MESSAGE FROM **MANAGING** **DIRECTOR**

HARPREET SINGH MALHOTRA

TIGER LOGISTICS (INDIA) LIMITED

Dear Stakeholders,

A very warm greetings to everyone.

It gives me immense pleasure to welcome you to the 20th Annual General Meeting of Tiger Logistics India Limited. As I reflect on the progress of past year first, I would like to say thanks to each and every one of you for your continued support and investment in Tiger Logistics. I am proud of what we have accomplished together this past year and I am even more optimistic about the opportunities ahead.

As we meet, we are in the midst of some unprecedented times. The entire world and India is grappling with the Covid-19 pandemic and the huge challenges it has thrown out. Governments across are at a dilemma – on one hand around how much and how long to impose lockdown conditions to arrest the spread of the pandemic and on the other side, how to quickly restore the business conditions and how to jumpstart the wheels of the economy. As leaders of the industry, in these unprecedented times, we are looking at constructive ways and means of dealing with the situation, taking care of all our employees, stakeholders and continuously focusing on the ever-changing customer.

The corona crisis is the most disruptive event in modern human history. The resultant economic crisis has compounded the global community's hardships. The risk of recession remains real, but it must not be taken as a foregone conclusion. The Government's efforts in providing relief to the vulnerable and to MSMEs, structural reforms in the agricultural sector, privatisation of PSEs and increased FDI limits in defence will have a trickledown effect on demand, and the government should keep a close watch on the demand situation and step in unhesitatingly if it does not pick up in the next few months. I have no doubt India and the world will achieve faster progress, greater prosperity and a new quality of development post the Covid crisis.

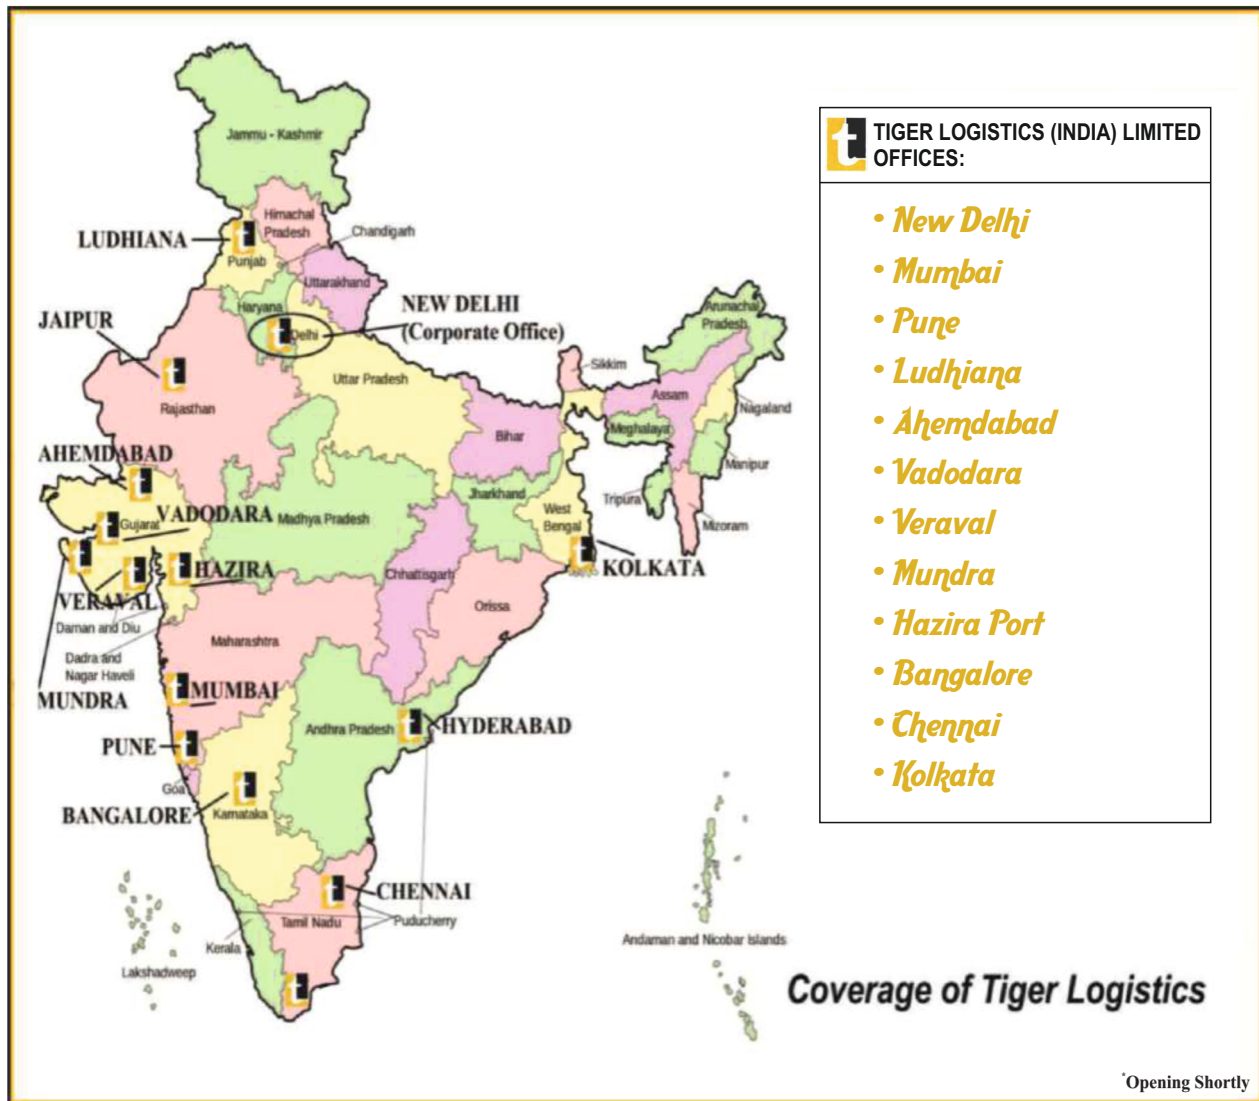

Team Tiger Logistics is doing all work in full spirit, our all branches are operational and our business is also moving towards betterment. We are focussed on our business, new opportunities, and arenas which will be showcased in our next quarterly results. Tiger Logistics core business is moving ahead

at a fast pace despite this COVID pandemic and day by day it is improving. We always thought of our partners, associates, employees, shareholders, and worldwide business partners. As a responsible and caring brand, we have looked at ways and means to help the Government and help the communities around us in the best manner. We have partnered with the Government to fight the pandemic and also our NGO Parvaah is working towards increase reach out to the communities and masses to help them out.

We truly believe that one of the core purpose of the Brand is to bring joy into customer's lives and in this pursuit we are dynamically aligning our services to cater to the ever-evolving needs of the consumers and at the same time keep on innovating to give wings to customer's dreams. Over the years, our company has aptly demonstrated this ability by bringing out innovations in the market place. The focused manner in which we entered and established ourselves in the logistics and supply chain solutions, putting a strong value proposition for customers and meeting their unfulfilled needs, is testimony to our efforts in reading and anticipating customer requirements and fulfilling those needs.

We have introduced high-end problem-solving pioneering solutions, projecting the brand as an expert in handling any logistical solutions. In the year gone by, we have strongly looked at expanding the 'value for money' service segment by looking at up-gradation from the 'bottom of the pyramid' introducing innovation in the logistics industry. The year also saw us accelerating our entry into complete logistics services fulfilment through our efficient team, providing a one-stop destination meeting the customer's complete logistics and supply chain needs.

On behalf of Tiger Logistics family I assure you that your company will continue to put tirelessly efforts and commitment to fulfil your expectations. With the unmatched knowledge pool and skill of team Tiger I once again assure you that each employee of the company will work as a one man army for improving the performance in the years to come.

New Delhi -110020

Place: New Delhi

Date: 26/08/2020

Notes:

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (“MCA”) vide its circular dated May 5, 2020 read with circulars dated April 8, 2020 and April 13, 2020 (“MCA Circulars”) has permitted the holding of the Annual General Meeting (“AGM”) through Video Conferencing (“VC”) / Other Audio Visual Means (“OAVM”), without the physical presence of the Members at the AGM venue. Further, SEBI vide its Circular dated May 12, 2020 (“SEBI Circular”) has also granted certain relaxations. In compliance with the provisions of the Companies Act, 2013 (the “Act”), the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the “Listing

Regulations”), MCA Circulars and SEBI Circular, the AGM of the Company is being held through VC. The deemed venue for the AGM shall be the Registered Office of the Company.

