NOTES:-

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF / HERSELF AND A PROXY NEED NOT BE A MEMBER OF THE COMPANY. PROXIES IN ORDER TO BE EFFECTIVE SHOULD BE DULY STAMPED, COMPLETED AND SIGNED AND MUST BE RECEIVED BY THE COMPANY NOT LESS THAN 48 HOURS BEFORE THE TIME FOR HOLDING THE MEETING**

A person can act as a proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten (10) percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or member.

2. A Statement pursuant to Section 102(1) of the Companies Act, 2013, relating to the Special Business to be transacted at the Meeting is annexed hereto.
3. A proxy does not have the right to speak at the meeting and can vote only on a poll.
4. **The Register of Members and Share Transfer Books will remain closed from Friday, the 24th day of September, 2021 to Thursday, the 30th day of September, 2021 (both days inclusive).**
5. **The Cut Off Date (Record Date) will be on Thursday, the 23rd day of September, 2021 for the ascertainment of Members entitled to attend and vote in the Annual General Meeting.**
6. Members holding shares in Physical Form are requested to notify the change in their addresses to **M/s Maheshwari Datamatics Pvt. Ltd at 23, R.N. Mukherjee Road, 5th Floor, Kolkata-700001, Registrar and Share Transfer Agent (RTA) of the Company** or to the Company at its Registered Office Address. Always quote your Folio No. in all correspondence.
7. All relevant documents referred in the Notice will be available for inspection by the members at the Registered Office of the Company between 11:00 A.M. to 01:00 P.M. on any working day of the Company up to the date of the meeting.
8. A copy of this notice has been placed on the WEBSITE of the Company at **www.viscotradeassociates.in**
9. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s), dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
10. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
11. SEBI has also mandated that for registration of transfer of securities, the transferee(s) as well as transferor(s) shall furnish a copy of their PAN card to the Company for registration of transfer of securities.

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

12. Electronic copy of the Annual Report for 2021 will be sent to all the members whose email IDs are registered with the Company/ Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, a Physical Copy of the Annual Report for 2020-21 will be sent in the permitted mode.
13. The Ministry of Corporate Affairs (MCA) has come out with a circular Nos. 17/2011 dated 21/04/2011 & 18/2011 dated 29/04/2014 propagating "Green Initiative" encouraging Corporate to serve documents through Electronic Mode. Accordingly, those shareholders, who want the Annual Report in electronic mode, are requested to send their e-mail address.
14. Electronic copy of the Notice of the 39th Annual General Meeting of the Company, *inter alia*, indicating the process and manner of electronic voting ('e-voting') along with Attendance Slip, Proxy Form and Route Map is being sent to all the members whose email IDs are registered with the Company/ Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Notice of the 39th Annual General Meeting of the Company, *inter alia*, indicating the process and manner of e-Voting along with Attendance Slip, Proxy Form and Route Map is being sent in the permitted mode.
15. Members may also note that the Notice of the 39th Annual General Meeting, Attendance Slip, Proxy Form, Route Map, Ballot Paper and the Annual Report for 2021 will also be available on the Company's WEBSITE at www.viscotradeassociates.in for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office at Kolkata for inspection during normal business hours on working days. For any communication, the shareholders may also send requests to the Company's Investor's Email ID: tradevisco@gmail.com.
16. **The voting rights of members will be in proportion to their shares of the paid up equity share capital of the Company as on the Cut-Off Date on 23rd September, 2021.**
17. **Mrs. Megha Chowdhury, Practicing Company Secretary (Membership No. 44567)** has been appointed as the Scrutinizer to scrutinize the voting and remote e-voting process in a fair and transparent manner.
18. The Chairman shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of scrutinizer, by use of ballot paper for all those members who are present at the AGM but have not cast their votes by availing the remote e-voting facility.
19. The Scrutinizer shall after the conclusion of voting at the AGM, first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than three days of the conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
20. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.viscotradeassociates.in and on the website of CDSL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the CSE- Kolkata & BSE - Mumbai.

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

21. All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection at the Registered Office of the Company during normal business hours (10:00 am to 5:00 pm) on all working days except Saturdays, up to and including the date of the Annual General Meeting of the Company.

22. **The Instructions of Shareholders for Remote e-Voting are as under:-**

CDSL e-Voting System – For Remote e-voting

- (i) The voting period begins on **27th September, 2021 at 9.00 A.M. and ends on 29th September, 2021 at 5.00 P.M.** During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **23rd September, 2021**, may cast their vote electronically. The e-Voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The URL for users to login to Easi / Easiest are https://web.cdslindia.com/myeasi/home/login or visit www.cdslindia.com and click on Login icon and select New System Myeasi.

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

	2) After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Additionally, there is also links provided to access the system of all e-Voting Service Providers i.e. CDSL/NSDL/KARVY/LINKINTIME, so that the user can visit the e-Voting service providers' website directly.
	3) If the user is not registered for Easi/Easiest, option to register is available at https://web.cdslindia.com/myeasi/Registration/EasiRegistration .
	4) Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the e-voting is in progress and also able to directly access the system of all e-Voting Service Providers.
Individual Shareholders holding securities in demat mode with NSDL	1) If you are already registered for NSDL IDeAS facility, please visit the e-Services website of NSDL. Open web browser by typing the following URL: https://eservices.nsdl.com either on a Personal Computer or on a mobile. Once the home page of e-Services is launched, click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
	2) If the user is not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com . Select "Register Online for IDeAS "Portal or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp .
	3) Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
Individual Shareholders (holding securities in demat mode) login through their Depository Participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL.	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 and 22-23058542-43.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

(v) Login method for e-Voting and joining virtual meeting for **shareholders other than individual shareholders holding in Demat form & physical shareholders.**

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on “Shareholders” module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For Shareholders holding shares in Demat Form other than individual and Physical Form
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

- (vi) After entering these details appropriately, click on “SUBMIT” tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

- (ix) Click on the **EVSN: 210901022** for **M/s Visco Trade Associates Limited** on which you choose to vote.
- (x) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiii) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) **Facility for Non – Individual Shareholders and Custodians –Remote Voting**
 - Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
 - Alternatively Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; tradevisco@gmail.com, if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

DIRECTOR'S REPORT TO THE MEMBERS

1. Your Directors have pleasure in presenting the **39th Annual Report** of the Company together with the Audited Statement of Accounts period ended on 31st March, 2021 along with Auditor's Report thereon. The consolidated performance of the Company and its subsidiaries has been referred to wherever required.

2. FINANCIAL RESULTS

The Company's financial performance, for the year ended March 31, 2021 is summarized as below:-

PARTICULARS	31.03.2021 Rupees in Lakh	31.03.2020 Rupees in Lakh
Total Revenue	196.16	2492.72
Profit /(Loss) Before Taxation	46.98	(224.55)
Less: Taxation	0.94	(0.51)
Profit/ (Loss) After Taxation	46.04	(224.04)
Less : Net (Loss) / gain on FVTOCI Equity Securities Net of Taxes	7.45	(1.53)
Total Comprehensive Income / (Loss) for the Year	53.49	(225.57)

3. OPERATIONS AND BUSINESS ACTIVITIES:

The Company's Profit/(Loss) after Tax stood at Rs. 46.04 Lakh for the Financial Year 2020-21 as against Profit/(Loss) after Tax Rs. (224.55) Lakh in the last Financial Year 2019-2020. Your Company is carrying on the business of Non-Banking Financial Company and holds a valid Certificate of Registration issued by Reserve Bank of India. Your Company intends to expand its financial market segment and capitalize the set up for the same along with increased capacity as required by the business. This year the Company could do slightly better than the last year in spite of the spread of 2nd wave of CORONA (COVID-19) Worldwide. Though all activities were affected due to this virus; still the company could manage the things better. The Pandemic COVID-19, are still spreading and India is now in the same race as rest of the world. We hope to overcome this VIRUS and we will do much better in the coming years.

4. COVID-19

'COVID-19 pandemic had led to a significant decrease in global & local economic activity, which may persist. The Company has used the principles of prudence to provide for the impact of pandemic on the Financial Statements. The Company has taken into account the possible impact of COVID-19 in preparation of the audited standalone financial results, including its assessment of recoverable value of its assets based on internal and external information upto the date of approval of these audited standalone financial results and current indicators of future economic conditions. We hope, the crisis should end soon and life becomes normal.

5. CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements of the Company for the year 2021 have been prepared in compliance with the applicable provisions of the Companies Act, 2013 and as stipulated under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The audited consolidated financial statement together with the Auditor's Report thereon forms part of the Annual Report.

6. MATERIAL CHANGES & COMMITMENTS

No material changes and commitments have occurred from the date of close of the financial year till the date of this Report, which affect the financial position of the Company.

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

7. DIVIDEND

Your Company has retained its earnings and therefore, do not recommend any dividend.

8. RESERVES

Your Company has transferred Rs. 9.21 Lakh to Special Reserve Fund for the FY 2020-21 as required under Section 45IC of Reserve Bank of India Act, 1934.

9. SHARE CAPITAL

During the year, the Company has not issued shares with differential voting rights nor any bonus shares nor granted stock options nor sweat equity. The Paid up Equity Share Capital of the Company is Rs.4,80,28,000/-.

10. APPLICABILITY OF ANNUAL ACCOUNTS UNDER IND AS FOR THE FIRST TIME

Your Company's Annual Accounts for the F.Y. 2020-21 has been prepared as per Accounting Standards under IND AS along with its Subsidiaries.

11. PUBLIC DEPOSITS

The Company is a non-deposit taking Non-Banking Financial Company and therefore, it has not accepted any public deposit during the year. Further, your Company has not accepted any deposits within the meaning of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014.

12. FINANCE

The Company continues to manage its capital, receivables, inventories and other working capital parameters in a very prudent and judicious way. These are kept under strict check through continuous monitoring. The financing is done from the Company's Own Equity.

13. RBI GUIDELINES

As a Non Deposit Taking NBFC, your Company always aims to operate in compliance with applicable RBI Laws, Rules and Regulations and employs its best efforts towards achieving the same.

14. SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

There is no significant material order passed by the Regulators / Courts which would impact the going concern status of the Company and its future operations.

15. DIRECTORS AND KEY MANAGERIAL PERSONNEL(KMP)

Mr. Vinay Kumar Goenka, continue to hold the position of Managing Director and all other Directors work under his guidance and supervision. There has been no change in Directors and / or KMPs.

16. EXPLANATIONS OR COMMENTS BY THE BOARD ON EVERY QUALIFICATION, RESERVATION OR ADVERSE REMARK OR DISCLAIMER MADE

There has been no Qualification, Reservation or adverse Remark or disclosure by the Auditors and therefore, no comments or explanation is required in this regard.

17. DIRECTORS RESPONSIBILITY STATEMENT

In terms of the requirement of Section 134 (3) (c) of the Companies Act, 2013, your Directors state that:

- a) in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- b) they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period;

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

- c) they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) they have prepared the annual accounts on a going concern basis;
- e) they have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- f) they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

18. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS

During the Financial Year 2020-21, five Board meetings were held on 22.06.2020, 30.07.2020, 15.09.2020, 11.11.2020 and 12.02.2021. The intervening gap between the two Board Meetings was within the period as prescribed under the Companies Act, 2013. The intervening gap between the two Board Meetings was within the limits as prescribed under the Companies Act, 2013.

19. BOARD EVALUATION

The Board of Directors has carried out an annual evaluation of its own performance, Board Committees and individual Directors pursuant to the provisions of the Companies Act, 2013 and SEBI Listing Regulations.

The performance of the Board was evaluated by the Board after seeking inputs from all the directors on the basis of criteria such as the board composition and structure, effectiveness of board processes, information and functioning etc.

The performance of the committees was evaluated by the Board after seeking inputs from the committee members on the basis of criteria such as the Composition of Committees, Effectiveness of Committee Meetings, etc. The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India.

20. DIRECTORS AND VARIOUS COMMITTEES

Mr. Dipak Sundarka, Director, retires by rotation and being eligible, offers himself for re-appointment.

Form No. MR-3
SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

**The Members,
Visco Trade Associates Limited
18, British Indian Street
3rd Floor
Kolkata:-700069**

I have conducted the Secretarial Audit of the compliance of applicable Statutory Provisions and the adherence to good corporate practices by Visco Trade Associates Limited (Hereinafter called “**the Company**”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the Corporate Conducts/ Statutory Compliances and expressing my opinion thereon.

Based on my verification of the Visco Trade Associates Limited books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Visco Trade Associates Limited for the financial year ended on 31st March 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ['SCRA'] and the rules made there under; (**not applicable to the Company during the Audit Period**)
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (**not applicable to the Company during the Audit Period**).
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India [Substantial Acquisition of Shares and Takeovers] Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (**not applicable to the Company during the Audit Period**).
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (**not applicable to the Company during the Audit Period**).

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

- f) The Securities and Exchange Board of India [Registrars to an issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations 2009; and **(not applicable to the Company during the Audit Period).**
 - h) The Securities and Exchange Board of India (Buyback of securities) Regulation, 1998; **(not applicable to the Company during the Audit Period).**
- (vi) I have relied on the representation made by the Company and its officers for systems and mechanism formed by the Company for compliance under other applicable Acts, Laws and Regulations. The List of major head/groups of Acts, Laws and Regulations as applicable to the Company inter alia includes :
- The RBI ACT, 1934
 - Acts prescribed under Direct Tax and Indirect Tax.
 - Acts Prescribed by State Legislative Assembly

I have also examined compliance with the applicable clauses of the following:

- a. Secretarial Standards issued by The Institute of Company Secretaries of India. **(not notified during the audit period hence not applicable to the Company)**
- b. The Listing Agreements entered into by the Company with Stock Exchange(s) read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review are carried out in compliance with the provisions of the Act.
2. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda are sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
3. Majority decision is carried through while the Dissenting Members' views are captured and recorded as part of the minutes.
4. I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
5. **I further report that** during the audit period the Company has not passed any special resolutions which are having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

This Report is to be read with our letter of even date which is annexed as “**Annexure A**” and forms as an integral part of this Report.

Management Discussion and Analysis Report

This Management Discussion and Analysis Report contain forward looking statements which are based on certain assumptions, risks, uncertainties and expectations of future events. The actual results, performance or achievements can thus differ materially from those projected in any such statements depending on various factors including the demand supply conditions, change in government regulations, tax regimes, economic development within the country and abroad and such other incidental factors over which, the Company does not have any direct control.

This Report is framed in compliance with the Securities and Exchange Board of India (Listing Obligations and Disclosure).

Company Structure & Development

Your Company is a Non Banking Financial Company engaged in the business of Investment in Shares and other securities, Loans and advances etc. NBFCs have played an important role in resource mobilization and credit intermediation, thereby helping commercial sector to make up for low bank credit growth. The government took immediate steps to bring curb the severity. As a result, the flow of resources from the banking sector to NBFCs did improve to certain extent. However, financial markets remained cautious on NBFCs and the squeeze in of inflow of resources to NBFCs has impacted the lending capability of the sector. The gradual improvement in liquidity situation indicates stabilization for the NBFC sector. Regardless of the recent panic, NBFCs are here to stay and will play a significant role in economic growth and financial inclusion.

The company's main activity is to invest in shares and securities as well as loans and advances. By understanding what's most important to our customers. We have been able to deliver the right financial assistance at the right point of time. We are continuously adapting to the changing regulatory framework, strengthening our capital reserves.

Internal Control Systems and their adequacy

The Company strives to continuously upgrade its Internal Control System in line with the best available practices to commensurate with its size and the nature of its operations. The Company's Internal Control Systems are thus adequate.

The Audit Committee in coordination with the Internal Audit team regularly reviews the adequacy and effectiveness of internal control systems, in view of the ever changing business environments. This has improved the management of the affairs of the Company and strengthened transparency and accountability. Your company is a small sized, listed under CSE and BSE, Non Banking Financial Company (NBFC).

Opportunities & Threats

The intense competition in the NBFC Sector, high cost of funds, coupled with regulatory restrictions - are some of the challenges for the NBFC sector. However, the opportunity of being a well regulated participant in the financial system is likely to outweigh the costs associated with greater regulations in the long run. Moreover, opportunities arising from large untapped rural and urban markets and increasing digitization are expected to benefit the NBFC sector.

