Pursuant to Section 148 of the Companies Act, 2013 and Rules 14 of the Companies (Audit and Auditors) Rules, 2014 the Board shall appoint a cost accountant in practice and fix the remuneration on the recommendations of the Audit Committee. The remuneration recommended by the Audit Committee shall be considered and approved by the Board of directors and ratified by the shareholders.

The Audit Committee at its meeting held on 30th May, 2018 has considered M/s. Y. R. Doshi, Cost accountants for conducting cost audit of the Company's textile manufacturing units at Silvassa and Surat on a remuneration of Rs.1,25,000/- plus taxes as applicable and reimbursement of actual out of pocket expenses incurred for the financial year ending 2019.

The remuneration payable to cost auditors for the financial year ending 31st March, 2019 has to be ratified by the members of the Company.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives is concerned or interested, in the resolution set out at item No. 6 of the Notice.

Item No. 7:

The Board of Directors has appointed Mr. Santanu Mukherjee as an Additional Independent Director of the Company on 30th May, 2018. Pursuant to Sec.161 of the Companies Act, 2013, Mr. Santanu Mukherjee continues as a Director upto the ensuing Annual General Meeting.

Mr. Santanu Mukherjee is B.Sc. Honors from Kolkatta and also CAIIB from Indian Institute of Bankers. He is an experienced banker with several years experience in State Bank of Hyderabad, State Bank of India and State Bank of Bikaner and Jaipur. During his tenure, Mr. Santanu Mukherjee worked in various capacities with the above banks. He was selected as India based Chief Executive Officer and worked in Paris. After several years of experience Mr. Santanu Mukherjee retired as Managing Director from State Bank of Hyderabad.

His vast experience in various capacities will be beneficial to the Company. The Directors, therefore recommend the resolution as stated in Item No. 7 of the Notice for approval of the members.

The Company has also received the deposit of Rs. 1 lac from one of the members of the Company proposing the name of Mr. Santanu Mukherjee. Mr. Santanu Mukherjee is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013. The Company has also received the consent from Mr. Santanu Mukherjee to act as Director of the Company.

The Company has received a declaration from Mr. Santanu Mukherjee stating that he meets with the criteria of independence as prescribed under Section 149(6) of the Companies Act, 2013

Mr. Santanu Mukherjee holds NIL Shares in the Company.

The Board recommends the Resolution at Item No. 7 of the Notice for approval of the Members.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives is concerned or interested, in the resolution set out at item No. 7 of the Notice.

Item No. 8:

Pursuant to Section 188 of the Companies Act, 2013 ("the Act"), read with Rule 15 of the Companies (Meeting of Board and its powers) Rules, 2014 the Company is required to obtain consent of the Board and prior approval of the members by resolution in case certain Related Party Transactions exceed such sum as is specified in the rules. The aforesaid provisions are not applicable in respect transactions entered into by the Company in the ordinary course of business on an arm's length basis.

However, pursuant to regulation 23(4) of SEBI LODR, 2015, approval of the shareholders through Ordinary Resolution is required for all 'material' related party transactions (RPT) even if they are entered into in the ordinary course of business on an arm's length basis. For this purpose, a RPT will be considered 'material' if the transaction / transactions to be entered into individually or taken together with previous transactions during a financial year exceed 10% of the annual turnover of the Company as per the last audited financial statements of the Company.

During the Financial year 2018-19, the RPT may exceed 10% of the total turnover of the Company with the following and other parties in which some of the Directors and their relatives interested:

Sr. No.	Name of Party

2	Mercury Industries
3	Neptune Fabs
4	Venus Textiles
5	GBTL Limited
6	OCM Private Limited
7	Temporary loan from Directors

Since some of the above transactions are not fixed for any particular term, it is not possible for the Company to ascribe an explicit monetary value to such transactions. However, approval of the Audit Committee and/or Board, wherever required, shall be obtained in terms of the provisions of the Companies Act, 2013 and Listing Regulations.

