NOTES:

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020, Circular No.20/2020 dated May 5, 2020, Circular No. 02/2021 dated January 13, 2021, Circular No. 19/2021 dated December 08, 2021, Circular No. 21/2021 dated December 14, 2021 and Circular No. 2/2022 dated May 05, 2022 (collectively referred to as “MCA Circulars”) has permitted the holding of the Annual General Meeting (“AGM”) through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”), during the calendar year 2022. In compliance with the provisions of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and MCA Circulars, the 28th AGM of the Company is being held through VC / OAVM
2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.
3. Corporate members intending to send their authorized representatives to attend the meeting through VC / OAVM are requested to send to Company a duly certified copy of Board Resolution authorizing their representative to attend and vote on their behalf.
4. The attendance of members attending the AGM through VC / OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of Companies Act, 2013.

5. Pursuant to Regulations 26(4) and 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Secretarial Standards - 2 (SS-2), the particulars of Directors proposed to be appointed / re-appointed at the Annual General Meeting is given in the Annexure to the notice.
6. Explanatory Statement under Section 102 of the Companies Act, 2013 in respect of special business is annexed hereto and forms part of the Notice.
7. The Register of Members and the Share Transfer Books of the Company will be closed from September 23, 2022 to September 29, 2022 (both days inclusive).
8. In accordance with, the circulars issued by MCA and Securities and Exchange Board of India ('SEBI'), owing to the difficulties involved in dispatching of physical copies of the Annual Report of the Company and the Notice of AGM, the same are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participants (DP).
9. Members who have not registered their e-mail addresses so far are requested to register the same with their DPs in case the shares are held by them in electronic form and with the Registrar & Share Transfer Agent in case the shares are held by them in physical form for receiving all communication including Annual Report, Notices, etc. from the Company electronically.
10. Members are requested to furnish their bank account details, change of address and all other required details to the Registrar & Share Transfer Agent in respect of shares if held in physical form. In case of shares held in electronic form, these details should be furnished to the respective Depository Participants (DPs).
11. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number ("PAN") by every participant in the securities market. Members holding shares in electronic form are therefore, requested to submit their PAN card numbers / copies of PAN card to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company/Registrar and Share Transfer Agent, M/s. Purva Sharegistry (India) Private Ltd.
12. The Securities and Exchange Board of India ("SEBI") has mandated that transfer of securities would be carried out in dematerialized form only w.e.f. 5th December, 2018. In view of the same and to avail various benefits of dematerialization, members are requested to dematerialize shares held by them in physical form.
13. Members can avail of the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Companies Act, 2013. Members desiring to avail of this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to M/s. Purva Sharegistry (India) Private Ltd. at the Registered Office of the Company. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.

14. Members may please note that the Notice of the 28th Annual General Meeting and the Annual Report for the year ended 31st March, 2022 will also be available on the Company's website www.djsstocks.com for their download. For any communication, the shareholders may also send requests to the Company's investor email id: djss2011@gmail.com.
15. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules 2014 as amended from time to time and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by NSDL.
16. The Members can join the AGM in the VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available for 1,000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. The detailed instructions for joining the Meeting through VC / OAVM form part of the Notes to this Notice.
17. M/s. Nitesh Chaudhary & Associates, Practicing Company Secretary, Mumbai, has been appointed as the Scrutinizer to scrutinize the remote e-voting process and e-voting at the AGM in a fair and transparent manner.

DIRECTORS' REPORT

To,
The Members,
DJS Stock and Shares Limited

Your Directors have pleasure in presenting their **28th Annual Report** on business and operations of the Company together with the Audited Statement of Accounts of the Company for the year ended on 31st March, 2022.

1. Financial Results:

The financial results are summarized below:

(Amount in hundreds)			
Sr. No.	Particulars	For the year ended 31 st March 2022	For the year ended 31 st March 2021
A	Total Revenue	14,516	40,794
B	Total Expenses	1,42,522	1,33,442
C	Profit/(Loss) Before Tax	(1,28,006)	(92,648)
D	Tax expense		
	- Current Tax	-	-
	- Deferred Tax	58	56
E	Profit/(Loss) after Tax	(1,28,064)	(92,704)

2. Financial Performance:

It has been a very tough year globally with the pandemic and the various lockdowns. We pray that all our shareholders, their families, the company's board of directors and all the staff of DJS Stock and Shares Limited (hereinafter referred to as 'DJS' or 'the Company') are safe and continue to stay healthy.