2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 in respect to special business is annexed hereto.
3. PURSUANT TO THE PROVISIONS OF THE ACT, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS/HER BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. SINCE THIS AGM IS BEING HELD PURSUANT TO THE MCA CIRCULARS THROUGH VC/OAVM, THE REQUIREMENT OF PHYSICAL ATTENDANCE OF MEMBERS HAS BEEN DISPENSED WITH. ACCORDINGLY, IN TERMS OF THE MCA CIRCULARS AND THE SEBI CIRCULAR, THE FACILITY FOR APPOINTMENT OF PROXIES BY THE MEMBERS WILL NOT BE AVAILABLE FOR THIS AGM AND HENCE THE PROXY FORM, ATTENDANCE SLIP AND ROUTE MAP OF THE AGM VENUE ARE NOT ANNEXED TO THIS NOTICE.

In compliance with the MCA Circulars and SEBI Circular, the Notice of the AGM interalia indicating the process and manner of electronic voting along with the Annual Report of the Company for the Financial Year ended March 31, 2020 is being sent to the Members only through electronic mode whose e-mail addresses are registered with the Company/Depositories. Members who have not registered their e-mail addresses are requested to register their e-mail addresses so as to obtain the Annual Report of the Company.

In compliance with the said MCA Circulars, the Company has (through RTA) sent message to shareholders to provide whose e-mail address are not registered/updated with the Company as the case may be, to register/update their e-mail address with them at the earliest.

To support the ‘Green Initiative’, Members are requested to register their e-mail addresses by sending an e-mail on bssdelhi@bigshareonline.com by giving details like name, folio number, permanent account number and contact number. Members holding shares in demat form are requested to register their e-mail addresses with their DP’s only.

Members may note that the Notice and Annual Report of the Company for FY2019-2020 will also be available on the Company’s website and BSE website. The Notice of AGM is also available on the website of National Securities Depository Limited (“NSDL”) at www.evoting.nsdl.com.

4. The attendance of the Members attending the AGM through VC will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
5. The Register of Members and Share Transfer books will remain closed from September 20, 2020 to , September 29, 2020 (both days inclusive).
6. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
7. Members (i.e. other than individuals, HUF, etc.) are encouraged to attend the AGM through VC mode and vote electronically. Pursuant to the provisions of the Act, Institutional Members/ Corporate Members intending to allow their authorized representative(s) to attend and vote at the AGM are requested to submit a certified true copy of the Board Resolution/letter of appointment authorizing their representative(s) together with the specimen signature(s) of those authorized representative(s) to the Scrutinizer- amj.associates@gmail.com with a copy marked to evoting@nsdl.co.in.
8. Documents under section 170 of the Companies Act, 2013 and other Relevant documents referred to in the Notice and the Explanatory Statement shall be available for inspection through electronic mode.

Members are requested to write to the Company on csvishal@tigerlogistics.in by mentioning their DP ID & Client ID/Physical Folio Number for inspection of said documents, the request shall reach on or before 27th September, 2020 (1.00.PM).

9. As per Regulation 40 of the Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 01, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares, Members holding shares in physical forms are requested to consider converting their holdings to demat form. Members may contact the Company's RTA at bssdelhi@bigshareonline.com. SEBI has mandated the submission of Permanent Account Number ("PAN") by every participant in securities market. Members holding shares in demat form are therefore requested to submit their PAN to their DP's with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company or RTA. Under Section 72 of the Act, Members are requested to make nomination in respect of shares held by them in single name and physical form. Members desirous of making nomination are requested to send their request in Form SH-13 to the Company's RTA.

10. Voting through electronic means:

- a. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of the Listing Regulations and the MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with NSDL for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a Member using remote e-voting system as well as e-voting during AGM will be provided by NSDL.
- b. The voting rights of Members shall be in proportion to their shares of the paid-up equity share capital of the Company as on the cut-off date i.e. Wednesday, September 23, 2020. A person whose name is recorded in the Register of Members or in the Register of Beneficial Owner maintained by the Depositories as on the cutoff date shall only be entitled to avail facility of remote e-voting or e-voting during AGM. A person who is not a Member as on the cut-off date should treat this Notice for information purposes only.
- c. The Members who have exercised their votes through remote e-voting prior to the AGM may also participate in the AGM through VC but they shall not be entitled to vote again.
- d. Any person who acquires shares of the Company and becomes a Member of the Company after dispatch of the Notice and holding shares as on the cut-off date may obtain the login ID and password by sending a request at evoting@nsdl.co.in.
- e. The remote e-voting period begins at 09.00 a.m. (IST) on Friday, September 25, 2020 and ends at 05.00 p.m. (IST) on Monday, September 28, 2020. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a Resolution is cast by the Member, the Member shall not be allowed to change it subsequently.

11. Instructions for participating in the AGM through VC and E-voting are as follows:

Instructions for Participating in the AGM through VC

- a) Member will be provided with a facility to attend the AGM through VC through the NSDL e-Voting system. Members may access the same at <https://www.evoting.nsdl.com> under Shareholders/Members login by using the remote e-voting credentials.
- b) The link for VC will be available in Shareholder/Members login where the EVEN of the Company will be displayed.
- c) By clicking on this link, the Members will be able to attend and participate in the proceedings of the AGM.
- d) Please note that the Members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the Notice of AGM to avoid last minute rush.
- e) Further Members can also use the OTP based login for logging into the e-Voting system of NSDL.
- f) Members are encouraged to join the Meeting through Laptops, Smartphones, Tablets and iPads for better experience.
- g) Further Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
- h) Please note that Participants connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
- i) The Members can join the AGM in the VC mode 30 minutes before and after the scheduled
- j) time of the commencement of the Meeting by following the procedure mentioned in the Notice.
- k) The facility of participation at the AGM through VC will be made available at least 500 Members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- l) Members who would like to express their views/have questions during the AGM may register themselves sending a request along with their questions in advance mentioning their name, demat account number/folio number, email id and mobile number at csvishal@tigerlogistics.in on or before 03.00 p.m. (IST) on September 25, 2020. Their questions will be addressed during the AGM. The Company reserves the right to restrict the number of questions of shareholders depending on the availability of time for the AGM.
- m) To get the complete details regarding User ID and password please refer NSDL website.

Instructions of E-Voting are as below:

- I. Open internet browser by typing the following URL: <https://www.evoting.nsdl.com>
- II. Click on Shareholder – Login
- III. Enter your User ID and existing password. The User –id is your Demat account number which is (DP-ID+ CLIENT –ID)
- IV. Click Login
- V. Home page of “e-Voting” appears. Click on e-Voting-Active Voting Cycles
- VI. Select E-Voting Event Number (EVEN) of Tiger Logistics India Limited for casting vote in favour or against the Item(s) of business. (Kindly note that vote once casted cannot be modified. For an EVEN, you can log-in any number of times on e-voting platform of NSDL till you have voted on the resolution or till the end date of voting period i.e up to close of 28th September, 2020 (5:00 PM) whichever is earlier).
- VII. Now you are ready for ‘E-Voting’ as ‘Cast Vote’ page opens. Voting period commences on and from 25th September, 2020 (09:00 AM) till 28th September, 2020 (5:00 PM).
- VIII. Cast your vote by selecting appropriate option and click on “Submit” and also “Confirm” when prompted.
- IX. Once you have voted on the resolution, you will not be allowed to modify your vote.
- X. The e-voting period shall commence on 25th September, 2020 (09:00 AM) to 28th September, 2020 at (5:00 PM) during this period the members of the Company, holding shares in dematerialized form, as on 23rd September, 2020 (cut-off date) may cast their vote electronically. Thereafter, the portal shall be disabled by the NSDL for voting. Members may note that once the vote on a resolution is cast, it cannot be changed subsequently.

Instructions for E-Voting During the AGM are as Follows:

- a) The procedure for e-voting during the AGM is same as the instructions mentioned above for remote e-voting, since the Meeting is being held through VC.
- b) Only those Members/Shareholders, who will be present at the AGM through VC facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote on such resolution(s) through e-voting system during the AGM at the end of discussion on the Resolutions on which voting is to be held, upon announcement by the Chairman.
- c) The e-voting module on the day of the AGM shall be disabled by NSDL for voting 30 minutes after the conclusion of the Meeting.