The approval of the shareholders is being sought by way of an ordinary resolution for the proposed material related party transactions.

The contracts/ arrangements /transactions with the above entities are necessary in the ordinary course and have a significant role in the Company's operations. Therefore, the Board of Directors commends the resolution as set out at item no. 8 for approval of shareholders as an Ordinary Resolution.

Except Mr. Vishwanth Agarwal, Mr. Rajendra Agarwal, Mr. Ajay Agarwal, none of the other directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, in the resolution set out at item No. 8 of the Notice.

Item No. 9

Shareholders are advised to send the unencashed dividend warrants to the Registered Office of the company for revalidation and encash them before the due date for transfer to the Central Government.

In terms of the provisions of section 125 of the Companies Act, 2013, the amount of dividend remaining unclaimed for a period of seven years is required to be transferred to Investor Education and Protection Fund and in compliance thereof the Company had transferred unclaimed dividend amount for the financial years upto 2009-2010 to the Investor Education and Protection Fund (IEPF) set up by the Central Government and now no claim in respect thereof lies either against the Company or the Fund.

As mandated by the provisions of Investor Education and Protection Fund (Uploading of information regarding unpaid and unclaimed amounts lying with the Company) Rules, 2013, the particulars of the shareholders whose dividend amounts have remained unpaid for the financial years 2010-11 onwards are made available on website of the Company i.e. www.donear.com. The said details are also available on the portal of Investor Education and Protection Fund at www.iepf.gov.in. Shareholders who have not encashed dividend warrants for the aforesaid period are requested to write to the Company/ RTA to claim unpaid amounts.

Attention of Members is invited to the provisions of Section 124(6) of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (IEPF rules) amended from time to time, which inter alia requires the Company to transfer the equity shares on which the dividend has remained unpaid or unclaimed for a continuous period of seven years, to the Demat account of the Investor Education and Protection Fund Authority. The said Shares, once transferred to the said Demat account of the IEPF Authority can be claimed only after following due procedure prescribed under the said IEPF rules.

In view of the above, the Company has transferred 8110 shares pertaining to 44 shareholders of the Company to the Demat Account of the IEPF Authority. The voting right on such unclaimed shares, which were transferred to the Demat Account of IEPF Authority shall remain frozen until the rightful owner claims the same.

Members are therefore requested to approach the Company's RTA to claim their unpaid shares and dividend if any.

Management Discussion and Analysis:

a) Industry structure & Development:

The domestic textile industry in India is projected to reach US\$ 230 billion by 2020 as per recent IBEF (India Brand Equity Foundation) report, from estimation US\$ 150 billion in July 2017. Rising per capita income, favorable demographics and a shift in preference to branded products are likely to boost demand. Exports have been a core feature of India's textile sector. Textile and apparel exports from India are expected to increase to US\$ 82 billion by 2021 from US\$ 37 billion in 2017. The Indian Textile Industry contributes to around 10% of industry output in value terms, 2% of India's GDP and to 15% of the country's export earnings. India is also the 2nd largest producer of man-made fibre and filament globally. India is the second largest supply country with a share of 11% after China, with a share of 39%. Over 25% of the US imports in this industry originate from India. Mitigating the repercussions of currency fluctuation remains a challenge.

The textile Industry, in general, had a negative impact due to the after effects of structural transformation that took place in the form of implementation of demonetization and GST. Consumer's preference to go in for e-commerce / on-line sales and reduction in export benefits have reduced margins, thus hindering the promotion of exports.

b) Opportunities & Threats:

China's slow investment in textiles and shift to high tech industries will have a positive impact on Indian exports in the coming years.

Further, USA's withdrawal from Trans-Pacific Partnership (TPP) and chances of termination of North American Free Trade Agreement (NAFTA) between USA – Canada – Mexico for free trade will increase their cost due to application of import duties amongst their countries. Consequently, Indian industry should have opportunity to promote its own exports.