It has been a difficult year for the company too as we had to manage with minimal staff. I would like to take the opportunity here itself to thank our staff for being extra cooperative and attending office in these trying times. It was a major turnaround year for the markets. Given the pandemic it is hard to imagine how well the markets have performed globally. It has been a concerted effort globally by governments and central banks to support the economy and the markets in the best possible way. The current fiscal year has begun on a good positive note for both the markets and for our company. As we continue to strive to grow the Institutional business, we are seeing better momentum in our retail segment too. We expect markets to remain robust and thus are optimistic for the rest of the year.

DJS Stock and Shares Limited is engaged in Share Broking activities, Trading and Investment in equities and with the opening up of all major business markets after the second wave of pandemic, there are huge emerging opportunities. DJS's young and energetic team is always in readiness to grab such opportunities. DJS's management team foresees a bright future ahead.

During the year under review, the Company has earned Total Revenue of Rs. 14,516 hundred in comparison to Rs. 40,794 hundred during the previous financial year. The total expenses has been increased from Rs. 133,442 hundred to Rs.142,522 hundred due to which there is loss of Rs. 128,064 hundred in comparison with loss of Rs. 92,704 hundred during the previous year. There was a deferred tax of Rs. 58 hundred compared to Rs. 56 hundred for the previous financial year. The Company is trying hard to grab the market opportunities and make it into a profit making Company.

According to the data analysis and interpretation many new demat accounts were opened but lot of them were opened with online trading platforms. Some clients of traditional broking system also shifted towards the online discount broking system. But the clients who switched platforms soon came back to traditional system, reason being most of the clients felt the lack of good customer care services, advice from experienced stock brokers, additional services like portfolio management, estate planning, tax advice, etc. Most of the clients do not have sufficient time or the fundamental and technical analysis skills to select stocks for investment or trading. Thus, forcing clients to move back to the traditional broking system.

The industry giants and big players of the market neither shifted nor are going to shift towards online discount broking system because they require the expertise, experience and premium services provided by the traditional system which our Company is providing. Moreover, technical issues and glitches in online broking systems cause problems and delay in execution of big trades (large order quantities) which is definitely not preferred by the big players of the market.

As far as SEBI's new margin norms are concerned the stricter regulations are brought to minimise the risk of frauds. As earlier some brokers were illegally transferring client's investments to their own account and were pledging them without authorisation. As a result of the norms clients now have to pay either the upfront cash margin or pledge the shares to cover margin. Even if the traditional broking houses are forced to cut down their brokerage charges which is apparently a major portion of their income, they will be able to survive in the market as these broking houses have other by-products and have entered new spaces like insurance, fund management for private entities, From the above stated observations it can be concluded that though online discount broking system has gained popularity in past few years, traditional broking system is here to stay as it has the trust and reliability of many clients and amidst the inherently volatile market and pressing times, expert guidance of full service brokers is a necessity. In the coming future both the traditional and online discount broking systems will be existing cohesively.

3. The Covid-19 Pandemic:

Financial Year 2021-22 was once again dominated by the COVID-19 pandemic as new waves of infection swept across countries. In India, the second wave (called 'Delta') proved far more deadly than the first that struck in 2020. The advent of the highly transmissible variant 'Omicron' in early January 2022 (the third wave) spread much dread across the world. During this wave, India's daily number of reported cases peaked to nearly 350,000 on January 20, 2022 and the active case load was over 22 million as on January 23, 2022. Fortunately, while highly transmissible, Omicron was not as clinically deadly as Delta. So, while many got infected, almost all got well again within a week or so, without hospitalization and mortality.

4. **Dividend & Reserves:**

The Board of Directors has decided not to recommend any dividend on the Equity Shares of the Company during the year under review and no amount of profit earned during the year was transferred to General Reserve.