General guidelines for members:

It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “Forgot User Details/Password?” or “Physical User Reset Password?” option available on www.evoting.nsdl.com to reset the password.

In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com.

The Board of Directors has appointed Mr. Manoj Kumar Jain, Practicing Company Secretary, as the Scrutinizer for conducting the e-voting in a fair and transparent manner. The Scrutinizer will submit the report to the Chairman cum Managing Director of the Company after the completion of scrutiny of the e-voting within prescribed time period. Then the result declared along with the Scrutiniser's report shall be communicated to the Stock Exchanges on which the Company's shares are listed.

Subject to the receipt of requisite number of votes, the Resolutions shall be deemed to be passed on date of AGM.

12. Re-appointment of Director: At this Annual General Meeting Mrs. Sujeet Kaur Malhotra, liable to retire by rotation, and being eligible, offer herself for re- appointment.
13. Shareholders can update their mobile number and email ID in the user profile details of the folio which may be used for sending communication(s) regarding NSDL e-voting system in future.
14. The route map showing directions is not attached here because AGM will be held through VC.
15. No gifts shall be distributed or forwarded to any of shareholder by any means in connection with the meeting.

EXPLANATORY STATEMENT

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 in respect to the business stated above is annexed hereto

Item No. 3

The Members may note that the tenure of M/s V. K. Sehgal & Associates, Chartered Accountants, (Firm Registration No. 011519N) Statutory Auditors of the Company would be expiring at the ensuing AGM. Basis on the recommendation of Audit Committee, the Board of Directors at its Meeting held on August 26th, 2020 has approved the re-appointment of Statutory Auditors of the Company, subject to the approval of the Members at the ensuing AGM. Hence, it is proposed to hold office for two consecutive years from the conclusion of 20th Annual General Meeting (the "AGM") till the conclusion of 22nd AGM of the Company at a remuneration to be decided by the Board of Directors in consultation with the Statutory Auditors subject to the provisions of the Listing Regulations and the Act, as amended from time to time.

M/s V. K. Sehgal & Associates have given their consent to act as the Statutory Auditors of the Company and have confirmed that the said re-appointment, if made, will be in accordance with the conditions prescribed under Sections 139 and 141 of the Act.

The Board recommends the Ordinary Resolution at Item No. 3 of this Notice for approval of the Members.

None of the directors or Key Managerial Personnel of the Company are interested in the abovementioned resolution.

**Item No. 4**

Keeping in view the current scenario of financial crunch and on the recommendation of the Nomination and Remuneration Committee, the Board at its meeting held on August 26, 2020 had approved reduction in the current remuneration package of Mr. Harpreet Singh Malhotra (Managing Director). Mr. Harpreet Singh Malhotra was appointed as Managing Director for Five years from 8th May, 2016 to 7th May, 2021 on the terms and conditions as approved by the Board in his meeting held on 30.05.2016.

It is proposed to seek members' approval (by the way special resolution) for the remuneration payable to Mr. Harpreet Singh Malhotra, Managing Director of the Company. Broad Particulars of the remuneration payable to Mr. Harpreet Singh Malhotra are as under:

Remuneration	(Basic Salary) 1,08,00,000 Per annum
--------------	--------------------------------------

In accordance with the provisions of Section 197 and Schedule V of the Companies Act, 2013 the terms of remuneration specified below are now being placed before the members in General Meeting for its approval.

Mr. Harpreet Singh Malhotra has always one philosophy to keep the interest of stakeholder and company first than his own interest. He started the Company in May, 2000 as a private limited company. He has emerged as a successful entrepreneur who has received rightful recognition both at national and international level for his endeavor of successfully starting the Tiger Logistics and also for taking it to newer height over the years. He is great with culinary arts and always adds the ingredients of Reliability, Transparency, Hard Work, & Integrity to make the dish as desired by the customers of the Company. It would always be in the interest of the Company to continue to avail of his considerable expertise. As required under the provisions of section 197 of the Companies Act, 2013, approval of the members is sought for passing a special resolution for revision in terms of reduction in remuneration to Mr. Harpreet Singh Malhotra, Managing Director.

The above may be treated as a written memorandum setting out the terms and conditions under Section 190 of the Companies Act, 2013. For the details regarding financial performance, please refer financial statements of this annual report.

Mr. Harpreet Singh Malhotra and Mrs. Benu Malhotra are interested in the resolution. The Relatives of Mr. Harpreet Singh Malhotra may be deemed to be interested in the resolution, to the extent of their shareholding, if any in the Company.

Except the above, none of the directors or Key Managerial Personnel of the Company are interested in the abovementioned resolution.

Thus, the Board of Directors recommends the resolution set out at Item No.4 of the notice for your approval.

Item No. 5

Keeping in view the current scenario of financial crunch and on the recommendation of the Nomination and Remuneration Committee, the Board at its meeting held on August 26, 2020 had approved reduction in the current remuneration package of Mrs. Benu Malhotra, Director cum CFO of the Company for the Financial Year 2020-2021 and for remaining period of his tenure.

It is proposed to seek members' approval (in the form of special resolution) for the below remuneration payable to Mrs. Benu Malhotra, Director cum CFO of the Company.

Remuneration	(Basic Salary) 12,00,000 per annum
--------------	------------------------------------

In accordance with the provisions of Section 197 and Schedule V of the Companies Act, 2013 the terms of remuneration specified below are now being placed before the members in General Meeting for its approval.

The above may be treated as a written memorandum setting out the terms and conditions under section 190 of the Companies Act, 2013. For the details regarding financial performance, please refer financial statements of this annual report.

Mrs. Benu Malhotra is not only an expert professional in company financial accounts but also she is expert in Personnel Management in industrial relation. She is a specialist in human resources and human relation. It would be in the interest of the Company to continue to avail of her considerable expertise and accordingly, approval of the members is sought for passing a special resolution for revision in terms of reduction in remuneration to Mrs. Benu Malhotra, Director cum CFO as required under the provisions of section 197 of the Companies Act, 2013.

Mr. Harpreet Singh Malhotra and Mrs. Benu Malhotra are interested in the resolution. The Relatives of Mr. Harpreet Singh Malhotra may be deemed to be interested in the resolution, to the extent of their shareholding, if any in the Company.

Except the above, none of the directors or Key Managerial Personnel of the Company are interested in the above mentioned resolution.

Thus, the Board of Directors recommends the resolution set out at Item No.5 of the notice for your approval.

Place: New Delhi
Date: 26/08/2020

PARTICULARS OF LOANS AND GURANTEES AND INVESTMENTS UNDER SECTION 186

The particulars of loans, guarantees and investments have been disclosed in the financial statements.

MATERIAL DISCLOSURES UNDER THE COMPANIES ACT, 2013

These material changes and commitments which affects the financial position of the Company occurred between the end of financial year of the Company and date of this report are given below:

Material Impact of Covid Pandemic On Tiger Logistics (India) Limited (as disclosed to BSE).

A	Impact of the CoVID-19 pandemic on the business;	As we all are aware that CoVID -19 has impacted almost every business sector, logistics sector is also not spared. Tiger Logistics majorly handles export consignments and so have been impacted. However, Tiger Logistics has continued to handle the cargos for commodities and food items during lockdown. The Management strongly believe that due to the campaign of “Atmanirbhar Bharat” the exports will shoot up again and so will be the business of Tiger Logistics. The situation is improving and we foresee normal operations in this segment too by the end of December quarter
B	Ability to maintain operations including the office spaces functioning and closed down;	The Company has taken mindful decision to balance the uninterrupted operations and ensuring a safe working environment. To ensure this, only critical staff has been asked to report to work at their respective locations from where export cargo was to be handled. The Company has also made necessary arrangements to ensure that these staff maintain social distancing and are safe & comfortable at work. The rest of the staff has been asked to work from home, thereby ensuring seamless operations, reporting and controls.

