NOTES:

1. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (as amended) (the “Act”) and Secretarial Standard on General Meetings (the “SS-2”), relating to Special Businesses to be transacted at the Meeting which the Board of Directors have considered and decided to include as Special Business are annexed hereto. The said Statements also contain the recommendation of the Board of Directors of the Company in terms of Regulation 17(11) of the Listing Regulations. Additional disclosures, pursuant to the requirements of SS-2 and Regulation 36 of the Listing Regulations, in respect of the Directors seeking appointment/re-appointment form part of this notice convening the 35th Annual General Meeting (**AGM/Meeting**) of the Company (the “**Notice**”).

2. The Ministry of Corporate Affairs (“MCA”), vide its General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, followed by General Circular No. 20/2020 dated May 5, 2020, and subsequent circulars issued in this regard, the latest being General Circular No. 09/2024 dated September 19, 2024 (collectively referred to as “MCA Circulars”), has permitted the holding of AGMs through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”) without the physical presence of Members at a common venue till September 30, 2025.

Further, the Securities and Exchange Board of India (“SEBI”), vide its circulars dated May 12, 2020, January 15, 2021, May 13, 2022, January 5, 2023, October 7, 2023, October 3, 2024, and other applicable circulars (“SEBI Circulars”), has extended the relaxations granted in respect of dispatching physical copies of Annual Reports and conducting Annual General Meetings (AGMs) through VC/OAVM till September 30, 2025.

In compliance with the applicable provisions of the Act, SEBI Listing Regulations and MCA Circulars, the 35th AGM of the Company is being held through VC/OAVM on **Wednesday, September 24, 2025 at 11.30 A.M (IST)**. The proceedings of the AGM will be deemed to be conducted at the Registered Office of the Company situated at Plot No. X-1, 2 & 3, Block-EP, Sector-V, Salt Lake City, Kolkata-700 091.

3. **IN TERMS OF THE MCA AND SEBI CIRCULARS MENTIONED HEREINABOVE, THE REQUIREMENT OF SENDING PROXY FORMS TO HOLDERS OF SECURITIES AS PER PROVISIONS OF SECTION 105 OF THE ACT READ WITH REGULATION 44(4) OF THE LISTING REGULATIONS, HAS BEEN DISPENSED WITH. THEREFORE, THE FACILITY TO APPOINT PROXY BY THE MEMBERS WILL NOT BE AVAILABLE FOR THIS AGM AND CONSEQUENTLY, THE PROXY FORM AND ATTENDANCE SLIP ARE NOT ANNEXED TO THE NOTICE.**

However, in pursuance of Section 113 of the Act and Rules framed thereunder, the Corporate/Institutional Members are entitled to appoint authorized representatives for the purpose of voting through remote e-voting or for the participation and e-voting during the AGM, through VC/OAVM. In this regard, they are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/Power of Attorney/appropriate Authorization Letter authorizing their representative to vote on their behalf, to the Scrutinizer through e-mail at cssiddhi51@gmail.com with a copy marked to evoting@kfintech.com.

4. Since the AGM will be held through VC/OAVM, no Route Map is annexed with the Notice.
5. **ELECTRONIC DISPATCH OF ANNUAL REPORT, PROCESS FOR REGISTRATION OF E-MAIL ID FOR OBTAINING COPY OF THE NOTICE AND ANNUAL REPORT:**

- i. In compliance with the aforesaid MCA and SEBI Circulars, the Notice and the Annual Report are being sent only through electronic mode (unless specifically requested for hard copies by the members) to all the Members whose e-mail addresses are registered with the Company/RTA/Depositories and a letter will be sent by the Company providing the web-link, including the exact path where complete details of the Annual Report including the Notice of the AGM is available, to those shareholder(s) who have not registered their e-mail address with the Company/Registrar and Transfer Agent/Depositories/Depository Participants pursuant to SEBI Listing Regulations.

- ii. Members may note that the Notice and the Annual Report will also be available on the Company's website at www.shresticorp.com, the websites of the Stock Exchanges, i.e. BSE Limited and the Calcutta Stock Exchange Limited at www.bseindia.com and www.cse-india.com, respectively, and on the website of the e-voting agency <https://evoting.kfintech.com/>. The Company will also be sending printed copies of the Annual Report 2024-25 to the shareholders on receipt of specific requests only.
- iii. KFin Technologies Limited (hereinafter referred to as "KFin"), the Company's Registrar and Share Transfer Agent will provide the facility for voting through remote e-voting, for participating in the AGM through VC/OAVM and e-voting during the AGM.
- iv. Pursuant to the MCA Circular, the Company has published a newspaper advertisement informing the members regarding the forthcoming Annual General Meeting ("AGM") and requesting those members who have not yet registered their e-mail IDs to register the same at the earliest. Further, after dispatch of the Annual Report, the Company shall again publish the AGM notice in newspapers, urging members (who have not registered their e-mail IDs) to register their e-mail IDs and avail the facility of e-voting. Members who have still not registered their e-mail IDs are once again requested to do so at the earliest, in the following manner:
 - a) Members holding shares in electronic mode can get their e-mail IDs registered by contacting their respective Depository Participant.
 - b) Members holding shares in physical mode are requested to register their e-mail IDs with the Company or KFin, for receiving the Notice and Annual Report. Requests can be e-mailed to einward.ris@kfintech.com or investor.relations@shresticorp.com

 The Company shall sent individual letters to all the shareholders holding shares of the Company in physical form for furnishing their PAN, KYC, and nomination details. The relevant Circular(s) and necessary forms in this regard have been made available on the website of the Company at www.shristicorp.com.
 Accordingly, Members are hereby requested to kindly comply with the SEBI Master Circular referred above. Members are hereby requested to kindly comply with the SEBI KYC Circulars.
- ix. In terms of Regulation 40(1) of SEBI Listing Regulations, as amended from time to time, transfer, transmission and transposition of securities shall be effected only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or KFin, for assistance in this regard.
- x. SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 (subsumed as part of the SEBI Master Circular No. SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/91 dated 23rd June 2025) has now decided that, with immediate effect, listed companies shall issue the securities in dematerialized form only. While processing investor service request pertaining to issuance of duplicate share certificate, claim from Unclaimed Suspense Account, renewal/exchange of securities certificates, endorsement, sub-division/ splitting/ consolidation of share certificates, transmission and transposition. Further SEBI vide its Master Circular referred above has simplified the procedure and standardized the format of documentation for various investor service request. The securities holder/claimant are, accordingly, required to submit duly filled-up Form ISR-4, for the purpose availing investor service requests mentioned in the para above, the format of which can be downloaded from the Company's website, i.e. www.shristicorp.com. Members holding shares in physical form are, accordingly, requested to consider converting their holding to dematerialized form.

19. PROCEDURE FOR INSPECTION OF DOCUMENTS

- i. All documents referred to in the Notice and the Explanatory Statement shall be made available electronically for inspection by the Members of the Company, without payment of fees upto and including the date of AGM. Members seeking inspection of the aforementioned documents can send an e-mail to investor.relations@shristicorp.com with the subject line "Shristi Infrastructure Development Corporation Limited – 35th AGM" from their registered e-mail addresses mentioning their names and folio numbers/ demat account numbers.
- ii. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act and the Register of Contracts or arrangements in which Directors are interested maintained under Section 189 of the Act shall be made available for inspection by the Members through electronic mode during the AGM.

20. TRANSFER OF UNCLAIMED OR UNPAID AMOUNTS TO THE INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

- i. In terms of Sections 124 and 125 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (as amended) (the "IEPF Rules"), dividends for the financial year 2017-18, which remain unpaid or unclaimed for a period of 7 (seven) years from the date of its transfer to the unpaid dividend account, will be transferred to the Investor Education and Protection Fund (IEPF) established by the Central Government. Shareholders who have not yet encashed their dividend warrants for the financial year 2017-18 or any subsequent financial year(s) were requested to claim the same by sending a duly signed letter (along with a copy of cancelled cheque) to KFin.
- ii. The Company has sent reminder to all those shareholders who have not claimed their dividends and newspaper publications have also been made by the Company about the same. In case the Company/RTA does not receive any claim from such shareholders before the due date, the Company shall proceed to transfer such dividend to IEPF as per the IEPF Rules, without any further notice. Further, the equity shares in respect of which dividend has not been paid or claimed for seven consecutive years or more will also be transferred to IEPF Suspense Account, which is operated by the IEPF Authority in terms of the IEPF Rules. No claim shall lie against the Company in respect of individual amount(s) so credited to the Investor Education and Protection Fund.
- iii. Lastly, as part of the initiative taken by the Investor Education and Protection Fund Authority (IEPFA), Ministry of Corporate Affairs vide notice dated July 16, 2025, regarding "Request to initiate 100 days campaign - "Saksham Niveshak" for KYC and other related Updatons and Shareholder Engagement to prevent Transfer of Unpaid/Unclaimed Dividends to IEPF", the Company do hereby request to all its shareholders to ensure that their KYC details, bank mandate, contact information, and other relevant records are updated with the Company or their Depository Participant/Registrar and Share Transfer Agent at the earliest.

Members are also requested to refer to the newspaper advertisement dated August 04, 2025, published in Financial Express and Aajkaal, regarding the "Saksham Niveshak" awareness initiative. The advertisement advised shareholders to claim their unclaimed dividend in order to prevent the transfer of their equity shares to the Investor Education and Protection Fund (IEPF) Authority, in accordance with Section 124(6) of the Companies Act, 2013 and the rules framed thereunder

Members can however claim both the unclaimed dividend amount and the equity shares from the IEPF Authority by making applications in the manner provided in the IEPF Rules.

21. AWARENESS ABOUT ONLINE RESOLUTION OF DISPUTES IN THE INDIAN SECURITIES MARKET THROUGH ONLINE DISPUTE RESOLUTION ('ODR') PORTAL

Building elevated *lifestyles* With sustainable *solutions*

At Shristi, we believe that one's entire well-being is finely knit with the five energies – **fire, water, earth, air** and **space**. Located amidst expansive greenery, our projects are built upon the brand belief that the 5 elements form the basis of all creation, and has been envisioned to be in complete harmony with these elements.

Shristi Infrastructure Development Corporation Limited started commercial operations in 1999 and is today a pan-Indian company in the fields of Infrastructure Construction, Infrastructure Development, Hospitality and Healthcare. We have marked our presence in 12 cities building Townships, Premium Residential Development, Hotels, Hospitals, Mixed Use Development, Shopping Malls, Logistics Hubs, Economic & Industrial Parks.

In every creation, Shristi nurtures innovation and sustainability, providing end-to-end solutions that boost ease of living. Our self-sustainable projects feature innovative design and contemporary amenities amidst greenery and open spaces. Our homes fulfil the dream of a family home; our contemporary amenities such as malls and leisure centres bring pleasure to the citizens; our clubs and sporting facilities promote celebrations and community living. From school, offices, club, mall to healthcare facilities, we provide every amenity to enhance the comfort, safety and well-being of our residents.

Smart, sustainable development is at the core of our vision for the next generation of infrastructure. In our recent and upcoming projects, we are integrating IoT-based (Internet of Things) building management systems, smart energy solutions, AI-driven design tools, and digital customer engagement platforms.

Our innovative construction techniques combine quality & luxury, in harmony with nature. We also build a variety of spaces so that the benefits extend to people from all walks of life.

We take initiatives for sapling and tree plantation and also ensure the least wastage by utilising the best use of resources.

Over the years, Shristi has been creating one-of-a-kind projects that combine an innovative and sustainable living experience for all, bringing joy, delight and satisfaction to thousands of people.

Today, Shristi has set a benchmark in quality and customer satisfaction, with a name and reputation, that is synonymous with Trust & Excellence.

