**NOTES :**

1. The Ministry of Corporate Affairs ("MCA") vide its circular dated May 05, 2020 read with circulars dated April 08, 2020, April 13, 2020, May 05, 2022, December 28, 2022 and September 25, 2023 (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("the Meeting") through Video Conferencing/Other Audio Visual Means ("VC/OAVM"), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM on Thursday, September 24, 2026 at 11.30 a.m. (IST). Since the AGM is being held through VC/OAVM facility, the route map is not annexed to this Notice. The deemed venue for the AGM shall be the Registered Office of the Company.
2. A statement giving additional details of the Director(s) seeking appointment /re-appointment at this AGM as set out at Item No. 2 of this Notice are annexed herewith as required under Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India.
3. Pursuant to the provisions of Section 105 of the Companies Act, 2013, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held through VC/OAVM pursuant to the above mentioned MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for this AGM and hence the Proxy Form, Attendance Slip and Route Map for the AGM are not annexed to this Notice.
4. Corporate members intending to send their authorised representative to attend the AGM through VC or OAVM or to vote through remote e-voting, pursuant to Sections 112 and 113 of the Act, are requested to send a certified copy of the board resolution to the Scrutinizer by e-mail at info@mandaassociates.in with a copy marked to evoting@nsdl.co.in, authorising their representative by 16th September, 2026, to attend and vote on their behalf at the AGM.
5. The voting rights of Members shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date of Thursday, 17th September, 2026.
6. In compliance with the aforesaid MCA and SEBI Circulars, this Notice together with annual report for the financial year 2025-26 is being sent only through electronic mode to those members whose email addresses are registered with the company/depositories. Copies of the Notice and annual report 2025-26 will also be uploaded on the company's website at www.zenithexportslimited.com, websites of stock exchanges i.e., BSE Ltd and National Stock Exchange of India Ltd., at www.bseindia.com and www.nseindia.com respectively.
7. The Members can join the AGM through VC / OAVM 15(fifteen) minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through electronic mode will be made available for 1000 members on first come first served basis. It may be noted that the large Shareholders (i.e. Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors are allowed to attend the AGM without restriction on account of first come first served basis.
8. Members attending the meeting through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

9. Members who would like to express their views or ask questions during the AGM may register themselves as a speaker by sending their request from their registered email address mentioning their name, DP ID and Client ID/folio number, PAN, mobile number at sec@zenithexportsltd.net from 12th September, 2026 to 16th September, 2026 by 5.00 p.m. The Company will respond to the shareholder suitably. Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.
10. The Register of Members and Share Transfer Book of the Company will remain closed from Friday, 18th September, 2026 to Thursday, 24th September, 2026 (both days inclusive) for the purpose of AGM.
11. As per Regulation 40 of the SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from 1st April, 2019, except in case of request for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and ease of portfolio management, Members holding shares in physical form are requested to consider converting their holding to dematerialized form. Members can contact our RTA M/s. MUFINTIME INDIA PRIVATE LIMITED (formerly Lime Time India Private Limited.) for assistance in this regard.
12. In case of Joint Holders attending the AGM, only such Joint Holder whose name appears first in the order of names will be entitled to vote.

Members who wish to seek inspect, may send their request through an email at atsec@zenithexportsltd.net up to the date of AGM.
14. Shareholders seeking any information with regard to the Financial Statements, or any other matter to be placed at the AGM, are requested to write to the Company on or before 17th September, 2026 on sec@zenithexportsltd.net. The Company will respond to the shareholder suitably. Please note that the shareholders' questions will be answered only if the shareholder continues to hold the shares as of the cut-off date i.e. Thursday, 17th September, 2026.
15. Pursuant to the Circular No. 14/2020 dated 8th April, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorized representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
16. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their depository participants in case the shares are held by them in electronic form and with RTA at ashok.sherugar@in.mpms.mufg.com/ in case the shares are held by them in physical form.
17. Members holding shares in electronic mode are requested to intimate immediately any change in their address, email-id, and bank particulars to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to advise any change in their address or bank mandates immediately to Registrars and Share Transfer Agents, **M/s. MUFINTIME INDIA PRIVATE LIMITED (Formerly Link Intime India Private Limited)**, C- 101, 247 Park, L.B.S.Marg, Vikhroli (W), Mumbai – 400 083.
18. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Accordingly, members holding shares in electronic form are requested to submit their PAN to the Depository Participants with whom they maintain their

