NOTICE

NOTICE is hereby given that the Thirty-Sixth Annual General Meeting of the Members of Shardul Securities Limited will be held on Wednesday, 29th September 2021 at 4:00 p.m. through Video Conferencing (VC)/Other Audio-Visual Means (OAVM) to transact the following business:

AS ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited (Standalone and Consolidated) Financial Statements of the Company for the financial year ended 31st March, 2021 together with the Reports of Board of Directors and Auditors thereon.
2. To appoint a director in place of Mr. Yogendra Chaturvedi (DIN: 00013613), who retires by rotation and being eligible, offers himself for re-appointment.

NOTES:

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (the "MCA") vide its circular no. 02/2021 dated January 13, 2021 and Securities and Exchange Board of India (the "SEBI") vide its circular SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, have allowed the companies whose Annual General Meeting (the "AGM") is due in the calendar year 2021, to conduct the same through Video Conferencing ("VC") and/or Other Audio Visual Means ("OAVM") facility.
2. The 36th Annual General Meeting of the Company is therefore convened through Video Conferencing ("VC") and/or Other Audio Visual Means ("OAVM") facility. In accordance with the various circulars issued by MCA viz., circular no. 14/2020 dated April 8, 2020, circular no. 17/2020 dated April 13, 2020, circular no. 20/2020 dated May 5, 2020, circular no. 02/2021 dated January 13, 2021 (the "MCA Circulars") and SEBI viz., circular SEBI/HO/CFD/ CMD1/CIR/P/2020/79 dated May 12, 2020 and circular SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 (the "SEBI Circulars") (together referred as the "Circulars"), without the physical presence of the members at a common venue. The deemed venue for the 36th Annual General Meeting will be the registered office of the Company at G-12, Tulsiani Chambers 212, Nariman Point, Mumbai 400 021.
3. Since this AGM is being held pursuant to the MCA circulars & SEBI circulars through VC/OAVM, the requirement of physical attendance of members has been dispensed with. Accordingly, in terms of the MCA circulars, the facility for appointment of proxies by the members will not be available for this AGM and hence the proxy form, attendance slip and route map of AGM are not annexed to this notice.
4. In line with the MCA General Circular dated May 5, 2020, the Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those members whose e-mail addresses are registered with the Company/Depositories. The Notice convening the 36th AGM has been uploaded on the website of the Company at www.shardulsecurities.com under 'Investor Service' section and may also be accessed on the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The Notice is also available on the website of Link Intime India Pvt. Ltd. (Agency appointed by the Company for the purpose of remote e-voting, e-voting at AGM and VC/OAVM facility for AGM) i.e. <https://instavote.linkintime.co.in>.
5. Register of Members / Transfer books will be closed from 23rd September 2021 to 28th September 2021 (both days inclusive).
6. Any person, whose name appears in the Register of member/ list of Beneficial Owners as on Cut-off date provided herein below, shall be entitled to vote by way of voting through remote e-voting or e-voting system at AGM on the items/ resolutions set forth in this Notice. Process for e-voting is provided herein below. A person who is not a Member as on the cut-off date should treat this Notice for information purpose only.

The members, who have cast their vote(s) by remote e-voting, may also attend the AGM but shall not be entitled to cast their vote(s) again during the AGM.
7. The attendance of the members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
8. Any person, who acquires shares of the Company and becomes member of the Company after dispatch of the Notice of AGM and holding shares as of the Cut-off date may obtain the login ID and password by sending a request at enotices@linkintime.co.in or contact on: - Tel: 022 -4918 6000.
9. M/s Dharendra Maurya & Associates, Company Secretary in practice has been appointed as the Scrutinizer to scrutinize the voting during the AGM and remote e-voting process in a fair and transparent manner.
10. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, first count the votes cast during the AGM, thereafter unblock the votes cast through remote e-voting and make not later than 48 hours from the conclusion of the AGM, a consolidated Scrutinizer's Report of the total vote(s) cast in favour or against, if any, to the Chairman or a person authorised by him in writing, who shall countersign the same.

11. The result declared along with the Scrutinizer's Report shall be placed on the Company's website www.shardulsecurities.com and on the website of Link Intime India Pvt. Ltd (LIPL): <https://instavote.linkintime.co.in> immediately. The Company shall simultaneously forward the results to BSE Limited, where the shares of the Company are listed.
12. Unpaid/Unclaimed Dividend:

Members are hereby informed that the Company has transferred to "Investor Education and Protection Fund" of the Central Government all unclaimed dividends up to the Financial Year 2012-13. Dividend declared in the earlier years and remaining unpaid will be deposited with the above fund of the Government at the expiry of 7 years from the date of their transfer to unclaimed dividend account. Shareholders who have not encashed the dividend warrants, declared after this period are requested to encash their dividend warrants immediately.

Further, in terms of Section 124(6) of the Companies Act, 2013 read with Investor Education & Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 and amendments thereto and notification issued by the Ministry of Corporate Affairs from time to time, the Company has transferred during the year, the required number of shares in respect of which dividends have remained unclaimed for a period of seven consecutive years or more to the IEPF Account.
13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are accordingly requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts. During the current FY 2020-21, the COVID-19 pandemic developed rapidly globally thereby forcing the government to enforce complete/partial lock-down time to time. Almost all economic activities except essential services which were allowed to operate with limited staff strength were affected. As capital markets and banking services were declared as essential services, your Company continued its operations by strictly adhering to the minimal staff strength requirement and maintaining social distancing and other precautions as per the Government directions.

In order to ensure health and wellbeing of the employees, employees were encouraged to work from home and were provided necessary infrastructure to ensure efficient functioning. All operations and servicing of clients were smoothly ensured without any interruptions as the activities of trading, settlement, Stock Exchanges and depository functions are fully-automated and seamless. Based on the facts and available figures, the Company has been operating in the normal course and there have been no adverse impact on the liquidity, revenues or operational parameters during the year ended March 31, 2021.

**9. Management Discussions and Analysis Report:
Financial Performance:****(i) Overall Economic View**

The year under reporting continued to reel under pressure globally thanks to the widespread pandemic and India was no exception. In fact, India suffered more during the last quarter that spilled over the next year as well.

The various measures taken by the Government to protect the precious lives of the people resulted in lock downs over a long period during the reporting year. The private enterprises suffered the blunt of the burden by not being able to even keep their doors open let alone the employees being able to turn around.

A few industries in IT segment worked fairly on even scale thanks to the technology but industries that required manpower suffered that resulted in huge downward swing in production and employment. Agriculture sector did well as the rural and semi urban area did not suffer the same impact as the urban and metropolitan areas suffered.

If we analyze the overall impact, agriculture production was on the rise, IT segment contributed significantly to the GDP, foreign exchange reserves went up significantly almost crossing 600 billion dollars, a record high indicating the influx of remittances, investments and transfer of foreign held funds. The GDP contracted by 7.3 percent as against 8 percent during the previous year that clearly reflects the state of economy that prevailed.

Indian exports and imports shrank by more than 6 percent during the year indicating the extent of the slowdown of the economy.

However, the Government has projected a GDP growth rate of about 9.4 percent for the ensuing year as the green shoots are visible thanks to various economic measures initiated by the Government.

(ii) Industry Structure and Developments:

The financial sector witnessed a heavy stress and strain as recovery of loans and advances was probably at its lowest levels. Moratorium of payment of interest and instalments consequent to wage cuts and unemployment resulted on lower growth in income coupled with increase in expenses. As a result the performance of Banking sector is likely to witness lower profitability and growth.

The same situation could prevail in NBFC segment though the loan offtakes have increased in the retail segment consequent to increased activities on account of adequate demand in food, medical, and other consumables.

The capital market however witnessed a conflicting position by increase in index values both in NSE and BSE touching record levels. The retail investors appear to have entered the capital markets significantly that propelled the market to new highs.

Notwithstanding the volatility and speculative investments, the boost in indices have prompted corporates to come out with new public issues in a big way and the market support has been fairly encouraging.

(iii) Business Review:

Despite the economic slowdown, high volatility in capital markets, and other uncertainties your company could achieve comparable results with that of the previous year. The setback suffered during the previous year end, got reversed the current year as is evidenced in the financial statements, thanks to higher turnover in capital markets coupled with recovery of index levels. However, these profits are more by way of valuation albeit there was marginal increase in income by way of operations also.

