ANNUAL REPORT 2020-2021

Where Comfort is a Culture!

Established in 2010, 'R&B Denims' is being promoted by the RawatKhedia and the Borana groups, undoubtedly two of the most influential textile houses in the polyester hub, Surat. Directed by Mr. Anand Dalmia and Mr. Mangilal Borana respectively. Both of these companies have a long lineage of more than 30 years each, in the textile industry, and are very well known in their areas of expertise.

We are one of the largest vertically integrated textile manufacturers in the world with over 30 million meters capacity of production, R&B Denims is one of the few denim manufacturers capable to produce high width stretch denim upto 80 inches. Our world-class facilities are backed by a solid infrastructure to make our processes more productive, people more efficient and products consistent in quality.

Chairman's Message

Mr. Rajkumar Borana
Chairman & Managing Director

The fiscal 2020-21 witnessed significant challenges as the global as well as the Indian economy continued to be affected by several macro-economic factors.

Dear Stakeholders,

I hope that you, your families, and loved ones are safe and doing well. I write to you amidst uncertain times. The global spread of COVID-19 and India's lockdown have created an economic environment filled with uncertainty and risk. Our first priority has been to ensure that our workforce is safe.

I am pleased to share with you an update on your Company's performance for FY2021. The year saw a challenging business environment with lower GDP growth, compared to the previous years and witnessed a slowdown in consumption. The novel corona-virus has affected not just human health but severely impacted businesses and the society at large. Against this backdrop, your Company has delivered competitive, profitable and responsible growth.

The fiscal 2020-21 witnessed significant challenges as the global as well as the Indian economy continued to be affected by several macro-economic factors. Amidst a challenging environment, your company continues to grow, backed by a robust business model and its strategic ability to navigate through troubled times. To retain our competitive advantage and consistently deliver value to all our

stakeholders, we continue to focus on investments for research and development, technological enhancement and quality improvement to sustain profit margins and increase operational efficiency.

The growth of the Company is affected in this financial year 2020-21 due to COVID-19 and the Company recorded total revenue of 17,766.37 Lakhs against Rs. 25,835.70 Lakhs in the previous year, representing a decrease of 31.23% but Profit before tax is increased to Rs. 1,015.99 Lakhs as compared to Rs. 452.76 Lakhs during the year. Total Income during the year increased to Rs. 846.16 as compared to Rs. 335.71 in the previous year.

The textile industry is going through multiple changes from different dimensions which are changing global and regulatory regime and there is no stopping to the increasing levels of competition. The company is diligently striving to provide complete denim fabrics by enrooting new product lines and gaining a deep understanding of consumer preferences through every passing year.

Your company has never intended to grow at an unsustainable & erroneous rate, by opening stores after stores but rather grow at a convincing rate, therefore, your company strategically plans and making sure that it reaches a wider section of people, and create value for its esteemed shareholders.

The Company provides its utmost attention towards the sustainability and protection of the environment and therefore the entire functioning of the plant is planned in such a manner that causes the least or no

harm to the purity and beauty of our ecosystem. The Company also makes sure that it complies with all its official obligations relating to the environmental aspects.

However, as your company is involved in textile business, and due to the nation-wide lockdown, the production and demand of textile product was reduced, it did cause a short-term impact on the working, but a surge in demand was witnessed in the unlocking phase. The demand of products is expected to rise with the improving conditions. Hereby, on behalf of the company, I would like to assure that your company does not foresee any impact in respect of its existing contracts and agreements and its long-term sustainability is expected to remain unharmed.

I would like to take this opportunity to thank each and every employee as well as others who are associated with R & B Denims Limited in any way and also our partners across the value chain for their commitment and service to us. Most importantly, I would like to thank you, our shareholders, for our overwhelming trust, support and confidence in R & B Denims Limited.

Thank You for your Support

”

Director's Message

Mr. Amit Kumar Dalmia

Whole-time Director

Dear Esteemed Stakeholders,

It gives me great pleasure to share with you the exceptional performance of the Company in FY 20-21. Your Company has touched new heights, strengthening our position in the Denim Market by Market Capitalization and Profitability.

The COVID-19 pandemic disrupted several lives and dealt a severe blow to the economic health of the nation. In these challenging times, your company has started multiple initiatives in FY 21 to reduce cost structurally. The cost reduction initiatives were accelerated in the COVID Scenario will help to improve profitability when sales get back to normal. Your Company has also improved its cash position with inflow of Cash from consolidated operations of Rs. 15.98 CR in FY 21.

I will now update you on your company's Major investment Decisions. As a step towards green future and sustainable growth Your Company has decided to invest in Sustainable energy by investing in solar energy plant and Wind energy plant. We have installed on Site Solar plant having capacity of 1200 KW and off site Wind mill with the capacity of 2.7 MW. This plants will contribute to 60% of our total power consumption.

Consolidated Financial Performance-I am delighted to share that the EBITDA margins of your company has expanded around 2x from 7.8% in FY 20 to 14.6% during FY 21. PAT margins of R&B Denims Ltd has improved by almost 4x from FY 20 to FY 21. Our revenue has shown a declining trend because of COVID Impact however our margins are improved. The Debt to equity ratio of our company has decreased from 2.24 times in FY 20 to 1.67 times in FY 21. We will continue to strengthen the balance sheet of the company through debt reduction and effective working Capital management.

While the changing industry trends, we remain eagle-eyed with our inventory management policies. The efficient inventory management helped increase sales, maintain prudent working capital and increased productivity. We increased proportion of our Premium products thereby strengthening our margins. The Coaction of our techniques shall help to create enhanced value for our stakeholders.

Lastly, I would like to thank our customers, bankers, employees, stakeholders for their continued support that helps us to continuously raise the bar of excellence.

Q&A with WTD

How would you see the challenging year FY 21?

