussed the process of identification implemented by the Management for such provisions through various discussions with Company's legal and finance departments. We read the summary of litigation matters provided by the Company's/Unit's Legal and Finance Team.</p> <p>We read, where applicable, external legal or regulatory advice sought by the Company. We discussed with the Company's/Unit's Legal and Finance Team certain material cases noted in the report to determine the Company's assessment of the likelihood, magnitude and accounting of any liability that may arise.</p> <p>In light of the above, we reviewed the amount of provisions recorded and exercised our professional judgment to assess the adequacy of disclosures in the Standalone Ind AS financial statements.</p>

INDEPENDENT AUDITORS' REPORT

<p>Litigation, arbitrations, and claims</p> <p>As detailed in Note 39A paragraphs (i) and (ii) of the standalone Ind AS financial statements for the year ending March 31, 2025, the Company is involved in significant legal proceedings under arbitration with a government party. These proceedings include a suit for specific performance of a contract related to the supply of drilling services, which is pending before the Hon'ble Supreme Court.</p> <p>The complexity of these litigation matters means that the management's judgment regarding the recognition and measurement of provisions for these legal proceedings is inherently uncertain. The assessment of such provisions is subject to change as the outcomes of the legal cases evolve.</p> <p>Given the complexities involved and the inherent uncertainty in the management's judgments, this matter is considered a key audit matter.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Assessing management's position through discussions with the in-house legal expert and external legal opinions obtained by the Company (where considered necessary) on both the probability of success in the aforesaid cases, and the magnitude of any potential loss. • Discussion with the management on the development in these litigations during the year ended March 31, 25. • Roll out of enquiry letters to the Company's legal counsel (internal/ external) and study the responses received from them. Also assessed that accounting/disclosure made by the Company are in accordance with the assessment of legal counsel. • Review of the disclosures made in the financial statements in this regard. • Obtained representation letter from the management on the assessment of these matters
<p>Significant estimate and judgement in hedge accounting including valuations thereof</p> <p>Refer note no. (m) of accounting policy and note 8 & 37 to the Ind AS standalone financial statements.</p> <p>The company enters into derivative financial instruments which are mainly forward contracts to manage its exposure of foreign currency risk of highly probable forecasted transactions which arise during the normal course of its business. These contracts are measured at fair values leading to derivative financial assets of Rupees 323.89 lakhs as at March 31, 2025. The net movement of cash flow hedge reserve for the year is Rupees 17.51 lakhs net of taxes which is recorded in other comprehensive income. The gain/loss on maturity of such derivative instruments is recorded in the statement of profit and loss along with the relevant hedged item.</p> <p>Due to the changes in risks and estimates during the lifecycle of the customer contracts in order to apply hedge accounting management is required to demonstrate that the underlying contract is considered to be a highly probable transaction that the hedges are highly effective and maintain appropriate hedge documentation. A degree of subjectivity is also required to determine when hedge accounting is to be considered as ineffective. Fair value movements of the forward contracts are driven by movements in financial markets.</p> <p>These transactions may have a significant financial effect and have extensive accounting and reporting obligations and accordingly this is considered as a key audit matter.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • we obtained understanding of the company's overall hedge accounting strategy forward contract valuation and hedge accounting process from initiation to settlement of derivative financial instruments including assessment of the design and implementation of controls and tested the operating effectiveness of these controls. • we assessed company's accounting policy for hedge accounting in accordance with Ind AS. • we tested the existence of hedging contracts by tracing to the confirmations obtained from respective banks. • we tested management's hedge documentation and contracts on a sample basis. • we assist in re-performing the year-end fair valuations of derivative financial instruments on a sample basis and compared these valuations with those recorded by the company including assessing the valuation methodology and key assumptions used therein. • we assessed the disclosure of hedge transactions in the financial statements.

INDEPENDENT AUDITORS' REPORT

<p>Identification and disclosures of Related Parties</p> <p>The Company has related party transactions which include, amongst others, sale and purchase of goods/services to its joint ventures, common controlled entity, KMP and other related parties and lending and borrowing to its joint ventures.</p> <p>We focused on identification and disclosure of related parties in accordance with relevant accounting standards as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none"> • Evaluated the design and tested the operating effectiveness of controls over identification and disclosure of related party transactions. • Obtained a list of related parties from the Company's Management and traced the related parties to declarations given by directors, where applicable, and to Note 35 of the standalone Ind AS financial statements. • Read minutes of meetings of the Board of Directors and Audit Committee. • Tested material creditors/debtors, loan outstanding/loans taken to evaluate existence of any related party relationships; tested transactions based on declarations of related party transactions given to the Board of Directors and Audit Committee. • Evaluated the disclosures in the standalone Ind AS financial statements for compliance with Ind AS 24.
<p>Accounting for Deferred and Capitalized Refurbishment Expenses Related to Drilling Rigs</p> <p>As described in Notes 8[A], 15, and 39B & C to the standalone Ind AS financial statements, the Company incurs significant refurbishment and preparation costs in relation to both hired and owned drilling rigs, which are accounted for differently depending on the nature of the rig.</p> <p>For hired rigs, preparation and certification costs incurred prior to the commencement of drilling services are deferred and amortized over the duration of the related drilling contracts on a straight-line basis. These costs are considered directly attributable to the Company's future performance obligations under its drilling contracts.</p> <p>In the case of owned rigs, refurbishment costs, including those incurred for mandatory dry dock activities at the end of each contract period (typically every three years), are capitalized as part of the property, plant and equipment. These costs are recognized as part of the carrying amount of the specific component of the rig and are depreciated over the contract period as depreciation.</p>	<p>Our audit procedures amongst others included the following:</p> <p>Obtained an understanding of the Company's processes and internal controls relating to the identification, classification, and accounting treatment of refurbishment and preparation costs incurred on hired and owned rigs.</p> <p>For costs related to hired rigs, assessed the nature of contract preparation and certification expenses by examining underlying documentation such as vendor invoices, contracts, and management's estimates to determine whether deferral and straight-line amortization over the contract period was appropriate.</p> <p>For owned rigs, examined the nature of refurbishment and dry dock expenses capitalized as part of property, plant and equipment, and evaluated whether the capitalization criteria were met. Verified the allocation of such costs to the appropriate components of the rigs.</p> <p>Assessed the reasonableness of the amortization and depreciation periods applied by management, with reference to the underlying contract terms, past practices, and regulatory requirements.</p> <p>Performed a test of details on a sample basis to verify the accuracy and completeness of costs deferred or capitalized, including validation of supporting documentation.</p> <p>Reviewed the related disclosures made in the standalone financial statements to assess compliance with the disclosure requirements of the applicable Ind AS, including the nature, accounting policy, and significant judgments involved.</p> <p>By executing these audit procedures, we were able to evaluate the appropriateness, accuracy, and completeness of the deferred drilling expenses and capitalized refurbishment costs. This enabled us to assess whether such expenditures have been accounted for in accordance with the applicable accounting standards, and the Company's stated accounting policies.</p>