(iv) Opportunities and Threats:

The GDP is projected to recover to around 9.4 percent which is not a bad news for business growth. The Government has announced several measures to boost the economic activities but it remains to be seen if these measures would be adequate to bring a turnaround in the economy to the expected levels. However, the continued support in capital market activities give hopes of a turn around for companies like us and therefore we may witness better results in coming year.

(v) Segment-wise – Product-wise reporting:

As there has been no change in your company's business activities and broking activities there are no separate reportable segment.

(vi) Outlook:

Your company expects the capital markets continuing to perform better due to increased participation by retail investors and also due to anticipated respite in spread of the pandemic in the coming months. If the efforts of the Government and other global agencies hold good then we can see a growth spurt that might help all business entities across the spectrum to perform better.

(vii) Risks and Concerns:

Your company's activities which are essentially in the capital market segments and the risk perception of our activity could be discerned as under:

Market Risk: Your company's major investments are mostly in capital market instruments like shares, mutual funds and bonds and any volatility could erode the capital value of the investments. No doubt, your company would keep a close vigil on movement of prices and take appropriate steps to minimize this risk.

Interest risk: The changes in interest rates by RBI and Banks could result in fluctuations in prices and consequently the income of various investments and borrowings by the company may vary. Your company has put in measures to hedge this risk but this cannot be eliminated totally.

Operation Risk: The stock market operations are fraught with certain risks associated with market judgments by operational executives and their decision making process based on certain perceptions prevailing at any given time and these could change suddenly resulting in unexpected adverse positions.

(viii) Internal Financial Control Systems and their Adequacy:

Your company has in place adequate internal control measures. There is continuous monitoring of all the activities and necessary creative measures are taken periodically to manage any unforeseen risk factors.

(ix) Human Resources:

Your company has adequate trained professionals to manage the affairs of the company in the most prudent manner.

(x) Details of significant changes in key financial ratios are given in **Annexure A to the Board Report.**

10. Subsidiaries:

Shriyam Broking Intermediary Limited, a wholly owned subsidiary of the company achieved a better result during the year thanks to increased activities in capital market segments. The net profit for the year was at about Rs.173 lakhs as against a modest sum of Rs.7 lakhs during the previous year. The current market scenario looks to augur well in the coming year and it will be our endeavor to ensure that our performance improves on a sustained basis.

Shriyam Realtors Private Limited a wholly owned subsidiary of Shriyam Broking Intermediary Limited was incorporated on 15th December 2016. However the company had very nominal transactions so far in view of the sluggish health of real estate market.

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

The Members of **Shardul Securities Limited**

1. We have examined the compliance of conditions of Corporate Governance by Shardul Securities Limited (the 'Company'), for the year ended March 31, 2021, as per the relevant provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

Managements' Responsibility

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in SEBI Listing Regulations.

Auditors' Responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on our examination of the relevant records and according to the information and explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations.
8. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

SHARDUL SECURITIES LIMITED

**STANDALONE
IND AS FINANCIALS**

INDEPENDENT AUDITORS' REPORT**To the Members of Shardul Securities Limited**
Report on the audit of the Standalone Ind AS financial statements**Opinion**

1. We have audited the accompanying standalone Ind AS financial statements of **Shardul Securities Limited** ("the Company"), which comprise the balance sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in equity and the Statement of Cash Flows for the year then ended on that date, and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit, including other comprehensive income, changes in equity and its cash flows for the year the ended on that date.

Basis for opinion

3. We conducted our audit of the Standalone Ind AS Financial Statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial Statements.

Emphasis of Matters

4. We draw Attention to note 31 to the standalone Ind AS financial statements, which describe the uncertainty caused by Novel Corona virus (COVID-19). Our opinion is not modified in respect of this matter.

Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Ind AS Financial Statements and Auditors' Report Thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information report, but does not include the Standalone Ind AS financial statements and our auditor's report thereon.
7. Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.
9. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the standalone Ind AS Financial statements

10. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flow and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the

Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

11. In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
12. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' responsibilities for the audit of the Standalone Ind AS financial statements

13. Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.
14. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone Ind AS financial Statements made by the Management and Board of Directors.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
15. Materiality is the magnitude of misstatements in the standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.
16. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
17. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
18. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the

adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

19. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
20. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, statement of changes in equity and the statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Section 197 (16) of the act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as at year end on its financial position in its standalone Ind AS financial statements – Refer Note 45.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Referred to in paragraph 20 (f) of the Independent Auditors' Report of even date to the members of **Shardul Securities Limited** on the standalone financial statements for the year ended **March 31, 2021**

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013('the Act').

1. We have audited the internal financial controls over financial reporting of **Shardul Securities Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk

that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that
- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
 - c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and accordingly to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 2 - Significant Accounting Policies

The principal accounting policies applied in the preparation of these Standalone Ind AS financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(A) Basis of preparation of Standalone Financial Statements:**(i) Compliance with Ind AS**

- 1) The Standalone Ind AS financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the 'Act') [Companies (Indian Accounting Standards) Rules, 2015 (as amended)] and other relevant provisions of the Act.
- 2) under Ind AS. Explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows has been given under notes to Standalone Ind AS financial statements.
- 3) These standalone financial statements are presented in 'Indian Rupees', which is also the Company's functional currency and all amounts, are rounded to the nearest Rupees in Lakh, unless otherwise stated.
- 4) The standalone financial statements have been prepared in accordance with the requirements of the information and disclosures mandated by Schedule III to the Act, applicable Ind AS, other applicable pronouncements and regulations and Master Direction - Non-Banking Financial Company – Non-Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016 issued by RBI.
- 5) The standalone Ind AS financial statements have been prepared on a going concern basis.

(ii) Historical cost convention

The Standalone Ind AS financial statements have been prepared on a historical cost basis, except for the following:

- 1) Certain financial assets and liabilities (including derivatives instruments) are measured at fair value.
- 2) Defined benefit plans – plan assets measured at fair value.

(B) Investment in subsidiaries, associates and joint ventures

Investments in subsidiary companies, associate companies and joint venture company are carried at cost and fair value (deemed cost) as per Ind AS -101 and 109 less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary companies, associate company and joint venture company, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

When the Company ceases to control the investment in subsidiary or associate the said investment is carried at fair value through profit and loss in accordance with Ind AS 109 "Financial Instruments".

(C) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

Notes on Standalone Ind AS Financial Statements for the year ended 31st March, 2021**(D) Financial instruments**

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset.

At initial recognition, the Company measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through statement of profit and loss, transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset or financial liability, such as fees and commissions.

Transaction costs of financial assets and financial liabilities carried at fair value through profit or loss are expensed in profit or loss. Immediately after initial recognition, an expected credit loss allowance (ECL) is recognised for financial assets measured at amortised cost and investments in debt instruments measured at fair value through statement of profit and loss, which results in an accounting loss being recognised in statement of profit and loss.

When the fair value of financial assets and liabilities differs from the transaction price on initial recognition, the entity recognizes the difference as follows:

- 1) When the fair value is evidenced by a quoted price in an active market for an identical asset or liability (i.e. a Level 1 input) or based on a valuation technique that uses only data from observable markets, the difference is recognised as a gain or loss.
- 2) In all other cases, the difference is deferred and the timing of recognition of deferred day one profit or loss is determined individually. It is either amortised over the life of the instrument, deferred until the instrument's fair value can be determined using market observable inputs, or realised through settlement.

When the Company revises the estimates of future cash flows, the carrying amount of the respective financial assets or financial liability is adjusted to reflect the new estimate discounted using the original effective interest rate. Any changes are recognised in statement of profit and loss.

(E) Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

1) Classification and subsequent measurement

- a The Company has applied Ind AS 109 and classifies its financial assets in the following measurement categories:

- Fair value through profit or loss (FVPL);
- Fair value through other comprehensive income (FVOCI); or
- Amortised cost.

- b **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in Statement of Profit and Loss in the period in which it arises, unless it arises from debt instruments that were designated at fair value or which are not held for trading. Interest income from these financial assets is included in 'Interest income' using the effective interest rate method.