- v. The directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively.
- vi. The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Your Company has complied with all applicable provisions of the Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI) on Board Meetings and General Meetings.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS

There are no significant material orders passed by the Regulators/Courts/Tribunals, which would impact the going concern status of the Company and its future operations, other than note 31.15 in the financial statements.

MACRO-ECONOMIC SCENARIO

The real Gross Domestic Product (GDP) growth rate in India is projected to be 6.5% in FY 2024–25, compared to an estimated 7.6% in FY 2023–24, as per the Reserve Bank of India and other economic forecasts. In India, the real estate sector is the second-largest employment generator after agriculture. The sector is expected to witness significant growth, with its market size projected to increase substantially by 2030. Factors such as the rise of nuclear families, rapid urbanization, and increasing household incomes are expected to continue driving growth across all segments of the real estate industry, residential, commercial, and retail. There was a notable surge in demand for luxury homes across major Indian cities in FY 2024–25.

INDUSTRY OVERVIEW

The real estate industry is one of the most globally recognized sectors. In India, it comprises four key sub-sectors: housing, retail, hospitality, and commercial, all of which continue to witness robust demand. The sector is expected to drive growth through urbanization, expansion of the rental market, and appreciation in property prices. To promote investment, the Government of India permits 100% Foreign Direct Investment (FDI) under the automatic route for townships, housing, and built-up infrastructure projects. The Union Budget 2025–26 provided a boost to homeowners by allowing NIL tax on two self-occupied properties, an increase from the earlier limit of one. Additionally, it raised the TDS threshold on rental income, which is expected to further encourage property ownership.

In the Union Budget 2024–25, the PM Awas Yojana – Urban 2.0 continued to address the housing needs of the urban poor and middle-class families. Furthermore, the introduction of a regulatory framework for Small and Medium Real Estate Investment Trusts (SM REITs) is expected to enhance fund inflows into the Indian real estate market and deepen the financial ecosystem of the sector.

OPPORTUNITIES/ OUTLOOK AND FUTURE PLANS

The Company firmly believes that the demand for real estate will remain strong in the long term. With increasing overcrowding in urban areas, the concept of integrated townships is gaining significant momentum. In response to this trend, the Company is actively focusing on developing township projects across the country through its associates, affiliates, and joint venture partners. Urban centers, particularly metropolitan cities, are facing severe space constraints, making large-scale township development a more viable and sustainable solution for future residential expansion. There is a growing need for well-planned township infrastructure across India to support balanced urban growth.

The Management remains optimistic about the future prospects of the business, anticipating robust and sustained demand in the real estate sector.

THREATS, RISK & CONCERNS

As a real estate developer, the Company is exposed to various risks, including financial risk, liquidity risk, legislative and regulatory risk, environmental risk, and risks arising from force majeure events. The development process is heavily dependent on statutory approvals from central, state, and local authorities. Any delay in obtaining such approvals—including those from the Real Estate Regulatory Authority (RERA)—can lead to revised project timelines. The Goods and Services Tax (GST) regime also plays a significant role in the real estate sector, affecting the pricing of goods and services,

as well as project cost structures. The implementation of GST in India has had a considerable impact across industries, including real estate. It is therefore critical for the Company to ensure full compliance with GST regulations to avoid legal complications and ensure the smooth functioning of its operations.

Your Company has established robust risk management systems for the identification and assessment of risks, implementation of appropriate mitigation measures, and regular monitoring and reporting mechanisms. As per Regulation 21 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the requirement to constitute a Risk Management Committee is not applicable to your Company.

INTERNAL CONTROLS OVER FINANCIAL REPORTING

The internal financial controls within the Company are commensurate with the size, scale, and complexity of its operations. These controls were tested during the year, and no reportable material weaknesses were observed, either in their design or operating effectiveness. The Company has in place robust policies and procedures that ensure, inter alia, the integrity of business operations, safeguarding of assets, timely and accurate preparation of financial information, completeness of accounting records, and the prevention and detection of frauds and errors. The operating effectiveness of such controls has been evaluated in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI), and the Standards on Auditing specified by the Central Government under Section 143(10) of the Companies Act, 2013, as applicable to an audit of internal financial controls.

HUMAN RESOURCE DEVELOPMENT / INDUSTRIAL RELATIONS

The Company continued with efforts to ensure that its pool of human resources is “future ready” through its robust processes of learning & development, capability building and its development programmes. Efforts were taken to develop leadership lines as well as to enhance technical and functional capabilities with special focus on nurturing young talent, in order to face future challenges. It will ensure that the development initiatives result not just in better skills but in enhanced performance and higher engagement.

Corporate Governance Report

GOVERNANCE PHILOSOPHY

At **Shristi Infrastructure Development Corporation Limited** (hereinafter referred to as “Shristi” or “the Company”), our Corporate Governance philosophy is founded on the core principles of **integrity, transparency, accountability, and responsible corporate conduct**. These principles drive our commitment to enhancing investor confidence and creating enduring value for all stakeholders.

We believe that strong Corporate Governance is essential for sustained corporate growth and long-term stakeholder value. Our approach is centered on fostering **quality and trust**, as reflected in our vision, mission, and values. These elements collectively shape our governance culture and strategic direction.

Shristi is firmly committed to adopting and upholding the **best governance practices**. We implement the Code of Corporate Governance in its true spirit, ensuring that all business practices are aligned with the interests of our stakeholders, i.e., the customers, regulators, employees, shareholders, and the community at large.

The **Board of Directors** (hereinafter referred to as the “Board”) and the **Management** of Shristi uphold the highest standards of **transparency and integrity**, which are intrinsic to the Company’s ethos. Our corporate culture ensures that our actions consistently contribute to mutual benefit and sustainable development.

We are fully compliant with the **SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**, (hereinafter referred to as “SEBI Listing Regulations”) including amendments thereto. We periodically review and improve our governance systems and practices to stay aligned with evolving regulatory and industry standards.

At Shristi, we benchmark our governance framework against the best-in-class corporate practices and remain dedicated to upholding the highest standards of ethical conduct and corporate responsibility.

BOARD OF DIRECTORS

The Board of Directors of the Company represents an optimal blend of professionalism, expertise, and diverse experience, enabling it to provide strategic guidance and oversight to the Company’s Management. The Board plays a pivotal role in directing, supervising, and monitoring the Company’s operations, ensuring adherence to corporate strategy, robust risk management, and the highest standards of accountability, transparency, and ethical conduct.

Comprising distinguished professionals from various fields—including industry, management, finance, human resources, and legal services—the Board brings a wide spectrum of perspectives and insights to the governance process.

The composition and strength of the Board are periodically reviewed to ensure compliance with statutory requirements and alignment with the evolving needs of the business, thereby reinforcing effective and responsive leadership at the highest level.

14. Measures adopted to protect the interests of the Shareholders

a. Share Transfer Processing–

Requests for share transfers are cleared and advices are mailed within a time period of 15 days from the date of receipt, if the same are found to be valid in all respects.

During the Financial Year 2024-25, there was no requirement to hold the Share Transfer Committee.

b. Redressal of Grievances

Necessary system has been put in place in order to attend with promptness any grievance or queries by the Shareholders. An exclusive email id has been designated by the Company for prompt redressal of shareholder's grievances. The shareholders can email their queries/grievances to investor.relations@shristicorp.com..

Also, In order to strengthen the dispute resolution mechanism for all disputes between a listed company and/or registrars & transfer agents and its shareholder(s)/investor(s), SEBI had issued a Standard Operating Procedure ('SOP') vide Circular dated May 30, 2022. As per this Circular, shareholder(s)/investor(s) can opt for Stock Exchange Arbitration Mechanism for resolution of their disputes against the Company or its RTA. Further, SEBI vide Circular dated July 31, 2023 (updated as on December 20, 2023), introduced the Online Dispute Resolution ('ODR') Portal. Through this ODR portal, the aggrieved party can initiate the mechanism, after exercising the primary options to resolve its issue, directly with the Company and through the SEBI Complaint Redress System ('SCORES') platform. The Company has complied with the above circulars and the same are available at the website of the Company.

c. Prevention of Fraudulent Transfers

A locking provision is in existence whereby, whenever any intimation is received from the shareholders regarding loss of shares or of any legal dispute, the shares are immediately kept locked so that fraudulent transfer is stalled.

d. Dematerialization of shares

The Equity Shares of the company are permitted to be traded only in dematerialized form and are available for demat under both the Depository Systems in India – National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL).

As on March 31, 2025, a total of 2,21,55,478 equity shares of the company, which forms 99.80% of Share Capital, stand dematerialized.

e. Credit Ratings obtained by the Company

The Credit Ratings obtained by Srishti from Brickworks Rating are as follows:

Facilities	Brickworks Rating
Bank Loan Facilities – Long Term	BWR D
Bank Loan Facilities – Short Term	BWR D
Secured Redeemable Non-Convertible Debenture of Rs.145 crores	BWR C

15. Address for Shareholders' correspondence

: The Company Secretary
Shristi Infrastructure Development Corporation Limited
Plot No.X-1, 2 & 3, Block-EP
Sector-V, Salt Lake City, Kolkata – 700 091

The shareholders could send their correspondence to the Company at the aforesaid address or the office of the Company's Registrar and Share Transfer Agents, M/s KFin Technologies Limited at Selenium Building, Tower B, Plot 31-32, Gachibowli, Financial District, Nanakramguda, Serilingampally, Rangareddi Telangana – 500 032

16. Transfer to Investor Education and Protection Fund (IEPF)**a. Unpaid / Unclaimed Dividend on Equity shares**

Pursuant to Section 124(5) of the Companies Act 2013, dividends which remain unpaid/unclaimed for a period of 7 (Seven) years from the date of transfer to the unpaid dividend account are required to be transferred by the Company to the Investor Education and Protection Fund (IEPF) administered by the Central Government. Given below are the dates of declaration of dividend and corresponding dates when unpaid/unclaimed dividends are due for transfer to IEPF

Financial Year	Date of declaration of Dividend	Due date of transfer to IEPF
2017-18	28.09.2018	03.11.2025
2018-19	27.09.2019	02.11.2026
2019-20	24.12.2020	28.01.2027
2020-21	-	-
2021-22	-	-

The shareholders are regularly advised to claim the unclaimed dividends lying in the unpaid dividend accounts of the Company before the due dates for crediting the same to the IEPF. Moreover, the details of unclaimed dividend by the Members for the past years which have not been transferred to the Central Government are readily available for viewing by the members on the website of the Company at www.shristicorp.com. Further, during the year under review, the Company has transferred Rs. 97,721/- (Ninety Seven Thousand Seven Hundred and Twenty One only) to the Investor Education and Protection Fund (IEPF) for the F.Y. 2016-17.

b. Transfer of Equity shares which have remained unpaid and unclaimed for seven consecutive years

During the year under review, the Company transferred a total of 5,178 (Five Thousand One Hundred and Seventy Eight) Equity shares to IEPF in accordance with the provisions of Section 124(6) and 125 of the Act, read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 after sending letters to those shareholders and also making an advertisement in the newspapers in this regard. Details of the shares transferred to IEPF are available on the Company's website under the link <https://www.shristicorp.com>.

The Company have issue letters to those shareholders whose shares are eligible to be transferred to IEPF during the financial year 2024-25, by giving them at least 3 (three) months' notice and also informing them through an appropriate advertisement in the newspapers. However, the shares transferred to IEPF, including all benefits accruing on such shares, if any, can be claimed back by the Shareholders from the IEPF Authority after following the procedure prescribed under the Rules.