The Indian government has come up with a number of export promotion policies for the textiles sector. It has also allowed 100 per cent FDI in the Indian textiles sector under the automatic route.

Initiative will be taken into consideration by Government of India.

- The Union Ministry of Textiles, Government of India, along with Energy Efficiency Services Ltd (EESL), has launched a technology upgradation scheme called SAATHI (Sustainable and Accelerated Adoption of Efficient Textile Technologies to Help Small Industries) for reviving the powerloom sector of India.
- The Gujarat government's decision to extend its textile policy by a year is set. It is believed to attract Rs 5,000 crore (US\$ 50 billion) of more investment in sectors across the value chain. The government estimates addition till now of a million units of spindle capacity in the spinning sector and setting up of over 1,000 units in technical textiles.
- The Textile Ministry of India earmarked Rs 690 crore (US\$ 106.58 million) for setting up 21 ready made garment manufacturing units in seven states for development and modernisation of Indian Textile Sector.

India Home Textile continues to remain under the pressure of oversupply situation from domestic suppliers and we believe it will take some time for the industry to come up to optimum capacity Utilisation levels.

c) Segmental Review and Analysis:

The financial performance of our Company has been fair even though market conditions in domestic as well as export markets were weak. Due to low demand and pressure on prices, the margins have been under pressure. Demand for cotton fabrics from ready-made garment manufacturers, converters doing job works and small traders have been going down because of the cash crunch which is still persisting in textile hubs including Bhiwandi. Unless the general market improves all over the country, including small towns, the situation will remain challenging.

With a strong distribution network that addresses robust fabric demand across Tier 2 cities to Tier 6 towns, the business has consistently launched new products keeping in with the customers' needs and preferences. In FY 2017-18, it witnessed strong growth driven primarily by recovery in wholesale channel post GST stabilisation and growth in institutional category.

While your Company is attuned to judicious capital allocation strategies and sustainable growth, your Company continues to work towards achieving cost efficiencies and provide its customers the best fabric products.

d) Risks and Concerns:

GST has led to reduction in import duties across the segments, leading to a serious threat of imports from China, Indonesia, Thailand and Bangladesh. Downward revision in duty drawback rates has added to the woes of the Indian Textile sector. The poor global retail sales and slow down of business in the domestic market, are matters of concern for the industry.

The Indian cotton textile industry is expected to showcase a stable growth in FY2017-18, supported by stable input prices, healthy capacity utilisation and steady domestic demand.

However there are several challenges ahead for the Textile industry for enhancing its competitive strength and global positioning in terms of inflexible labour laws poor infrastructure competition from low cost neighbouring countries which will have to be addressed to sustain the growth momentum of the industry.

e) Outlook:

We have taken various steps to offset the challenges in the competitive business scenario by focusing on direct sales to brands / retailers, introduction of new markets, penetration in Out to Out business module by offering niche products with sustainable finishes, and reduction in product and utility costs. The focus is on cost optimization, introduction of new markets and offering of new product development with special fiber, other than cotton, with sustainable finishes.

f) Discussion on Financial performance with respect to operational performance.

During the financial year 2017 - 2018, the company earned Total Revenue of Rs. 516.89 crores as compared to Rs. 506.83 Crores in 2016-17.

The Company has achieved net Profit of Rs. 13.24 Crores as against a net profit of Rs. 9.15 Crores in the previous year. The growth in net profit is almost 50% as against the last year. The overall performance was good.

g) Human Resource Management

The Company has employee friendly HR policies and attracts the best talent in the Industry. The attrition rates are quite low. The Company's policy of providing on the job training has been instrumental in developing a good work force for the Company.

Corporate Governance Report:

As per Regulation 34(3) read with Schedule V of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, a separate section on Corporate Governance practice followed by the Company, together with a certificate from the Company's Auditors confirming compliance forms an integral part of this Report.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of **DONEAR INDUSTRIES LIMITED**

Report on the Indian Accounting Standards (Ind AS) Financial Statements

We have audited the accompanying Ind AS financial statements of **DONEAR INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2018 and the Statement of Profit and Loss (including other comprehensive income) and the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS financial statements").

