in dematerialized form and to the Company's RTA in case the shares are held by them in physical form, quoting their folio number.

- 20.** SEBI vide Circular Nos. SEBI/HO/OIAE/OIAE_IAD-1/P/ CIR/2023/131 dated July 31, 2023, and SEBI/HO/OIAE/ OIAE_IAD-1/P/CIR/2023/135 dated August 4, 2023, read with Master Circular No. SEBI/HO/ OIAE/ OIAE_IAD-1/P/ CIR/2023/145 dated July 31, 2023 (updated as on August 11, 2023), has established a common Online Dispute Resolution Portal ('ODR Portal') for resolution of disputes arising in the Indian Securities Market.

Pursuant to above-mentioned circulars, post exhausting the option to resolve their grievances with the RTA /Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal at <https://smartodr.in/login>

- 21.** To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.
- 22.** Non-Resident Indian Members are requested to inform the Company's RTA immediately of:
- a) Change in their residential status on return to India for permanent settlement.
 - b) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.
- 23.** Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the Company's website and on the website of the Company's RTA's. It may be noted that any service request can be processed only after the folio is KYC Compliant.
- 24.** SEBI vide its notification dated January 24, 2022 has amended Regulation 40 of the SEBI Listing Regulations and has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialised form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.
- 25.** The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the Securities Market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding the shares in physical form can submit their PAN details to the Company/RTA.
- 26.** Norms for furnishing of PAN, KYC, Bank details and Nomination:
- Pursuant to SEBI Circular no. SEBI/HO/MIRSD/MIRSDPoD-1/P/ CIR/2023/37 dated March 16, 2023, issued in supersession of earlier circulars issued by SEBI bearing nos. SEBI/HO/MIRSD/MIRSD RTAMB /P/CIR/2021/655and SEBI/HO/MIRSD/ MIRSD RTAMB/P/CIR/2021/687 dated November 3, 2021 and December 14, 2021, respectively, SEBI has mandated all listed companies to record PAN, Nomination, Contact details, Bank A/c details and Specimen signature for their corresponding folio numbers of holders of physical securities. The folios wherein any one of the cited documents/details is not available on or after October 1, 2023, shall be frozen by the RTA.

The securities in the frozen folios shall be eligible:

- To lodge any grievance or avail of any service, only after furnishing the complete documents / details as mentioned above;
- To receive any payment including dividend, interest or redemption amount (which would be only through electronic mode) only after they comply with the above stated requirements

The forms for updation of PAN, KYC, bank details and Nomination viz., Forms ISR-1, ISR-2, ISR-3, SH-13 and the said SEBI circular are available on our website. In view of the above, we urge Members holding shares in physical form to submit the required forms along with the supporting documents at the earliest. The Company has dispatched a letter to the Members holding shares in physical form in relation to the above-referred SEBI Circular. Members who hold shares in dematerialized form and wish to update their PAN, KYC, Bank details and Nomination, are requested to contact their respective DPs.

Further, Members holding shares in physical form are requested to ensure that their PAN is linked to Aadhar to avoid freezing of folios. Such frozen folios shall be referred by RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, after December 31, 2025.

27. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, Permanent Account Number ('PAN'), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc.,

- For shares held in electronic form: to their Depository Participant only and not to the Company's RTA. Changes intimated to the Depositor Participant will then be automatically reflected in the Company's records which will help the Company and its RTA provide efficient and better service to the Members.
- For shares held in physical form: to the Company's RTA in prescribed Form ISR -1 and other forms pursuant to SEBI circular SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021, as per instructions mentioned in the form. The said form can be downloaded from the Members' Reference available on the Company's website under Investor resources and is available on the website of the RTA.

To mitigate unintended challenges on account of freezing of folios, SEBI vide its Circular No. SEBI/HO/MIRSD/POD- 1/P/ CIR/2023/181 dated November 17, 2023, has done away with the provision regarding freezing of folios not having PAN, KYC, and Nomination details.

Shares held in electronic form: Members holding shares in electronic form may please note that their bank details as furnished by the respective DPs to the Company will be considered for remittance of dividend as per the applicable regulations of the DPs and the Company will not be able to accede to any direct request from such Members for change/addition/ deletion in such bank details.

28. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the members during the AGM.

All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to secretarial@vipulgroup.in.

Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before Tuesday, September 16, 2025 through email on secretarial@vipulgroup.in. The same will be replied by the Company suitably.

29. In case of joint holders attending the meeting through VC/OAVM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
30. In support of the "Green Initiative" announced by the Government of India vide Circular Nos. 17/2011 and 18/2011 dated April 21, 2011 and April 29, 2011 respectively and as well as Regulation 36 of SEBI (LODR) Regulations, 2015 and pursuant to the provisions of Section 101 and Section 136 of the Act, electronic copy of the Annual Report and this Notice, inter alia indicating the process and manner of remote e-voting along with attendance slip and proxy form are being sent by e-mail to those Members whose e-mail addresses have been made available to the Company/ Depository Participants unless the Member has requested for a hard copy of the same. For Members who have not registered their e-mail addresses, physical copies of the Annual Report & this Notice inter alia indicating the process and manner of remote e-voting will be sent to them in the permitted mode.

The Company hereby requests the Members who have not updated their email IDs to update the same with their respective Depository Participant(s) or the MAS Services Ltd, Registrar and Transfer Agent (R&T) of the Company. Further, Members holding shares in electronic mode also requested to ensure to keep their email addresses updated with the Depository Participants/RTA of the Company. Member holding shares in physical mode are also requested to update their email addresses by writing to the RTA of the Company quoting their folio number(s).

The Company has made special arrangement with the RTA and NSDL for registration of email addresses in terms of the MCA Circulars for Members who wish to receive the Annual Report along with the AGM Notice electronically and to cast the vote electronically.

31. Brief resume of Directors proposed to be appointed/reappointed as stipulated under Regulations 36 (3) of SEBI (LODR) Regulations, 2015 is provided in this Annual Report as Annexure-1 of this Notice.
32. M/s. AVA Associates through its Partner Mr. Amitabh, Practicing Company Secretary (Membership No. A14190, COP No. 5500), has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.

PROCEDURE FOR REMOTE E-VOTING

- a) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs and SEBI, the Company is providing the facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.

In compliance of Regulation 44 of the SEBI Listing Regulations, Sections 108, 110 and other applicable provisions of the Companies Act, 2013 read with the relevant Rules thereunder, the Company is pleased to provide remote e-voting facility to members to cast their vote on all resolutions set forth in the notice convening the 34th Annual General Meeting (AGM) to be held on Tuesday, September 23, 2025 at 12:30 P.M. The Company has engaged the services of National Securities Depository Limited (NSDL) for the purpose of providing remote e-voting facility to its members.

- b) The remote e-voting period commences on **Friday, September 19, 2025, 9:00 am and ends on Monday, September 22, 2025, 5:00 pm**. During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e., **Tuesday, September 16, 2025**, may cast their vote electronically through remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently. A person who is not a member as on the cut-off date should treat this notice for information purposes only.
- c) The voting rights of the Shareholders shall be in the same proportion to the paid-up share capital of the Company.
- d) A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on **Tuesday, September 16, 2025** ('cut-off date') shall be entitled to vote in respect of the shares held, by availing the facility of remote e-Voting prior to the AGM or remote e-voting during the AGM.
- e) The Members can opt for only one mode of remote e-Voting i.e., either prior to the AGM or during the AGM. The Members present at the Meeting through VC/OAVM who have not already cast their vote by remote e-Voting prior to the Meeting shall be able to exercise their right to cast their vote by remote e-Voting during the Meeting. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- f) The facility for voting through electronic voting system shall be made available during the AGM and only those Members, who will be present in the AGM through VC/OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system in the AGM.
- g) In compliance with applicable provisions of the Companies Act, 2013 read with Pursuant to General Circulars No. 14/2020 dated April 08, 2020, No. 17/2020 dated April 13, 2020, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013", No. 20/2020 dated May 05, 2020, No. 02/2021 dated January 13, 2021, No. 21/2021 dated December 14, 2021, No. 02/2022 dated May 05, 2022, No. 10/2022 dated December 28, 2022 and the latest being 09/2023 dated September 25, 2023, in relation to "Clarification on holding of Annual General Meeting ('AGM') through Video Conferencing (VC) or Other Audio Visual Means (OAVM)", issued by the Ministry of Corporate Affairs (collectively referred

to as 'MCA Circulars'), the Company is convening the 34th Annual General Meeting ('AGM') through Video Conferencing ('VC')/Other Audio Visual Means ('OAVM'), without the physical presence of the Members at a common venue. Further, Securities and Exchange Board of India ('SEBI'), vide its Circulars No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, SEBI/HO/DDHS/P/CIR/2022/0063 dated May 13, 2022, SEBI/HO/CRD/PoD-2/P/CIR/2023/4 dated January 05, 2023 and SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 07, 2023 ('SEBI Circulars') and other applicable circulars issued in this regard, has provided relaxations from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). In compliance with the provisions of the Companies Act, 2013 ('Act'), the Listing Regulations and MCA Circulars, the 34th AGM of the Company is being conducted through VC/OAVM Facility, which does not require physical presence of members at a common venue.

h) The process and manner for remote e-voting are as under:

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:

The remote e-voting period begins on Friday, September 19, 2025, 9:00 am and ends on Monday, September 22, 2025, 5:00 pm. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. September 16, 2025, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being September 16, 2025.

26. ANNUAL EVALUATION OF BOARD PERFORMANCE AND PERFORMANCE OF ITS COMMITTEES AND INDIVIDUAL DIRECTORS

Pursuant to the provisions of the Companies Act, 2013 and Regulation 17(10) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors has undertaken an evaluation of its own performance, the performance of its Committees and of all the individual Directors based on various parameters relating to roles, responsibilities and obligations of the Board, effectiveness of its functioning, contribution of Directors at meetings and the functioning of its Committees. The directors express their satisfaction with the evaluation process.

The annual evaluation process of individual Directors, the Board and Committees was conducted in accordance with the provision of the Act and the SEBI Listing Regulations.

The Board evaluated its performance after seeking inputs from all the Directors on the basis of criteria such as the Board composition and structure, effectiveness of Board processes, information and functioning, etc. The performance of the Committees was evaluated by the Board after seeking inputs from the committee members on the basis of criteria such as the composition of committees, effectiveness of committee meetings, etc. The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India.

The Chairman of the Board had one-on-one meetings with the independent directors and the Chairman of NRC had one-on-one meetings with the Executive and Non-Executive, Non-Independent Directors. These meetings were intended to obtain Directors' inputs on effectiveness of the Board/Committee processes.