- c **Fair value through other comprehensive income:** Financial assets that are held for collection of contractual cash flows and for selling the assets, where the assets' cash flows represent solely payments of principal and interest, and that are not designated at FVPL, are measured at fair value through other comprehensive income. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses on the instrument's amortised cost which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss. Interest income from these financial assets is included in 'Interest income' using the effective interest rate method.

- d **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest ('SPPI'), and that are not designated at FVPL, are measured at amortised cost. The carrying amount of these assets is adjusted by any expected credit loss allowance recognised and measured. Interest income from these financial assets is recognised using the effective interest rate method.

Notes on Standalone Ind AS Financial Statements for the year ended 31st March, 2021

- e Fair value option for financial assets:** The Company may also irrevocably designate financial assets at fair value through profit or loss if doing so significantly reduces or eliminates an accounting mismatch created by assets and liabilities being measured on different bases.

f Interest income

Interest income is calculated by applying the effective interest rate to the gross carrying amount of financial assets, except for:

a) Purchased or originated credit impaired (POCI) financial assets, for which the original credit-adjusted effective interest rate is applied to the amortised cost of the financial asset.

b) Financial assets that are not 'POCI' but have subsequently become credit-impaired (or 'stage 3'), for which interest revenue is calculated by applying the effective interest rate to their amortised cost (i.e. net of the expected credit loss provision).

The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of a financial asset (i.e. its amortised cost before any impairment allowance) or to the amortised cost of a financial liability. The calculation does not consider expected credit losses and includes transaction costs, premiums or discounts and fees and points paid or received that are integral to the effective interest rate, such as origination fees. For FVOCI financial assets – assets that are credit-impaired at initial recognition – the Company calculates the credit-adjusted effective interest rate, which is calculated based on the amortised cost of the financial asset instead of its gross carrying amount and incorporates the impact of expected credit losses in estimated future cash flows.

g Equity instruments

- i) Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.
- ii) The Company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment.
- iii) Changes in the fair value of financial assets at fair value through profit or loss are recognised in net gain/loss on fair value changes in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.
- iv) Gains and losses on equity investments at FVPL are included in the statement of profit and loss.
- v) Equity instruments at FVOCI are not subject to an impairment assessment.

2) Impairment

The Company assesses on a forward looking basis the expected credit losses (ECL) associated with its debt instruments carried at amortised cost and with the exposure arising from loan commitments and financial guarantee contracts. The Company recognizes a loss allowance for such losses at each reporting date.

The measurement of ECL reflects:

- An unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The measurement of the ECL allowance is an area that requires the use of complex models and significant assumptions about future economic conditions and credit behavior (e.g. the likelihood of customers defaulting and the resulting losses).

3) Write-off policy

The Company writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include (i) ceasing enforcement activity and (ii) where the Company's recovery method is foreclosing on collateral and the value of the collateral is such that there is no reasonable expectation of recovering in full.

Notes on Standalone Ind AS Financial Statements for the year ended 31st March, 2021**4) Derecognition other than on a modification**

Financial assets, or a portion thereof, are derecognised when the contractual rights to receive the cash flows from the assets have expired, or when they have been transferred and either (i) the Company transfers substantially all the risks and rewards of ownership, or (ii) the Company neither transfers nor retains substantially all the risks and rewards of ownership and the Company has not retained control. The Company directly reduces the gross carrying amount of a financial asset when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof.

- 5) Loans:** Advances are classified into performing advances and non-performing advances ('NPAs') as per the RBI guidelines and are stated net of specific provision made towards NPAs. Further, NPAs are classified into substandard, doubtful and loss assets based on the criteria stipulated by the RBI. Provisions for NPAs are made at rates as prescribed by the RBI.

(F) Financial liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings.

1) Classification and subsequent measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

2) Derecognition

Financial liabilities are derecognised when they are extinguished i.e. when the obligation specified in the contract is discharged, cancelled or expires).

3) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(G) Financial guarantee obligation

- 1) Financial guarantee obligation are obligation that require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due, in accordance with the terms of a debt instrument. Such financial guarantees are given to banks, financial institutions and others on behalf of customers to secure loans, overdrafts and other banking facilities.
- 2) For financial guarantee obligation, the loss allowance is recognised as a provision, if any.

(H) Repossessed collateral

Repossession collateral represents financial and non-financial assets acquired by the Company in settlement of overdue loans. The assets are initially recognised at book value when acquired and included in premises and equipment, other financial assets, investment properties or inventories within other assets depending on their nature and the Company's intention in respect of recovery of these assets, and are subsequently remeasured and accounted for in accordance with the accounting policies for these categories of assets.

(I) Derivatives and hedging activities

- 1) Derivatives are initially recognised at fair value on the date on which the derivative contract is entered into and are subsequently remeasured at fair value. All derivatives are carried as assets when fair value is positive and as liabilities when fair value is negative.
- 2) The method of recognising the resulting fair value gain or loss depends on whether the derivative is designated and qualifies as a hedging instrument, and if so, the nature of the item being hedged.

Derivatives that are not designated as hedges

The Company may enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through profit or loss and are included in statement of profit and loss.

Notes on Standalone Ind AS Financial Statements for the year ended 31st March, 2021**(J) Revenue Recognition**

- 1) Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Company satisfies a performance obligation by transferring a promised good or service to a customer.
- 2) When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.
 - i) **Interest income**
Interest income is recognised using the effective interest rate.
 - ii) **Dividend income**
Dividend income is recognised when the right to receive payment is established.
 - iii) **Income from investments**
Profit / (Loss) earned from sale of securities is recognised on trade date basis. The cost of securities is computed based on First in First out (FIFO) method.
 - iv) **Discount on investments**
The difference between the acquisition cost and face value of debt instruments is recognised as interest income over the tenor of the instrument on straight-line basis.
 - v) **Redemption premium on investments**
Redemption premium on investments is recognised as income over the tenor of the investment.
 - vi) **Management fee income and/or Advisory Fees and Services**
Management fee income towards support services and/or income from Advisory Fees and Services is accounted as and when services are rendered and it becomes due on contractual terms with the parties.
 - vii) **Rental income**
Lease rental income is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term.

(K) Income Tax**i) Current Taxes**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

ii) Deferred Taxes

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets, if any, are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Notes on Standalone Ind AS Financial Statements for the year ended 31st March, 2021**(L) Leases****i) As a Lessor**

Leases for which the Company is a lessor is classified as finance lease or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the lease contract is classified as finance lease. All other leases is classified as operating lease.

For Operating Lease, lease rentals are recognised on a straight line basis over the term of lease.

ii) Transition

Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the retrospective with cumulative effect method of initially applying the standard recognized at the date of initial application without any adjustment to opening balance of retained earnings. The Company did not have any material impact on the standalone financial statements on application of the above standard.

(M) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

(N) Property, Plant & Equipment

The Company had applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 01, 2018 as deemed cost under Ind As. Hence, regarded thereafter as historical cost.

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.

The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the asset to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the item and restoring the site on which it is located.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives & residual value

Depreciation is provided on a pro-rata basis for all tangible assets on straight line method over the useful life of assets as prescribed in Schedule II to the Companies Act, 2013 to allocate their cost, net of their residual values, over their estimated useful lives as follows:

The estimated useful lives for the different types of assets are :

- (i) Furniture and Fixtures - 10 years
- (ii) Office equipments - 5 years
- (iii) Computers - 3 years
- (iv) Vehicles - 8 years
- (v) Buildings - 60 years

The Company provides pro-rata depreciation from the day the asset is put to use and for any asset sold, till the date of sale. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognised in the statement of profit and loss.

Notes on Standalone Ind AS Financial Statements for the year ended 31st March, 2021**(O) Intangible assets**

The Company had applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 01, 2018 as deemed cost under Ind As. Hence, regarded thereafter as historical cost.

Intangible assets are recognised where it is probable that the future economic benefit attributable to the assets will flow to the Company and its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortisation.

Intangible Assets are amortised on straight-line basis over the useful life of the asset up to a maximum of 5 years commencing from the month in which such asset is first installed.

The Company provides pro-rata amortization from the day the asset is put to use and for any asset sold, till the date of sale.

(P) Investment properties

The Company had applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 01, 2018 as deemed cost under Ind As. Hence, regarded thereafter as historical cost.