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) as at March 31, 2018 and its total comprehensive income (comprising of profit and other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Other Matter

The Comparative financial information of the Company for the year ended 31st March, 2017 and the transition date opening balance sheet as at 1st April, 2016 included in these Ind AS financial statements, are based on the previously issued financial statements for the year ended 31st March, 2017 and 31st March, 2016 prepared in accordance with the Companies (Accounting Standard) Rules, 2006 audited by the predecessor auditor whose report for the year ended 31st March, 2016 and 31st March, 2017 dated 30th May, 2017 and dated 30th May, 2016 respectively expressed an unmodified opinion on those financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Ind AS financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Ind AS financial statements have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account maintained for the purpose of preparation of the Ind AS financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1 of 'Report on other Legal and Regulatory Requirements' in our Report of even date on the accounts of **DONEAR INDUSTRIES LIMITED** for the year ended 31st March, 2018.

On the basis of the records produced to us for our verification / perusal, such checks as we considered appropriate, and in terms of information and explanation given to us on our enquiries, we state that:

- (i) (a) The company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets of the Company are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and discrepancies noticed between the book records and the physical inventories were not material and have been properly dealt with in the accounts.
- (c) According to information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) During the year, the inventories have been physically verified by the management. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on physical verification of inventories as compared to the book records were not material and have been properly dealt with in the books of account.
- (iii) The Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 during the year. Accordingly, clause 3 (iii) of the Order is not applicable to the Company.
- (iv) The Company has not granted any loans, has not made investments, and has not provided any guarantees and security to directors or to any other parties during the year. Accordingly, clause 3 (iv) of the Order is not applicable to the Company.
- (v) The company has not accepted any deposits from the public during the year covered by the audit. Accordingly, clause 3 (v) of the Order is not applicable to the Company.
- (vi) The Central Government has prescribed maintenance of cost records for the company under sub section (1) of section 148 of the Companies Act, 2013 and such accounts have been made and maintained by the company. However, no detailed examinations of such records and accounts have been carried out by us.
- (vii) (a) According to the records of the Company, the Company is regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Excise Duty, Customs Duty, Value Added Tax, Cess, Goods and Services Tax (GST) w.e.f. July 01, 2017 and other statutory dues applicable to it with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.
- (b) According to the records of the Company, there are no dues of Income Tax, Sales Tax, Value Added Tax, Service Tax and Customs Duty which have not been deposited on account of any dispute.

The disputed amounts that have not been deposited in respect of Excise Duty are as under:

Name of Statute	Nature of Dues	Financial Year	Amount (Rs.)	Forum where dispute is pending
Central Excise Act, 1944	Dues of Excise Duty	2008-09	4.17 lakhs	Commissioner, Central Excise, Customs & Service Tax, Surat (Appeal)

- (viii) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of dues to banks during the year. The Company has not taken any loan or borrowing from government, financial institutions and has not issued debentures during the year.
- (ix) On the basis of our examination of the documents and records and according to the information and explanations given to us, we are of the opinion that term loans have been applied for the purposes for which they were obtained. The company has not raised moneys by way of Initial Public Offer or further public offer (including debt instruments) during the year.
- (x) Based upon the audit procedures performed and information and explanations given by the management, we report that no fraud by the Company or no fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of Sec 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion and according to the information and explanations given to us, the nature of activities of the Company does not attract any special statute applicable to Nidhi Company. Accordingly, clause 3 (xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanation given to us, and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sec 177 and 188 of Companies Act, 2013 where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3 (xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, clause 3 (xv) of the Order is not applicable to the Company.
- (xvi) The company is not required to be registered under Sec 45-IA of the Reserve Bank of India Act, 1934. Accordingly clause 3 (xvi) of the Order is not applicable to the Company.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DONEAR INDUSTRIES LIMITED** ("the Company") as of March 31, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ii) Historical cost convention