Future Strategies

Your Company has the vision to be specialized in other financial services such as factoring, lease finance, venture capital finance, financing road transport and also in the business of securities-based lending such as Loan against Shares, Margin Funding, IPO Financing, Promoter Funding etc. The Company wishes to diversify its lending activities in future and look forward to grab the opportunities of the other Financial Sectors.

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

Risks and Concerns

The risk management plan of the Company is monitored and assessed by the Internal Management of the Company from time to time. This is done through strict adherence to the credit policy made by the Company and several other assessment processes.

NBFCs are subjected to credit risks, which, your Company manages through stringent credit norms to verify the identity of an individual and also determining their intent and ability to repay a loan. Further, NBFC's are also exposed to Interest Rate Risk and liquidity risk which are managed through regular monitoring of maturity profile. Besides, operational risks in the form of risks of incurring losses due to manual errors, fraud or system failure, can be monitored through an effective internal control system management and its periodic assessment.

Human Resources

The Company always considers its human resources as a valuable asset and is committed towards their development for continuous growth. Focus on training to enhance the skill-sets of employees in line with the business and market requirements continued throughout the year and it confers rewards and recognition based on merit. The employee relations have continued to be harmonious throughout the year.

Cautionary Statement

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of the applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could influence the Company's operations include economic and political conditions in which the Company operates interest rate fluctuations, changes in Government / RBI regulations, Tax laws, other statutes and incidental factors.

CORPORATE GOVERNANCE

Visco's Philosophy on Corporate Governance

Corporate Governance envisages commitment of the Company towards the attainment of high levels of transparency, accountability and equity with the ultimate objective of increasing long-term shareholders value, keeping in view the needs and interests of all the stakeholders.

With the above mentioned objectives, your Company has always been trying to comply with all legal requirements as laid down from time to time by different Statutory Bodies and strictly follows and comply the norms laid down by SEBI, Compliances under Companies Act, Rules and Regulations, applicable Directions of the RBI laid down for NBFC and many more as and when required.

During the year, the Company has complied with applicable Corporate Governance norms as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter, the "Listing Regulations").

We strive to conduct our business and strengthen our relationships in a manner that is responsible, dignified and distinctive. Therefore, we have adopted various codes and policies to carry out our duties in an ethical manner. Some of these codes and policies are:

- Code for Board of Directors and Board Committees
- Code of Business Conduct and Ethics for Directors / Management Personnel
- Code of Conduct for Prohibition of Insider Trading

Board of Directors

The Company's Board of Directors comprises of one Managing Director, three Non- Executive Directors in the Financial Year 2020-21. Two of the Non - Executive Directors are also Independent Directors as defined in the SEBI (LODR) Regulations, 2015 along with the respective section 149 of the Companies Act, 2013.

Sl. Nos.	Name of Directors	Designation	Category	DIN
1.	Vinay Kumar Goenka	Managing Director	Executive	01687463
2.	Dipak Sundarka	Director	Non-Executive	05297111
3.	Niranjan Kumar Choraria	Independent Director	Non-Executive	03626290
4.	Anju Gupta	Independent Director	Non-Executive	01762154

Board Meetings

During the Financial Year 2020-21, five Board meetings were held on 22.06.2020, 30.07.2020, 15.09.2020, 11.11.2020 and 12.02.2021. The intervening gap between the two Board Meetings was within the period as prescribed under the Companies Act, 2013. The intervening gap between the two Board Meetings was within the limits as prescribed under the Companies Act, 2013.

None of the Directors held directorship in more than 10 Public Limited Companies and/or were members of more than 10 committees or acted as Chairman of more than 5 committees across all the Indian Public Limited Companies in which they were Directors.

None of the Directors served as Director in more than 8 listed Companies.

None of the Independent Directors served as an Independent Director in more than 7

(seven) listed Companies. No shares are held by any of the Directors of the Company.

Familiarization Programme

The Board members are provided with necessary documents, reports and internal policies to enable them to familiarize with the Company's procedures and practices. Periodic presentations are made at the Board and Board Committee Meetings, on business and performance of the Company, global business environment, business strategy and risks involved. Detailed presentations on the Company's business segments were made at the separate meetings of the Independent Directors held during the year.

Board Agenda

Meetings are governed by a structured agenda. The Board members, in consultation with the Chairman, may bring up any matter for the consideration of the Board. All major agenda items are backed by comprehensive background information to enable the Board to take informed decisions. Agenda papers are generally circulated seven to fourteen days prior to the Board meeting.

Information placed before the Board

Necessary information as required under the Companies Act and the Listing Agreement/SEBI Listing Regulations as applicable have been placed before and reviewed by the Board from time to time. The Board also periodically reviews compliance by the Company with the applicable laws/statutory requirements concerning the business and affairs of the Company.

Code and Policies

The Board has adopted all applicable codes and policies as per the requirement of the Companies Act, 2013, SEBI (Prohibition of Insider Trading) Regulations, 2015 and the Listing Agreement/SEBI Listing Regulations. The requisite codes and policies are posted on the Company's WEBSITE at www.viscotradeassociates.in.

Skills /expertise/competence of the Board of Directors

In the opinion of the Board and the Nomination and Remuneration Committee, the following is a list of core skills/expertise/competencies required in the context of the Company's business which are available with the Board:

Ethics & Governance	Experience in developing and implementing good corporate governance practices, maintaining board and management accountability, managing stakeholders' interests and Company's responsibilities towards employees, regulatory bodies and the communities in which it operates.
--------------------------------	--

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

COMMITTEES OF THE BOARD

As on 31st March 2021, the Company had two committees of the Board of Directors – Audit Committee and Nomination and Remuneration Committee.

The minutes of all Board and Committee meetings are placed before the Board and noted by the Directors at the Board meetings. The role, composition and terms of reference of Audit Committee and Nomination and Remuneration Committee including the number of meetings held during the year ended and the related attendance are stated hereinafter.

AUDIT COMMITTEE

The Audit Committee of the Board as on 31st March, 2021 consisted of three Directors, namely, Mrs. Anju Gupta, Mr. Niranjana Kumar Choraria and Mr. Vinay Kumar Goenka.

Mr. Niranjana Kumar Choraria is the Chairman of the Audit Committee, having adequate financial and accounting qualification and expertise. The other Members of the Committee are also financially literate.

The Members of the Audit Committee have wide exposure and knowledge in the areas of finance and accounting. The role and terms of reference of the Audit Committee covers the areas mentioned under Regulation 18 of Listing Regulations and Section 177 of the Companies Act, 2013. The Audit Committee, inter alia, provides reassurance to the Board on the existence of an effective Internal Control Environment.

Brief descriptions of the terms of reference of the Audit Committee are as follows:-

1. Reviewing of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible;
2. Recommendation for appointment, remuneration and terms of appointment of statutory auditors of the Company;
3. Approval of payment to statutory auditors for any other services rendered by them;

VISCO TRADE ASSOCIATES LIMITED

CIN: L57339WB1983PLC035628

4. Reviewing, with the management, the annual financial statements and auditor's report thereon before submission to the Board for approval, with particular reference to:
 - Compliance with listing and other legal requirements relating to financial statements;
 - Changes, if any, in accounting policies and practices and reasons for the same;
 - Matters required to be included in the Directors' Responsibility Statement to be included in the Board's report in terms of clause (c) of sub-section 3 of Section 134 of the Companies Act, 2013;
 - Qualifications in the draft audit report, if any;
 - Major accounting entries involving estimates based on the exercise of judgment by management;
 - Significant adjustments made in the financial statements arising out of audit findings;
 - Disclosure of any related party transactions, if any;
 - Any other significant Matters relating to Financial Statements, if any.
5. Reviewing, with the management, the quarterly financial statements before submission to the Board for approval;
6. Discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
7. Reviewing and monitoring the auditor's independence and performance and effectiveness of audit process;
8. Approval or any subsequent modification of transactions of the company with related parties;
9. Scrutiny of inter-corporate loans and investments;
10. Evaluation of internal financial controls and risk management systems;
11. Reviewing, with the management, performance of statutory auditor and internal adequacy of the internal control systems;
12. Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
13. Discussion with internal auditors of any significant findings and follow up there on;
14. Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the board;
15. Valuation of undertakings or assets of the company, wherever it is necessary;
16. To look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
17. To review the functioning of the Vigil Mechanism and Whistle Blower mechanism;
18. Approval of appointment of CFO (i.e., the whole-time Finance Director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background, etc. of the candidate;
19. Carrying out any other function as is mentioned in the terms of reference of the Audit Committee.
20. Reviewing the following information:
 - Management discussion and analysis of financial condition and results of operations;
 - Statement of significant related party transactions (as defined by the Audit Committee), submitted by management;
 - Management letters / letters of internal control weaknesses issued by the statutory auditors;
 - Internal audit reports relating to internal control weaknesses; and
 - Reviewing the appointment, removal and terms of remuneration of the Internal Auditor.

