Financial Overview

Q4FY20/FY20

Q4-FY20 Financial Highlights - Consolidated

Supply Chain disruptions from Q4 have impacted revenue and consequently profit margins

- Dispatches were effected during the lockdown period which have now resumed gradually
- There has been no cancellation of any orders and therefore, the impact can be construed just as deferment of revenue to the subsequent quarters
- The deferment of revenue has stressed the operating cycle and cash flows which the Company is able to manage efficiently
- There has been no impact on the assets of the Company. None of the assets have been impaired.
- The Company has taken several initiative for further cost rationalization including salary cut , restructuring of emoluments with increased performance linked component, reduction in administrative costs , resource optimisation etc.