The Company follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis. The financial statements are prepared under the historical cost convention, except for the following :

- (a) Certain financial assets and liabilities (Including Derivative Instruments) that are measured at fair value;
- (b) Defined benefit plans where plan assets are measured at fair value.

iii) Current and Non Current Classification.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle (Twelve Months) and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

(B) Use of estimates and judgements

"The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Continuous evaluation is done on the estimation and judgments based on historical experience and various other assumptions and factors, including expectations of future events that are believed to be reasonable under existing circumstances. Difference between actual results and estimate related to accounting estimates are recognised prospectively. "

The said estimates are based on facts and events, that exist as at reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

(C) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(I) Financial Assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss); and
- b) Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

- (a) For assets measured at fair value, gains and losses will either be recorded in Profit and Loss or Other comprehensive income.
- (b) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (c) For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus transaction costs that are directly attributable to the acquisition of the financial asset and in the case of a financial asset not at fair value then through Profit and Loss. Transaction costs of financial assets carried at fair value through Profit and Loss are expensed in Profit and Loss.

(a) Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

i) Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

ii) Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income or other expenses (as applicable). Interest income from these financial assets is included in other income using the effective interest rate method.

iii) Fair value through profit or loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through Profit and Loss. A gain or loss on a debt investment that is subsequently measured at fair value through Profit and Loss and is not part of a hedging relationship is recognised in Profit and Loss and presented net in the statement of Profit and Loss within other income or other expenses (as applicable) in the period in which it arises. Interest income from these financial assets is included in other income or other expenses, as applicable.

(b) Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has selected to present fair value gains and losses on equity investments in other comprehensive income and there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in Profit and Loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through Profit and Loss are recognised in other income or other expenses, as applicable in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

(iii) Impairment of financial assets

"The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime credit losses (ECL) to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed."

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(iv) De-recognition of financial assets

A financial asset is derecognised only when –

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(II) Financial Liabilities

(i) Measurement

Financial liabilities are initially recognised at fair value, reduced by transaction costs (in case of financial liability not at fair value through Profit and Loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortised cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit or loss.

(ii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of Profit and Loss.

(D) Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortization, where appropriate.

(E) Segment Report

- (i) The company identifies primary segment based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.
- (ii) The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

(F) Inventories Valuation

- (i) Raw materials (excluding Dyes and Chemicals), Components, Stores and Spares, Packing Materials are valued at lower of cost and net realisable value. Cost is determined on a weighted average cost basis.
- (ii) Cost of Dyes and Chemicals included in the cost of Raw Material are determined on first-in-first-out (FIFO) basis.
- (iii) Work-in-Progress and Finished Goods are valued at lower of cost and net realisable value. The cost are determined on estimated cost basis and valued on a weighted average basis.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

- (iv) Traded goods are valued at lower of cost and net realisable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.
- (v) Scrap is valued at net realisable value.
- (vi) Due allowances are made in respect of slow moving, non-moving and obsolete inventories based on estimate made by the Management.
- (vii) Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(G) Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits with banks, deposit held at call with financial institutions, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes outstanding bank overdraft shown within current liabilities in statement of financial balance sheet and which are considered as integral part of company's cash management policy.

(H) Income tax, deferred tax and dividend distribution tax

The Income tax expense or credit for the year is the tax payable on the current year's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current and deferred tax is recognised in the Profit and Loss except to the extent it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised in equity or other comprehensive income respectively.

(i) Current income tax

Current tax charge is based on taxable profit for the year. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current tax assets and tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

(ii) Deferred tax

Deferred tax is provided using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilised.

Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred income tax assets and liabilities are off-set against each other and the resultant net amount is presented in the Balance Sheet, if and only when, (a) the Company has a legally enforceable right to set-off the current income tax assets and liabilities, and (b) the deferred income tax assets and liabilities relate to income tax levied by the same taxation authority.