Emphasis of Matter-

- a) We draw attention to Note no. 39 [A] to the Standalone Financial Statement relating to JDIL had a dispute with ONGC Ltd and this dispute was under litigation for last more than 15 years. In view of Hon'ble Supreme Court of India order dated 27th April 2022, New Arbitration Tribunal [Tribunal] was constituted to decide dispute of subsisting between JDIL and ONGC. Hon'ble Tribunal has pronounced the final order on 03-04-2025. As per this order JDIL, respondent No2 has been ordered to be deleted from the array of parties.

INDEPENDENT AUDITORS' REPORT

In view of the abovesaid Award receivables of Rs 6632.81 lacs, appearing in financial statements will be adjusted against other financial liabilities and balance of Rs 10042.77 lacs shall be transferred to profit & loss account. Meanwhile JDIL will take steps to get release the bank guarantee given for an amount of Rs. 166.25 crore already deposited by ONGC with JDIL, in terms of order dated 27th April 2022 of the Hon'ble Supreme Court. Now in view of the order of Hon'ble tribunal order dated 3rd April 2025, JDIL will take financial impact arising from this order in the next financial year. Meanwhile JDIL would be able to get the bank guarantee released.

[For detailed notes, refer note no.39]

Our Opinion is not modified in this matter.

- b) We draw attention to Note no. 39 [C] to the Standalone Financial Statement relating to Refurbishment Expenses of owned Rig – The company has incurred a total of Rs.17,237.67 lakhs on the refurbishment of owned Rig, namely Jindal Supreme. This cost incurred on account of refurbishment expenses has been capitalised in accordance with Ind-AS -16 of jack-up Rig Jindal Supreme and this capitalised component of amount has been depreciated over the contract period starting from 15th October 2024. Therefore, depreciation has been increased to Rs. 2517.18 lakhs and the same has decreased in operating expenses.

Our Opinion is not modified in this matter.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility report, Corporate Governance and shareholder's information, but does not include the financial statements and our auditor's report thereon. The report containing other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134[5] of the Companies Act, 2013 ['the Act'] with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

INDEPENDENT AUDITORS' REPORT

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with the governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosures about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies [Auditors' Report] Order, 2020 ['the Order'] issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order.

Annexure B to the Independent Auditors' Report**Independent Auditor's Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ['the Act']**

We have audited the internal financial controls over financial reporting of Jindal Drilling & Industries Limited ['the Company'] as of 31st March 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ['ICAI']. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ['the Guidance Note'] and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that [1] pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; [2] provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and [3] provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENT

Corporate Information

Jindal Drilling & Industries Limited (JDIL) is a company limited by shares, incorporated on 17th October 1983 under the companies Act 1956 and has its registered office at Raigad (Maharashtra) and head office at Delhi. JDIL's shares are listed on National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). JDIL is engaged in providing services to entities involved in exploration of Oil & Gas.

Statement of compliance

The Financial Statements of the Company which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended 31st March, 2025, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements") have been prepared in accordance with Indian Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, the provisions of the Companies Act, 2013 ("the Act") to the extent notified, guidelines issued by the Securities and Exchange Board of India (SEBI) and other accounting principles generally accepted in India. The Financial Statements have been approved by the Board of Directors in its meeting held on 26th May, 2025.

Note 1: Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated. The financial statements are for M/s Jindal Drilling & Industries Limited.

a) Basis of preparation & presentation

The financial statements have been prepared on a historical cost basis which has been consistently applied, except for the following asset and liabilities which have been measured at fair value amount:

- i) Certain financial assets and liabilities (including derivative instruments),
- ii) Defined benefit plans – plan assets

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended by the Companies (Indian Accounting Standards) (Amendment), Rules, 2016 .

Company's financial statements are presented in Indian Rupees, which is also its functional currency.

b) Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment loss. Historical Cost comprises the cost of acquisition / purchase price inclusive of duties, not recoverable taxes, incidental expenses, erection /commissioning expenses, borrowing cost etc. up to the date the asset is ready for its intended use. Credit of duty, if availed, is adjusted in the acquisition cost of the respective assets. Capital Works-in-Progress is carried at cost, comprising direct cost, related incidental expenses and interest on borrowings to the extent attributed to them.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Further stated that the cost of major inspection and or overhauling of an item relating to owned jack up rig incurring at the end of every 3 years contract period mandatorily in view of client's requirement is capitalised to the extent that it meets the recognition criteria of an asset in line with the Ind AS-16. Such carrying amount is depreciated over the contract period.

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation on property, plant and equipment is provided on pro-rata basis, based on the useful life as per Schedule II of the Companies Act 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENT

Particulars	Depreciation
Cost of Leasehold land	Over the period of lease term
Assets cost less than ₹ 10,000/-	100%

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gain or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognised in the Statement of Profit and Loss when the asset is derecognised.

c) Intangible Assets

Intangible assets are stated at cost less accumulated amortization / depletion and impairment loss. Cost comprises the cost of acquisition / purchase price inclusive of duties, taxes, incidental expenses, erection /commissioning expenses, borrowing cost etc. up to the date the asset is ready for its intended use. Credit of duty, if availed, is adjusted in the acquisition cost of the respective assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Gain or losses arising from derecognition of a intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Amortization of intangible assets acquired / capitalized are amortised using straight line method (SLM) over its useful file of the intangible assets.

A summary of amortization policies applied to the companies intangible assets to the extent of depreciable amount is, as follows;

Particulars	Depreciation
Computer Software	Over a period of 5 Years
Drilling RIG Software	Over the period of 10 Years

d) Investment Property

Property that is held for long-term rental yield or for capital appreciation or both, and that is not occupied by the company, is classified as investment property. Investment property is measured initially at its cost, including related transaction cost and where applicable borrowing costs. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repair and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

The company adopt the cost model as its accounting policy to measure all of its investment property. The Fair value model is not allowed but only disclosure of fair value of investment property is required even though the cost model is followed.

