Aspirations into Achievement

45th Annual Report | FY 2025-26

Forward Looking Statement

Certain statements in this report regarding DhanSafal Finserve Limited's future growth prospects are forward-looking statements. These statements involve risks and uncertainties that may cause actual results or outcomes to differ materially from those expressed or implied. Factors that could affect the company's performance include fluctuations in earnings, our ability to effectively manage growth, evolving regulations in the financial and infrastructure sectors, intense competition, interest rate volatility, and economic conditions impacting credit demand and real estate investments. Additionally, risks arise from our capacity to attract and retain skilled professionals, manage operational and compliance challenges, secure financing as planned, and adapt to changes in government policies. DhanSafal Finserve Limited undertakes no obligation to update any forward-looking statements made from time to time, whether as a result of new information, future events, or otherwise.

Scope of Report

At DhanSafal Finserve Limited [formerly known as Luharuka Media & Infra Limited], FY 2025–26 marked the commencement of our 45th year, representing an important milestone in our journey and a renewed focus on building an institution anchored in trust, responsible growth and sound governance. As we continue to evolve with the changing needs of our stakeholders, our Annual Report presents a holistic view of our business, performance, strategic direction and the foundations on which we seek to create enduring value.

Our approach is guided by the belief that sustainable growth is built through a strong understanding of customers, disciplined capital deployment and responsible financial practices. At DhanSafal, we are progressively expanding our lending capabilities to serve the evolving requirements of businesses and individuals. Through a growing suite of secured and asset-backed financing solutions, including property-backed lending and other tailored credit offerings, we seek to provide accessible and structured financing while maintaining a prudent approach to risk and capital.

This Annual Report goes beyond presenting financial performance. It reflects our journey of strengthening capabilities, broadening our product proposition and building a more agile and customer-focused financial institution. Through a combination of financial disclosures, business insights, charts and infographics, the Report seeks to provide stakeholders with a clear and meaningful perspective on our performance, priorities and progress.

The reporting period covered by this Annual Report is April 1, 2025 to March 31, 2026. Certain information and data presented herein may include management estimates and forward-looking assessments and may be subject to revision or updating in subsequent reporting periods.

Throughout this Report, “DhanSafal”, “DhanSafal Finserve” and “DFL” refer interchangeably to DhanSafal Finserve Limited, unless otherwise stated.

Chairperson's Message

Turning Vision into Progress

Leading with purpose. Building trust. Creating long-term value.

Dear Shareholders,

A vision becomes meaningful when it starts translating into action. And action becomes meaningful when it creates lasting progress.

For DhanSafal Finserv Limited, FY 2025 26 was a year in which we saw this transition taking shape.

As we entered our 45th year, we reached an important point in our journey. Over the past three years, we have consciously worked towards transforming the business, strengthening our fundamentals and building the capabilities needed for the next phase of growth.

Today, we look back with gratitude and humility, but also with a stronger sense of ambition.

From Foundation to Scale

The past three years have been about getting the fundamentals right.

We strengthened our financial position, expanded our lending capabilities, invested in technology and deepened our presence across markets.

The progress is reflected in our performance. Our Assets Under Management nearly doubled during the year to ₹82.49 crore, while Revenue from Operations grew by 152% to ₹12.23 crore.

These are encouraging milestones. More importantly, they show us that the work we have undertaken over the past few years is beginning to deliver results.

A Larger Opportunity Ahead

Our ambition is to build DhanSafal into a larger, diversified and retail led lending institution, serving a broader range of customers and financial needs.

Our existing strengths in MSME lending and Loan Against Property provide an important base for this journey. At the same time, we will continue to look at opportunities to develop our lending portfolio in line with customer needs and market opportunities, while remaining mindful of risk.

We see significant opportunity to deepen our presence in the markets where we already operate, strengthen our customer relationships and build greater reach within these markets. As our capabilities grow, we will also look at entering new markets where we see the right opportunities.

For us, growth is not simply about adding locations. It is about getting closer to our customers, understanding their needs better and building a lending business that can grow steadily and sustainably.

Technology and Customer Experience

Technology will play an increasingly important role in how we operate and grow.

Our objective is to use technology to simplify processes, improve customer experience and make our operations more efficient.

We also want technology to help us build a more transparent and direct relationship with our customers, with faster communication and easier access to our services.

At the same time, technology will help us monitor our portfolio better, make informed decisions and strengthen our risk management.

Ambition with Discipline

Our ambition is significant.

We want to grow our loan book multiple folds, reach more customers, deepen our presence in existing markets and

selectively expand our footprint.

But growth in financial services comes with responsibility.

We will not pursue growth at the expense of prudence. Our underwriting discipline, risk management and governance will remain central to the way we operate.

We want to grow faster, but never carelessly.

We want to scale, but never compromise the principles on which that growth is built.

Humbled by the Progress. Hungry for the Future.

We are humbled by the trust placed in us by our customers, employees, partners and shareholders.

At the same time, we are determined to build further. To serve more customers, strengthen our capabilities, grow our lending business and create lasting value.

Because we are not simply trying to build a bigger business. We are trying to build a stronger institution.

An institution that is trusted by its customers, supported by capable people, enabled by technology and guided by strong governance and risk discipline.

Turning Vision into Progress

This is what "Turning Vision into Progress" means to us.

The past three years have been about building the capabilities needed to pursue our vision.

FY 2025 26 showed us that these efforts are beginning to translate into tangible progress.

Now, the next phase is about taking that progress to scale.

We know the road ahead will require patience, discipline and continued investment in our people and capabilities. But we believe the opportunity ahead is much larger than the business we have built today.

And we intend to pursue that opportunity with ambition, humility and conviction.

I sincerely thank our customers for their trust, our employees for their commitment, our partners for their support and our shareholders for their confidence in DhanSafal.

Warm Regards,

Ankur Agrawal

CEO's Message

Leading the Next Phase of Growth

Turning strategy into execution through innovation, agility and customer-first thinking.

Dear Shareholders,

Financial services are entering a new phase. The traditional advantages of scale and physical presence are increasingly being complemented by something more fundamental: the ability to understand customers, respond faster and deliver seamlessly through technology.

At DhanSafal, FY 2025–26 was a year of building towards this future. Our focus was not simply on growth, but on creating a stronger, more scalable and customer-centric institution, supported by disciplined execution, responsible lending and a clear understanding of the markets we serve.

We also strengthened the foundations required to scale. Our processes and workflows were streamlined, technology was integrated more deeply into our operations, and greater emphasis was placed on data-led decision-making and customer responsiveness. These initiatives are helping us build an operating platform that is more efficient, transparent and ready for the next stage of growth.

We expanded our presence into Jaipur, Nagpur, Udaipur and Agra, while continuing to strengthen our existing markets. This broader footprint enhances our ability to serve customers closer to their communities and unlock opportunities across high-potential markets.

Technology will continue to be a key enabler of this journey. We are building capabilities that bring greater visibility across the lending lifecycle, improve customer onboarding, strengthen credit processes and enhance productivity. Our ambition is not to simply digitise existing processes, but to build a financial institution that is designed for the way customers will engage with financial services in the future.

The progress made during the year is reflected in the growth of our Net Worth, Assets Under Management and interest income. More importantly, it reflects the strength of the operating foundation we are putting in place.

As we look ahead, our opportunity is significant. We intend to deepen our presence in existing markets, expand into new geographies, strengthen our distribution network and use technology to make every layer of our organisation more efficient and responsive.

We believe the next generation of financial institutions will be defined not merely by the size of their balance sheets, but by the strength of their platforms, the trust they build and the value they create for customers.

At DhanSafal, we are building towards exactly that: a faster, smarter and more accessible financial institution, grounded in strong governance, disciplined credit and long-term customer relationships.

I am grateful to our employees, customers, business partners, Board members and shareholders for their continued trust and confidence. The journey ahead is one of considerable opportunity, and we remain committed to converting that opportunity into sustainable, long-term progress.

Warm Regards,

Bobby Singh Chandel

Solutions Designed Around Real Needs

Accessible finance that empowers ambitions, strengthens businesses and creates opportunities for sustainable growth.

Every customer has a unique ambition. Some seek capital to expand a business, while others require financial support to strengthen working capital or invest in future growth. At DhanSafal Finserve Limited, we believe the right financial solution begins with understanding those aspirations.

Our lending philosophy is built on accessibility, responsibility and customer-centricity. We are committed to delivering transparent, flexible and efficient credit solutions for individuals, entrepreneurs and MSMEs, particularly across underserved markets.

By combining responsible lending with simplified processes and a customer-first approach, we strive to make access to finance faster and better aligned with the evolving needs of our borrowers. Every solution is only as effective as the experience behind it.

Lending Solutions for Every Stage of Growth

Safal Udyog Loan

Flexible financing designed to support working capital requirements and business expansion, helping enterprises pursue new opportunities with confidence.