17. Compulsory Dematerialization of securities

Considering the ease of doing business for Investors in the securities market, the Securities and Exchange Board of India vide its circular dated November 3, 2021, March 16, 2023, May 17, 2023 and June 23, 2025 mandated furnishing of updated PAN, contact details, postal address with PIN and mobile number, and bank account details with specimen signature and choice of nomination with DPs (in case shares held in electronic form) or R&T Agent (in case shares are held in physical form) for the purpose of receiving dividend.

SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/ CIR/2022/8 dated 25th January, 2022 (subsumed as part of the SEBI Master Circular No. SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/91 dated 23rd June 2025) has now decided that, with immediate effect, listed companies shall issue the securities in dematerialized form only, while processing investor service request pertaining to issuance of duplicate share certificate, claim from Unclaimed Suspense Account, renewal/exchange of securities certificates, endorsement, sub-division/splitting/consolidation of share certificates, transmission and transposition.

Further SEBI vide its Master Circular referred above has simplified the procedure and standardized the format of documentation for various investor service requests. The securities holder/claimant are, accordingly, required to submit duly filled-up Form ISR-4, for the purpose of availing investor service requests mentioned in the para above, the format of which can be downloaded from the Company's website, i.e. <https://www.shristicorp.com/>

Members holding shares in physical form are, accordingly, encouraged to consider converting their holding to dematerialized form.

18. Nomination

Shareholders whose shares are in physical form and wish to make/change a nomination in respect of their shares in the Company, as permitted under Section 72 of the Act may submit to RTA, the prescribed Forms SH-13/SH-14. Further, shareholders who want to opt out of the nomination, may submit Form ISR-3, after cancelling his existing nomination, if any, through Form SH-14. The Nomination Form can be downloaded from the Company's website <https://www.shristicorp.com/>. Members holding shares in electronic form may obtain Nomination forms from their respective DPs.

Members holding shares in single name are especially advised to make nomination in respect of their shareholding in the Company and for cancellation and variation of nomination, if they are desirous of doing so.

19. Reconciliation of Share Capital Audit

As stipulated by SEBI, a qualified practicing Company Secretary carries out an audit to reconcile the total admitted capital with NSDL and CDSL and the total issued and listed capital. This audit is carried out every quarter and the report thereon is submitted to the Stock Exchanges. The audit confirms that the total listed and paid-up capital is in agreement with the aggregate of the total number of shares in dematerialized form (held with NSDL and CDSL) and total number of shares in physical form.

20. Secretarial Audit

The Company undertook Secretarial Audit of records and documents in compliance with section 204 of the Act and the Rules made thereunder and Regulation 24A of SEBI (Listing Regulations), 2015.

The Secretarial Audit Report obtained from a Practicing Company Secretary confirms that the Company has complied with all the applicable laws on the Company and the same has been provided in this Annual Report as an Annexure to Director's Report.

Independent Auditor's Report

To
The Members of
SHRISTI INFRASTRUCTURE DEVELOPMENT CORPORATION LIMITED

Report on the Audit of Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of SHRISTI INFRASTRUCTURE DEVELOPMENT CORPORATION LIMITED (hereinafter referred to as the 'Company') which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to standalone financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effect of the matters described in the 'Basis for Qualified Opinion' paragraph of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standard (Ind AS) prescribed under Section 133 of the Act, read with the Companies (Indian Accounting standards) Rules, 2015, of the state of affairs of the Company as at 31st March, 2025, its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- a) *With reference to Note 31(18) to the accompanying standalone financial statement, the company has written back liabilities of Rs. 4,738.82 lakhs towards unpaid interest including TDS thereon relating to F.Y. 2021-22 & 2022-23 on borrowings from Srei Equipment Finance Limited (SREI).*

Further, we draw your attention regarding non - provision and default of interest expense of Rs. 2,572.24 lakhs on the borrowings from Srei Equipment Finance Limited for the year ended 31st March, 2025 (Cumulative non- provisioning and default of interest till 31st March, 2025 for Rs. 9,890.33 lakhs) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments. This has resulted understatement of finance cost to that extent with consequential impact on other reported financials as on 31st March, 2025.

Had the aforesaid interest expense been recognized, the finance cost for the year ended 31st March, 2025 would have been Rs. 4,341.94 lakhs instead of Rs. 1,769.71 lakhs. The total expenses for the year ended 31st March, 2025 would have been Rs. 18,904.96 lakhs instead of Rs. 16,332.72 lakhs. The Net Profit /(loss) after tax for the year ended 31st March 2025 would have been Rs. (3,573.56 lakhs) instead of Rs. (1,001.33 lakhs). Total comprehensive Income for the year ended 31st March 2025 would have been Rs. (3,600.39 lakhs) instead of reported amount of Rs. (1,028.17 lakhs) respectively. Other Equity as on 31st March, 2025 would have been Rs. (17,805.48 lakhs) instead of reported amount of Rs. (7,915.15) lakhs and Other current financial liability as on 31st March 2025 would have been Rs. 12,064.15 lakhs instead of reported amount of Rs. 2,173.82 Lakhs.

- b) *In the matter of Sarga Udaipur Hotels & Resorts Private Limited, a subsidiary of the company, as stated in Note 31(17) to the standalone financial statements, that the Hon'ble National Company Law Tribunal ("NCLT"), Kolkata Bench, admitted the Corporate Insolvency Resolution Process ("CIRP") under the Insolvency and Bankruptcy Code, 2016 (IBC) against Sarga Udaipur Hotels & Resorts Private Limited and CIRP is initiated vide order dated 29th April, 2022.*

In view of the admission of the above subsidiary in NCLT and CIRP process, we are unable to comment on the extent of realisability of its value of investment of Rs. 195.00 lakh and interest free loan of Rs. 1,865.79 lakhs receivable from above subsidiary.

Similarly, we are also unable to comment on the extent of realisability of investment of Rs. 300.00 lakh and loan of Rs. 731.36 lakh (including interest) receivable from Shristi Urban Infrastructure Development Limited, being subsidiary of the company (which is the holding company of Sarga Udaipur Hotels & Resorts Private Limited, a company under CIRP as

mentioned above), The consequential effect of the above, on the standalone financial statement for the year ended 31st March, 2025 is not ascertainable.

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Material Uncertainty Related to Going Concern

We draw your attention to Note 31(24) of the standalone financial statements regarding preparation of the financial statements on going concern basis, for the reason mentioned therein. The Company has incurred losses for more than three consecutive financial years and the net worth as on 31st March, 2025 has been fully eroded. This indicates the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon the management view and projected future cash flows of the Company.

Our opinion is not modified in respect of this matter.

Emphasis of Matter

- a) *With reference to Note 31(16) to the standalone financial statements, in the matter of Sarga Hotel Private Limited, an erstwhile material subsidiary of the company, an order from Hon'ble National Company Law Tribunal (NCLT), Kolkata was pronounced on 4th January 2024, wherein the resolution plan was approved for the said company Sarga Hotel Private Limited. The said order of NCLT was upheld by the Hon'ble National Company Law Appellate Tribunal (NCLAT), New Delhi vide its order dated 4th of April 2024. The company has filed Civil Appeal before the Hon'ble Supreme Court of India and the matter is sub judice. Accordingly, the balances of Sarga Hotel Pvt Ltd, have been carried as appearing in the books of the company.*
- b) *Refer Note 31(15) to the standalone financial statement regarding an arbitration w.r.t dispute between Rishima SA Investments LLC, Mauritius ("Claimant") and the Company in respect of which the Arbitration Tribunal has issued a Final award in favour of the Claimant for payment of an amount of Rs. 76,100 lakhs with interest calculated till 30.04.2019 amounting to Rs. 1,390 lakhs and in case the same cannot be enforced in any Court or Tribunal a sum of Rs. 16,020 lakhs with interest calculated till 30th April, 2019 amounting to Rs. 2,621 lakhs towards the value of their investment in Sarga Hotel Pvt. Ltd, a subsidiary of the Company together with aggregate costs, damages, etc. of Rs. 1,808 lakhs. Pending outcome of the enforcement proceedings before Hon'ble High Court of Delhi and based on the legal opinion obtained by the Company, the management does not consider necessary to make any provision in this respect.*
- c) *As stated in Note 31(20) to the standalone financial statement regarding Corporate guarantee of Rs. 72,522.05 lakhs was given by the Company for loan granted by the lenders to its erstwhile Subsidiary, Sarga Hotel Private Limited. One of the lenders have filed an application under Section 7 of IBC for the corporate guarantee extended by the Company for the debt of Sarga Hotel Private Ltd. Subsequent to such application the Resolution Plan in respect of Sarga Hotel Private Limited has already been approved by Hon'ble NCLT, Kolkata.*
- d) *As referred in Note 31(19) to the standalone financial statement, certain balances of Trade Receivables, Trade payables, borrowings, Other Receivable / Payable etc. are subject to confirmation/reconciliation. The reported standalone financials might have consequential impact which remains unascertained.*

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended 31st March, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
<p>Revenue Recognition</p> <p>Revenues from real estate development and contracts represent the largest portion of the total revenues of the Company. Revenue is recognized upon transfer of control of units to customers for an amount, which reflects the consideration the Company expects to receive in exchange for those units. The point of revenue recognition is normally on possession/handover of the unit to the customer on completion of the project. The Company records revenue at a point in time upon transfer of control of residential units to the customers.</p> <p>Considering the volume of the Company's projects and the competitive business environment, there is a risk of revenue being overstated or understated. Since revenue recognition has direct impact on the Company's profitability this is considered as a key audit matter.</p> <p>Refer Notes 2.9 on Material Accounting Policy and 31(7) regarding disclosures w.r.t. Ind AS 115.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> ● Evaluation of the Company's accounting policies or revenue recognition are in line with the applicable Indian Accounting Standards and their application to customer contracts including consistent application; ● Evaluation of the design and implementation and testing the operating effectiveness of key controls around contracts with customers, milestone billing, handover/possession, and controls over collection from customers; ● Verified the documents – sale agreement, handover/possession letter, collections etc. on selective basis; ● Cut-off procedures for recording of revenue in the relevant reporting period; and ● Considered the adequacy of the disclosures in notes to the standalone financial statements in respect of recognition of revenue.
<p>Evaluation of Uncertain outcome of pending litigation</p> <p>Refer Note 31(1) in respect of contingent liabilities.</p> <p>The Company is having various ongoing litigations and other legal proceedings before government, other regulatory authorities and courts. These litigations involve significant management judgment to determine the possible outcome of the uncertain tax positions and legal cases, consequently having an impact on related accounting and disclosures in the Ind-AS standalone financial statements.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> ● Obtained understanding of key issues involved in pending tax and other litigations; ● We have asked the management for new legal cases arose during current financial year and latest development; ● We have discussed with appropriate senior management and evaluated underlying key assumptions.

Information other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the Standalone Financial Statements and our Auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India,

including the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the Annexure A, a Statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report agree with the books of accounts.
 - d) Except for the possible effect of the matters described in the "Basis of Qualified opinion" paragraph of our report, in our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) The matter described in the Basis for Qualified Opinion and Emphasis of Matter paragraph to this report, may have an adverse effect on the functioning of the Company.
 - f) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses a qualified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - h) In our opinion, the managerial remuneration for the year ended 31st March, 2025 has been paid / provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act.
 - i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. Refer Note 31 (1) to the standalone financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

- iii) There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Company.
- iv)
 - (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - (c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v) The Company has neither declared nor paid dividend during the year, hence compliance of Section 123 of the Companies Act, 2013 does not arise.

Based on our examination, which included test checks, the Company has used an accounting software(s) for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

“Annexure A” to the Independent Auditor’s Report

The Annexure A referred to in paragraph I under the heading ‘Report on Other Legal & Regulatory Requirements’ of our report of even date to the standalone financial statements of the Company for the year ended 31st March, 2025.