The Board and the NRC reviewed the performance of individual Directors on the basis of criteria such as the contribution of the individual Director to the Board and Committee Meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, the Board as a whole and the Chairman of the Board after taking into account the views of Executive Directors and Non-Executive Directors was evaluated. The Board and the Nomination and Remuneration reviewed the performance of individual directors on the basis of criteria such as the contribution of the individual director to the Board and Committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In the Board meeting that followed the meeting of the Independent Directors and meeting of the NRC, the performance of the Board, its committees, and individual Directors was also discussed. Performance evaluation of Independent Directors was done by the entire Board, excluding the Independent Director being evaluated.

Based on inputs received from the members, it emerged that the Board has a good mix of competency, experience, qualifications and diversity. Each Board member contributed in his/her own manner to the collective wisdom of the Board, keeping in mind his/her own background and experience. There was active participation and adequate time was given for discussing strategy. Overall, the Board was functioning very well in a cohesive and interactive manner.

REPORT ON CORPORATE GOVERNANCE

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

This report is prepared in accordance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the report contains the details of Corporate Governance systems and processes at Vipul Limited.

At Vipul Limited, Corporate Governance is all about maintaining a valuable relationship and trust with all the stakeholders. We consider stakeholders as partners in our success and remain committed to maximizing stakeholders' value, be it Customers, Local Communities, Employees, Suppliers & Distributors, Trade Unions, NGOs, Investors & Shareholders and Government & Regulatory Authorities. This approach to value creation emanates from Vipul Limited belief that sound governance system, based on relationship and trust, is integral to creating enduring value for all. We have a defined policy framework for ethical conduct of businesses. We believe that any business conduct can be ethical only when it rests on the six core values viz. Customer Value, Ownership Mind-set, Respect, Integrity, One Team and Excellence. The Company's philosophy on Corporate Governance is founded upon a rich legacy of fair, ethical and transparent governance practices, many of which were in place even before they were mandated by adopting the highest standards of professionalism, honesty, integrity and ethical behaviour.

The Company's philosophy on Corporate Governance is founded upon a rich legacy of fair, ethical and transparent governance practices, many of which were in place even before they were mandated by adopting the highest standards of professionalism, honesty, integrity and ethical behavior. The Company follows the philosophy of building sustainable businesses that are rooted in the Community and demonstrates care for the environment. Through the Governance mechanism in the Company, the Board along with its committees undertakes its fiduciary responsibilities to all its stakeholders by ensuring transparency, fair play and independence in its decision making.

Corporate Governance encompasses a set of systems and practices to ensure that the Company's affairs are being managed in a manner which ensures accountability, transparency and fairness in all transactions in the widest sense. The objective is to meet stakeholders' aspirations and societal expectations. Good governance practices stem from the dynamic culture and positive mindset of the organization. We are committed to meet the aspirations of all our stakeholders. This is demonstrated in shareholder returns, awards and recognitions, governance processes and an entrepreneurial performance focused work environment.

Effective Corporate Governance is the signature of professional beliefs and values, which configures the organizational values, credo and actions of its employees. The Company firmly believes in effective Corporate Governance practices and follows all the applicable laws in true letter and spirit. Corporate Governance is an ethically driven process that constitutes the strong foundation on which successful commercial enterprises are built and enhance the organization wealth generating capacity.

The essence of Corporate Governance is about maintaining the right balance between economic, social, individual and community goals. At your Company, good corporate governance is a way of life and the way we do our business, encompassing every day's activities and is enshrined as a part of our way of working. The Company is focused on enhancement of long-term value creation for all stakeholders without compromising on integrity, societal obligations, environment and regulatory compliances. Our actions are governed by our values and principles, which are reinforced at all levels of the organization. These principles have been and will continue to be our guiding force in future.

The Company has adopted a Code of Conduct for its Board of Directors and its Senior Management personnel, which is available on the Company's website. The Company's corporate governance philosophy has been further strengthened through the Vipul Code of Conduct for Prevention of Insider Trading and

Code of practices and procedures for fair disclosure of Unpublished Price Sensitive Information (UPSI). In addition, the Company has adopted a Code of Conduct for its Non-Executive Directors which includes a Code of Conduct for Independent Directors, as specified under Schedule IV of the Act and Regulation 26(3) of the SEBI Listing Regulations. Pursuant to Regulation 26(5) of the SEBI Listing Regulations, all members of senior management have confirmed that there is no material, financial and commercial transactions wherein they have a personal interest that may have a potential conflict with the interest of the Company at large. Pursuant to Regulation 26(3) of the SEBI Listing Regulations, all the Board members and senior management of the Company as on March 31, 2025 have affirmed compliance with their respective Codes of Conduct. A Declaration to this effect, duly signed by the Executive Director ('ED') is reproduced at the end of this Report.

The Corporate Governance mechanism is further strengthened with adherence to the Vipul Business Excellence Model, as a means to drive excellence and the Balanced Scorecard methodology, for tracking progress on long-term strategic objectives and the adoption of the Vipul Code of Conduct for Prevention of Insider Trading and the Code of Corporate Disclosure Practices ('Prevention of Insider Trading Code'), pursuant to the provisions of Regulations 8 and 9 under the SEBI (Prohibition of Insider Trading) Regulations, 2015. The Company has also adopted the Governance Guidelines on Board Effectiveness based on the best practices within the Vipul Group of Companies. The Company is in full compliance with the requirements of Corporate Governance norms under the SEBI Listing Regulations. Risk management and the internal control process are focus areas that continue to meet the progressive governance standards. The Management on a quarterly basis presents before the Board of Directors a status report on adherence to the regulatory compliances, as applicable to the Company.

The Board recognizes the importance of two-way communication with shareholders, giving a balanced report of results and progress and responding to questions and issues raised. Shareholders seeking information related to their shareholding may contact the Company directly or through the Company's Registrar and Transfer Agents, details of which are available on the Company's website. The Company ensures that complaints of its shareholders are responded to promptly.

The Company Secretary plays a key role in ensuring that the Board (including its Committees thereof) procedures are followed and regularly reviewed. The Company Secretary ensures that all relevant information, details and documents are made available to the Directors and senior management for effective decision-making at the meetings. The Company Secretary is primarily responsible to assist and advice the Board in the conduct of affairs of the Company, to ensure compliance with applicable statutory requirements, to provide guidance to the Directors and to facilitate convening of meetings. The Company Secretary interfaces between the management and regulatory authorities for governance matters.

The Company is in compliance with the requirements stipulated under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI (LODR) Regulations, 2015") with regard to corporate governance.

II. BOARD OF DIRECTORS ("BOARD")

At Vipul Limited, it is our belief that an enlightened Board consciously creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance. The Board's actions and decisions are aligned with the Company's best interests.

The Board is committed to the goal of sustainably elevating the Company's value creation. The Company has defined guidelines and an established framework for the meetings of the Board and its Committees. These guidelines seek to systematize the decision-making process at the meetings of the Board and its Committees in an informed and efficient manner.

The Board of Directors is the apex body constituted by shareholders, for overseeing the Company's overall functioning. It provides strategic direction, leadership and guidance to the Company's management as also

MANAGEMENT DISCUSSION & ANALYSIS REPORT

OUTLOOK & OVERVIEW OF THE ECONOMY

India's economy in FY25 exemplifies its inherent resilience. The GDP growth rate reached more than 6% during the fiscal year 2025. In FY2024, the global economy displayed not able resilience despite uneven momentum across regions and sectors and grew around 3% as per International Monetary Fund's (IMF) World Economic Outlook.

According to the Reserve Bank of India, the nation's GDP is expected to grow by around 6.8% in FY26. The economy is anticipated to benefit from promising crop prospects and robust household consumption strengthened by tax relief measures in the Union Budget 2025-26. Fixed investment is projected to recover, supported by improved capacity utilization, strong corporate and financial balance sheets, and the government's persistent emphasis on capital expenditure.

According to the latest IMF report, India has overtaken Japan as the world's 4th largest economy in 2025 and is on track to surpass Germany as the 3rd largest economy by 2028.

INDUSTRY STRUCTURE AND DEVELOPMENTS

India's real estate sector reflects the broader optimism surrounding the country's economic future. According to the IMF's World Economic Outlook, April 2025, India's GDP has more than doubled to ~\$4.19 trillion, from \$2 trillion in 2014, propelling the country from the tenth to the fifth largest economy in the world and is on course to become the third largest by FY 30-31, growing at a sustained pace of around 6.7%. This growth trajectory is powered by a convergence of long-term drivers: expanding middle class, accelerating urbanization, increasing disposable income, rapid digital adoption, and continued structural reforms. Flagship government initiatives such as the Smart Cities Mission, Housing for All, and the Real Estate (Regulation and Development) Act (RERA), have enhanced transparency, improved regulatory oversight and strengthened investor confidence across the real estate value chain. Real estate is a key contributor to India's GDP and employment generation. According to Knight Frank, the sector is expected to grow from \$300 Billion in FY2024 to \$650 Billion by CY2025, reaching \$1Trillion by FY2030 and potentially \$5.8 Trillion by FY2047.

FY 2024-25 was a challenging year for India's real estate sector, with slowed sales growth due to elevated interest rates and global economic uncertainty. However, there was a significant increase in new launches, especially in tier-1 cities, with inventory levels remaining stable or even declining in these areas, indicating sustained demand. The residential segment performed well, supported by stable interest rates, a strong economy, and evolving consumer preferences, including a shift towards larger homes. The commercial office space sector showed a very slow recovery, reversing the impact of the remote work trend and global economic slowdown, though demand remained below pre-pandemic levels in some regions. Meanwhile, the retail real estate sector witnessed a revival, exceeding pre-pandemic consumption levels, as consumer spending rebounded and footfalls increased in malls and retail spaces.

In FY 2024-25, India's residential real estate sector exhibited resilience. Property sales are not surged significantly, but reflecting a continued recovery. This robust performance can be underpinned by favorable affordability, a strong economic rebound, and positive macroeconomic conditions. However, challenges such as rising raw material costs, inflationary pressures, and increased borrowing expenses created headwinds for the sector. Despite these challenges, the residential market remained a key performer in the real estate landscape, supported by evolving consumer preferences and stable interest rates.

The lockdown periods led to heightened savings and minimal income disruptions among mid to high-income segments, bolstering sustained demand. Additionally, the real estate sector found relief in the RBI's decision to maintain the policy repo rate.

The real estate market experienced an unprecedented slowdown in FY 2025, surpassing expectations. This led to significant washed off in opportunities for both domestic and international investors, driving the economy forward. Overall, the residential sector remains a focal point for growth, fueled by sustained demand and stable economic conditions.

