Pursuant to Section 148 of the Companies Act, 2013 and Rules 14 of the Companies (Audit and Auditors) Rules, 2014, the Board shall appoint a cost accountant in practice and fix the remuneration on the recommendations of the Audit Committee. The remuneration recommended by the Audit Committee shall be considered and approved by the Board of directors and ratified by the shareholders.

The Board of Directors at its meeting held on 30<sup>th</sup> May, 2019 upon the recommendation of Audit Committee subject to approval of the members on the remuneration to be paid to the cost auditor, approved the appointment of M/s. Y. R. Doshi, Cost accountants, Mumbai for conducting cost audit of the Company's textile manufacturing units at Silvassa and Surat on a remuneration of Rs. 1,25,000/- (One Lakh Twenty Five Thousand only) plus reimbursement of actual out of pocket expenses incurred for the financial year ending 31<sup>st</sup> March, 2020.

The remuneration payable to cost auditors for the financial year ending 31<sup>st</sup> March, 2020 has to be ratified by the members of the Company.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives is concerned or interested, in the resolution set out at item No. 4 of the Notice.

**Item No. 5:**

Mr. Santkumar Agarwal (DIN: 00153607) was appointed as a Director on 22<sup>nd</sup> January, 2003. In terms of Section 149 and other applicable provisions of the Companies Act, 2013, members of the Company at the 28<sup>th</sup> Annual General Meeting held on 24<sup>th</sup> September, 2014 approved the appointment of Mr. Santkumar Agarwal as an Independent Director of the Company for a period of 5 years.

As per the provisions of Section 149 of the Companies Act, 2013, an Independent Director shall hold office for a term upto five consecutive years on the Board of a Company but shall be eligible for re-appointment, for another term of upto five years, on passing of a special resolution by shareholders.

The Company has received intimation in Form DIR-8 from Mr. Santkumar Agarwal (DIN: 00153607) that, he is not disqualified from being re-appointed as an Independent Director in terms of Section 164 of the Act, declaration that he meets with the criteria of independence as prescribed under Section 149 (6) of the Companies Act, 2013 & Regulation 16(1)(b) of SEBI Listing Regulations and his consent to continue as an Independent Director.

The resolution seeks the approval of members for the re-appointment of Mr. Santkumar Agarwal (DIN: 00153607) as an Independent Director of the Company commencing from 10<sup>th</sup> August, 2019 to 9<sup>th</sup> August, 2021 in terms of Section 149 and other applicable provisions of the Act and Rules made there under. He is not liable to retire by rotation.

In the opinion of the Board, Mr. Santkumar Agarwal fulfills the conditions for his re-appointment as an Independent Director as specified in the Act and the SEBI Listing Regulations and is independent of the management.

Based on the recommendations of the Nomination & Remuneration Committee and keeping in view the expertise of Mr. Santkumar Agarwal, the Board of Directors at its meeting held on 10<sup>th</sup> August, 2019 approved the continuance of office of Mr. Santkumar Agarwal as mentioned in the resolution.

None of the Directors or Key Managerial Personnel of the Company and / or their relatives except Mr. Santkumar Agarwal, to whom the resolution relates, is in any way, concerned or interested, financially or otherwise, in the resolution.

Board recommends the resolution set-forth in Item No. 5 for approval of the members, by way of Special Resolution.

## Item No. 6:

Pursuant to Section 188 of the Companies Act, 2013 ("the Act"), read with Rule 15 of the Companies (Meeting of Board and its powers) Rules, 2014 the Company is required to obtain consent of the Board and prior approval of the members by resolution in case certain Related Party Transactions exceed such sum as is specified in the rules. The aforesaid provisions are not applicable in respect transactions entered into by the Company in the ordinary course of business on an arm's length basis.

However, pursuant to regulation 23(4) of SEBI LODR, 2015, approval of the shareholders through Ordinary Resolution is required for all 'material' related party transactions (RPT) even if they are entered into in the ordinary course of business on an arm's length basis. For this purpose, a RPT will be considered 'material' if the transaction / transactions to be entered into individually or taken together with previous transactions during a financial year exceed 10% of the annual turnover of the Company as per the last audited financial statements of the Company.