demat accounts. Members holding shares in physical form should submit their PAN details to Registrars and Share Transfer Agents, **M/s. MUFG INTIME INDIA PRIVATE LIMITED (Formerly Link Intime India Private Limited)**.

19. Members holding shares in single name are advised to avail the facility of nomination in respect of shares held by them pursuant to the provisions of Section 72 of the Companies Act, 2013. Members holding shares in physical form desiring to avail this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to **M/s. MUFG INTIME INDIA PRIVATE LIMITED (Formerly Link Intime India Private Limited)**, Members holding shares in electronic mode may contact their respective Depository Participants for availing this facility.

**STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013****Item Number :- 3**

Mr. Varun Loyalka (DIN: 07315452) is the Managing Director of the Company. He was appointed as Managing Director for a period of **three years commencing from September 24, 2024 and ending on September 23, 2027.**

Mr. Varun Loyalka has been associated with the Company since May 29, 2018. The Company's July 2026 pay roll records identify him as **Managing Director** and record his monthly remuneration structure as Basic Salary of Rs.62,500 and Special Allowance of Rs. 62,500.

Considering his responsibilities as Managing Director, his contribution to the Company's operations and business growth, the increased responsibilities associated with his position and the requirement to ensure appropriate remuneration commensurate with his role, the Nomination and Remuneration Committee has recommended revision in his remuneration.

The Board of Directors, after considering the recommendation of the Nomination and Remuneration Committee, has proposed an increase of **Rs.50,000 per month** in the remuneration payable to Mr. Varun Loyalka. Accordingly, the existing remuneration of **Rs. 1,26,800 per month (Rs.15,21,600 per annum)** is proposed to be increased to **Rs.1,76,800 per month (Rs. 21,21,600 per annum)** with effect from **12th August, 2026.**

Financial and Statutory Position

The net profit of the Company for FY 2025-26, as provided by the Company, is Rs.2,28,66,075.

Five per cent of the said net profit amounts to Rs.11,43,303.75.

The proposed annual remuneration of Mr. Varun Loyalka is **Rs.21,21,600** which exceeds the five per cent limit under Section 197(1) of the Companies Act, 2013. Accordingly, approval of the Members by way of Special Resolution is being sought for payment of the proposed remuneration.

The calculation of net profits for purposes of Section 197 shall be subject to determination in accordance with Section 198 of the Act. Section 198 prescribes the manner in which net profits are to be computed for Section 197 purposes.

Compliance with Regulation 17(6)(e) of SEBI LODR

Mr. Varun Loyalka is a Promoter and an Executive Director of the Company.

Regulation 17(6)(e) of the SEBI LODR Regulations provides for shareholder approval by Special Resolution where the annual remuneration payable to an Executive Director who is a promoter or member of the promoter group exceeds **Rs. 5 crore or 2.5% of the net profits of the listed entity, whichever is higher**, subject to the other conditions specified therein.

Based on the figures provided:

Particulars	Amount
FY 2025-26 Net Profit	Rs. 2,28,66,075
2.5% of Net Profit	Rs. 5,71,651.88
Rs. 5 crore threshold	Rs. 5,00,00,000
Higher applicable threshold	Rs. 5,00,00,000
Proposed remuneration	Rs. 21,21,600

Accordingly, the proposed remuneration of Rs. 21,21,600 per annum **does not independently exceed the threshold prescribed under Regulation 17(6)(e)** of the SEBI LODR Regulations.