Delhi- NCR

The shift toward premium housing remains a defining trend in NCR's residential market. Properties priced above Rs. 1 crore accounted for nearly 80% of total market demand, compared to other average properties. This growth is indicative of sustained demand for spacious homes with state-of-the-art amenities, driven by affluent homebuyers prioritising quality living spaces. Within this segment, the Rs. 1-2 crore and Rs. 2-5 crore bracket saw the most significant activity, supported by well-established developers offering projects in strategic locations. In contrast, the segments below Rs. 50 lakh continue to show a shrinking trend. In FY 2024, NCR maintained a steady performance with robust demand seen in the primary residential market. However, NCR was the market that saw sales dip marginally by 4% YoY to 57,654 residential units, albeit from a multi-year high base, and low inventory levels in the mid and-affordable categories, in the right locations.

Gurugram retained its dominance as the preferred micro market in NCR. The continuous development of the Dwarka Expressway, along with the anticipated completion of key infrastructure projects, has significantly enhanced the area's connectivity and appeal. The Southern and Central Peripheral Roads continue to draw interest, fuelled by a mix of premium projects that cater to high-net-worth individuals. Noida and Greater Noida collectively contributed to one more micro market.

BUDGET 2025–26 TAKEAWAYS

The Union Budget 2025–26 reflects India's commitment to climate action through several key initiatives. While it emphasises renewable energy and clean transportation, it also highlights the need for more comprehensive strategies in industrial decarbonisation and agricultural sustainability to achieve India's long term climate objectives

Inclusive Development

Despite COVID-19 challenges, PMAY (Rural) is close to its three crore houses target, with plans for two crores more houses in five years. The PMAY scheme for affordable housing includes PMAY (Urban) and PMAY (Rural), with a total allocation of Rs. 80,671 crore, of which Rs. 54,500 crore is for PMAY (Rural). PM-SVANidhi successfully supported 68 lakh street vendors with credit. The government aims for holistic development, envisioning 'Viksit Bharat' by 2047.

Housing

The PM Awas Yojana announced plans for 2 crore houses in the future, but details about the urban wing were lacking. Additionally, a target of 1 crore houses for rooftop solarization was set, offering urban households 300 units of free electricity monthly. The Budget highlighted a new scheme for middle-class urban residents in rented housing, slums, chawls, or unauthorized colonies, allowing them to buy or build their own homes.

Urban Reforms

The ongoing municipal reforms featured an incentivization package and a fifty-year loan to states, with a focus on capital project utilization and urban planning reforms to boost municipal bond creditworthiness.

COMPANY STRENGTHS

Promoters and senior management continue to put efforts to focus on Project Planning and Execution for delivering present-day design and quality construction.

The Project management team comprises of experienced, highly qualified experts with vast experience in their functional areas. The team drives the organization through their contribution.

The organizational framework has been designed to manage the design, engineering, procurement and execution of concurrent, multi-site projects keeping a focus on delivery of developments of International standards.

Your Company continues to capitalize on the market opportunities by leveraging its key strengths, these include:

1. **Brand Reputation:** Enjoys higher recall and influences the buying decision of the customer. Strong customer connects further results in higher premium realizations.
2. **Execution:** Possesses a successful track record of quality execution of projects with contemporary architecture.
3. **Strong cash flows:** Has built a business model that ensures continuous cash flows from their investment and development properties ensuring a steady cash flow even during the adverse business cycles.
4. **Significant leveraging opportunity:** Follows conservative debt practice coupled with enough cash balance which provides a significant leveraging opportunity for further expansions.
5. **Outsourcing:** Operates an outsourcing model of appointing globally renowned architects/contractors that allows scalability and emphasizes contemporary design and quality construction – a key factor of success.
6. **Transparency:** Follows a strong culture of corporate governance and ensures transparency and high levels of business ethics.
7. **Highly qualified execution team:** Employs experienced, capable and highly qualified design and project management teams who ever see and execute all aspects of project development.

OPPORTUNITY:

The growth opportunity in the Real Estate Sector is far from over. It will continue to play out over the medium term. Large number of unorganized players have exited the market leaving more opportunities for the serious players.

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary architecture, well designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your Company is ideally placed to further strengthen its development potential by acquiring new land parcels.

HOUSING DEMAND

A combination of economic growth, increasing income levels, and the perception that housing prices are stabilising, which has led to a notable uptick in housing demand. Potential buyers, previously on the sidelines, are now entering the market as first-time homeowners while existing homeowners are looking for larger spaces. The shift towards remote and hybrid work models is further influencing the desire for more spacious living arrangements. Employers offering flexible work options continue to be a significant factor in this trend, as it allows employees the freedom to live further from the office, thereby boosting demand for residential properties in various segments.

SECTOR CONSOLIDATION

The Indian real estate sector, characterized by its highly fragmented nature, has been undergoing a significant consolidation phase for several years. This consolidation has been accelerated by various factors, including the pandemic, which has effectively sidelined less robust participants. The current environment in the real estate industry poses challenges to the entry of new competitors. With the trend leaning towards a smaller number of dominant developers in each region, upcoming period of consolidation offers an attractive chance for current real estate firms to meet the increasing demand for housing.

DIGITAL REAL ESTATE SALES

Digital marketing has become a key strategy for real estate developers to boost sales and connect with customers. Since the pandemic, their marketing efforts have expanded beyond attracting new customers and building brand awareness to include creating personal connections digitally. Thanks to technology that allows

property purchases online, developers have seen strong sales, even during lockdown periods. They're using digital tools to engage with potential buyers, present project details, offer virtual tours, and target Non-Resident Indians (NRIs) to increase sales. Advanced technologies like virtual reality, augmented reality, and AI-driven chatbots are increasingly employed to offer tailored services to potential clients. Moving forward, developers will need to keep up with technological advancements, as the share of real estate transactions conducted online is expected to grow.

THREAT

Even as the demand in the Real Estate Sector is increasing gradually, the squeezed financial scenario and NBFC issue has led to major liquidity challenges and increased borrowing costs.

Huge inventory pile up and delayed projects have affected the confidence of residential end use customers as well as the investor community.

REGULATORY HURDLES

The real estate industry is subject to extensive regulation, and any negative adjustments in governmental policies or the regulatory framework can negatively influence the sector's performance. Significant delays in procedures related to acquiring land, determining land use, initiating projects, and obtaining construction approvals are common. Changes in policy applied retrospectively, along with regulatory obstacles, could affect profitability and diminish the appeal of both the sector and the companies active within it.

MONETARY TIGHTENING AND FUNDING ISSUES

In recent years, the landscape of real estate financing has shown a marked divergence. Well-established developers with lower debt levels have continued to secure funding with relative ease, benefiting from the selective approach of lenders, while those with weaker financial standings have encountered challenges in accessing capital. The performance of the real estate sector is intricately connected to the broader economic recovery and the prevailing monetary policies. The RBI has maintained an accommodative stance to bolster economic growth. However, it is anticipated that there will be a shift towards tighter monetary policies as efforts intensify to manage persistent inflation. The budding economic revival, coupled with potential increases in interest rates, may pose challenges for the real estate sector shortly. Higher housing loan costs and an escalation in financing costs for developers, who are already contending with margin pressures due to the rising prices of commodities, could have implications.

SHORTAGE OF MANPOWER & TECHNOLOGY

As the country's second-largest employment provider, the real estate sector relies significantly on manual labor. The pandemic severely impacted this sector due to labor shortages, disrupting project completion schedules. Consequently, there's a pressing need for the adoption of alternative construction methods that are less dependent on manual labour and more on technology.

RISKS AND CONCERNS

Vipul's risk management approach focuses on mitigating the adverse impact of external risks on its business objectives. The framework comprises a combination of centrally issued policies and divisionally-evolved procedures that are regularly reviewed for their alignment with sectoral dynamics and evolving trends.

The Company has a Risk Management Committee which is entrusted with the responsibility of establishing policies to monitor and evaluate the risk management systems of the Company.

The Company aims at continuous improvement of the processes which inter-alia include, reporting methodology of the legal matters, efficient engagement of high quality panel of third party lawyers, standardization of key documents and strengthening internal guidelines and processes on documentation, legal matters and their reporting.

The Company is exposed to a number of risks such as economic, regulatory, taxation and environmental risks as well as sectoral investment outlook. Some risks that may arise in the normal course of business and could impact their ability to address future developments, comprise credit risk, liquidity risk, counterparty risk, regulatory risk, commodity inflation risk and market risk. The Company's strategy of focusing on key products and geographical segments is exposed to economic and market conditions.

The Company continues to implement robust risk management policies that set-out the tolerance for risk management and the requisite mitigation plans.

INDUSTRY CYCLICALITY

The real estate market is inherently a cyclical market and is affected by macro economic conditions, changes in applicable governmental schemes, changes in supply and demand for projects, availability of consumer financing and illiquidity. Your Company has attempted to hedge against the inherent risks through a business model comprising owned projects, joint ventures, residential platforms, and development management through a pan-India presence. However, any future significant downturn in the industry and the overall investment climate may adversely impact business.

STATUTORY APPROVALS

The real estate sector in India is heavily regulated by the central, state and local governments. Real estate developers are required to comply with a number of laws and regulations, including policies and procedures established and implemented by local authorities in relation to land acquisition, transfer of property, registration and use of land. These laws often vary from state to state. Several of your Company's projects are in preliminary stages of planning and any delay in obtaining approvals could warrant revised scheduling of project timelines.

CLIMATE CHANGE-THREATS AND CHALLENGES FOR REAL ESTATE SECTOR

The sector faces some pertinent challenges on the front of climate change. These challenges or risks can be classified broadly into two categories, physical and transitional. The former is on account of acute and chronic physical effects of climate change such as damage to infrastructure at construction sites or building projects, damages to logistics routes, reduced efficiency of work force due to heat waves, etc. The latter i.e., transitional risks arise on account of transitioning to a low-carbon economy. Such risks can be broadly classified into four categories namely, reputational, market, technology and policy.

In addition to the risks, climate change also offers some opportunities for the real estate sector.

REDUCED WATER USAGE AND CONSUMPTION

Water is a critical component in the construction and use phase. Erratic and reduced precipitation compounded with unsustainable extraction of groundwater has a significant impact on construction activities and customer preference. Incorporating rainwater harvesting, and encouraging the use of curing compound instead of water saves large volumes of water and reduces its procurement cost. Moreover, reduction in water usage also reduces wastewater treatment and corresponding energy usage.

LOCAL ENERGY GENERATION AND STORAGE

Real-estate firms can use their premises to generate and store energy. For example, property developers have been outfitting buildings with solar arrays and batteries, helping to stabilize energy grids and reduce the costs associated with clean energy.