Meetings and attendance during the year

The particulars of meetings attended by the Members of the Audit Committee during the financial year ended 31st March, 2021 are given below:-

Name of the Director	Category	No. of Meetings	
		Held during the year	Attended
Mr. Niranjan Kumar Choraria, Chairman	Non-Executive Independent Director	4	4
Mrs. Anju Gupta	Non-Executive Independent Director	4	4
Mr. Vinay Kumar Goenka	Executive – Managing Director	4	4

Four Meetings of the Audit Committee were held during the financial year ended 31st March 2021. The dates on which the Audit Committee Meetings were held are 30.07.2020, 15.09.2020, 11.11.2020 and 12.02.2021. All the meetings were held in such time that the gap between any two meetings did not exceed four months, thereby complying with the Companies Act, 2013.

There have been no instances during the year where recommendations of the Audit Committee were not accepted by the Board.

Nomination and Remuneration Committee

Brief Description of Terms of Reference

The role and principal terms of reference of the Nomination and Remuneration Committee in terms of Section 178 of the Companies Act, 2013 and Regulation 19 of Listing Regulations are as follows:

- To identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board for their appointment/removal.
- Formulate criteria for determining qualifications, positive attributes and independence of a Director and recommend to the Board a policy relating to the remuneration for the Directors, Key Managerial Personnel and other Employees;
- Formulation of criteria for evaluation of performance of Independent Directors and the Board of Directors;
- To carry out evaluation of every Director's performance;
- To devise a policy on Board diversity;
- Whether to extend or continue the term of appointment of Independent Director on the basis of performance evaluation of Independent Directors;
- Recommend to the Board, all remuneration, in whatever form, payable to Senior Management.

The Nomination and Remuneration Committee of the Board as on 31st March, 2021 comprised of Independent Non Executive Directors in accordance with the Provisions of the Companies Act, 2013. All the members of the Committee had attended the meetings.

The Nomination and Remuneration Committee met two times during the year 2020-21 on 30th July, 2020 and 11th November, 2020.

VISCO TRADE ASSOCIATES LIMITED

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF VISCO TRADE ASSOCIATES LIMITED
Report on the Audit of the Consolidated Financial Statements**

Opinion

We have audited the accompanying consolidated financial statements of Visco Trade Associates Limited ("the Company"), and its subsidiaries, (the Company and its subsidiaries together referred to as the "Group") which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, the consolidated loss and consolidated total comprehensive loss, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter (KAM)	Auditor's Response
1.	Impairment loss allowance of loans and advances Impairment loss allowance of loans and advances ("Impairment loss allowance") is a key audit matter as the Company has significant credit risk exposure.	We started our audit procedures with the understanding of the internal control environment related to Impairment loss allowance. Our procedures over internal controls focused on recognition and measurement of impairment loss allowance. We assessed the design and tested the operating effectiveness of the selected key controls implemented by the Company.

Head Office

: 4, Chowringhee Lane, Block - III, 8th Floor, Suit # 8F, Kolkata - 700 016
Tel. : +91 33 2252 1911/12, Fax : 2252 1913, E-mail : d.p.kolkata@yahoo.com, Website : www.dasandprasad.com

Bhubaneswar Office

: Siddhivinayak Enclave, Block - A1, Room No. 408, Dist. : Khurda, Bhubaneswar - 751005

The value of loans and advances on the balance sheet is significant and there is a high degree of complexity and judgement involved for the Company in estimating individual and collective credit impairment provisions and write-offs against these loans. The Company's model to calculate expected credit loss ("ECL") is inherently complex and judgement is applied in determining the three-stage impairment model ("ECL Model"), including the selection and input of forward-looking information. ECL provision calculations require the use of large volumes of data. The completeness and reliability of data can significantly impact the accuracy of the modelled impairment provisions. The accuracy of data flows and the implementation of related controls are critical for the integrity of the estimated impairment provisions.	We also assessed whether the impairment methodology used by the Company is in line with the requirements of Ind AS 109, "Financial Instruments". More particularly, we assessed the approach of the Company regarding the definition of default, Probability of Default, Loss Given Default and incorporation of forward-looking information for the calculation of ECL. For loans and advances which are assessed for impairment on a portfolio basis, we performed particularly the following procedures: • tested the reliability of key data inputs and related management controls; • checked the stage classification as at the balance sheet date as per definition of default; • validated the ECL model and calculation by involving our Information Technology Expert; • calculated the ECL provision manually for a selected sample; and • assessed the assumptions made by the Company in making accelerated provision, considering forward looking information and based on the status of a particular industry as on the reporting date. For loans and advances which are written off during the year under audit, we read and understood the methodology and policy laid down and implemented by the Company in this regard along with its compliance on sample basis.
---	--

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged With Governance for the Consolidated Financial Statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and

maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, Board of Directors is responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements

of such entities included in the consolidated financial statements of which we are the independent auditors

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

We did not audit the financial statements/ financial information of five (5) subsidiaries whose financial statements/information reflect total assets of Rs 6363.43 Lacs and net assets of Rs. 6316.72 Lacs as at March 31, 2021 and total revenue of Rs. 805.22 Lacs, total net profit/(loss) of Rs. (59.59) Lacs and total comprehensive income/(loss) of Rs.(59.59) for the year ended March 31, 2021 and net cash outflow of Rs.19.89 Lacs for the year ended on that date as considered in the consolidated financial statements. This financial statement has been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial results is based solely on the report of the other auditor and procedures performed by us. Our report is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid.

b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Company so far as it appears from our examination of those books.

c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors of the Company as on March 31, 2021 taken on record by the Boards of Directors of the Company and its subsidiaries incorporated in India and the reports of the statutory auditors of its subsidiaries company incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Company and its subsidiaries company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Group does not have any pending litigations that needs to be disclosed in its financial statements.

ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There has been no delay in transferring amounts, to the Investor Education and Protection Fund by the parent Company

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Visco Trade Associates Limited ("the Company") and its subsidiaries as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Boards of Directors of the Company and its subsidiaries company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal financial control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 5 (five) subsidiaries company, which is a company incorporated in India, was not audited us, and hence no opinion is formed in respect of such subsidiaries company.

VISCO TRADE ASSOCIATES LIMITED
Notes forming part of the financial statement

- 1 The company is a NBFC (Non Deposit) company and in the business of Investment and Trading of share and providing Loans.

2 Significant accounting policies

2.1 Principles of Consolidation

The consolidated financial statements incorporate the financial statements of the Company and its subsidiaries. Control is achieved when the Company:-

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and

any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the Consolidated Statement of Profit and Loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component's other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

The financial statements of the Company and its Subsidiary Companies have been consolidated on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as that of the Company. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation. Unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless transaction provides evidence of an impairment of the transferred asset.

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the noncontrolling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

VISCO TRADE ASSOCIATES LIMITED**Notes forming part of the financial statement**

The following subsidiaries have been considered in preparation of the consolidated financial statements:

Particulars Subsidiary	Country of Incorporation	% of ownership interest either directly or through subsidiaries	
		As at 31-03-2021	As at 31-03-2020
Twinkle fiscal & Impex (P) Ltd	India	100%	100%
Skypack Vanijya Private Limited	India	100%	100%
Marudhar Vintrade Private Limited	India	100%	100%
Lambodar Vintrade Private Limited	India	100%	100%
Chowrasta Stores Pvt Ltd	India	57.13%	57.13%

2.2 Basis of accounting and preparation of financial statements**A Compliance with Ind-AS**

The Consolidated financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind-AS") as issued by the Ministry of Corporate Affairs ("MCA"). The Company had prepared its Consolidated financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 [as amended], prudential norms for income recognition, assets classification and provisioning for non-performing assets as well as contingency provision for standard assets as prescribed by The Reserve Bank of India (RBI) for NBFCs and the guidelines issued by Securities and Exchange Board of India (SEBI) to the extent applicable, collectively referred as "Previous GAAP".