Safal Sampati Loan

Loan Against Property (LAP) solutions that unlock the value of property assets for business expansion, investment opportunities or debt consolidation.

Safal MSME Loan

Purpose-built financing solutions that support the growth, resilience and long-term development of Micro, Small and Medium Enterprises.

“

When finance is designed around people,
opportunities become possibilities.

”

Simplifying Finance. Strengthening Trust.

Every step of our lending journey is designed to make access to finance faster, clearer and more dependable combining technology with responsible decision-making and personalised service.

Finance should create confidence, not complexity. At DhanSafal, technology supports people, not replaces them. From application to disbursement, every interaction is designed to simplify borrowing while maintaining transparency, responsible credit assessment and personalised guidance. The result is a lending experience that feels efficient, trustworthy and centred around every customer's needs.

3. The attendance of the members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.

Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf, and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxy(ies) by the members will not be available for this AGM and, hence, the Proxy Form, Attendance Slip and route map of the AGM are not annexed to this Notice.
4. In compliance with the provisions of Section 108 of the Act and Rule 20 of the Companies (Management and Administration) Rules, 2014, and any amendments thereto, SS-2, Regulation 44 of the SEBI Listing Regulations and the MCA Circulars, the facility for remote e-voting, along with participation at the AGM through VC/OAVM and e-voting during the AGM, is being provided by Adroit Corporate Services Pvt. Ltd. ('Adroit'), the Registrar and Transfer Agent ('RTA') of the Company.
5. The Company has appointed, Mrs. Ramadevi Venigalla, Practicing Company Secretary (Membership no. FCS 7345 and CP No. 17889) as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.
6. Members of the Company under the category of Institutional Shareholders are encouraged to attend and participate in the AGM through VC/ OAVM and vote thereat. Institutional / Corporate Members (i.e., other than Individuals/HUF/NRI, etc.) are required to send the scanned copy of the Board Resolution (PDF /JPG Format) authorizing their representatives to attend the meeting through VC / OAVM on their behalf and to vote through remote e-voting. The said Resolution / Authorization shall be sent to the Scrutinizer by email through its registered email address to ramavenigalla@gmail.com with a copy marked to evoting@nsdl.co.in and info@dhansafal.com
7. **Book Closure:** The Register of Members and Share Transfer Books of the Company shall remain closed from Thursday, September 17, 2026 till Wednesday, September 23, 2026 (both days inclusive) for the purpose of the AGM.
8. Members are requested to intimate changes, if any, about their name, postal address, e-mail address, telephone/mobile numbers, PAN, power of attorney registration, Bank Mandate details, etc. to their Depository Participant (“DP”) in case the shares are held in electronic form and to the Registrar in case the shares are held in physical form, in prescribed Form No. ISR-1, quoting their folio number and enclosing the self-attested supporting document. Further, Members may note that SEBI has mandated the submission of PAN by every participant in the securities market.
9. **Nomination Facility:** As per the provisions of Section 72 of the Act read with Rule 19(1) of the Companies (Share Capital and Debentures) Rules and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13.

If a member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website at www.dhansafal.com or RTA's website at www.adroitcorporate.com → R & T Agency Services → Other Registry Related Services.

Members are requested to submit the said details to their Depository Participants in case the shares are held by them in dematerialized form and to the Company's Registrar and Transfer Agent in case the shares are held in physical form.

SEBI has mandated that any service request from members holding securities in physical mode shall be entertained only upon registration of the PAN, KYC details and nomination. Further, all members holding shares in physical mode are required to compulsorily link their PAN Card and Aadhaar Card to avoid freezing of folios. Pursuant to SEBI Circular SEBI/HO/MIRSD/POD-1/P/CIR/2024/81 dated June 10, 2024, for existing investors/ unit holders it has been decided that –

- Non-submission of 'choice of nomination' shall not result in freezing of Demat Accounts,
- Security holders holding securities in physical form shall be eligible for receipt of any payment including dividend, interest or redemption payment as well as to lodge grievance or avail any service request from the RTA even if 'choice of nomination' is not submitted by these security holders,
- Dividend, interest or redemption payment withheld presently, only for want of 'choice of nomination' shall be processed accordingly.

However, all new investors/ unit holders shall continue to be required to mandatorily provide the 'Choice of Nomination' for demat accounts (except for jointly held Demat Accounts).

10. Pursuant to SEBI Circular No. HO/38/13/(3)2026-MIRSD-POD/1/3763/2026 dated January 30, 2026, the requirement of issuing a Letter of Confirmation has been dispensed with. Accordingly, with effect from April 02, 2026, securities shall be credited directly to the shareholder(s)' demat account for service requests such as issue of duplicate certificates, transmission, transposition, claims from unclaimed suspense accounts and corporate actions. Further, pursuant to SEBI Master Circular dated February 06, 2026, listed companies shall issue securities in dematerialised form only for processing shareholder service requests, including endorsement, transmission and transposition. Accordingly, members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, format of which is available on the Company's website at www.dhansafal.com or RTA's website at www.adroitcorporate.com → R & T Agency Services → Other Registry Related Services. Service requests can be processed only for KYC-compliant folios. Members holding shares in physical form are therefore advised to dematerialise their shareholding at the earliest.
11. In compliance with the aforesaid MCA circulars and SEBI circular, Notice of the AGM along with Annual Report 2025-26 is being sent only through electronic mode to those members whose email addresses are registered with the Company/Depositories. Furthermore, the hard copy of the Annual Report including Notice of AGM for Financial Year 2025-26 has not been sent to any member, unless any member has requested for the same. Furthermore, a letter providing the web-link, including the exact path, where complete details of the Annual Report 2025-26 is available is sent to those shareholders who have not registered email addresses in compliance with Regulation 36(1)(b) of the SEBI Listing Regulations.

Members may note that the Notice and the Annual Report for Financial Year 2025-26 will also be available on the Company's website i.e., www.dhansafal.com/agm-egm-postal-ballot/, website of the stock exchange i.e., BSE Limited at www.bseindia.com and on the website of NSDL i.e., www.evoting.nsdl.com (agency for providing the Remote e-Voting facility).

12. Members are requested to join the Company in supporting the Green Initiative taken by MCA to effect electronic delivery of documents to the members at the E-mail addresses registered for the said purpose. Members are hereby requested to register their E-mail addresses with their Depository Participant or with Adroit (RTA) of the Company, for sending various Notices, Dividend intimation and other documents through E-mail, in case they have not registered the same. Those members who have changed their E-mail ID/ Addresses are requested to update their new E-mail ID / Addresses with RTA, in case the shares are held in

physical form and with the Depository Participants where shares are held in demat mode, in case they have not already updated the same.

13. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act will be available for inspection during the AGM. All the relevant documents referred to in the accompanying Notice are made available for inspection by members at the Registered Office of the Company on all working days (From Monday to Friday) during the business hours up to the date of AGM.
14. The Members, desiring any information pertaining to the accounts or business to be transacted at the AGM, are requested to write to the Company at the Registered Office of the Company, situated at G-1402, Lotus Corporate Park, Goregaon East, Mumbai, Maharashtra – 400063 or send an email to info@dhansafal.com, mentioning their name, DP ID, Client ID number/folio number and mobile number on or before 5:00 P.M. IST, Tuesday, September 22, 2026, to enable us to keep the requisite information ready.
15. Your attention is invited on the Companies (Significant Beneficial Ownership) Amendment Rules, 2019 issued by the Ministry of Corporate Affairs on February 08, 2019. A person is considered as a Significant Beneficial Owner (SBO) if he / she, whether acting alone, together or through one or more individuals or trust holds a beneficial interest of at least 10% or more. The beneficial interest could be in the form of a Company's shares or the right to exercise or actually exercising significant influence or control over the Company. If any members holding shares in the Company on behalf of other or fulfilling the criteria specified under Section 90 of Act read with relevant rules, SBO is required to give a declaration specifying the nature of his / her interest and other essential particulars in the prescribed manner and within the permitted time frame.
16. **Special Window for the re-lodgement of transfer requests for physical shares:** Pursuant to SEBI Circulars dated July 2, 2025 and January 6, 2026, SEBI has opened a special window for the re-lodgement of transfer requests for physical shares. This window is intended for shareholders whose transfer requests were previously rejected by the Company due to deficiencies in their documents, provided such requests were originally lodged prior to April 01, 2019. Earlier, SEBI had extended the deadline for such re-lodgements up to March 31, 2021.

Now, in order to facilitate ease of doing business, the SEBI has decided to re-open a Special Window only for re-lodgement of transfer deeds, which were lodged prior to the deadline of April 01, 2019 and rejected/ returned/ not attended to due to deficiency in the documents/ process/ or otherwise, for a period of one year from February 05, 2026, to February 04, 2027. Notice in relation to the same for the shareholders is published on the website of the Company's website at www.dhansafal.com. Shareholders eligible under this provision are advised to make use of this opportunity and submit their re-lodgement requests with complete and correct documentation within the prescribed timeline.