GREEN BUILDINGS TO ATTRACT MORE CUSTOMERS

Developers and property managers can invest in developing green buildings or retrofitting older buildings to make them green to meet the growing appetite for sustainable workplaces and homes. Energy efficient solutions both in the design and use phase can help save large quantity of energy for customers. The efficiency measures help mitigate climate impacts.

DIFFERENTIATED CAPITAL ATTRACTION

Given the volume of capital that has already been committed to achieving net zero, real-estate firms that are able to decarbonize will have an advantage in attracting capital.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's internal control systems are commensurate with the nature of its business and the size and complexity of its operations. These are routinely tested and verified by Statutory as well as Internal Auditors. The Company's internal control system is commensurate with the nature, size and complexities of operations. The internal control system ensures compliance with all applicable laws, regulations and facilitates optimum utilisation of available resources and protects the interests of all stakeholders.

The Company has a robust and well embedded system of internal financial controls. This ensures that all assets are safeguarded and protected against loss from unauthorized use or disposition and all transactions are authorised, recorded and reported correctly. An extensive risk based programme of internal audit and management reviews provides assurance on the effectiveness of internal financial controls, which are continuously monitored through management reviews, self-assessment, functional experts as well as by the Statutory/ Internal Auditors during the course of their audits.

The internal control is supplemented by extensive programme of internal audits, review by Audit Committee and Board of the Company. The system has been designed to ensure that financial and other records are reliable for preparing financial information and for maintaining accountability of assets. All financial and audit control systems are also reviewed by the Audit Committee of the Board of Directors of the Company.

Significant audit observations, if any and follow up actions thereon are reported to the Audit Committee. Further to maintain its objectives and independence, the Internal Auditors reports to the Chairman of the Audit Committee.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

You Company continues to focus its business strategy on its core markets; reduce debt and improve the quality of debt; rationalize costs and capital expenditure. Your Company continues to focus on delivering and completing projects in a timely manner with complete focus on quality.

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF VIPUL LIMITED

Report on the Audit of the Standalone Financial Results

Qualified Opinion

1. We have audited the accompanying standalone financial statements of **VIPUL LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity and notes to the financial statements for the year then ended on that date, including a summary of Material accounting policies and other explanatory information (herein after referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effect of the matters described in the Basis for Qualified Opinion paragraph, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its loss (including Other Comprehensive Income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

2. Matters described in Basis for Qualified Opinion:
 - i. Cash and cash equivalents include cheques in hand aggregating to Rs. 220.06 lakhs collected from customers towards advances/booking amount. As stated by the management, these are yet to be presented for encashment at the request of customers. Further Cash and Cash Equivalent also include Rs. 48.70 lakhs held in dormant bank and Rs. 239.27 lakhs held in frozen bank account.
 - ii. The Company has taken as well as granted several secured and unsecured loans and advances during the year. The agreements/ documentation in respect of such loans and advances are in the process of being signed. In the absence of such signed agreements, interest payable and receivable, as applicable, has been computed on the basis of the details provided by the Management where available. The impact, if any, will be recognized after the completion of such documentation.
 - iii. The Company has not provided interest on advance received from customers as negotiations for settlement of the same is under progress. Further, the Company has also not provided for interest on its unsecured borrowings and ICDs as negotiations with the lenders are under process and as per the information and explanations provided to us, these borrowings will also be settled mutually. The impact, will be recognized after the completion of such negotiations.
3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

4. We draw your attention to the following matters included in the Notes to the Standalone Financial Statements:
- Note 41 which states that certain balances under Loans, Advances and Trade Receivables are subject to balance confirmations.
 - Note 48 which states that the Company has recognized income on the basis of the Arbitration Award after complying with the conditions of the Award. However, a substantial amount of such award is yet to be received.
 - Note 8 to the financial results, which states that as per information available with the Company there are no dues to Micro, Small, or medium enterprises (MSMEs) under the MSMED Act, 2006 at the year end.

Our opinion is not modified in respect of these matters.

Key Audit Matters

5. Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No	Key Audit Matter	Auditor's Response
1	<p>Investment in subsidiaries, joint ventures and an associate and loans/ advances to subsidiaries and joint ventures</p> <p>The Company's investments in subsidiaries, joint ventures, and an associate are recorded on the financial statements at their original cost, taking into account any impairment resulting in diminution in value. The Company evaluates these investments for impairment regularly, usually at each reporting date.</p> <p>To assess impairment, the Company relies on estimates and judgments. This process involves identifying events or indicators that could lead to a decline in the value of the investments and then determining the appropriate impairment charge if necessary. Making these assessments requires significant judgment on the part of the Company, especially when projecting future cash flows related to real estate projects within these entities.</p>	<p>Besides obtaining an understanding of Management's processes and controls with regard to testing the impairment of the unquoted equity instruments in loss making subsidiaries and associates. Our procedures included the following:</p> <ul style="list-style-type: none">Assessing the net worth of subsidiaries and joint ventures on the basis of latest available financial statements.For the investments where the carrying amount exceeded the net asset value, understanding from the Company regarding the basis and assumptions used for the projected profitability.Compared the Company's assumptions with comparable benchmarks in relation to key inputs such as long-term growth rates and discount rates;Considered historical forecasting accuracy, by comparing previously forecasted cash flows to actual results achieved; and

Sr. No	Key Audit Matter	Auditor's Response
	<p>The impairment review of such investments, with an opening carrying value of Rs.979.98 lakhs, is considered to be a risk area due to the size of the balances as well as the judgmental nature of key assumptions, which may be subject to management override. The carrying value of such unquoted equity instruments and debt is at risk of recoverability. The net worth of some of the underlying entities has significantly eroded and does not have projects under development. The estimated recoverable amount is subjective due to the inherent uncertainty involved in forecasting and discounting future cash flows.</p> <p>The Company has provided loans and financial instruments to its joint ventures and subsidiaries, and it evaluates the recoverability of these loans regularly at the end of each reporting period. Due to the specific nature of the real estate industry, the Company faces higher risks regarding the possibility of recovering the amounts owed by these parties. Additionally, significant judgment is required to assess the likelihood of recovering both the working capital and project-specific loans and financial instruments. This judgment is influenced by the completion of property development projects within the agreed-upon timeframes.</p> <p>Given the importance of accurately assessing the recoverability of loans and financial instruments to subsidiaries and joint ventures and the significant judgment and estimation involved in this process, the measurement of these loans/financial instruments is considered a critical audit matter. During the audit, special attention is given to ensuring that the Company's judgments and estimates are appropriate and well-supported.</p>	<ul style="list-style-type: none"> Analysing the possible indications of impairment and understanding Company's assessment of those indications. Tracing loans/financial instruments advanced /repaid during the year to bank statement. Obtaining independent confirmations to assess completeness and existence of loans/financial instruments given to subsidiaries and joint ventures as on 31 March 2025. Considering the adequacy of disclosures in respect of the investments and loans and advances in subsidiaries, joint ventures and an associate.
2	<p>Revenue recognition – accounting for construction contracts</p> <p>There are Material accounting judgements including estimation of costs to complete, determining the stage of completion and the timing of revenue recognition. The Company recognises revenue and profit/loss on the basis of stage of completion based on the proportion of contract costs incurred at balance sheet date, relative to the total estimated costs of the contract at completion. The recognition of revenue and profit/loss therefore rely on estimates in relation to total estimated costs of each contract. Cost contingencies are included in these estimates to take into account specific uncertain risks, or disputed claims against the Company, arising within each contract. These contingencies are reviewed by the Management on a regular basis throughout the contract life and adjusted where appropriate.</p>	<p>In responding to the identified key audit matter, we completed the following audit procedures:</p> <ul style="list-style-type: none"> In responding to the identified key audit matter, we completed the following audit procedures: Testing of the design and implementation of controls involved for the determination of the estimates used as well as their operating effectiveness;

Sr. No	Key Audit Matter	Auditor's Response
		<ul style="list-style-type: none">• Testing the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard;• Testing a sample of contracts for appropriate identification of performance obligations;• For the sample selected, reviewing for change orders and the impact on the estimated costs to complete;• Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings

Other Information

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexures to Board Report, Business Responsibility Report, Corporate Governance and Shareholders' Information but does not include the standalone financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.
7. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.
8. In connection with our audit of the standalone financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
9. When we read the aforesaid documents, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

10. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the

accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

11. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
12. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

13. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
14. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
15. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
18. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Report on Other Legal and Regulatory Requirements

19. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- (c) According to the information and explanations given to us and the records of the Company examined by us, the Company has not obtained any term loans during the year.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) According to the information and explanations given to us the Company has not taken any funds from any entity or person on account of or to meet the obligations its subsidiaries, associates or joint ventures, hence reporting under this clause is not applicable.
- (f) According to the information and explanations given to us the Company has not raised loans during the year on the pledge of securities held in its any subsidiaries, associates or joint ventures, hence reporting under this clause is not applicable.
10. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under this clause is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under this clause is not applicable.
11. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the Company, noticed or reported during the year, nor have we been informed of such case by the management.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) According to the information and explanations given to us and the records of the Company examined by us, the Company has not received any complaints from any whistle-blower during the year (and up to the date of this report) and hence reporting under this clause is not applicable.
12. The Company is not a Nidhi Company and hence reporting under this clause is not applicable.
13. According to the information and explanations given to us and the records of the Company examined by us, the Company has complied with the requirements of sections 177 and 188 of the Act with respect to its transactions with the related parties. Pursuant to the requirement of the applicable Accounting Standard, details of the related party transactions have been disclosed in Note 58 of the standalone financial statements for the year under audit.

14. (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
15. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
16. (a) & (b) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3 (xvi) (a) and (b) is not applicable.
- (c) The Company has incurred cash losses during the current year and has not incurred cash losses in the immediately preceding financial year. The amount of cash losses for the aforesaid year are given below:

Financial Year	Cash Loss (Rs. In lakhs)
FY 2024 – 25	2,121.27

The above cash losses have been computed as per guidance note on CARO issued by ICAI. Our opinion has been arrived at without considering the effect of qualification for the purpose of making comments in respect of this clause.