During the Financial year 2018-19, the RPT may exceed 10% of the total turnover of the Company with the following and other parties in which some of the Directors and their relatives interested:

Sr. No.	Name of Party
1	Lotus Fabrics
2	Mercury Industries
3	Neptune Fabs
4	Venus Textiles
5	GBTL Limited
6	OCM Private Limited
7	R. AjayKumar Real Estate LLP

Since some of the above transactions are not fixed for any particular term, it is not possible for the Company to ascribe an explicit monetary value to such transactions. However, approval of the Audit Committee and/or Board, wherever required, shall be obtained in terms of the provisions of the Companies Act, 2013 and Listing Regulations.

The approval of the shareholders is being sought by way of an ordinary resolution for the proposed material related party transactions.

The contracts/ arrangements /transactions with the above entities are necessary in the ordinary course and have a significant role in the Company's operations. Therefore, the Board of Directors commends the resolution as set out at item no. 6 for approval of shareholders as an Ordinary Resolution.

Except Mr. Rajendra Agarwal and Mr. Ajay Agarwal, none of the other directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, in the resolution set out at item No. 6 of the Notice.

By Order of the Board of Directors  
For **Donear Industries Limited**

**Poonam Barsaiyan**  
Company Secretary

### Management Discussion and Analysis:

#### Global Textile Industry Overview:

The global textile market size was valued at USD 925.3 billion in 2018 and is expected to register a CAGR of 4.24% over the forecast years. This growth is attributed to the high demand for apparels, particularly in the developing economies including India, China, Bangladesh, and Mexico, as a result of growing population. Moreover, rising disposable income levels and rapid urbanization in these countries have led to the increased number of retail outlets and supermarkets; thereby, supporting overall market growth.

#### Indian Textile Industry Overview:

India is the world's second-largest exporter of textiles and apparels, with a massive raw material and manufacturing base. The textile industry is a significant contributor to the economy, both in terms of its domestic share and exports. It contributes about seven per cent to industry output, two per cent to the GDP and 15 per cent to the country's total exports earnings. The sector is one of the largest sources of job creation in the country, employing about 45 mn people directly.

The Indian textile and apparel market was worth \$ 90 bn in 2017. The market is further projected to reach \$198 bn by 2023, at a CAGR of around 14 per cent during 2018-2023. India is the second largest textile exporter in the world. India's share in global trade of textiles and apparels is approximately 6 per cent. Today, the textile and apparel market has become a vital contributor to the Indian economy. The apparel export has seen a positive trend from November 2018 onwards.

#### Government Initiatives:

To promote exports of readymade garments and made-ups, Government of India increased Merchandise Export from India Scheme (MEIS) rates from 4 to 6 per cent under the Mid- Term Review of Foreign Policy 2015-20. The Government also launched a special package to boost investment, employment, and exports in the garments and made-up sector. The special package was designed to create upto one cr jobs, and boost exports by \$31 bn and attract investment of Rs. 80,000 cr in 3 years. So far, it has generated additional exports of Rs. 5,728 cr and additional investments of Rs. 25,345 cr.

The government has been implementing various policy initiatives and programmes for development of textiles and handicrafts, particularly for technology, infrastructure creation, skill development, including:

- PowerTex India Scheme
- Scheme for Integrated Textile Parks
- SAMARTH- scheme for capacity building in Textile Sector
- Silk Samagra- integrated silk development scheme
- North Eastern Region Textile Promotion Scheme (NERTPS)
- National Handicraft Development Programme (NHDP)
- Comprehensive Handicrafts Cluster Development Scheme (CHCDS).
- Technology Up-gradation Fund Scheme (TUFS) for training workforce and to encourage private investment in the Indian textile and apparel industry.
- Amended Technology Up-gradation Funds Scheme (ATUFS) for in providing best manufacturing and infrastructure to local artisans, technology and innovation, enhancing skills and strengths of the local industry.

## **Opportunities and Threats:**

### **Opportunities**

Robust Demand- Rise in income levels is expected to drive demand in textile industry. Branded segment is growing and become a preference for customers.

Competitive advantage-India has an abundant availability of raw materials such as cotton, wool, silk and jute. It also enjoys a comparative advantage in terms of skilled manpower and in cost of production.

Policy support – 100 percent FDI (automatic route) is allowed in the Indian textile sector. To boost exports, free trade with ASEAN is allowed.

Increasing Investments – Huge investments are being made by the Government under various schemes to encourage more private equity and to train workforce.

### **Threats**

Cheaper Import of goods effects adversely to the domestic market.

Growing labours cost results in increase in the cost of production.