C	Schedule, if any, for restarting the operations;	The Company's operations are partially functional (around 15-20%) and rest will depend upon our Clients opening their factories for their export orders.
D	Steps taken to ensure smooth functioning of operations;	<p>The Company has started to follow the below with the strict monitoring process.</p> <ul style="list-style-type: none"> <input type="checkbox"/> Thermal Screening of all employees and visitors <input type="checkbox"/> Sanitizing the premises and vehicles on regular basis <input type="checkbox"/> Maintenance of social distancing at all work places <input type="checkbox"/> Enforcing wearing of masks and regular cleaning of hands with sanitizers installed at various places in Office. <input type="checkbox"/> Regular update of the health of all the employees. Any slight indication of health problem, employees have been asked to leave office and quarantine for a week at least <input type="checkbox"/> All employees have been compulsorily asked to download AarogyaSetu App and monitor.
E	Estimation of the future impact of CoVID-19 on operations;	Due to lock down and subsequent restrictions on movement, the entire logistics industry is facing financial distress. There will be a major impact of Covid on our turnover and profitability and as a result we may face financial distress in coming months. However, we have been pushing hard to get our due payments from our clients. However, there could be cases where our clients also not been able to pay us due to their financial distress and we may have to write off the debt.
F	Details of impact of CoVID-19 on listed entity's –	
	Capital and financial resources;	We are running our operations partially and have adequate capital for business but yes, due to pandemic working capital cycle is getting stretched day by day.
	Profitability;	In view of lock down, the profitability during 1st quarter (April to June) is likely to be adversely impacted. As the business situation is very dynamic, the company is closely monitoring it. Though we do hope the business situation should normalize during 3 rd or 4th quarter.
	Liquidity position;	The company is facing liquidity crunch due to Covid. Due to lock down and subsequent restrictions on movement, the entire logistics industry is facing a financial distress.

		The Government of India has announced several financial measures to boost up the economy, however, it may take some time to improve the economic environment and liquidity issues among the companies like us. Moreover one of our Bankers is quite conservative in resolving the liquidity issues and not passing the benefit of rate cuts announced by RBI. Also they have been asking for more collateral in case to continue with them. The position of liquidity is poor in this phase of pandemic, hopefully it will revive in Q3 or Q4.
	Ability to service debt and other financing arrangements	We have not obtained moratorium period as provided by RBI. The Company has never in the past defaulted on any interest or loan payment and does not see any issue meeting future obligations too.
	Assets;	None of the assets of the Company have been impacted or impaired by the CoVID-19.
	Internal financial reporting and control;	The Company has robust system in place and all its locations are well networked. Even during the lockdown with a combination of critical staff working from respective locations and all others working from home, all reporting systems worked seamlessly without any disruption.
	Supply chain;	Explained.
	Demand for its products/services;	There is temporary reduction in demand of our services due to lock down. We are operating around 15-20% of our turnover as compared to previous year quarter. We expect to normalize our operations in 3rd quarter or 4th quarter.
G	Existing Contracts/ agreements where non-fulfilment of the obligations by any party will have significant impact on the listed entity's business;	It is un-impacted.

Apart from above with effect from 01st April, 2020 Mr. Praneet Kohli has given consent to be appointed as the chairman of stakeholder relationship committee however no meeting has been called yet due to COVID pandemic.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS

During the year under review, no significant and material orders have been passed by any Regulators or Courts or Tribunals.

MANAGEMENT DISCUSSION AND ANALYSIS

Overview and Industry Structure and Developments:

Tiger Logistics is a leading logistics company in India. Your company offers various services to clients such as transportation, customs consultancy, customs clearance, International Freight Forwarders and successfully operates in many cities.

Tiger Logistics has emerged as a trailblazer in providing both inbound and outbound logistics solutions to various large corporate and multinational companies in India and abroad. Tiger Logistics is firmly built on belief of offering unmatched quality services, driven by strong expertise and experience in providing customized and personalized services.

OPPORTUNITIES AND THREATS

Risks & Concerns

The Company faces the following Risks and Concerns;

Economic Risk

Due to precautionary lockdown and ongoing Corona crisis the whole logistics sector suffered with huge losses and many other issues, some are resolved and other are still going on. With the process of lockdown and unlock at present cumulative losses of business and jobs are much impacted everyone's lives but industry is trying to get overcome from that. Earlier this year, logistics industry has experienced cyclical fluctuations due to economic recession, downturn in business cycle, fuel shortage, price increase by carriers, interest rate fluctuations, and other economic factors beyond our control. Carriers can be expected to charge higher prices to cover higher operating expenses. The highest loss coming from the Aviation Sector, followed by the Roadways, in terms of lost Toll Taxes and Goods wasted on the road due to a sudden lockdown, grinding to a halt fully loaded trucks.

Competition Risk

After effects of COVID-19 is like a doom on the industries growth. Despite these pandemic situation competitiveness and its risks has been increased like different rules and regulations at different stages are enforced by national, regional and local authorities, lack of integration in transport networks, poor warehousing and distribution facilities and information technology were the major challenges for businesses dealing in the logistics industry. The logistics sector needs skilled manpower and there is a lack of training institutions that are causing various issues among the employees and the logistics managers. Poor management and storage facilities are the reason for a major loss, damage and deterioration of the material, especially in the perishables sector. Good refrigerated storage and containers and maintenance is needed. Building the infrastructure, manage the requirements of the various sectoral supply chain, changing industrial policies to ease efficient production and transportation of goods and deploying effective managerial practices and technology to enhance competitiveness are the major issues.

Execution Risk

The innovative and advanced technologies have provided increased efficiency and extra combined operating models in the logistics industry in India. The growth of the logistics companies in all popular towns contributes to the growth of the logistics sector which in turn increases the competitiveness among the different nations and therefore, it becomes a vital element of economic development and growth of the country. Logistics is the interplay of technology, infrastructure, skilled manpower and new types of service providers which defines whether the logistics sector will be able to aid its

customers, minimize their costs and provide quality services. The recent logistics industry in India comprised of inbound and outbound sectors of the production and services supply chains. Tiger Logistics is committed towards timely delivery, customer satisfaction and integrity of our value chain.

Outlook

FIGHT COVID 19 is our duty towards the nation in these times of crisis. Businesses across sectors and geographies are disrupted due to mobility suspension. We have always stepped up as a 'First In Last Out' organisation whenever a disaster has struck the nation. Our nation is grappling with a situation never experienced earlier & this has a widespread impact on the economy. In order to provide customers with a solution for their shipping needs during these trying times and to further use our all services to keep the essential supply chain continuity, Tiger Logistics is on track to achieve its objectives and growth. The logistics industry is considered a crucial sector to boost international trade as a consequence of digitalization and globalization.

Opportunities:

Today the Indian Logistics Industry is going through various phases of changes. Due to Covid-19 pandemic, the logistics sector has been badly affected but now relief is its recovery rate which is in a fast pace. The characteristics of Country's diverse geographical and socio-economic features, huge retail network and infrastructure limitations enable most of the logistics service providers in the country to provide the entire gamut of logistics services. Tiger Logistics is doing its bit of contribution in development of the nation through fulfilling industrial growth of logistics sector. Demanding treatment of logistics industry as priority sector for lending sanctioned soft loans and existing loans be rolled over at a lower rate, it also stressed the need for auto renewal of national movement permits till September 2020.

Besides, it sought a reduction in GST for the sector to lower than 12 per cent and waiver of revenue share and lease rental payable by PPP operators to government partners till September 2020 as well as waiver of minimum performance obligations of private operators till September 2020. The primary reason for the growth in the Indian logistics industry can be attributed to increasing trade, reforms in government policy, increased government spending on infrastructure and rise in domestic consumption. Currently the logistics sector employs around 82.4 lakh people as of second half of 2018-19. The penetration of e-commerce companies to tier II and III cities has created an increased demand for talent in this sector. It is expected that the demand for transport and logistics will continue to grow as the Indian economy is on a high growth trajectory, the domestic market is unsaturated and the country needs investment in transport infrastructure.

Internal Control Systems and their adequacy

Your Company has a proper adequate internal control system and code of conduct to ensure that all the assets are safe guarded and protected against the loss from unauthorized use or disposition and that transactions are authorized, recorded and reported correctly.

The internal control is supplemented by an extensive internal audit, periodical review by the management and documented policies, guidelines and procedures. CERTIFICATION BY CEO/ MD & CFO

(UNDER REGULATION 17 (8) OF LISTING REGULATIONS)

The Board of Directors
Tiger Logistics (India) Ltd.