The Special Resolution is therefore being proposed principally for compliance with the requirements of **Section 197 of the Companies Act, 2013**.

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****INDIAN ECONOMY.**

The Leather industry in India holds a significant place in the Indian economy. This sector is known for its consistency in high export earnings and it is among the top ten foreign exchange earners for the Country. The leather industry is bestowed with an affluence of raw materials. Added to this are the strengths of skilled manpower, innovative technology, increasing industry compliance to international environmental standards, and the dedicated support of the allied industries.

The leather industry is an employment intensive sector, providing jobs to about 4.42 million people, mostly from the weaker sections of the society. Women employment is predominant in leather products sector with about 30% share. The overall performance of the Company during the year under review, has been adversely affected due to the unfavorable economic and market conditions prevailing throughout the year and other adverse situation. However, we expect no major changes in the economic activity. The Council for Leather Exports has been playing an active role in the overall growth and development of the leather industry.

THE COMPANY HAS 3 DIVISIONS VIZ.

1. **100% EOU at Nanjangud, Karnataka** - Manufacturing High Quality Silk and Velvet Fabrics.
2. **Exports Division at Kolkata** - Exporting Industrial Leather Hand Gloves, Silk & Cotton Fabrics and made-ups manufactured on Handloom etc.
3. **A yarn division at Sarandi, Ahmedabad** - The yarn unit which had suspended its operations since December, 2015, due to steep competition and unfavorable market situation has started business of trading of Cotton with effect from January, 2019.

1. EOU UNIT AT NANJANGUD

The Company was manufacturing high quality 100% silk fabric at the unit situated at Nanjangud, Karnataka. Demands of the Silk & silk blends remained under pressure due to high value of fabrics and less demand of expensive fabric in European and American Markets. Due to this, company has changed its product mix and now less expensive qualities are being offered in the market and response is good.

A. INDUSTRY STRUCTURE AND DEVELOPMENT

The Textile Industry is the oldest industry in the country dating back several centuries. It is a major contributor to the Indian economy in terms of foreign exchange earnings and employment. India ranks second in the production of textiles and garments worldwide. The textile industry is instrumental in the development of Indian economy as it contributes 2% to India's GDP and 7% of industry output by value. The Indian textile industry is set for growth, buoyed by both strong domestic consumption as well as export demand. Favorable demographic, rising per capital income and a shift in customer preference to branded products.

B. OPPORTUNITIES AND THREATS

It all depends how fast it can be controlled to help in boosting confidence and reducing uncertainties. Further abnormal increase in input cost and non-clarity on rates of export benefits are

creating uncertainty among the manufacturers and exporters. As expected, some customers in USA and Europe have started shifting textile business from China to India, Bangladesh, Vietnam, etc. Further brands focus has changed to sustainable product lines which can satisfy fashion needs also. We are preparing ourselves to take the advantage of both these changing trends. But at the same time, company has to compete with big mills within India. Company is also developing new fabric using anti-microbial inherent properties and anti-Covid finishes expanding its product offerings and capturing new clients. Company is in better position to enter into low priced items as trade relation between China and America is affected due to increase in import duties by USA. Robust fabric demand and quality of Indian fabrics and the growth momentum in India, despite rising inflation, may be taken as an opportunity for Indian exports.

In silk fabrics adverse situation, the turnover is expected to increase in financial year 2025-26 as the demand is expected to grow due to an increasing demand from sports, apparel and home furnishing textile products.

C. OUTLOOK

The financial year 2024-25 witnessed a once in a lifetime situation. In the coming year financial year 2025-26, we are foreseeing increase in demand since few export customers have started shifting their orders from China to India. However, the Global market outlook is still not clear because of the new strain of Corona virus, world-wide. Vaccination drive has started and there is hope to cover most of the population by second quarter across the globe. Our Product mix are more focused on sustainability having innovative finishes and accordingly new fabrics with anti-microbial properties are being developed and offered to our clients. Also, new finishing techniques (anti Covid finishes) are also being explored to reinvigorate sales and take advantage of the changing market conditions. Product mix is being expanded to include outdoor fabrics and contract fabrics. The Company is expecting better results in future.