Minimum Alternate Tax credit is recognised as an deferred tax asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(iii) Dividend distribution tax :

Dividend distribution tax paid on the dividends is recognised consistently with the presentation of the transaction that creates the income tax consequence. Dividend distribution tax is charged to statement of profit and loss if the dividend itself is charged to statement of profit and loss. If the dividend is recognised in equity, the presentation of dividend distribution tax is recognised in equity.

(I) Property, plant and equipment :

On transition to Ind AS, The Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and used those carrying value as the deemed cost of the property, plant and equipment.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

- (i) Freehold land is carried at historical cost including expenditure that is directly attributable to the acquisition of the land.
- (ii) All other items of property, plant and equipment are stated at cost less accumulated depreciation. Cost includes expenditure that is directly attributable to the acquisition of the items.
- (iii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
- (iv) Cost of Capital Work in Progress ('CWIP') comprises amount paid towards acquisition of property, plant and equipment outstanding as of each balance sheet date and construction expenditures, other expenditures necessary for the purpose of preparing the CWIP for its intended use and borrowing cost incurred before the qualifying asset is ready for intended use. CWIP is not depreciated until such time as the relevant asset is completed and ready for its intended use.
- (v) Depreciation methods, estimated useful lives and residual value
 - a. Fixed assets are stated at cost less accumulated depreciation.
 - b. Depreciation is provided on a pro rata basis on the written down value method over the estimated useful lives of the assets which is as prescribed under Schedule II to the Companies Act, 2013. The depreciation charge for each period is recognised in the Statement of Profit and Loss, unless it is included in the carrying amount of any other asset. The useful life, residual value and the depreciation method are reviewed at least at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.
- (vi) Tangible assets which are not ready for their intended use on reporting date are carried as capital work-in-progress.
- (vii) The residual values are not more than 5% of the original cost of the asset.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other expenses or other income as applicable.

(J) Investment Property

Property that is held for long-term rental yields or for capital appreciation or both and which is not occupied by the Company, is classified by Investing property. Investment property is measured at cost including related transaction cost and where applicable borrowing cost. Investment properties are depreciated at the same rate applicable for class of asset under Property, Plant and Equipment.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its investment properties recognised as at April 01, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties.

(K) Intangible assets

On transition to Ind AS, The Company has elected to continue with the carrying value of all of its intangible assets recognised as at 1 April 2016 measured as per the previous GAAP and used those carrying value as the deemed cost of the intangible assets.

- (i) An intangible asset shall be recognised if, and only if: (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and (b) the cost of the asset can be measured reliably.
- (ii) Computer software is capitalised where it is expected to provide future enduring economic benefits. Capitalisation costs include licence fees and costs of implementation / system integration services. The costs are capitalised in the year in which the relevant software is implemented / ready for use. The same is amortised over a period of 5 years on straight-line method.

(L) Leases

(i) As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(ii) As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

(M) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade discount, rebates. The Company recognises revenue as under :

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

(I) Sales

(i) The Company recognizes revenue from sale of goods & services when:

- (a) The significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, which coincides with the delivery of goods and with regard to services, when services are rendered.
- (b) The Company retains neither continuing managerial involvement to the degree usually associated with the ownership nor effective control over the goods sold.
- (c) The amount of revenue can be reliably measured.
- (d) It is probable that future economic benefits associated with the transaction will flow to the Company.
- (e) The cost incurred or to be incurred in respect of the transaction can be measured reliably.
- (f) The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

(II) Other Income

(i) Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

(ii) Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably.

(iii) Export Benefits

Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are fulfilled.