Although FY 21 was a challenging year but with the help of our acute strategies and government support to increase liquidity in the market we are been able to pass this phase with flying colors. We have planned our purchases and inventory management in such a way that our profits are not impacted by the increasing prices of raw material after sudden boom in denim market in Oct-20 that gives us competitive advantage in the market and as a result we have been able to maintain a healthy balance sheet with robust cash flow from operations and low debt-equity ratio.

Could you throw some light on the critical success factor of the company?

We are continuously focusing on increasing market share, reducing Operational Cost, maintaining an efficient internal control system and strengthening the healthy relation with the existing customers for the recurring business. We are continuously looking our financial performance to check where we can improve, this cumulative approaches has led us to achieve the position where we are standing today.

What is the strategy for making a future ready company?

At the start of 2020 no one could have predicted that we'd experience a global pandemic, lockdowns and an economic upheaval. However to make the company future ready we believe in clear and adaptable detailed strategies that reacts quickly to new trends or challenges and are quicker to market

than competitors . Denim continues to remain an indispensable part of fashion lifestyle for the youth, across the world. We with our backward integration, strong liquidity, better negotiation skills and extensive strategies will continue to offer best combination of product price and commitment to our customers and expand our business to emerge as a global player.

What are your future plans as regards the growth of the business?

We plan to capture the changing trends and technology that is relevant for our growth and adds to our competitive edge in the market. We also continue to aggressively expand our footprints in Domestic as well as international market to add diversity and reduce dependency on particular market to overcome the certain geographical hindrances that affects the business so that we can continuously add value to the portfolio of our shareholders.

Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43

B) Login Method for e-Voting shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL:
<https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - (a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote
 - (b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the initial

password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.

(c) How to retrieve your ‘initial password’?

(i) If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.

(ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.

6. If you are unable to retrieve or have not received the “ Initial password” or have forgotten your password:

a) Click on “Forgot User Details/Password?”(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

b) Physical User Reset Password?” (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.

c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.

d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.

8. Now, you will have to click on “Login” button.

9. After you click on the “Login” button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle

2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period now you are ready for e-Voting as the Voting page opens.

3. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.

4. Upon confirmation, the message “Vote cast successfully” will be displayed.

5. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.

6. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders:

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned

copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to jainam.shah9091@gmail.com of Scrutinizer> with a copy marked to evoting@nsdl.co.in.

2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “Forgot User Details/Password?” or “Physical User Reset Password?” option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to (Name of NSDL Official) at evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories/ company for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to info@rnbdenims.com
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) to info@rnbdenims.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e. Login method for e-Voting for Individual shareholders holding securities in demat mode.
3. Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

Company Secretary & Compliance Officer

Place: Surat

Date: 31/07/2021

ANNEXURE TO NOTICE:**EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND OTHER APPLICABLE PROVISIONS****ITEM NO. 3:**

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of the Cost Auditor to conduct the audit of the cost records of the Company across various segments, for the financial year ending March 31, 2022 as per the following details:

Sr. No.	Name of the Cost Auditor	Audit Fees (Rs.)
1	M/s. V.M. Patel & Associates	35,000/-

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor as recommended by the Audit Committee and approved by the Board of Directors, has to be ratified by the members of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 3 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending March 31, 2022.

None of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in the resolution set out at Item No. 3. The Board recommends the Resolution set out at Item no. 3 of the Notice for approval of the Members. This Explanatory Statement may also be regarded as a disclosure under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Board recommends this Resolution for your approval.

Item No. 4

The Board, has approved the Related Party Transaction the company has entered into during the financial year ended 31st March, 2021 as per the following details.

Pursuant to the provisions of Section 188 of the Companies Act, 2013 ("the Act"), read with the Companies (Meetings of Board and its Powers) Rules, 2014 ('Rules'), the Company is required to obtain prior approval of the members by way of ordinary resolution, in case certain transactions with related parties exceeds such sum as is specified in the said Rules. The aforesaid provisions are not applicable in respect of transactions which are in the ordinary course of business and on arm's length basis.

However, pursuant to Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'Listing Regulations'), approval of the members through ordinary resolution is required for all material related party transactions, even if they are entered into in the ordinary course of business and on arm's length basis. For this purpose, a transaction is considered material, if the transaction/transactions to be entered into individually or taken together with previous transactions during a Financial Year exceed 10% of the annual consolidated turnover of the Company, as per the last audited financial statements of the Company.

The Company proposes to enter into contracts/ arrangements with related parties as mentioned below, which are in the ordinary course of business and on arm's length basis. Further, the estimated value of the proposed transaction is likely to exceed 10% of the annual consolidated turnover of the Company for the financial year ended on March 31, 2022 and therefore may exceed the materiality threshold as prescribed under Regulation 23 of the Listing Regulations. Thus, these transactions would require the approval of the Members by way of Ordinary

Resolution for the transaction or transactions either individually or taken together with the previous financial year.

Sr. No.	Name	Relation	Nature of Transactions	Amount for FY 2020-21(in Cr.)	Threshold for FY 2021-22 (in Cr.)
1	Bhagwati	Common Director	Sale of Fabrics	42.56	Upto 15.00
2	Ricon Industries	Sister Concern	Purchase of Yarn	6.33	Upto 75.00
			Factory	0.018	
3	RB Industries	Sister Concern	Purchase of Grey Fabric	55.15	Upto 120.00
			Job Income	2.93	Upto 5.00
			Sales of Fabrics	29.75	Upto 90.00
			Sub-Leasing Income	0.003	Upto 0.003

All the directors are relatives and shall be considered interested in every resolution to the extent of their relations.

Except Mr. Rajkumar Borana, Mr. Amit Dalmia, Mr. Deepak Dalmia and Mr. Ankur Borana and their relatives, to the extent of their shareholding, none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in the resolution set out at Item No. 4.

The Board recommends the Resolution set out at Item no. 4 of the Notice for approval of the Members. This Explanatory Statement may also be regarded as a disclosure under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Board recommends this Resolution for your approval.