2. TRADING DIVISION (LEATHER HAND GLOVES & SILK FABRICS MANUFACTURED ON HANDLOOM)

A. INDUSTRY STRUCTURE AND DEVELOPMENT

The Indian Leather Industry plays a significant role in the Indian Economy in view of its substantial export earnings, employment generation and growth opportunities. The export of leather and leather products has increased over past few years. The industry is known for its consistency in high export earnings and it is among the top ten foreign exchange earners for the country. The Company is striving to capture over Global Market and taking various steps to promote company's products all over the world and it is being done in line with global trends to enhance scale, global competitiveness and financial flexibility and also to contribute towards achievement of company's objective and to increase revenue, production volume and market shares.

B. OPPORTUNITIES AND THREATS

The Company is extremely enthusiastic about the opportunities in financial year 2024-25 and beyond. The company is fully aware of the factors dictating competition and has been investing with

the ups and downs through its various effective measures like cost optimization, competitive pricing, improved production process and enhanced customer satisfaction. To exist in the competitive market company is consistently considering all the significant factors, which provide sharp edges that enable company to enhance the margin. India's share in global market for industrial gloves is very minimal and hence, there exists big scope for future growth. In silk fabrics adverse situation, the turnover is expected to increase in financial year 2025-26 as the demand is expected to grow due to an increasing demand from sports, apparel and home furnishing textile products.

C. OUTLOOK

The future outlook appears to be better.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The company has appropriate internal control system for business process across various divisions with regard to efficiency of operations, financial reporting, compliance with applicable laws and regulations. The company has kept highly skilled technical and administrative people at our mill, due to which the internal control systems are strictly maintained i.e. increasing productivity and cutting cost at every stage. Under the supervision of highly experienced technical people, we are able to produce highest quality of products for export market. Regular internal audits and checks ensure that responsibility is executed effectively. The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of internal control systems and suggests improvements for strengthening them.

**INDEPENDENT AUDITOR'S REPORT****To**

The Members of

M/S. ZENITH EXPORTS LIMITED**Report on the Standalone Financial Statements****Opinion**

We have audited accompanying standalone Ind AS financial statements of Zenith Exports Limited ("the Company"), which comprise of the balance sheet as at March 31, 2026, the statement of Profit and Loss (Including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by The Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, Profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirement that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter : Revenue Recognition and Valuation of Foreign Trade Receivables

Description of the Matter :	How the Matter Was Addressed in the Audit :
The company derives a substantial portion of its revenue from export sales of textile fabrics and leather goods. Revenue is recognized based on the customs exchange rate at the time of shipment, and year-end trade receivables are revalued at prevailing bank exchange rates, with foreign exchange differences recorded in the Statement of Profit and Loss in accordance with Ind AS 21. As at March 31, 2026, a significant portion of the Company's trade receivables is denominated in foreign currencies. This area is considered a key audit matter due to the materiality of export sales and receivables, the use of judgment in determining the timing of revenue recognition and the applicable exchange rates, complexity in revaluing trade receivables at year-end, and the risk of default or delay in collection from international customers.	Our audit procedures included assessing the design and implementation of internal controls related to export revenue recognition and foreign exchange revaluation, testing a sample of export transactions to confirm the recognition date with supporting documents and verifying application of the appropriate customs exchange rate, examining the year-end revaluation of outstanding foreign trade receivables using bank exchange rates and independently verifying those rates, performing a detailed aging analysis of trade receivables and assessing the reasonableness of provisions for expected credit losses, and evaluating compliance with the relevant disclosure requirements under Ind AS 1, 21, 107, and 109, and "SEBI (LODR) Regulations, 2015. Based on the above procedures, we found the revenue recognition policies and valuation of trade receivables to be in compliance with the applicable financial reporting framework and supported by appropriate documentation.

Information Other than the Financial Statements and Auditor's Report Thereon

The company's Board of Directors are responsible for the preparation of the other information. The other information comprises of the information included in the management discussion and analysis, Board's report including Annexure to Board's Report, Corporate Governance and Shareholders information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on standalone financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or other information obtained during the course of our audit or otherwise appear to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial

statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing (SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind As financial statements.

We also:

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards from the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements/information of the Units of Zenith Textiles, Mysore & Zenith Spinners, Ahmedabad included in the financial statements of the Company, whose financial statements/financial information reflect total assets of Rs. 3,028.51 lakhs as at 31st March, 2026 (Previous Year Rs. 2,733.16 lakhs) and total income of Rs. 1,407.16 lakhs (Previous Year Rs. 1,110.72 lakhs) for the year ended on that date, as considered in the Ind AS financial statements. The financial statements/information of these Units have been audited by the Unit Auditors whose reports have been furnished to us, and our opinion, in so far as it relates to the amounts and disclosures included in respect of these Units, is based solely on the reports of such Unit Auditors.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order") CARO, 2020, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that :

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- f) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- h) With respect to the other matters to be included in the Auditor's Report under section 197(16) of the Act, in our opinion and as per the information and explanations provided to us, the Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by provision of section 197 read with schedule V to the Act.
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigations which would impact its financial position.
 - (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv) As per the management representation we report,
 - a. no funds have been advanced or loaned or invested by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.

- a. no funds have been advanced or loaned or invested by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.
 - b. no funds have been received by the company from any person(s) or entities including foreign entities ("Funding Parties") with the understanding that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.
 - c. Based on the audit procedures performed, we report that nothing has come to our notice that has caused us to believe that the representations given under sub-clause (i) and (ii) of Rule 11(e) as provided under clause (a) and (b) above contain any material mis-statement.
- (v) Based on our examination, which included test checks, the company has used accounting software for maintaining books of account which has a feature of recording audit trail (Edit Log) facility and that has operated throughout the financial year for all relevant transactions recorded in the said software. During the course of performing our procedures, we did not notice any instance of audit trail feature being tampered with for the period the audit trail was enabled and that it is preserved in accordance with the prescribed rules.

- 12) **Nidhi Company** : The company is not a Nidhi Company. Therefore, clause (xii) of the order is not applicable to the company.
- 13) **Related Party Transactions** : According to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 wherever applicable and the details have been disclosed in the Financial Statements etc. as required by the applicable accounting standards.
- 14) **Internal Audit** : The company does have an internal audit system commensurate with the size and nature of its business. Reports of the Internal Auditors for the period under audit were considered by us as the statutory auditor.
- 15) **Non-Cash Transactions** : According to the information and explanations given to us and based

on our examination of the records of the company, the company has not entered into non-cash transactions with directors or persons connected with them during the year.

- 16) **Registration under RBI act** : According to information and explanations given to us, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi) of the Order is not applicable.
- 17) **Cash Losses** : The company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- 18) **Resignation of Statutory Auditors** : There has been no instance of any resignation of the statutory auditors occurred during the year.
- 19) **Material uncertainty on meeting liabilities** : On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, plans of the board of directors and management, we are of the opinion that no material uncertainty exists as on the date of the audit report, that the company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of 1 year from the balance sheet date. We, however, state that this is not an assurance as to future viability of the company. We further state that our reporting is based on the facts up to the date of audit report and we neither give any guarantee nor assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the company as and when they fall due.
- 20) **Transfer to fund specified under Schedule VII of Companies Act, 2013** : Provisions of sub-section (5) of section 135 of the Companies Act; are not applicable to the company, hence, clause (xx) is not applicable.
- 21) This being the standalone financial results of the company, clause (xxi) of the Order is not applicable to the company.