Dear members of the board,

We have reviewed the financial statements and the cash flow statement of Tiger Logistics (India) Ltd. for the year ended March 31st, 2020 and to the best of our knowledge and belief:

- (a) (i) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;

(ii) these statements together present a true and fair view of the Company's affairs and are in compliance with existing Accounting Standards, applicable laws and regulations.
- (b) There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.
- (c) We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company pertaining to financial reporting and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take for rectifying these deficiencies.
- (d) We have indicated to the Auditors and the Audit Committee:
 - (i) significant changes in internal control over financial reporting during the year;
 - (ii) significant changes in accounting policies made during the year and the same have been disclosed in the notes to the financial statements; and
 - (iii) instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial Reporting.

CERTIFICATE ON COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE

To

The Members

Tiger Logistics (India) Limited

D-174, GF, Okhla Industrial Area,

Phase-1, New Delhi-110020,

1. We have reviewed the implementation of the Corporate Governance procedures by **Tiger Logistics (India) Limited** (the Company) during the year ended **March 31st 2020**, as per the relevant provisions of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015 ('Listing Regulations') as referred to in Regulation 15 (2) of the Listing Regulations for the period from April 01, 2019 to March 31, 2020, with the relevant records and documents maintained by the Company and furnished to us for our review, explanations given to us and report on Corporate Governance, as approved by the Board of Directors.
2. The Compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of the opinion on the financial statements of the Company.
3. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.
4. On the basis of our review and according to the best of our information and according to the explanations given to us, the Company has been complying with the conditions of Corporate Governance, as stipulated in above mentioned Listing Regulations, as applicable.

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

(pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To

**The Members,
Tiger Logistics (India) Limited
D-174, GF, Okhla Industrial Area,
Phase-1 New Delhi-110020**

I have examined the relevant registers, records, forms, returns and disclosures received from the directors of **Tiger Logistics (India) Limited** having **CIN:L74899DL2000PLC105817** and having registered office at **D-174, GF, Okhla Industrial Area, Phase-1 New Delhi-110020**, India (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Clause 10(i) of the Securities Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company & its officers, I hereby certify that none of the Directors on the board of the Company as stated below for the financial year ending on 31 March, 2020, have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs, or any such other Statutory Authority.

Sr. No.	Name of the Directors	Director Identification Number	Date of appointment in the Company	DIN Status
1	Harpreet Singh Malhotra	00147977	23/05/2000	Approved
2	Benu Malhotra	00272443	23/05/2000	Approved
3	Surjeet Kaur	03094598	16/02/2013	Approved
4	Ayush Periwal	06384786	14/08/2018	Approved
5	Praneet Kohli	06617042	01/07/2013	Approved
6	Naman Nanda	08208034	14/08/2018	Approved

Ensuring the eligibility for the appointment / continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion on these, based on my verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

SECRETARIAL AUDIT REPORT

Form No. MR-3

For the Financial Year ended 31st March, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members

TIGER LOGISTICS (INDIA) LIMITED

D-174, GF, Okhla Industrial Area,

Phase-1 New Delhi-110020

We have conducted the secretarial audit of the compliance of applicable statutory provision and adherence to good corporate practice by **TIGER LOGISTICS (INDIA) LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the **TIGER LOGISTICS (INDIA) LIMITED** books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representative during the conduct of secretarial audit, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on **31st March, 2020** complied with the statutory provision listed hereunder and also that the company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the **TIGER LOGISTICS (INDIA) LIMITED** ("the Company") for the financial year ended on 31st March, 2020 according to the provisions of:

- (i) The Companies Act 2013 (The Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;

- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

We have also examined compliance with the applicable clauses of the following:

- (a) Secretarial Standard issued by The Institute of Company Secretaries of India on Meetings of the Board of Directors and General Meeting.
- (b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further report that, having regard to the compliance system prevailing in the company and on examination of the relevant documents and records in pursuance thereof, on the test check basis, Company has complied with the following laws applicable specifically to the Company:

- Multimodal Transportation of Goods Act, 1993

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non Executive Directors and Independent Directors. The changes in composition of the Board of Directors that took place during the period under review were carried out in compliance with provisions of the Act.

Adequate notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda item before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting Members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Note: This report is to be read with our letter of even date which is annexed as '**Annexure A**' and form an integral part of this report.

INDEPENDENT AUDITOR'S REPORT

**To,
The Members of
TIGER LOGISTICS INDIA LIMITED**

Report on the Standalone Ind AS Financial Statements

We, **V. K. Sehgal & Associates**, Chartered Accountants, have audited the accompanying standalone Ind AS financial statements of Tiger Logistics India Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Basis for Opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have nothing to report in this regard.

Emphasis of Matter

Note No 3(p) to the standalone financials results, which describe the extent to which the COVID – 19 Pandemic will impact the company's results which depends on the future developments that are highly uncertain.

Our opinion is not modified in respect of this matter.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) (Amendment) Rules, 2017. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and

for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company Directors, as well as evaluating the overall presentation of the standalone IND AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) The Balance Sheet, Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

(d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) (Amendment) Rules, 2017;

(e) On the basis of written representations received from the directors as on March 31, 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020, from being appointed as a director in terms of section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note to Accounts to the standalone Ind AS financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2020.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph 1 under the heading “Report on other legal and regulatory requirements” of our report of to the Members of Tiger Logistics India Limited of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
 - (ii) Since the company is in service industry hence disclosure related to inventory is not applicable.
 - (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 (“the Act”). Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
 - (iv) According to the information and explanations given to us and on the basis of our examination of records the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.
 - (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
 - (vi) To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under Section 148(1) of the Act, for the products/services of the Company
 - (vii) (a) Undisputed statutory dues including provident fund, employees’ state insurance, income-tax, Goods and Service Tax, cess and any other material statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. The provisions relating to duty of excise are not applicable to the Company.

(b) According to the information and explanations given to us, no undisputed dues in respect of provident fund, employees’ state insurance, income-tax, cess and other statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions relating to duty of excise are not applicable to the Company.
- (c) According to the records of the Company, the dues outstanding of income-tax, Service tax, and cess on account of any dispute, are as follows:

Amount in Rs.

S.No.	Particulars	Current Year	Previous Year
1.	Show cause / demand / notices by Income Tax authorities being disputed by the Company net of payments	1,03,580	11,56,342
2.	Show cause / demand / notices by Central Excise and Service Tax authorities being disputed by the Company	4,57,89,495	4,57,89,495

(viii) According to the information and explanations given to us and on the basis of our examination of the records the Company has not defaulted in repayment of loans or borrowing to a financial institution, bank, Government or dues to debenture holders.

(ix) In our opinion and according to the information and explanation given to us, the loan taken by the Company has been used for the purpose for which they were raised. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year.

(x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no material fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.

(xi) According to the information and explanations given by the management, the managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.

(xii) In our opinion, the Company is not a nidhi Company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon

(xiii) According to the information and explanations given by the management, transactions with the related Parties are in compliance with section 177 and 188 of the Act where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.

(xiv) According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence, reporting requirements under clause 3(xiv) are not applicable to the Company and hence not commented upon.

(xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of the Act.

(xvi) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph 2 under the heading “Report on other legal and regulatory requirements” of our report to the Members of Tiger Logistics India Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Tiger Logistics India Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance note”) and the Standards on Auditing as specified under section 143(10) the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and directors of the Company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTE 1: Corporate Information:

Tiger Logistics India Ltd. incorporated in 2000, is a public limited Company domiciled in India. It is a third-party logistics services provider. Its business covers international freight forwarding, supply chain management, project logistics defense logistics and cold chain logistics. Company is also customs house agent. The company has global presence with 16 Domestic and 1 International office. It has got listed at BSE SME Platform in the year 2013 and then migrated at the main board of BSE. The registered office of the Company is located at D-174, Okhla Industrial Area, Phase-1, New Delhi-110020

NOTE 2: Basis of Preparation of Financial Statements:

These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Effective April 1, 2017, the Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards, with April 1, 2016 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

NOTE 3: Significant Accounting Policies:

a) Use of estimates and judgments:

- i) The preparation of the financial statements, in conformity with the generally accepted accounting principal, require estimates and assumptions to be made that affect the reported amount of assets and liabilities as at the date of the financial statements and the reported amount of revenues and expenses during the reported period. Difference between the actual results and estimates are recognized in the period in which results materialize.
- ii) The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

b) Revenue Recognition:

- i) **Sales:**
Sales comprise sale of services. Revenue from sale of services (freight & forwarding) is recognized on accrual basis on completion of job

ii) Dividend & Other Income:

Dividend income from investments is recognized when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

c) Property, Plant and Equipment

On transition to Ind AS, the company has adopted optional exemption under Ind AS 101 to measure Property, Plant and Equipment at previous GAAP carrying value. Consequently, the previous GAAP carrying value has been assumed to be deemed cost of Property, Plant and Equipment on the date of transition. Subsequently, Property, Plant and equipment are stated at cost less accumulated depreciation/amortization and impairment, if any. Cost comprises of purchase price and directly attributable cost of acquisition/bringing the asset to its working condition for its intended use (net of credit availed, if any)

When significant parts of the plant and equipment are required to be replaced at intervals the company depreciates them separately based on their specific useful lives. Capital work in progress is carried at cost and directly attributable expenditure during construction period which is allocated to the property, plant and equipment on the completion of project.