According to the information and explanations given to us and on the basis of our examination of the records of the Company we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Property, plant and equipment of the Company have been physically verified by the management at reasonable intervals and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of all immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the standalone financial statements under Property, Plant and Equipment are held in the name of the Company.
- (d) The Company has not revalued any of its Property, Plant and Equipment during the year. Hence, reporting other information under this clause is not required.
- (e) There are no proceedings have been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and Rules made thereunder. Hence, disclosures of details in this regard under clause 3(i)(e) of the said Order is not applicable.
- (ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. Discrepancies of 10% or more in the aggregate were not noticed on physical verification.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. However, as per terms of revised sanction of repayment plan issued by the members of consortium credit facilities taken, there is no requirement to file any returns or statement of current assets with such banks.
- (iii) The Company has made investments in, granted loans, secured or unsecured, to companies, firms, Limited Liability Partnerships, or any other parties during the year.
 - (a) The Company has provided loans/advances in the nature of loan, or stood guarantee to its subsidiaries and to parties other than subsidiaries, joint ventures and associates as follows:

Particulars	Loans (Rs. in lakhs)
Aggregate amount granted/provided during the year	
- Subsidiaries	1.79
- Others	-
Balance outstanding as at Balance Sheet date in respect of above cases	
- Subsidiaries	2,599.50
- Others	-

“Annexure A” to the Independent Auditor’s Report (Contd.)

- b) We are of the opinion that the terms and conditions of grant of loans are, prima facie, not prejudicial to the interest of the Company.
- c) The loans granted to the companies and the interest thereon do not have any stipulated schedule of repayment as they are repayable on demand. Hence, we are unable to express comment on the extent of realisability of aforesaid loan.
- d) As there is no stipulation for repayment of loans given, there is no overdue amount for more than ninety days in respect of loans outstanding as on balance sheet date.
- e) There is no loan given falling due during the year, which has been renewed or extended or fresh loans given to settle the overdues of existing loans given to the same party.
- f) The Company has granted the following loans that are repayable on demand as detailed below:

Particulars	All Parties	Related Parties
Aggregate amount of loans repayable on demand (Rs. in lakhs)	2,599.50	2,599.50
Percentage of loans to the total loans	100%	100%

- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Act, with respect to loans provided, investments made and guarantees given.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public as per the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act and the rules made thereunder. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) The Central Government has prescribed maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013, in respect of the activities carried on by the Company. We have broadly reviewed the books of account maintained by the company in respect of products/services where maintenance of cost records has been prescribed and are of the opinion that, prima facie, the prescribed accounts and records have been maintained. We have however not made a detailed examination of such records with a view to determine whether they are accurate and complete.
- (vii) a) The Company has delayed in depositing undisputed statutory dues of Goods & Service Tax and TDS with appropriate authorities and there are no undisputed amounts payable in respect of the Goods and Services Taxes, TDS, Provident fund, ESI, Professional Taxes and other statutory liabilities were in arrear as at 31st March, 2025 for a period of more than six months from the date on when they become payable except the following:
 - TDS & TCS Liability remain unpaid exceeding six months Rs. 40.04 lakhs
 - Goods and Service Taxes remain unpaid six months Rs. 28.68 lakhs

“Annexure A” to the Independent Auditor’s Report (Contd.)

- b) There are no dues of Income Tax, Goods & Services Tax, Sales Tax, Value Added Tax, Service Tax, Customs Duty, Excise Duty and Cess which have not been deposited with the appropriate authorities on account of any dispute except the following cases:

Sl. No.	Name of the Statute	Nature of dues	Period to which the amount relates	Amount (Rs. in lakhs)	Forum where the dispute is pending
1	West Bengal Sales Tax Act	Work Contract Tax	F.Y. 2009-10 & 2014-15	181.56	West Bengal Appellate & Revisional Board
2	West Bengal Sales Tax Act	Work Contract Tax	F.Y. 2013-14, 2015-16 & 2016-17	1,252.06	Joint Commissioner of Commercial Taxes
3	Finance Act, 1994	Service Tax	F.Y. 2011-12 to 2014-15	712.77	Commissioner, Central Tax, CGST & CX Kolkata North Commissionerate
4	Employees’ State Insurance Act, 1948	Employee State Insurance	F.Y. 2005-06 -2009-10	123.55	Recovery Officer
5	CGST Act, 2017 & SGST Act, 2017	Goods & Service Tax	F.Y. 2018-19	103.94	Assistant Commissioner of Central GST Division-III, Solapur

- (viii) There were no transactions unrecorded in the books of account and which were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 during the year. Hence, reporting of other information under clause 3 (viii) of the said Order is not required.
- (ix) a) The Company has defaulted in payment of interest of Rs 9,890.33 lakhs (relating to FY 2021-22 to 2024-25) on term loan taken from Srei Equipment Finance Limited including a non-provision of Interest amounting to Rs. 2,572.24 lakhs which are also in default (refer note 31.18) to the standalone financial statements.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or other lenders.
- c) The term loans taken by the company were applied for the purpose for which these loans were obtained.
- d) The funds raised by the Company on short term basis have not been utilised for long term purposes.
- e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates, or joint ventures.
- f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, associates, or joint ventures.
- (x) a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.
- b) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) a) No fraud by the Company or on the Company has been noticed or reported during the year.
- b) No report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) The Company has not received any whistle-blower complaint during the year.

“Annexure A” to the Independent Auditor’s Report (Contd.)

- (xii) The Company is not a Nidhi Company. Therefore, clause (xii) of paragraph 3 of the Order is not applicable to the Company.
- (xiii) The transactions with related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements.
- (xiv) a) The company has an internal audit system commensurate with the size and nature of its business.
b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting in respect of compliance of Section 192 of the Act are not required.
- (xvi) (a) The provisions of Section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable.
(b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause 3(xvi)(b) of the Order is not applicable.
(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable.
(d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable.
- (xvii) According to the information and explanation given to us and as per records examined by us, the Company has incurred cash losses of Rs. 7,123.55 lakhs during the financial year and Rs. 2,523.11 lakhs in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly, this clause is not applicable.
- (xix) On the basis of financial ratios, ageing and expected dates of realizations of financial assets and payment of the financial liabilities, other information accompanying the financial statements, management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to belief that material uncertainty exists as on the date of the audit report indicating that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

We, however, state that this is not an assurance as to the future viability/inability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged/not discharged by the Company as and when they fall due.

The second proviso to sub-section (5) and provision of sub section (6) of 135 of the said Act are not applicable, hence, the requirement to report on clause 3(xx) of the Order is not applicable

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Shristi Infrastructure Development Corporation Limited (“the Company”) as of 31st March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing issued by ICAI and prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to these standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with the Indian Accounting Standards specified under Section 133 of the Companies Act, 2013. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

“Annexure B” to the Independent Auditor’s Report (Contd.)

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of occur and not be detected. Also, projections of any evaluation of the internal financial controls collusion or improper management override of controls, material misstatements due to error or fraud may over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of Company’s internal financial controls over financial reporting as at 31st March, 2025:

- a) The Company has not made any assessment of impairment of Investment in certain subsidiary and associate as at the balance sheet date.
- b) There are delays in payment of statutory dues. The Company needs to strengthen internal control system in this regard.

A ‘material weakness’ is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company’s annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above under Qualified Opinion paragraph on the achievement of the objectives of the control criteria, the Company has, in all material respects an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

We have considered material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended 31st March, 2025 and these material weaknesses affect our opinion on financial statements of the Company for the year ended 31st March, 2025 [our audit report dated 28th May, 2025 which expressed a qualified opinion on those financial statements of the Company].

Notes Forming part of the Standalone Financial Statements

1. Corporate information

Shristi Infrastructure Development Corporation Ltd. is engaged in the fields of Construction and Infrastructure Development.

Its registered office is situated at Plot No. X-1, 2 & 3, Block – EP, Sector – V, Salt Lake City, Kolkata – 700 091. The Company's shares are listed on BSE Limited and The Calcutta Stock Exchange Limited. The financial statements for the year ended 31st March, 2025 were approved by the Board of Directors on 28th May, 2025.

2. Material accounting policies

2.1 Statement of Compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and guidelines issued by the Securities and Exchange Board of India (SEBI).

All the Ind AS issued by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are approved by the Board of Directors has been considered in preparing these financial statements.

Accounting Policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use.

2.2 Basis of preparation

The financial statements are prepared in accordance with the historical cost convention, except for certain items that are measured at fair values, as explained in the accounting policies.

Historical cost is generally based on the fair value of the consideration in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

The Company prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division II of Schedule III to the Act.

The financial statements are prepared in Indian Rupee (INR) which is also the company's functional currency. All amount disclosed in the financial statements including notes thereon have been rounded off to the nearest lakhs upto 2 (Two) decimals as per the requirement of Schedule III to the Act, unless stated otherwise.

2.3 Use of estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period;

Notes Forming part of the Standalone Financial Statements (Contd.)

they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

2.4 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements. The Company's normal operating cycle in respect of operations relating to the construction and development of real estate projects may vary from project to project depending upon the size of the project, type of construction/development, project complexities and related approvals.

2.5 Property, plant and equipment (PPE) and Depreciation

- a) Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of PPE recognised as at 1st April, 2016 measured as per the previous GAAP.
- b) Cost is inclusive of inward freight, non-refundable taxes and duties and directly attributable costs of bringing an asset to the location and condition of its intended use.

The cost and related accumulated depreciation are derecognised from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

- c) Depreciation on items of PPE is provided on a written down value basis to allocate their cost, net of their residual value over the estimated useful life of the respective asset as specified in Schedule II to the Companies Act, 2013.

The estimated useful lives of PPE of the Company are as follows:

Building	3 years
Plant and equipment	15 years
Furniture and fixtures	10 years
Vehicles	8 years
Office equipment	5 years
Computers & Accessories	3-6 years

The estimated useful lives, residual values and method of depreciation are reviewed at each Balance sheet date and are and changes, if any, are treated as changes in accounting estimate.

2.6 Intangible assets

Intangible assets are recognized at cost when it is probable that future economic benefits that are attributable to asset will flow to the company and the cost of the asset can be measured reliably. For this purpose, cost includes deemed cost which represents the carrying value of Intangible assets recognised as at 1st April, 2016 measured as per the previous GAAP.

2.7 Impairment of non-financial assets

Non-financial assets are evaluated for recoverability whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable. An impairment loss is recognized for the amount by which

Notes Forming part of the Standalone Financial Statements (Contd.)

the carrying amount of the asset exceeds its recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment loss previously recognized is reversed such that the asset is recognized at its recoverable amount but not exceeding written down value which would have been reported if the impairment loss had not been recognized.

2.8 Inventories

Inventories are valued at cost or net realizable value, whichever is lower. The cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Such cost is computed on yearly weighted average basis.

The cost of construction/project work in progress includes cost of land/development rights, rates and taxes, construction costs, borrowing costs, other direct expenditure, allocated overheads and other incidental expenses.

2.9 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable upon transfer of control of promised goods or services to customers at an amount to which the entity expects to be entitled following a five-step model in accordance with Ind AS 115. Revenue is measured based on the consideration specified in a contract with a customer, and is reduced for volume discounts, rebates and other similar allowances.

Revenue from Operations:

Revenue from real estate development is recognized if the performance obligation of the same is satisfied. Performance obligation is satisfied at a point in time as per which income is recognized as and when control in property is passed to the buyer, i.e. possession / handover of the unit is given to the buyer.

Revenue from construction contract is recognized over time to the extent of performance obligation satisfied and control is transferred to the customer. Contract revenue is recognized at allocable transaction price which represents the cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion method is the proportion of cost of work performed to-date, to the total estimated contract costs.