### **Future Outlook:**

The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. Due to increase in domestic consumption and entry of several international players into the Indian markets, the retail sector has experienced a rapid growth. All this, coupled with the Government initiatives through various scheme is a fuel to future growth of overall Industry.

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,  
The Members,  
DONEAR INDUSTRIES LIMITED  
Donear House, 8<sup>th</sup> Floor,  
Plot No. A - 50 Road No. 1, MIDC,  
Andheri (East), Mumbai – 400093

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **DONEAR INDUSTRIES LIMITED, (CIN - L99999MH1987PLC042076)**, (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2019 ('Audit Period') except otherwise stated in this report has generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Company for the financial year ended on 31<sup>st</sup> March, 2019 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

## INDEPENDENT AUDITORS' REPORT

**To the Members of DONEAR INDUSTRIES LIMITED**

**Report on the Audit of the Financial Statements**

### **Opinion**

We have audited the Financial Statements of **DONEAR INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

<b>Revenue Recognition</b>	<b>Principle Audit Procedures</b>
For the year ended March 31, 2019 the Company has recognized revenue from contracts with customers amounting to Rs. 59,423.40 lakhs. Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that as principal, it typically controls the goods or services before transferring them to the customer. The variety of terms that define when control are transferred to the customer, as well as the high value of the transactions, give rise to the risk that revenue is not recognized in the correct period. Revenue is measured net of returns and allowances, cash discounts, trade discounts and volume rebates (collectively 'discount and rebates'). There is a risk that these discount and rebates are incorrectly recorded as it also requires a certain degree of estimation, resulting in understatement of the associated expenses and accrual. Revenue is also an important element of how the Company measures its performance. The Company focuses on revenue as a key performance measure, which could create an incentive for revenue to be recognized before the risk and rewards have been transferred. Accordingly, due to the significant risk associated with revenue recognition in accordance with terms of Ind AS 115 'Revenue from contracts with customers', it was determined to be a key audit matter in our audit of the standalone Ind AS financial statements.	<p>Our audit procedures included the following:-</p> <ul style="list-style-type: none"> <li>Assessed the Company's revenue recognition policy prepared as per Ind AS 115 'Revenue from contracts with customers'.</li> <li>Assessed the design and tested the operating effectiveness of internal controls related to revenue recognition, discounts and rebates.</li> <li>Performed sample tests of individual sales transaction and traced to sales invoices, sales orders and other related documents. Further, in respect of the samples checked that the revenue has been recognized as per the shipping terms.</li> <li>To test cut off selected sample of sales transactions made pre- and post-year end, agreeing the period of revenue recognition to third party support, such as transporter invoice and customer confirmation of receipt of goods.</li> <li>Tested the provision calculations related to management incentives, discounts and rebates by agreeing a sample of amounts recognized to underlying arrangements with customers and other supporting documents.</li> </ul>

### **Other Information**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Financial Statements and our auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those charged with Governance for the Financial Statements**

The Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified

under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Financial Statements.
  - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Financial Statements have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts maintained for the purpose of preparation of the Financial Statements.
  - d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Account) Rules, 2014.

- e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
- g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statement (Refer Note No. 30 to the Financial Statements).
  - ii. The Company did not have any material foreseeable losses on long-term contracts including derivatives contracts.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.

## ANNEXURE A TO THE AUDITOR'S REPORT

Referred to in paragraph 2 of '**Report on other Legal and Regulatory Requirements**' in our Report of even date on the accounts of **DONEAR INDUSTRIES LIMITED** for the year ended March 31, 2019

- i. (a) The Company is maintaining proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The fixed assets of the company are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years, which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the management during the year and discrepancies noticed between the book records and the physical inventories were not material and have been properly dealt with in the accounts.
- (c) According to information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. During the year, the inventories have been physically verified by the management. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on physical verification of inventories as compared to the book records have been properly dealt with in the books of accounts.
- iii. As informed to us, the Company has not granted loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Hence sub clauses (a) to (c) of clause 3(iii) are not applicable to the Company.
- iv. The company has complied with provisions of Section 186 of the Companies Act, 2013 in respect of investments made and Section 185 of the Companies Act, 2013 is not applicable as there were no such loans, securities or guarantees provided during the year.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under to the extent notified and therefore clause 3(v) is not applicable.
- vi. The Central Government has prescribed maintenance of cost records for the company under sub Section (1) of Section 148 of the Companies Act, 2013 and such accounts and records have been made and maintained by the Company. However, no detailed examinations of such records have been carried out by us.
- vii. (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Customs Duty, Cess, Goods & Service Tax and any other material statutory dues applicable to it.
- (b) According to the records of the Company, there are no dues of Duty, Income Tax and Customs Duty which have not been deposited on account of any dispute except disclosed below:

The disputed amounts that have not been deposited in respect of Income Tax, Sales Tax and Excise Duty are as under:

Sr. No.	Name of the Statute	Nature of the dues	Forum where the dues is pending	Rs. In Lacs
1	Central Excise Act, 1944	Dues of Excise Duty	Commissioner of Central Excise (Appeals)	4.17

- viii. According to the records of the Company examined by us and information and explanation given to us, the Company has not defaulted in repayment of dues to banks during the year. The Company has not taken any loan or borrowing from government, financial institutions and has not issued debentures during the year.
- ix. On the basis of our examination of the documents and records and according to the information and explanations given to us, we are of the opinion that term loans have been applied for the purposes for which they were obtained. The company has not raised moneys by way of Initial Public Offer or further public offer (including debt instruments) during the year.
- x. To the best of our knowledge and according to the information and explanation given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of Section 197 read with schedule V to the Companies Act, 2013.
- xii. In our opinion and according to the information and explanations given to us, the nature of the activities of the company does not attract any special statute applicable to Nidhi Company. Accordingly, clause 3(xii) of the order is not applicable to the company.
- xiii. According to the information and explanation given to us, and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sec 177 and 188 of Companies Act, 2013 where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3 (xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, clause 3 (xv) of the Order is not applicable to the Company.
- xvi. According to the information and explanations given to us, the company is not required to obtain registration under Sec 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3 (xvi) of the Order is not applicable to the Company.

## **ANNEXURE B TO THE AUDITORS' REPORT**

(Referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

### **Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **DONEAR INDUSTRIES LIMITED** ("the Company") as of March 31, 2019 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

## NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019

### 1 Company Overview

Donear Industries Limited ("DIL" or "The Company") is an existing public limited company incorporated on 01/01/1987 under the provisions of the Indian Companies Act, 1956 and deemed to exist within the purview of the Companies Act, 2013, having its registered office at Donear House, 8th Floor, Plot No. A- 50, Road No. 1, MIDC , Andheri (East), Mumbai- 400093. The Company is manufacturer of fabrics having its own brand name "Donear" and also trading in garments under the brand name of "Dcot". The Company sell its product through multiple channels including wholesale, retail and dealers etc. during the year ended 31st March' 2019. The equity shares of the Company are listed on BSE Limited ("BSE") and National Stock Exchange of India Limited ("NSE"). The financial statements are presented in Indian Rupee (₹).

### 2 Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (A) Basis of Preparation of Financial Statement

##### i) Compliance with Ind AS

The financial statements Complies in all material aspects with Indian Accounting Standards (Ind AS) notified by Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act and other accounting principles generally accepted in India. The financial statements were authorized for issue by the Company's Board of Directors on 30th May, 2018.

These financial statements and notes have been presented in Indian Rupees (INR), which is also the functional currency. All the amounts have been rounded off to the nearest lacs as per requirement of Schedule III, unless otherwise indicated.

##### ii) Historical cost convention

The Company follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis. The financial statements are prepared under the historical cost convention, except for the following :

- (a) Certain financial assets and liabilities (Including Derivative Instruments) that are measured at fair value;
- (b) Defined benefit plans where plan assets are measured at fair value.

##### iii) Current and Non Current Classification.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle (Twelve Months) and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

#### (B) Use of estimates and judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Continuous evaluation is done on the estimation and judgments based on historical experience and various other assumptions and factors, including expectations of future events that are believed to be reasonable under existing circumstances. Difference between actual results and estimate related to accounting estimates are recognised prospectively.

The said estimates are based on facts and events, that exist as at reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

#### (C) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

##### (I) Financial Assets

##### (i) Classification

The Company classifies its financial assets in the following measurement categories:

- (a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss); and
- (b) Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

- (a) For assets measured at fair value, gains and losses will either be recorded in Profit and Loss or Other comprehensive income.
- (b) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (c) For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

## **NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019**

### **(ii) Measurement**

At initial recognition, the Company measures a financial asset at its fair value plus transaction costs that are directly attributable to the acquisition of the financial asset and in the case of a financial asset not at fair value then through Profit and Loss. Transaction costs of financial assets carried at fair value through Profit and Loss are expensed in Profit and Loss.