17. Process and Manner of E-Voting:

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE ACT AND REGULATION 36(3) OF SEBI LISTING REGULATIONS

ITEM NO. 3

The Company, in the ordinary course of its business, enters into transactions with its related parties from time to time. Such transactions are undertaken on an arm’s length basis and in the ordinary course of business in accordance with the provisions of the Companies Act, 2013 (“the Act”) and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”).

Pursuant to Regulation 23 of the SEBI Listing Regulations, prior approval of the shareholders is required for all material related party transactions, notwithstanding that such transactions are entered into in the ordinary course of business and on an arm’s length basis, unless exempt under Regulation 23(5) of the SEBI Listing Regulations. For this purpose, a related party transaction is considered material if the transaction(s), individually or taken together with previous transactions during a financial year, exceeds the materiality threshold prescribed under the SEBI Listing Regulations, based on the Company’s last audited financial statements.

In view of the Company’s business requirements and the expected volume of transactions during the financial year 2026–27, the aggregate value of certain related party transactions proposed to be entered into by the Company may exceed the applicable materiality thresholds prescribed under Regulation 23 of the SEBI Listing Regulations. Accordingly, approval of the members is being sought by way of the proposed Special Resolution.

The proposed framework for Material Related Party Transactions was reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors of the Company. The information pertaining to the proposed Material Related Party Transactions for the Financial Year 2026-27, as placed before the Audit Committee in the format specified under the RPT Industry Standards, was duly considered and reviewed by the Audit Committee at its meeting held on February 13, 2026, during the Financial Year 2025-26. All such transactions shall be undertaken in the ordinary course of business, on an arm’s length basis, and in compliance with the applicable provisions of the Act and the SEBI Listing Regulations. Necessary approvals of the Audit Committee and the Board of Directors have been obtained or shall be obtained, wherever required, prior to entering into such transactions.

ITEM NO. 4

Pursuant to the provisions of Section 42 of the Companies Act, 2013 (“the Act”) read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 (“the Rules”), a company may make an offer or invitation to subscribe to securities on a private placement basis only after obtaining the prior approval of its members by way of a Special Resolution. Further, in terms of the proviso to Rule 14(1) of the Rules, a company may obtain a Special Resolution once in a year for all offers or invitations to be made during the year for the issuance of Non-Convertible Debentures, Commercial Papers, Bonds and/or such other securities on a private placement basis.

In order to provide the Company with adequate financial flexibility to meet its funding requirements, the approval of the members is being sought by way of a Special Resolution to authorize the Board of Directors to offer, issue and allot, from time to time, Non-Convertible Debentures, Commercial Papers, Bonds and/or such other securities on a private placement basis, in one or more tranches, within an aggregate borrowing limit not exceeding ₹300,00,00,000 (Rupees Three Hundred Crore only), over and above the Company's paid-up share capital, free reserves and securities premium, if any, in accordance with the applicable provisions of the Act and other applicable laws. The proposed authorization shall remain valid for a period of one year from the date of passing of the Special Resolution set out at Item No. 4 of this Notice.

The Board is of the opinion that the proposed authorization is in the best interests of the Company and will provide the necessary flexibility to raise funds as and when required, in a timely and cost-effective manner.

None of the Promoters, Directors, Key Managerial Personnel of the Company or their respective relatives is, in any way, concerned or interested, financially or otherwise, directly or indirectly, in the proposed resolution, except to the extent of their respective shareholding, if any, in the Company.

The Board of Directors recommends the **Special Resolution** set out at Item No. 4 of the accompanying Notice for approval of the members of the Company.

By Order of the Board of Directors of
DhanSafal Finserve Limited,

FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2026
[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
DhanSafal Finserve Limited
G – 1402, Lotus Corporate Park,
Jay Coach Area, Goregaon East,
Mumbai – 400063.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **DhanSafal Finserve Limited, CIN: L65100MH1981PLC044094**, having its Registered Office at G – 1402, Lotus Corporate Park, Jay Coach Area, Goregaon East, Mumbai – 400063 (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on **31st March, 2026** complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minutes' books, forms and returns filed and other records maintained by **DhanSafal Finserve Limited** (“the Company”) for the Financial Year ended on **31st March, 2026** according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;

Corporate Governance Report

[Pursuant to Part C of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

The Company’s Report on Corporate Governance for the period ended March 31, 2026, pursuant to Regulation 34(3) and Clause (C) of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) is presented as follows.

This report outlines compliance with requirements of the Companies Act, 2013, as amended (“the Act”), the SEBI Listing Regulations and the Regulations of the Reserve Bank of India (“RBI”) for Non-Banking Financial Companies (the ‘RBI Regulations’), as applicable to the Company. The Company’s corporate governance practices and disclosures go well beyond complying with the statutory and regulatory requirements stipulated in the applicable laws.

Corporate Governance

Corporate Governance ensures transparency, accountability, fairness, and ethical conduct in its operations, especially in managing financial risks and protecting stakeholders' interests (including customers, investors, regulators, and the public). It enables an organization to perform efficiently and ethically to generate long term wealth and create value for stakeholders.

Company's Corporate Governance Philosophy

At DhanSafal Finserve Limited (“the Company”) (formerly known as “Luharuka Media & Infra Limited”), the Corporate Governance philosophy is built on the foundation of integrity, transparency, accountability, and sound business ethics. As a Non-Banking Financial Company (“NBFC”), we recognize the importance of strong governance in ensuring financial stability, stakeholder trust, and long-term value creation.

The Company believes effective corporate governance practices constitute the strong foundation on which successful commercial enterprises are built to last. Our Corporate Governance practices are reflection of our value system encompassing our culture, policies, and relationships with our stakeholders and are founded upon a rich legacy of fair, ethical and transparent practices, many of which were in place even before they were mandated by regulatory authorities. Integrity, transparency, professionalism, honesty, and ethical behavior are key to our corporate governance practices to ensure that we gain and retain the trust of our stakeholders at all times.

The Company’s Corporate Governance structure has evolved over the years and it provides a comprehensive framework to enhance accountability to shareholders and other stakeholders. It ensures timely implementation of the plans and adequate disclosures as well as fair dealings with shareholders and other stakeholders’ interests. The Company is focused on the enhancement of long-term value creation for all stakeholders without compromising on integrity, social obligations, and regulatory compliances.

Key elements of our Corporate Governance practices

- Compliance with all the applicable laws.
- Proactive adherence to the regulations.
- Number of Board and Committee meetings are more than the statutory requirements, including meetings dedicated for discussing strategy, operating plans, and risks.
- Directors from diverse backgrounds and substantial experience, who are able to provide appropriate guidance to the executive management as required.
- Separate meeting of independent directors without presence of non-independent directors or executive management.
- Complete and detailed information provided to Board members in advance to enable them to evaluate matters carefully for meaningful discussions.

Board of Directors

Composition of the Board of Directors

The Board of Directors (“Board”) and its Committees play significant role in upholding and furthering the principles of good governance which translates into ethical business practices, transparency, and accountability in creating long term stakeholder value.

In line with the commitment to the principle of integrity and transparency in business operations for good corporate governance, the Company’s policy is to have an appropriate blend of independent and non-independent directors to maintain the independence of the Board and to separate the Board functions of Governance and Management.

The Company is professionally managed and functioning under the supervision of the Board of Directors. Board strives to ensure excellence and integrity in setting sound corporate governance standards. The Board of Directors of the Company consists of professionals from varied disciplines. The day-to-day management of the affairs of the Company is entrusted with and managed by the senior management personnel and head of the departments. The Board also performs their fiduciary relationship of ensuring that the rights of all stakeholders are protected.

The Composition of the Board of Directors is in conformity with section 149 of the Act and Regulation 17 of the SEBI Listing Regulations.

Presentation by Management to the Board:

At every Board Meeting convened to consider the financial results, the Management makes a comprehensive presentation to the Board, covering, inter alia, the following aspects:

- Overall operational and financial performance of the Company;
- Performance of the business;
- Key market initiatives and strategic developments undertaken; and
- Any other significant developments having a bearing on the Company's business operations or financial position.

This practice ensures that the Board is adequately briefed on all material aspects of the Company's business prior to the financial results being made public, thereby facilitating informed deliberation, constructive discussion, and effective governance oversight by the Board.

Committees of the Board

The Company has consistently maintained high standards of corporate governance and has established a robust governance framework in line with the requirements of the Act, the SEBI Listing Regulations and other applicable regulatory requirements. In order to ensure focused oversight and efficient governance, the Board has constituted various Committees and delegated specific responsibilities to them.

The Committees of the Board play a vital role in strengthening governance standards, improving operational efficiency and enabling effective supervision of key business and regulatory matters. Each Committee functions within a well-defined charter approved by the Board and comprises members possessing the requisite skills, experience and expertise relevant to their respective areas of responsibility.