Revenue from rent and maintenance charges is recognized if the performance obligation of the same is satisfied. Performance obligation is satisfied over the period of time. The Company measures its performance obligation by using output method as specified in the Standard on the basis of number of days the property was rented.

Notes Forming part of the Standalone Financial Statements (Contd.)

Other Income:

Interest income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend Income

Dividend income is recognised when the Company's right to receive the dividend is established.

Share in profits of partnership firm investments

The Company's share in profits from a firm where the Company is a partner, is recognised on the basis of such firm's audited accounts, as per terms of the partnership deed.

All other incomes are accounted for on accrual basis.

Unbilled receivables

Unbilled receivables represent revenue recognized based on percentage of completion method, as per policy on revenue, over and above the amount due as per the payment plans agreed with the customers.

2.10 Borrowing costs

Borrowing costs that are directly attributable to the acquisition and/or construction of a qualifying asset are capitalized as part of the cost of such asset till such time that is required to complete and prepare the asset to get ready for its intended use. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

2.11 Provisions, contingent liabilities and contingent assets

- a) Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.
- b) Contingent liability is disclosed for possible obligations which will be confirmed only by future events not wholly within the control of the Company or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- c) Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.
- d) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.12 Employee benefits

a) Short-term employee benefits

Short-term employee benefits in respect of salaries and wages, including non-monetary benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

Notes Forming part of the Standalone Financial Statements (Contd.)

b) Defined contribution plans

Company's Contributions to Provident are charged to the Statement of Profit and Loss in the year when the contributions to the respective funds are due.

c) Defined benefit plans

Gratuity is in the nature of a defined benefit plan. The cost of providing benefits under the defined benefit obligation is calculated on the basis of actuarial valuations carried out at reporting date by independent actuary using the projected unit credit method. Service costs and net interest expense or income is reflected in the Statement of Profit and Loss. Gain or Loss on account of re-measurements are recognised immediately through other comprehensive income in the period in which they occur.

d) Other employee benefits

The employees of the Company are entitled to compensated leave which is recognised as an expense in the statement of profit and loss account as and when they accrue. The liability is calculated based on actuarial valuation using projected unit credit method. These benefits are unfunded.

2.13 Investments in equity instruments of subsidiaries, joint ventures and associates

Investment in subsidiaries, associates and joint ventures are carried at cost as at the transition date i.e, 1st April, 2016.

2.14 Financial instruments, Financial assets, Financial liabilities and Equity instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

i) Financial Assets

(a) Recognition

Financial assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

(b) Classification

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- 1) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- 2) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.

Notes Forming part of the Standalone Financial Statements (Contd.)

- 3) fair value through profit or loss (FVTPL), where the assets does not meet the criteria for categorization as at amortized cost or as FVTOCI. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

(c) Impairment

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.

(d) De-recognition

Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership. If the asset is one that is measured at:

- (i) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- (ii) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

ii) Financial liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost.

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

iii) Equity instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

iv) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

v) Dividend distribution

Dividends paid (including income tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

Notes Forming part of the Standalone Financial Statements (Contd.)

vi) Fair value measurement

Fair value is a market-based measurement, not an entity-specific measurement. Under Ind AS, fair valuation of financial instruments is guided by Ind AS 113 "Fair Value Measurement" (Ind AS – 113).

For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions.

In determining the fair value of financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each balance sheet date.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

2.15 Tax expense

Income tax expense comprises of current and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised.

2.16 Earnings per Share

- a) Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period.

Notes Forming part of the Standalone Financial Statements (Contd.)

- b) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. The number of equity shares and potential dilutive equity shares are adjusted retrospectively for all periods presented for any share split and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

2.17 Operating segments

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision-Maker (CODM).

The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director.

The accounting policies adopted for segment reporting are in line with the accounting policies adopted for preparing and presenting the Financial Statements of the Company as a whole. In addition, the following specific accounting policies have been followed for segment reporting:

- a) Segment revenue includes sales and other income directly identifiable with/allocable to the segment including inter segment transfers.
- b) Revenue, expenses, assets and liabilities are identified to segments on the basis of their relationship to the operating activities of the segment. Segment results represent profits before finance charges, unallocated corporate expenses and taxes. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on direct and/or on a reasonable basis, have been disclosed as "Unallocable".

2.18 Foreign Currency Transactions

The functional and presentation currency of the Company is Indian Rupee.

Transactions in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Gains/ losses arising on settlement as also on translation of monetary items are recognised in the Statement of Profit and Loss.

2.19 Leases

Where the Company is lessee

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased asset, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are recognized as finance costs in the statement of profit and loss.

Right of use asset is depreciated on a straight-line basis over the lower of the lease term or the estimated useful life of the asset unless there is reasonable certainty that the Company will obtain ownership, wherein such assets are depreciated over the estimated useful life of the asset.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Notes Forming part of the Standalone Financial Statements (Contd.)

Where the Company is the lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

2.20 Cash and cash equivalents

Cash and cash equivalents in the Balance sheet comprise cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which carry insignificant risk of changes in value.

For the purpose of the Cash Flow Statement, Cash and cash equivalents consist of Cash and cash equivalents, as defined above and net of outstanding book overdrafts as they are considered an integral part of the Company's cash management.

2.21 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3. Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

i) Revenue recognition from construction contracts

Revenue is recognised using the percentage of completion method as construction progresses in respect of construction contracts. The percentage of completion is estimated by reference to the stage of the projects determined based on the proportion of costs incurred to date and the total estimated costs to complete.

Notes Forming part of the Standalone Financial Statements (Contd.)

ii) Revenue recognition from development contracts

The Company recognizes revenue using the completed contract method. This requires forecasts to be made of total budgeted cost with the outcomes of underlying construction and service contracts, which require assessments and judgements to be made on changes in work scopes, claims (compensation, rebates etc.) and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making estimates for claims, the Company used the available contractual and historical information.

iii) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

(iv) Estimation of Defined benefit obligations

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans, the actuary considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

(v) Fair value measurements and valuation processes:

The fair values of financial instruments that are not traded in an active market and cannot be measured based on quoted prices in active markets is determined using valuation techniques. The Group uses its judgement to select a variety of method/methods and make assumptions that are mainly based on market conditions existing at the end of each financial year.

The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(vi) Provisions and contingent liabilities

The Company has ongoing litigations with various regulatory authorities and third parties. Where an outflow of funds is believed to be probable and are liable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. Information about such litigations is provided in notes to the financial statements.

- (B) The amounts shown in (i) above represent the best possible estimates arrived at on the basis of available information. The uncertainties and timing of the cash flows are dependent on the outcome of different legal processes which have been invoked by the Company or the claimants, as the case may be and, therefore, cannot be estimated accurately.

The Company does not expect any reimbursement in respect of above contingent liabilities.

- (C) Corporate guarantee of Rs. 72,522.05 lakhs (previous year Rs. 72,522.05 lakhs) was given by the Company for loan granted by the lenders to its erstwhile Subsidiary, Sarga Hotel Private Limited. One of the lenders has filed an application under Sec 7 of IBC for the corporate guarantee extended by the Company for the debt of Sarga Hotel Private Ltd which is being contested and pending before Hon'ble NCLT, Kolkata. Subsequent to such application the Resolution Plan of Sarga Hotel Private Limited has already been approved by Hon'ble NCLT, Kolkata and implemented.

In the opinion of the management, no provision is considered necessary for the disputes mentioned above on the ground that there are fair chances of successful outcome of the appeals.

b) Defined Benefit Plans/Long Term Compensated Absences :

Description of Plans

The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the said Act, an employee who has completed five years of service is entitled to specific benefit. The Gratuity plan provides a lumpsum payment to employees at retirement, death, incapacitation or termination of employment. The level of benefits provided depends on the member's length of service and salary at retirement age etc.

Gratuity Benefits and Leave Encashment Benefits are unfunded in nature. The liabilities arising in the Defined Benefit Schemes are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method at the year end.

The following tables summarise the components of net benefit expense recognised in the Statement of Profit and Loss and amounts recognised in the Balance Sheet for the said plan:

c) Risks related to defined benefit plans:

The main risks to which the Company is exposed in relation to operating defined benefit plans are :

- Mortality risk:** The assumptions adopted by the Company make allowances for future improvements in life expectancy. However, if life expectancy improves at a faster rate than assumed, this would result in greater payments from the plans and consequently increases in the plan's liabilities. In order to minimise this risk, mortality assumptions are reviewed on a regular basis.
- Interest Rate Risk:** The present value of Defined Benefit Plans liability is determined using the discount rate based on the market yields prevailing at the end of reporting period on Government bonds. A decrease in yields will increase the fund liabilities and vice-versa.
- Salary cost inflation risk:** The present value of the defined benefit plan liability is calculated with reference to the future salaries of participants under the Plan. Increase in salary due to adverse inflationary pressures might lead to higher liabilities.

Notes Forming part of the Standalone Financial Statements (Contd.)

d) Other disclosures :

- i) The following are the assumptions used to determine the benefit obligation:
 - a) Discount rate: The yield of government bonds are considered as the discount rate. The tenure has been considered taking into account the past long term trend of employees' average remaining service life which reflects the average estimated term of the post - employment benefit obligations.
 - b) Rate of escalation in salary : The estimates of rate of escalation in salary, considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.
 - c) Rate of return on plan assets: Not applicable as plans are not funded.
 - d) Attrition rate : Attrition rate considered is the management's estimate based on the past long- term trend of employee turnover in the Company.
- ii) The Gratuity and Provident Fund expenses have been recognised under " Contribution to Provident and Other Funds" and Leave Encashment under "Salaries and Wages" under Note No. 26.

5. Details of Loan, guarantee and Investments covered under Section 186 (4) of the Companies Act, 2013 :

- 1) The details of the loans given by the company are mentioned in Note 12.
- 2) The details of the Investments made by the company are mentioned in Note 5.
- 3) The details of the corporate guarantee given by the company are mentioned in Note 31(1).
The loans, investments and guarantees given/made by the company are for business purposes only.

6. Operating Segment :

The Company's business activity primarily falls within a single business segment i.e. Construction and Infrastructure development, in term of IND AS 108 on Operating Segment. All the activities of the Company revolve around the main business. As such there are no separate reportable segments as per requirements of Accounting Standard (Ind AS - 108) on operating segment. Further, the Company operates only in India, hence additional information under geographical segments is also not applicable. The Managing Director of the Company has been identified as the Chief Operating Decision Maker (CODM). The Chief Operating Decision Maker also monitors the operating results as one single segment for the purpose of making decisions about resource allocation and performance assessment and hence, there are no additional disclosures to be provided other than those already provided in the financial statements. The Company operated only in India during the year ended 31st March, 2025 and 31st March, 2024. Revenue from one customer amounted to more than 10% of the total revenue amounting to Rs.Nil (31st March, 2024 - Nil).

B. Fair value hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair value of cash and cash equivalents, other bank balances, trade receivables, loans and other current financial assets, short term borrowings from body corporates, trade payables and other current financial liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature.

Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using adjusted net asset value method. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2.

The following tables provide the fair value hierarchy of the Company's assets and liabilities measured at fair value on a recurring basis:

(i) Financial assets and financial liabilities measured at fair value on a recurring basis as at 31st March, 2025:

11. Financial risk management objectives and policies

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

(a) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under financial instrument or a customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables and security deposit and from its financing activities including deposits placed with banks. Credit risk

Notes Forming part of the Standalone Financial Statements (Contd.)

from balances with bank and other financial instrument is managed in accordance with company's policies. Surplus funds are parked only in approved investment categories with well defined limits. Investment category is periodically reviewed by the Board of Directors of the Company.

Credit risk arising from balances with banks and other cash equivalents is limited and no collaterals are held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by credit rating agencies.