#### **(a) Debt instruments**

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- i) **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.
- ii) **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income or other expenses (as applicable). Interest income from these financial assets is included in other income using the effective interest rate method.
- iii) **Fair value through profit or loss (FVTPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through Profit and Loss. A gain or loss on a debt investment that is subsequently measured at fair value through Profit and Loss and is not part of a hedging relationship is recognised in Profit and Loss and presented net in the statement of Profit and Loss within other income or other expenses (as applicable) in the period in which it arises. Interest income from these financial assets is included in other income or other expenses, as applicable.

#### **(b) Equity instruments**

The Company subsequently measures all equity investments at fair value. Where the Company's management has selected to present fair value gains and losses on equity investments in other comprehensive income and there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in Profit and Loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through Profit and Loss are recognised in other income or other expenses, as applicable in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

### **(iii) Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime credit losses (ECL) to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

### **(iv) Derecognition of financial assets**

A financial asset is derecognised only when -

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

## NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019

### (II) Financial Liabilities

#### (i) Measurement

Financial liabilities are initially recognised at fair value, reduced by transaction costs (in case of financial liability not at fair value through Profit and Loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortised cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit or loss.

#### (ii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of Profit and Loss.

### (D) Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortization, where appropriate.

### (E) Segment Report

- (i) The company identifies primary segment based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.
- (ii) The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

### (F) Inventories Valuation

- (i) Raw materials (excluding Dyes and Chemicals), Components, Stores and Spares, Packing Materials are valued at lower of cost and net realisable value. Cost is determined on a weighted average cost basis.
- (ii) Cost of Dyes and Chemicals included in the cost of Raw Material are determined on first-in-first-out (FIFO) basis.
- (iii) Work-in-Progress and Finished Goods are valued at lower of cost and net realisable value. The cost are determined on estimated cost basis and valued on a weighted average basis.
- (iv) Traded goods are valued at lower of cost and net realisable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.
- (v) Scrap is valued at net realisable value.
- (vi) Due allowances are made in respect of slow moving, non-moving and obsolete inventories based on estimate made by the Management.
- (vii) Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

### (G) Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits with banks, deposit held at call with financial institutions, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes outstanding bank overdraft shown within current liabilities in statement of financial balance sheet and which are considered as integral part of company's cash management policy.

### (H) Income tax, deferred tax and dividend distribution tax

The Income tax expense or credit for the year is the tax payable on the current year's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current and deferred tax is recognised in the Profit and Loss except to the extent it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised in equity or other comprehensive income respectively.

#### (i) Current income tax

Current tax charge is based on taxable profit for the year. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current tax assets and tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

## **NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019**

### **(ii) Deferred tax**

Deferred tax is provided using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilised.

Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred income tax assets and liabilities are off-set against each other and the resultant net amount is presented in the Balance Sheet, if and only when, (a) the Company has a legally enforceable right to set-off the current income tax assets and liabilities, and (b) the deferred income tax assets and liabilities relate to income tax levied by the same taxation authority.

Minimum Alternate Tax credit is recognised as an deferred tax asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

### **(iii) Dividend distribution tax**

Dividend distribution tax paid on the dividends is recognised consistently with the presentation of the transaction that creates the income tax consequence. Dividend distribution tax is charged to statement of profit and loss if the dividend itself is charged to statement of profit and loss. If the dividend is recognised in equity, the presentation of dividend distribution tax is recognised in equity.

### **(I) Property, plant and equipment**

- (i) Freehold land is carried at historical cost including expenditure that is directly attributable to the acquisition of the land.
- (ii) All other items of property, plant and equipment are stated at cost less accumulated depreciation. Cost includes expenditure that is directly attributable to the acquisition of the items.
- (iii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
- (iv) Cost of Capital Work in Progress ('CWIP') comprises amount paid towards acquisition of property, plant and equipment outstanding as of each balance sheet date and construction expenditures, other expenditures necessary for the purpose of preparing the CWIP for its intended use and borrowing cost incurred before the qualifying asset is ready for intended use. CWIP is not depreciated until such time as the relevant asset is completed and ready for its intended use.
- (v) Depreciation methods, estimated useful lives and residual value
  - (a) Fixed assets are stated at cost less accumulated depreciation.
  - (b) Depreciation is provided on a pro rata basis on the written down value method over the estimated useful lives of the assets which is as prescribed under Schedule II to the Companies Act, 2013. The depreciation charge for each period is recognised in the Statement of Profit and Loss, unless it is included in the carrying amount of any other asset. The useful life, residual value and the depreciation method are reviewed at least at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.
- (vi) Tangible assets which are not ready for their intended use on reporting date are carried as capital work-in-progress.
- (vii) The residual values are not more than 5% of the original cost of the asset.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other expenses or other income as applicable.