The Committees devote considerable time and attention to matters entrusted to them and provide strategic guidance and recommendations to the Board. Their deliberations facilitate detailed examination of issues, enable informed decision-making and support the Board in discharging its fiduciary and statutory responsibilities effectively. The recommendations and observations of the Committees contribute significantly towards enhancing transparency, accountability and overall governance standards within the Company.

There are following (5) Board Committees, consisting of both statutory & non-statutory committees as on March 31, 2026:

The Board periodically reviews the composition, terms of reference and functioning of its Committees to ensure their continued effectiveness and alignment with the Company's business requirements and regulatory framework. The recommendations of the Committees are placed before the Board for its consideration and approval, wherever required. During the financial year under review, all recommendations made by the Committees were accepted by the Board.

The Company Secretary acts as the Secretary to the Committees of the Board and ensures compliance with applicable statutory and regulatory requirements. The minutes of all Committee meetings are placed before the Board for its noting and review. The Board and its Committees may also pass resolutions by circulation, wherever necessary, in accordance with the provisions of the Act, the Secretarial Standards issued by the Institute of Company Secretaries of India and other applicable laws.

The Board believes that the Committee structure has significantly contributed towards strengthening the Company's governance framework and ensuring effective oversight of financial, operational, risk management, compliance and stakeholder-related matters.

Special Window for Re-Lodgement of Transfer Requests of Physical Shares: Pursuant to the SEBI Circular dated July 02, 2025, a Special Window was made available from July 07, 2025 to January 06, 2026 for re-lodgement of transfer deeds that were lodged prior to April 01, 2019 and had been rejected or returned due to deficiencies in documentation. The Company complied with the requirements of the said circular, including dissemination of information to shareholders through bi-monthly newspaper advertisements and submission of periodic compliance reports.

Further, pursuant to the SEBI Circular dated January 30, 2026, SEBI extended the facility by opening another Special Window from February 05, 2026 to February 04, 2027. In accordance with the said circular, securities transferred under this mechanism are credited only in dematerialized form to the transferee’s account and remain under lock-in for a period of one year from the date of registration of transfer.

The Company continues to disseminate information regarding the availability of the Special Window through bi-monthly newspaper advertisements for the benefit of its shareholders.

Saksham Niveshak Programme: The Investor Education and Protection Fund Authority (“IEPF”) launched a 100-day investor awareness campaign titled “Saksham Niveshak Programme” from July 28, 2025 to November 06, 2025 with the objective of facilitating updating of KYC and bank account details, enhancing investor awareness and expediting the resolution of matters relating to unclaimed dividends and shares transferred to the IEPF Authority.

In support of the initiative, the Company undertook various investor outreach and awareness measures, including publication of newspaper advertisements and dissemination of information through its website and social media platforms. These efforts encouraged shareholders to update their KYC and bank account details and facilitated the payment of outstanding dividends to eligible shareholders.

Further, the Company is actively participating in the second phase of the Saksham Niveshak Programme launched by the IEPF Authority for the period from April 01, 2026 to July 09, 2026. In compliance with the guidelines issued by the Authority, the Company continues to undertake investor awareness initiatives, submit periodic progress reports and disseminate information regarding the programme through various communication channels.

The Company remains committed to protecting shareholder interests, promoting investor awareness and facilitating compliance with the requirements relating to unclaimed dividends and shares liable to be transferred to the IEPF Authority.

SEBI Complaints Redressal System (SCORES): In line with regulatory requirements and its commitment to investor protection, the Company has adopted a structured and transparent mechanism for addressing investor complaints and grievances. The Securities and Exchange Board of India (SEBI) has established a centralized web-based complaints redressal platform, namely the SEBI Complaints Redressal System (SCORES), which enables investors to lodge their complaints electronically and track their status in a transparent and time-bound manner.

Additionally, the Company is registered on SEBI’s SMART ODR Portal (Securities Market Approach for Resolution through Online Dispute Resolution), which aims to further strengthen the investor grievance redressal framework. This platform allows investors to seek resolution of their complaints through empanelled Online Dispute Resolution Institutions (ODRIs), provided the complaint remains unresolved after approaching the Company and using the SCORES mechanism. Investors may initiate the ODR process in accordance with SEBI circulars issued from time to time.

Management Discussion and Analysis

Global Economy:

Navigating Growth Amidst Geopolitical and Economic Shifts

The global economy continued to demonstrate resilience during 2025 despite heightened geopolitical uncertainties and evolving trade dynamics. Global economic growth is estimated at **3.4% in 2025**, with a marginal moderation to **3.1% in 2026**, before stabilising at around **3.2% in 2027**. The growth outlook is supported by easing inflationary pressures, continued investments in technology, and sustained policy support across major economies. However, the pace of expansion remains subject to uncertainties arising from geopolitical developments, trade policy changes and global financial market conditions.

Geopolitical tensions continued to influence the global economic landscape during the year. The prolonged Russia-Ukraine conflict disrupted energy and commodity markets, while escalating tensions in the Middle East affected key maritime trade routes and raised concerns over global energy supplies. At the same time, strategic competition between the United States and China, marked by tariff measures, technology restrictions and supply chain realignments, continued to reshape international trade and investment patterns. These developments have accelerated the adoption of diversified sourcing strategies, regional manufacturing hubs and resilient supply chain networks across industries.

Inflationary pressures moderated across most advanced and emerging economies during the year, with global inflation expected to decline from **4.1% in 2025 to 3.8% in 2026**. The easing inflation trajectory has created greater flexibility for central banks to gradually recalibrate monetary policies. Nevertheless, persistent geopolitical risks, volatility in energy prices and disruptions in global trade continue to pose challenges to the global interest rate environment and overall economic stability.

From the perspective of the financial services sector, these developments have influenced capital flows, borrowing costs and credit demand across markets. Financial institutions, including Non-Banking Financial Companies ("NBFCs"), continue to operate in a dynamic environment requiring prudent risk management, disciplined capital allocation and operational agility. At the same time, increasing digitalisation, financial inclusion initiatives and sustained demand for retail and MSME credit continue to create long-term growth opportunities for well-governed NBFCs.

India:

Powering Growth Through Domestic Demand and Structural Reforms

India continued to reinforce its position as one of the fastest-growing major economies, supported by resilient domestic demand, sustained public investment, robust services activity and ongoing structural reforms. Despite an uncertain global environment, the Indian economy remained on a strong growth trajectory, driven by healthy consumption, expanding manufacturing, infrastructure development and increasing digital adoption.

According to the International Monetary Fund (IMF), India's GDP is projected to grow by 6.4% in both 2026 and 2027, underlining the country's strong macroeconomic fundamentals and long-term growth potential. India continues to benefit from a stable financial system, favourable demographics and policy

GDP Growth Trend

India has consistently remained among the world's fastest-growing large economies. After recording a strong post-pandemic recovery, the economy has sustained healthy growth levels, supported by resilient domestic consumption, government capital expenditure and private sector investments. The medium-term outlook remains positive, reflecting confidence in India's structural growth drivers and economic resilience.

Investment Momentum and Infrastructure Development

Investment activity remained strong during the year, supported by sustained Government expenditure on infrastructure and continued private sector participation. Increased capital allocation towards transport, logistics, digital infrastructure, renewable energy and urban development has strengthened India's productive capacity while creating new avenues for economic growth.

The Union Budget FY 2026-27 further reinforced this momentum by increasing capital expenditure to ₹ 12.2 lakh crore, reaffirming the Government's commitment to infrastructure-led development and long-term economic expansion.

Inflation and Monetary Policy

India's inflation environment remained relatively stable during the year, supported by improved food supplies, prudent monetary policy and effective supply-side management. Moderating inflation has enabled the Reserve Bank of India ("RBI") to maintain a balanced monetary policy approach while ensuring adequate liquidity and financial stability.

A stable inflation outlook, together with a well-capitalised banking system and improving credit demand, continues to support economic activity by facilitating affordable financing for businesses and consumers. The RBI's calibrated policy measures remain focused on balancing inflation control with sustainable economic growth.

Fiscal Strength and Structural Reforms

India continued to maintain fiscal discipline while prioritising growth-oriented expenditure. Strong tax collections, expanding GST revenues and continued structural reforms have enabled the Government to sustain public investment without compromising fiscal stability.

Policy initiatives focused on manufacturing, digital infrastructure, financial inclusion and ease of doing business continue to strengthen India's competitiveness and enhance investor confidence. These reforms are expected to

support sustainable long-term economic growth and further deepen the country's financial ecosystem

Sectoral Performance

Economic growth during FY 2025-26 remained broad-based across key sectors.

