Managing Director's Speech

Mr. Harjeet Singh Arora
MANAGING DIRECTOR

Dear Shareholders,

It gives me great pleasure to present your Company's Annual Report and to share with you its performance for the year 2016-17.

In the year gone by, we continued to be amazed by the incredible depth, resilience and determination showed by the Indian economy. Like the global economy, it was another VUCA (volatile, uncertain, complex and ambiguous) year in India where volatility abounded, impacted by events like Brexit and election results across the globe as well as domestic ones like Demonetisation, surgical strikes at the border and uncertainty around GST and other reforms. **Despite all of this, the economy still grew at a healthy 7.1%, one of the fastest across the world on account of implementation of key reforms, loosening of supply-side bottlenecks with the implementation of the goods and services tax, appropriate fiscal and monetary policies, declining inflation and rising levels of foreign investment.**

Although, the demonetization did temporarily impact consumption and other macroeconomic parameters but it will have long-term benefits. Also, the shift towards a cashless economy, will improve the financing of the economy and availability of loans and should promote tax compliance. This has also led to a huge inflow into the capital markets through mutual funds investments majorly in Equity Schemes. However it should also be noted that rising NPAs in public sector banks have heightened financial sector risks, which poses a key downside risk for India.

Indian equity markets had a good phase in FY2017 with equity average daily volumes (ADV) up by 35.27% YoY in FY17 to Rs 4.07 trillion. Several stocks and indices, including the Nifty, and the small-cap and mid-cap index, climbed to record highs in 2016-17. The Nifty rose 18.55% YoY in FY2017 to close at 9173.75 after declining 8.86% YoY in FY2016 while the S&P BSE Sensex rose 16.88% YoY in FY2017 to close at 29620.50 levels. A strong inflow collectively by the foreign portfolio investors and domestic mutual funds during the fiscal led the rally in the equity market. Indian securities market showcased an overall positive scenario during March 2017. **For FY2016-17, your Company's topline (Consolidated) increased by 6.79 % to Rs.**

1106.6 million as compared to Rs. 1036.29 million in the previous year. The net worth (Consolidated) of the Company has increased by 3.41 % to Rs. 1766.8 million as compared to Rs. 1708.6 million in the previous year. Net Profit after Tax (Consolidated) increased by 62.4 % to Rs. 58.3 million as compared to Rs. 35.9 million in the previous year. Our purpose led transformation towards wealth management is the driving force behind the quality of our future earnings. Wealth Management presents immense growth opportunities, driven by rising disposable income, shift from bank savings towards other financial instruments.

Our asset based businesses, comprising of Portfolio Management Services have crossed Rs.1029.6 million, as on March 31, 2017 marking a monumental growth of 80% (YoY) .Driven by an upward trend in revenue, assets under management and improving profitability, reflecting our continuous efforts of scaling business operations, has helped us gain market share in the financial services sector. Our flagship Portfolio Management Services (PMS), SEBI registered Discretionary Portfolio Management Strategy started in Oct 2011, and has consistently outperformed its benchmark across market cycles over a five year period. Since Inception, PMS has delivered a CAGR return of 42.54% vs 16.60% (BSE MidCap) an out performance of 26% every year. Our PMS business augurs well for the Company's sustained growth in the years ahead, as justified by its growing assets under management and consistent out performance of its benchmark. Over the next two years, we will continue to acquire more clients. With an increasing number of Indian retail investors looking forward for investment products, we see the opportunity space expanding rapidly and will continue to invest in the business to gain market share.

Our growth story has been recognized by various industry bodies, which has stimulated us to move forward with more confidence. We have been awarded with MCX excellence award for 'Regional Broker of the Year' North region, for year 2016-17, also nominated in Automatic Portfolio Analysis report by Skoch BSE Awards 2017 – one of the prestigious awards of the domain.

Within Master trust we are well-gearred to take advantage of the opportunity. Our learning and development activities are specially targeted to build the future leaders in the organization. Our retail businesses are starting to gain traction and our franchise businesses have also built significant size and scale. Both our wealth management and asset management businesses are expected to continue their strong performance next year.

On behalf of the Board, I would like to express my gratitude to our directors, employees, customers, bankers, sub-brokers, authorized persons and our shareholders for their continued support and confidence they have reposed in the Company. I also record my special appreciation to each employee for their hard work in the service of our Company.