Investment properties are depreciated using the straight line method over their estimated useful lives. Investment properties generally have useful lives of 30 years except lease hold property which is depreciated over its period of lease.

e) Foreign currency transaction

i) Functional and presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates ('the functional currency'). The standalone financial statements are presented in Indian rupee [INR], which is company's functional and presentation currency.

ii) Translations and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENT

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

Exchange difference arising on reporting / settlement of long term foreign currency monetary items (other than depreciable non-current assets) at rates different from those at which they are initially recorded during the period which were earlier being recognised in the statement of profit & loss are now being accumulated in "Foreign Exchange transaction Reserve" and would be accounted for in the statement of profit & loss in the year in which transaction is complete.

f) Revenue recognition

The Company derives revenues primarily from business of drilling services. Revenues from contracts with customers are recognized when the performance obligations towards customer have been met. Performance obligations are deemed to have been met when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services and excludes the amount collected on behalf of third party.

Revenue from sale of products is recognized when products are delivered to the customers. Delivery occurs when the product has been shipped to the customers, risk of obsolescence and loss has been transferred to customers and either the customer has accepted the products in accordance with sales arrangement.

Revenue is recognized net of goods and service tax (GST), and variable considerations like discount, volume rebates, returns, pricing incentives to customers and penalties as reduction of revenue on systematic and rational basis over the period of contract as applicable.

Interest income

Interest income from loans / debt instruments is recognised using the effective interest rate method.

Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company, and the amount of the dividend can be measured reliably.

g) Income Tax**Current Tax:**

Provision for Taxation is ascertained on the basis of assessable profit computed in accordance with the provisions of Income Tax Act, 1961 & tax advices, wherever considered necessary.

Deferred Tax:

Deferred Tax is recognised, subject to the consideration of prudence, as the tax effect of timing difference between the taxable income & accounting income computed for the current accounting year and reversal of earlier years' timing difference. Deferred Tax Assets are recognised and carried forward to the extent that there is a reasonable certainty, except arising from unabsorbed depreciation and carry forward losses, which are recognised to the extent that there is virtual certainty, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Current tax and deferred tax for the year:

Current and deferred tax are recognized in statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

h) Leases

Offices Premises taken on lease under which, all risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease payments under operating lease are recognized as expense on accrual basis in accordance with the respective lease agreements.

i) Impairment of Assets

At each balance sheet date, the Company assesses whether there is any indication that an asset is impaired. If any such indication exists, the Company estimates the recoverable amount. If the carrying amount of the asset exceeds its recoverable amount, an impairment loss is recognized in the statement of profit and loss to the extent the carrying amount exceeds recoverable amount.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENT

j) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

k) Trade receivables

Trade receivables are recognised initially at transaction price and subsequently re-measured at amount that would actually be received.

l) Inventories

Stores, Spares and other items required for operation are treated as consumed as and when sent to drilling rig. Stocks in hand are valued at cost or net realisable value, whichever is lower. Cost in respect of Stores & Spares is determined on FIFO basis.

m) Investments and other financial assets

Classification

The company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortised cost.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Measurement

At initial recognition, the company measures a financial asset at its fair value. If financial asset not measured at fair value, the transaction costs that are directly attributable to the acquisition of the financial asset will be added to cost of financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Equity instruments

The company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Derecognition of financial assets

A financial asset is derecognised only when

- The company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the company has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENT

company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification as described below:

A financial liability except derivative financial instrument measured at fair value through profit or loss. Derivative financial instruments are designated as hedging instruments in hedge relationships and measured at fair value through other comprehensive income. All changes in the fair value of such liability are recognized in the statement of profit and loss.

Cash flow hedge

The Company designates derivative contracts or non-derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

n) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their carrying value and subsequently measured at amortised cost using the effective interest method.

o) Borrowing cost

Borrowing costs directly attributable to the acquisition or construction of the qualifying assets are capitalised as a part of the cost of asset up to the date when such asset is ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENT

p) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Liabilities which are material, and whose future outcome cannot be ascertained with reasonable certainty, are treated as contingent, and disclosed by way of notes to the accounts.

Contingent Assets are neither recognized nor disclosed in the financial statement. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

q) Employee Benefits

Short Term Employee Benefits

Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service. Payment to defined contribution retirement benefit scheme, if any, is charged as expenses as they fall due.

Defined Benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @ 15 days salary for every completed year of service as per the Payment of Gratuity Act 1972. The gratuity liability amount is contributed to the approved scheme of LIC formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective IT authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

r) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s) Claims Recoverable

The claims in respect of fixed assets lost during the process of drilling (lost in hole) are recognised on the basis of invoices raised and correspondingly the depreciated value of the fixed assets lost in hole is charged off. Any deductions made from the claims raised are recognised on receipt of intimation in respect of the same.

t) Prepaid Expenses

Prepaid expense is not recognised in cases where total amount spent is Rs. 10,000/- or less. Such expenses are charged to statement of profit and loss.

u) Segment reporting:

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Company to make decisions for performance assessment and resource allocation. The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments.

v) Statement of cash flows:

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENT

- i. changes during the period in inventories and operating receivables and payables, transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, and unrealised foreign currency gains and losses etc.; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents comprise cash at banks and on hand, short-term deposits with an original maturity of three months or less and liquid investments, which are subject to insignificant risk of changes in value.

w) Event Occurring after the Balance Sheet Date

Events occurring after the Balance Sheet Date and till the date on which the Financial Statement are approved, which are material in the nature and indicate the need for adjustments are considered in the financial statement.

x) Key sources of estimation uncertainty and critical accounting judgements:

In the course of applying the policies outlined in all notes under point 2 below, the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period.