5. **Management Discussion & Analysis:**

REPORT ON CORPORATE GOVERNANCE

(Pursuant to Regulation 34(3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015)

Corporate governance is about promoting fairness, transparency, accountability, commitment to values, ethical business conduct and about considering all stakeholders' interest while conducting business. In accordance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments thereto, (the 'SEBI Listing Regulations'), given below are the corporate governance policies and practices of DJS Stock and Shares Limited (the 'Company', 'DJS') for the financial year 2021-22.

This report outlines compliance with requirements of the Companies Act, 2013, as amended (the 'Act') and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended as applicable to the Company. As will be seen, the Company's corporate governance practices and disclosures are well beyond complying with the statutory and regulatory requirements stipulated in the applicable laws.

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

DJS Stock and Shares Limited (DJS) recognizes its role as a corporate citizen and endeavors to adopt the best practices and the highest standards of corporate governance through transparency in business ethics, accountability to its customers, investors, regulators and other stakeholder. The Company's activities are carried out in accordance with good corporate practices and the Company is constantly striving to better these practices by adopting best practices.

The Company believes that governance practices enable the Management to direct and control the affairs of the Company in an efficient manner and to achieve the Company's goal of maximizing value for all its stakeholders. The Company will continue to focus its resources, strengths and strategies to achieve its vision, while upholding the core values of transparency, integrity, honesty and accountability, which are fundamental to our Company. Your Company confirms compliance of Corporate Governance as contained in Chapter IV of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, the details of which are given below.

Key elements of DJS's Corporate Governance

- Compliance with applicable law.
- Number of Board and Committee meetings more than the statutory requirement, including meetings dedicated for discussing strategy, operating plans and risks.
- Board comprises of directors from diverse backgrounds and substantial experience, who are able to provide appropriate guidance to executive management as required.
- Panel of independent directors with outstanding track record and reputation.
- Confidential Board evaluation process where each Board member evaluates the performance of every director, Committees of the Board, the Chairman of the Board and the Board as a whole.

MANAGEMENT DISCUSSION AND ANALYSIS

Overall Outlook

DJS Stock and Shares Limited is engaged in Share Broking activities, Trading and Investment in equities and with the opening up of all major business markets after the second wave of pandemic, there are huge emerging opportunities. DJS's young and energetic team are always in readiness to grab such opportunities. DJS's management team foresee a bright future ahead.

The COVID-19 pandemic is a once in a lifetime occurrence that has brought with it unimaginable suffering to people and to almost all sections of the economy. When the pandemic struck and led to nationwide lockdowns to curtail the transmission of disease, it was natural to fear that the global economy would stay in extreme stress of the kind not seen since the Great Depression and would have a long-lasting economic impact. To counter the crippling impact of the lockdowns on economies, the world's policymakers have resorted to fiscal and monetary measures never seen before in global economic history. It still remains to be seen if these relief measures sufficed, and whether actions taken by Governments across the globe adequately compensated for the disruptions created in the lives of people. Fortunately, science prevailed. Multiple vaccines were found with impressive efficacy levels in less than a year - which will probably rank as among one of the most incredible achievements in science. The announcement of successful development of vaccines seemed to lift spirits around the world. Fortunately for India, which is home to some of the largest vaccine makers in the world, the supply constraints were limited and temporary. Thereafter, we have seen a rebound - thanks to the resilience of our citizens and entrepreneurs of our economy.

In India, the second wave (called 'Delta') proved far more lethal than the first that struck in 2020. After a shaky start in some places, the vaccine immunisation programme by the Indian Government and Governments across the world has been exemplary. It saved lives and livelihood.

The highly transmissible variant 'Omicron' in early January 2022 (the third wave) spread rapidly across the world. During this wave, India's daily number of reported cases peaked to nearly 350,000 on 20 January 2022. Faced with the prospect of yet more lockdowns, there was fear that the world would face yet another year of slow economic growth. Fortunately, while highly transmissible, Omicron was not as lethal as Delta. So, while many got infected, fatality rate was fortunately low. The world did not see a re-run of massive drop in GDP as witnessed FY2021. India's GDP grew 8.7% in Financial Year 2021-2022 after contracting 6.6% during the previous fiscal.