18. There has been no resignation of the statutory auditors of the Company during the year.
19. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and upon receipt of the proceeds from arbitral award referred to in Note 48 which is expected to be received in the current year, based on our examination of the evidence supporting the assumptions there is no material uncertainty that exists as on the date of the audit report that the Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
20. (a) According to information and explanation given to us and records of the Company examined by us, the provisions of Section 135 of the Act is not applicable to the Company in the current year, hence reporting under clause 3(XX) (a) & (b) is not applicable.
21. In our opinion and according to information and explanation given to us, the following companies incorporated in India and included in the consolidated financial statements have certain remarks included in their reports under the Companies (Auditor's Report) Order (CARO), 2020 which have been reproduced as per the requirements of CARO, 2020:

ANNEXURE- B: TO THE INDEPENDENT AUDITOR'S REPORT

To the Members of VIPUL LIMITED

[Referred to in paragraph 19 (g) of the Independent Auditor's Report of even date]

Report on the Internal Financial Control under Clause (i) of Sub –sections 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of VIPUL LIMITED ("the Company") as of 31st March, 2025 in conjunction with our audit of The Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Control

2. The Company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the "Guidance Note" and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material Weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that
 - 1) Pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - 2) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorization of management and directors of company; and

- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

8. According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as on March 31, 2025:
 - i. The Company has taken as well as granted several secured and unsecured loans and advances during the year. The agreements/ documentation in respect of such loans and advances are in the process of being signed. In the absence of such signed agreements, interest payable and receivable, as applicable, has been computed on the basis of the details provided by the Management where available. The impact, if any, will be recognized after the completion of such documentation.
9. A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Club's annual or interim financial statements will not be prevented or detected on a timely basis.
10. In our opinion, except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company had established informal practices which are generally effective in having a proper internal control over financial reporting and except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2025.
11. We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31st March, 2025 standalone financial statements of the Company, and the material weakness has affected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements.

28. **NOTES TO THE FINANCIAL STATEMENTS**

A. Corporate Information

Vipul Limited (the Company) is a public limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The registered office of the Company is situated at Unit No. 201, C 50, Malviya Nagar, New Delhi -110017 and the corporate office is situated at Vipul Techsquare, Golf Course Road, Sector-43, Gurugram-122009 (Haryana).

The principle business activity of the company is Real Estate Development. The Company has its presence in the states of Haryana, Odisha and Punjab.

B. Material Accounting Policy Information

1. Basis of preparation of financial statements

The Standalone Financial Statements of the Company have been prepared in accordance with the Indian Accounting Standards (IND AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under the Section 133 of the Companies Act, 2013 ("the Act") and the relevant provisions and amendments, as applicable.

The Standalone Financial Statements of the Company for the year ended March 31, 2025 were authorized for issued by the Board of Directors on June 16, 2025.

The financial statements have been prepared on historical cost basis, except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments).

The Ind AS financial statements are presented in INR which is the Company's functional and presentation currency and all values are rounded to the nearest lakhs, except when otherwise indicated. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2. Use of estimates and management judgements

The preparation of financial statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a. Key estimates and assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

i) Revenue recognition, contract costs and valuation of trade receivables

Revenue from contract with customer of its real estate projects is recognized, when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to

which the Company is expected to be entitled in exchange for those goods or services. The Company transfer control of a good and service over time. Accordingly, revenue is measured by reference to the stage of the projects and contracts determined based on the proportion of contract costs incurred for work performed to date bear to the estimated total contract costs. Hence method requires the Company to estimate the costs expended to date as a proportion of the total costs to be expended. Significant assumptions are required in determining the stage of completion, the extent of the contract cost incurred the estimated total contract revenue and contract cost and the recoverability of the contracts. These estimates are based on events existing at the end of each reporting date.

ii) Estimation of net realizable value for inventory

Inventory is stated at the lower of cost and net realizable value (NRV).

NRV for completed inventory is assessed by reference to market conditions and prices existing at the reporting date and is determined by the Company, based on comparable transactions identified by the Company for inventories in the same geographical market serving the same real estate segment.

NRV in respect of inventory under construction is assessed with reference to market prices at the reporting date for similar completed property, less estimated costs to complete construction and an estimate of the time value of money to the date of completion.

iii) Useful lives of property, plant and equipment

As described in the significant accounting policies, the Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period.

iv) Actuarial Valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. Such valuation depends upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in notes to the financial statements.

3. Summary of significant accounting policies

a. Property, Plant and Equipment

The cost of an item of property, plant and equipment comprises of its purchase price, any costs directly attributable to its acquisition and an initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the company incurs when the item is acquired. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately.

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the Property, plant and equipment is derecognized.

b. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment loss.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period

c. Revenue Recognition-

Revenue is recognized as follows:

- I. The Company recognises revenue, on execution of agreement or letter of allotment and when control of the goods or services are transferred to the customer, at an amount that reflects the consideration (i.e. the transaction price) to which the Company is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes). An asset created by the Company's performance does not have an alternate use and as per the terms of the contract, the Company has an enforceable right to payment for performance completed till date. Hence the Company transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time. The Company recognises revenue at the transaction price which is determined on the basis of agreement or letter of allotment entered into with the customer. The Company recognises revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Company uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Company recognises revenue in proportion to the actual project cost incurred (excluding land cost) as against the total estimated project cost (excluding land cost). The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined.

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract. A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

- II. Claims, interest and transfer fees from customers are recognized on acceptance of the same.
- III. Income from interest is accounted for on time proportion basis taking into account the amount outstanding and the applicable rate of interest.
- IV. Revenue from operation includes various charges recovered from the customers which is recognized on accrual basis having regard to timing and nature of service provided.

d. Borrowing Costs

Borrowing costs attributable to the acquisition or construction of a qualifying asset are carried as part of the cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are expensed in the year they are incurred.

e. Depreciation and amortization

Depreciation on property, plant and equipment is calculated using the written down value method to allocate their cost, net of their residual values, over the useful lives of assets estimated by the management and as given in schedule II of The Companies Act, 2013 except, life of furniture and fixtures has been estimated as 15 years against 10 years as per Schedule II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged.

Software are amortized over the estimated useful life of 5 years.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate

f. Inventories

- i. Constructed properties, shown as work in progress, includes the cost of land (including development rights and land under agreements to purchase), internal development costs, external development costs, construction costs, overheads, borrowing costs, construction materials and is valued at lower of cost/ estimated cost and net realizable value.
- ii. On completion of projects, unsold stocks are transferred to project finished stock under the head "Inventory" and the same is carried at cost or net realizable value, whichever is less.
- iii. Finished Goods – Plots: Valued at lower of cost and net realizable value

g. Retirement Benefits

a. Short Term employee benefit

The employees of the company are entitled to compensate absences which are non-accumulating in nature. Expenses of such compensated absences are recognized in the period in which such absences occur.

b. Long Term and Post-employment benefits

- a) The employees' gratuity fund scheme managed by Life Insurance Corporation of India is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method.
- b) Retirement benefits in the form of Provident Fund and Superannuation/ Pension schemes are charged to the Profit & Loss Statement in the year when the contributions to the respective funds are due.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

i. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation if the company has a present obligation as a result of past event and the amount of obligation can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Possible future or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated is disclosed as contingent liability in the financial statement.

Where an inflow of economic benefits is probable, a brief description of the nature of the contingent assets at the end of reporting period, and, where practicable, an estimate of their financial effect is disclosed.

j. Taxes on Income

Tax expense comprises both current and deferred tax. Current tax is determined in respect of taxable income for the year based on applicable tax rates and laws.

Deferred tax Asset/liability is recognized, subject to consideration of prudence, on timing differences being the differences between taxable incomes and accounting income that originates in one year and is capable of reversal in one or more subsequent year and measured using tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets for carry forward business loss are recognized only if there is virtual certainty supported by convincing evidence that future taxable income will be available against which such deferred tax asset can be realized.

Deferred tax assets/liabilities are reviewed at each Balance Sheet date to reassess their reliability

k. Foreign Currency Transactions

Foreign currency denominated monetary assets and liabilities are translated at exchange rates in effect at Balance Sheet date. The gains or losses resulting from such translation are included in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency are translated at the exchange rate prevalent at the date of transactions.

Revenue, expense and cash flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of transaction.

l. Segment Reporting

The company has identified that its operating activity is a single primary business segment viz. Real Estate Development & Services carried out in India. Accordingly, whole of India has been considered as one geographical segment

m. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

n. Cash & Cash Equivalents

Cash and cash equivalents comprise cash & cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less, which are subject to an insignificant risk of changes in value and that are readily convertible to known amounts of cash to be cash equivalents.

o. Financial Instruments

➤ **Financial Instruments - Initial recognition and measurement**

Financial assets and financial liabilities are recognized in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument. The company determines the classification of its financial assets and liabilities at initial recognition. All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

➤ **Financial assets –Subsequent measurement**

The Subsequent measurement of financial assets depends on their classification which is as follows:

- Financial assets at fair value through profit or loss: Financial assets at fair value through profit and loss include financial assets held for sale in the near term and those designated upon initial recognition at fair value through profit or loss.
- Financial assets measured at amortized cost: Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.
- Financial assets at fair value through OCI

All equity investments, except investments in subsidiaries, joint ventures and associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The company makes an irrevocable election on an instrument by instrument basis to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable. If the company decides to designate an equity instrument at fair value through OCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

➤ **Financial assets –Derecognition**

The company derecognizes a financial asset when the contractual rights to the cash flows from the assets expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset. Upon derecognition of equity instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

➤ **Investment in subsidiaries, joint ventures and associates**

Investments made by the company in subsidiaries, joint ventures and associates are measured at Cost. Impairment recognized, if any is reduced from the carrying value.

➤ **Financial liabilities –**

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or as payables, as appropriate.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

- ◆ Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading, if any.

- ◆ Financial liabilities measured at amortized cost

Interest bearing loans and borrowings including debentures issued by the company are subsequently measured at amortized cost using the effective interest rate method (EIR). Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortized is included in finance costs in the statement of profit and loss.

➤ **Financial liabilities – Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or expires.

➤ **Fair Value measurement**

The company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the assets or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company. The company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

p. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CG exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses, including impairment on inventories, are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

q. Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

r. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;-
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The real estate development projects undertaken by the Company generally run over a period ranging upto 5 years. Operating assets and liabilities relating to such projects are classified as current based on an operating cycle of upto 5 years. Borrowings in connection with such projects are classified as short term (i.e. current) since they are payable over the term of the respective projects. Assets and liabilities, other than those discussed above, are classified as current to the extent they are expected to be realized / are contractually repayable within 12 months from the Balance sheet date and as non-current, in other cases. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

s. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are de-recognised as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

t. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is due within 12 months after reporting period. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

u. Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted in the Financial Statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

4. Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include trade and other receivables, cash and cash equivalents and loans and advances and refundable deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a financial risk committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The financial risk committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

A. Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. Financial instruments affected by market risk include loans and borrowings and refundable deposits.

The sensitivity analysis in the following sections relate to the position as at March 31, 2025 and March 31, 2024. The sensitivity analyses have been prepared on the basis that the amount of net debt and the ratio of fixed to floating interest rates of the debt. The analysis excludes the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions.

