MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS

As the world continued its recovery from the lingering aftereffects of the COVID-19 pandemic, the Russia-Ukraine conflict persisted, leaving behind lasting economic, social, and political repercussions. Global inflation, which had touched multi-decade highs of over 8% during the crisis, showed signs of easing in 2025–26, though many developed economies continued to battle elevated price levels and tighter monetary conditions. Central banks across the globe maintained a cautious stance, with interest rates remaining at relatively higher levels to anchor inflation expectations.

The prolonged conflict continued to disrupt global trade flows and energy markets, although supply adjustments and diversification strategies have somewhat softened the earlier shocks. Europe, still grappling with energy security challenges, accelerated its transition towards alternative and renewable sources.

This environment has reinforced the critical need for energy self-reliance worldwide. Consequently, countries have fast-tracked climate action plans and expanded renewable capacity at scale. While supply chain pressures and commodity price volatility remain intermittent challenges, the thrust of low-carbon investments has shifted towards building resilient, localized supply ecosystems and strengthening green infrastructure.

INDIAN ECONOMIC OVERVIEW

India's economy continued to demonstrate resilience, recording a growth of 7.6% year-on-year in FY 2025–26, supported by robust domestic demand, strong services sector performance, and government-led infrastructure spending. On a sequential basis, quarterly growth has remained steady, reflecting sustained momentum across multiple sectors despite global uncertainties.

Industrial output growth remained moderate at 3.2% in October 2025, compared with 3.1% in the previous month. However, subdued performance in the capital goods and consumer goods segments constrained overall industrial expansion. The slowdown in the base effect also contributed to reduced momentum compared to the double-digit growth observed during the first half of CY 2025. November witnessed broad-based improvements in output across most sectors, with the exception of electricity, capital goods, and consumer durables.

While consumption and investment activity are gradually recovering, a durable and broad-based pick-up is still awaited. Structural challenges such as weak private investment appetite, demand-side pressures, and rising input costs continue to weigh on growth. Global headwinds, including elevated interest rates, geopolitical uncertainties, and volatile commodity prices, add to the external risks.

Nevertheless, India's medium-term outlook remains positive, supported by a stable financial system, government reforms, and rising investor confidence. The economy is projected to remain one of the fastest-growing major economies in 2026, with GDP growth expected in the range of 6.8%–7.0%.

OVERVIEW OF THE FINANCIAL SERVICES INDUSTRY

Non-Banking Financial Companies (NBFCs) demonstrated resilience through 2026 and are expected to sustain growth momentum in 2027. The sector continues to benefit from an improving macroeconomic environment, stronger balance sheets, higher provisions, and improved capital adequacy positions. Growth is further supported by rising credit demand, government infrastructure push, and deeper financial penetration across semi-urban and rural markets.

However, the pace of near-term expansion is tempered by global headwinds such as elevated interest rates, geopolitical uncertainties, and commodity price volatility. Domestically, demand drivers are gradually strengthening, positioning NBFCs for steady growth in the medium term. India's real GDP is projected to expand by 6.8%–7.0% in FY 2026–27, underpinning sectoral opportunities.

On the asset quality front, NBFCs continue to face pressure. Following the Reserve Bank of India's (RBI) revised NPA recognition and upgradation norms under its scale-based regulatory framework, gross NPAs are expected to see a rise in the short term. As per CARE Ratings' November 2025 report, gross NPAs could increase by up to 300 basis points, though the impact on shorter-tenure retail loans is expected to be limited.

According to a CRISIL report, the worst of the asset-quality stress appears to be behind the sector, and NBFCs are poised to benefit from the broader economic upturn. The Assets Under Management (AUM) of NBFCs is expected to grow by 8–10% in FY 2027, compared to 6–8% in the previous year, supported by diversification of funding sources and improved investor confidence.

By extending secured and unsecured credit to millions of underbanked and unbanked individuals and businesses across the country, NBFCs play a crucial role in driving financial inclusion and enabling wider participation in the formal financial system.
2. However, the NBFC lending model remains exposed to several internal and external challenges, which could impact sustainability, profitability, and growth prospects. The key risks are as follows:
3. Operational Risk
4. Risk arising from inadequate processes, systems, or internal controls, which may disrupt continuity of business operations, damage reputation, and adversely affect profitability.
5. Credit Risk
6. Risk of default or non-repayment of loans by borrowers, leading to monetary loss in terms of both principal and interest income. This remains a critical risk given the diverse borrower base.
7. Business Risk
8. Exposure to external risks such as industry dynamics, competitive pressures, and macro-economic volatility, which can directly influence sustainability and profitability. Fluctuations in demand and sectoral outlook may also result in impairment of loan assets.
9. Regulatory Risk
10. Risk of material impact on operations due to changes in laws, regulations, or RBI guidelines under the evolving scale-based regulatory framework for NBFCs.
11. Human Capital Risk

The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITY OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in exercise of powers conferred by sub-section 11 of section 143 of the Act, we give in the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of **Pro Fin Capital Services Limited** as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