Borrowing costs directly attributable to the acquisition/construction of a qualifying asset are capitalized as part of the cost of such asset till such time the asset is ready for its intended use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Depreciation is provided on written down value method over the estimated useful lives of the assets. Estimated useful lives of the assets are as follows:

Nature of Assets	Estimated Useful life
Furniture & Fixtures	10 Years
Office Equipment	5 Years
Vehicle	8 Years
Tralla	6 Years
Computers	3 Years
Intangible Assets	6 Years

Gains or Losses arising from de-recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit and loss when the asset is derecognized.

The residual Values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end adjusted prospectively, if appropriate.

d) Intangible Fixed Assets

On transition to Ind AS, the company has adopted optional exemption under Ind AS 101 to measure Intangible Assets at previous GAAP carrying value. Consequently the previous GAAP carrying value has been assumed to be deemed cost of Intangible Assets on the date of transition. Subsequently, Intangible assets are stated at cost less accumulated amortization and impairment, if any. Cost comprises of purchase price and directly attributable cost of acquisition/bringing the asset to its working condition for its intended use (net of credit availed, if any).

Amortization is provided on a written down value method over estimated useful lives. The residual values, useful lives and method of depreciation of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

e) Impairment of Non-Financials Assets

The carrying amounts of assets are reviewed at each reporting date if there is any indication of impairment based on internal and external factors.

An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. An asset's recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

A previously recognized impairment loss is further provided or reversed depending on changes in circumstances.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in prior years. A reversal of an impairment loss is recognized as income immediately.

f) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and demand deposits with an original maturity of three months or less and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

g) Foreign Currency Transactions and Foreign Operations

- i) The functional currency of the Company and its subsidiaries is determined on the basis of the primary economic environment in which it operates. The functional currency of the Company is Indian National Rupee (INR).
- ii) In preparing the financial statements the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions.
- iii) At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
- iv) Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.
- v) Exchange differences on monetary items are recognized in Statement of Profit and Loss in the period in which they arise except for:
 - Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings; and
 - Exchange differences on transactions entered into in order to hedge certain foreign currency risks.

h) Employee Benefits

The Company has following post-employment plans:

i) Defined Benefit Plans - Gratuity

- 1. The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligation is calculated annually by actuaries through actuarial valuation using the projected unit credit method.
- 2. The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:
 - Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements
 - Net interest expense or income
- 3. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.
- 4. Re-measurement comprising of actuarial gains and losses arising from
 - Re-measurement of Actuarial (gains)/losses
 - Return on plan assets, excluding amount recognized in effect of asset ceiling

-Re-measurement arising because of change in effect of asset ceiling are recognized in the period in which they occur directly in other comprehensive income.

Re- measurements are not reclassified to Statement of Profit and Loss in subsequent periods.

- 5) Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

ii) Defined Contribution Plans - Provident fund

- 1) Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums.

Defined Contribution plan comprise of contributions to the employees' provident fund set up as trust and certain state plans like Employees' State Insurance. The Company's payments to the defined contribution plans are recognized as expenses during the period in which the employees perform the services that the payment covers.

- 2) A liability for a termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

iii) Short-term and other long-term employee benefits

- 1) A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.
- 2) Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.
- 3) Liabilities recognized in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.
- 4) Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the obligation as at the Balance sheet date determined based on an actuarial valuation.

iv) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

1) Current Tax

Current tax is the amount of tax payable based on the taxable profit for the Year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

2) Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognized for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognized to the extent that it is probable that there will be sufficient taxable profits against which to utilize the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets relate to the same taxable entity and same taxation authority.

3) Earnings Per Share

Basic earnings per share is computed by dividing the profit/ (loss) for the year by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit/ (loss) for the year as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted

average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

i) Provisions, contingencies and commitments

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

- 1) The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).
- 2) When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

- 3) A disclosure for contingent liabilities is made where there is-

A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or

A present obligation that arises from past events but is not recognized because:

- i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - ii) The amount of the obligation cannot be measured with sufficient reliability.
- 4) A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.
 - 5) Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.
 - 6) Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.
 - 7) Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

Contingent Liabilities (not provided for) in respect of: (as certified by Management)

S.No	Particulars	Current Year	Previous Year
1.	Show cause / demand / notices by Income Tax authorities being disputed by the Company net of payments	1,03,580	11,56,342
2.	Show cause / demand / notices by Central Excise and Service Tax authorities being disputed by the Company	4,57,89,495	4,57,89,495
3.	Outstanding Bank Guarantees	53,55,744	61,67,614
4.	Claims against the Company not acknowledged as debts	1,59,61,571	1,47,70,558

j) Financial Instruments

Financial assets and financial liabilities are recognized when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in Statement of Profit and Loss.

i) Financial Assets

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or losses are initially recognized at fair value, and transaction costs are expensed in the Statement of Profit and Loss.

ii) Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

The entity's business model for managing the financial assets and
The contractual cash flow characteristics of the financial asset.

iii) Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and

- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as fair value through profit or loss on initial recognition)

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and

- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognized in Statement of Profit and Loss for FVTOCI debt instruments. For the purposes of recognizing foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortized cost. Thus, the exchange differences on the amortized cost are recognized in Statement of Profit and Loss and other changes in the fair value of FVTOCI financial assets are recognized in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to Statement of Profit and Loss.

All other financial assets are subsequently measured at fair value.

iv) Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in Statement of Profit and Loss and is included in the "Other income" line item.

v) Investments in equity instruments at FVTOCI

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments.

A financial asset is held for trading if:

- It has been acquired principally for the purpose of selling it in the near term; or

- On initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument or a financial guarantee.

Dividends on these investments in equity instruments are recognized in Statement of Profit and Loss when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognized in Statement of Profit and Loss are included in the 'Other income' line item.

vi) Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Debt instruments that do not meet the amortized cost criteria or FVTOCI criteria (see above) are measured at FVTPL. In addition, debt instruments that meet the amortized cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortized cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognized in Statement of Profit and Loss. The net gain or loss recognized in Statement of Profit and Loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognized when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

vii) Derecognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in Statement of Profit and Loss if such gain or loss would have otherwise been recognized in Statement of Profit and Loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in Statement of Profit and Loss if such gain or loss would have otherwise been recognized in Statement of Profit and Loss on disposal of that financial asset. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

k) Financial liabilities and equity instruments

i) Classification as debt or equity

Debt and equity instruments issued by a Company entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

ii) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognized at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

iii) Financial liabilities

All Financial liabilities are measured at amortized cost using effective interest method or fair value through profit and loss. However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

iv) Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- It has been incurred principally for the purpose of repurchasing it in the near term; or

- On initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument

A financial liability other than a financial liability held for trading or contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- Such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of a Company of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the Companying is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognized in Statement of Profit and Loss. The net gain or loss recognized in Statement of Profit and Loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognized in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognized in Statement of Profit and Loss. The remaining amount of change in the fair value of liability is always recognized in Statement of Profit and Loss. Changes in fair value attributable to a financial liability's credit risk that are recognized in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to Statement of Profit and Loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognized in Statement of Profit and Loss.

v) Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

vi) Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

l) Derivative Financial Instruments

The Company uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognized in Statement of Profit and Loss.

Derivatives are initially recognized at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognized in Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

i) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

ii) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i) In the principal market for the asset or liability, or
- ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest

Level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

m) Reclassification of financial assets and liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities.