The below assumption has been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2025 and March 31, 2024.

a. Currency Risk

Currency risk is not material, as the Company's primary business activities are within India and does not have significant exposure in foreign currency.

b. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Company does not enter into any interest rate swaps.

c. Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase / decrease in Interest rate	Effect on profit before tax* (Rs. In Lakhs)
March 31,2025		
INR	Increase by 1%	Nil
INR	Decrease by 1%	Nil
March 31,2024		
INR	Increase by 1%	Nil
INR	Decrease by 1%	Nil

* determined on gross basis i.e. without considering conversion of such borrowing cost into inventory.

B. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments.

Trade receivables

- (a) Receivables resulting from sale of properties: Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Company's credit risk in this respect.

- (b) Receivables resulting from other than sale of properties: Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company's credit period generally ranges from 30-60 days.

Financial Instrument and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counter party.

Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Finance Committee. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through a counter party's potential failure to make payments. The Company's maximum exposure to credit risk for the components of the statement of financial position at 31st March 2024 and 2023 is the carrying amounts.

C. Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans. The table below summarizes the maturity profile of the Company's financial liabilities based on Contractual undiscounted payments:

(Rs. In Lakhs)

Particulars	On demand	Upto 1 year	1 to 5 years	>5 years	Total
Year ended March 31, 2025					
Borrowings	Nil	8485.57	Nil	Nil	8485.57
Trade payables	Nil	4499.83	Nil	Nil	4499.83
Other financial liabilities	Nil	15170.71	3209.63	Nil	18380.34
Year ended March 31, 2024					
Borrowings	Nil	17302.16	Nil	Nil	17302.16
Trade payables	Nil	5322.89	Nil	Nil	5322.89
Other financial liabilities	Nil	16007.34	3210.25	Nil	19217.59

The Management is of the opinion that the Company has sufficient current assets comprising of Trade Receivables, Cash & Cash Equivalents, Loans, Inventories and Other Current Financial Assets to manage the liquidity risk, if any in relation to current financial liabilities.

D. Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximize the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables (excluding Liability under JDA), less cash and cash equivalents.

Annual Report 2024-25

(Rs. in Lakhs)

Particulars	March 31, 2025	March 31, 2024
Borrowings (long-term and short-term, excluding current maturities of long term borrowings)	8,485.57	17,302.16
Trade payables	4,499.83	5,322.89
Other payables (current and non-current, excluding current maturities of long term borrowings)	-	-
Less: Cash and cash equivalents	(3,177.55)	(4,824.38)
Net debt	9,807.85	17,800.67
Equity share capital	1,409.59	1,199.84
Other equity	36,731.37	34,126.86
Total Capital	38,140.96	35,326.70
Capital and net debt	47,948.81	53,127.37
Gearing ratio	0.20	0.34

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings.

Multiple legal cases have been filed by parties in various Consumer forums and courts and these have been disputed by the Company as advised by its advocates. Based on the grounds of the appeals and advice of the independent legal counsels, the management believes that there is a reasonably strong likelihood of succeeding before the various authorities. Pending the final decisions on the above matter, no adjustment has been made in these financial statements. Interest and claims by customers/ suppliers may be payable as and when the outcome of the related matters are finally determined and hence not been included.

It is not practicable for the Company to estimate the cash outflows, if any, in respect of the above, pending resolution of the respective proceedings.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

VIPUL LIMITED

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

1. We have audited the accompanying consolidated financial statements of **VIPUL LIMITED** (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associates comprising of the Consolidated Balance Sheet as at 31st March, 2025, the Consolidated Statement of Profit and Loss including other comprehensive Income, the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity, for the year then ended, including a summary of significant accounting policies and other explanatory information (herein after referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate financial statements of the subsidiaries and associates referred to in the Other Matters paragraph and except for the possible effects of the matters described in the "Basis for Qualified Opinion" paragraph below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2025, of consolidated losses (including Other Comprehensive Loss), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

2. Matters described in Basis for Qualified Opinion:
 - i. Cash and cash equivalents of the Holding Company include cheques in hand aggregating to Rs. 220.06 lakhs collected from customers towards advances/booking amount. As stated by the management, these are yet to be presented for encashment at the request of customers. Further Cash and Cash Equivalent also include Rs. 48.70 lakhs held in dormant bank and Rs. 239.27 lakhs held in frozen bank account.
 - ii. The Holding Company and its subsidiaries have taken as well as granted several secured and unsecured loans and advances during the year. The agreements/ documentation in respect of such loans and advances are in the process of being signed. In the absence of such signed agreements, interest payable and receivable, as applicable, has been computed on the basis of the details provided by the Management where available. The impact, if any, will be recognized after the completion of such documentation.
 - iii. The Holding Company has not provided interest on advance received from customers as negotiations for settlement of the same is under progress.

Further, the Holding Company has also not provided for interest on its unsecured borrowings and ICDs as negotiations with the lenders are under process and as per the information and explanations provided to us, these borrowings will also be settled mutually. The impact, will be recognized after the completion of such negotiations.

- iv. In one subsidiary not audited by us and whose audit reports for financial year ending 31st March 2025 has been provided to us, the concerned auditors have stated that the Company has continued to capitalize its Bank Guarantee charges as Capital Work-in-Progress inspite of not having any projects under progress.

- v. In one associate which has not been audited and whose financial statements have been certified by the Management, the auditor who had audited the financial statements of the associate for the year ended March 31, 2023 had stated that the said associate have not complied with the requirements of Ind AS 116 in respect of a leasehold land in the associate. In the absence of the audited financial statements for the year ended March 31, 2025, we are unable to comment on whether the circumstances which resulted in the modified opinion still exist
3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained alongwith the consideration of audit reports of the other auditors referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Sr. No	Key Audit Matter	Auditor's Response
1	<p>Revenue recognition – accounting for construction contracts</p> <p>There are significant accounting judgements including estimation of costs to complete, determining the stage of completion and the timing of revenue recognition. The Company recognises revenue and profit/loss on the basis of stage of completion based on the proportion of contract costs incurred at balance sheet date, relative to the total estimated costs of the contract at completion. The recognition of revenue and profit/loss therefore rely on estimates in relation to total estimated costs of each contract. Cost contingencies are included in these estimates to take into account specific uncertain risks, or disputed claims against the Company, arising within each contract. These contingencies are reviewed by the Management on a regular basis throughout the contract life and adjusted where appropriate.</p>	<p>In responding to the identified key audit matter, we completed the following audit procedures:</p> <p>Testing of the design and implementation of controls involved for the determination of the estimates used as well as their operating effectiveness;</p> <p>Testing the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard;</p> <p>Testing a sample of contracts for appropriate identification of performance obligations;</p> <p>For the sample selected, reviewing for change orders and the impact on the estimated costs to complete;</p> <p>Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings</p>

Emphasis of Matter

5. We draw attention to the following matters included in the Notes to the consolidated financial statements:
- Note 45 which relates to the Scheme of Amalgamation ("Scheme") of five subsidiaries filed before NCLT, Delhi.
 - Note 44 which states that the Holding Company has recognized income on the basis of the Arbitration Award after complying with the conditions of the Award. However, a substantial amount of such award is yet to be received.
 - Note 55 which states that certain balances under Loans, Advances and Trade Receivables are subject to balance confirmations.
 - Note 8 in the financial results, which states that as per information available with the Company there are no dues to Micro, Small, or Medium Enterprises (MSMEs) under the MSMED Act, 2006 at the year end
 - In five subsidiaries not audited by us and whose audit reports for financial year ending 31st March 2025 has been provided to us, the concerned auditors have emphasized in their respective audit reports that the respective subsidiaries have not filed their income tax return for the previous year.
 - In six subsidiaries and one associates not audited by us and whose audit reports for financial year ending 31st March 2025 has been provided to us, the concerned auditors have emphasized in their respective audit reports that the respective subsidiaries have granted Project Advances and / or have Capital Work in Progress consisting of a project under implementation and there is no progress in development activities of the project as these projects have been kept on hold.
 - In one subsidiary audited by us, deferred tax assets have been recognized. In our report we have stated that the subsidiary has continued to maintain its deferred tax asset inspite of incurring net cash losses during the current year and the previous year. However, the management is of the opinion that the Company will have sufficient amount of profit in the future years to recover the Deferred Tax Asset which have been recognized.

Our opinion is not modified in respect of these matters.

Material uncertainty relating to Going Concern

6. In six subsidiary companies not audited by us and one subsidiary company audited by us, material uncertainty relating to going concerns were identified as on 31st March 2025. In our report and the audit reports of the other auditors provided to us, it was stated that the respective subsidiaries have been incurring losses and their networth has been completely eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the subsidiary's ability to continue as a going concern. However, the financial statements of the subsidiaries have been prepared on a going concern basis for the reasons mentioned in the notes to their respective financials statements. (Refer Note 52)

Our opinion is not modified in respect of this matter.

Other Information

7. The Holding Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexures to Board Report, Business Responsibility Report, Corporate Governance and Shareholders' Information but does not include the consolidated financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.

8. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
9. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
10. When we read the aforesaid documents, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Consolidated Financial Statements

11. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and statement of changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with Rules issued thereunder. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and of its associates for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
12. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group including its associates are responsible for assessing the ability of the Group and its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so
13. The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

14. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
15. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of

not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group and its associates which are companies incorporated in India have adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
16. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
17. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
18. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
19. Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i)

planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Other Matters

20. (i) The Consolidated Financial Results include the audited Financial Results of eleven subsidiary companies whose Financial Statements reflect Group's share of total assets of Rs. 11972.75 lakhs as at March 31, 2025, Group's share of total revenue of Rs. 2805.77 lakhs and Rs. 2806.52 lakhs and Group's share of total net profit of Rs. (5.64) lakhs and Rs. (6.49) lakhs, total comprehensive income of Rs. (5.64) lakhs and Rs. (6.49) lakhs for the quarter ended March 31, 2025 and for the year ended March 31, 2025 respectively, and Cash flows (net) of Rs. 2211.91 lakhs for the year ended March 31, 2025 as considered in the consolidated financial results, which have been audited by their respective independent auditors. The consolidated financial results also includes the Group's share of net profit/(loss) after tax of Rs. 15.30 lakhs and total comprehensive income of Rs. 15.30 lakhs for the year ended March 31, 2025, as considered in the consolidated financial results, in respect of Two associates which have been audited by their respective independent auditors The independent auditors' reports on financial statements of these entities have been furnished to us and our opinion on the consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.
- (ii) The consolidated financial results also include the Group's share of net profit after tax of Rs. 0.36 lakhs and total comprehensive income of Rs. 0.36 lakhs for the year ended March 31, 2025, as considered in the consolidated financial results, in respect of two associates for the year ended March 31, 2025. These financial statements are unaudited and have been furnished to us by the Holding Company's Management and our opinion on the Consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of this entity is based solely on such unaudited Financial Results certified by the Management as stated above. Any adjustment upon audit by the respective auditors to the unaudited Financial Results could have consequential effects on the Consolidated Financial Results. In our opinion and according to the information and explanations given to us by the Holding Company's Management, these Financial Results are not material to the Group.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial information certified by the Board of Directors.