B Basis of Measurement

The Consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values.

C Measurement of fair value

A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs). estimates.

D Use of estimates and judgements and Estimation uncertainty

In preparing these Consolidated financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were issued. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

VISCO TRADE ASSOCIATES LIMITED

Notes forming part of the financial statement

i) Employee Benefits

The present value of the defined benefit obligations and long term employee benefits depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the obligations. In determining the appropriate discount rate, the Company considers the interest rates of Government securities that have terms to maturity approximating the terms of the related defined benefit obligation. Other key assumptions for obligations are based in part on current market conditions.

ii) Impairment charges on loans and advances

The measurement of impairment losses requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These are based on the assumptions which are driven by a number of factors resulting in future changes to the impairment allowance. A collective assessment of impairment takes into account data from the loan portfolio (such as credit quality, nature of assets underlying assets financed, levels of arrears, credit utilization, loan to collateral ratios etc.), and the concentration of risk and economic data (including levels of unemployment, country risk and performance of different individual groups). These significant assumptions have been applied consistently to all period presented.

iii) Effective Interest Rate (EIR) Method

The Company recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other fee income/expense that are integral parts of the instrument.

iv) Impairment of Financial Assets

The measurement of impairment losses on loan assets and commitments, requires judgement, in estimating the amount and timing of future cash flows and recoverability of collateral values while determining the impairment losses and assessing a significant increase in credit risk.

The Company's Expected Credit Loss (ECL) calculation is the output of a complex model with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL model that are considered accounting judgements and estimates include:

- The Company's criteria for assessing if there has been a significant increase in credit risk
- The segmentation of financial assets when their ECL is assessed on a collective basis
- Development of ECL model, including the various formulae and the choice of inputs
- Selection of forward-looking macroeconomic scenarios and their probability weightings, to derive the economic inputs into the ECL model

It has been the Company's policy to regularly review its model in the context of actual loss experience and adjust when necessary.

VISCO TRADE ASSOCIATES LIMITED

Notes forming part of the financial statement

v) Provisions and other contingent liabilities

The reliable measure of the estimates and judgements pertaining to litigations and the regulatory proceedings in the ordinary course of the Company's business are disclosed as contingent liabilities.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

vi) Estimation uncertainty relating to the global health pandemic on COVID-19

The Company has considered internal and external information up to the date of approval of financial statements. In assessing the recoverability of property plant and equipments, receivables, intangible assets, cash and cash

equivalent and investments. The Company has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions; the Company expects to recover the carrying amount of these assets. The Company has concluded that the impact of COVID – 19 is not material based on these estimates. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

E First-time adoption of Ind AS –Exemptions and Exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS, which are considered to be material or significant by the Company.

i) Ind AS optional exemptions

a) Deemed cost for investment in subsidiaries and joint venture

Ind AS 101 provides a one time option to a first-time adopter either to measure its investment in subsidiaries and joint ventures as per previous GAAP carrying value or at fair value on the date of transition.

The Company has elected to measure its investment in subsidiaries and joint venture as per previous GAAP carrying value.

b) Leases

The Company has availed the exemption to assess whether an arrangement contains a lease based on facts and circumstances existing on date of transition to Ind As.

c) Deemed cost for property, plant and equipment and intangible assets

The Company has elected to measure property, plant and equipment, and intangible assets at its Previous GAAP carrying amount and use that Previous GAAP carrying amount as its deemed cost at the date of transition to Ind AS.

ii) Ind AS mandatory exceptions

a) Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1 April 2018 are consistent with the estimates as at the same date made in conformity

b) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS

VISCO TRADE ASSOCIATES LIMITED
Notes forming part of the financial statement

F Revenue Recognition

Income

The Company recognises income (including rent, etc.) on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. However, where the ultimate collection of revenue lacks reasonable certainty, revenue recognition is postponed.

i) Interest Income on loans

Interest income from debt instruments is recognised using the effective interest rate (EIR) method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

Income from loan other than above is recognised on accrual basis as per the term and condition of the loan agreement, except in the case of non-performing assets where it is recognized, upon realization, as per the Prudential Norms / Directions of the Reserve Bank of India, applicable to Non-Banking Financial Companies.

ii) Dividends

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, and it is probable that the economic benefits associated with the dividend will flow to the Company and that the amount of the dividend can be measured reliably.

iii) Sale of Stock in trade

Revenue from sale of stock for trade (shares/securities, commodities and mutual fund) is recognised when a binding obligation has been entered into and revenue can be reliably measured.

Profit/loss from derivative instrument (future and options) are recognized on a marked to market basis.

iv) Other Income

The Company recognises income on accrual basis as it becomes due.

G Property, Plant and Equipments (PPE)

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any

Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed separately under other non-financial assets.

Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date.

Depreciation charge

Depreciation on PPE is provided on written down value (WDV) basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis

The estimated useful lives used for computation of depreciation are as follows;

Computer and data Processing Units	- 3 to 6 years
Office Equipments	- 5 years
Furniture and fixtures	- 10 years

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognised.

VISCO TRADE ASSOCIATES LIMITED

Notes forming part of the financial statement

Impairment of property, plant and equipment

An assessment is done at each balance sheet date as to whether there are any indications that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset is made. Where the carrying value of the asset exceeds the recoverable amount, the carrying value is written down to the recoverable amount.

H Investment in Subsidiary

Investment in subsidiary are recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments. Loan and other similar arrangements with subsidiaries which are probable to be settled for a fixed number of equity share of the borrower for a fixed price are classified as equity investment.

The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

I Financial Instruments;

i) Recognition and Initial Measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

ii) Classification of Financial Assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair value through other comprehensive income (FVOCI) - equity instruments;
- Fair value through profit and loss account (FVTPL) ;

a) Amortised cost

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held with the objective to hold financial asset in order to collect contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest (SPPI) on the principal amount outstanding. Accordingly, the Company measures Bank balances, Loans, Trade receivables and other financial instruments at amortised cost.

b) FVOCI - equity instruments

The Company subsequently measures all equity investments at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments and are not held for trading.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL.

c) Subsequent measurement of financial asset

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Any gain and loss on derecognition is recognised in Statement of profit and loss.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to Statement of profit and loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for strategic purpose. Dividend income received on such equity investments are recognised in Statement of profit and loss.

Equity investments that are not designated as measured at FVOCI are designated as measured at FVTPL and subsequent changes in fair value are recognised in Statement of profit and loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of profit and loss.

VISCO TRADE ASSOCIATES LIMITED

Notes forming part of the financial statement

iii) Financial liabilities and equity instruments:

At Amortised Cost

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-fortrading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of profit and loss. Any gain or loss on derecognition is also recognised in Statement of profit and loss.

iv) Derecognition

a) Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

b) Financial liabilities

A financial liability is derecognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in Statement of profit and loss.

v) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

vi) Impairment of financial assets

The Company applies expected credit losses (ECL) model for measurement and recognition of loss allowance on the following:

- > Trade receivables
- > Financial assets measured at amortised cost (other than trade receivables and lease receivables)
- > Financial assets measured at fair value through other comprehensive income (FVTOCI)

In case of trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance. In case of other assets, the Company determines if there has been a significant increase in credit risk of the financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognised as loss allowance. Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12-month ECL. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate.

VISCO TRADE ASSOCIATES LIMITED

Notes forming part of the financial statement

J Inventories

Items of Inventories are shares, which are valued at lower of cost and net realizable value.

K Earnings per share

Earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders, by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period are adjusted for the effects of all diluted potential equity shares.

L Taxation

Tax expense comprises of current tax and deferred tax.

Current income-tax are measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities. The deferred tax assets and deferred tax liabilities relate to the taxes on income levied by the same governing taxation laws.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

M Provisions

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance date and adjusted to reflect the current best estimates.

N Micro, Small and Medium Enterprises

There are no Micro, Small & Medium Enterprises, to whom the Company owes dues, which are outstanding for more than 45 days as at 31st March 2021. This information as required to be disclosed under the Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the Company.