Management Discussion and Analysis

Management Discussion and Analysis

GLOBAL ECONOMY

As per the July 2017 World Economic Outlook by International Monetary Fund (IMF), global output grew by 3.2 percent in 2016, with 1.7 percent growth for advanced economies and 4.3 percent growth for emerging market and developing economies. Global economic activity picked up in the fourth quarter of 2016, especially in advanced economies, with cyclical recovery in investment which resulted in improvements in manufacturing and trade, and the momentum is expected to persist. A number of factors contributed to the stronger global momentum: a gradual global recovery in investment, supported by infrastructure and real estate investment in China, reduced drag from adjustment to lower commodity prices, strong net exports in Japan, robust domestic demand in euro area countries, such as Germany and Spain, and end of an inventory cycle and solid consumption growth in United States. Growth also remained solid in the United Kingdom, where spending proved resilient in the aftermath of the June 2016 referendum in favor of leaving the European Union (Brexit).

EMERGING ECONOMIES

Economic performance across emerging market and developing economies has remained mixed. Whereas China's growth remained strong, reflecting continued policy support, activity slowed in India because of the impact of the currency initiative and as well as in Brazil which has been mired in a deep recession. Activity remained weak in fuel and nonfuel commodity exporters more generally, while geopolitical factors held back growth in parts of the Middle East and Turkey.

GDP Growth (Group Wise)

Source: IMF, E=Estimated

Growth in China is projected at 6.7 percent in 2017 and 6.4 percent in 2018, which reflects the anticipation of continued policy support in the form of strong credit growth and reliance on public investment to achieve growth targets. Whereas, the growth forecast of India for 2017 was trimmed by 0.4 percentage point to 7.2 percent, primarily because of the temporary negative consumption shock induced by cash shortages and payment disruptions from the recent currency exchange initiative. Medium-term growth prospects are favorable, with growth forecast to rise to about 8 percent over the medium term due to the implementation of key reforms, loosening of supply-side bottlenecks, and appropriate fiscal and monetary policies. In Brazil, the pace of contraction has diminished, but investment and output had yet to bottom out at the end of 2016, while fiscal crises in some states continue to deepen. Inflation has continued to surprise on the downside, allowing for prospects of faster monetary easing. Growth is projected to recover gradually and remain moderate.

THE INDIAN GROWTH STORY

Indian economy is projected to grow at 7.7 percent in 2018, ahead of China. As per the data released by Ministry of Statistics and Programme Implementation, GDP at constant (2011-12) prices grew by 7.1 percent for the year 2016-17, as against 8.0 percent in 2015-16. During 2016-17, GDP grew 7.1 percent in the first quarter, 7.3 percent in the second quarter, 7.0 percent in the third quarter, and 6.1 per cent in the fourth quarter; as against 7.0 percent in Q1, 7.4 percent in Q2, 7.3 percent in Q3, and 7.9 percent in Q4 of 2014-15. GDP growth for the January-March period dragged down to 6.1 percent, due to a slowdown in consumer spending and a drop in investment, following the demonetization program started in November of 2016.

PUBLIC ADMINISTRATION, DEFENCE AND OTHER SERVICES SECTOR OUTPERFORMED OTHER SECTORS

The Indian growth story has been led by Public Administration, Defence and Other Services sector growth. GVA at basic constant (2011-12) prices in 2016-17, showed a growth rate of 11.3 percent. The substantial growth by Public Administration, Defence and Other Services sector in 2016-17, was followed by the manufacturing industry growth rate of 7.9 percent and 7.8 percent growth rate by trade, hotels, transport, communication and services related to broadcasting.

OUTLOOK

Global growth has been forecasted to be 3.5 percent in 2017 and 3.6 percent in 2018, with a long-awaited cyclical recovery in manufacturing and trade under way. In advanced economies, the pickup is primarily driven by higher projected growth in the United States, reflecting the assumed fiscal policy easing and an uptick in confidence. The outlook has also improved for Europe and Japan fueled by cyclical recovery in global manufacturing and trade in the second half of 2016. The outlook for several large economies, especially Latin America and the Middle East, looks weak as result from continued adjustment to the decline in their terms of trade in recent years, oil production cuts, and idiosyncratic factors. While growth is projected to remain strong in China reflecting stronger-than-expected policy support, as well as for Russia, where activity appears to have bottomed out and higher oil prices bolster the recovery. A faster-than-expected pace of interest rate hikes in the United States could tighten financial conditions elsewhere and a sharp dollar appreciation, with adverse repercussions for emerging market economies. Other factors such as mounting vulnerabilities in China's financial system associated with fast credit growth and continued balance sheet weaknesses in other emerging market economies could strain emerging market economies.