Director's Report

To,

The Members

3. ROAD AHEAD

Our vision of becoming one of the top quality denim manufacturers and moving towards sustainable growth. Our priorities are as follows:

- Focus on increasing production
- Maintaining Price Competitiveness
- Moving up the value chain - Expanding the product line under own brand

R & B DENIMS LIMITED

CIN: L17120GJ2010PLC062949 | Regd. Off: Block No. 467, Sachin Palsana Road, Palsana, Surat-394315

Website: www.rnbdenims.com, E mail: info@rnbdenims.com, Ph: +91-9601281648

We are very excited to enter into the new phase of growth and will continue to invest in our capabilities to increase our presence prudently and create value for the shareholders. We would like to be thankful to the entire stakeholder for being part of the journey.

4. DIVIDEND

In view of the requirement of the profits for strengthening of the company, the directors have decided to plough back the profit into the business hence no dividend could be recommended for the year under review.

5. UNCLAIMED DIVIDEND

There is no balance lying in unpaid equity dividend account.

6. TRANSFER TO RESERVES IN TERMS OF SECTION 134(3)(J) OF THE COMPANIES ACT, 2013

For the financial year ended on March 31, 2021, the Company has proposed to carry an amount of Rs. 832.49 (in Lakhs) to Balance Sheet under the head other Equity.

7. COVID-19 IMPACT ON BUSINESS:

In the FY 2020-21, the COVID-19 pandemic developed rapidly into a global crisis, forcing governments across the globe to enforce lock-downs of all economic activity. For the company, the focus immediately shifted to ensuring the health and well-being of all employees, and on minimizing disruption to services for all our customers globally. In order to ensure smooth functioning, work from home facility was extended to many of the employees of the company. Although there were uncertainties due to the pandemic in the FY 2020-21, inherent resilience of the business model will position the company well to navigate the challenges ahead. But then also the Covid-19 will impact the finances of the company and its impact can be ascertained only after lifting of lockdown and life coming to stable position.

Moreover, due to lockdowns imposed in various states, dispatches of the goods to customers have adversely impacted. However, as per the different directives issued by the various government authorities, the Company has resumed operations in phased manner. The Company has ascertained the impact of this pandemic and made assessment that the impact of COVID-19 on company's business is likely to short to medium term.

The Company's operations and revenue were impacted on account of disruption in economic activity due to Covid-19 in the first six months of FY 2020-2021 but slowly and gradually company started recovering its position and in Quarter-3 and Quarter-4 of FY 2020-2021 was a landmark quarter as the business has delivered a strong performance that reflects a recovery since the pandemic set in.

The Company has done assessment of its liquidity position and expects to fully recover the carrying amount of receivables, investments, intangible assets and other assets. The Company has also evaluated the inventory in hands and found it's sufficient to honor the future orders. However, at this stage it's uncertain to evaluate the duration of the pandemic, if the current pandemic situation remains lasted for long period then the impact may be different from the estimates.

8. MATERIAL CHANGES

There are no Material changes occurred between the end of the financial year of the company to which the financial statements related and the date of the report, which is affecting the financial position of the company.

9. SHARE CAPITAL

The Authorized Share Capital of the Company as on 31/03/2021 was Rs. 255,000,000 and Paid up share capital of the Company as on 31/03/2021 was Rs. 139,946,880. There has been no such change in the Equity share capital of the Company during the year.

10. DEPOSITS

During the year, Company has not accepted any deposits from public within the meaning of the Section 73 of the Companies Act, 2013.

11. ANNUAL RETURN

Annual Return Pursuant to Section 92(3) read with Section 134(3)(a) of the Companies Act, 2013, the Annual Return as on the financial year ended March 31, 2021 is placed on the Company's website at [https://www.rnbdenims.com/investor/annual-return/Form-MGT- 7%202020-21.pdf](https://www.rnbdenims.com/investor/annual-return/Form-MGT-7%202020-21.pdf)

12. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND COMPANY'S OPERATIONS IN FUTURE

There was no significant material order passed by the regulators or courts or tribunals impacting the going concern status and company's operation in nature.

13. DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL

The Whistle Blower Policy has been posted on the website of the Company at <http://www.rnbdenims.com/investor/polices/VIGIL%20MECHANISM%20FOR%20DIRECTORS%20AND%20EMPLOYEES.pdf>

24. RISK MANAGEMENT

Risks are events, situations or circumstances which may lead to negative consequences on the Company's business. Risk Management is a structured approach to manage uncertainty. An enterprise wide approach to Risk Management is being adopted by the Company and key risks will now be managed within a unitary framework. As a formal roll-out, all business divisions and corporate functions will embrace Risk Management Structure, and make use of these in their decision making. Key business risks and their mitigation are considered in the annual/strategic business plans and in periodic management reviews. The risk management process over the period of time will become embedded into the Company's business system and processes, such that our responses to risk remain current and dynamic.

25. DIRECTORS RESPONSIBILITY STATEMENT

Pursuant to the provisions of Section 134(5) of the Companies Act, 2013, your directors hereby confirm:

- A. That in preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departments;
- B. That the directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period;
- C. That the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company for preventing and detecting fraud and other irregularities;
- D. That the directors had prepared the annual accounts on a going concern basis; and
- E. The directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively;
- F. The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

26. ANNUAL EVALUATION

Pursuant to the applicable provisions of the Act and the Listing Regulations, the Board has carried out an Annual Evaluation of its own performance, performance of the Directors and the working of its Committees based on the evaluation criteria defined by Nomination and Remuneration Committee (NRC) for performance evaluation process of the Board, its Committees and Directors.

The performance evaluation of the board was evaluated by the board after seeking inputs from all the directors on the basis of the criteria such as participation in decision making; participation in developing corporate governance; providing advice and suggestion etc.