(N) Employee Benefit

(I) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(II) Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Profit and Loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(III) Post-employment obligations

The Company operates the following post-employment schemes:

(a) Defined benefit gratuity plan :

Gratuity, which is defined benefit, is accrued based on actuarial valuation working provided by Life Insurance Corporation of India (LIC) . The Company has opted for a Group Gratuity-cum-Life Assurance Scheme of the Life Insurance Corporation of India (LIC), and the contribution is charged to the Statement of Profit & Loss each year. The Company has funded the liability on account of leave benefits through LIC's Group Leave Encashment Assurance Scheme and the Contribution is charged to Statement of Profit and Loss.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan. The defined benefit obligation is calculated annually as provided by LIC. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

(b) Defined Contribution plan:

Contribution payable to recognised provident fund and superannuation scheme which is defined contribution scheme is charged to Statement of Profit & Loss. The company has no further obligation to the plan beyond its contribution.

(O) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. All the foreign exchange gains and losses are presented in the statement of Profit and Loss on a net basis within other expenses or other income as applicable.

(P) Borrowing Cost

- (i) Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.
- (ii) Borrowings are classified as current financial liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

(Q) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company; and
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(ii) Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares; and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(R) Impairment of Assets

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(S) Provisions, contingent liabilities and contingent assets

(i) Provisions:

"Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss. "

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

(ii) **Contingent liabilities:**

" A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements."

(iii) **Contingent Assets:** Contingent Assets are disclosed, where an inflow of economic benefits is probable.

(T) Investments

On transition to Ind AS, equity investments are measured at fair value, with value changes recognised in Other Comprehensive Income, except for those mutual fund for which the Company has elected to present the fair value changes in the Statement of Profit and Loss.

(U) Trade receivables

Trade receivables are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method, less provision for expected credit loss.

(V) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are recognised, initially at fair value, and subsequently measured at amortised cost using effective interest rate method.

(W) Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current

(X) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rupees Lacs (upto two decimals), unless otherwise stated as per the requirement of Schedule III (Division II).

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

52. FIRST TIME ADOPTION OF IND AS

The Company has adopted Ind AS with effect from 1st April 2017 with comparatives being restated. Accordingly the impact of transition has been provided in the Opening Reserves as at 1st April 2016. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

Explanation 1 - Exemptions and exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

(I) Ind AS Optional exemptions

Deemed Cost - Property, Plant and Equipment, Capital work-in-progress and Intangible Assets

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets. Accordingly, the Company has elected to measure all of its property, plant and equipment, Capital work-in-progress and intangible assets at their previous GAAP carrying values.

(II) Ind AS mandatory exemptions

(i) Estimates

An entity's estimates in accordance with Ind AS' at the date of transition to Ind AS shall be consistent with the estimates made for the same date in accordance with the previous GAAP (after adjustments to reflect any difference in accounting policies) unless there is an objective evidence that those estimates were in error.

(ii) Classification and measurement of financial assets (other than equity instruments)

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exists at the date of transition to Ind AS.

(iii) De-recognition of financial assets and financial liabilities

Ind AS 101 requires a first time adopter to apply the de-recognition provisions for Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows first time adopter to apply the derecognition requirements provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past Ind AS 101 retrospectively from the date of entity's choosing, transactions was obtained at the time of initially accounting for the transactions.

Note No.:

1 Property, Plant and Equipment and Investment Property

Under the previous GAAP, Investment Property, Land & Bulding amounting to Rs. 1301.72 lakhs as on March 17 (1st April 2016 - Rs. 1491.59 lakhs) was grouped under Property Plant and Equipment. Under Ind AS, the same is treated as Investment property under Ind AS 41 at carrying cost under previous GAAP. There is no impact on the total equity and profit.