INDIAN FINANCIAL SECTOR HIGHLIGHTS

- On balance of payments basis (i.e., excluding valuation effects), the foreign exchange reserves increased by US\$ 21.6 billion to US\$ 367.93 billion during 2016-17 as compared to US\$ 355.59 billion during 2015-16. Current Account Deficit (CAD) narrowed to 0.7 percent of GDP in 2016-17 from 1.1 percent in 2015-16 on the back of contraction in the trade deficit. Net FDI inflows during 2016-17 (US\$ 35.6 billion) moderated marginally from (US\$ 36.0 billion) in 2015-16.
- Association of Mutual Funds in India (AMFI) reported that average assets managed by the mutual fund industry have grown to Rs.18.58 trillion in March 2017. During the fiscal year 2016-17 equity funds had inflows of Rs.60,270 crore, taking total inflows as on 31st March 2016 to Rs.343,049 crore. The MF industry had added about 6.26 lacs SIP accounts each month on an average during the FY 2016-17, with an average SIP size of about Rs 3,200 per SIP account. During FY 16-17, a total amount of Rs 43,921 crore was collected through SIP.
- India's life insurance sector is the biggest in the world with about 360 million policies which are expected to increase between 12-15% over the next five years. During the 1st half of financial year 2016-17, Life Insurance industry reported a 20 per cent growth in overall Annual Premium Equivalent (APE). The insurance industry is expected to reach USD280 billion by 2020. In Union Budget 2017-18, the government introduced an insurance pension scheme that gives an assured return of 8 per cent for senior citizens through LIC to concentrate on social security.
- Investment corpus in India's pension sector is expected to cross US\$ 1 trillion by 2025 following the passage of the Pension Fund Regulatory and Development Authority (PFRDA) Act 2013.
- RBI kicked off an era of differentiated banking by allowing SFBs (small finance banks) and PBs (payments banks) to start services. A total of 21 entities were given in-principle nod, including 11 for payments banks. Out of these 11 Payment bank list, 3 firms have already dropped out. In April 2016, India's 1st small finance bank- Capital Small Finance Bank was launched with its 10 branches spread over Punjab, India. In November 2016, RBI granted approval for issuing a license to Utkarsh Micro Finance Pvt. Ltd., permitting it to setup small finance bank.
- The Prime Minister of India has launched the Micro Unit Development and Refinance Agency (MUDRA) to fund and promote Microfinance Institutions (MFIs) which would in turn provide loans to small and vulnerable sections of the business community. In Financial Year 2016-2017, No. of PMMY Loans Sanctioned – 39701047 and Amount Disbursed Rs 175312.13 Cr.. Under Pradhan Mantri Jan Dhan Yojna (as of Nov 09, 2016), 25.51 Cr. accounts have been opened and 19.44 Cr. RuPay debit cards have been issued.

INDIAN FINANCIAL MARKETS

- Indian equity markets had a good phase in FY 2016-17. Several stocks and indices, including the Nifty, and the small-cap and mid-cap index, climbed to record highs in 2016-17. The markets rallied capturing many hurdles such as muted earnings growth, demonetization, US presidential elections and Brexit with the support of strong fund flows and optimistic view of India's future under the Modi government
- During 2016-17, the primary securities market recorded a total number of issues of 133, from which Rs.61,848 crore were raised as compared to Rs.58,166 Cr. raised through 108 issues during 2015-16. The Nifty rose 18.55% YoY in FY2017 to close at 9173.75 after declining 8.86% YoY in FY2016 while the S&P BSE Sensex rose 16.88% YoY in FY2017 to close at 29620.50 levels. Small-and mid-cap indices recorded their second-best performance in seven years during financial year 2016-17 (FY17). The year saw the S&P BSE Small-cap index surging 36.9 per cent and the S&P BSE Midcap index rising 32.7 per cent. A strong inflow collectively by the foreign portfolio investors and domestic mutual funds during the fiscal led the rally in the equity market.