An investment property is accounted for in accordance with cost model. The cost of any shares in a co-operative society or a company, the holding of which is directly related to the right to hold the investment property, is added to the carrying amount of the investment property.

Depreciation on investment property is provided in accordance with the provisions of Schedule II of the Companies Act, 2013. Tangible assets are depreciated on straight line basis method over the useful life of assets, as prescribed in Part C of Schedule II of the Companies Act, 2013.

(Q) Borrowing costs

Borrowing costs, which are directly attributable to the acquisition / construction of property plant and equipment, till the time such assets are ready for intended use, are capitalised as part of the cost of the assets. Other borrowing costs are recognised as an expense in the year in which they are incurred. Brokerage costs directly attributable to a borrowing are expensed over the tenure of the borrowing.

(R) Impairment of non-financial assets

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

(S) Provisions, contingent liabilities and contingent assets

The Company creates a provision when there is a present obligation as a result of past events and it is probable that there will be outflow of resources and a reliable estimate of the obligation can be made of the amount of the obligation. Contingent liabilities are not recognised but are disclosed in the notes to the Standalone Ind AS financial statements. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised nor disclosed in the Standalone Ind AS financial statements.

(T) Foreign currency translation

The Company's financial statements are presented in Indian Rupee, which is also the Company's functional currency.

Initial recognition: Transactions denominated in foreign currencies are recorded at the exchange rate prevailing at the time of the transaction.

Conversion: Monetary assets and liabilities denominated in foreign currencies at the year end are restated at year end rates.

Exchange differences: All exchange differences are accounted in the Statement of Profit and Loss.

Notes on Standalone Ind AS Financial Statements for the year ended 31st March, 2021**(U) Employee benefits****1) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

2) Post-employment obligations**i) Defined benefit plans****Gratuity:**

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Accrued Benefit Method (same as Projected Unit Credit Method), which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the balance sheet date.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

ii) Defined contribution plans**Provident fund:**

Company's contributions to the recognised provident fund, which is a defined contribution scheme, are charged to the Statement of Profit and Loss.

(V) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

(W) Earnings per share**1) Basic earnings per share**

Basic earnings per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus element in equity shares issued during the year, if any.

2) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(X) Rounding of Amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh upto two decimal points as per the requirements of Schedule III, unless otherwise stated.

Notes on Standalone Ind AS Financial Statements for the year ended 31st March, 2021**(Y) Critical estimates and judgments**

The Company makes estimates and assumptions that affect the amounts recognised in the Standalone Ind AS financial statements, and the carrying amounts of assets and liabilities within the next financial year. Estimates and judgments are continually evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Management also makes certain judgments, apart from those involving estimations, in the process of applying the accounting policies. Judgments that have the most significant effect on the amounts recognised in the Standalone Ind AS financial statements and estimates that can cause a significant adjustment to the carrying amount of assets and liabilities within the next financial year include the following:

1) Estimation of fair value of unlisted investments

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period. For details of the key assumptions used and the impact of changes to these assumptions.

2) Current tax

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. For the purpose of preparing Income Tax working, the Company has opted for the new taxation rates u/s 115BAA of the Income Tax Act, 1961.

3) Estimation of fair value of investments property

The Company has carried out the valuation activity to assess fair value of its Investment in land and property. Accordingly, fair value estimates for investment in land and property is classified as level 3.

The Company has obtained a Valuation Report from valuer to assess fair value of its Investment of property.

Nature and purpose of reserve:
a) Capital Reserve

Capital Reserves are mainly the reserves created during business combination for the gain on bargain purchase.

b) Securities Premium

Securities premium reserve is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

c) General Reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit or loss.

d) Statutory Reserve Fund (As per RBI Guidelines)

Statutory reserve fund is created pursuant to section 45-IC of the Reserve Bank of India Act, 1934 for NBFC Companies.

e) Other Comprehensive Income (OCI)

FVOCI equity investments: The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

Other Comprehensive Income also represents actuarial gains / (losses) arising on recognition of defined benefit plans.

f) Retained Earnings

Retained earnings represents the surplus/(deficit) in profit and loss account and appropriations.

(B) Defined Benefit Plans:
Gratuity:

The employees' gratuity fund scheme managed by LIC (insurer) is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Accrued Benefit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The following tables summarise the components of net benefit expense recognised in the statement of profit and loss and the funded status and amounts recognised in the balance sheet for the respective plans:

VIII. Sensitivity analysis:

The sensitivity of the defined benefit obligation to changes in the weighted principal assumption is:

(Rs. In Lakh)

Particulars	Change in assumption		Impact on defined benefit obligation			
			Increase in assumption		Decrease in assumption	
	As at 31st March, 2021	As at 31st March, 2020	As at 31st March, 2021	As at 31st March, 2020	As at 31st March, 2021	As at 31st March, 2020
Discount Rate	1%	1%	1.07	0.92	1.18	1.11
Salary growth rate	1%	1%	1.18	1.11	1.07	0.92
Withdrawal Rate	50%	50%	1.12	1.01	1.12	1.00
Mortality Rate	10%	10%	1.12	1.01	1.12	1.01

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined obligation calculated with the projected unit credit method at the end of reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

Note 36 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

1) Fair value hierarchy:

The Company determines fair value of its financial instruments according to following hierarchy:

- Level 1:** Category includes financial assets and liabilities that are measured in whole or significant part by reference to published quotes in an active market.
- Level 2:** Category includes financial assets and liabilities that are measured using a valuation technique based on assumptions that are supported by prices from observable current market transactions.
- Category includes financial assets and liabilities that are measured using valuation techniques based on nonmarket observable inputs. This means that fair value are determined in whole or in part using a valuation model based on assumptions that are
- Level 3:** neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. The main asset classes in this category are unlisted equity investments as well as unlisted funds. Company has used discounted cash flow, comparable company analysis, net asset value method and valuation report of independent valuers where ever possible.

2) An explanation of each level follows underneath the table:

Accordingly, fair value hierarchy for these financial instruments have not been presented above.

Notes on Standalone Ind AS Financial Statements for the year ended 31st March, 2021**Note 37 Financial risk management**

Shardul Securities Limited ('the Company') is registered as Non-Banking Financial Company (NBFC) as defined under Section 45-IA of the Reserve Bank of India Act, 1934 (RBI). It's a Non-Systemically Important Non-Deposit taking NBFC Company.

The Company is exposed to market risk, credit risk, liquidity & interest rate risk and capital management risk. The Company's risk management function is carried out by the Risk Management Committee by evaluating financial risks and the appropriate governance framework for the Company. The Risk Management Committee provides assurance to the Board that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The major risks are summarised below:

Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company has quoted investments and investment in bullions which are exposed to fluctuations in stock prices. The company continuously monitors market exposure and, in appropriate cases, also uses various derivative instruments as a hedging mechanism to limit volatility. The unquoted redeemable non-convertible Preference Shares and unquoted investment in various funds are measured at fair value through profit or loss. The fair values of these investments are regularly monitored.

Credit risk management:

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Credit risk arises mainly from loans and advances, and loan commitments arising from such lending activities, but can also arise from credit enhancement provided, such as financial guarantees, letters of credit, endorsements and acceptances. The Company has very insignificant exposure to loans given or taken hence exposure to such risk is very negligible.

Credit risk is one of the major risk for the Company's business, management therefore carefully manages its exposure to credit risk. This risk is comprehensively addressed both at the strategic level and at the client level. There is a framework with risk oversight being provided by the Risk Management. During the year the Company has adopted the Ind AS while identifying and providing for the Expected Credit Losses (ECL). Regular portfolio risk analysis is done various financial and policy parameters for making required changes in the credit policy as a proactive approach to risk management. The assessment of credit risk of a portfolio of assets entails further estimations as to the likelihood of defaults occurring, of the associated loss ratios and of default correlations. The Company measures credit risk using Probability of Default (PD), Exposure at Default (EAD) and Loss Given Default (LGD). This is similar to the approach used for the purposes of measuring Expected Credit Loss (ECL) under Ind AS 109.

Liquidity and Interest Rate Risk:

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. While interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to liquidity or interest rate risk, however the Management is continuously evaluating the risks, if any.

The Company is exposed to liquidity risk principally, as a result of lending and investment for periods which may differ from those of its funding sources. Treasury teams actively manage asset liability positions in compliance with the ALM policy of the company laid down in accordance overall guidelines issued by RBI in the Asset Liability Management (ALM) framework.