Report on Other Legal and Regulatory Requirements

21. As required by Section 143 (3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) Except for the effect of the matters described in the Basis of Qualified Opinion paragraph above, in our opinion proper books of accounts as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- (d) Except for the effects of the matters stated in the Basis of Qualified Opinion paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2025 taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its subsidiary companies and associate companies, other than two directors each from two associate companies, none of the directors of the Group's companies and associate companies incorporated in India is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The matters described in the Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- (g) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "Annexure A", which is based on the auditor's report of the parent, subsidiary companies and associates, which are companies incorporated in India and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

According to the information and explanations given to us and the records of the company examined by us, total managerial remuneration paid as reflected in the financial statements for the year ended 31st March 2025 are in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act, as applicable.

However, the Company had made default of repayment of loans taken from various lenders being banks/ public financial institutions and was in default at the time of such payments/ provision. As required under 197(3) of the Act, 2013, prior approval from such lenders has not been obtained.

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associates- Refer Note 36 to the consolidated financial statements.
 - ii. The Group and its associates did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary companies and associate companies incorporated in India.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- v. The Company has neither proposed any dividend in the previous year or in the current year nor paid any interim dividend during the year.
- vi. Based on our examination, which included test checks, the Group has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

To the members of

VIPUL LIMITED

[Referred to in paragraph 21 (g) of the Auditors' Report of even date]

Report on the Internal Financial Control under Clause (i) of Sub –section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of VIPUL LIMITED (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associates, which are companies incorporated in India as of 31st March 2025 in conjunction with our audit of the financial statements of the Holding Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the of the Holding Company, its subsidiary companies and its associates, which are companies incorporated in India, are responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiaries and associates which are companies incorporated in India based on our audit. We conducted our audit in accordance with the "Guidance Note" and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and its associates, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting the Company, its subsidiary companies and its associates which are companies incorporated in India

Meaning of Internal Financial Control over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable

assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorization of management and directors of company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statement.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

8. According to the information and explanations given to us and based on our audit, the following material weakness has been identified as on March 31, 2025:

The Group has taken as well as granted several secured and unsecured loans and advances during the year. The agreements/ documentation in respect of such loans and advances are in the process of being signed. In the absence of such signed agreements, interest payable and receivable, as applicable, has been computed on the basis of the details provided by the Management where available. The impact, if any, will be recognized after the completion of such documentation.

9. A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Club's annual or interim financial statements will not be prevented or detected on a timely basis.
10. In our opinion, except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Club had established informal practices which are generally effective in having a proper internal control over financial reporting and except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2025.
11. We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31st March, 2025 consolidated financial statements of the Company, and the material weakness has affected our opinion on the consolidated financial statements of the Company and we have issued a qualified opinion on the consolidated financial statements.

Other Matters

8. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to eleven subsidiaries and three associates which are companies incorporated in India, is based solely on the corresponding report of the auditor of such company incorporated in India.

Vipul Limited

This report does not include the report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of one subsidiary along with its four subsidiaries as the reports the said subsidiaries are not available with the Parent's Management. In the absence of such report, we are unable to comment on the adequacy and operating effectiveness of the internal financial controls over financial reporting in respect of the subsidiary along with its four subsidiaries.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Note No. 33

A. Group Overview

Vipul Limited ("the Company") including its subsidiaries and interests in its Associates (collectively referred to as "the Group") is a public limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The registered office of the Company is situated at Unit No. 201, C 50, Malviya Nagar, New Delhi -110017 and the corporate office is situated at Vipul Techsquare, Golf Course Road, Sector-43, Gurugram-122009 (Haryana).

The principal business activity of the company is Real Estate Development. The Company has its presence in the states of Haryana, Odisha and Punjab.

B. Significant Accounting Policies

1. Basis of preparation of financial statements

The Financial Statements of the subsidiaries used in the consolidation are drawn upto the same reporting date as that of the company, i.e. March 31, 2025.

The Consolidated Financial Statements of the Group have been prepared on accrual basis in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and the provisions of the Companies Act, 2013. The financial statements have been prepared on historical cost basis, except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments).

The Ind AS financial statements are presented in INR which is the group's functional and presentation currency and all values are rounded to the nearest lakhs, except when otherwise indicated. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2. Use of estimates and management judgements

The preparation of financial statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a. Key estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

i) Revenue recognition, contract costs and valuation of trade receivables

The group recognized revenue from contract with customer of its real estate projects i, when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the group is expected to be entitled in exchange for those goods or services. The group transfer control of a good and service over time. Accordingly is measured by reference to the stage of the projects and contracts determined based on the proportion of contract costs incurred for work performed to date bear to the estimated total contract costs. Hence method requires the group to estimate the costs expended to date as a proportion of the total costs to be expended. Significant assumptions are required in determining the stage of completion, the extent of the contract cost incurred, the estimated total contract revenue and contract cost and the recoverability of the contracts. These estimates are based on events existing at the end of each reporting date.

ii) Estimation of net realizable value for inventory

Inventory is stated at the lower of cost and net realizable value (NRV).

NRV for completed inventory is assessed by reference to market conditions and prices existing at the reporting date and is determined, based on comparable transactions identified by the Group for inventories in the same geographical market serving the same real estate segment.

NRV in respect of inventory under construction is assessed with reference to market prices at the reporting date for similar completed property, less estimated costs to complete construction and an estimate of the time value of money to the date of completion.

iii) Useful lives of property, plant and equipment

As described in the significant accounting policies, the Group reviews the estimated useful lives of property, plant and equipment at the end of each reporting period.

iv) Actuarial Valuation

The determination of Group's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. Such valuation depend upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in notes to the financial statements.

3. Summary of significant accounting policies

a. Principles of consolidation

The Consolidated Financial Statements have been prepared on the basis of Indian Accounting Standard-110 on "Consolidated Financial Statements" read with the following assumptions:

- The financial statements of the parent company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-Group balances and inter Group transactions.
- The consolidated financial statement are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the parent company's separate financial statement unless stated otherwise.

- The difference between the costs of investments in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognized in the Financial Statements as Goodwill or Capital Reserve as the case may be.
- Goodwill arising, if any, out of consolidation is not being amortized.
- Minority Interest share of Net Profit/Loss of Consolidated Subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to the shareholders of the Company.
- Minority Interest's share of Net Assets of Consolidated Subsidiaries is identified and presented in the Consolidated Balance Sheet separately from liabilities and the equity of the Company's Shareholders.
- Investment in associate are accounted for using equity method as per Ind AS 28 - Investment in Associates and Joint Ventures. Accordingly, the post-acquisition share of profit / loss of the associate company (the loss being restricted to the cost of investment) has been added to / deducted from the cost of investments. The excess of cost to the Company of its investment in the associates, over and above the Company's share of net assets in the associate, at the time of acquisition of share, is described as goodwill. On the other hand, where the share of net assets in the associate as on the date of investment, is in excess of cost of investments of the Company, it is described as Capital Reserve. Goodwill or Capital Reserve, as the case may be, is included in the carrying amount of investment.

b. Property, Plant and Equipment

The cost of an item of property, plant and equipment comprises of its purchase price, any costs directly attributable to its acquisition and an initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the Group incurs when the item is acquired. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately.

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the Property, plant and equipment is derecognized.

c. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment loss.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period

d. Revenue Recognition-

Revenue is recognized as follows:

- I. The Group recognises revenue, on execution of agreement or letter of allotment and when control of the goods or services are transferred to the customer, at an amount that reflects the consideration

(i.e. the transaction price) to which the Group is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes). An asset created by the Group's performance does not have an alternate use and as per the terms of the contract, the Group has an enforceable right to payment for performance completed till date. Hence the Group transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time. The Group recognises revenue at the transaction price which is determined on the basis of agreement or letter of allotment entered into with the customer. The Group recognises revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Group uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Group recognises revenue in proportion to the actual project cost incurred (excluding land cost) as against the total estimated project cost (excluding land cost). The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined.

- a. A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.
- b. A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract. A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

- II. Claims, interest and transfer fees from customers are recognized on acceptance of the same.
- III. Income from interest is accounted for on time proportion basis taking into account the amount outstanding and the applicable rate of interest.
- IV. Revenue from operation includes various charges recovered from the customers which is recognized on accrual basis having regard to timing and nature of service provided.

e. Borrowing Costs

Borrowing costs attributable to the acquisition or construction of a qualifying asset are carried as part of the cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are expensed in the year they are incurred.

f. Depreciation and amortization

Depreciation on property, plant and equipment is calculated using the written down value method to allocate their cost, net of their residual values,

over the useful lives of assets estimated by the management and as given in schedule II of The Companies Act, 2013 except, life of furniture and fixtures has been estimated as 15 years against 10 years as per Schedule II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged.

Softwares are amortized over the estimated useful life of 5 years.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate

g. Inventories

1. Constructed properties, shown as work in progress, includes the cost of land (including development rights and land under agreements to purchase), internal development costs, external development costs, construction costs, overheads, borrowing costs, construction materials and is valued at lower of cost/ estimated cost and net realizable value.
2. On completion of projects, unsold stocks are transferred to project finished stock under the head "Inventory" and the same is carried at cost or net realizable value, whichever is less.
3. Finished Goods – Plots: Valued at lower of cost and net realizable value

h. Retirement Benefits

a) Short Term employee benefit

The employees of the Group are entitled to compensate absences which are non-accumulating in nature. Expenses of such compensated absences are recognized in the period in which such absences occur.

b) Long Term and Post-employment benefits

- a) The employees' gratuity fund scheme managed by Life Insurance Corporation of India is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method.
- b) Retirement benefits in the form of Provident Fund and Superannuation/ Pension schemes are charged to the Profit & Loss Statement in the year when the contributions to the respective funds are due.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

i. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation if the Group has a present obligation as a result of past event and the amount of obligation can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Possible future or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated is disclosed as contingent liability in the financial statement.