The Committees of the Board were assessed on the degree of fulfillment of key responsibilities, adequacy of Committee composition and effectiveness of meetings.

The board reviewed the performance of the individual directors on the basis of the criteria such as the contribution in decision making, contribution of the individual director to the board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive suggestions and advice in meetings, etc. In addition, the chairman was also evaluated on the key aspects of his role.

In a separate meeting of independent directors, performance of non-independent directors, performance of the board as a whole and performance of the chairman was evaluated, taking into account the views of executive directors and non-executive directors. Performance evaluation of independent directors was done by the entire board, excluding the independent director being evaluated.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. DISCLAIMER

Statements in the Directors' Report & Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make difference to the Company's operations include raw material availability and its prices, cyclical demand and pricing in the Company's principle markets, changes in Government regulations, tax regimes, economic developments within India and the countries in which the Company conducts business and other ancillary factors.

2. OVERVIEW OF ECONOMY

The Indian economy was negatively impacted by an unprecedented health crisis in 2020-21 with the highly contagious corona virus (Covid-19) spreading across the country. In response to the pandemic, Government has taken several proactive preventive and mitigating measures starting with progressive tightening of international travel, issue of advisories for the members of the public, setting up quarantine facilities, contact tracing of persons infected by the virus and various social distancing measures. Government imposed a strict 21 days nationwide lockdown from 25th March, 2020, under the Disaster Management Act, 2005, with subsequent extensions and relaxations, to contain the spread of Covid-19 while ramping up the health infrastructure in the country. The lockdown measures, imposed to contain the spread of Covid-19 pandemic in India, ubiquitously affected employment, business, trade, manufacturing, and services activities. The real Gross Domestic Product (GDP) growth is projected to contract by 7.7 percent in 2020-21 as compared to a growth of 4.2 percent in 2019-20. GDP growth, however, is expected to rebound strongly in 2021-22 owing to the reform measures undertaken by the Government.

As per the first Advance Estimates of annual national income released by the National Statistical Office (NSO), Real GDP is estimated to contract by 7.7 percent in 2020-21, as compared to a growth of 4.2 percent in 2019-20. This contraction in GDP growth is mainly attributed to the contraction in industry and services sector. The growth of Gross Value Added (GVA) at constant (2011-12) basic prices is estimated to contract by 7.2 percent in 2020-21, as compared to a growth of 3.9 percent achieved in 2019-20. Positive growth in real GVA in agriculture & allied sectors at 3.4 percent in 2020-21 against 4.0 percent in PE of 2019-20 indicates resilience of rural economic activity to the Covid-19 pandemic. From the demand side, private consumption expenditure is estimated to contract at 9.5 percent in 2020-21 as against a growth of 5.3 percent in 2019-20 and fixed investment is estimated to decline by 14.5 percent in 2020-21 as against 2.8 percent in 2019-20. Government consumption final expenditure is estimated to grow at 5.8 percent in 2020-21 as against 11.8 percent in 2019-20. Exports and imports of goods and services are estimated to contract at 8.3 percent and 20.5 percent (at constant prices) respectively in 2020-21.

3. INDIAN TEXTILE MARKET

The textiles and apparel industry in India has strengths across the entire value chain from fiber, yarn, fabric to apparel. It is highly diversified with a wide range of segments ranging from products of traditional handloom, handicrafts, wool and silk products to the organized textile industry. The organized textile industry is characterized by the use of capital-intensive technology for mass production of textile products and includes spinning, weaving, processing, and apparel manufacturing.

The domestic textiles and apparel industry stood at \$108.5 bn in 2019-20 of which \$75 bn was domestically consumed while the remaining portion worth \$28.4 bn was exported to the world market. Textiles and garments industry is expected to reach \$190 bn by 2025-26 from \$103.4 bn in 2020-21.

Cotton production supports 5.8 million farmers and 40-50 million people in allied sectors.

Further, the domestic consumption of \$75 bn was divided into apparel at \$55 bn, technical textiles at \$15 bn and home furnishings at \$5 bn. While exports comprised of apparel exports at \$12 bn; home textiles exports at \$4.8 bn; fabric exports at \$4 bn; yarn exports at \$3.8 bn; fiber exports at \$1.8 bn and others at \$2 bn.

4. ROAD AHEAD

India is working on major initiatives, to boost its technical textile industry. Owing to the pandemic, the demand for technical textiles in the form of PPE suits and equipment is on rise. Government is supporting the sector through funding and machinery sponsoring.

Top players in the sector are attaining sustainability in their products by manufacturing textiles that use natural recyclable materials.

The future for the Indian textiles industry looks promising, buoyed by strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market.

High economic growth has resulted in higher disposable income. This has led to rise in demand for products creating a huge domestic market.

Major Trends in Textile & Apparel Industry:

1. Emergence of new garmenting hubs: Increase in labour and raw material cost has brought a shift in global textile industry, forcing companies to shift their base from developed countries to developing countries like India, Ethiopia, Myanmar, Vietnam and Cambodia. These developing countries offer cheap labour and good quality raw material at lower prices.
2. Increasing importance of Industry 4.0: Textile 4.0 is a fourth industrial revolution focusing on automation of industry. This automation can be achieved by data exchange, robotics, the internet of things, cloud computing and through various other measures. This automation will result in lower operating cost with customary processes and improved quality standards.
3. Development of new trade Alliances: Trade alliances and Free Trade Agreement (FTA) are some measures by various governments to connect markets. Through this the exchange of technologies will become easier. These alliances will ultimately lead to increase in flow of FDI, improved infrastructure and more job opportunities helping economies to grow.
5. Shift towards Sustainable Fashion: With rising awareness about climate change, consumers prefer brands that adopt sustainable business practices. As a result, the textile industry has been witnessing a shift towards sustainable processes right from manufacturing of products to selling them. This shift will not only enable them to reduce their footprints on the environment but also offer sustainable fashion solutions.

5. INDIAN DENIM MARKET

Since the last decade, the Indian Denim Industry has shown a high-quality boom. Today, the country has a great denim production capacity of around 1.1 billion meters per annum.

By the year 2020, the worldwide denim marketplace is forecast to reach USD 64.1 billion. The Indian denim marketplace covers 80-85 percentage of total denim manufacturing. Despite this amazing

statistic, the Indian denim production contributes only 5 percent to the worldwide textile industry. According to industry experts, denim is the handiest segment in India that can develop manifolds to the existing marketplace.

Growing denim manufacturers across the globe are looking at India as an emerging denim export area wing to its first-class standards, cost-effectiveness, and a massive pool of tremendous workforce.

In the Indian apparel market, the denim market is driven by growing disposable incomes, westernization of work culture, and ensuing upward push inside the popularity of denim jeans.

In the era of globalization, younger India prefers denim as part of their wardrobe essential. As consistent with the Indian consumer story, the middle class is majorly driving the boom of denim marketplace.

Indian production and intake have grown at a compounded annual growth rate (CAGR) of as much as 15 percent over the past decade and is predicted to develop at similar rate in the coming years.

6. INDUSTRY OUTLOOK

Indian Denim Industry is showing a notable increase in recent years. Indian denim brands and manufacturers are focusing on increasing their export globally. Considering the significant proportion that India commands inside the international trade of textile and garb, and the industry is ready to add more exceptional manufacturing capabilities.

Along with a boom in potential, encouraging fabric guidelines and favorable exchange fee moves could help India achieve a large export boom.

By the year 2020, the additional ability will be added to existing production facilities; the ratio of home and exports is possibly to alternate from 65:35 to 55:45.

The Indian government is taking many initiatives to enhance the country's textile area. The benefits offered by government authorities are in all likelihood to percolate to the Indian denim industry in the coming years. This will also ensure its steady growth, and fuel the growth of the denim industry in India.

7. TRENDZ IN DENIM INDUSTRY

Denim wear has dominated the garment space for a long time. With innovation & trends set by the fashion industry it is good to have a look at the product trends in the denim industry.

Fits: Nineties Denim is making its way in the market as a vintage trend concept, and attracting a lot of eyeballs, especially from the youth segment. A looser fit – varying from baggy, high-waisted jeans, oversized and slightly ill-fitted are making a comeback in the market. The sale of straight leg jeans is also gaining momentum and it could be the future of denims in the years to come.

Colors: The classic blue wash & greys are making a comeback. White is also making its mark in the denim sector as searches for white denim rose 42% since the beginning of March 2019 as per Global Fashion Search Platform, Lyst. The monochromatic trend is gaining momentum. The wide acceptance of the same has encouraged brands to continue it for the future as well.

Design: Denim design and patterns like ruffled trims, embroidered patches, knots, cigarette hem ankle length, jeans with slits etc. are catching the youth's attention. The popularity of at leisure wear has influenced street wear in the last few years and denim has started following the same trend by incorporating side stripes, ribbons & pin-tucks etc. to lend a sporty chic feel to the pieces.

Fashion Trends: The one trend that has been going on for ages now is denim on denim. One can easily carry a casual look while wearing their favorite denim with a denim shirt. This trend ensures

that the consumption of denim will grow at a higher rate in the coming years. In a report by Edited, the outerwear category in denim has grown 101% in the last two years. The printed and embroidered denims are appealing to the youth. Designs like slangs, flora & fauna are being used with denim jeans, jackets etc. The culottes are gaining a lot of popularity among the working population as smart casuals like denim is strongly holding up as a part of corporate wear.

Fabric: Denim fabric is primarily made up of cotton but in the last decade or so, the demand for stretch and soft handle denim is growing exponentially. People are looking for feel good factor in their denim, so comfortable and stretchable fabrics are taking centre stage. Mills continue to invest in elastic fabrications, be it stretch in the warp, bi- stretch or hyper-stretch. The use of blended fabric with Lycra, modal & tencel in denim will grow rapidly in the coming times.

8. SWOT ANALYSIS OF DENIM INDUSTRY

STRENGTHS

- Jeans are a wardrobe staple that everyone owns.
- The denim market is segmented into smaller and niche sections, making it easier to target different consumers. The demand is increasing in both domestic as well as international markets.
- Competitors are not competing on exactly the same product. Difference styles, prices and materials are available.
- Easy diversification into other product lines like footwear, innerwear, accessories to make it a complete lifestyle brand.
- Automation of production processes and proper infrastructure
- Availability of raw materials

WEAKNESS

- The high impact the cotton industry has on the environment as a result of denim manufacturing.
- The denim market is already dominated by several big brands.
- Increase in mid-market / value retailers results in a negative impact for the higher end retailers and increase an opportunity to introduce lower market brands.
- Fluctuation in prices to cope up with changing demands and trends.
- Short time for optimization of products.
- Unavailability of skilled labour.
- Increase in unit cost, high tariff barriers and export duties.

OPPORTUNITY

- Better consumer knowledge and power driving the demand for more ethical and sustainable denim
- Innovative ways of manufacturing denim and more ways to differentiate from competitors.
- People are willing to buy quality products and long lasting investment pieces at a competitive prices.
- Establishment of E-commerce allows more consumers to enter the chain of market.
- Apart from manufacturing jeans the fabric is used in manufacturing of other products like shirts, trousers, handbags etc.
- Introduction of sustainable development practices.

THREATS

- The market is saturated with existing brands.
- The market is continuously growing with brands coming up with innovative ways to compete and stay relevant in the market.
- The ethical denim market already has a number of early entrants which have gained significant market share.
- Unstable economy results in reduced consumer confidence and spending.
- The entry of several international players in the retail industry after opening up of FDI would also pose as a threat for the brand.
- It is difficult to make balance between price and quality when competitors have lower price.
- Quick obsolescence of technology.

CUSTOMER ORIENTED ORGANISATION:

R & B Denims Limited makes constant efforts to include the diversity in people around the globe by creating products that would meet every customer's wishes. Customers are also offered delivery services, and R&B Denims Limited makes sure that the products are delivered on time regardless of any procurement hassles. The company believes in working with passion to honor every commitment made to its customers. It also prioritizes regular product innovation to give customers the best experience. Quality and variety has always been one of the major focuses of the company.

9. FINANCIAL RESULTS & PERFORMANCE*(Rs. in Lakhs)*

Particulars	For the year ended 31-03-2021*	For the year ended 31-03-2020*

* Figures regrouped wherever necessary

The Company discloses financial results on quarterly basis of which results are subjected to limited review and publishes audited financial results on an annual basis. The Financial Statements as stated above are also available on the Company's website www.rnbdenims.com.

During the year, Your Company recorded total revenue of 17,766.37 Lacs against Rs. 25,835.70 Lacs

in the previous year, representing a decrease of 31.23% during the year and Profit before Tax Rs. 1,015.99 Lacs as compared to Rs. 452.76 Lacs during the year. Total Income during the year Rs. 846.16 as compared to Rs. 335.71 in the previous year.

10. OUTLOOK:

The Indian textile industry at large, as well as the denim industry in specific, is expected to grow further in the coming years. The global industry also has a promising future. This implies growth opportunities for R & B Denims Limited, in the domestic as well as global market. Owing to the growth in demand of apparels, especially from developing countries, as well as rise in income, the demand for denim has significantly increased and will continue to grow. Over the last 4-5 years, denim demand has increased steadily and several Indian denim players, including our company, have increased their capacity under the prevailing government incentive scheme. The industry has become more competitive in these terms. However, the recent outbreak of Covid-19 pandemic has significantly impacted the industry as well as the Company. The situation has caused temporary slowdown and is estimated to bounce back once the situation gets normalized. The Company's values that focus on constant evolution and product innovation will help it in maintaining its strong standing in the industry and will eventually help in growing further in the future.

11. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has made adequate investment for an effective internal control and risk-mitigation system, and they are constantly assessed and strengthened from time to time with new standard operating procedures. The Audit committee, in its meeting, along with the CFO formulates a detailed audit plan for the internal auditor to test and review controls, appraisal of risks and business processes, besides benchmarking controls with best practices in the industry. The Internal Auditors attend the Meetings of the Audit Committee at regular basis and submit their recommendations to the Audit Committee. The Audit Committee in consultation with the Statutory Auditors and the Business Heads reviews the recommendations placed by the Internal Auditors, suggests improvements, take corrective actions, wherever needed, to strengthen the internal control system and place it before the Board. Significant audit observations and corrective actions taken by the management are presented to the Audit Committee. To maintain its objectivity and independence, the Internal Audit function reports to the Chairman of the Audit Committee.

12. KEY RISKS

RISK AND CONCERNS

The Company is exposed to specific risks that are particular to its business and environment within which it operates, including Foreign Exchange Risk, Interest Rate Risk, Commodity Price Risk, Risk of Product Concentration and other Business Risk. While risk is an inherent aspects of any business, the Company is conscious of the need to have an effective monitoring mechanism and has put in place appropriate measure for its mitigation including business portfolio risk, financial risk and legal risk and internal process risk.

The list of the potential risks the industry is exposed to domestically/internationally is given below:

Business Operational Risk: The business operational risk is defined as the risk of loss resulting from inadequate or failed internal processes, people and systems, or from external events like economic and market conditions, cut throat competitions at local as well as at international level, introduction of new players in textile markets, even events which are not directly connected with the organization like natural disasters, political and military turmoil etc. It can be minimized by decreasing labour turnover, power cost, logistics, balancing demand & supply risks, implementing latest technologies to create new and innovative designs of textile products, techniques required to upgrade plants, boiler house, machines, equipment, Un-interrupted availability of raw material

at competitive prices so as to avoid production loss, maintenance of quality and harmonizing production for completing the orders in time as well. Fluctuations in yarn prices in international market which can impact the price / cost of a particular product(s) and its blend(s) is also a part of business operational risk.

Environmental Risk: The safety of environment is important because of its ecological, economic or social significance to an ecosystem. If environment get impact/suffer more due to highly polluting nature or due to violation of any environmental law/norms by the industry/business then it may get adverse remarks from the Regulator/Statutory Authority or may have to face penal provisions as well as implications. An effort should be made to recycle the waste, make reusable products, and use natural resources instead of hazardous chemicals to protect the environment.

Raw material risk: There is always a risk of inadequate or non-availability of raw materials in the market due to volatility in the prices of cotton, transportation cost etc which could impede business profits and prospects.

Quality risk: Easy entry of various competitors in the market could affect the quality of products in order to match the competitive prices. Also inability to match the stringent quality standards of leading retails brands consistently could impact product off take.

Working capital risk: To expand the business operations requires increased working capital and its proper management.

Purchasing power risk: It means loss of purchasing power due to the effect of inflation. This risk is also known as inflation risk. When there is inflation in the economy, the currency loses its value due to the rising price level in the economy. The higher the inflation rate, the faster the money loses its value.

Foreign Exchange / Currency risk: It is the uncertainty associated with changes in the relative value of currencies. Currency risk arises from the change in price of one currency against another. The Company while doing foreign transactions deals with the currencies of other countries and therefore any fluctuations in foreign currency may impact margins of Company. The fluctuations in the exchange rate are caused basically by the supply of and the demand for the currencies being exchanged. The depreciation in exchange rate increases the risk of foreign banks, which leads to large foreign currency exposures in the emerging markets. The adverse exchange rate movement increases the repayment obligations of the banks' borrowers in terms of domestic currency. The investors or companies, in order to avoid currency risks should properly hedge their positions with the foreign banks.

Financial Risk: It is the uncertainty associated with how firms finance its business like by issue of shares, debentures, taking loans from government / financial institutions etc. Such financial transactions also include risk of default in payment of interest, dividend or repayment of capital due to various internal or external factors like increase in credit days of debtors, inflation, interest rate fluctuations, change in government policies etc. It may lead to loss of liquidity, falling assets value, significant change in cash inflow and outflow etc.

Liquidity Risk: Liquidity Risk reflects the possibility/position that a party may have insufficient funds to settle an obligation for full value when due because of insufficient capital or difficulty in selling as asset or an investment to generate capital, but will have funds to cover settlement obligations on some unspecified date thereafter. In non-bankruptcy situations, the allowable methods to cover short positions are generally driven by local market conventions. As a result, liquidity could be adversely affected by prohibitions on transactions such as Repos, Reverse Repos, Securities Lending and other allied components.

Global Risk: Global risk refers to an uncertain event or condition that can cause significant negative

impact to several countries or industries for a long period of time. India is still emerging in the market of textile industries. There is a tremendous competition around the world. Indian manufacturers will have to face a tough fight to sustain in the competition. Due to poor infrastructure facilities, the production and transaction cost remain high in India. Also India's logistic disadvantage due to its geographical location can give it a major thumbs-down in global trade. As a result, high cost of shipments and longer lead time coupled with lack of infrastructure facility may prove to be a major hindrance. To overcome this problem, India needs to increase the size of its industrial infrastructure to capture the efficiencies of the economies of scale and it must cluster the textile production.

Political Risk: Political risk may be defined as the probability that a political event will impact adversely on a firm's profit. It represents the financial risk that a country's government will suddenly change its policies. A new law or a change in an existing could have a significant impact on an investment. Whatever laws the government passes today may be extinct tomorrow. This risk covers restriction on remittances in the buyer's country or any government action which may block or delay payment to the exporter, war, revolution or civil commotion in the buyer's country, cancellation or imposition of new export / import licensing restrictions in the buyer's country, any other kind of loss occurring either in India or outside India which is not within the control of the exporter or the buyer.

Technological risk: Technology can response corporate culture and facilitate innovative procedures. In a garment manufacturing industry, the firm is constantly required to make changes and transformations in the production process over time, upgrade their machinery besides creating new facilities and additional capacities in order to survive in the highly competitive market.

13. Working Capital

Working capital requirement in the business went up because of the fact that our key distributors are required to offer elongated credit to the garment manufacturers who are their customers, and the garment manufacturers are also required to offer extended credit periods to their own customers and thus in the process the entire working capital cycle has been significantly elongated.

14. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has appropriate internal control systems for business processes, with regard to efficiency of operations, financial reporting, compliance with applicable laws and regulations etc. All operating parameters are monitored and controlled. Regular internal audits and checks ensure that responsibilities are executed effectively. The system is improved and modified continuously to meet with changes in business conditions, statutory and accounting requirements. The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of internal control systems and suggests improvement for strengthening them, from time to time.

15. HUMAN RESOURCES DEVELOPMENT / INDUSTRIAL RELATION

The Company rely that the health and safety of the workers and the persons residing in the vicinity of its plants is fundamental to the business. Commitment to the identification and elimination or control of the workplace hazards for protection of all is utmost importance. The manufacturing operations are conducted to ensure sensitivity towards the environment and minimize waste by encouraging "Green" practices. The Company continued to enjoy healthy industrial relations during the year.

16. SUSTAINABLE DEVELOPMENT

Sustainability has been deeply embedded into the Company's business and has become an integral part of its decision making process while considering social, economic and environmental dimensions. During the year 2020-21, a Sustainable Development Strategy was developed with a focus on the following areas:

1. Water Pollution Control Measures

- Our Company adopted the Policy called “Reduce, Reuse and Recycle” and installed the Rain water harvesting system for Reducing water consumption additionally we are Re-using the water utilized at finishing stage of Denim Fabric. Also, our Company is a member of Gujarat Eco-Textile Park (GETP) since 2014, the Company has make sure that it implements various measures across all its operations to control fugitive emissions from polluting our water bodies and also Re-Cycling the polluted water to reusable condition.

2. Air Pollution Control Measures

- The Company has also installed Air Receiver in the weaving department to reduce and control on toxin emissions. Our Company has obtained a license from Gujarat Pollution Control Board (GPCB) to ensure pollution control. GPCB ensures that the pollution control limits are maintained by surprise inspections at the factory.

3. Power & Energy Control Measures

- Our company has invested in Solar and Wind Energy in FY 2020-2021. The Company generates renewable energy in-house through roof-top solar PV, off-site captive wind farms. Solar Plant is commenced from the mid of April’ 2021 and Wind Plant is commence from 1st August, 2021. A Combined Renewable energy of solar and wind will be around 9.6 Million units in a year. This would be equivalent to Rs. 60% of total power Consumption of the Company.

17. HEALTH & SAFETY

The company believes Health & Safety as an indispensable province. Company has placed suitable facilities for all workers and employees like proper lighting, ventilation, no congestion, medical kits, stretchers, fire extinguishers etc. at prominent places. Personnel at supervisory level have been trained in basic life support techniques.

The safety measures taken by the company has resulted in improving the conditions under which workers are employed and work, consequently increasing the productivity.

18. INFRASTRUCTURE

The company is equipped with modern infrastructure facilities which assist in smooth production. The company’s manufacturing unit is outfitted with advanced machines and equipment and a trained staff, who have years of experience behind them.

To sell products to the clients, the company has facilitated a smooth transportation mechanism through a strong base of transporters and traders.