The Company may be impacted by volatility in interest rates in India which could cause its margins to decline and profitability to shrink. It is exposed to interest rate risk, both as a result of lending at fixed interest rates and for reset periods which may differ from those of its funding sources. The Company seeks to match its interest rate positions of assets and liabilities to minimize interest rate risk. Further, an interest rate sensitivity gap report is prepared by classifying all rate sensitive assets and rate sensitive liabilities into various time period categories. The difference in the amount of rate sensitive assets and rate sensitive liabilities maturing or being re-priced in any time period category, gives an indication of the extent of exposure to the risk of potential changes in the margins on new or re-priced assets and liabilities. Interest rate risk is measured on a bi-annual basis and filed with regulator.

Currency Risk:

Exchange rate volatility imparts a new dimension to the risk profile of an NBFC's balance sheets having foreign assets or liabilities. The Company is not exposed to currency risk as it has no foreign assets or liabilities.

Capital Management Risk:

The Reserve Bank of India (RBI) sets and monitors capital adequacy requirements for the Company from time to time. As per regulations prescribed by Reserve Bank of India, the Company's minimum prescribed regulatory capital is holding Net Owned Funds of Rs. 200 Lakh. The Companies policies in respect of capital management and allocation are reviewed regularly by the Board of Directors and hence, increase in capital is planned well in advance to ensure adequate funding for its growth.

Notes on Standalone Ind AS Financial Statements for the year ended 31st March, 2021
Expected credit loss measurement:

Ind AS 109 outlines a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below. The objective of the impairment requirements is to recognise lifetime expected credit losses for all financial instruments for which there have been significant increases in credit risk since initial recognition - whether assessed on an individual or collective basis - considering all reasonable and supportable information, including that which is forward-looking.

A financial instrument that is not credit-impaired on initial recognition is classified in 'Stage 1' and has its credit risk continuously monitored by the Company.

If significant increases in credit risk ('SICR') since initial recognition is identified, the financial instrument is moved to 'Stage 2' but is not yet deemed to be credit-impaired.

If the financial instrument is credit-impaired, the financial instrument is then moved to 'Stage 3'. Financial instruments in Stage 1 have their ECL measured at an amount equal to 12 month ECLs. Instruments in Stages 2 or 3 have their ECL measured based on expected credit losses on a lifetime basis. Purchased or originated credit-impaired financial assets are those financial assets that are credit impaired on initial recognition. Their ECL is always measured on a lifetime basis (Stage 3).

The measurement of ECL is calculated using three main components: (i) Probability of Default (PD) (ii) Loss Given Default (LGD) and (iii) the Exposure At Default (EAD).

The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD. The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively. The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the balance sheet date to the default event together with any expected drawdowns of committed facilities. The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

i) Probability of default (PD) represents the likelihood of a borrower defaulting on its financial obligation, either over the next 12 months (12M PD), or over the remaining lifetime (Lifetime PD) of the obligation.

ii) Exposure At default (EAD) is the total amount of an asset the entity is exposed to at the time of default. EAD is defined based on the characteristics of the asset. EAD is dependent on the outstanding exposure of an asset, sanctioned amount of a loan and credit conversion factor for non-funded exposures.

iii) Loss given default (LGD) It is the part of an asset that is lost provided the asset default. The recovery rate is derived as a ratio of discounted value of recovery cash flows (incorporating the recovery time) to total exposure amount at the time of default. Recovery rate is calculated for each segment separately. Loss given default is computed as $(1 - \text{recovery rate})$ in percentage terms.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

i. Quantitative test: Accounts that are 30 calendar days or more past due move to Stage 2 automatically. Accounts that are 90 calendar days or more past due move to Stage 3 automatically.

ii. Qualitative test: Accounts that meet the portfolio's 'high risk' criteria and are subject to closer credit monitoring. High risk customers may not be in arrears but either through an event or an observed behavior exhibit credit distress.

iii. Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk.

Collateral and other credit enhancements:

The Company employs a range of policies and practices to mitigate credit risk. The most common of these is accepting collateral for funds advanced. The principal collateral types for loans and advances are:

i) Charges over business assets such as premises, inventory and accounts receivable; and

ii) Charges over financial instruments such as debt securities and equities.

Longer-term finance and lending to corporate entities are generally secured.

The Company's policies regarding obtaining collateral have not significantly changed during the reporting period and there has been no significant change in the overall quality of the collateral held by the Company since the prior period.

The Company closely monitors collateral held for financial assets considered to be credit-impaired, as it becomes more likely that the Company will take possession of collateral to mitigate potential credit losses. Financial assets that are credit-impaired and related collateral held in order to mitigate potential losses.

Write-off policy:

The Company writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include (i) ceasing enforcement activity and (ii) where the Company's recovery method is foreclosing on collateral and the value of the collateral is such that there is no reasonable expectation of recovering in full.

Note 41 Capital management:

The Company's objective is to maintain appropriate levels of capital to support its business strategy taking into account the regulatory, economic and commercial environment. The Company aims to maintain a strong capital base to support the risks inherent to its business and growth strategies. The Company endeavors to maintain a higher capital base than the mandated regulatory capital at all times. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

The Company's assessment of capital requirement is aligned to its planned growth which forms part of an annual operating plan which is approved by the Board and also a long range strategy. These growth plans are aligned to assessment of risks– which include credit, liquidity and interest rate.

The Company monitors its capital regularly, and hence, increase in capital is planned well in advance to ensure adequate funding for its growth.

SHARDUL SECURITIES LIMITED

CONSOLIDATED IND AS FINANCIALS

INDEPENDENT AUDITOR'S REPORT**To the Members of Shardul Securities Limited****Report on the Audit of the Consolidated Ind AS Financial Statements****Opinion**

1. We have audited the accompanying consolidated Ind AS financial statements of **Shardul Securities Limited** (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2021, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Cash Flows Statement and the consolidated statement of changes in equity for the year then ended, and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information prepared based on the relevant records. (hereinafter referred to as "the consolidated Ind AS financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, their consolidated profit including other comprehensive income, their consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statement.

Emphasis of Matters

4. We draw Attention to note 32 to the consolidated Ind AS financial statements, which describe the uncertainty caused by Novel Corona virus (COVID-19). Our opinion is not modified in respect of this matter.

Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

6. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.
7. Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

9. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance, including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows, of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are

reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

10. In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
11. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated Ind AS financial statements of which we are the independent auditors.
14. Materiality is the magnitude of misstatements in the consolidated Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated Ind AS financial statements.
15. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

18. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive income, Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, incorporated in India, none of the directors of the Group companies, incorporated in India is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A";
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Section 197 (16) of the act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V to the Act;

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the Ind AS consolidated financial position of the Group – Refer Note 46.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts as at March 31, 2021.
 - iii. There has been no delay in transferring amounts by the Holding Company and there were no amounts to be transferred by its subsidiaries to the Investor Education and Protection Fund during the year ended March 31, 2021.

Annexure A to Independent Auditors' Report

Referred to in paragraph 18(f) of the Independent Auditors' Report of even date to the members of **Shardul Securities Limited** on the consolidated financial statements for the year ended **March 31, 2021**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the Consolidated Ind AS financial statements of **Shardul Securities Limited** as of and for the year ended **March 31, 2021**, we have audited the internal financial controls over financial reporting of **Shardul Securities Limited** (hereinafter referred to as "the Holding Company") and its subsidiary companies (the Holding company and its subsidiary companies together referred to as "the Group"), which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding company, its subsidiary companies, , to whom reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls over financial reporting is applicable, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

5. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :
 - (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and Directors of the Company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

6. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

7. In our opinion, the Holding Company, its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021**Note 1 - Background**

Shardul Securities Limited ('the Parent Company') is registered as Non-Banking Financial Company (NBFC) as defined under Section 45-IA of the Reserve Bank of India Act, 1934 (RBI). It's a Non-Systemically Important Non-Deposit taking NBFC Company.

These consolidated financial statement of the Parent Company for the year ended March 31, 2021 were authorised for issue by the board of directors on June 29, 2021. Pursuant to the provision of the Companies Act, 2013 (the 'Act') the Central Government, Income tax authorities, Securities and Exchange Board of India, other statutory regulatory body.