INDIAN BROKERAGE INDUSTRY

- ♦ At the industry level, equity average daily volumes (ADV) were up by 35.27% YoY in FY 2016-17 to Rs 4.07 trillion. Cash Market ADV which increased by more than 22% to Rs 25000 Cr. in FY 2016-17. Within Cash, delivery volume increased more than 33% to Rs 8000 Cr. in FY 2016-17. In equity derivatives, future volume increased by 24.73% YoY to Rs 63000 Cr. while option volumes rose by 38.68% YoY to Rs.319000 Cr.. In the cash market participants, retail was up 38.54% and Institutions was up 13.63% YoY. FIIs net inflows were Rs 56000 Cr. trillion, during FY 2016-17, factors like implementation of the Good and Services Tax, relative economic growth and correction in the US dollar index lured foreign investor towards India. DIIs saw net inflows were Rs.29000 Cr. for the 2nd consecutive year, largely led by the renewed interest in equity mutual funds.
- ♦ Equity ETFs in India witnessed significant growth in FY 16-17, total Assets under Management (AUM) of equity ETFs in India has almost tripled to Rs. 0.43 trillion, as on March 2017 as against Rs. 0.15 trillion as on March 2016. Trading volume of ETFs in India has also grown significantly. ADV of equity ETFs has grown annually by 32%. The retail interest in ETFs has been increasing, with the number of investors trading in ETFs increasing by 82% in FY 16-17 over the previous financial year.
- ♦ Primary market seeing higher IPO activity since last two years and IPO typically being a point of entry for new investors into direct equities, the incremental de-mat accounts created during FY17 and FY16 has higher than previous years .
- ♦ Indian commodity future volume depends on liquidity and depth in the market. The commodity market in India has grown slowly with newer options (agricultural as well as non-agricultural commodities) becoming increasingly available to customers. SEBI took adequate steps to revive the market by allowing Category-III alternative investment funds, mutual funds and banks to participate in commodity derivative products.

Outlook:

Resurrection in consumption demand, growth led by policy reforms, move towards digitization and implementation of GST could contribute to sustainable growth over medium term in India. Global factors including commodity price movements, economic policies of the new government in the US and monetary policy stance of global central banks could have a bearing on capital flows to emerging markets like India. A likely rise in inflation pressure in the US from wage rise and expansion in the economy should elicit future interest rate hike actions by the US Federal Reserve in 2017. Global growth rate is likely to improve, led by the US and other emerging economies in 2017 which could benefit the Indian export oriented sectors. That said, India's lower linkage to global economies makes the domestic macro factors and fiscal trends the key catalysts to determine growth. Improving fiscal situation, inflation rate, exports growth, rising FDI flows point towards fundamental stability in the economy which augurs well for long term equity investing.

The Board of Directors of your Company has constituted a risk management policy which seeks to identify risks inherent in business operations of the Company and provides guidelines to define, measure, report, control and mitigate the identified risks. The objective of Risk Management is to create and protect shareholder value by minimizing threats or losses, and identifying and maximizing opportunities. An enterprise-wide risk management framework is applied so that effective management of risks is an integral part of every employee's job.

The Board's role under the policy is to ensure framing, implementing and monitoring risk management plan, having in place systems for risk management as part of internal controls. It is the duty of Independent Directors to bring unbiased angle to the Board's deliberations on making risk management systems more robust. On the other hand, Audit Committee's role is Evaluate the risk management systems.

As a financial intermediary, the Company is exposed to risks that are particular to its lending business and the environment within which it operates. Company's goal in risk management is to ensure that it understands, measures and monitors the various risks that arise and that the organization adheres strictly to the policies and procedures which are established to address these risks. The Company is primarily exposed to credit risk,

market risk, liquidity risk, operational risk and legal risk.

The Company has a structured and standardized credit approval process, which includes a well- established procedure of comprehensive credit appraisal. In addition, the Company attempts to mitigate operational risk by maintaining a comprehensive system of internal controls, establishing systems and procedures to monitor transactions, maintaining key back-up procedures and undertaking regular contingency planning. As regards legal risk, the Company seeks to minimize legal risk by using stringent legal documentation, employing procedures designed to ensure that transactions are properly authorized and consulting internal and external legal advisor. The Company also conducts a comprehensive analysis of our loan portfolio on a periodic basis. The analysis considers both qualitative and quantitative criteria including, among others, the account conduct, future prospects, repayment history and financial performance. This comprehensive analysis includes an account by account analysis of the entire loan portfolio, and an allowance is made for any probable loss on each account. In estimating the allowance, we consider the net realizable value on a present value basis by discounting the future cash flows over the expected period of recovery. Further, we also consider past history of loan losses and value of underlying collateral.