O Provisioning/ Written-off Assets

The Company makes provision for Standard and Non-Performing Assets as per the Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007, as amended from time to time. The Company also makes additional provision towards loan assets, to the extent considered necessary, based on the management's best estimate.

P Cash and Cash Equivalents

Cash and Cash Equivalents in the Cash Flow Statement comprise of cash on hand and at bank, demand deposit with banks, cheques on hand, remittances in transit and short term highly liquid investments with an original maturity of three months or less.

Q Segment reporting

Based on the risks and returns associated with business operations and in terms of Indian Accounting Standard, the Company is predominantly engaged in a single reportable segment of 'Financing and Related Services'.

26 Capital Management

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

a) Regulatory Capital (Capital Adequacy Ratio)

Particulars	As at 31st March 2021	As at 31st March 2020
	(₹ in Lakhs)	(₹ in Lakhs)
Tier I Capital	641.31	590.00
Tier II Capital	-	-
Total Capital		
Risk Weighted Assets	616.91	616.30
Tier I Ratio (%)	1.04	0.96
Tier II Ratio (%)	-	-

Regulatory capital consists of Tier I capital, which comprises share capital, share premium, retained earnings including current year profit, statutory reserves and other free reserves less deferred revenue expenditure and intangible assets. The other component of regulatory capital is Tier II Capital Instruments, which includes subordinate bonds, deposits and loans.

27 Financial Risk Management and Policy

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities, process of regular reviews / audits to set appropriate risk limits and controls, monitoring of such risks and compliance confirmation for the same

a) Market risk

The Company's business primarily 'Financial and Related Services' in nature, exposes it to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market variables such as interest rates. The company regularly reviews its average borrowing/lending cost including proportion of fixed and floating rate borrowings/loan so as to manage the impact of changes in interest rates.

i) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objectives of the Company's interest rate risk management processes are to lessen the impact of adverse interest rate movements on its earnings and cash flows.

(b) Credit risk

Credit risk' is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's loans and advances to customers and investment debt securities.

i) Management of Credit risk

The Company has put in place well defined product programs with credit policy parameters defining the credit appetite for each product.

ii) Write off policy

Financial assets are written off either partially or in their entirety only when the Company has stopped pursuing the recovery. Any subsequent recoveries are credited to impairment on financial instrument in statement of profit and loss.

iii) Credit quality analysis

The company's policies for computation of expected credit loss are set out below :

Expected Credit Loss (ECL) is computed for loans and investments portfolio of the company. The loans and advances portfolio comprises of the following :

i) Corporate Lending

ii) Vehicle Lending

Investments measured at amortised cost is subjected to ECL.

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances.

The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date.

Other financial liabilities	-	7.05	-	-	7.05
	119.58	55.96	-	-	175.53

d) Operational and business risk

Operational risk is the risk of loss arising from systems failure, human error, fraud or external events. When controls fail to operate effectively, operational risks can cause damage to reputation, have legal or regulatory implications, or lead to financial loss. The Company cannot expect to eliminate all operational risks, but it endeavours to manage these risks through a control framework and by monitoring and responding to potential risks. Controls include maker-checker controls, effective segregation of duties, access, authorisation and reconciliation procedures, staff education and assessment processes, such as the use of internal audit.

e) Other risk-impact of the Covid-19 Pandemic

COVID-19 pandemic had led to a significant decrease in global & local economic activity, which may persist. The Company has used the principles of prudence to provide for the impact of pandemic on the Financial Statements. The Company has taken into account the possible impact of COVID-19 in preparation of the audited standalone financial results, including its assessment of recoverable value of its assets based on internal and external information upto the date of approval of these audited consolidated financial results and current indicators of future economic conditions.

28 Financial Instruments

The significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 2 (I) to the financial statements

				(₹ in Lakhs)

Fair value hierarchy:

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fairvalue-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and place limited reliance on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

The investments included in Level 2 of fair value hierarchy have been valued using quotes available for similar assets and liabilities in the active market. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a range of possible fair value measurements and the cost represents estimate of fair value within that range.

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosure are required):

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF VISCO TRADE ASSOCIATES LIMITED
Report on the Audit of the Standalone Financial Statements**

Opinion

We have audited the accompanying standalone financial statements of Visco Trade Associates Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter (KAM)	Auditor's Response
1.	<u>Impairment loss allowance of loans and advances</u> Impairment loss allowance of loans and advances ("Impairment loss allowance") is a key audit matter as the Company has significant credit risk exposure. The value of loans and advances on the balance sheet is significant and there is a high degree of complexity and judgement involved for the Company in estimating individual and collective credit impairment provisions and write-offs against these loans. The Company's model to calculate expected credit loss ("ECL") is inherently complex and judgement is applied in determining the three-stage impairment model ("ECL Model"), including the selection and input of forward-looking information. ECL	We started our audit procedures with the understanding of the internal control environment related to impairment loss allowance. Our procedures over internal controls focused on recognition and measurement of impairment loss allowance. We assessed the design and tested the operating effectiveness of the selected key controls implemented by the Company. We also assessed whether the impairment methodology used by the Company is in line with the requirements of Ind AS 109, "Financial Instruments". More particularly, we assessed the approach of the Company regarding the definition of default, Probability of Default, Loss Given Default and incorporation of forward-looking information for the calculation of ECL. For loans and advances which are assessed for impairment on a portfolio basis, we performed particularly the following procedures:

	provision calculations require the use of large volumes of data. The completeness and reliability of data can significantly impact the accuracy of the modelled impairment provisions. The accuracy of data flows and the implementation of related controls are critical for the integrity of the estimated impairment provisions.	• tested the reliability of key data inputs and related management controls; • checked the stage classification as at the balance sheet date as per definition of default; • validated the ECL model and calculation by involving our Information Technology Expert; • calculated the ECL provision manually for a selected sample; and • assessed the assumptions made by the Company in making accelerated provision, considering forward looking information and based on the status of a particular industry as on the reporting date. For loans and advances which are written off during the year under audit, we read and understood the methodology and policy laid down and implemented by the Company in this regard along with its compliance on sample basis.
--	--	--

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the

aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations that needs to be disclosed in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Visco Trade Associates Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure - A to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone Ind AS financial statements for the period ended March 31, 2021, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets;
(b) The fixed assets were physically verified during the year under audit by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on the such verification;
(c) As per information and explanation given to us by the management, and the records verified by us and based on the examination of the registered sale deed / lease deed provided to us, we report that all the immovable properties are held in the name of the Company.
- (ii) In our opinion, the inventories which include shares in dematerialised were verified through demat statement, during the year by the Management at reasonable intervals and as explained to us, no material discrepancies were noticed on physical verification.
- (iii) In respect of the loans, secured or unsecured, granted by the Company to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013:
 - (a) In our opinion and according to the information given to us, the terms and conditions of the loans given by the Company are prima facie, not prejudicial to the interest of the Company.
 - (b) The schedule of repayment of principal and payment of interest has been stipulated and repayments of principal amounts and /or receipts of interest have been regular as per stipulations.
 - (c) There are no overdue amounts in respect of the loan granted to the aforesaid listed in the register maintained under section 189 of the Act. There are no overdue amounts in respect of the loan granted to the aforesaid listed in the register maintained under section 189 of the Act.
- (iv) In our opinion and according to the information and explanation given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made and guarantee and security provided.
- (v) The Company has not accepted any deposit from the public covered under Section 73 to 76 of the Companies Act, 2013. Therefore, the provisions of paragraph 3(v) of the Order is not applicable to the Company.
- (vi) Being a Non-Banking Financial Company, the provisions of paragraph 3(vi) of the Order is not applicable to the Company.
- (vii) (a) According to the records of the Company, undisputed statutory dues including Provident Fund, Income Tax, Service Tax, Cess or other material statutory dues have been generally regularly deposited during the year by the Company with appropriate authorities. According to the information and explanation given to us no undisputed statutory dues including Provident Fund, Income Tax, Service Tax, Value Added Tax, GST, Cess or other material statutory dues were in arrears as at March 31, 2021 for a period of more than six months from the date they become payable.

(b) According to the information and explanation given to us, there were no disputed dues which have not been deposited by the company on account of dispute as at March 31, 2021.
- (viii) In our opinion and according to the information given to us, the Company has no loans from any banks. However the company has not defaulted in repayment of dues to any financial institutions. There were no debentures outstanding during the year.