The Parent Company is Public Limited Company listed on recognised stock exchange in India. The registered office of the Company is located at G-12, Tulsiani Chambers, Nariman Point, Mumbai - 400021.

The Parent Company together with its subsidiaries and its associates (hereinafter collectively referred as the 'Group') are engaged in Investment and Finance activities including Broking activities.

Note 2 - Significant Accounting Policies

The principal accounting policies applied in the preparation of these Consolidated Ind AS financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(A) Basis of preparation of Consolidated Financial Statements:**(i) Compliance with Ind AS**

- 1) The Consolidated Ind AS financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the 'Act') [Companies (Indian Accounting Standards) Rules, 2015 (as amended)] and other relevant provisions of the Act.
- 2) These Consolidated Ind AS financial statements are the first Consolidated Ind AS financial statements of the Group under Ind AS. Explanation of how the transition from previous GAAP to Ind AS has affected the Group's financial position, financial performance and cash flows has been given under notes to Consolidated Ind AS financial statements.
- 3) These consolidated Ind AS financial statements are presented in 'Indian Rupees', which is also the Parent Company's functional currency and all amounts, are rounded to the nearest Rupees in Lakh, unless otherwise stated.
- 4) The consolidated Ind AS financial statements have been prepared in accordance with the requirements of the information and disclosures mandated by Schedule III to the Act, applicable Ind AS, other applicable pronouncements and regulations.
- 5) The consolidated Ind AS financial statements have been prepared on a going concern basis.

(ii) Historical cost convention

The Consolidated Ind AS financial statements have been prepared on a historical cost basis, except for the following:

- 1) Certain financial assets and liabilities (including derivatives instruments) are measured at fair value.
- 2) Defined benefit plans – plan assets measured at fair value.

(B) Principles of consolidation and equity accounting**(i) Subsidiaries**

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group. The Group combines the financial statements of the Parent Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions within the Group are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit or loss, consolidated statement of changes in equity and balance sheet respectively.

(ii) Associates

Associates are all entities over which the Group has significant influence but not control or joint control.

This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting (see (iii) below), after initially being recognised at cost.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021**(iii) Equity method**

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit or loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

(iv) Changes in ownership interests

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

When the Group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is re-measured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to profit or loss.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognised in other comprehensive income are reclassified to profit or loss where appropriate.

(C) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

(D) Financial instruments

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset.

At initial recognition, the Group measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through statement of profit and loss, transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset or financial liability, such as fees and commissions.

Transaction costs of financial assets and financial liabilities carried at fair value through profit or loss are expensed in profit or loss. Immediately after initial recognition, an expected credit loss allowance (ECL) is recognised for financial assets measured at amortised cost and investments in debt instruments measured at fair value through statement of profit and loss, which results in an accounting loss being recognised in statement of profit and loss.

When the fair value of financial assets and liabilities differs from the transaction price on initial recognition, the entity recognizes the difference as follows:

- 1) When the fair value is evidenced by a quoted price in an active market for an identical asset or liability (i.e. a Level 1 input) or based on a valuation technique that uses only data from observable markets, the difference is recognised as a gain or loss.
- 2) In all other cases, the difference is deferred and the timing of recognition of deferred day one profit or loss is determined individually. It is either amortised over the life of the instrument, deferred until the instrument's fair value can be determined using market observable inputs, or realised through settlement.

When the Group revises the estimates of future cash flows, the carrying amount of the respective financial assets or financial liability is adjusted to reflect the new estimate discounted using the original effective interest rate. Any changes are recognised in statement of profit and loss.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021
(E) Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

1) Classification and subsequent measurement

a The Group has applied Ind AS 109 and classifies its financial assets in the following measurement categories:

- Fair value through profit or loss (FVPL);
- Fair value through other comprehensive income (FVOCI); or
- Amortised cost.

b Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in Statement of Profit and Loss in the period in which it arises, unless it arises from debt instruments that were designated at fair value or which are not held for trading. Interest income from these financial assets is included in 'Interest income' using the effective interest rate method.

c Fair value through other comprehensive income: Financial assets that are held for collection of contractual cash flows and for selling the assets, where the assets' cash flows represent solely payments of principal and interest, and that are not designated at FVPL, are measured at fair value through other comprehensive income. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses on the instrument's amortised cost which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss. Interest income from these financial assets is included in 'Interest income' using the effective interest rate method.

d Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest ('SPPI'), and that are not designated at FVPL, are measured at amortised cost. The carrying amount of these assets is adjusted by any expected credit loss allowance recognised and measured. Interest income from these financial assets is recognised using the effective interest rate method.

e Fair value option for financial assets: The Group may also irrevocably designate financial assets at fair value through profit or loss if doing so significantly reduces or eliminates an accounting mismatch created by assets and liabilities being measured on different bases.

f Interest income

Interest income is calculated by applying the effective interest rate to the gross carrying amount of financial assets, except for:

- a) Purchased or originated credit impaired (POCI) financial assets, for which the original credit-adjusted effective interest rate is applied to the amortised cost of the financial asset.
- b) Financial assets that are not 'POCI' but have subsequently become credit-impaired (or 'stage 3'), for which interest revenue is calculated by applying the effective interest rate to their amortised cost (i.e. net of the expected credit loss provision).

The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of a financial asset (i.e. its amortised cost before any impairment allowance) or to the amortised cost of a financial liability. The calculation does not consider expected credit losses and includes transaction costs, premiums or discounts and fees and points paid or received that are integral to the effective interest rate, such as origination fees. For FVOCI financial assets – assets that are credit-impaired at initial recognition – the Group calculates the credit-adjusted effective interest rate, which is calculated based on the amortised cost of the financial asset instead of its gross carrying amount and incorporates the impact of expected credit losses in estimated future cash flows.

g Equity instruments

- i) Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.
- ii) The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment.
- iii) Changes in the fair value of financial assets at fair value through profit or loss are recognised in net gain/loss on fair value changes in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.
- iv) Gains and losses on equity investments at FVPL are included in the statement of profit and loss.
- v) Equity instruments at FVOCI are not subject to an impairment assessment.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021**2) Impairment**

The Group assesses on a forward looking basis the expected credit losses (ECL) associated with its debt instruments carried at amortised cost and with the exposure arising from loan commitments and financial guarantee contracts. The Company recognizes a loss allowance for such losses at each reporting date.

The measurement of ECL reflects:

- An unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The measurement of the ECL allowance is an area that requires the use of complex models and significant assumptions about future economic conditions and credit behavior (e.g. the likelihood of customers defaulting and the resulting losses).

3) Write-off policy

The Group writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include (i) ceasing enforcement activity and (ii) where the Group's recovery method is foreclosing on collateral and the value of the collateral is such that there is no reasonable expectation of recovering in full.

4) Derecognition other than on a modification

Financial assets, or a portion thereof, are derecognised when the contractual rights to receive the cash flows from the assets have expired, or when they have been transferred and either (i) the Group transfers substantially all the risks and rewards of ownership, or (ii) the Group neither transfers nor retains substantially all the risks and rewards of ownership and the Group has not retained control. The Group directly reduces the gross carrying amount of a financial asset when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof.

5) Loans: Advances are classified into performing advances and non-performing advances ('NPAs') as per the RBI guidelines and are stated net of specific provision made towards NPAs. Further, NPAs are classified into substandard, doubtful and loss assets based on the criteria stipulated by the RBI. Provisions for NPAs are made at rates as prescribed by the RBI.

(F) Financial liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings.

1) Classification and subsequent measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

2) Derecognition

Financial liabilities are derecognised when they are extinguished i.e. when the obligation specified in the contract is discharged, cancelled or expires).

3) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Parent Company or the counterparty.

(G) Financial guarantee obligation

1) Financial guarantee obligation are obligation that require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due, in accordance with the terms of a debt instrument. Such financial guarantees are given to banks, financial institutions and others on behalf of customers to secure loans, overdrafts and other banking facilities.

2) For financial guarantee obligation, the loss allowance is recognised as a provision, if any.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021
(H) Repossessed collateral

Repossessed collateral represents financial and non-financial assets acquired by the Group in settlement of overdue loans. The assets are initially recognised at book value when acquired and included in premises and equipment, other financial assets, investment properties or inventories within other assets depending on their nature and the Group's intention in respect of recovery of these assets, and are subsequently remeasured and accounted for in accordance with the accounting policies for these categories of assets.