Loans and other financial assets measured at amortized cost includes loans to related parties, security deposits and others. Credit risk related to these financial assets are managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system is in place to ensure that the amounts are within defined limits.

Customer credit risk is managed as per company's established policy, procedure and control related to credit risk management. Credit quality of the customer is assessed based on his previous track record. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each balance sheet date on an individual basis for major customers. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Assets are written off when there is no reasonable expectation of recovery. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss. The maximum exposure to credit risk at the balance sheet date is the carrying value of each class of financial assets.

The Company assesses and manages credit risk of financial assets on the basis of assumptions, inputs and factors specific to the class of financial assets. The Company provides for expected credit loss on Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets based on 12 months expected credit loss/life time expected credit loss/ fully provided for. Life time expected credit loss is provided for trade receivables.

Expected credit loss for trade receivables under simplified approach

In respect of trade receivables, the Company considers provision for lifetime expected credit loss. Given the nature of business operations, the Company's trade receivables has low credit risk. Further, historical trends indicate any shortfall between such deposits held by the Company and amounts due from customers have been negligible. Hence, no loss allowances using life time expected credit loss model is required other than as disclosed in Note 6.

(b) Liquidity risk

Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligation on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

Report on the Audit of the Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements of SHRISTI INFRASTRUCTURE DEVELOPMENT CORPORATION LIMITED (hereinafter referred to as 'the Holding Company'), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), associate and joint ventures which comprise the Consolidated Balance Sheet as at 31st March, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended and notes to Consolidated Financial Statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries, associate and joint venture as were audited by the other auditors, except for the possible effect of the matters described in the 'Basis for Qualified Opinion' paragraph of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate and joint venture as at 31st March, 2025, its consolidated total comprehensive income (Comprising of consolidated loss and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

- a) *With reference to Note 31(19) to the accompanying consolidated financial statement, the company has written back liabilities of Rs. 4,738.82 lakhs towards unpaid interest including TDS thereon relating to F.Y. 2021-22 & 2022-23 on borrowings from Srei Equipment Finance Limited (SREI).*

Further, we draw your attention regarding non - provision and default of interest expense of Rs. 2,572.24 lakhs on the borrowings from Srei Equipment Finance Limited for the year ended 31st March, 2025 respectively (Cumulative non- provisioning and default of interest till 31st March, 2025 for Rs. 9,890.33 lakhs) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments. This has resulted understatement of finance cost to that extent with consequential impact on other reported financials as on 31st March, 2025.

Had the aforesaid interest expense been recognized, the finance cost for the year ended 31st March, 2025 would have been Rs. 4,342.05 lakhs instead of Rs. 1,769.82 lakhs. The total expenses for the year ended 31st March, 2025 would have been Rs. 18,906.01 lakhs instead of Rs. 16,333.77 lakhs. The Net Profit /(loss) after tax for the year ended 31st March 2025 would have been Rs. (4,094.21 lakhs) instead of Rs. (1,521.98 lakhs). Total comprehensive income for the year ended 31st March 2025 would have been Rs. (4,027.59 lakhs) instead of reported amount of Rs. (1,555.36 lakhs). Other Equity as on 31st March, 2025 would have been Rs. (25,498.38 lakhs) instead of reported amount of Rs. (15,608.04 lakhs) and Other current financial liability as on 31st March 2025 would have been Rs. 13,226.71 lakhs instead of reported amount of Rs. 3336.38 Lakhs.

- b) *In the matter of Sarga Udaipur Hotels & Resorts Private Limited, a subsidiary of the company, as stated in Note 31(18) to the consolidated financial statement, that the Hon'ble National Company Law Tribunal ("NCLT"), Kolkata Bench, admitted the Corporate Insolvency Resolution Process ("CIRP") under the Insolvency and Bankruptcy Code, 2016 (IBC) against Sarga Udaipur Hotels & Resorts Private Limited and CIRP is initiated vide order dated 29th April, 2022.*

In view of the admission of the above subsidiary in NCLT and CIRP process, we are unable to comment on the extent of realisability of its value of investment of Rs. 195.00 lakh and interest free loan of Rs. 1,865.79 lakhs receivable from above subsidiary.

Similarly, we are also unable to comment on the extent of realisability of investment of Rs. 300.00 lakh and loan of Rs. 731.36 lakh (including interest) receivable from Shristi Urban Infrastructure Development Limited, being subsidiary of the company (which is the holding company of Sarga Udaipur Hotels & Resorts Private Limited, a company under CIRP as mentioned above). The consequential effect of the above, on the financial statement for the year ended 31st March, 2025 is not ascertainable.

- c) *The following basis for qualified opinion (as reproduced) has been reported by the statutory auditors of a Joint Venture namely, Bengal shristi Infrastructure Development Limited vide their report dated 26th May, 2025:*

"The company has not provided for interest expenses to the tune of INR 4,975.41 lakhs on secured borrowings from Srei Equipment Finance Limited for the year ended 31st March, 2025, which is inconsistent with the requirements of Ind As-23- "Borrowing Costs" and Ind AS 109 "Financial Instruments". This has resulted in an understatement of finance costs, with a consequential impact on other reported financials, including the non-provision of liability for Tax deducted at source (TDS) amounting to INR 497.54 lakhs as on 31st March 2025."

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub paragraph (a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion on the consolidated financial statements.

Material Uncertainty Related to Going Concern

We draw your attention to Note 31(25) of the consolidated financial statements regarding preparation of the financial statements on going concern basis, for the reason mentioned therein. The holding company has incurred losses for more than three consecutive financial years and the net worth as on 31st March, 2025 has been fully eroded. This indicates the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon the management view and projected future cash flows of the Company.

Our opinion is not modified in respect of this matter.

Emphasis of Matter

- a) *With reference to Note 31(17) to the consolidated financial statement, in the matter of Sarga Hotel Private Limited, an erstwhile material subsidiary of the company, an order from Hon'ble National Company Law Tribunal (NCLT), Kolkata was pronounced on 4th January 2024, wherein the resolution plan was approved for the said company Sarga Hotel Private Limited. The said order of NCLT was upheld by the Hon'ble National Company Law Appellate Tribunal (NCLAT), New Delhi vide its order dated 4th of April 2024.*

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended 31st March, 2025. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
<p>Revenue Recognition</p> <p>Revenues from real estate development and contracts represent the largest portion of the total revenues of the Company. Revenue is recognized upon transfer of control of units to customers for an amount, which reflects the consideration the Company expects to receive in exchange for those units. The point of revenue recognition is normally on possession/handover of the unit to the customer on completion of the project. The Company records revenue at a point in time upon transfer of control of residential units to the customers.</p> <p>Considering the volume of the Company's projects and the competitive business environment, there is a risk of revenue being overstated or understated. Since revenue recognition has direct impact on the Company's profitability this is considered as a key audit matter.</p> <p>Refer Notes 2.10 on material accounting policy and 31(7) regarding disclosures w.r.t. Ind AS 115.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> ● Evaluation of the Company's accounting policies for revenue recognition are in line with the applicable Indian Accounting Standards and their application to customer contracts including consistent application; ● Evaluation of the design and implementation and testing the operating effectiveness of key controls around contracts with customers, milestone billing, handover/possession, and controls over collection from customers; ● Verified the documents – sale agreement, handover/possession letter, collections etc. on selective basis; Cut-off procedures for recording of revenue in the relevant reporting period; and ● Considered the adequacy of the disclosures in notes to the consolidated financial statements in respect of recognition of revenue.
<p>Evaluation of Uncertain outcome of pending litigation</p> <p>Refer Note 31(1) in respect of contingent liabilities.</p> <p>The Company is having various ongoing litigations and other legal proceedings before government, other regularity authorities and courts. These litigations involve significant management judgment to determine the possible outcome of the uncertain tax positions and legal cases, consequently having an impact on related accounting and disclosures in the Ind-AS consolidated financial statements.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> ● Obtained understanding of key issues involved in pending tax and other litigations; ● We have asked the management for new legal cases arose during current financial year and latest development; ● We have discussed with appropriate senior management and evaluated underlying key assumptions.

Information other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for other information. The other information comprises the information included in the Holding Company's annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements

or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management for the Consolidated Financial Statements

The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its associate and joint venture in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies/entities included in the Group and of its associate and joint venture are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for overseeing the financial reporting process of each company/entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company, its subsidiary companies, associate and joint venture which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group, its associate and joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report and the audit evidence obtained by other auditors in terms of their reports referred to in Other Matter paragraph below. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its associate and joint venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described section titled 'Other Matters' in this audit report.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a) We did not audit the financial statements of six (6) subsidiaries included in the consolidated financial statements, which reflect total assets of Rs. 1,504.21 lakhs as on 31.03.2025, total revenue of Rs. 4.70 lakhs for the year then ended. These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion on the financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the report of other auditors and the audit procedures performed by us.
- b) We did not audit financial statements of a joint venture & associate whose financial statements reflect Group's share of net loss of Rs. 524.29 lakhs for the year ended 31st March, 2025, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion on the financial statements, in so far as it relates to the amounts and disclosures included in respect of these joint venture is based solely on the report of other auditors and the audit procedures performed by us.

This financial statement is audited by other auditor whose reports have been furnished to us and our opinion on the financial statements, in so far as it relates to the amounts and disclosures is based solely on the report of other auditor and the audit procedures performed by us.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the **Annexure A**, a Statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report agree with the books of accounts.
 - d) Except for the possible effect of the matters described in the "Basis of Qualified opinion" paragraph of our report, in our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) The matter described in the Basis for Qualified Opinion and Emphasis of Matter paragraph to this report, may have an adverse effect on the functioning of the Company.
 - f) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors of the Holding Company and its subsidiaries, associate and joint venture incorporated in India and the reports of the statutory auditors of its subsidiary companies, associate and joint venture incorporated in India, none of the Directors of the Group companies and its associate and joint venture is disqualified as on 31st March, 2025 from being appointed as a Director in terms of Section 164 (2) of the Act.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, its subsidiary companies, associate and joint venture incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses a qualified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - h) In our opinion, the managerial remuneration for the year ended 31st March, 2025 has been paid/provided by the Group, its associate and joint venture to its directors is in accordance with the provisions of Section 197 read with Schedule V to the Act.
 - i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its consolidated financial statements. (Refer Note 31 (1) to the consolidated financial statements).

- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii) There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Group, its associate and joint venture.
- iv)
 - (a) The respective Managements of the Company and its subsidiaries and associate which are companies incorporated in India, whose financial statements have been audited under the Act, have represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries and associate to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The respective Managements of the Company and its subsidiaries and associate which are companies incorporated in India, whose financial statements have been audited under the Act, have represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries and associate from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries and associate which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The Holding Company or its subsidiary companies incorporated in India has neither declared nor paid dividend during the year, hence compliance of section 123 of the Companies Act, 2013 does not arise.

Based on our examination, which included test checks, the Company has used accounting software(s) for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Shristi Infrastructure Development Corporation Limited (“the Company”) as of 31st March, 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing issued by ICAI and prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with the Indian Accounting Standards specified under Section 133 of the Companies Act, 2013. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of occur and not be detected. Also, projections of any evaluation of the internal financial controls collusion or improper management override of controls, material misstatements due to error or fraud may over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of Company's internal financial controls over financial reporting as at 31st March, 2025:

- a) The Company has not made any assessment of impairment of Investment in certain subsidiary and an associate as at the balance sheet date.
- b) There are delays in payment of statutory dues. The Company needs to strengthen internal control system in this regard.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above under Qualified Opinion paragraph on the achievement of the objectives of the control criteria, the Company has, in all material respects an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

We have considered material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended 31st March, 2025 and these material weaknesses affect our opinion on financial statements of the Company for the year ended 31st March, 2025 [our audit report dated 28th May, 2025 which expressed a qualified opinion on those financial statements of the Company].