The Indian capital market also witnessed a phenomenal rebound in the current fiscal, factoring in quick resumption of economic activity and future growth prospects. Like its global peers, India too witnessed a strong rebound from the pandemic lows with the key indices reaching an all-time high by the fourth quarter on the back of continued and strong recovery in economic activities in the first half of FY 2021-22. India's market capitalisation to GDP ratio now stands at approximately 112 Percent in March 2022 from approximately 105 Percent in March 2021. The rally in Indian equities was driven by record Foreign Portfolio Investors (FPI) flows during the year which more than offset the outflows by domestic institutions.

Industry Structure and Development

People were looking for new methods to diversify their portfolio and create new streams of income as the pandemic hit. To diversify their income streams, more and more individuals turned to the stock market.

Year-on-year, India's stock market has outperformed most major economies. Even though there has been slight volatility in the market of late, it hasn't really impacted customer growth. Also, smartphones and low-cost data have propelled investing and trading into the digital realm. Opening a demat account has become a paperless and simple process thanks to the implementation of eKYC and Aadhaar eSign. Also, the excitement of upcoming IPOs has piqued the curiosity of first-time investors, resulting in a steady increase in equity participation.

Equity participation in India currently stands at 5-6% compared to US which is about 55%. Having said that, the Indian broking sector will continue to grow even if there is a slowdown. India is a country with a high saving rate, and thus there is immense investing potential. With growing financial awareness, financial literacy, internet and smartphone penetration, many people have started showing keen interest in the equity markets and are looking at diversifying their investment portfolios. India's broking industry is vast, dynamic and continuously on the outlook of new opportunities. With equity participation in India being around 5-6% there is still a lot of potential for the brokers to flourish in India.

Segment-wise/Product-wise Performance

The Company is engaged mainly in trading activities and as such there are no other reportable segment as defined by Indian Accounting Standard 108 on "Operating Segments" issued by the Institute of Chartered Accountants of India.

Outlook

Broking Companies are set to clock record revenues in the current financial year, driven by higher retail participation and favorable systematic liquidity. The increase in the activity in equity markets since the beginning of the pandemic was driven by robust corporate earnings, favorable liquidity in both international and domestic markets, higher internet penetration, and retail participation.

According to the data analysis and interpretation: During the times of Covid 19(during financial year 2020) millions of new demat accounts were opened and lot of them were opened with online trading platforms. Some clients of traditional broking system also shifted towards the online discount broking system. But the clients who switched platforms soon came back to traditional system, reason being most of the clients felt the lack of good customer care services, advice from experienced stock brokers, additional services like portfolio management, estate planning, tax advice, etc., most of the clients do not have sufficient time nor the fundamental and technical analysis skills to select stocks for investment or trading. Thus, forcing clients to move back to the traditional broking system.

The industry giants and big players of the market neither shifted nor are going to shift towards online discount broking system because they require the expertise, experience and premium services provided by the traditional system which our Company is providing. Moreover, technical issues and glitches in online broking systems cause problems and delay in execution of big trades (large order quantities) which is definitely not preferred by the big players of the market.

As far as SEBI's new margin norms are concerned the stricter regulations are brought to minimise the risk of frauds. As earlier some brokers were illegally transferring client's investments to their own account and were pledging them without authorisation. As a result of the norms clients now have to pay either the upfront cash margin or pledge the shares to cover margin. It can be concluded that though online discount broking system has gained popularity in past few years, traditional broking system is here to stay as it has the trust and reliability of many clients and amidst the inherently volatile market and pressing times, expert guidance of full service brokers is a necessity. In the coming future both the traditional and online discount broking systems will be existing cohesively.