(I) Derivatives and hedging activities

- 1) Derivatives are initially recognised at fair value on the date on which the derivative contract is entered into and are subsequently remeasured at fair value. All derivatives are carried as assets when fair value is positive and as liabilities when fair value is negative.
- 2) The method of recognising the resulting fair value gain or loss depends on whether the derivative is designated and qualifies as a hedging instrument, and if so, the nature of the item being hedged.

Derivatives that are not designated as hedges

The Group may enter into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through profit or loss and are included in statement of profit and loss.

(J) Inventories - Stock-in-trade

Commodities acquired with the intention to trade are classified as stock-in-trade and is valued at lower of Cost or Market/Fair/Net Realisable value. The profit or loss on sale of commodities is recognized in the Statement of Profit and Loss.

(K) Revenue Recognition

- 1) Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Group satisfies a performance obligation by transferring a promised good or service to a customer. An asset is transferred when (or as) the customer obtains control of that asset.
- 2) When (or as) a performance obligation is satisfied, the Group recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.
 - i) **Interest income**
Interest income is recognised using the effective interest rate.
 - ii) **Dividend income**
Dividend income is recognised when the right to receive payment is established.
 - iii) **Income from investments**
Profit / (Loss) earned from sale of securities is recognised on trade date basis. The cost of securities is computed based on First in First out (FIFO) method.
 - iv) **Discount on investments**
The difference between the acquisition cost and face value of debt instruments is recognised as interest income over the tenor of the instrument on straight-line basis.
 - v) **Redemption premium on investments**
Redemption premium on investments is recognised as income over the tenor of the investment.
 - vi) **Management fee income and/or Advisory Fees and Services**
Management fee income towards support services and/or income from Advisory Fees and Services is accounted as and when services are rendered and it becomes due on contractual terms with the parties.
 - vii) **Rental income**
Lease rental income is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term.

(L) Income Tax
i) Current Taxes

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021
ii) Deferred Taxes

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets, if any, are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(M) Leases
i) As a Lessor

Leases for which the Group is a lessor is classified as finance lease or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the lease contract is classified as finance lease. All other leases is classified as operating lease.

For Operating Lease, lease rentals are recognised on a straight line basis over the term of lease.

ii) Transition

Effective April 1, 2019, the Group adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the retrospective with cumulative effect method of initially applying the standard recognized at the date of initial application without any adjustment to opening balance of retained earnings. The Group did not have any material impact on the standalone financial statements on application of the above standard.

(N) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

(O) Property, Plant & Equipment

The Group had applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 01, 2018 as deemed cost under Ind As. Hence, regarded thereafter as historical cost.

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.

The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the asset to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the item and restoring the site on which it is located.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021**Depreciation methods, estimated useful lives & residual value**

Depreciation is provided on a pro-rata basis for all tangible assets on straight line method over the useful life of assets as prescribed in Schedule II to the Companies Act, 2013 to allocate their cost, net of their residual values, over their estimated useful lives as follows:

The estimated useful lives for the different types of assets are :

- (i) Furniture and Fixtures - 10 years
- (ii) Office equipments - 5 years
- (iii) Computers - 3 years
- (iv) Vehicles - 8 years
- (v) Buildings - 60 years

The Group provides pro-rata depreciation from the day the asset is put to use and for any asset sold, till the date of sale. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognised in the statement of profit and loss.

(P) Intangible assets

Intangible assets are recognised where it is probable that the future economic benefit attributable to the assets will flow to the Group and its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortisation. In case of Stock Exchange Membership Card the subsidiary Company has recognised fair values as deemed cost on the date of transition to Ind AS.

Intangible Assets are amortised on straight-line basis over the useful life of the asset up to a maximum of 5 years commencing from the month in which such asset is first installed except In case of Stock Exchange Membership Card.

The Group provides pro-rata amortization from the day the asset is put to use and for any asset sold, till the date of sale. Stock Exchange Membership Card is not amortised.

Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all of its intangible assets recognised as at April 01, 2018 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

On transition to Ind AS, In case of Stock Exchange Membership Card the subsidiary Company has recognised fair values as deemed cost.

(Q) Investment properties

The Group had applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 01, 2018 as deemed cost under Ind As. Hence, regarded thereafter as historical cost.

An investment property is accounted for in accordance with cost model. The cost of any shares in a co-operative society or a company, the holding of which is directly related to the right to hold the investment property, is added to the carrying amount of the investment property.

Depreciation on investment property is provided in accordance with the provisions of Schedule II of the Companies Act, 2013. Tangible assets are depreciated on straight line basis method over the useful life of assets, as prescribed in Part C of Schedule II of the Companies Act, 2013.

(R) Borrowing costs

Borrowing costs, which are directly attributable to the acquisition / construction of property plant and equipment, till the time such assets are ready for intended use, are capitalised as part of the cost of the assets. Other borrowing costs are recognised as an expense in the year in which they are incurred. Brokerage costs directly attributable to a borrowing are expensed over the tenure of the borrowing.

(S) Impairment of non-financial assets

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021
(T) Provisions, contingent liabilities and contingent assets

The Group creates a provision when there is a present obligation as a result of past events and it is probable that there will be outflow of resources and a reliable estimate of the obligation can be made of the amount of the obligation. Contingent liabilities are not recognised but are disclosed in the notes to the Consolidated Ind AS financial statements. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised nor disclosed in the Consolidated Ind AS financial statements.

(U) Foreign currency translation

The Group's financial statements are presented in Indian Rupee, which is also the Parent Company's functional currency.

Initial recognition: Transactions denominated in foreign currencies are recorded at the exchange rate prevailing at the time of the transaction.

Conversion: Monetary assets and liabilities denominated in foreign currencies at the year end are restated at year end rates.

Exchange differences: All exchange differences are accounted in the Statement of Profit and Loss.

(V) Employee benefits
1) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

2) Post-employment obligations
i) Defined benefit plans
Gratuity

The Group's gratuity benefit scheme is a defined benefit plan. The Group's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Accrued Benefit Method (same as Projected Unit Credit Method), which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the balance sheet date.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

ii) Defined contribution plans
Provident fund

Group's contributions to the recognised provident fund, which is a defined contribution scheme, are charged to the Statement of Profit and Loss.

(W) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021**(X) Earnings per share****1) Basic earnings per share**

Basic earnings per share is calculated by dividing the profit attributable to owners of the Group by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus element in equity shares issued during the year, if any.

2) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(Y) Rounding of Amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh upto two decimal points as per the requirements of Schedule III, unless otherwise stated.

(Z) Critical estimates and judgments

The Company makes estimates and assumptions that affect the amounts recognised in the Standalone Ind AS financial statements, and the carrying amounts of assets and liabilities within the next financial year. Estimates and judgments are continually evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Management also makes certain judgments, apart from those involving estimations, in the process of applying the accounting policies. Judgments that have the most significant effect on the amounts recognised in the Standalone Ind AS financial statements and estimates that can cause a significant adjustment to the carrying amount of assets and liabilities within the next financial year include the following:

1) Estimation of fair value of unlisted investments

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Group uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period. For details of the key assumptions used and the impact of changes to these assumptions.

2) Current tax

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. For the purpose of preparing Income Tax working, the Group has opted for the new taxation rates u/s 115BAA of the Income Tax Act, 1961.

3) Estimation of fair value of investments property

The Group has carried out the valuation activity to assess fair value of its Investment in land and property. Accordingly, fair value estimates for investment in land and property is classified as level 3.

The Group has obtained a Valuation Report from valuer to assess fair value of its Investment of property.

4) Estimation of fair value of Stock Exchange Membership Card

The subsidiary Company has carried out the valuation activity to assess fair value of its Stock Exchange Membership Card. Accordingly, fair value estimates for Stock Exchange Membership Card is classified as level 3.