2 Security Deposits (Received)

Under the previous GAAP, interest free lease & delearship security deposits (that are refundable in cash on completion of the respective term) are recorded at their transaction value. Under Ind AS, all financial liability are required to be recognised at fair value. Accordingly, the company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposits (taken) have been recognised as unearned income. Consequent to this change, the amount of security deposits decreased by Rs. 446.47 lakhs as at 31 March 2017 (1 April 2016 - Rs. 476.79 lakhs). The unearned income increased by Rs. 77.83 lakhs as at 31 March 2017 (1 April 2016 - Rs. 117.11 lakhs) Total equity increased by Rs. 368.65 lakhs as on 31 March 2017 (after set-off notional interest expenses of Rs. 211.26 lakhs and includes fair valuation impact of deposit amounting to Rs. 180.94 lakhs and related rent income of Rs. 39.29 lakhs) {1 April 2016 increased by Rs. 359.68 lakhs (After set-off notional interest expense of Rs. 259.20 lakhs and includes fair valuation impact of deposit amounting to Rs. 529.34 lakhs and related rent income of Rs. 89.54 lakhs)}.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018

3 Security Deposits (Paid)

Under the previous GAAP, interest free lease security deposits (that are refundable in cash on completion of the lease term) are recorded at their transaction value. Under Ind AS, all financial assets are required to be recognised at fair value. Accordingly, the company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposits have been recognised as prepaid rent. Consequent to this change, the amount of security deposits decreased by Rs. 11.68 lakhs as at 31 March 2017 (1 April 2016 Rs. 8.10 lakhs). The prepaid rent increased by Rs. 11.14 lakhs as at 31 March 2017 (1 April 2016 - Rs. 7.88 lakhs). Total equity decreased by Rs. 0.32 lakhs as on 31 March 2017 (After set-off notional interest income of Rs. 2.46 lakhs) { 1 April 2016 - Rs. 0.22 lakhs as on (After set-off notional interest income of Rs. 1.34 lakhs)}.

4 Mat Credit Entitlement

Under the previous GAAP, Mat Credit Entitlement was the grouped as Long term loans & advances. Under Ind AS, Mat Credit is an element of deferred tax being a tax credit under IND AS 12 (Income Tax). Hence the amount of Mat Credit regrouped with deferred tax liabilities (net) of Rs. 278.00 lakhs as at 31 March 2017 (1 April 2016 - Rs. 357.54 lakhs). There is no impact on the total equity and profit.

5 Trade Receivable

As per Ind AS 109, the company is required to apply expected credit loss model for recognising the allowance for doubtful debts. As a result, the allowance for doubtful debts increased by Rs. 454.66 lakhs as at 31 March 2017 (1 April 2016 - Rs. 182.17 lakhs). Consequently, the total equity as at 31 March 2017 decreased by Rs. 454.66 lakhs (1 April 2016 - Rs. 182.17 lakhs) and profit as at 31.03.2017 decreased by Rs. 272.49 lakhs (1 April 2016 - Rs. 182.17 lakhs)

6 Deferred Tax

Under previous GAAP, deferred taxes were recognised based on Profit & loss approach i.e. tax impact on difference between the accounting income and taxable income. under Ind AS, deferred tax is recognised by following balance sheet approach i.e. tax impact on temporary difference between the carrying value of assets and liabilities in the books and their respective tax base.

7 Revenue from operations

Under the previous GAAP, revenue from sale of products was presented exclusive of various type of discounts. Under Ind AS, revenue from sale of goods is presented net of expenses for scheme and discount. This change has resulted in an decrease in total revenue and total expenses for the year ended 31 March 2017 by Rs. 1887.59 lakhs. There is no impact on the total equity and profit.

8 Remeasurements of post-employment benefit obligations

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year. As a result of this change, the profit for the year ended 31 March 2017 decrease by Rs. 10.54 lakhs (1 April 2016 Rs. 7.32 lakhs). There is no impact on the total equity.

9 Proposed dividend

Under the previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events. Accordingly, provision for proposed dividend was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend (including dividend distribution tax Rs. 21.17 lakhs) of Rs. 125.17 lakhs as at 31 March 2016 included under provisions has been reversed with corresponding adjustment to retained earnings and same is adjusted in retain earning of next year of corresponding year

53. The previous year figures have been regrouped/reclassified, wherever necessary to conform to the current presentation as per the schedule III of Companies Act, 2013.