POLICY FOR DIRECTOR'S APPOINTMENT AND CRITERIA FOR DETERMINING INDEPENDENCE OF A DIRECTOR

BACKGROUND

Master Trust Limited (hereinafter referred as the 'Company') practices a corporate culture that is based on the tenets of trusteeship, empowerment, accountability, control and ethical practices with transparency at its core for creation of maximum value for the stakeholders.

BRIEF OVERVIEW UNDER COMPANIES ACT 2013

{Section 178 & Companies [Meetings of Board and its Powers] Rules 2014}

- Constitution of the Nomination and Remuneration Committee consisting of three or more non-executive directors out of which not less than one-half shall be independent directors.
- The Nomination and Remuneration Committee shall identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal and shall carry out evaluation of every director's performance.
- The Nomination and Remuneration Committee shall formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and senior management personnel i.e. employees at one level below the Board including functional heads.

NOMINATION AND REMUNERATION

This Nomination and Remuneration Policy is being formulated in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Clause 49 of the Listing Agreement, as amended from time to time. This policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee (NRC or the Committee) and has been approved by the Board of Directors in its meeting held on 30th day of May 2014.

Definitions

"Remuneration" means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income-tax Act, 1961;

"Key Managerial Personnel" means":

- Managing Director, or Chief Executive Officer or Manager and in their absence, a Whole-time Director;
- Company Secretary;
- Chief Financial Officer; and
- such other officer as may be prescribed.

"Senior Managerial Personnel" means the personnel of the company who are members of its core management team excluding Board of Directors Normally, this would comprise all members of management of rank equivalent to General Manager and above, including all functional heads.

Objective

- The objective of the policy is to ensure that:
- the level and composition of remuneration is reasonable and sufficient to attract, retain and

- motivate directors of the quality required to run the company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Role of the Committee

The role of the NRC will be the following:

- To formulate criteria for determining qualifications, positive attributes and independence of a Director.
- To formulate criteria for evaluation of Independent Directors and the Board.
- To identify persons who are qualified to become Directors and who may be appointed in Senior Management in accordance with the criteria laid down in this policy.
- To carry out evaluation of Director's performance.
- To recommend to the Board the appointment and removal of Directors, KMP and Senior Management.
- To devise a policy on Board diversity, composition and size.
- Succession planning for replacing Key Executives and overseeing their orientation and successful alignment with the philosophy of the Company.
- To carry out any other function as is mandated by the Board from time to time and / or enforced by any statutory notification, amendment or modification, as may be applicable.
- To perform such other functions as may be necessary or appropriate for the performance of its duties.

Auditors Report

INDEPENDENT AUDITORS' REPORT

To
The Members of
Master Trust Limited

Report on the Financial Statements

We have audited the accompanying standalone financial statements of **Master Trust Limited ('the Company')**, which comprise the Balance Sheet as at 31 March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31 March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 20 to the financial statements.
 - (ii) The Company did not have any outstanding long-term contracts including derivative contracts as at 31 March, 2017 for which there were any material foreseeable losses: and
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv) The Company has provided requisite disclosures in the standalone financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated November 8, 2016 of the Ministry of Finance, during the period from November 8, 2016 to December 30, 2016. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management - Refer Note 21 to the financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 (b) Fixed assets have been physically verified by the management during the year at reasonable intervals and no material discrepancies were identified on such verification.
 (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
2. The inventory, which are held in dematerialized/ physical form, has been verified at reasonable intervals by the management and no material discrepancies were identified on such verification.
3. The Company has granted unsecured loans to the parties covered in the register maintained under section 189 of the Act.
 - a) In our opinion, the rate of interest and other terms and conditions on which the loans had been granted to the parties covered in the register maintained under section 189 of the Act were not prima facie, prejudicial to the interest of the Company.
 - b) In the case of the loan granted to the parties covered in the register maintained under section 189 of the Act, the borrowers have been regular in the payment of the interest as stipulated. The terms of arrangements do not stipulate any repayment schedule and loans are repayable on demand. Accordingly, paragraph 3(iii)(b) of the Order is not applicable to the Company in respect of the principal amount.
 - c) There are no overdue amounts in respect of the loans granted to the parties covered in the register maintained under section 189 of the Act.
4. In our opinion and according to the information and explanation given to us, the Company has complied with the provisions of Section 185 read with section 186 and section 186 of the Act, with respect to loans and investments made.
5. The company has not accepted any deposits from the public.
6. The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company.
7. a) According to the information and explanations given to us and on the basis of our examination of the record of the Company, the Company has generally been regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it.
 According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it were in arrears as at 31 March, 2017 for a period of more than six months from the date they became payable.
 b) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise and value added tax which have not been deposited on account of any dispute.
8. Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of loans or borrowing to a financial institution, bank, government or dues to the debenture holders.
9. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable to the Company.