### **(J) Investment Property**

Property that is held for long-term rental yields or for capital appreciation or both and which is not occupied by the Company, is classified by Investing property. Investment property is measured at cost including related transaction cost and where applicable borrowing cost. Investment properties are depreciated at the same rate applicable for class of asset under Property, Plant and Equipment.

## NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019

### (K) Intangible assets

- (i) An intangible asset shall be recognised if, and only if: (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and (b) the cost of the asset can be measured reliably.
- (ii) Computer software is capitalised where it is expected to provide future enduring economic benefits. Capitalisation costs include licence fees and costs of implementation / system integration services. The costs are capitalised in the year in which the relevant software is implemented / ready for use. The same is amortised over a period of 5 years on straight-line method.

### (L) Leases

#### (i) As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

#### (ii) As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

### (M) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade discount, rebates. The Company recognises revenue as under :

Effective 01 April, 2018, the Company has adopted Indian Accounting Standard 115 (IND AS 115) - "Revenue from contracts with customers" using the cumulative catch-up transition method applied to the contract that was not completed as on the transaction date 01st April, 2018. Accordingly the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of IND-AS 115 was insignificant.

#### (I) Sales

##### (i) The Company recognizes revenue from sale of goods & services when:

- (a) The significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, which coincides with the delivery of goods and with regard to services, when services are rendered.
- (b) The Company retains neither continuing managerial involvement to the degree usually associated with the ownership nor effective control over the goods sold.
- (c) The amount of revenue can be reliably measured.
- (d) It is probable that future economic benefits associated with the transaction will flow to the Company.
- (e) The cost incurred or to be incurred in respect of the transaction can be measured reliably.
- (f) The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

#### (II) Other Income

##### (i) Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

##### (ii) Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably.

##### (iii) Export Benefits

Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are fulfilled.

### (N) Employee Benefit

#### (i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

#### (ii) Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the

## **NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019**

employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments are recognised in Profit and Loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

### **(iii) Post-employment obligations**

The Company operates the following post-employment schemes:

#### **(a) Defined benefit gratuity plan:**

Gratuity, which is defined benefit, is accrued based on actuarial valuation working provided by Life Insurance Corporation of India (LIC). The Company has opted for a Group Gratuity-cum-Life Assurance Scheme of the Life Insurance Corporation of India (LIC), and the contribution is charged to the Statement of Profit & Loss each year. The Company has funded the liability on account of leave benefits through LIC's Group Leave Encashment Assurance Scheme and the Contribution is charged to Statement of Profit and Loss.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan. The defined benefit obligation is calculated annually as provided by LIC. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

#### **(b) Defined Contribution plan:**

Contribution payable to recognised provident fund and superannuation scheme which is defined contribution scheme is charged to Statement of Profit & Loss. The company has no further obligation to the plan beyond its contribution.

### **(O) Foreign currency translation**

#### **(i) Functional and presentation currency**

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

#### **(ii) Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. All the foreign exchange gains and losses are presented in the statement of Profit and Loss on a net basis within other expenses or other income as applicable.

### **(P) Borrowing Cost**

- (i) Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.
- (ii) Borrowings are classified as current financial liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

### **(Q) Earnings per share**

#### **(i) Basic earnings per share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company; and
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

## NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019

### ii) Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares; and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

### (R) Impairment of Assets

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

### (S) Provisions, contingent liabilities and contingent assets

#### (i) Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

#### (ii) Contingent liabilities:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

(iii) **Contingent Assets:** Contingent Assets are disclosed, where an inflow of economic benefits is probable.

### (T) Investments

Equity investments are measured at fair value, with value changes recognised in Other Comprehensive Income, except for those mutual fund for which the Company has elected to present the fair value changes in the Statement of Profit and Loss.

### (U) Trade receivables

Trade receivables are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method, less provision for expected credit loss.

### (V) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are recognised, initially at fair value, and subsequently measured at amortised cost using effective interest rate method.

### (W) Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

### (X) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rupees Lacs (upto two decimals), unless otherwise stated as per the requirement of Schedule III (Division II).