For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets.

Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations.

If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in the business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

n) Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease rentals are recognized as an expense in the Statement of Profit and Loss.

o) Recent accounting pronouncements

i) Ind AS 116 Leases

- Ministry of Corporate affairs has notified Ind AS 116 - Leases, which is effective from 1 April, 2019, which will replace the existing lease standard, Ind AS 17 Leases and related interpretations. The new standard sets out the principles for the recognition, measurement, presentation and disclosure of lease for both parties to a contract i.e. the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the Statement of Profit and Loss. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward lessor accounting requirements. Our Company is evaluating the impact of Ind AS 116 and its effect on the financial statements.

ii) Amendments to Ind AS 12 - Income taxes

- On 30 March, 2019, Ministry of Corporate Affairs ("MCA") has notified Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after 1 April, 2019. Our Company is evaluating the requirements and its effect on the financial statements.
- Amendments to Ind AS 12 - Income taxes
- On 30 March, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events. Effective date for application of this amendment is annual period beginning on or after 1 April, 2019. Our Company is currently evaluating the effect of this amendment on the financial statements.

iii) Amendment to Ind AS 19 – plan amendment, curtailment or settlement-

- On 30 March, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity:
- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognize in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling. Effective date for application of this amendment is annual period beginning on or after 1 April, 2019.

Our Company is currently evaluating the effect of this amendment on the financial statements.

p) Impact of Covid 19 pandemic

- The outbreak of novel Coronavirus (COVID-19) pandemic and the consequent lockdown restrictions imposed by the central and state governments has caused significant disturbance and slowdown of economic activity in India and across the globe. The Company has taken proactive measures to comply with various regulations/guidelines issued by the Government and local bodies to ensure safety of its workforce and the society in general. Operations in many states/union territories were disrupted during March. Management believes that it has taken into account all the known impacts arising from COVID 19 pandemic in the preparation of the financial results. As per the current assessment, other than the impairment recorded, no significant impact on carrying amounts of assets is expected, and management continue to monitor changes in future economic conditions. However, the impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The eventual outcome of the impact of the COVID 19 pandemic on the Company's business may be different from that estimated as on the date of approval of these financial results.
- The global supply chain has been devastated due to Covid -19 pandemic. Most of the countries have been in almost complete lock down mode since February 2020. All international trade has been badly hit due to closure of ports/airports/ banks and complete shortage of working staff / manpower. This has resulted in major pendency of cargo at all ports and airports and further resulted in major loss in terms of detention and demurrage on most of the cargo shipments at different locations. Since your company had existing door to door contracts with different reputed companies so we had to bear losses in terms of detention and demurrage to complete or execute the contract. This loss has been majorly in the Auto sector in Latin American markets.

INDEPENDENT AUDITOR'S REPORT

**To,
The Members of
TIGER LOGISTICS INDIA LIMITED**

Report on the Consolidated Ind AS Financial Statements

We, **V.K. Sehgal & Associates**, Chartered Accountants, have audited the accompanying Consolidated Ind AS Financial Statements of Tiger Logistics India Limited (hereinafter referred to as “the Holding Company”), its Subsidiary (The Holding Company and its Subsidiary together referred to as “The Group”), which comprise the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated Ind AS Financial Statements”).

Basis for Opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

We have nothing to report in this regard.

Emphasis of Matter

Note No 3(p) to the standalone financials results, which describe the extent to which the COVID – 19 Pandemic will impact the company's results which depends on the future developments that are highly uncertain.

Our opinion is not modified in respect of this matter.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance including other comprehensive income, Consolidated cash flows and Consolidated changes in equity of the Group in accordance with accounting principles generally

accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) (Amendment) Rules, 2017. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI"), as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at March 31, 2020, there Consolidated loss including other comprehensive income, there Consolidated cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated Ind AS Financial Statements;

(b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books;

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

(d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) (Amendment) Rules, 2017;

(e) On the basis of written representations received from the directors of Holding Company as on March 31, 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020, from being appointed as a director in terms of section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A” to this report;

(g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its Consolidated Ind AS financial statements – Refer Notes to Accounts to the Consolidated Ind AS financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2020.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Tiger Logistics India Limited ("the Holding Company") as of March 31, 2020 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance note") and the Standards on Auditing as specified under section 143(10) the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and directors of the Company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTE 1: Corporate Information:

Tiger Logistics India Ltd. incorporated in 2000, is a public limited Company domiciled in India. It is a third-party logistics services provider. Its business covers international freight forwarding, supply chain management, project logistics defense logistics and cold chain logistics. Company is also customs house agent. The company has global presence with 16 domestic and 2 international offices. It has got listed at BSE SME Platform in the year 2013 and then migrated at the main board of BSE. The registered office of the Company is located at D-174, Okhla Industrial Area, Phase-1, New Delhi-110020

NOTE 2: Basis of Preparation of Consolidated Financial Statements:

These consolidated financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Effective April 1, 2017, the Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards, with April 1, 2016 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

a) Principles of Consolidation:

The consolidated financial statements are prepared in accordance with Indian Accounting Standard on Consolidated and Separate Financial Statements (Ind AS 27). The CFS is prepared with uniform accounting policies and the subsidiaries follow financial year as accounting year.

The financial statement of Group Company is consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain/loss from such transactions are eliminated upon consolidation.

The consolidated financial statement comprises the financial statement of Tiger Logistics India Limited and its subsidiary Tiger Logistics PTE Limited.

NOTE 3: Significant Accounting Policies:

a) Use of estimates and judgments:

- i) The preparation of the consolidated financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.
- ii) The estimates and judgments used in the preparation of the consolidated financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances.

Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

b) Revenue Recognition:

i) Sales:

Sales comprise sale of services. Revenue from sale of services (freight & forwarding) is recognized on accrual basis on completion of job

ii) Dividend & Other Income:

Dividend income from investments is recognized when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

c) Property, Plant and Equipment

On transition to Ind AS, the company has adopted optional exemption under Ind AS 101 to measure Property, Plant and Equipment at previous GAAP carrying value. Consequently, the previous GAAP carrying value has been assumed to be deemed cost of Property, Plant and Equipment on the date of transition. Subsequently, Property, Plant and equipment are stated at cost less accumulated depreciation/amortization and impairment, if any. Cost comprises of purchase price and directly attributable cost of acquisition/bringing the asset to its working condition for its intended use (net of credit availed, if any)

When significant parts of the plant and equipment are required to be replaced at intervals the company depreciates them separately based on their specific useful lives. Capital work in progress is carried at cost and directly attributable expenditure during construction period which is allocated to the property, plant and equipment on the completion of project.

Borrowing costs directly attributable to the acquisition/construction of a qualifying asset are capitalized as part of the cost of such asset till such time the asset is ready for its intended use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Depreciation is provided on written down value method over the estimated useful lives of the assets. Estimated useful lives of the assets are as follows:

Nature of Assets	Estimated Useful life
Furniture & Fixtures	10 Years
Office Equipment	5 Years
Vehicle	8 Years
Tralla	6 Years
Computers	3 Years
Intangible Assets	6 Years

Gains or Losses arising from de-recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit and loss when the asset is derecognized.

The residual Values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end adjusted prospectively, if appropriate.

d) Intangible Fixed Assets

On transition to Ind AS, the company has adopted optional exemption under Ind AS 101 to measure Intangible Assets at previous GAAP carrying value. Consequently the previous GAAP carrying value has been assumed to be deemed cost of Intangible Assets on the date of transition. Subsequently, Intangible assets are stated at cost less accumulated amortization and impairment, if any. Cost comprises of purchase price and directly attributable cost of acquisition/bringing the asset to its working condition for its intended use (net of credit availed, if any).

Amortization is provided on a written down value method over estimated useful lives. The residual values, useful lives and method of depreciation of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

e) Impairment of Non-Financials Assets

The carrying amount of assets are reviewed at each reporting date if there is any indication of impairment based on internal and external factors.