Risk Management

The Company operates in an industry that is influenced by various macro parameters i.e. both global and domestic. Economic environment may be adversely impacted due to rising crude prices, worsening fiscal position of the country, worsening pandemic situation that is currently prevalent globally, rising inflation leading to higher interest rate scenario, depreciating currency, slowdown in corporate earnings, rising NPA position etc. A slowdown in the economy, due to such adverse changes in operating environment could have a material impact on investor interest in capital markets. The Company is one of the prominent digital players in Indian capital market using advanced technology as its backbone for growth. Continuous investments in upgrading its IT infrastructure coupled with scaling up its digital talent pool is imperative for sustenance of growth. The Company will have to be abreast with the rapidly changing technology to offer seamless and improved experience to its clients. If the Company is unable to keep pace with this, it runs the risk of technology obsolescence.

Since the Indian capital market is an evolving market, the industry is likely to witness regulatory updates frequently. These updates are expected to be with the intent to ensuring longevity of clients in the system and hence creating long-term sustainability for the industry. In the interim as the industry recalibrates to the changes, there may be near term impact on growth however long-term outlook would be strengthened. The broking industry is highly competitive, with many participants offering a variety of products and services with the aim to provide best in class customer experience. Similar products and services being offered by banks, financial institutions, full scale brokers, digital brokers, etc. makes the industry optically very competitive.

Players with matured journeys based on client experience will be the larger beneficiaries for future growth. In the initial period of FY 2021- 22 the world and India was adversely impacted by the pandemic which led to material risk off from the markets. Global recessionary expectation also drove crude prices to negative territory for a brief period, which also dented investor sentiment. In such situations, capital market participants become conservative and considerably reduce client exposure to such assets. A similar scenario, if replicates in future may also have corresponding impact on the business' financials intermittently. The pace of response by both central and local administrations will play a key role in the speed of recovery for the industry.

Internal Control System

The internal control systems have been designed to effectively and efficiently handle the dynamic and complex nature of business operations of the Company. The internal control systems and environment are commensurate to the scale and volumes of the business with adequate segregation of roles and responsibilities. The executives of the Company keep themselves abreast with the detailed documentation of its policies and SOPs, which are regularly reviewed and updated by the management. The statutory auditors of the Company critically review the internal control environment to arrive at their opinion about the financial performance of the Company. The Company also has a strong internal audit framework as approved by the Audit Committee which ensures detailed coverage of the processes and systems needed to safeguard its assets, prevention and detection of errors and frauds, ensure accuracy and completeness of accounting transactions thus enabling timely preparation of reliable financial information. The various committees of the board, including the Audit Committee, periodically review the observations and recommendations of the internal auditors to further improve the systems and processes.

Financial Performance w.r.t. Operational Performance

It has been a very tough year globally with the pandemic and the various lockdowns. We pray that all our shareholders, their families, the company's board of directors and all the staff of DJS Stock and Shares Limited (hereinafter referred to as 'DJS' or 'the Company') are safe and continue to stay healthy.

It has been a difficult year for the company too as we had to manage with minimal staff. I would like to take the opportunity here itself to thank our staff for being extra cooperative and attending office in these trying times. It was a major turnaround year for the markets. Given the pandemic it is hard to imagine how well the markets have performed globally. It has been a concerted effort globally by governments and central banks to support the economy and the markets in the best possible way. The current fiscal year has begun on a good positive note for both the markets and for our company. As we continue to strive to grow the Institutional business, we are seeing better momentum in our retail segment too. We expect markets to remain robust and thus are optimistic for the rest of the year.

DJS Stock and Shares Limited is engaged in Share Broking activities, Trading and Investment in equities and with the opening up of all major business markets after the second wave of pandemic, there are huge emerging opportunities. DJS's young and energetic team are always in readiness to grab such opportunities. DJS's management team foresee a bright future ahead.

During the year under review, the Company has earned Total Revenue of Rs. 14,516 hundred in comparison to Rs. 40,794 hundred during the previous financial year. The total expenses has been increased from Rs. 133,442 hundred to Rs.142,522 hundred due to which there is loss of Rs. 128,064 hundred in comparison with loss of Rs. 92,704 hundred during the previous year. There was a deferred tax of Rs. 58 hundred compared to Rs. 56 hundred for the previous financial year. The Company is trying hard to grab the market opportunities and make it into a profit making Company.