Sector	Growth Driver
Agriculture & Allied	Supported by favourable monsoon conditions and steady performance of allied activities.
Industry	Driven by infrastructure development, construction activity and manufacturing expansion.
Services	Continued to remain the largest contributor to GDP, led by financial services, technology, digital commerce and professional services.

Industry Overview:

NBFC Sector Driving Financial Inclusion and Credit Growth

The Non-Banking Financial Company ("NBFC") sector continues to be a critical pillar of India's financial system by complementing the banking sector and expanding access to formal credit. NBFCs play a significant role in promoting financial inclusion by catering to retail customers, micro, small and medium enterprises ("MSMEs"), self-employed individuals and borrowers in semi-urban and rural markets, where timely and flexible credit remains essential. Their customer-centric approach, faster credit assessment, innovative product offerings and wider geographical reach have enabled NBFCs to become an integral part of India's evolving financial ecosystem.

The sector continues to demonstrate strong growth momentum, supported by favourable macroeconomic conditions, rising consumption and increasing demand for retail and MSME financing. According to CRISIL Ratings, the NBFC industry's Assets Under Management ("AUM") are expected to grow by around 19%, surpassing ₹50 lakh crore in the next fiscal year. Growth is expected to be driven by sustained demand across vehicle finance, MSME lending, consumer finance and other retail credit segments, supported by stable asset quality, prudent underwriting practices and improved access to funding.

The NBFC sector is poised for strong growth, with AUM expected to grow by nearly 19% and surpass ₹50 lakh crore, supported by rising retail credit demand and deeper financial inclusion.

Retail Credit Continues to Lead Growth: Retail lending remains the primary growth driver for the NBFC industry. According to ICRA, retail NBFC AUM (excluding Housing Finance Companies) registered a healthy 17% year-on-year growth during the first half of FY 2025-26, reflecting resilient credit demand despite a cautious operating environment. The sector is expected to sustain growth of 17-19% during FY 2025-26 and 16-18% during FY 2026-27, supported by improving consumer sentiment, increasing formalisation of the economy and expanding digital lending platforms.

Sector Outlook

The outlook for the Indian NBFC sector remains positive, supported by strong macroeconomic fundamentals, rising retail credit demand, increasing financial inclusion, and continued digital transformation. Growing formalisation of the economy, expanding access to credit, and product innovation are expected to further strengthen the sector's role in meeting the financing needs of individuals, MSMEs, and underserved customer segments.

At the same time, the operating environment is becoming increasingly dynamic amid global economic uncertainties, evolving geopolitical developments, inflationary pressures, and changing regulatory expectations. These factors may influence funding costs, liquidity conditions, borrower repayment capacity, and overall credit demand, requiring NBFCs to remain agile and disciplined in their operations.

Going forward, sustained growth in the sector will depend on prudent risk management, sound underwriting practices, diversified funding sources, and strong governance standards. Well-capitalised NBFCs with robust asset quality, technology-driven operating models, and customer-centric products are expected to be better positioned to capitalise on emerging opportunities while effectively navigating potential market volatility. With India's long-term growth story intact, the NBFC sector is expected to remain a key enabler of financial inclusion and inclusive

economic development.

Resilient Growth | Digital Transformation | Financial Inclusion

Well-governed and adequately capitalized NBFCs are expected to remain well-positioned to deliver sustainable growth while supporting India's expanding credit ecosystem.

Overview of the MSME Sector in India

The MSME sector remains one of the strongest pillars of the Indian economy, contributing significantly to GDP, exports, employment generation and entrepreneurship. As on December 17, 2025, over 7.3 crore MSMEs were registered on the Udyam Portal, reflecting the scale and growing formalisation of the sector. Maharashtra, Uttar Pradesh and Tamil Nadu together account for nearly one-third of all registered MSMEs, highlighting their strong industrial base and entrepreneurial ecosystem.

MSMEs continue to receive significant policy support through various Government initiatives aimed at improving access to finance, promoting entrepreneurship and enhancing ease of doing business. Flagship programmes such as the Prime Minister's Employment Generation Programme (PMEGP) and the Credit Guarantee Scheme for Micro and Small Enterprises (CGSMSE) have facilitated the establishment of new enterprises, generated employment and strengthened credit availability. During 2025, the Credit Guarantee Scheme crossed the milestone of one crore guarantees, further reinforcing the Government's commitment towards expanding formal credit access.

Despite sustained policy interventions, the MSME sector continues to face a sizeable credit gap estimated at ₹ 20–25 lakh crore. Limited collateral, inadequate credit history, delayed receivables and documentation challenges continue to restrict access to institutional finance for a large number of enterprises. To address these issues, the Government has strengthened mechanisms such as the Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE) and expanded the Trade Receivables Discounting System ("TReDS"), enabling faster invoice financing, improved liquidity and enhanced credit flow to MSMEs.

In addition, the Union Budget FY 2026-27 has introduced several measures to strengthen the MSME ecosystem, including enhanced support for receivables financing, greater participation under TReDS, increased allocation towards growth capital and initiatives to promote exports, digital compliance and women entrepreneurship. These reforms are expected to improve liquidity, facilitate formalisation and create a more conducive environment for sustainable business growth.

The continued expansion of the MSME sector, coupled with increasing formalisation and supportive policy initiatives, presents significant opportunities for NBFCs. With their ability to provide timely, flexible and customer-centric financing solutions, NBFCs are well positioned to bridge the credit gap and support the evolving financing requirements of India's MSME ecosystem.

"Expanding access to formal credit through responsible lending, technology-driven operations and customer-centric financial solutions."

Business Products

Safal Udyog Loan

We support India’s MSMEs by offering accessible and flexible financing options tailored to meet their diverse needs. Safal Udyog Loans are designed to address the everyday operational requirements of small businesses whether it’s purchasing inventory, managing cash flow, or funding expansion plans. These loans typically range from ₹3 lakhs to ₹10 lakhs, with tenures spanning 3 to 7 years, providing much-needed liquidity to business owners across various stages of growth.

While these loans are best suited for businesses with an operational track record, we also consider applications from start-ups, subject to additional eligibility criteria and comprehensive business plans. Our transparent and swift processing, along with a customer-first approach, ensures timely credit delivery.

Safal Udyog Loans are distributed through our wide branch network, enabling us to effectively cater to MSMEs in both tier I and tier II cities. In tier I cities, we focus on supporting more established enterprises with scalable growth needs, while in tier II and underbanked regions, we address the credit gap by serving first-generation entrepreneurs and smaller businesses with limited access to formal credit. This dual-city approach allows us to tailor our offerings to diverse market segments, ensuring financial inclusion across urban and semi-urban geographies.

Safal Udyog Loans form a key pillar of our MSME-focused strategy, reinforcing our commitment to inclusive lending. By empowering entrepreneurs and small businesses, we play a vital role in supporting local economies and contributing to India’s broader vision of equitable and sustainable economic growth.

Safal MSME Loan

Small and Medium Enterprises (MSMEs) are the backbone of India’s economic engine, driving employment, innovation, and local development. At DhanSafal, we recognize the distinct challenges faced by MSMEs and are committed to supporting their growth through tailored financial solutions. Our Safal MSME Loans are designed to provide fast and flexible funding to meet a wide range of business needs whether it’s scaling operations, adopting new technologies, or addressing day-to-day working capital requirements.

With loan tenures ranging from 3 to 10 years, Safal MSME Loans offer the long-term support businesses need to pursue sustainable growth. While these loans are well-suited for established enterprises, we also work with early-stage businesses and start-ups, who may be required to submit more detailed business plans and meet additional credit criteria to demonstrate their growth potential and financial stability.

Our approach combines quick disbursement, transparent terms, and personalized support, ensuring MSMEs receive the right financing at the right time. Through our growing presence in both tier I and tier II cities, we are able to address the financial needs of a wide spectrum of entrepreneurs from high-growth enterprises in metro areas to emerging businesses in underbanked towns. This geographic and demographic reach reinforces our commitment to inclusive lending and deepens our impact across India’s diverse MSME landscape.

By empowering MSMEs with access to timely credit, we contribute to job creation, productivity, and India’s broader economic advancement.

“Safal MSME Loans are not just financial products, they’re a trusted catalyst for progress, helping entrepreneurs realize their ambitions and build resilient businesses”

Safal Sampati Loan

At DhanSafal, we help unlock the full potential of your property assets through our flagship offering Safal Sampati Loans. As one of our most successful and widely availed products, these Loan Against Property (LAP) solutions provide a powerful avenue for business owners and individuals to access high-value funding at competitive interest rates.

Whether you're aiming to expand your existing business, invest in a new opportunity, or consolidate high-interest debt into a single, manageable repayment plan, Safal Sampati Loans are designed to offer both flexibility and financial stability. Borrowers can pledge residential, commercial, or industrial properties as collateral, giving them the freedom to leverage idle assets for productive use.