An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. An asset's recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

A previously recognized impairment loss is further provided or reversed depending on changes in circumstances.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in prior years. A reversal of an impairment loss is recognized as income immediately.

f) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and demand deposits with an original maturity of three months or less and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

g) Foreign Currency Transactions and Foreign Operations

- i) The functional currency of the Company and its subsidiaries is determined on the basis of the primary economic environment in which it operates. The functional currency of the Company is Indian National Rupee (INR).
- ii) In preparing the financial statements the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions.
- iii) At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
- iv) Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.
- v) Exchange differences on monetary items are recognized in Statement of Profit and Loss in the period in which they arise except for:
 - Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings; and
 - Exchange differences on transactions entered into in order to hedge certain foreign currency risks.

h) Employee Benefits

The Company has following post-employment plans:

i) Defined Benefit Plans - Gratuity

1. The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligation is calculated annually by actuaries through actuarial valuation using the projected unit credit method.
2. The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:
 - Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements
 - Net interest expense or income
3. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.
4. Re-measurement comprising of actuarial gains and losses arising from
 - Re-measurement of Actuarial (gains)/losses
 - Return on plan assets, excluding amount recognized in effect of asset ceiling
 - Re-measurement arising because of change in effect of asset ceiling are recognized in the period in which they occur directly in other comprehensive income. Re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods.
- 5) Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

ii) Defined Contribution Plans - Provident fund

- 1) Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums.

Defined Contribution plan comprise of contributions to the employees' provident fund set up as trust and certain state plans like Employees' State Insurance. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

- 2) A liability for a termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

iii) Short-term and other long-term employee benefits

- 1) A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.
- 2) Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.
- 3) Liabilities recognized in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.
- 4) Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the obligation as at the Balance sheet date determined based on an actuarial valuation.

iv) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

1) Current Tax

Current tax is the amount of tax payable based on the taxable profit for the Year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

2) Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognized for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognized to the extent that it is probable that there will be sufficient taxable profits against which to utilize the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets relate to the same taxable entity and same taxation authority.

3) Earnings Per Share

Basic earnings per share is computed by dividing the profit/ (loss) for the year by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit/ (loss) for the year as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

i) Provisions, contingencies and commitments

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

- 1) The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

- 2) When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

- 3) A disclosure for contingent liabilities is made where there is-

A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or

A present obligation that arises from past events but is not recognized because:

- i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - ii) The amount of the obligation cannot be measured with sufficient reliability.
- 4) A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.
- 5) Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.
- 6) Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.
- 7) Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

Contingent Liabilities (not provided for) in respect of: (As certified by Management)

S.No	Particulars	Current Year	Previous Year
1.	Show cause / demand / notices by Income Tax authorities being disputed by the Company net of payments	1,03,580	11,56,342
2.	Show cause / demand / notices by Central Excise and Service Tax authorities being disputed by the Company	4,57,89,495	4,57,89,495
3.	Outstanding Bank Guarantees	53,55,744	61,67,614
4.	Claims against the Company not acknowledged as debts	1,59,61,571	1,47,70,558

j) Financial Instruments

Financial assets and financial liabilities are recognized when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair

value through profit or loss are recognized immediately in Statement of Profit and Loss.

i) Financial Assets

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognized at fair value, and transaction costs are expensed in the Statement of Profit and Loss.

ii) Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

The entity's business model for managing the financial assets and

The contractual cash flow characteristics of the financial asset.

iii) Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as fair value through profit or loss on initial recognition)

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognized in Statement of Profit and Loss for FVTOCI debt instruments. For the purposes of recognizing foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortized cost. Thus, the exchange differences on the amortized cost are recognized in Statement of Profit and Loss and other changes in the fair value of FVTOCI financial assets are recognized in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to Statement of Profit and Loss.

All other financial assets are subsequently measured at fair value.

iv) Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in Statement of Profit and Loss and is included in the "Other income" line item.

v) Investments in equity instruments at FVTOCI

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments.

A financial asset is held for trading if:

- It has been acquired principally for the purpose of selling it in the near term; or
- On initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument or a financial guarantee.

Dividends on these investments in equity instruments are recognized in Statement of Profit and Loss when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognized in Statement of Profit and Loss are included in the 'Other income' line item.

vi) Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Debt instruments that do not meet the amortized cost criteria or FVTOCI criteria (see above) are measured at FVTPL. In addition, debt instruments that meet the amortized cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortized cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognizing the

gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognized in Statement of Profit and Loss. The net gain or loss recognized in Statement of Profit and Loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognized when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

vii) Derecognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in Statement of Profit and Loss if such gain or loss would have otherwise been recognized in Statement of Profit and Loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in Statement of Profit and Loss if such gain or loss would have otherwise been recognized in Statement of Profit and Loss on disposal of that financial asset. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

k) Financial liabilities and equity instruments

i) Classification as debt or equity

Debt and equity instruments issued by a Company entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

ii) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognized at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

iii) Financial liabilities

All Financial liabilities are measured at amortized cost using effective interest method or fair value through profit and loss. However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

iv) Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- It has been incurred principally for the purpose of repurchasing it in the near term; or
- On initial recognition it is part of a portfolio of identified financial instruments that the

Company manages together and has a recent actual pattern of short-term profit-taking; or

- It is a derivative that is not designated and effective as a hedging instrument

A financial liability other than a financial liability held for trading or contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- Such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of a Company of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the Companying is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognized in Statement of Profit and Loss. The net gain or loss recognized in Statement of Profit and Loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to

changes in the credit risk of that liability is recognized in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognized in Statement of Profit and Loss. The remaining amount of change in the fair value of liability is always recognized in Statement of Profit and Loss. Changes in fair value attributable to a financial liability's credit risk that are recognized in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to Statement of Profit and Loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognized in Statement of Profit and Loss.

v) Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

vi) Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

l) Derivative Financial Instruments

The Company uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognized in Statement of Profit and Loss.

Derivatives are initially recognized at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognized in Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

i) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

ii) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i) In the principal market for the asset or liability, or
- ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

m) Reclassification of financial assets and liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities.

For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets.

Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations.

If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in the business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

n) Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease rentals are recognized as an expense in the Statement of Profit and Loss.

o) Recent accounting pronouncements

i) Ind AS 116 Leases

Ministry of Corporate affairs has notified Ind AS 116 - Leases, which is effective from 1st April, 2019, which will replace the existing lease standard, Ind AS 17 Leases and related interpretations. The new standard sets out the principles for the recognition, measurement, presentation and disclosure of lease for both parties to a contract i.e. the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the Statement of Profit and Loss. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward lessor accounting requirements. Our Company is evaluating the impact of Ind AS 116 and its effect on the financial statements.

ii) Amendments to Ind AS 12 - Income taxes

On 30 March, 2019, Ministry of Corporate Affairs ("MCA") has notified Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after 1 April, 2019. Our Company is evaluating the requirements and its effect on the financial statements.

Amendments to Ind AS 12 - Income taxes

On 30 March, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. Effective date for application of this amendment is annual period beginning on or after 1st April, 2019. Our Company is currently evaluating the effect of this amendment on the financial statements.

iii) Amendment to Ind AS 19 – plan amendment, curtailment or settlement-

On 30 March, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity:

to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and

to recognize in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling. Effective date for application of this amendment is annual period beginning on or after 1 April, 2019.

Our Company is currently evaluating the effect of this amendment on the financial statements.

p) Impact of Covid 19 pandemic

- The outbreak of novel Coronavirus (COVID-19) pandemic and the consequent lockdown restrictions imposed by the central and state governments has caused significant disturbance and slowdown of economic activity in India and across the globe. The Company has taken proactive measures to comply with various regulations/guidelines issued by the Government and local bodies to ensure safety of its workforce and the society in general. Operations in many states/union territories were disrupted during March. Management believes that it has taken into account all the known impacts arising from COVID 19 pandemic in the preparation of the financial results. As per the current assessment, other than the impairment recorded, no significant impact on carrying amounts of assets is expected, and management continue to monitor changes in future economic conditions. However, the impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The eventual outcome of the impact of the COVID 19 pandemic on the Company's business may be different from that estimated as on the date of approval of these financial results.
- The global supply chain has been devastated due to Covid -19 pandemic. Most of the countries have been in almost complete lock down mode since February 2020. All international trade has been badly hit due to closure of ports/airports/ banks and complete shortage of working staff / manpower. This has resulted in major pendency of cargo at all ports and airports and further resulted in major loss in terms of detention and demurrage on most of the cargo shipments at different

locations. Since your company had existing door to door contracts with different reputed companies so we had to bear losses in terms of detention and demurrage to complete or execute the contract. This loss has been majorly in the Auto sector in Latin American markets.