Safety, Health and Environment

Your Company as a matter of policy gives greater importance to safety, health and environment and also ensures compliance with applicable legislative requirements.

Human Resources

People are our key pillars of strength. This belief was further strengthened as our people showed tremendous resilience and extraordinary commitment during the pandemic times to bring the Company back to its core performance.

COVID-19 created an unprecedented health crisis, especially during the second wave. Our Company took multiple initiatives to ensure safety and well-being of employees and their families and extended financial and logistical support towards diagnosis and treatment. The Company is committed to create a vibrant and inclusive workplace for all its employees and actively takes steps to ensure these are well enshrined in our policies and practices.

We have adopted people practices that enable us to attract and retain talent in an increasingly competitive market; and to foster a work culture that is always committed to providing the best opportunities to employees to realise their potential. We are committed as an equal opportunity employer. Train people. Treat them well. Happiness and productivity will follow, this is our Company's philosophy.

Key Financial Ratios:

INDEPENDENT AUDITOR'S REPORT

To the Members of

DJS Stock and Shares Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of DJS Stock and Shares Limited ("the Company"), which comprise the balance sheet as at March 31, 2022, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2022, its loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on basis of such checks of books and records of the company as we considered appropriate and according the information and explanations given to us, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2 As required by Section 143(3) of the Act, we report that:
 - (i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (ii) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (iii) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (iv) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraphs.
 - (v) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (vi) With respect to the adequacy of the internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report in Annexure "B".
 - (vii) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a) The Company does not have any pending litigations which would impact its financial position.
 - b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;
- (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- (iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- e) The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
- (viii) With respect to the matter to be included in the Auditors’ Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. DJS STOCK AND SHARES LIMITED
ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of DJS Stock and Shares Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Nature and Purpose of Reserves

(a) Retained Earnings: Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.

(b) FVTOCI Equity Investments: The company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVTOCI Equity Investments reserve within equity. The company transfers amount from this reserve to retained earnings when the relevant equity securities are derecognised.

Overview and notes to Standalone Financial Statements

General Information

DJS Stock & Shares Limited ('the Company') is a public limited company incorporated & domiciled in India and has its registered office at Coimbatore, Tamilnadu, India. The company is listed on Bombay Stock Exchange (BSE).

Note 1: Significant Accounting policies

1.1 Statement of Compliance

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value, the provision of Companies Act, 2013 (the Act) (to the extent notified) and the guidelines issued by Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to existing accounting standards required a change in the accounting policies hitherto in use.

1.2 Inventories

The company has held shares as stock in trade and the same are valued at lower of cost or market value.

1.3 Taxes on Income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the separate financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

1.4 Property, plant & equipment:

All Property, Plant & Equipment's are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalized until the assets are ready for use and include freight, duties, taxes and expenses incidental to acquisition and installation.

Subsequent expenditures related to an item of Property, Plant & Equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured.

Losses arising from the retirement of, and gains or losses arising from disposal of Property, Plant and Equipment are recognized in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the straight line method ('SLM') over the estimated useful lives of the assets specified in Schedule II of the Companies Act, 2013.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

1.5 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and recognized when it is probable that the economic benefits associated with the transaction will flow to the entity.

1.6 Financial Instruments

(A) Financial Assets

Recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset. Financial assets are subsequently classified as measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI)

(a) Measured at amortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any, is recognised in the Statement of Profit and Loss.

(b) Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On de-recognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

(c) Measured at fair value through profit or loss: A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Trade Receivables and Loans:

Trade receivables and loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Equity Instruments:

All investments in equity instruments classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL. For all other equity instruments, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument

shall be recognised as 'other income' in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss, if any.

(B) Financial Liabilities:

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or losses are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

1.7 Employee Benefits

The Company follows the policy of accounting for the same only on crystallization of the liability.

1.8 Earnings Per Share

Basic Earnings per share is computed by dividing the net profit attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

1.9 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

1.10 Leases**Policy Applicable from April 1, 2019**

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is

depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

Short-term leases having a lease term of 12 months or less and low value leases are accounted for in the statement of profit and loss as a revenue item.