10. According to the information and explanations given to us, no material fraud by the Company or any fraud on the company by its officers or employees has been noticed or reported during the course of our audit.
11. According to the information and explanations given to us and based on our examination of the records of the company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
12. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly paragraph 3(xii) of the Order is not applicable.
13. According to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with Section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
14. According to the information and explanations given to us and based on our examination of the records of the company, the company has not made any preferential allotment or private placement of share or fully or partly convertible debentures during the year.
15. According to the information and explanations given to us and based on our examination of the records of the company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
16. According to the information and explanations given to us and based on our examination of the records of the company, the company is required and duly registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Master Trust Ltd ('the Company') as of 31 March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2017 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of financial statements for the year ended 31st March, 2017

1. Corporate Information

Master Trust Limited ('the Company') is a public limited company domiciled in India and incorporated under the provision of the Companies Act, 1956. The Company was registered as a non-deposit accepting Non Banking Financial Company ('NBFC-ND') with the Reserve Bank of India ('RBI'). Its shares are listed on Bombay Stock Exchange (BSE) in India.

The company is mainly in the business of lending, sales/purchases of Securities and lands.

2. Significant Accounting Policies

a. Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act, 2013 ('the Act'), read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the RBI as applicable to a NBFC. The financial statements have been prepared on an accrual basis and under the historical cost convention except interest on loans which have been classified as non-performing assets and are accounted for on realization basis.

b. Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make judgements, estimates and assumptions considered in the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c. Fixed Assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

d. Depreciation and Amortisation

Depreciation on fixed assets is provided on the straight line method using the rates arrived at based on useful life of the assets prescribed under Schedule II of the Companies Act, 2013 which is also as per the useful life of the assets estimated by the management.

e. Impairment of Assets

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of cash generating unit which the asset belongs to, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit & Loss Account. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

f. Investments

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. Current investments are carried in the financial statement at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments. On disposal of an investment, the difference between the carrying amount and net disposal proceeds are charged or credited to statement of profit and loss.

g. Inventories

Inventories are valued at the lower of cost and the net realisable value.

h. Revenue Recognition

The Company follows the mercantile system of accounting and recognized Profit/Loss on that basis. Interest income is recognized on the time proportionate basis starting from the date of disbursement of loan. In case of Non Performing Assets, interest income is recognized on receipt basis, as per NBFC Prudential norms.

i. Employee Benefits

- (I) Under the Provident Fund plan, the Company contributes to a government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution.
- (II) Leave encashment is payable to eligible employee, who have earned leaves, during the employment and/or on separation as per the company policy.
- (III) The company has provided the provision for the gratuity and charges to revenue.

j. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

k. Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

l. Prudential Norms

For identifying Non Performing Assets (NPA) relating to financing activities, the Company follows Non-Systemically Important Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2015.

m. Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as fraction of an equity share to the extent that they were entitled to participate in dividends related to a fully paid equity share during the reporting year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

n. Provisions and contingencies

Contingent liabilities, if material, are disclosed by way of notes, contingent assets are not recognized or disclosed in the financial statements. A provision is recognized when an enterprise has a present obligation as a result of past event(s) and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation(s), in respect of which a reliable estimate can be made for the amount of obligation.