**“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE
STANDALONE IND AS FINANCIAL STATEMENTS OF ZENITH EXPORTS LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ZENITH EXPORTS LIMITED (“the Company”) as of March 31, 2026 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that

transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO FINANCIAL STATEMENTS****COMPANY OVERVIEW**

Zenith Exports Limited is a Company limited by shares, incorporated and domiciled in India. The Company is engaged in the business of Leather Goods & Textile Fabrics.

The Company has a weaving unit namely 'Zenith Textiles' located at Nanjangud, Mysore. Another unit namely 'Zenith Spinners' located at village- Dholka, Ahmadabad.

1. SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 Basis of Preparation**1.1.1 Compliance with Ind AS**

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

1.1.2 Classification of current and non-current

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Ind AS 1 - Presentation of financial Statements and Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

1.1.3 Historical Cost Convention

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following :

- i) certain financial assets and liabilities (including derivative instruments) that are measured at fair value; i) certain financial assets and liabilities (including derivative instruments) that are measured at fair value;
- ii) defined benefit plans - plan assets measured at fair value;
- iii) Biological assets are measured at cost incurred for their plantation.

1.2 Segment Reporting

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. The Company's chief operating decision maker is the Managing Director of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the

basis of their relationship to the operating activities of the segment. Inter segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on a reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

1.3 Foreign Currency Translation

Foreign currency transactions are translated into Indian Rupee (INR) which is the functional currency (i.e. the currency of the primary economic environment in which the entity operates) using year-end exchange rates as per IND AS 21.

Foreign Currency loans for financing Property, Plant and Equipment outstanding at the close of financial year are revalored at appropriate bank exchange at the close of the year. The gain/loss for decrease/increase in rupee liability due to fluctuations in rates of exchange is adjusted to carrying amount of Property, Plant and Equipment acquired out of said loans. Income and Expenditure for the year are recorded as per prevailing bank rate on the date of transaction/negotiation.

As per usual practice followed by the company, the export sales transaction during the year are accounted for at Custom Rate and at the end of the year at the prevailing bank rate in respect of outstanding debtors. Difference between actual realization at custom rate and/or bank rate is adjusted to Exchange Difference Account in Statement of Profit & Loss.

Gain/loss on cancellation of Forward Exchange Contracts are recognized in the Statement of Profit & Loss of the year in which they are cancelled as per IND AS 109.

1.4 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of Export benefits, Incentive and are net of sales return, Goods & Service Tax, trade allowances. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and significant risk and reward incidental to sale of products is transferred to the buyer.

Export Sales are recognised on the basis of date as mentioned in Shipping Bill/Bill of Lading. Value of export sales is recognised at Custom Rate mentioned in the Shipping Bill.

Income and Expenditure are recognised on accrual basis. Export entitlements are recognised in Statement of Profit & Loss when the right to receive credit as per terms of entitlement in respect of the exports is established.

Domestic sales are recorded on raising bills net of discounts, returns and applicable taxes. Accounting for differential Custom Duty on wastage of Imported Raw Silk Yarn determined as per the input/output norms for EOU is accounted as and when the demand is raised by Customs Authorities. Revenue in respect of job charges is recognised based on the work performed and invoiced as per terms of specific contracts.

**1.5 Government Grants**

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the statement of profit & loss over the period necessary to match them with the costs that they are intended to compensate and presented within other operating income.

Government grants relating to the acquisition/ construction of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit & loss on a straight-line basis over the expected lives of the related assets and presented within other operating income. However there is no government grant received or recognized during the year ended 31st March, 2026.

1.6 Accounting for Taxes on Income

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in statement of profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.7 Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

1.8 Trade Receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any.

**1.9 Inventories**

Inventories are valued as under :

- a) Raw Materials : at cost which is arrived at on average cost basis.
- b) Packing Materials : at average cost basis
- c) Stores, Consumables & Spares : at average cost basis
- d) Semi-finished Goods : at raw material cost and value added thereto upto the state of completion
- e) Finished Goods : at cost or Net Realisable Value (NRV), whichever is lower
- f) Waste : at estimated realizable value

1.10 Biological Assets

The Company recognizes biological assets when it gains control over them as a result of past events and it is probable that future economic benefits associated with these assets will flow to the entity. In accordance with Ind AS 41

Although Ind AS 41 generally requires biological assets to be measured at fair value less costs to sell, the Company has determined that the fair value of its planted trees cannot be measured reliably on initial recognition due to the absence of an active market and the lack of reliable observable inputs.