Key sources of estimation uncertainty:**i) Useful lives of property, plant and equipment:**

The useful lives of property, plant and equipment are reviewed at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets, and also their likely economic lives based on various internal and external factors including relative efficiency, the operating conditions of the asset, anticipated technological changes, historical trend of plant load factor, historical planned and scheduled maintenance. It is possible that the estimates made based on existing experience are different from the actual outcomes and could cause a material adjustment to the carrying amount of property, plant and equipment.

ii) Provisions and Contingencies:

In the normal course of business, contingent liabilities arise from litigations and claims. Potential liabilities that are possible but not probable of crystallizing or are very difficult to quantify reliably are treated as contingent liabilities. Such contingent liabilities are disclosed in the notes but are not recognized. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management decides whether the matters needs to be classified as 'remote,' 'possible' or 'probable' based on expert advice, past judgements, terms of the contract, regulatory provisions etc.

iii) Fair value measurements:

When the fair values of financial assets or financial liabilities recorded or disclosed in the Financial Statements cannot be measured based on quoted prices in active markets, their fair values are measured using valuation techniques including the Discounted Cash Flows model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility.

iv) Income taxes:

Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions. In assessing the realizability of deferred tax assets arising from unused tax credits, the management considers convincing evidence about availability of sufficient taxable income against which such unused tax credits can be utilized. The amount of the deferred income tax assets considered realizable, however, could change if estimates of future taxable income changes in the future.

v) Defined benefit plans:

The present value of defined benefit obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary escalations and mortality rates etc. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENT

vi) Loss allowance assessment for a loan / guarantee given to subsidiary and a related party:

- a) Assessment for loss allowance for a loan given to subsidiary involves assumptions relating to the valuation of its underlying business. In considering the value in use, the Management has made assumption relating to timing of resumption of commercial operations of mining activity, mineable reserves / resources, annual production, yield, future prices of coal, renewal of mining licenses, operational margins and discount rate. Any subsequent changes in the assumptions could materially impact the carrying value of the assets.
- b) Recoverability of loans given to and fair value of financial guarantee given on behalf of, a related party serving as a mine development operator for lignite mine of a joint venture entity is assessed on the basis of projected cash flows derived on the presumption that it will continue as the operator having regard to it being selected as the preferred bidder in the fresh competitive bidding process carried out as per the regulator's direction, its net worth and other external and internal sources of information.

vii) Expected credit loss:

The measurement of expected credit loss on financial assets is based on the evaluation of collectability and the management's judgement considering external and internal sources of information. A considerable amount of judgement is required in assessing the ultimate realization of the loans having regard to, the past collection history of each party and ongoing dealings with these parties, and assessment of their ability to pay the debt on designated dates

VIII) Onerous contracts

A provision for onerous contracts is recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

Y) Standards Issued but not yet effective

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company will adopt this new and amended standard, when it become effective.

i) Lack of exchangeability – Amendments to Ind AS 21

The Ministry of Corporate Affairs notified amendments to Ind AS 21 The Effects of Changes in Foreign Exchange Rates to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments are not expected to have a material impact on the Company's financial statements.

ii) Recent Pronouncements :-

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies [Indian Accounting Standards] Rules as issued from time to time. For the year ended 31 March 2025, MCA has notified Ind AS 117 Insurance Contracts and amendments to Ind AS 116 Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. 1 April 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not applicable to the Group.

z) Rounding of amounts

All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

Note 2: Estimates

The presentations of standalone financial statements is in conformity with the generally accepted accounting principles which requires estimates and assumptions to be made that affect the reportable amount of assets and liabilities on the date of financial statements and the reportable amount of revenue and expenses during the reporting period. Differences between the actual results and estimates are recognised in the year in which the results are known / materialized.

Fair Value Techniques:

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short term deposits, trade receivables, trade payables, non-current loans, other current financial assets, short term borrowings and other current financial liabilities approximate to their carrying amount largely due to the short term maturities of these instruments.
- Long term fixed rate and variable rate receivables / borrowings are evaluated by the Company based on parameters such as interest rate, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values. For fixed interest rate borrowings fair value is determined by using Discounted Cash Flow (DCF) method using discount rate that reflects the issuer's borrowings rate. Risk of non-performance for the company is considered to be insignificant in valuation.
- The fair value of derivatives are estimated by using pricing models, where the inputs to those models are based on readily observable market parameters basis contractual terms, period to maturity and market parameters such as interest rates, foreign exchange rates and volatility. These models do not contain a high level of subjectivity as the valuation techniques used do not require significant judgement and inputs thereto are readily observable from actively quoted market prices. Management has evaluated the credit and non-performance risks associated with its derivatives counterparties and believe them to be significant and warranting a credit adjustment.

Fair Value Hierarchy

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

Quoted prices / published Net Asset Value (NAV) in an active markets [Level 1]: This level of hierarchy includes financial assets that are measured by reference to quoted prices [unadjusted] in active markets for identical assets or liabilities and financial instruments like mutual funds for which NAV is published by mutual funds. This category consist mutual fund investments and equity share instrument of other companies / JV's.

Valuation techniques with observable inputs [Level 2]: This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs [Level 3]: This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (that is, unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

Note 44: Financial Risk Management Objectives and Policies

The company's activities expose it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures to hedge variable interest rate exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost.	Aging analysis Credit ratings	Diversification of bank deposits, credit limits and letters of credit
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk – foreign exchange	Future commercial transactions Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts
Market risk – security prices	Investments in equity securities	Sensitivity analysis	Portfolio diversification

The company's risk management is carried out by a treasury department under policies approved by the board of directors. Company treasury identifies, evaluates and hedges financial risks in close co-operation with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk and credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

Credit risk

Credit risk is the risk that the counter party will not meet its obligation under a financial instruments or customer contract, leading to a financial loss. The Company is exposed to credit risk from its cash and cash equivalents, loans, investments at amortised cost and deposits with banks and financial institutions, as well as credit exposures to customers including outstanding receivables.

Credit Risk Management

Credit risk for banks and financial institutions, only high rated banks/institutions are accepted.

For other financial assets, the company assesses and manages credit risk based on internal credit rating system. The finance function consists of a team who assess and maintain an internal credit rating system. The company assigns the

following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

Provisions for expected credit losses

			Basis for recognition of expected credit loss provision		
Internal rating	Category	Description of category	Investments	Loans and deposits	Trade receivables
VL 1	High quality assets, negligible credit risk	Assets where the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil	12-month expected credit losses	12-month expected credit losses	Life-time expected credit losses [simplified approach]
VL 2	Quality assets, low credit risk	Assets where there is low risk of default and where the counter-party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past			
VL 3	Standard assets, moderate credit risk	Assets where the probability of default is considered moderate, counter-party where the capacity to meet the obligations is not strong			
VL 4	Substandard assets, relatively high credit risk	Assets where there has been a significant increase in credit risk since initial recognition. Assets where the payments are more than 45 days past due	Life-time expected credit losses	Life-time expected credit losses	
VL 5	Low quality assets, very high credit risk	Assets where there is a high probability of default. In general, assets where contractual payments are more than 90 days past due are categorised as low quality assets. Also includes assets where the credit risk of counter-party has increased significantly though payments may not be more than 90 days past due			
VL 6	Doubtful assets, credit-impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company. The company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 180 days past due. Where loans or receivables have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

Liquidity risk

Liquidity risk is the risk that the company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company monitors its risk to a shortage of funds using a recurring liquidity planning tool. This tool considers the maturity of both its financial investments and financial assets [i.e. trade receivables, other financial assets] and projected cash flows from operations. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of working capital loans, letter of credit facility, bank loans and credit purchases.

Financing arrangements

The company had access to the following undrawn borrowing facilities at the end of the reporting period:

(₹ In Lakhs)

Particulars	As at 31st March, 25	As at 31st March, 24

Market risk and sensitivity

Market risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency rate risk and interest rate risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments and derivatives financial instruments. Foreign currency risk is the risk that the fair value or future cash flows of financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and liabilities held as at 31.03.2025 and 31.03.2024.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT CONSOLIDATED AUDITORS' REPORT

To the Members of Jindal Drilling & Industries Limited

Report on the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of Jindal Drilling & Industries Limited ('the Parent Company') and its Joint Venture Companies (collectively referred to as 'the Company' or 'the Group'), which comprise the Consolidated Balance Sheet as at **31st March 2025**, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended and a summary of the material accounting policies and other explanatory information [hereinafter referred to as 'the consolidated Ind AS financial statements'].

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate financial statements/consolidated financial statements and on the other financial information of the joint ventures, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ['Act'] in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ['Ind AS'], specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, of the consolidated state of affairs [consolidated financial position] of the Group, as at **31st March 2025** and its consolidated profit [consolidated financial performance including other comprehensive income], its consolidated cash flows and the consolidated changes in equity for the year then ended.

Basis for opinion

We conducted our audit of the consolidated financial statement in accordance with the Standards on Auditing specified under Section 143(10) of the Act [SAs]. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India [ICAI] together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements/ consolidated financial statements and on the other financial information of the joint ventures were most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>Provisions and Contingent Liabilities</p> <p>The Company faces several legal, regulatory, and tax disputes, the outcomes of which are uncertain and could potentially lead to substantial liabilities. Notably, there is a disputed income tax demand amounting to Rs 512.21 Lakhs, which is detailed in Note No. [p] of the Accounting Policy and further elaborated in Note No. 33 to the Standalone Ind AS Financial Statements.</p> <p>The evaluation of the risks associated with these litigations involves complex assumptions and requires significant judgment to determine the appropriate level of provisioning. This inherently increases the risk that provisions and contingent liabilities may either be inadequately provided for or not fully disclosed.</p> <p>Due to the complexity and judgment involved in assessing these matters, they are considered to be key audit matters.</p>	<p>In order to get a sufficient understanding of litigations and contingent liabilities, we have discussed the process of identification implemented by the Management for such provisions through various discussions with Company's legal and finance departments. We read the summary of litigation matters provided by the Company's/Unit's Legal and Finance Team.</p> <p>We read, where applicable, external legal or regulatory advice sought by the Company. We discussed with the Company's/ Unit's Legal and Finance Team certain material cases noted in the report to determine the Company's assessment of the likelihood, magnitude and accounting of any liability that may arise.</p> <p>In light of the above, we reviewed the amount of provisions recorded and exercised our professional judgment to assess the adequacy of disclosures in the Standalone Ind AS financial statements.</p>

INDEPENDENT CONSOLIDATED AUDITORS' REPORT

<p>Litigation, arbitrations, and claims</p> <p>As detailed in Note 39A paragraphs (i) and (ii) of the standalone Ind AS financial statements for the year ending March 31, 2025, the Company is involved in significant legal proceedings under arbitration with a government party. These proceedings include a suit for specific performance of a contract related to the supply of drilling services, which is pending before the Hon'ble Supreme Court.</p> <p>The complexity of these litigation matters means that the management's judgment regarding the recognition and measurement of provisions for these legal proceedings is inherently uncertain. The assessment of such provisions is subject to change as the outcomes of the legal cases evolve.</p> <p>Given the complexities involved and the inherent uncertainty in the management's judgments, this matter is considered a key audit matter.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Assessing management's position through discussions with the in-house legal expert and external legal opinions obtained by the Company (where considered necessary) on both the probability of success in the aforesaid cases, and the magnitude of any potential loss. • Discussion with the management on the development in these litigations during the year ended March 31, 25. • Roll out of enquiry letters to the Company's legal counsel (internal/ external) and study the responses received from them. Also assessed that accounting/disclosure made by the Company are in accordance with the assessment of legal counsel. • Review of the disclosures made in the financial statements in this regard. • Obtained representation letter from the management on the assessment of these matters.
<p>Significant estimate and judgement in hedge accounting including valuations thereof</p> <p>Refer note no. (m) of accounting policy and note 8 & 37 to the Ind AS standalone financial statements.</p> <p>The company enters into derivative financial instruments which are mainly forward contracts to manage its exposure of foreign currency risk of highly probable forecasted transactions which arise during the normal course of its business. These contracts are measured at fair values leading to derivative financial assets of Rupees 323.89 lakhs as at March 31, 2025. The net movement of cash flow hedge reserve for the year is Rupees 17.51 lakhs net of taxes which is recorded in other comprehensive income. The gain/loss on maturity of such derivative instruments is recorded in the statement of profit and loss along with the relevant hedged item.</p> <p>Due to the changes in risks and estimates during the lifecycle of the customer contracts in order to apply hedge accounting management is required to demonstrate that the underlying contract is considered to be a highly probable transaction that the hedges are highly effective and maintain appropriate hedge documentation. A degree of subjectivity is also required to determine when hedge accounting is to be considered as ineffective. Fair value movements of the forward contracts are driven by movements in financial markets.</p> <p>These transactions may have a significant financial effect and have extensive accounting and reporting obligations and accordingly this is considered as a key audit matter.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • we obtained understanding of the company's overall hedge accounting strategy forward contract valuation and hedge accounting process from initiation to settlement of derivative financial instruments including assessment of the design and implementation of controls and tested the operating effectiveness of these controls. • we assessed company's accounting policy for hedge accounting in accordance with Ind AS. • we tested the existence of hedging contracts by tracing to the confirmations obtained from respective banks. • we tested management's hedge documentation and contracts on a sample basis. • we assist in re-performing the year-end fair valuations of derivative financial instruments on a sample basis and compared these valuations with those recorded by the company including assessing the valuation methodology and key assumptions used therein. • we assessed the disclosure of hedge transactions in the financial statements.

INDEPENDENT CONSOLIDATED AUDITORS' REPORT

<p>Identification and disclosures of Related Parties</p> <p>The Company has related party transactions which include, amongst others, sale and purchase of goods/services to its joint ventures, common controlled entity, KMP and other related parties and lending and borrowing to its joint ventures.</p> <p>We focused on identification and disclosure of related parties in accordance with relevant accounting standards as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none"> • Evaluated the design and tested the operating effectiveness of controls over identification and disclosure of related party transactions. • Obtained a list of related parties from the Company's Management and traced the related parties to declarations given by directors, where applicable, and to Note 35 of the standalone Ind AS financial statements. • Read minutes of meetings of the Board of Directors and Audit Committee. • Tested material creditors/debtors, loan outstanding/loans taken to evaluate existence of any related party relationships; tested transactions based on declarations of related party transactions given to the Board of Directors and Audit Committee. • Evaluated the disclosures in the standalone Ind AS financial statements for compliance with Ind AS 24.
<p>Accounting for Deferred and Capitalized Refurbishment Expenses Related to Drilling Rigs</p> <p>As described in Notes 8[A], 15, and 39B & C to the standalone Ind AS financial statements, the Company incurs significant refurbishment and preparation costs in relation to both hired and owned drilling rigs, which are accounted for differently depending on the nature of the rig.</p> <p>For hired rigs, preparation and certification costs incurred prior to the commencement of drilling services are deferred and amortized over the duration of the related drilling contracts on a straight-line basis. These costs are considered directly attributable to the Company's future performance obligations under its drilling contracts.</p> <p>In the case of owned rigs, refurbishment costs, including those incurred for mandatory dry dock activities at the end of each contract period (typically every three years), are capitalized as part of the property, plant and equipment. These costs are recognized as part of the carrying amount of the specific component of the rig and are depreciated over the contract period as depreciation.</p>	<p>Our audit procedures amongst others included the following:</p> <p>Obtained an understanding of the Company's processes and internal controls relating to the identification, classification, and accounting treatment of refurbishment and preparation costs incurred on hired and owned rigs.</p> <p>For costs related to hired rigs, assessed the nature of contract preparation and certification expenses by examining underlying documentation such as vendor invoices, contracts, and management's estimates to determine whether deferral and straight-line amortization over the contract period was appropriate.</p> <p>For owned rigs, examined the nature of refurbishment and dry dock expenses capitalized as part of property, plant and equipment, and evaluated whether the capitalization criteria were met. Verified the allocation of such costs to the appropriate components of the rigs.</p> <p>Assessed the reasonableness of the amortization and depreciation periods applied by management, with reference to the underlying contract terms, past practices, and regulatory requirements.</p> <p>Performed a test of details on a sample basis to verify the accuracy and completeness of costs deferred or capitalized, including validation of supporting documentation.</p> <p>Reviewed the related disclosures made in the standalone financial statements to assess compliance with the disclosure requirements of the applicable Ind AS, including the nature, accounting policy, and significant judgments involved.</p> <p>By executing these audit procedures, we were able to evaluate the appropriateness, accuracy, and completeness of the deferred drilling expenses and capitalized refurbishment costs. This enabled us to assess whether such expenditures have been accounted for in accordance with the applicable accounting standards, and the Company's stated accounting policies.</p>

Our Opinion is not modified in this matter.

- b) We draw attention to Note no. 39 [C] to the Standalone Financial Statement relating to Refurbishment Expenses of owned Rig – Treatment in Accounts. The company has incurred a total of Rs.17,237.67 lakhs on the refurbishment of owned Rig, namely Jindal Supreme. This cost incurred on account of refurbishment expenses has been capitalised in accordance with Ind-AS -16 of jack-up Rig Jindal Supreme and this capitalised component of amount has been depreciated over the contract period starting from 15th October 2024. Therefore, depreciation has been increased to Rs. 2517.18 lakhs and the same has decreased in operating expenses.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility report, Corporate Governance and shareholder's information, but does not include the consolidated financial statements and our auditor's report thereon. The report containing other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the joint ventures audited/Reviewed by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to materially misstated. Other information so far as it relates to the joint ventures is traced from their financial statements audited by the other auditors.

If, based on the work we have performed, we conclude that there is a no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134[5] of the Act with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards [Ind AS] prescribed under Section 133 of the Act read with relevant rules issued thereunder. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Parents, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends

INDEPENDENT CONSOLIDATED AUDITORS' REPORT

to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Company's financial reporting process of the group.

Auditors' Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control

Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with the governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of

INDEPENDENT CONSOLIDATED AUDITORS' REPORT

most significance in the audit of the consolidated financial statements of current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosures about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statements include group's share of two-joint ventures, which comprise of net profit of Rs. 7505.59 lakhs and other comprehensive profit of Rs. 1400.94 lakhs for the year ended 31st March 2025, as considered in the Statement. The financial statements and other financial information have been audited by their respective independent auditors.

The independent auditor's report on the financial statements of these entities have been furnished to us by the Management and our opinion on the Statement in so far as it relates to the amounts and disclosures included in respect of these joint venture is based solely on the reports of such auditors and the procedures performed by us as stated in paragraph above.

The independent auditor's report on the financial statements of these entities have been furnished to us by the Management and our opinion on the statement in so far as it relates to the amounts and disclosures included in respect of these joint venture is based solely on the reports of such auditors and the procedures performed by us as stated in paragraph above.

Our opinion on the consolidated financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Annexure A to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ['the Act'] In conjunction with our audit of the consolidated Ind AS financial statements of the Group as of and for the year ended 31 March 2025, we have audited the internal financial controls over financial reporting of Jindal Drilling & Industries Limited ['the Parent Company'] and its Joint Venture companies which is company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Venture Company, which is company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India [ICAI]. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ['the Guidance Note'] issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Parent Company and its Joint Ventures, which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT

Reporting entity

Jindal Drilling & Industries Limited [the "Company"] is a company limited by shares, incorporated on 17th October 1983 under the companies Act 1956 and has its registered office at Raigad [Maharashtra] and head office at Delhi. JDIL's shares are listed on National Stock Exchange [NSE] and Bombay Stock Exchange [BSE]. JDIL is engaged in providing services to entities involved in exploration of Oil & Gas. These consolidated financial statements comprising the Company and its foreign joint ventures [referred collectively as "Group"].

These consolidated financial statements are prepared in Indian rupees [INR] which is also the company's functional currency. All amounts have been rounded off to the nearest lacs unless otherwise indicated.