Nature and purpose of reserve:
a) Capital Reserve

Capital Reserves are mainly the reserves created during business combination for the gain on bargain purchase.

b) Securities Premium

Securities premium reserve is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

c) General Reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit or loss.

d) Statutory Reserve Fund (As per RBI Guidelines)

Statutory reserve fund is created pursuant to section 45-IC of the Reserve Bank of India Act, 1934 for NBFC Companies.

e) Other Comprehensive Income (OCI)

FVOCI equity investments: The Group has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Group transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

f) Retained Earnings

Retained earnings represents the surplus/(deficit) in profit and loss account and appropriations.

(B) Defined Benefit Plans:
Gratuity:

The employees' gratuity fund scheme managed by LIC (insurer) is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Accrued Benefit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The following tables summaries the components of net benefit expense recognised in the statement of profit and loss and the funded status and amounts recognised in the balance sheet for the respective plans:

VIII. Sensitivity analysis:

The sensitivity of the defined benefit obligation to changes in the weighted principal assumption is:

(Rs. In Lakh)

Particulars	Change in assumption		Impact on defined benefit obligation			
			Increase in assumption		Decrease in assumption	
	As at 31st March, 2021	As at 31st March, 2020	As at 31st March, 2021	As at 31st March, 2020	As at 31st March, 2021	As at 31st March, 2020
Discount Rate	1%	1%	2.10	1.89	2.39	2.26
Salary growth rate	1%	1%	2.39	2.26	2.09	1.89
Withdrawal Rate	50%	50%	2.23	2.06	2.22	2.05
Mortality Rate	10%	10%	2.23	2.06	2.23	2.06

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined obligation calculated with the projected unit credit method at the end of reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

Note 37 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

1) Fair value hierarchy:

The Group determines fair value of its financial instruments according to following hierarchy:

Level 1: Category includes financials assets and liabilities that are measured in whole or significant part by reference to published quotes in an active market.

Level 2: Category includes financials assets and liabilities that are measured using a valuation technique based on assumptions that are supported by prices from observable current market transactions.

Level 3: Category includes financials assets and liabilities that are measured using valuation techniques based on nonmarket observable inputs. This means that fair value are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. The main asset classes in this category are unlisted equity investments as well as unlisted funds. Group has used discounted cash flow, comparable company analysis, net asset value method and valuation report of independent valuers where ever possible.

2) An explanation of each level follows underneath the table:

Accordingly, fair value hierarchy for these financial instruments have not been presented above.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021**Note 38 Financial risk management**

The Group is exposed to market risk, credit risk, liquidity & interest rate risk and capital management risk. The Group's risk management function is carried out by the Risk Management Committee by evaluating financial risks and the appropriate governance framework for the Group. The Risk Management Committee provides assurance to the Board that the Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives. The major risks are summarised below:

Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The Group has quoted investments and investment in bullions which are exposed to fluctuations in stock prices. The Group continuously monitors market exposure and, in appropriate cases, also uses various derivative instruments as a hedging mechanism to limit volatility. The unquoted redeemable non-convertible Preference Shares and unquoted investment in various funds are measured at fair value through profit or loss. The fair values of these investments are regularly monitored.

Credit risk management:

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Credit risk arises mainly from loans and advances, and loan commitments arising from such lending activities, but can also arise from credit enhancement provided, such as financial guarantees, letters of credit, endorsements and acceptances. The Group has very insignificant exposure to loans given or taken hence exposure to such risk is very negligible.

Liquidity and Interest Rate Risk:

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. While interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group is not exposed to liquidity or interest rate risk, however the Management is continuously evaluating the risks, if any.

Currency Risk:

Exchange rate volatility imparts a new dimension to the risk profile of an NBFC's balance sheets having foreign assets or liabilities. The Group is not exposed to currency risk as it has no foreign assets or liabilities.

Capital Management Risk:

The Reserve Bank of India (RBI) sets and monitors capital adequacy requirements for the Parent Company from time to time. As per regulations prescribed by Reserve Bank of India, the Parent Company's minimum prescribed regulatory capital is holding Net Owned Funds of Rs. 200 Lakh. The Group's policies in respect of capital management and allocation are reviewed regularly by the Board of Directors and hence, increase in capital is planned well in advance to ensure adequate funding for its growth.

Notes on Consolidated Ind AS Financial Statements for the year ended 31st March, 2021**Expected credit loss measurement:**

Ind AS 109 outlines a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below. The objective of the impairment requirements is to recognise lifetime expected credit losses for all financial instruments for which there have been significant increases in credit risk since initial recognition - whether assessed on an individual or collective basis - considering all reasonable and supportable information, including that which is forward-looking.

A financial instrument that is not credit-impaired on initial recognition is classified in 'Stage 1' and has its credit risk continuously monitored by the Group.

If significant increases in credit risk ('SICR') since initial recognition is identified, the financial instrument is moved to 'Stage 2' but is not yet deemed to be credit-impaired.

If the financial instrument is credit-impaired, the financial instrument is then moved to 'Stage 3'. Financial instruments in Stage 1 have their ECL measured at an amount equal to 12 month ECLs. Instruments in Stages 2 or 3 have their ECL measured based on expected credit losses on a lifetime basis. Purchased or originated credit-impaired financial assets are those financial assets that are credit impaired on initial recognition. Their ECL is always measured on a lifetime basis (Stage 3).

The measurement of ECL is calculated using three main components: (i) Probability of Default (PD) (ii) Loss Given Default (LGD) and (iii) the Exposure At Default (EAD).

The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD. The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively. The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the balance sheet date to the default event together with any expected drawdowns of committed facilities. The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

i) Probability of default (PD) represents the likelihood of a borrower defaulting on its financial obligation, either over the next 12 months (12M PD), or over the remaining lifetime (Lifetime PD) of the obligation.

ii) Exposure At default (EAD) is the total amount of an asset the entity is exposed to at the time of default. EAD is defined based on the characteristics of the asset. EAD is dependent on the outstanding exposure of an asset, sanctioned amount of a loan and credit conversion factor for non-funded exposures.

iii) Loss given default (LGD) It is the part of an asset that is lost provided the asset default. The recovery rate is derived as a ratio of discounted value of recovery cash flows (incorporating the recovery time) to total exposure amount at the time of default. Recovery rate is calculated for each segment separately. Loss given default is computed as $(1 - \text{recovery rate})$ in percentage terms.

The Group assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

i. Quantitative test: Accounts that are 30 calendar days or more past due move to Stage 2 automatically. Accounts that are 90 calendar days or more past due move to Stage 3 automatically.

ii. Qualitative test: Accounts that meet the portfolio's 'high risk' criteria and are subject to closer credit monitoring. High risk customers may not be in arrears but either through an event or an observed behavior exhibit credit distress.

iii. Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk.

Collateral and other credit enhancements:

The Group employs a range of policies and practices to mitigate credit risk. The most common of these is accepting collateral for funds advanced. The principal collateral types for loans and advances are:

i) Charges over business assets such as premises, inventory and accounts receivable; and

ii) Charges over financial instruments such as debt securities and equities.

Longer-term finance and lending to corporate entities are generally secured.

The Group's policies regarding obtaining collateral have not significantly changed during the reporting period and there has been no significant change in the overall quality of the collateral held by the Group since the prior period.

The Group closely monitors collateral held for financial assets considered to be credit-impaired, as it becomes more likely that the Group will take possession of collateral to mitigate potential credit losses. Financial assets that are credit-impaired and related collateral held in order to mitigate potential losses.

Write-off policy:

The Group writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include (i) ceasing enforcement activity and (ii) where the Group's recovery method is foreclosing on collateral and the value of the collateral is such that there is no reasonable expectation of recovering in full.

Note 42 Capital management:

The Group's objective is to maintain appropriate levels of capital to support its business strategy taking into account the regulatory, economic and commercial environment. The Group aims to maintain a strong capital base to support the risks inherent to its business and growth strategies. The Group endeavors to maintain a higher capital base than the mandated regulatory capital at all times. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

The Group's assessment of capital requirement is aligned to its planned growth which forms part of an annual operating plan which is approved by the Board and also a long range strategy. These growth plans are aligned to assessment of risks— which include credit, liquidity and interest rate.

The Group monitors its capital regularly, and hence, increase in capital is planned well in advance to ensure adequate funding for its growth.

Note 43 The profit or loss on account of dealing errors such as incorrect punching of prices or client/ custodial codes is considered as business expenditure, it is the company's policy not to carry out any speculative activities.