Notes Forming part of the Consolidated Financial Statements

1. Corporate information

Shristi Infrastructure Development Corporation Ltd. ('Company') is engaged in the fields of Infrastructure Construction, Real Estate Development, Hospitality and Healthcare, etc.

Its registered office is situated at Plot No. X-1, 2 & 3, Block – EP, Sector – V, Salt Lake City, Kolkata – 700 091. The Company's shares are listed on BSE Limited and The Calcutta Stock Exchange Limited.

Shristi Infrastructure Development Corporation Limited together with its subsidiaries is hereinafter referred to as 'the Group'.

The Group's consolidated financial statements are approved by the Company's Board of Directors on 28th May, 2025.

2. Material accounting policies

2.1 Statement of Compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and guidelines issued by the Securities and Exchange Board of India (SEBI).

All the Ind AS issued by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are approved by the Board of Directors has been considered in preparing these financial statements.

Accounting Policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use.

2.2 Basis of preparation

The financial statements are prepared in accordance with the historical cost convention, except for certain items that are measured at fair values, as explained in the accounting policies.

Historical cost is generally based on the fair value of the consideration in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

The Group prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division II of Schedule III to the Act.

The financial statements are prepared in Indian Rupee (INR) which is also the company's functional currency. All amount disclosed in the financial statements including notes thereon have been rounded off to the nearest lakh upto 2 (Two) decimals as per the requirement of Schedule III to the Act, unless stated otherwise.

Notes Forming part of the Consolidated Financial Statements (Contd.)

2.3 Use of estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

2.4 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements. The Group's normal operating cycle in respect of operations relating to the construction and development of real estate projects may vary from project to project depending upon the size of the project, type of construction/development, project complexities and related approvals.

2.5 Basis of Consolidation

The Consolidated Financial Statements (CFS) includes the financial statements of the Company and its subsidiaries together with the share of the total comprehensive income of associates and joint ventures.

Subsidiaries are entities controlled by the Group. Associates are entities over which the Group exercise significant influence but does not control. An entity/arrangement in which the Group has the ability to exercise control jointly with one or more uncontrolled entities may be a Joint Venture ("JV") or a Joint Operation ("JO"). Unlike in a JV where parties have proportionate interests in the assets and liabilities of the JV entity, parties have rights to and obligations towards specified assets and liabilities in a JO.

Control, significant influence and joint control is assessed annually with reference to the voting power (usually arising from equity shareholdings and potential voting rights) and other rights (usually contractual) enjoyed by the Group in its capacity as an investor that provides it the power and consequential ability to direct the investee's activities and significantly affect the Group's returns from its investment. Such assessment requires the exercise of judgement and is disclosed by way of a note to the Financial Statements. The Group is considered not to be in control of entities where it is unclear as to whether it enjoys such power over the investee.

The assets, liabilities, income and expenses of subsidiaries are aggregated and consolidated, line by line, from the date control is acquired by any Group entity to the date it ceases. Profit or loss and each component of other comprehensive income are attributed to the Group as owners and to the non-controlling interests. The Group presents the non-controlling interests in the Balance Sheet within equity, separately from the equity of the Group as owners. The excess of the Group's investment in a subsidiary over its share in the net worth of such subsidiary on the date control is acquired is treated as goodwill while a deficit is considered as a capital reserve in the CFS. In case of JO, Group's share of assets, liabilities, income and expenses are consolidated. On disposal of the subsidiary, attributable amount on goodwill is included in the determination of the profit or loss and recognised in the Statement of Profit and Loss. Impairment loss, if any, to the extent the carrying amount exceeds the recoverable amount is charged off to the Statement of Profit and Loss as it arises and is not reversed. For impairment testing, goodwill is allocated to Cash Generating Unit (CGU) or a group of CGUs to which it relates, which is not larger than an operating segment, and is monitored for internal management purposes.

Notes Forming part of the Consolidated Financial Statements (Contd.)

All intra group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

An investment in an associate or a JV is initially recognized at cost on the date of the investment, and inclusive of any goodwill/capital reserve embedded in the cost, in the Balance Sheet. The proportionate share of the Group in the net profits / losses as also in the other comprehensive income is recognised in the Statement of Profit and Loss and the carrying value of the investment is adjusted by a like amount (referred as 'equity method').

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31st March 2025.

2.6 Property, plant and equipment (PPE) and Depreciation

- a) Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of PPE recognised as at 1st April, 2016 measured as per the previous GAAP.
- b) Cost is inclusive of inward freight, non-refundable taxes and duties and directly attributable costs of bringing an asset to the location and condition of its intended use.

The cost and related accumulated depreciation are derecognised from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

Notes Forming part of the Consolidated Financial Statements (Contd.)

- c) Depreciation on items of PPE is provided on a written down value basis to allocate their cost, net of their residual value over the estimated useful life of the respective asset as specified in Schedule II to the Companies Act, 2013.

The estimated useful lives of PPE of the Group are as follows:

Building	3 years
Plant and equipment	15 years
Furniture and fixtures	10 years
Vehicles	8 years
Office equipment	5 years
Computers & Accessories	3-6 years

The estimated useful lives, residual values and method of depreciation are reviewed at each Balance sheet date and are and changes, if any, are treated as changes in accounting estimate.

2.7 Intangible assets

Intangible assets are recognized at cost when it is probable that future economic benefits that are attributable to asset will flow to the company and the cost of the asset can be measured reliably. For this purpose, cost includes deemed cost which represents the carrying value of Intangible assets recognised as at 1st April, 2016 measured as per the previous GAAP.

Development rights for land will be amortised in future years upon completion of the project.

2.8 Impairment of non financial assets

Non financial assets are evaluated for recoverability whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment loss previously recognized is reversed such that the asset is recognized at its recoverable amount but not exceeding written down value which would have been reported if the impairment loss had not been recognized.

Notes Forming part of the Consolidated Financial Statements (Contd.)

2.9 Inventories

Inventories are valued at cost or net realizable value, whichever is lower. The cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Such is measured using the yearly weighted average method.

The cost of construction/project work in progress includes cost of land/development rights, rates and taxes, construction costs, borrowing costs, other direct expenditure, allocated overheads and other incidental expenses.

2.10 Revenue from Operations:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable upon transfer of control of promised goods or services to customers at an amount to which the entity expects to be entitled following a five-step model in accordance with Ind AS 115. Revenue is measured based on the consideration specified in a contract with a customer, and is reduced for volume discounts, rebates and other similar allowances.

Revenue from real estate development is recognized if the performance obligation of the same is satisfied. Performance obligation is satisfied at a point in time as per which income is recognized as and when control in property is passed to the buyer, i.e. possession/handover of the unit is given to the buyer.

Revenue from construction/project related activities is recognized over time to the extent of performance obligation satisfied and control is transferred to the customer. Contract revenue is recognized at allocable transaction price which represents the cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion method is the proportion of cost of work performed to-date, to the total estimated contract costs.

Revenue from rent and maintenance charges is recognized if the performance obligation of the same is satisfied. Performance obligation is satisfied over the period of time. The Company measures its performance obligation by using output method as specified in the Standard on the basis of number of days the property was rented.

Other Income:

Interest income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend Income

Dividend income is recognised when the Company's right to receive the dividend is established.

Share in profits of partnership firm investments

The Company's share in profits from a firm where the Company is a partner, is recognised on the basis of such firm's audited accounts, as per terms of the partnership deed.

All other incomes are accounted for on accrual basis.

Notes Forming part of the Consolidated Financial Statements (Contd.)

2.11 Unbilled receivables

Unbilled receivables represent revenue recognized based on percentage of completion method, as per policy on revenue, over and above the amount due as per the payment plans agreed with the customers.

2.12 Borrowing costs

Borrowing costs that are directly attributable to the acquisition and/or construction of a qualifying asset are capitalized as part of the cost of such asset till such time that is required to complete and prepare the asset to get ready for its intended use. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

2.13 Provisions, contingent liabilities and contingent assets

- a) Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.
- b) Contingent liability is disclosed for possible obligations which will be confirmed only by future events not wholly within the control of the Group or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- c) Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.
- d) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.14 Employee benefits

a) Short-term employee benefits

Short-term employee benefits in respect of salaries and wages, including non-monetary benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

b) Defined contribution plans

Group's Contributions to Provident are charged to the Statement of Profit and Loss in the year when the contributions to the respective funds are due.

c) Defined benefit plans

Gratuity is in the nature of a defined benefit plan. The cost of providing benefits under the defined benefit obligation is calculated on the basis of actuarial valuations carried out at reporting date by independent actuary using the projected unit credit method. Service costs and net interest expense or income is reflected in

Notes Forming part of the Consolidated Financial Statements (Contd.)

the Statement of Profit and Loss. Gain or Loss on account of remeasurements are recognised immediately through other comprehensive income in the period in which they occur.

d) Other employee benefits

The employees of the Group are entitled to compensated leave which is recognised as an expense in the statement of profit and loss account as and when they accrue. The liability is calculated based on actuarial valuation using projected unit credit method. These benefits are unfunded.

2.15 Investments in equity instruments of subsidiaries, joint ventures and associates

Investment in subsidiaries, associates and joint ventures are carried at cost as at the transition date i.e., 1st April, 2016.

2.16 Financial instruments, Financial assets, Financial liabilities and Equity instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

i) Financial Assets

(a) Recognition

Financial assets are initially recognised at transaction price when the Group becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

(b) Classification

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- 1) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/or interest.
- 2) Fair Value Through Other Comprehensive Income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.

Notes Forming part of the Consolidated Financial Statements (Contd.)

- 3) Fair Value Through Profit or Loss (FVTPL), where the assets does not meet the criteria for categorization as at amortized cost or as FVTOCI. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

(c) Impairment

The Group assesses at each reporting date whether a financial asset (or a group of financial assets) held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.

(d) De-recognition

Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Group has transferred substantially all of the risks and rewards of ownership. If the asset is one that is measured at:

(i)	amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
(ii)	fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

ii) Financial liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

iii) Equity instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

iv) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Notes Forming part of the Consolidated Financial Statements (Contd.)

v) Dividend distribution

Dividends paid (including income tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

vi) Fair value measurement

Fair value is a market-based measurement, not an entity-specific measurement. Under Ind AS, fair valuation of financial instruments is guided by Ind AS 113 "Fair Value Measurement" (Ind AS – 113).

For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions.

In determining the fair value of financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each balance sheet date.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

2.17 Tax expense

Income tax expense comprises of current and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Notes Forming part of the Consolidated Financial Statements (Contd.)

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised.

2.18 Earnings per Share

- a) Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period.
- b) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potential dilutive equity shares are adjusted retrospectively for all periods presented for any share split and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

2.19 Operating segments

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision-Maker (CODM).

The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director.

The accounting policies adopted for segment reporting are in line with the accounting policies adopted for preparing and presenting the Financial Statements of the Group as a whole. In addition, the following specific accounting policies have been followed for segment reporting:

- a) Segment revenue includes sales and other income directly identifiable with/allocable to the segment including inter segment transfers.
- b) Revenue, expenses, assets and liabilities are identified to segments on the basis of their relationship to the operating activities of the segment. Segment results represent profits before finance charges, unallocated corporate expenses and taxes. Revenue, expenses, assets and liabilities which relate to the Group as a whole and are not allocable to segments on direct and/or on a reasonable basis, have been disclosed as "Unallocable".

2.20 Foreign Currency Transactions

The functional and presentation currency of the Group is Indian Rupee.

Notes Forming part of the Consolidated Financial Statements (Contd.)