Note 1: Basis of preparation

i) Compliance with Ind AS

The consolidated financial statements of the group have been prepared in accordance with Indian Accounting Standards [Ind AS] notified under the Companies [Indian Accounting Standards] Rules, 2015, as amended by the Companies [Indian Accounting Standards] [Amendment], Rules, 2016.

ii) Principal of consolidation and equity accounting

Joint Ventures

Interests in joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet.

Equity method

Under the equity method, the investment in a joint venture is recognised at cost and the carrying amount is increased or decreased to recognise the investor's share of the Profit or loss of the investee after the date of acquisition. The investor's share of the investee's profit or loss is recognised in the investor's profit or loss. Distributions received from an investee reduce the carrying amount of the investment. Adjustments to the carrying amount may also be necessary for a change in the investor's proportionate interest in the investee arising from changes in the investee's other comprehensive income. Such changes include those arising from the revaluation in property, plant and equipment and from foreign exchange translation differences. The investor's share of those changes is recognised in the investor's other comprehensive income. Unrealised gains on the transactions between the company and its joint ventures are eliminated unless the transaction provides evidence of an impairment of the asset transferred. The carrying amounts of equity accounted investments are tested for impairment in accordance with the policy.

iii) Standards Issued but not yet effective

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company will adopt this new and amended standard, when it become effective.

a) Lack of exchangeability – Amendments to Ind AS 21

The Ministry of Corporate Affairs notified amendments to Ind AS 21 The Effects of Changes in Foreign Exchange Rates to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments are not expected to have a material impact on the Company's financial statements.

b) Recent Pronouncements

Ministry of Corporate Affairs ["MCA"] notifies new standards or amendments to the existing standards under Companies [Indian Accounting Standards] Rules as issued from time to time. For the year ended 31 March 2025, MCA has notified Ind AS 117 Insurance Contracts and amendments to Ind AS 116 Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. 1 April 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not applicable to the Group.

Note 2: Other significant accounting policies

These are set out under "Material Accounting Policies and Notes-forming common part of financials" as detailed in the Company's standalone financial statement.

Fair Value Techniques:

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short term deposits, trade receivables, trade payables, non-current loans, other current financial assets, short term borrowings and other current financial liabilities approximate to their carrying amount largely due to the short term maturities of these instruments.
- Long term fixed rate and variable rate receivables / borrowings are evaluated by the Company based on parameters such as interest rate, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values. For fixed interest rate borrowings fair value is determined by using Discounted Cash Flow (DCF) method using discount rate that reflects the issuer's borrowings rate. Risk of non- performance for the company is considered to be insignificant in valuation.
- The fair value of derivatives are estimated by using pricing models, where the inputs to those models are based on readily observable market parameters basis contractual terms, period to maturity and market parameters such as interest rates, foreign exchange rates and volatility. These models do not contain a high level of subjectivity as the valuation techniques used do not require significant judgement and inputs thereto are readily observable from actively quoted market prices. Management has evaluated the credit and non-performance risks associated with its derivatives counterparties and believe them to be significant and warranting a credit adjustment.

Fair Value Hierarchy

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

Quoted prices / published Net Asset Value (NAV) in an active markets [Level 1]: This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities and financial instruments like mutual funds for which NAV is published by mutual funds. This category consist mutual fund investments and equity share instrument of other companies/JV's.

Valuation techniques with observable inputs [Level 2]: This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs [Level 3]: This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (that is, unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

In compliance with the provisions of the Companies Act, 2013 [the Act], SEBI [Listing Obligations and Disclosure Requirements] Regulations, 2015 [Listing Regulations], MCA Circulars and SEBI Circulars, the 41st AGM of the Company shall be conducted through VC/OAVM. National Securities Depository Limited [NSDL] has been engaged to provide facilities in respect of voting through remote e-voting, participation in the AGM and e-voting during AGM. The registered office of the Company shall be deemed to be the venue for the AGM.
2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, setting out the material facts in respect of special business is annexed hereto and forms part of this Notice.
3. Additional information, under Regulation 36 and other relevant provisions of the Securities And Exchange Board of India [Listing Obligations and Disclosure Requirements] Regulations, 2015 read with Secretarial Standards [SS-2] issued by the Institute of Company Secretaries of India, in respect of the Directors seeking re-appointment at the Annual General Meeting forms integral part of the Notice as Annexure.
4. In compliance with the circulars issued by MCA and SEBI, Notice of the 41st AGM along with the Annual Report 2024-25 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Registrar and Transfer Agent or the Depositories. Additionally, in accordance with Regulation 36(1)(b) of the Listing Regulations, the Company is also sending a letter to Members whose e-mail ids are not registered with Company/RTA/DP providing the weblink of Company's website, including the exact path, from where the Annual Report for financial year 2024-25 can be accessed. Members may note that the Notice and Annual Report 2024-25 will also be available on the Company's website www.jindal.com and the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and the website of National Securities Depository Limited [“NSDL”] at www.evoting.nsdl.com
5. Since the physical attendance of members has been dispensed with, pursuant to aforementioned MCA and SEBI Circulars, the facility of appointment of Proxies by Members will not be available. Hence the Proxy Form, Attendance Slip and Route map are not annexed to this Notice.
6. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
7. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders [Shareholders holding 2% or more shareholding], Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairman of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on first come first served basis.

8. The Company has fixed Thursday, 14th August, 2025 as the 'Record Date' for the purpose of payment of dividend. Dividend of Rs. 1 per equity share of Rs. 5/- each, as recommended by the Board, if declared at the AGM, will be paid, on or after 30th August, 2025, subject to deduction of tax at source, as applicable to:

(a) All Beneficial Owners in respect of shares held in dematerialized form as per the data made available by the National Securities Depository Limited ["NSDL"] and the Central Depository Services (India) Limited ["CDSL"], collectively "Depositories", as of the close of business hours on 14th August, 2025.

(b) All Members in respect of shares held in physical form after giving effect to valid transmission or transposition requests lodged with the Company as of the close of business hours on 14th August, 2025.

9. Members holding shares in electronic form may note that the bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its RTA cannot entertain any request received directly from members for deletion/change of bank details holding shares in electronic form. In this regard, Members should contact their Depository Participant (DP) and furnish particulars of any changes desired by them.
10. SEBI vide its various circulars has mandated that with effect from April 1, 2024, dividend to security holders who are holding securities in physical form, shall be paid only through electronic mode. Such payment to eligible shareholders holding physical shares shall be made only after the shareholders furnish their PAN, contact details (postal address with PIN and mobile number), bank account details & specimen signature ("KYC") and choice of Nomination.
11. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company/ RTA (in case of shares held in physical mode) and depositories (in case of shares held in demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by email to rta@alankit.com or secretarial@jindaldrilling.in by August 14, 2025. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to rta@alankit.com or secretarial@jindaldrilling.in. The aforesaid declarations and documents need to be submitted by the shareholders by August 14, 2025.