With customized loan structures, longer tenures, and competitive pricing, we ensure the financing is tailored to suit your specific cash flow and repayment capacity. The application process is streamlined and transparent,

backed by our strong local branch presence and a relationship-driven approach that prioritizes customer trust and long-term partnership.

Safal Sampati Loans are especially impactful in both tier I and tier II cities, where property-backed financing plays a crucial role in enabling business expansion and capital generation. This product has consistently demonstrated strong performance across our portfolio, contributing significantly to our growth and reinforcing our leadership in secured lending.

By helping clients convert property equity into working capital or investment funds, we not only fuel individual success stories but also contribute to regional economic development.

“We view property as more than a fixed asset; it’s a springboard for future opportunity.”

Analysis of Financial Performance

Revenue from Operations

The Company's Revenue from Operations witnessed robust growth during FY 2025-26, increasing by 152% to ₹1,223 lakh from ₹486 lakh in the previous financial year. The growth was primarily driven by expansion in the loan portfolio, higher interest income arising from increased disbursements, and improved utilization of earning assets. The Company's continued focus on secured lending and MSME financing also contributed to the sustained growth in operating income.

Portfolio Outstanding (POS)

The Company's Portfolio Outstanding (POS) increased by 89% to ₹82.49 crore as on March 31, 2026, compared to ₹ 43.58 crore as at March 31, 2025. The growth was supported by higher loan disbursements, expansion of the branch network, improved customer acquisition and increased demand for secured retail and MSME credit products. The Company continues to maintain a prudent underwriting framework while pursuing sustainable

portfolio growth.

Net Worth

Net Worth increased by 24% from ₹ 53.53 crore to ₹ 66.47 crore during the year, reflecting the Company's strengthened capital position. The improvement in net worth provides a strong foundation to support future business expansion, regulatory capital requirements and long-term growth initiatives.

Profitability

Profit After Tax (PAT) increased by 97% to ₹ 73 lakh during FY 2025-26 from ₹ 37 lakh in the previous year. The improvement in profitability was primarily attributable to higher operating income resulting from business expansion, partially offset by investments made towards branch expansion, manpower and technology infrastructure.

Details of significant changes, if any, in the Key Financial Ratios, along with the detailed explanation are provided in the accompanying financial statements which form part of this Annual Report.

Internal Control System, Adequacy and Compliance

The Company has established an adequate and effective internal control framework commensurate with the size, nature and complexity of its business. The internal control systems are designed to safeguard assets, ensure the accuracy and reliability of financial reporting, promote operational efficiency and ensure compliance with applicable laws, regulations and internal policies.

The Company's internal financial controls are aligned with the requirements of the Companies Act, 2013 and the *Guidance Note on Audit of Internal Financial Controls over Financial Reporting* issued by the Institute of Chartered Accountants of India (ICAI). The control framework encompasses all key business processes, including loan origination, credit appraisal, disbursement, collections, treasury operations, financial reporting and information technology systems.

The Company follows a risk-based internal audit programme, whereby periodic audits are carried out to evaluate the adequacy and operating effectiveness of internal controls across various business functions. The observations and recommendations of the Internal Auditors are reviewed by the Management and the Audit Committee, and appropriate corrective actions are implemented in a timely manner. The Audit Committee periodically reviews the scope of internal audit, significant audit findings, implementation status of corrective actions and the overall effectiveness of the internal control environment.

The Company has also established a robust compliance framework to ensure adherence to the directions and guidelines issued by the RBI, the Securities and Exchange Board of India ("SEBI"), the Companies Act, 2013 and other applicable statutory and regulatory requirements. During the year, the Company continued to strengthen its compliance monitoring mechanisms, KYC and Anti-Money Laundering ("AML") processes, information security measures and regulatory reporting systems.

The Board believes that the existing internal control systems and compliance framework provide reasonable assurance regarding the effectiveness of operations, safeguarding of assets, prevention and detection of frauds and errors, accuracy of accounting records, and timely preparation of reliable financial information.

The Company adopts a proactive approach to monitoring regulatory developments and periodically updates its policies, procedures and internal controls to align with evolving regulatory requirements. Regular compliance reviews and internal audits further strengthen the Company's governance framework, mitigate legal and regulatory risks, and reinforce stakeholder confidence.

Human Resource

The Company's employees remain its most valuable asset and are fundamental to its continued growth and long-term success. DhanSafal is committed to fostering a performance-driven, collaborative and inclusive work environment that encourages innovation, continuous learning and professional development. Our people strategy focuses on attracting, developing and retaining high-quality talent while nurturing a culture built on integrity, accountability and customer-centricity.

During FY 2025-26, the Company continued to strengthen its organisational capabilities in line with its expanding business operations. As part of its commitment to strong corporate governance, the Board was further strengthened with the induction of Mr. Harsh Kedia and Mr. Raghunath Narasimhachar Patel as Independent

Directors, bringing with them extensive experience in finance, taxation, banking, regulatory affairs and corporate governance. Their appointment has further enhanced the Board's diversity of skills and strategic oversight.

The Company also continued to invest in building its human capital across business, credit, operations and support functions to support its growing branch network and expanding lending portfolio. Employee strength increased from 50 as on March 31, 2025 to 67 as on March 31, 2026, reflecting the Company's continued investment in strengthening its operational capabilities.

DhanSafal remains committed to providing equal opportunities to all employees and maintaining a workplace that is inclusive, respectful and free from discrimination. The Company promotes a culture of meritocracy, diversity and mutual respect, while ensuring a safe, healthy and engaging work environment for all its employees.

The Company continues to invest in employee learning and capability development through structured training programmes, functional upskilling initiatives and leadership development interventions. Employee engagement activities, cultural celebrations and wellness initiatives are regularly organised to strengthen collaboration, enhance employee well-being and foster a positive organisational culture.

The Board of Directors places on record its sincere appreciation for the commitment, professionalism and valuable contribution made by all employees during the year under review. Their dedication and collective efforts continue to play a significant role in the Company's sustained growth and success.

Future Outlook

The outlook for the Indian NBFC sector remains favourable, supported by increasing formalisation of credit, rising demand for retail and MSME financing, growing digital adoption and sustained government focus on financial inclusion. While evolving regulatory requirements, funding costs and macroeconomic uncertainties continue to require prudent risk management, well-governed and adequately capitalised NBFCs are expected to remain well positioned to capitalise on emerging opportunities.

Against this backdrop, DhanSafal is focused on building a scalable and sustainable lending franchise through disciplined growth, prudent risk management and customer-centric financial solutions. The Company's strategic priorities for the coming years include:

Strengthening the Secured Lending Franchise

The Company will continue to focus on secured lending, particularly through Loan Against Property (LAP) and MSME financing, while addressing the evolving credit requirements of entrepreneurs, self-employed professionals and small businesses. The emphasis will remain on maintaining a well-diversified and high-quality loan portfolio.

Expanding Distribution Network

Building on its successful branch expansion during FY 2025-26, the Company intends to further strengthen its distribution footprint across high-growth markets, with a focus on increasing its presence in Tier II and Tier III cities to improve customer reach and support financial inclusion.

Scaling Co-Lending Partnerships

The Company aims to expand its co-lending ecosystem by strengthening strategic partnerships with banks and financial institutions. These partnerships are expected to enhance capital efficiency, diversify funding sources and enable faster portfolio growth while maintaining prudent risk standards.

Technology-driven Growth

The Company will continue to invest in technology to enhance operational efficiency, improve customer experience and strengthen credit underwriting, loan servicing and portfolio monitoring. Digital initiatives will remain integral to achieving scalable and efficient business growth.

Prudent Risk and Capital Management

Maintaining strong asset quality, adequate capitalisation and a disciplined risk management framework will

continue to be key priorities. The Company remains committed to prudent underwriting practices, effective portfolio monitoring and regulatory compliance to support sustainable long-term growth.

People and Governance

The Company will continue to strengthen its organisational capabilities by investing in talent, leadership development and governance practices. A robust governance framework, supported by an experienced Board and management team, will remain central to the Company's long-term strategy.

Looking ahead, DhanSafal remains confident in its growth prospects. With a strengthened operational platform, expanding distribution network, customer-centric approach and disciplined execution, the Company is well positioned to leverage opportunities in India's growing retail and MSME lending market while creating sustainable value for its customers, shareholders and other stakeholders.

Risk Management Framework

DhanSafal Finserv Limited has established a comprehensive Enterprise Risk Management ("ERM") framework that integrates risk management into business strategy, credit evaluation, operational processes and governance practices. The framework enables timely identification, assessment, monitoring and mitigation of risks across the organisation while ensuring sustainable growth and regulatory compliance.

As an RBI-registered NBFC, the Company operates in a dynamic environment influenced by macroeconomic developments, changing regulatory expectations, evolving borrower behaviour and technology-led transformation. Accordingly, the Company continuously reviews its risk management practices to strengthen portfolio quality, maintain adequate liquidity and protect stakeholder interests.