Where an inflow of economic benefits is probable, a brief description of the nature of the contingent assets at the end of reporting period, and, where practicable, an estimate of their financial effect is disclosed.

j. Taxes on Income

Tax expense comprises both current and deferred tax. Current tax is determined in respect of taxable income for the year based on applicable tax rates and laws.

Deferred tax Asset/liability is recognized, subject to consideration of prudence, on timing differences being the differences between taxable incomes and accounting income that originates in one year and is capable of reversal in one or more subsequent year and measured using tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets for carry forward business loss are recognized only if there is virtual certainty supported by convincing evidence that future taxable income will be available against which such deferred tax asset can be realized

Deferred tax assets/liabilities are reviewed at each Balance Sheet date to reassess their reliability.

k. Foreign Currency Transactions

Foreign currency denominated monetary assets and liabilities are translated at exchange rates in effect at Balance Sheet date. The gains or losses resulting from such translation are included in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency are translated at the exchange rate prevalent at the date of transactions.

Revenue, expense and cash flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of transaction.

l. Segment Reporting

The Group has identified that its operating activity is a single primary business segment viz. Real Estate Development & Services carried out in India. Accordingly, whole of India has been considered as one geographical segment

m. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

n. Cash & Cash Equivalents

Cash and cash equivalents comprise cash & cash on deposit with banks and corporations. The Group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less, which are subject to an insignificant risk of changes in value and that are readily convertible to known amounts of cash to be cash equivalents.

o. Financial Instruments

1. Financial Assets

➤ Classification

The Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit and loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

➤ Initial recognition and measurement

Financial assets are recognized in the Group's statement of financial position when the Group becomes a party to the contractual provisions of the instrument. The Group determines the classification of its financial assets at initial recognition. All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

➤ Subsequent measurement

The Subsequent measurement of financial assets depends on their classification which is as follows:

- Financial assets at fair value through profit or loss

Financial assets at fair value through profit and loss include financial assets held for sale in the near term and those designated upon initial recognition at fair value through profit or loss.

- Financial assets measured at amortized cost

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

- Financial assets at fair value through OCI

All equity investments, except investments in subsidiaries, joint ventures and associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The group makes an irrevocable election on an instrument by instrument basis to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable. If the group decides to designate an equity instrument at fair value through OCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

➤ Derecognition

The group derecognizes a financial asset when the contractual rights to the cash flows from the assets expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset. Upon derecognition of equity instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

➤ **Investment in subsidiaries, joint ventures and associates**

Investments made by the company in subsidiaries, joint ventures and associates are measured at Cost.

2. Financial liabilities

➤ Classification

The Group classifies all financial liabilities as subsequently measured at amortised cost.

➤ Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or as payables, as appropriate.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

➤ Subsequent measurement

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

- Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading, if any.

- Financial liabilities measured at amortized cost

Interest bearing loans and borrowings including debentures issued by the Group are subsequently measured at amortized cost using the effective interest rate method (EIR). Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortized is included in finance costs in the statement of profit and loss.

➤ Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or expires.

➤ **Fair Value measurement**

The Group measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the assets or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the Group. The Group uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-

assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

p. Impairment of non financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CG exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses, including impairment on inventories, are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

q. Impairment of financial assets

The Group assesses at each date of balance sheet whether a financial asset or a Group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

r. Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted in the Financial Statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

s. Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle; -
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The real estate development projects undertaken by the Group generally run over a period ranging up to 5 years. Operating assets and liabilities relating to such projects are classified as current based on an operating cycle of up to 5 years. Borrowings in connection with such projects are classified as short term (i.e. current) since they are payable over the term of the respective projects. Assets and liabilities, other than those discussed above, are classified as current to the extent they are expected to be realized / are contractually repayable within 12 months from the Balance sheet date and as non-current, in other cases. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

t. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are de-recognised as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

u. Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is due within 12 months after reporting period. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

v. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as Long term investments.

Investments in Equity (other than in subsidiaries and associates) are carried at fair value through OCI while Investments in Mutual Funds are carried at fair value through profit and loss account.

Profit / loss on sale of on investments is recognized with reference to the carrying value of the investment.

4. Financial risk management objectives and policies

The Group's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Group's operations. The Group's principal financial assets include trade and other receivables, cash and cash equivalents and loans and advances and refundable deposits that derive directly from its operations.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. The Group's senior management is supported by a financial risk committee that advises on financial risks and the appropriate financial risk governance framework for the Group. The financial risk committee provides assurance to the Group's senior management that the Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

a. Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. Financial instruments affected by market risk include loans and borrowings and refundable deposits.

The sensitivity analysis in the following sections relate to the position as at March 31, 2023 and March 31, 2022. The sensitivity analyses have been prepared on the basis that the amount of net debt and the ratio of fixed to floating interest rates of the debt. The analysis excludes the impact of movements in market variables on: the carrying values of gratuity and other post retirement obligations; provisions.

The below assumption has been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2025 and March 31, 2024.

i. Currency risk

Currency risk is not material, as the Company's primary business activities are within India and does not have significant exposure in foreign currency.

ii. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates.

The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Group does not enter into any interest rate swaps.

iii. Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

(Rs. in lakhs)

Particulars	Increase/ decrease in Interest rate	Effect on profit before tax*
March 31,2025		
INR	Increase by 1%	Nil
	Decrease by 1%	Increased by Rs. 20.62
INR	Decrease by 1%	Nil
March 31,2024		
INR	Increase by 1%	Reduce by Rs. 20.62
INR	Decrease by 1%	Increased by Rs. 20.62

Determined on gross basis i.e. without considering inventorisation of such borrowing cost.

b. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments.

Trade receivables

- Receivables resulting from sale of properties: Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Group's credit risk in this respect.
- Receivables resulting from other than sale of properties: Credit risk is managed by each business unit subject to the Group's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Group does not hold collateral as security. The Group's credit period generally ranges from 30-60 days.

Financial Instrument and cash deposits

Credit risk from balances with banks and financial institutions is managed by the

Group's treasury department in accordance with the Group's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty.

Counterparty credit limits are reviewed by the Group's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Group's Finance Committee. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments. The Group's maximum exposure to credit risk for the components of the statement of financial position at 31 March 2025 and 2024 is the carrying amounts.

c. Liquidity risk

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans. The table below summarizes the maturity profile of the Group's financial liabilities based on Contractual undiscounted payments:

	On demand Rs. In lacs	Upto 1 year Rs. In lacs	1 to 5 years Rs. In lacs	>5 years Rs.in lacs	Total Rs. In lacs
Year ended					
March 31,2025					
Borrowings	Nil	8485.57	Nil	Nil	8485.57
Trade payables	Nil	4651.11	Nil	Nil	4651.11
Other financial liabilities	Nil	15752.29	3209.63	Nil	18961.92
Year ended	Nil	Nil	5,826.01	Nil	5,826.01
March 31,2024					
Borrowings	Nil	17994.15	787.00	Nil	18781.15
Trade payables	Nil	Nil	5482.92	Nil	5482.92
Other financial liabilities	Nil	12559.11	3210.25	Nil	15769.36

The Management is of the opinion that the Company has sufficient current assets comprising of Trade Receivables, Cash & Cash Equivalents, , Loans, Inventories and Other Current Financial Assets to manage the liquidity risk, if any in relation to current financial liabilities.

d. Capital management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Group. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group includes within net debt, interest bearing loans and borrowings, trade and other payables (excluding Liability under JDA), less cash and cash equivalents

Annual Report 2024-25

(Rs. in lakhs)

Particulars	31.03.2025	31.03.2024
Borrowings (long-term and short-term, excluding current maturities of long-term borrowings)	8485.57	9716.65
Trade payables	4651.11	5482.92
Less: Cash and cash equivalents	4031.00	4876.02
Net debt	9105.69	10,323.55

Other equity	36,295.17	33,979.42
Total Capital	37,704.76	35,179.26
Capital and net debt	46,810.45	45,502.81
Gearing ratio	5.14	4.40

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been breaches in the financial covenants of interest-bearing loans and borrowing in the current period. Details are given in CARO section of Independent Audit Report issued on standalone financials statements of the company.

Annexure 1 to the Statement on Impact of Audit Qualifications (for audit report with modified opinion) submitted along-with Consolidated Annual Audited Financial Results)

SI	Details of Audit Qualification	If Management is unable to estimate the impact, reasons for the same	Auditors' Comments on Management's reasons
01.	Cash and cash equivalents include cheques in hand aggregating to Rs. 220.06 lakhs collected from customers towards advances/ booking amounts. As stated by the management, these are yet to be presented for encashment at the request of customers. Further Cash and Cash Equivalent also Include RS 48.70 Lakhs held in dormant bank and 239.27 Lakhs held in Frozen bank account.	As stated by the management, these are yet to be presented for encashment at the request of customers. However, the Company has recovered substantial amount during the year under review.	No specific comments other than our observation in auditor's report. Impact on revenue in unascertainable.
02.	The Holding Company and its subsidiaries have taken as well as granted several secured and unsecured loans and advances during the quarter. The agreements/ documentation in respect of such loans and advances are in the process of being signed. In the absence of such signed agreements, interest payable and receivable, as applicable, has been computed on the basis of the details provided by the Management where available. The impact, if any, will be recognized after the completion of such documentation.	The agreements are in the process of execution and signing.	No specific comments other than our observation in auditor's report. Impact on revenue in unascertainable.
03.	The Holding Company has not provided interest on advance received from customers as negotiations for settlement of the same is under progress. Further, the Holding Company has also not provided for interest on its unsecured borrowings and ICDs for which negotiations are ongoing as per the information and explanations provided to us. The impact, will be recognized after the completion of such negotiations.	The negotiations for settlement of the same is under progress.	No specific comments other than our observation in auditor's report. Impact on revenue in unascertainable.
	In one subsidiary not audited by us and whose audit reports for financial year ending 31st March 2025 has been provided to us, the concerned auditors have stated that the Company has continued to capitalize its Bank Guarantee charges as Capital Work-in-Progress inspite of not having any projects under progress.	The same will be accounted for at the time of commencement of the project.	No specific comments other than our observation in auditor's report. Impact on revenue in unascertainable.
05.	In one associate which has not been audited and whose financial statements have been certified by the Management, the auditor who had audited the financial statements of the associate for the year ended March 31, 2025 had stated that the said associate have not complied with the requirements of Ind AS 116 in respect of a leasehold land in the associate. In the absence of the audited financial statements for the year ended March 31, 2025, we are unable to comment on whether the circumstances which resulted in the modified opinion still exist.	The project under the associate company is abandoned since long and there is no activity in the said project. The company will do the necessary IndAS compliance once the activity in the said project commences.	No specific comments other than our observation in auditor's report. Impact on revenue in unascertainable.