12. The Company has transferred the unpaid or unclaimed dividend upto the financial year 2016-17 to the Investor Education and Protection Fund (IEPF) established by the Central Government, pursuant to the provisions of Investor Education and Protection Fund (Uploading of information regarding unpaid and unclaimed amounts lying with companies) Rules, 2012 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended from time to time. Further, the Company has uploaded the details of unpaid and unclaimed dividends lying with the Company, as on 28th August 2024 (date of last Annual General Meeting) on the website of the Company and the Ministry of Corporate Affairs.

Details of dividend declared for the financial years 2017-18 onwards are given below:

Year	Date of Declaration	Dividend (%)	Per share (Rs.)
2017-18	25.09.2018	10	0.50
2018-19	24.09.2019	10	0.50
2019-20	28.09.2020	10	0.50
2020-21	28.09.2021	10	0.50
2021-22	21.09.2022	10	0.50
2022-23	28.08.2023	10	0.50
2023-24	28.08.2024	10	0.50

Shareholders who have not yet encashed their dividend warrants are requested in their own interest to claim the outstanding dividend before it falls due for transfer to the aforesaid Fund. Further, the shares in respect of such unpaid/unclaimed dividends are also liable to be transferred to the demat account of IEPF Authority. In view of this Members/Claimants are requested to claim their dividends from the Company within the stipulated timeline. The Members, whose unpaid/unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority, in Form No. IEPF-5, available on www.iepf.gov.in.

13. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.

14. All documents referred to in the Notice and the Explanatory Statement shall be available for inspection by the Members at the registered office of the Company on all working days i.e. except Saturdays, Sundays and public holidays between 11.00 A.M. and 1.00 P.M. up to AGM. Such documents will also be available electronically for inspection by the members from the date of circulation of this Notice upto AGM on the basis of the request being sent at secretarial@jindaldrilling.in
15. Pursuant to MCA Circular and Section 101 of the Companies Act, 2013 read with rules made thereunder, the companies are allowed to send communication to shareholders electronically. Therefore, those shareholders who have not yet registered their email addresses are requested to get their email registered by following the procedure given below: a) Shareholders holding shares in physical form, are requested to register/update their email addresses by submitting Form ISR-1 to the RTA along with relevant documents. b) Shareholders holding shares in dematerialized form, are requested to update their e-mail address with the Depository Participants with whom the demat account is being maintained.
16. Corporate/Institutional Members are required to send a scanned certified true copy of the Board Resolution/Authority Letter, etc., authorising their representative to attend the AGM through VC on their behalf and to vote through remote e-voting or during the AGM. The said Resolution/Authorisation shall be sent to the Scrutinizer by email through its registered email address at csshawantraj@gmail.com, with a copy marked to the Company at secretarial@jindaldrilling.in
17. Securities and Exchange Board of India has mandated furnishing of PAN, KYC details [i.e., Postal Address with PIN Code, email address, mobile number, bank account details] and nomination details by holders of securities in prescribed forms. Effective from 1st January 2022, any service requests or complaints received from the member, are being processed by RTA on receipt of aforesaid details/ documents. Relevant details and forms prescribed by SEBI in this regard are available on the website of the Company at www.jindal.com
18. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Alankit Assignments Ltd. ("RTA") for assistance.
19. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, shall be available for electronic inspection by the members during the AGM. All documents referred to in the Notice shall also be available for electronic inspection. Members seeking to inspect such documents can send an email to secretarial@jindaldrilling.in
20. Members may note that in case they have any dispute against Company and RTA, they can file for Online Resolution of Dispute which harnesses online conciliation and online arbitration for resolution of disputes arising in the Indian Securities Market. SEBI has established a common Online Dispute Resolution Portal ["ODR Portal"] for resolution of disputes arising in the Indian Securities Market. Members can use this mechanism only after they have lodged their grievance with the Company and SEBI SCORES system and are not satisfied with the outcome.

Pursuant to above-mentioned circulars, post exhausting the option to resolve their grievances with the RTA/ Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal (<https://smartodr.in/login>) and the same can also be accessed through the Company's website <https://www.jindal.com>.
21. Shareholders who would like to express their views / ask questions during the meeting may register themselves as a speaker by sending their request upto 21st August, 2025, mentioning their name, demat account number/ folio no., email ID, mobile no. on secretarial@jindaldrilling.in. The shareholders who have registered themselves as a speaker will only be allowed to express their views / ask questions during the meeting. The Company reserves the right to restrict the number of questions and number of speakers, depending on the availability of time as appropriate for smooth conduct of the AGM.

22. Instructions for e-voting and joining the AGM are as follows:

Pursuant to Section 108 of the Companies Act, 2013 read with Rule 20 of Companies (Management and Administration) Rules, 2014, as amended from time to time, Regulation 44 of SEBI Listing Regulations and applicable circulars in relation to e-Voting Facility Provided by Listed Entities, the Company is pleased to provide the facility of voting by electronic means viz. 'remote e-voting' through National Securities Depository Limited (NSDL), for all members of the Company to enable them to cast their votes electronically, on the resolutions mentioned in the Notice of the Annual General Meeting (AGM) of the Company.

The facility for electronic voting system, shall also be made available at the 41st AGM. The Members attending the AGM, who have not cast their votes through remote e-voting, shall be able to exercise their voting rights at the AGM. The Members who have already cast their votes through remote e-voting may attend the meeting but shall not be entitled to cast their votes again at the AGM.

The remote e-voting period begins on 24th August, 2025 [9.00 A.M] and ends on 27th August, 2025 [5.00 P.M]. During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off

date of 21st August, 2025 may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter.

The members who have already cast their vote through remote e-voting may attend the meeting, but shall not be entitled to cast their vote again at the AGM and a person who is not a Member as on cut off date i.e. 21st August, 2025 should treat this Notice for information purpose only.

The voting rights of shareholders shall be in proportion to their shares of the Paid-up Equity Share Capital of the Company as on cut-off date i.e. 21st August, 2025.

Mr. Shawant Raj of S. Raj & Associates [COP: 26820], Practicing Company Secretary, has been appointed as Scrutinizer to scrutinize the voting process in a fair and transparent manner.

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

The Company has enabled e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.