Accordingly, in line with the exception permitted under Ind AS 41, the Company measures its biological assets at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the planting, cultivation, and maintenance of the trees up to the point of maturity.

Expenditure incurred for day-to-day maintenance of the plantation is recognized in the Statement of Profit and Loss as incurred, unless it qualifies for capitalization under another applicable Ind AS.

1.11 Investments and Other Financial Assets**1.11.1 Classification**

The Company classifies its financial assets in the following measurement categories :

- those to be measured subsequently at fair value (either through other comprehensive income, or through statement of profit or loss), and
- those measured at amortised cost

The classification depends on the Company's business model for managing the financial assets and the contractual terms of cash flows.

1.11.2 Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through statement profit & loss are expensed in statement of profit & loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into the following categories :

Amortised cost : Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI) : Assets that are held for collections of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit & loss : Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through statement of profit & loss. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments (except subsidiary and associate) at fair value through statement of profit & loss. However, where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to statement of profit & loss.

1.11.3 Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

1.11.4 Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset.

1.11.5 Income Recognition

Interest Income

Interest Income from debt instruments is recognised using the effective interest rate method.

**Dividends**

Dividends are recognised in statement of profit & loss only when the right to receive payment is established.

1.12 Financial liabilities**1.12.1 Initial recognition and measurement**

The Company recognizes all the financial liabilities on initial recognition at fair value minus, in the case of a financial liability not at fair value through Statement of Profit & Loss, transaction costs that are directly attributable to the acquisition or issue of the financial liability.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

1.12.2 Subsequent measurement

All the financial liabilities are classified as subsequently measured at amortised cost, except for those mentioned below.

1.12.3 Financial liabilities at fair value through statement of profit & loss

Financial liabilities at fair value through statement of profit & loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through statement of profit & loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Co. that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the statement of profit & loss.

For liabilities designated as Fair Value through statement of profit & loss, fair value gains/ losses attributable to changes in own credit risk are recognized in Other Comprehensive Income. These gains/losses are not subsequently transferred to Profit & Loss. However, the Company may transfer the cumulative gain & loss within other equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss.

1.13 Property, Plant and Equipments

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

**Depreciation methods, estimated useful lives and residual value**

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013, which are also supported by technical evaluation. Item of Property, Plant & Equipment for which related actual cost do not exceed Rs. 0.05 Lacs are fully depreciated in the year of purchase.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss within other gains/(losses).

1.14 Investment Property**(a) Recognition and Measurement**

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

(b) Depreciation

Depreciation on investment property has been provided pro rata for the period of use by the straight Line Method. The useful life of Investment Property is estimated by management and the same is as prescribed in Schedule II to the Act.

Any gain or loss on disposal of an investment property is recognized in Statement of Profit and Loss.

1.15 Intangible Assets

Intangible assets are recognised if the Future Economic Benefits attributed to the assets are expected to flow to the company and the cost of assets can be measured reliably. No intangible assets were acquired during the year ended 31st March, 2026.

1.16 Capital work-in-progress

Capital work-in-progress is stated at cost, net of accumulated impairment losses, if any. Assets in the course of construction are capitalized in capital work-in-progress account. At the point when an assets is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment and/or Investment Property.

1.17 Provision, Contingent Liabilities and Contingent Assets, legal or constructive

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the present value of management's best estimate of the expenditure required to

settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

1.18 Employee Benefits

1.18.1 Short-term Employee Benefits

These are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

1.18.2 Post-employment Benefit Plans

(a) Defined Contribution Plans

i. Gratuity Plan

- The Company has Defined Benefit Plan for post-employment benefit in the form of gratuity for eligible employees which is administered through a group gratuity policy with Life Insurance Corporation of India (L.I.C). The liability for the above defined benefit plan is provided on the basis of an actuarial valuation as carried out by L.I.C. The actuarial method used for measuring the liability is the Project Unit Credit method.
- In case of Unfunded Gratuity, payable to all eligible employees of the Company on death, permanent disablement and resignation as the provisions of the Payment of Gratuity Act or as per the company's scheme, whichever is more beneficial. Benefit would be paid at the time of separation based on the last drawn basic salary.

ii. Leave Encashment

Eligible employees can carry forward and encash leave upto death, permanent disablement and resignation subject to maximum accumulation allowed upto 15 days for employees. The leave over and above 15 days is paid to employees as per the balance as on 31st March every year. Benefit would be paid at the time of separation based on the last drawn basic salary.

1.18.3 Bonus plans

The Company recognizes liability and an expense for bonus. The Company recognizes a provision where contractually obliged or where there is a past practice that has

created a constructive obligation.

1.19 Equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

1.20 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the Company, on or before the end of the reporting period but not distributed at the end of the reporting period.

1.21 Earnings per Share

1.21.1 Basic earnings per share

Basic earnings per share is calculated by dividing :

The profit/ loss attributable to owners of the Company

By the weighted average number of equity shares outstanding during the financial year.

1.21.2 Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account :

The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

1.22 Leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to statement profit and loss on a straight line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

1.23 Impairment of non-financial assets.

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**1.24 Derivatives**

- a) a) The Company enters into Forward Foreign exchange contracts/Option contracts (derivatives) to mitigate the risk of change in Foreign Exchange Rate on forecasted transactions. The company enters into Derivative Financial Contracts where the counterparty is bank. Gain/Losses on in effective transactions of derivative contracts are recognised in the Statement of Profit & Loss Account as they arise and reported in accordance with IND AS 21.
- b) Accounting for Forward Foreign Exchange Contracts are Marked to Market (M to M) basis and the net loss after considering the offsetting effects on the underlying contracts, is charged to the statement of profit & Loss in accordance with IND AS 21. Net Gains on M to M are ignored. Reporting and disclosures of such amounts are done in accordance with guidelines issued by ICAI.

1.25 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.26 Use of Estimates

The Preparation of financial statements in conformity with the generally accepted accounting principles in India requires the management to make estimates and assumptions that affects the reported amount of assets and liabilities as at the balance sheet date, the reported amount of revenue and expenses for the periods and disclosure of contingent liabilities at the balance sheet date. The estimates and assumptions used in the financial statements are based upon management's evaluation of relevant facts and circumstances as of the date of financial statements. Actual results could differ from estimates.

1.27 Borrowing costs

Interest and other borrowing costs attributable to qualifying assets (PPE) are capitalised. Other interest and borrowing costs are charged to Statement of Profit and Loss.

44 Financial instruments and Risk management**44.1 Capital management**

Capital management is driven by Company's policy to maintain a sound capital base to support the continued development of its business. The Management seeks to maintain a prudent balance between different components of the Company's capital. The Management the monitors capital structure and the net financial debt. Net financial debt is defined as current and non-current financial liabilities less cash and cash equivalents and short term investments. The debt equity ratio highlights the ability of a business to repay its debts. Accordingly the management periodically reviews and sets prudent limit on overall borrowing limits of the Company.

**44.2 Categories of financial instruments****Fair Value hierarchy**

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

Level 1: It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date like mutual fund. The mutual fund are valued using the closing market price as at the balance sheet date.

Level 2: It includes fair value of the financial instruments that are not traded in an active market like over-the-counter derivatives, which is valued by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the specific estimates. If all significant inputs required to fair value if instrument are observable then instrument is included in level 2.

Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.