- (ix) According to information and explanation given to us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans during the year ended March 31, 2021. Accordingly paragraph 3(ix) of the Order is not applicable.
- (x) Based on the audit procedures performed and the information and explanations given to us, we report that no material fraud on or by the Company has been noticed or reported during the period, nor have we been informed of such case by the management;
- (xi) According to information and explanation given to us, the Company has paid or provided managerial remuneration in accordance with the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanation given to us, the Company is not a Nidhi Company and hence the paragraph 3(xii) is not applicable;
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards
- (xiv) According to information and explanation given to us the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the period under review;
- (xv) According to information and explanation given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly the paragraph 3(xv) is not applicable the Company;
- (xvi) In our opinion and on the basis of information and explanation given to us by the management, the Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and the company has obtained the necessary registration.

Description of reserves in statement of changes in equity

i) **General Reserve:**

General reserve is created and utilised in compliance with the provisions of the Act.

ii) **Special Reserve [Reserve Fund as per Section 45-IC of RBI Act, 1934]:**

Statutory reserves fund is required to be created by a Non-Banking Financial Company as per Section 45-IC of the Reserve Bank of India Act, 1934. The Company is not allowed to use the reserve fund except with authorisation of Reserve Bank of India.

iii) **Retained Earnings:**

Retained earnings represents accumulated profits earned by the company and remaining undistributed as on date.

iv) **FVTOCI equity securities:**

The Company has elected to recognise changes in the fair value of certain investments in equity instruments through other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

This is the Statement of Changes in Equity referred to in our report of even date.

VISCO TRADE ASSOCIATES LIMITED
Notes forming part of the financial statement

- 1 The company is a NBFC (Non Deposit) company and in the business of Investment and Trading of share and providing Loans.

2 Significant accounting policies

2.1 Basis of accounting and preparation of financial statements

A Compliance with Ind-AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind-AS") as issued by the Ministry of Corporate Affairs ("MCA"). The Company had prepared its Standalone financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 [as amended]. prudential norms for income recognition, assets classification and provisioning for non-performing assets as well as contingency provision for standard assets as prescribed by The Reserve Bank of India (RBI) for NBFCs and the guidelines issued by Securities and Exchange Board of India (SEBI) to the extent applicable, collectively referred as "Previous GAAP".

B Basis of Measurement

The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values.

C Measurement of fair value

A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).estimates.

D Use of estimates and judgements and Estimation uncertainty

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were issued. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

i) Employee Benefits

The present value of the defined benefit obligations and long term employee benefits depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the obligations. In determining the appropriate discount rate, the Company considers the interest rates of Government securities that have terms to maturity approximating the terms of the related defined benefit obligation. Other key assumptions for obligations are based in part on current market conditions.

ii) Impairment charges on loans and advances

The measurement of impairment losses requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These are based on the assumptions which are driven by a number of factors resulting in future changes to the impairment allowance. A collective assessment of impairment takes into account data from the loan portfolio (such as credit quality, nature of assets underlying assets financed, levels of arrears, credit utilization, loan to collateral ratios etc.), and the concentration of risk and economic data (including levels of unemployment, country risk and performance of different individual groups). These significant assumptions have been applied consistently to all period presented.

iii) Effective Interest Rate (EIR) Method

The Company recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other fee income/expense that are integral parts of the instrument.

iv) Impairment of Financial Assets

The measurement of impairment losses on loan assets and commitments, requires judgement, in estimating the amount and timing of future cash flows and recoverability of collateral values while determining the impairment losses and assessing a significant increase in credit risk.

The Company's Expected Credit Loss (ECL) calculation is the output of a complex model with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL model that are considered accounting judgements and estimates include:

- The Company's criteria for assessing if there has been a significant increase in credit risk
- The segmentation of financial assets when their ECL is assessed on a collective basis
- Development of ECL model, including the various formulae and the choice of inputs
- Selection of forward-looking macroeconomic scenarios and their probability weightings, to derive the economic inputs into the ECL model

It has been the Company's policy to regularly review its model in the context of actual loss experience and adjust when necessary.

v) Provisions and other contingent liabilities

The reliable measure of the estimates and judgements pertaining to litigations and the regulatory proceedings in the ordinary course of the Company's business are disclosed as contingent liabilities.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

vi) Estimation uncertainty relating to the global health pandemic on COVID-19

The Company has considered internal and external information up to the date of approval of financial statements. In assessing the recoverability of property plant and equipments, receivables, intangible assets, cash and cash

equivalent and investments. The Company has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions; the Company expects to recover the carrying amount of these assets. The Company has concluded that the impact of COVID – 19 is not material based on these estimates. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

E First-time adoption of Ind AS –Exemptions and Exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS, which are considered to be material or significant by the Company.

i) Ind AS optional exemptions

a) Deemed cost for investment in subsidiaries and joint venture

Ind AS 101 provides a one time option to a first-time adopter either to measure its investment in subsidiaries and joint ventures as per previous GAAP carrying value or at fair value on the date of transition.

The Company has elected to measure its investment in subsidiaries and joint venture as per previous GAAP carrying value.

b) Leases

The Company has availed the exemption to assess whether an arrangement contains a lease based on facts and circumstances existing on date of transition to Ind As.

c) Deemed cost for property, plant and equipment and intangible assets

The Company has elected to measure property, plant and equipment, and intangible assets at its Previous GAAP carrying amount and use that Previous GAAP carrying amount as its deemed cost at the date of transition to Ind AS.

ii) Ind AS mandatory exceptions

a) Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1 April 2018 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following item in accordance with Ind AS at the date of transition as this was not required under previous GAAP.

b) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS

F Revenue Recognition

Income

The Company recognises income (including rent, etc.) on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. However, where the ultimate collection of revenue lacks reasonable certainty, revenue recognition is postponed.

i) Interest Income on loans

Interest income from debt instruments is recognised using the effective interest rate (EIR) method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

Income from loan other than above is recognised on accrual basis as per the term and condition of the loan agreement, except in the case of non-performing assets where it is recognized, upon realization, as per the Prudential Norms / Directions of the Reserve Bank of India, applicable to Non-Banking Financial Companies.

ii) Dividends

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, and it is probable that the economic benefits associated with the dividend will flow to the Company and that the amount of the dividend can be measured reliably.

iii) Sale of Stock in trade

Revenue from sale of stock for trade (shares/securities, commodities and mutual fund) is recognised when a binding obligation has been entered into and revenue can be reliably measured.

Profit/loss from derivative instrument (future and options) are recognized on a marked to market basis.

iv) Other Income

The Company recognises income on accrual basis as it becomes due.

G Property, Plant and Equipments (PPE)

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any

Assets held for sale or disposals are stated at the lower of their net book value and net realisable value

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed separately under other non-financial assets.

Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date.

Depreciation charge

Depreciation on PPE is provided on written down value (WDV) basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis

The estimated useful lives used for computation of depreciation are as follows;

Computer and data Processing Units - 3 to 6 years

Office Equipments - 5 years

Furniture and fixtures - 10 years

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognised.

Impairment of property, plant and equipment

An assessment is done at each balance sheet date as to whether there are any indications that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset is made. Where the carrying value of the asset exceeds the recoverable amount, the carrying value is written down to the recoverable amount.

H Investment in Subsidiary

Investment in subsidiary are recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments. Loan and other similar arrangements with subsidiaries which are probable to be settled for a fixed number of equity share of the borrower for a fixed price are classified as equity investment.

The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

I Financial Instruments;

i) Recognition and Initial Measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in Statement of profit and loss.

ii) Classification of Financial Assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair value through other comprehensive income (FVOCI) - equity instruments;
- Fair value through profit and loss account (FVTPL) ;

a) Amortised cost

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held with the objective to hold financial asset in order to collect contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest (SPPI) on the principal amount outstanding. Accordingly, the Company measures Bank balances, Loans, Trade receivables and other financial instruments at amortised cost.

b) FVOCI - equity instruments

The Company subsequently measures all equity investments at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments and are not held for trading.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL.

c) Subsequent measurement of financial asset

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Any gain and loss on derecognition is recognised in Statement of profit and loss.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to Statement of profit and loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for strategic purpose. Dividend income received on such equity investments are recognised in Statement of profit and loss.