Risk oversight is exercised by the Risk Management Committee, Audit Committee and the Board of Directors, which periodically review the Company's risk profile, internal controls, compliance framework and mitigation strategies. Senior Management is responsible for implementing the approved risk management policies across all business functions.

Credit Risk

Being a lending institution, credit risk remains the most significant risk for the Company. The Company follows a prudent credit appraisal process supported by defined underwriting standards, property evaluation, borrower assessment and post-disbursement monitoring.

- **Rigorous Credit Appraisal:** Every loan proposal undergoes comprehensive assessment based on repayment capacity, income profile, banking behaviour, collateral quality and business cash flows to ensure prudent lending decisions.
- **Secured Lending Portfolio:** The Company's portfolio primarily comprises secured MSME loans, including Loan Against Property (LAP), thereby providing additional security through mortgage-backed collateral and reducing portfolio risk.
- **Portfolio Monitoring:** Loan accounts are continuously monitored through periodic reviews, repayment tracking, early warning indicators and collection mechanisms to identify stress at an early stage.
- **Diversification:** The Company maintains portfolio diversification across customer categories, industries and geographies to minimize concentration risk.

Operational Risk

Operational risks are managed through well-defined processes, internal controls and standard operating procedures across all business functions.

- **Internal Control Framework:** Documented policies, maker-checker controls, approval hierarchies and periodic process reviews ensure operational efficiency and minimize process failures.

Governance Oversight

The Company's risk governance framework is overseen by the **Board of Directors**, supported by the **Risk Management Committee** for enterprise-wide risk oversight and the **Audit Committee** for internal controls, financial reporting and compliance monitoring. Together, these committees ensure that key risks are identified, monitored and effectively managed in line with the Company's risk appetite and regulatory expectations.

- **Business Continuity:** Business Continuity Plans (BCP) and disaster recovery mechanisms have been established to ensure uninterrupted operations during unforeseen events.
- **Fraud Risk Management:** Multiple control mechanisms, internal audits, employee awareness and whistle blower processes help detect and prevent fraudulent activities.
- **Process Automation:** The Company continues to automate operational workflows to improve efficiency, reduce manual intervention and strengthen operational controls.

Information Technology Risk

Technology continues to remain a key enabler of the Company's operations.

- **Cybersecurity:** The Company has implemented appropriate cybersecurity controls, including firewall protection, endpoint security, access management and continuous monitoring of critical systems.
- **Data Security:** Customer information is protected through defined access controls, secure infrastructure and regular system monitoring in accordance with applicable regulatory requirements.
- **Digital Operations:** The Company continues to strengthen technology-enabled loan processing, document management and operational efficiency while maintaining data integrity and system reliability.

Liquidity & Market Risk

The Company follows a prudent ALM framework to maintain adequate liquidity and meet its funding obligations.

- **Liquidity Management:** Cash flows, funding requirements and liquidity buffers are regularly monitored to ensure financial stability.
- **Interest Rate Risk:** The Company continuously evaluates the impact of changing interest rate scenarios on borrowing costs, lending yields and overall profitability.
- **Capital Management:** The Company maintains adequate capital levels in line with regulatory requirements to support future business growth.

Regulatory & Compliance Risk

The Company maintains a strong compliance culture aligned with the requirements of the Reserve Bank of India, SEBI, Companies Act and other applicable laws.

- **Regulatory Monitoring:** Regulatory developments are continuously monitored and internal policies are updated on a timely basis to ensure compliance.
- **Governance Framework:** The Board, Risk Management Committee and Audit Committee regularly review compliance reports, internal audit observations and regulatory matters.
- **Ethical Business Practices:** The Company follows high standards of corporate governance, transparency and ethical conduct across all business operations.

Independent Auditor’s Report

TO THE MEMBERS OF DHANSAFAL FINSERVE LIMITED (FORMERLY KNOWN AS LUHARUKA MEDIA & INFRA LIMITED)

Report on the Audit of the Financial Statements Opinion

Opinion

We have audited the accompanying financial statements of **Dhansafal Finserve Limited (Formerly Known as Luharuka Media & Infra Limited)** (“the Company”), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the Financial Statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements, give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined following the key audit matters in our report.

Other Information

The Company’s board of directors is responsible for the preparation for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the State of Affairs, profit and Other Comprehensive Income/loss, Changes in Equity and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure ‘B’ to the Independent Auditor’s Report

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of DHANSAFAL FINSERVE LIMITED (FORMERLY KNOWN AS LUHARUKA MEDIA & INFRA LIMITED))

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Dhansafal Finserve Limited (Formerly Known as Luharuka Media & Infra Limited)** (“the Company”) as of March 31, 2026 in conjunction with our audit of financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements

for the year ended March 31, 2026

Note – 1: Corporate Information

Dhansafal Finserve Limited (formerly Luharuka Media & Infra Limited) ("the Company" or "DFL") is public company domiciled in India, with its registered office situated at G 1402, Lotus Corporate Park, Goregaon East, Mumbai, - 400 063. The Company has been incorporated under provision of Companies Act and its equity is listed on the Bombay Stock Exchange (BSE) in India. The Company is registered with the Reserve Bank of India ("RBI") as a Non-Systemically Important Non-Deposit Accepting Company ("NBFC").

With effect from May 22, 2025, name of the Company has been changed from Luharuka Media & Infra Limited to Dhansafal Finserve Limited, vide the 'Certificate of Incorporation pursuant to change of name' received from Ministry of Corporate Affairs.

The new name DhanSafal has been carefully chosen to reflect the Company's renewed commitment to enabling financial success (Safalta) through trusted (Safal) and accessible (Dhan) financial solutions. The rebranding symbolizes the organization's transformation into a digitally enabled and inclusive lending institution focused on driving credit accessibility across India, especially in underserved and semi-urban markets.

The Company offers retail financial services, with a growing focus on MSME lending, including loans against property for business expansion and working capital. DhanSafal is strategically positioned between the organized banking sector and local money lenders, aiming to provide accessible, flexible, and customer-centric credit solutions across various borrower segments. With a strong presence in the retail loan sector, we offer flexible and competitive lending solutions tailored to individual needs for business loans to income-generating credit. Our mission is to bridge the gap between traditional banking and underserved communities through ethical practices, innovative digital platforms, and a relentless customer-first approach. At DhanSafal, we believe that financial empowerment should be accessible to all with the right support, success is possible for everyone.

As per the Scale based Regulation "Reserve Bank of India (Non-Banking Financial Companies - Registration, Exemptions and Framework for Scale Based Regulation) dated November 28, 2025, issued by the Reserve Bank of India ("RBI")., the Company is classified as Base Layer Non-Banking Financial Company.

Material Accounting Policies:

A. Statement of Compliance:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and Complied with the disclosure requirement as per the Master Direction - "Reserve Bank of India (Non-Banking Financial Companies – Financial Statement: Presentation and Disclosures)" Directions, 2025 issued by the Reserve Bank of India (RBI) vide their Notification No. RBI/DOR/2025-26/ 359 DOR.ACC.REC.No.278/21.04.018/2025-26 dated November 28, 2025, as amended.issued by RBI. The financial statements have been prepared on a going concern basis.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

B. Basis of Preparation:-

The financial statements have been prepared on a historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values as at the end of each reporting period as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company considers the characteristics of the asset or liability if market participants would take those characteristics

Notes to Financial Statements

for the year ended March 31, 2026

into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on this basis.

Fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety.

- Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices;
- Level 2 : The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and place limited reliance on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2; and
- Level 3 : If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

C. Functional and presentation currency

The Company's presentation and functional currency is Indian Rupees. All figures appearing in the financial statements are in Indian rupees in lakh rounded off to two decimal places as permitted by Schedule III to the Act. Per share data are presented in Indian Rupee to two decimal places.

D. Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss and Statement of Changes in Equity are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act, 2013 (the 'Act') applicable for Non-Banking Financial Companies ("NBFC"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7, Statement of Cash Flows. The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in Division III of Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified accounting standards and the Stock Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time.

E. Critical Accounting Estimates and Judgments

The preparation of financial statements in conformity with generally accepted principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

F. Revenue Recognition:

Revenue (other than those items to which Ind AS 109 Financial Instruments is applicable) is measured based on the consideration specified in the contracts with the customers. Amounts disclosed as revenue are net of goods and services tax ('GST') and amounts collected on behalf of third parties. Ind AS 115 Revenue from Contracts with Customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers.

The Company recognizes revenue from contracts with customers based on a five-step model as set out in Ind AS 115:

i) Interest Income:

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the

Notes to Financial Statements

for the year ended March 31, 2026

financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets the Company recognises interest income as per the management's estimates of its recoverability. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non-payment of contractual cashflows is recognised on realization if any.

ii) Fee and Commission income:

Fee and commission income include fees other than those that are an integral part of EIR. Income from consultancy and commission is recognized on completion of relevant activity based on agreed terms of the contract.