Transactions in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Gains/Losses arising on settlement as also on translation of monetary items are recognised in the Statement of Profit and Loss.

2.21 Leases

Where the Company is lessee

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased asset, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are recognized as finance costs in the statement of profit and loss.

Right of use asset is depreciated on a straight-line basis over the lower of the lease term or the estimated useful life of the asset unless there is reasonable certainty that the Company will obtain ownership, wherein such assets are depreciated over the estimated useful life of the asset.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Where the Company is the lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

2.22 Cash and cash equivalents

Cash and cash equivalents in the Balance sheet comprise cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which carry insignificant risk of changes in value.

For the purpose of the Cash Flow Statement, Cash and cash equivalents consist of Cash and cash equivalents, as defined above and net of outstanding book overdrafts as they are considered an integral part of the Group's cash management.

2.23 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments

Notes Forming part of the Consolidated Financial Statements (Contd.)

and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Group are segregated.

3. Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Revenue recognition from construction contracts

Revenue is recognised using the percentage of completion method as construction progresses in respect of construction contracts. The percentage of completion is estimated by reference to the stage of the projects determined based on the proportion of costs incurred to date and the total estimated costs to complete.

Revenue recognition from development contracts

The Company recognizes revenue using the completed contract method. This requires forecasts to be made of total budgeted cost with the outcomes of underlying construction and service contracts, which require assessments and judgements to be made on changes in work scopes, claims (compensation, rebates etc.) and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making estimates for claims, the Company used the available contractual and historical information.

Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

Estimation of Defined benefit obligations

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

Notes Forming part of the Consolidated Financial Statements (Contd.)

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans, the actuary considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Fair value measurements and valuation processes:

The fair values of financial instruments that are not traded in an active market and cannot be measured based on quoted prices in active markets is determined using valuation techniques. The Group uses its judgement to select a variety of method / methods and make assumptions that are mainly based on market conditions existing at the end of each financial year.

The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Provisions and contingent liabilities

The Company has ongoing litigations with various regulatory authorities and third parties. Where an outflow of funds is believed to be probable and are liable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. Information about such litigations is provided in notes to the financial statements.

M/s Shristi Urban Infrastructure Development Ltd. and Anr.ADJ-01 (South East), Saket Courts, New Delhi has awarded the decree to recover the contractual amount i.e. Rs. 27.61 lakhs along with penal interest @12% per annum and future interest @ 6 %. The Hon'ble Delhi High Court passed order on 18.01.2019 which says "Subject to appellant depositing the 2/3rd of the decretal amount payable as on the date of the impugned judgment and decree in this court within a period of six weeks 18.01.19, there shall be stay of operation of the impugned judgment and decree.

** Corporate guarantee of Rs. 72,522.05 lakhs (previous year Rs. 72,522.05 lakhs) was given by the Company for loan granted by the lenders to its erstwhile Subsidiary, Sarga Hotel Private Limited. One of the lenders has filed an application under Section 7 of IBC for the corporate guarantee extended by the Company for the debt of Sarga Hotel Private Ltd which is being contested and pending before NCLT, Kolkata. Subsequent to such application the Resolution Plan of Sarga Hotel Private Limited has already been approved by NCLT, Kolkata and implemented.

The amounts shown in (i) above represent the best possible estimates arrived at on the basis of available information. The uncertainties and timing of the cash flows are dependent on the outcome of different legal processes which have been invoked by the Group or the claimants, as the case may be and, therefore, cannot be estimated accurately.

The Group does not expect any reimbursement in respect of above contingent liabilities.

Notes Forming part of the Consolidated Financial Statements (Contd.)

In the opinion of the management, no provision is considered necessary for the disputes mentioned above on the ground that there are fair chances of successful outcome of the appeals.

In addition to the contingent liabilities stated above, the Group may be contingently liable to legal proceedings and claims which have arisen in the ordinary course of business/pursuant to contracts which are pending in various forums, the amount of which cannot presently be ascertained.

Notes Forming part of the Consolidated Financial Statements (Contd.)

b) Defined Benefit Plans/Long Term Compensated Absences :

Description of Plans

The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the said Act, an employee who has completed five years of service is entitled to specific benefit. The Gratuity plan provides a lumpsum payment to employees at retirement, death, incapacitation or termination of employment. The level of benefits provided depends on the member's length of service and salary at retirement age etc.

Gratuity Benefits and Leave Encashment Benefits are unfunded in nature. The liabilities arising in the Defined Benefit Schemes are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method at the year end.

The following tables summarise the components of net benefit expense recognised in the Statement of Profit and Loss and amounts recognised in the Balance Sheet for the said plan:

c) Risks related to defined benefit plans:

The main risks to which the Group is exposed in relation to operating defined benefit plans are :

- Mortality risk:** The assumptions adopted by the Group make allowances for future improvements in life expectancy. However, if life expectancy improves at a faster rate than assumed, this would result in greater payments from the plans and consequently increases in the plan's liabilities. In order to minimise this risk, mortality assumptions are reviewed on a regular basis.
- Interest Rate Risk:** The present value of Defined Benefit Plans liability is determined using the discount rate based on the market yields prevailing at the end of reporting period on Government bonds. A decrease in yields will increase the fund liabilities and vice-versa.
- Salary cost inflation risk:** The present value of the defined benefit plan liability is calculated with reference to the future salaries of participants under the Plan. Increase in salary due to adverse inflationary pressures might lead to higher liabilities.

Notes Forming part of the Consolidated Financial Statements (Contd.)

d) Asset - liability management and funding arrangements

The trustees are responsible for determining the investment strategy of plan assets. The overall investment policy and strategy for Group's funded defined benefit plan is guided by the objective of achieving an investment return which, together with the contribution paid is sufficient to maintain reasonable control over various funding risks of the plan.

e) Other disclosures :

- i) The following are the assumptions used to determine the benefit obligation:
 - a) Discount rate: The yield of government bonds are considered as the discount rate. The tenure has been considered taking into account the past long term trend of employees' average remaining service life which reflects the average estimated term of the post - employment benefit obligations.
 - b) Rate of escalation in salary : The estimates of rate of escalation in salary, considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.
 - c) Rate of return on plan assets: Not applicable as plans are unfunded.
 - d) Attrition rate : Attrition rate considered is the management's estimate based on the past long- term trend of employee turnover in the Group.
- ii) The Gratuity and Provident Fund expenses have been recognised under " Contribution to Provident and Other Funds" and Leave Encashment under " Salaries and Wages" under Note No. 26.

5. Details of Loan, guarantee and Investments covered under section 186 (4) of the Companies Act, 2013 :

- 1) The details of the loans given by the company are mentioned in Note 13.
- 2) The details of the Investments made by the company are mentioned in Note 5.
- 3) The details of the corporate guarantee given by the company are mentioned in Note 31(1).

The loans, investments and guarantees given/made by the company are for business purposes only.

6. Operating Segment :

The Company's business activity primarily falls within a single business segment i.e. Construction and Infrastructure development, in term of Ind AS 108 on Operating Segment. All the activities of the Company revolve around the main business. As such there are no separate reportable segments as per requirements of Accounting Standard (Ind AS- 108) on operating segment. Further, the Company operates only in India, hence additional information under geographical segments is also not applicable. The Managing Director of the Company has been identified as the Chief Operating Decision Maker (CODM). The Chief Operating Decision Maker also monitors the operating results as one single segment for the purpose of making decisions about resource allocation and performance assessment and hence, there are no additional disclosures to be provided other than those already provided in the financial statements. The Company operated only in India during the year ended 31st March, 2025 and 31st March, 2024. Revenue from one customer amounted to more than 10% of the total revenue amounting to Rs Nil (31st March, 2024 - Rs. Nil).

B. Fair value hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair value of cash and cash equivalents, other bank balances, trade receivables, loans and other current financial assets, short term borrowings from body corporates, trade payables and other current financial liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature.

Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using adjusted net asset value method. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Group has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2.

The following tables provide the fair value hierarchy of the Group's assets and liabilities measured at fair value on a recurring basis:

11. Financial risk management objectives and policies

The Group's activities expose it to market risk, liquidity risk and credit risk. The Group's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact on the financial statements.

Notes Forming part of the Consolidated Financial Statements (Contd.)

(a) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under financial instrument or a customer contract leading to a financial loss. The Group is exposure to credit risk from its operating activities primarily trade receivables and security deposit and from its financing activities including deposits placed with banks. Credit risk from balances with bank and other financial instrument is managed in accordance with Group's policies. Surplus funds are parked only in approved investment categories with well defined limits. Investment category is periodically reviewed by the Board of Directors of the Group.

Credit risk arising from balances with banks and other cash equivalents is limited and no collaterals are held against these because the counterparties are banks with high credit ratings assigned by credit rating agencies.

Loans and other financial assets measured at amortized cost includes loans to related parties, security deposits and others. Credit risk related to these financial assets are managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system is in place to ensure that the amounts are within defined limits.

Customer credit risk is managed as per Group's established policy, procedure and control related to credit risk management. Credit quality of the customer is assessed based on his previous track record and individual credit limit are defined according to this assessment. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each balance sheet date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Assets are written off when there is no reasonable expectation of recovery. The Group continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss. The maximum exposure to credit risk at the balance sheet date is the carrying value of each class of financial assets.

The Group assesses and manages credit risk of financial assets on the basis of assumptions, inputs and factors specific to the class of financial assets. The Group provides for expected credit loss on Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets based on 12 months expected credit loss/life time expected credit loss/ fully provided for. Life time expected credit loss is provided for trade receivables.

Expected credit loss for trade receivables under simplified approach

In respect of trade receivables, the Group considers provision for lifetime expected credit loss. Given the nature of business operations, the Group's trade receivables has low credit risk. Further, historical trends indicate any shortfall between such deposits held by the Group and amounts due from customers have been negligible. Hence, no loss allowances using life time expected credit loss mode is required.

(b) Liquidity risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligation on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates.

Total	24,714.06	36,353.76	-	61,067.82

(c) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market prices. Market rate risk comprises of currency risk, interest rate risk and other price risk such as equity price risk and commodity risk.

Foreign currency risk

Foreign currency risk is the risk of impact related to fair value of future cash flows if an exposure in foreign currency, which fluctuate due to change in foreign currency rate. The Group has no international transactions and is not exposed to foreign exchange risk.

Interest rate risk

Interest rate risk is the risk that an upward movement in the interest rate would adversely effect the borrowing cost of the Group. The Group manages its interest rate risk by regular monitoring and taking necessary actions as are necessary to maintain an appropriate balance.

i) Liabilities

The Group's fixed rate borrowings are carried at amortised cost. They are, therefore, not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The exposure of the Group's borrowings to interest rate changes at the end of the reporting period are as follows:

a) Interest rate risk exposure

(₹ in lakhs)

	March 31, 2025	March 31, 2024
Variable rate borrowings	38,245.38	41,358.64

(₹ in lakhs)

	Impact on profit	
	March 31, 2025	March 31, 2024
Interest rates - increase by 70 basis points	267.72	289.51
Interest rates - decrease by 70 basis points	267.72	289.51

ii) Assets

The Group's fixed deposits, interest bearing security deposits and loans are carried at fixed rate. Therefore, not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Price risk

Price risk is the risk that the fair value of financial instrument will fluctuate due to change in market traded price.

The Group's exposure to price risk arises from investments held and classified as FVTPL. To manage the price risk arising from investments in mutual funds, the Group diversifies its portfolio of assets.

12. Capital Management

(a) Risk management

For the purpose of the Group's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity share-holders of the Group. The Group's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stake holders and maintain an optimal capital structure to reduce the cost of Capital.

The Group manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares.

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. The Group has complied with these covenants.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2025 and 31st March, 2024.