Equity investments that are not designated as measured at FVOCI are designated as measured at FVTPL and subsequent changes in fair value are recognised in Statement of profit and loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of profit and loss.

iii) Financial liabilities and equity instruments:

At Amortised Cost

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-fortrading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of profit and loss. Any gain or loss on derecognition is also recognised in Statement of profit and loss.

iv) Derecognition**a) Financial assets**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

b) Financial liabilities

A financial liability is derecognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in Statement of profit and loss.

v) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

vi) Impairment of financial assets

The Company applies expected credit losses (ECL) model for measurement and recognition of loss allowance on the following:

- > Trade receivables
- > Financial assets measured at amortised cost (other than trade receivables and lease receivables)
- > Financial assets measured at fair value through other comprehensive income (FVTOCI)

In case of trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance. In case of other assets, the Company determines if there has been a significant increase in credit risk of the financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognised as loss allowance. Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12-month ECL. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate.

J Inventories

Items of Inventories are shares, which are valued at lower of cost and net realizable value.

K Earnings per share

Earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders, by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period are adjusted for the effects of all diluted potential equity shares.

L Taxation

Tax expense comprises of current tax and deferred tax.

Current income-tax are measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities. The deferred tax assets and deferred tax liabilities relate to the taxes on income levied by the same governing taxation laws.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

M Provisions

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance date and adjusted to reflect the current best estimates.

N Micro, Small and Medium Enterprises

There are no Micro, Small & Medium Enterprises, to whom the Company owes dues, which are outstanding for more than 45 days as at 31st March 2021. This information as required to be disclosed under the Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the Company.

O Provisioning/ Written-off Assets

The Company makes provision for Standard and Non-Performing Assets as per the Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007, as amended from time to time. The Company also makes additional provision towards loan assets, to the extent considered necessary, based on the management's best estimate.

P Cash and Cash Equivalents

Cash and Cash Equivalents in the Cash Flow Statement comprise of cash on hand and at bank, demand deposit with banks, cheques on hand, remittances in transit and short term highly liquid investments with an original maturity of three months or less.

Q Segment reporting

Based on the risks and returns associated with business operations and in terms of Indian Accounting Standard, the Company is predominantly engaged in a single reportable segment of 'Financing and Related Services'.

As at 31st March 2021	(0.27)	(6.59)	6.84
Net Deferred Tax (Liability)/Assets			6.83656

* In assessing the reliability of deferred tax assets, the Company considers the extent to which it is probable that the deferred tax asset will be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which those temporary differences and tax loss carry-forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment.

The ultimate realisation of deferred tax assets, carried forward losses and unused tax credit is dependent upon the generation of future taxable income. In absence of historical trend, considering the principle of prudence, the Deferred tax asset in respect of carried forward losses as of March 31, 2021 have not been recognized by the Company.

25 Capital Management

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value. The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

a) Regulatory Capital (Capital Adequacy Ratio)

Particulars	As at 31st March 2021	As at 31st March 2020
	(₹ in lakhs)	(₹ in lakhs)
Tier I Capital	641.31	590.00
Tier II Capital	-	-
Total Capital		
Risk Weighted Assets	616.91	616.30
Tier I Ratio (%)	1.04	0.96
Tier II Ratio (%)	-	-

Regulatory capital consists of Tier I capital, which comprises share capital, share premium, retained earnings including current year profit, statutory reserves and other free reserves less deferred revenue expenditure and intangible assets. The other component of regulatory capital is Tier II Capital Instruments, which includes subordinate bonds, deposits and loans.

26 Financial Risk Management and Policy

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities, process of regular reviews / audits to set appropriate risk limits and controls, monitoring of such risks and compliance confirmation for the same

a) Market risk

The Company's business primarily 'Financial and Related Services' in nature, exposes it to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market variables such as interest rates. The company regularly reviews its average borrowing/lending cost including proportion of fixed and floating rate borrowings/loan so as to manage the impact of changes in interest rates.

i) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objectives of the Company's interest rate risk management processes are to lessen the impact of adverse interest rate movements on its earnings and cash flows.

Particulars	Increase / Decrease in percentage	Effect on Profit before Tax	(₹ in lakhs)
			Effect on post- tax equity
31st March, 2021

31st March, 2020			
Amount in ₹	(+) 1%	1.01	0.75
Amount in ₹	(-) 1%	(1.01)	(0.75)

(b) Credit risk

Credit risk' is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's loans and advances to customers and investment debt securities.

i) Management of Credit risk

The Company has put in place well defined product programs with credit policy parameters defining the credit appetite for each product.

ii) Write off policy

Financial assets are written off either partially or in their entirety only when the Company has stopped pursuing the recovery. Any subsequent recoveries are credited to impairment on financial instrument in statement of profit and loss.

iii) Credit quality analysis

The company's policies for computation of expected credit loss are set out below :

Expected Credit Loss (ECL) is computed for loans and investments portfolio of the company. The loans and advances portfolio comprises of the following :

i) Corporate Lending

ii) Vehicle Lending

Investments measured at amortised cost is subjected to ECL.

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances.

The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date.

Particulars	(₹ in lakhs)				
	On Demand	Less than 1 year	1 to 5 years	> 5 years	Total
31st March, 2020					
Borrowings	-	0.00	-	-	0.00

Trade payables	-	4.16	-	-	4.16
Other financial liabilities	-	1.20	-	-	1.20
	56.52	50.08	-	-	106.60

d) Operational and business risk

Operational risk is the risk of loss arising from systems failure, human error, fraud or external events. When controls fail to operate effectively, operational risks can cause damage to reputation, have legal or regulatory implications, or lead to financial loss. The Company cannot expect to eliminate all operational risks, but it endeavours to manage these risks through a control framework and by monitoring and responding to potential risks. Controls include maker-checker controls, effective segregation of duties, access, authorisation and reconciliation procedures, staff education and assessment processes, such as the use of internal audit.

e) Other risk-impact of the Covid-19 Pandemic

COVID-19' pandemic had led to a significant decrease in global & local economic activity, which may persist . The Company has used the principles of prudence to provide for the impact of pandemic on the Financial Statements. The Company has taken into account the possible impact of COVID-19 in preparation of the audited standalone financial results, including its assessment of recoverable value of its assets based on internal and external information upto the date of approval of these audited standalone financial results and current indicators of future economic conditions.

27 Financial Instruments

The significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 2 (I) to the financial statements

				(₹ in lakhs)

(c) Other Financial Liabilities	-	1.10	-	1.20
	-	1.10	-	106.60

Fair value hierarchy:

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fairvalue-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and place limited reliance on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

The investments included in Level 2 of fair value hierarchy have been valued using quotes available for similar assets and liabilities in the active market. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a range of possible fair value measurements and the cost represents estimate of fair value within that range.

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosure are required):

₹ in Lakhs			
Particulars	Level 1	Level 2	Level 3
As at 31st March, 2021			
Financial investments at FVOCI

DIN: 01687463**

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

[Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To

**The Members of
M/s Visco Trade Associates Limited
18, British Indian Street, 3rd Floor,
Kolkata – 700 069**

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of **M/s. Visco Trade Associates Limited (CIN: L57339WB1983PLC035628)** and having its Registered Office at 18, British Indian Street, 3rd Floor, Kolkata - 700069 (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate in accordance with Regulation 34(3) read with Schedule V Para – C, Sub clause 10 (i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company & its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31st March, 2021 have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs or any such other Statutory Authority.

Sl. No.	Name of Directors	DIN	Date of Appointment in Company
1.	Vinay Kumar Goenka	01687463	01/01/2015
2.	Dipak Sundarka	05297111	18/04/2018
3.	Niranjan Kumar Choraria	03626290	13/02/2015
4.	Anju Gupta	01762154	31/03/2015

Ensuring the eligibility for the appointment/continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion based on my verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

CERTIFICATE ON CORPORATE GOVERNANCE BY COMPANY SECRETARY IN PRACTICE

To
The Members of
M/s Visco Trade Associates Limited
18, British Indian Street, 3rd Floor,
Kolkata – 700 069

We have examined the compliance of conditions of Corporate Governance by **M/s. Visco Trade Associates Limited (CIN: L57339WB1983PLC035628)** for the year ended on 31st March 2021, as per Regulation 15(2) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR).

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI (LODR) Regulations, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.