Cheque bouncing charges, late payment charges and foreclosure charges are recognized on a point-in time basis, and are recorded when realized since the Probability of collecting such monies is established when the customer pays.

iii) Dividend Income:

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, which is generally shareholders/board approve the dividend.

Other Revenue from Operations

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

a) Net gain on fair value changes

Any differences between the fair values of the financial assets classified at fair value through the profit or loss, held by the Company on the Balance Sheet date is recognized as an unrealized gain/loss in the Statement of Profit and Loss. In cases there is a net gain in aggregate, the same is recognized in "Net gains on fair value changes" under income and if there is net loss in aggregate, the same is recognized in "Net loss on fair value changes" under expense in the Statement of Profit and Loss.

b) Recoveries of financial assets written off

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

G. Property, Plant and Equipment:

- i) Property, plant and equipment are shown at historical cost inclusive of incidental expenses less accumulated depreciation.
- ii) Depreciation on Property, plant and equipment is calculated on straight-line basis over the estimated useful lives of the assets as follows:

Sr No	Category	Estimated Useful life
1	Furniture & Fixtures	10 years
2	Computer and it peripherals	3 years
3	Office Equipments	5 Years

Notes to Financial Statements

for the year ended March 31, 2026

- iii) Depreciation on Property, plant and equipment are added or sold during the year, is provided on pro-rata basis with reference to the date of addition/deletion.
- iv) Leasehold property is amortized over the period of lease or useful life whichever is lower.

H. Impairment of Non-financial assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Profit & Loss Account in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

I. Employee Benefits:

- a) **Defined Contribution Plan:** Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.
- b) **Defined Benefit Plan:** The Company provides for gratuity which is a defined benefit plan the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur and is not eligible to be reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.
- c) **Leave entitlement:** Leave encashment payments are accounted for on accrual basis and is treated as short-term employee benefit.
- d) **Short-term benefits:** Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

J. Financial instruments:

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments.

i) Financial Assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

a. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

Notes to Financial Statements

for the year ended March 31, 2026

b. Subsequent Measurement

For the purpose of subsequent measurement, financial assets are classified into three categories:

1. Debt instruments at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

2. Equity Instruments at FVTPL

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt instruments are recognised on net basis through profit or loss.

3. Equity investments designated under FVOCI

All equity investments in scope of Ind AS 109 'Financial Instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognised in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

c. Derecognition of Financial Assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

d. Impairment of Financial Assets

Expected Credit Loss (ECL) is recognised for financial assets held under amortised cost and certain loan commitments.

Expected Credit Loss is recognized and measured as per the Asset Provisioning norms prescribed by the Reserve Bank of India or as per Company's assessment, at the end of each reporting period, of increase/decrease in credit risk at borrower level and accordingly the Company recognizes a financial asset to be credit impaired by considering relevant objective evidence, primarily whether:

- Contractual payments of either principal or interest are past due for more than 6 months.
- The loan is otherwise considered to be in default.

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to remain credit impaired until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months– post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be removed from the credit impaired category and a fresh assessment of the risk of default be done for such loans.

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates

Notes to Financial Statements

for the year ended March 31, 2026

to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial Liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

a. Initial Measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

b. Subsequent Measurement

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

c. Derecognition

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

iii) Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

iv) Investment in subsidiaries and associates

Investment in subsidiaries and associates is recognised at cost and are not adjusted to fair value at the end of each reporting period. Cost of investment represents amount paid for acquisition of the said investment.

The Company assesses at the end of each reporting period, if there are any indications that the said investment may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

K. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i) the contract involves the use of an identified asset
- ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and

Notes to Financial Statements

for the year ended March 31, 2026

- iii) the Company has the right to direct the use of the asset

The Company applies a single recognition and measurement approach for all leases, except for short term leases and leases of low-value assets. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets as below :-

i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the underlying assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

"Lease liability" and "Right of Use" asset are separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Determining the lease term of contracts with renewal as a Lessee: The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease

Notes to Financial Statements

for the year ended March 31, 2026

requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals).

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. Any subsequent change in certainty of exercising option to extend lease term could impact the carrying value of right of use asset and lease liability significantly.

L. Finance Costs:

- (a) Borrowing costs that are attributable to the acquisition, construction, or production of a qualifying asset are capitalized as a part of the cost of such asset till such time the asset is ready for its untended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.
- (b) All other borrowing costs are recognized as expense in the period in which they are incurred.

M. Taxation

Income tax expense comprises current and deferred tax. It is recognised in statement of profit and loss except to the extent that it relates to items recognised directly in equity or in OCI.

Current Tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

The deferred tax for timing differences between the book and tax profits for the year is accounted for, using tax rates and laws that have been substantively enacted as of the balance sheet date.

N. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculation diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

O. Cash and Cash equivalents

Cash and cash equivalents comprise the net amount of shortterm, highly liquid investments that are readily convertible to known amounts of cash (short-term deposits with an original maturity of three months or less) and are subject to an insignificant risk of change in value. They are held for the purposes of meeting short-term cash commitments (rather than for investment or other purposes).

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short- term deposits, as defined above.

P. Provisions and Contingent Liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

Notes to Financial Statements

for the year ended March 31, 2026

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made Contingent assets are neither recognised nor disclosed in the financial statements.

Q. Fair Value Measurement

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

R. Recent Accounting Pronouncements:

The Ministry of Corporate Affairs ('MCA') notifies new standards or amendments to the existing standards under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time. For the year ended March 31, 2026, the MCA has notified amendments to (Ind AS 1, Presentation of Financial Statements) and (Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures) amendments relating to Classification of liabilities as current or non-current and non-current liabilities with Covenants and Disclosure of supplier finance arrangements, applicable to the Company, w.e.f., April 1, 2025. The Company has reviewed the new pronouncements and based on its evaluation, has determined that the new pronouncement is not applicable to the Company.

Note 22 - Earnings Per Equity Share

Earnings Per Share (EPS) – The Company presents basic and diluted earnings per share (“EPS”) data for its ordinary shares. Basic EPS is calculated by dividing the net profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. The weighted average number of shares outstanding during the year is adjusted for events such as rights issue (including the bonus element) that have changed the number of shares outstanding.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding is adjusted for the effects of all dilutive potential ordinary shares.

Delta Effect of +1% Change in Rate of Employee Turnover	(0.30)	(0.12)
Delta Effect of -1% Change in Rate of Employee Turnover	0.32	0.13

The sensitivity analysis has been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the defined benefit obligation as recognised in the balance

Notes to Financial Statements

sheet. There is no change in the methods and assumptions used in preparing the sensitivity analysis from previous year.

The Company has a defined benefit gratuity plan in India (unfunded). The Company's defined benefit gratuity plan is a final salary plan for employees. Gratuity is paid from Company as and when it becomes due and is paid as per Company scheme for Gratuity.

Risks associated with defined benefit plan: Gratuity is a defined benefit plan and entity is exposed to the following Risks

- a. Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.
- b. Interest rate risk: A fall in the discount rate which is linked to the Government Securities Rate will increase the present value of the liability requiring higher provision.
- c. Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Entity has to manage pay-out based on pay as you go basis from own funds.
- d. Mortality risk: Since the benefits under the plan is not payable for lifetime and payable till retirement age only, plan does not have any longevity risk.

Characteristics of defined benefit plans:

- a. During the year, there were no plan amendments, curtailments and settlements.
- b. Gratuity plan is unfunded.

33. Financial Risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a core Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

Notes to Financial Statements
for the year ended March 31, 2026

- A. **Market Risk:** Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and another price risk. Financial instruments affected by market risk include loans and borrowings and deposits.

Interest Rate Risk: Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This risk exists mainly on account of borrowings of the Company. However, all these borrowings are at fixed interest rate and hence the exposure to change in interest rate is insignificant.

Foreign Currency Risk: Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to significant foreign currency risk as at the respective reporting dates.

Price Risk: The Company is mainly exposed to the price risk due to its investment in debt mutual funds. The price risk arises due to uncertainties about the future market values of these investments.

- B. **Credit Risk:** Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and other financial assets.

Trade Receivables: Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major trade receivables.

Other Financial Assets: Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only in highly marketable debt instruments with appropriate maturities to optimise the cash return on instruments while ensuring sufficient liquidity to meet its liabilities.

- C. **Excessive risk concentration:** Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry. In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

- D. **Liquidity risk:** Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended March 31, 2026 and March 31, 2025. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis. The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on going basis to meet operational needs. Any short-term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposits and other highly marketable debt investments with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

The Company manages its liquidity requirement by analysing the maturity pattern of Company's cash flows of financial assets and financial liabilities. The Company's objective is to maintain a balance between continuity of funding and flexibility. The Company invests its surplus funds in debt schemes of mutual funds, which carry low mark to market risks.