To
The Members of
Master Trust Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Master Trust Limited ('the Company')** and its subsidiaries (the Company and its subsidiaries constitute "the Group") which comprise the Consolidated Balance Sheet as at 31 March, 2017, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid

consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March, 2017, and its consolidated profit and its consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors of the company as on 31 March, 2017 taken on record by the Board of Directors of the company, none of the directors of the company and its subsidiary companies is disqualified as on 31 March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 22 to the consolidated financial statements.
 - (ii) The Group did not have any outstanding long-term contracts including derivative contracts as at 31 March, 2017 for which there were any material foreseeable losses: and
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its subsidiary companies.
 - (iv) The Company has provided requisite disclosures in the consolidated financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated November 8, 2016 of the Ministry of Finance, during the period from November 8, 2016 to December 30, 2016 of the Group entities as applicable. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by those entities for the purpose of preparation of the consolidated financial statements and as produced to us by the management of the respective Group entities - Refer Note 24 to the financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of Master Trust Limited ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiaries companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2017 based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of consolidated financial statements for the year ended 31st March, 2017

1 Significant Accounting Policies

A Basis of Preparation of Consolidated Financial Statements

- (a) The Consolidated Financial Statements have been prepared in accordance with Accounting Standard - 21 issued by the Institute of Chartered Accountants of India and generally accepted accounting principles in India.
- (b) The Consolidated Financial Statements of Master Trust Limited for the year ended 31st March, 2017 and its following subsidiaries:

Subsidiaries	Accounting Year Ended Date	Proportion of Ownerships Interest as at 31 st March, 2017
Master Capital Services Ltd.	31 st March, 2017	100%
Master Infrastructure and Real Estate Developers Ltd.	31 st March, 2017	100%
Master Commodity Services Ltd.*	31 st March, 2017	100%
Master Insurance Brokers Ltd.*	31 st March, 2017	100%
Master Portfolio Services Ltd.*	31 st March, 2017	100%
H.A. Share & Stock Brokers Ltd.	31 st March, 2017	51%

*Master Insurance Brokers Limited (MIBL), Master Portfolio Services Limited (MPSL) and Master Commodity Services Limited (MCOML) are the subsidiaries of Master Capital Services Limited. Since, Master Capital Services Limited is a subsidiary of the Company, therefore, MIBL, MPSL and MCOML are being reported as subsidiaries of the Company.

All the subsidiaries are incorporated in India.

- (c) The financial statements of the Company and its subsidiaries have been combined on a line- by- line basis by adding together the book values of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and intra-group transactions.
- (d) The Company has disclosed only such policies and notes from the individual financial statements, which fairly cover the required disclosures.
- (e) The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention.

B Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

C Fixed Assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

D Depreciation and Amortisation

Depreciation on fixed assets is provided on the straight line method using the rates arrived at based on useful life of the assets prescribed under Schedule II of the Companies Act, 2013 which is also as per the useful life of the assets estimated by the management.

E Impairment of Assets

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such

recoverable amount of the asset or the recoverable amount of cash generating unit which the asset belongs to, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit & Loss Account. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

F Investments

Current investments are carried at lower of cost and fair value. Long Term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary.

G Inventories

Inventories are valued at the lower of cost and the net realisable value.

H Revenue Recognition

The Company follows the mercantile system of accounting and recognized Profit/Loss on that basis. Interest income is recognized on the time proportionate basis starting from the date of disbursement of loan. In case of Non Performing Assets, interest income is recognized on receipt basis, as per NBFC Prudential norms.

I Employee Benefits

- (a) Under the Provident Fund plan, the Company contributes to a government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution.
- (b) Leave encashment is payable to eligible employee, who have earned leaves, during the employment and/or on separation as per the company policy.
- (c) The Company has a defined benefit Gratuity plan covering all its employees. Gratuity is covered under a scheme of Life Insurance Corporation of India (LIC). Provision for gratuity, which is defined benefit plan, is made on the basis of an actuarial valuation, as per AS-15 issued by ICAI, carried out by an independent actuary at the balance sheet date, using the projected unit credit method.

J Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

K Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

L Prudential Norms

For identifying Non Performing Assets (NPA) relating to financing activities, the Company follows Non-Systemically Important Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2015.

M Provisions and contingencies

Contingent liabilities, if material, are disclosed by way of notes, contingent assets are not recognized or disclosed in the financial statements. A provision is recognized when an enterprise has a present obligation as a result of past event(s) and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation(s), in respect of which a reliable estimate can be made for the amount of obligation.

Forward Looking Statement

In this annual report we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions.

This report and other statements – written and oral – that we periodically make/contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. **We cannot guarantee that these forward-looking statements will be realized, although we believe we have been prudent in assumptions.**

The achievement of results is subject to risks, uncertainties and even inaccurate assumptions.

Should known or unknown risks or uncertainties materialize, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise
