NOTES:

1. The Ministry of Corporate Affairs (“MCA”) has vide its General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, in relation to “Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made thereunder on account of the threat posed by Covid -19”, General Circular Nos. 20/2020 dated May 5, 2020, and subsequent circulars issued in this regard, the latest being 10/2022 dated December 28, 2022 in relation to “Clarification on holding of annual general meeting (AGM) through Video Conferencing (VC) or Other Audio Visual Means (OAVM)”, (collectively referred to as “MCA Circulars”) permitted the holding of the Annual General Meeting (“AGM”) through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”), without the physical presence of the Members at a common venue, during the calendar year 2023. In compliance with the provisions of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and MCA Circulars, the 29th AGM of the Company is being held through VC / OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.
2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.
3. The attendance of members attending the AGM through VC / OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of Companies Act, 2013.

4. Pursuant to Regulations 26(4) and 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Secretarial Standards - 2 (SS-2), the particulars of Directors proposed to be appointed / re-appointed at the Annual General Meeting is given in the Annexure to the notice.
5. Explanatory Statement under Section 102 of the Companies Act, 2013 in respect of special business is annexed hereto and forms part of the Notice.
6. The Register of Members and the Share Transfer Books of the Company will be closed from September 9, 2023 to September 15, 2023 (both days inclusive).
7. In accordance with, the circulars issued by MCA and Securities and Exchange Board of India ('SEBI'), owing to the difficulties involved in dispatching of physical copies of the Annual Report of the Company and the Notice of AGM, the same are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participants (DP).
8. Members who have not registered their e-mail addresses so far are requested to register the same with their DPs in case the shares are held by them in electronic form and with the Registrar & Share Transfer Agent in case the shares are held by them in physical form for receiving all communication including Annual Report, Notices, etc. from the Company electronically.
9. Members are requested to furnish their bank account details, change of address and all other required details to the Registrar & Share Transfer Agent in respect of shares if held in physical form. In case of shares held in electronic form, these details should be furnished to the respective Depository Participants (DPs).
10. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number ("PAN") by every participant in the securities market. Members holding shares in electronic form are therefore, requested to submit their PAN card numbers / copies of PAN card to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company/Registrar and Share Transfer Agent, M/s. Purva Sharegistry (India) Private Ltd.
11. The Securities and Exchange Board of India ("SEBI") has mandated that transfer of securities would be carried out in dematerialized form only w.e.f. 5th December, 2018. In view of the same and to avail various benefits of dematerialization, members are requested to dematerialize shares held by them in physical form.
12. Members can avail of the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Companies Act, 2013. Members desiring to avail of this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to M/s. Purva Sharegistry (India) Private Ltd. at the Registered Office of the Company. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.

13. Members may please note that the Notice of the 29th Annual General Meeting and the Annual Report for the year ended 31st March, 2023 will also be available on the Company's website www.djsstocks.com for their download. For any communication, the shareholders may also send requests to the Company's investor email id: djss2011@gmail.com.
14. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules 2014 as amended from time to time and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the 29th AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by NSDL.
15. The Members can join the AGM in the VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available for 1,000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. The detailed instructions for joining the Meeting through VC / OAVM form part of the Notes to this Notice.
16. M/s. Nitesh Chaudhary & Associates, Practicing Company Secretary, Membership No. F 10010, COP 16275, has been appointed as the Scrutinizer to scrutinize the remote e-voting process and e-voting at the AGM in a fair and transparent manner.

Explanatory Statement under Section 102 of the Companies Act, 2013 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The following statement sets out all the material facts relating to the Special Business mentioned in the accompanying Notice:

Item No. 3:

The Board of Directors of the Company, on the recommendation of the Nomination and Remuneration Committee, at its meeting held on Friday, 17th March, 2023 appointed Mr. Vikash Jindal as an Additional Director - Independent Director - of the Company with effect from 17th March, 2023.

Pursuant to the provisions of Section 161 of the Companies Act, 2013 read with the Articles of Association of the Company, Mr. Vikash Jindal holds office upto the date of ensuing Annual General Meeting. The Company has received notice under Section 160 of the Act from a member proposing the candidature of Mr. Vikash Jindal as a Director of the Company.

Mr. Vikash Jindal is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as an Independent Director.

The Company has received a declaration from Mr. Vikash Jindal to the effect that he fulfills all criteria for independence stipulated in the Companies Act, 2013 and the Listing Regulations. He has also confirmed that he is not debarred from holding the office of Director by virtue of any SEBI Order or any such authority pursuant to circulars issued by BSE Limited pertaining to enforcement of SEBI Orders regarding appointment of Directors by the listed companies.

In the opinion of the Board, Mr. Vikash Jindal is independent of the management of the Company and fulfills the conditions specified in the Companies Act, 2013 and rules made thereunder and Regulation 16 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for appointment as Independent Director.

The Board considered that Mr. Vikash Jindal is a fellow member of the Institute of Chartered Accountants of India. He is possessed with strong analytical and logical skills and has excellent knowledge of Taxation and Accounts and it is desirable to avail services of Mr. Vikash Jindal as an Independent Director for a term of five consecutive years from 15th September, 2023 to 14th September, 2028.

The information as required under Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings is provided in annexure to this Notice.

Based on recommendation of Nomination and Remuneration Committee, the Board recommends Ordinary Resolution as set out at Item No. 3 of the Notice of the AGM for the approval by the members.

Except Mr. Vikash Jindal, being the appointee director, none of the other Directors and the Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in the resolution set out at Item No. 3 of the Notice.

MANAGEMENT DISCUSSION AND ANALYSIS

Overall Outlook

DJS Stock and Shares Limited is engaged in Share Broking activities, Trading and Investment in equities. The Indian equity market has seen a paradigm shift with retail investors substantially increasing their participation in equity markets. Investors share in both cash and equity derivatives have grown over time. Share of retail investors expanded and also, their share in equity derivative turnover segment. This trend reflects that the retail investors are having a good portfolio mix. The retail investors are gradually building a portfolio for long term. As per RBI data, Indian families have shown a consistent increase in mutual fund investments in FY23 with a better understanding of financial instruments. The share of Domestic Mutual Funds (DMFs) which has risen to record levels and now owns 9.5%, 8.4% and 8.1% in the Nifty 50, Nifty 500 and NSE listed companies respectively. Average monthly systemic investment plans (SIP) flows have remained strong. Further, there has been substantial fund inflow through SIP in mutual funds.

Industry Structure and Development

Domestic investors in India have increasingly sought to diversify their basket of financial assets to include better yielding assets such as equity or mutual fund SIPs. However, even with successive interest rate hikes by the apex bank, it is unlikely that their preference will shift back to traditional forms of investment. Indian retail investors have developed a strong understanding of the benefits in building long-term portfolios and see equity investing as an important way to not only save money, but also create wealth over time. This trend has been made possible by the ease of investing through digital-first broking platforms and greater access to investment knowledge. It is expected that this trend will continue to favour equity investment, particularly given the negative inflation-adjusted returns provided by traditional savings instruments.

The Indian broking industry is very diverse with many intermediaries forming a part of the market infrastructure. Over the years, more efficient players have grown considerably in size, thus gaining healthy market share across parameters. With rising demat accounts and growing volumes, the broking industry generated good amount of revenue.

India's regulatory environment has been continuously evolving and rightly so to protect the interest of the smallest retail investor in the country. By doing so, the regulator has made the investing environment far more secure today, which gives a major boost to retail investors' confidence.

In FY21, SEBI introduced the pledge mechanism and instated the new peak margin norms. Both these regulations were directed to protect the interest of retail investor. While there was only a transient impact, restricted to the period of implementation, India witnessed healthy growth not only in demat accounts, but also market volumes, thereafter.

Following these developments, in May 2022, SEBI introduced a new regulation regarding the segregation of margin, in the form of cash and collateral, at client level, which was earlier being done at the broker level. By doing so, the regulator has further re-emphasised their empathy towards retail investors. This regulation built new guardrails to secure client funds and eliminate any chance of misappropriation of client money.

Segment-wise/Product-wise Performance

The Company is engaged mainly in trading activities and as such there are no other reportable segment as defined by Indian Accounting Standard 108 on "Operating Segments" issued by the Institute of Chartered Accountants of India.

Outlook and Indian Economic Review

The global headwinds continue to weigh in on the growth prospects of 2023. However, the note of optimism stems from China's opening and cooling down of energy prices. It is expected the slowdown in global economic growth will bottom out in 2023 and will start picking up in 2024. According to the latest IMF World Economic Outlook, the global economy is projected to grow by 2.8% in 2023, before rebounding to 3.0% in 2024.

FY23 was a landmark year for the Indian economy. While the global economy faced a growth slowdown in a high-interest rate environment, India's economy was resilient. It became the world's fifth largest economy. Unlike other emerging and developing economies, India's resilience was not entirely dependent on fiscal stimulus but led by structural interventions by the Government of India such as 'Aatmanirbhar Bharat' and the National Infrastructure Pipeline and stronger than anticipated private consumption.

According to the second advanced estimate by the Ministry of Statistics and Program Implementation (MOSPI), India's FY23 GDP growth stood at 7.0% compared to 9.1% in the previous year. This growth was broad-based and strong across sectors, with manufacturing and services showcasing a healthy recovery. The loss in demand from the external sector, due to moderate global economic growth, was compensated by a surge in domestic demand, driven largely by the government's successful rollout of universal vaccination and an increase in Capital Expenditure (Capex). This uptick in public spending had a ripple effect on private Capex and a noticeable uptick in capacity utilisation across sectors. Further, the expansion of the Production Linked Incentive scheme, announced in 2020 as part of the Prime Minister's vision of making India Aatmanirbhar, has played a pivotal role in driving growth within the country's manufacturing sector, attracting investments from both domestic and foreign companies.

Internal Control System

The internal control systems have been designed to effectively and efficiently handle the dynamic and complex nature of business operations of the Company. The internal control systems and environment are commensurate to the scale and volumes of the business with adequate segregation of roles and responsibilities. The executives of the Company keep themselves abreast with the detailed documentation of its policies and SOPs, which are regularly reviewed and updated by the management. The statutory auditors of the Company critically review the internal control environment to arrive at their opinion about the financial performance of the Company. The Company also has a strong internal audit framework as approved by the Audit Committee which ensures detailed coverage of the processes and systems needed to safeguard its assets, prevention and detection of errors and frauds, ensure accuracy and completeness of accounting transactions thus enabling timely preparation of reliable financial information. The various committees of the board, including the Audit Committee, periodically review the observations and recommendations of the internal auditors to further improve the systems and processes.

Financial Performance w.r.t. Operational Performance

During the year under review, the Company has earned Total Revenue of Rs. 31,376.91 hundreds in comparison to Rs. 14,516.00 hundreds during the previous financial year. The total expenses have been reduced from Rs. 1,42,522.13 hundreds during the previous year to Rs. 24,505.19 hundreds during the current year due to which loss has been reduced to Rs. 17,202.51 hundreds in comparison with loss of Rs. 1,28,064.26 hundreds during the previous year. The Company is trying hard to grab the market opportunities and make it into a profit-making Company.

Safety, Health and Environment

Your Company as a matter of policy gives greater importance to safety, health and environment and also ensures compliance with applicable legislative requirements.

INDEPENDENT AUDITOR'S REPORT

To the Members of
DJS Stock and Shares Limited

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited the standalone financial statements of DJS Stock and Shares Limited ("the Company"), which comprise the balance sheet as at March 31, 2023, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2023, its loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related

to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on basis of such checks of books and records of the company as we considered appropriate and according the information and explanations given to us, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.

DJS STOCK AND SHARES LIMITED**ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of DJS Stock and Shares Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Overview and notes to Standalone Financial Statements

General Information

DJS Stock & Shares Limited ('the Company') is a public limited company incorporated & domiciled in India and has its registered office at Coimbatore, Tamilnadu, India. The company is listed on Bombay Stock Exchange (BSE).

Note 1: Significant Accounting policies

1.1 Statement of Compliance

These financial statements are prepared in accordance with the Indian Accounting Standards (referred to as 'Ind AS') prescribed under section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, as amended from time to time. The Ind AS are prescribed under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to existing accounting standards required a change in the accounting policies hitherto in use.

1.2 Inventories

The company has held shares as stock in trade and the same are valued at lower of cost or market value.

1.3 Taxes on Income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the separate financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

1.4 Property, plant & equipment:

All Property, Plant & Equipment's are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalized until the assets are ready for use and include freight, duties, taxes and expenses incidental to acquisition and installation.

Subsequent expenditures related to an item of Property, Plant & Equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured.

Losses arising from the retirement of, and gains or losses arising from disposal of Property, Plant and Equipment are recognized in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the straight line method ('SLM') over the estimated useful lives of the assets specified in Schedule II of the Companies Act, 2013.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

1.5 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and recognized when it is probable that the economic benefits associated with the transaction will flow to the entity.

1.6 Financial Instruments

(A) Financial Assets

Recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset. Financial assets are subsequently classified as measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI)

- (a) Measured at amortised cost:** Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any, is recognised in the Statement of Profit and Loss.
- (b) Measured at fair value through other comprehensive income:** Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognised in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On de-recognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.
- (c) Measured at fair value through profit or loss:** A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Trade Receivables and Loans:

Trade receivables and loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Equity Instruments:

All investments in equity instruments classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL. For all other equity instruments, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument shall be recognised as 'other income' in the Statement of Profit and Loss

unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Market value of shares delisted from the stock exchange as on balance sheet date is taken as Nil.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss, if any.

(B) Financial Liabilities:

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or losses are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

1.7 Employee Benefits

The Company follows the policy of accounting for the same only on crystallization of the liability.

1.8 Earnings Per Share

Basic Earnings per share is computed by dividing the net profit attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

1.9 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

1.10 Leases**Policy Applicable from April 1, 2019**

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is

depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

Short-term leases having a lease term of 12 months or less and low value leases are accounted for in the statement of profit and loss as a revenue item.

The carrying amounts of trade receivables, cash and bank balances, loans, and trade payables are considered to be approximately equal to the fair value.

Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

- o Use of quoted market price or dealer quotes for similar instruments
- o Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.