19. SIGNIFICANT CHANGES:

Ratios (Based on Standalone Financials)	2020-21	2019-2020
Debtor Turnover Ratio	3.49 times	5.89 times
Inventory Turnover Ratio	19.66 times	25.13 times
Interest Coverage Ratio	3.72 times	2.28 times

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31.03.2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
R & B Denims Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by R & B Denims Limited (herein after called “the company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my ratification of the company books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers; minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts(Regulation) Act, 1956 ('SCRA') and the rules made thereunder
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015
 - b. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - c. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - d. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;(Not Applicable during the review period)
 - e. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme)Guidelines, 1999; (Not Applicable during the review period)
 - f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not Applicable during the review period)

- g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and (Not Applicable during the review period)
- i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- j. Employees Provident Fund and Miscellaneous Provisions Act, 1952 (Not Applicable during the review period)
- k. Employees State Insurance Act, 1948
- l. Employers Liability Act, 1938
- m. Environment Protection Act, 1986 and other environmental laws
- n. Equal Remuneration Act, 1976
- o. Factories Act, 1948
- p. Hazardous Wastes (Management and Handling) Rules, 1989 and Amendment Rule, 2003
- q. Indian Contract Act, 1872
- r. Income Tax Act, 1961 and Indirect Tax Laws
- s. Indian Stamp Act, 1999
- t. Industrial Dispute Act, 1947
- u. Maternity Benefits Act, 1961
- v. Minimum Wages Act, 1948
- w. Negotiable Instruments Act, 1881
- x. Payment of Bonus Act, 1965
- y. Payment of Gratuity Act, 1972
- z. Payment of Wages Act, 1936 and other applicable labour laws

I have also examined compliance with the applicable clauses of the following:

- a. Secretarial Standards issued by The Institute of Company Secretaries of India.
- b. The Listing Agreements entered into by the Company with Bombay Stock Exchange Limited

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

I hereby report that, during the period under review the company has made the following non compliances:

- a. Delay in submission of disclosure of encumbrance shares directly or indirectly, for the financial year ended March 31, 2021. However there were no shares of the promoters and promoters group is encumbered in any manner
- b. Audited Financial Results for the Quarter and Year ended 31st March, 2020 is submitted two and a half hour late after the Board approve in Board Meeting. The delay was occurred due to power cut-off in the area where the registered office of the listed entity located.
- c. Inadvertent typo-graphical error in mentioning the presence of Independent Director in the Board Meeting dated 26th October, 2020. BSE levied a fine of Rs. 10,000/- for not complied with Regulation 17 (2A) of SEBI (LODR), Regulations, 2015 for the Board meeting held on 26/10/2020.

The company submits supporting documents viz: Attendance Register, Minutes of Meeting and Letter from Independent director for presence in the said meeting to BSE however BSE not consider the application along with supporting documents for taking back the imposed fine and the listed entity paid the fine imposed by BSE.

I further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there were no events/actions in pursuance of:

- a. Public/Right/Preferential issue of shares/debentures/sweat equity, etc.
- b. Redemption / buy-back of securities
- c. Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013.
- d. Merger / amalgamation / reconstruction, etc. take place
- e. Foreign technical collaborations take place during the audit year

INDEPENDENT AUDITOR'S REPORT

Independent Auditor's Report on the Quarterly and Year to Date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To

The Board of Directors of R & B Denims Limited

Report on the audit of the Standalone Financial Results

Opinion

We have audited the accompanying statement of quarterly and year to date standalone financial results of R & B Denims Limited (the "Company") for the quarter ended March 31, 2021 and for the year ended March 31, 2021 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the statement:

- a. is presented in accordance with the requirements of Regulation 33 of the Listing Regulations; and
- b. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter ended March 31, 2021 and for the year ended March 31, 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics Issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Standalone Financial Statements

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with

Regulation 33 of the listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other Irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent;

and the design, Implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to Issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material If, individually or in the aggregate, they could reasonably be expected to Influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, If such disclosures are inadequate, to modify our opinion.
- Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant

ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguard.

Other Matters

The Statement includes the results for the quarter ended March 31, 2021 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2021 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the listing Regulations.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of R & B Denims Limited ("the Company") as of 31 March, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Rs in Lakhs, except share and per share data, unless otherwise stated)

1) THE COMPANY OVERVIEW:

R & B Denims Ltd. is a Listed Public Limited Company incorporated and domiciled in India, having its registered office at Block No. 467, Palsana - Sachin Highway, Gujarat, India. The Company is engaged in the business of manufacturing and sale of quality Denim Textile products. The company caters both domestic and international markets.

2) BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

Statement of compliance and basis of preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time, the provisions of the Companies Act, 2013 ("the Companies Act") as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI").

Accounting policies have been applied consistently to all periods presented in these financial statements.

All amounts included in the financial statements are reported in lakhs of Indian rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

Basis of measurement

These financial statements have been prepared on the going concern basis and on a historical cost convention and on an accrual basis, except for the following material items which have been measured at fair value as required by relevant Ind AS;

- The defined benefit asset(liability) is as the present value of defined benefit obligation less fair value of plan assets and
- Financial instruments classified as fair value through profit or loss.

Use of estimates and judgment

The preparation of the financial statements in accordance with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgment in applying accounting policies that have the most significant effect on the amounts recognized in financial statements are included in the following notes:

- Useful lives of Property, plant and equipment [Note L]
- Measurement of defined benefit obligations [Note D]
- Provision for inventories [Note J]

- Measurement and likelihood of occurrence of provisions and contingencies [Note O]
- Deferred taxes [Note E]

Uncertainty relating to the global health pandemic on COVID-19

In assessing the carrying amounts of financial assets, inventory, receivables, advances, property plant and equipment, etc. as well as liabilities accrued, the Company has considered internal and external information up to the date of approval of these standalone financial statements including economic forecasts. Based on the current indicators of future economic conditions, the Company expects to recover these carrying amounts.

The impact of COVID-19 remains uncertain and may be different from what we have estimated as of the date of approval of these standalone financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

3) SIGNIFICANT ACCOUNTING POLICIES

(A) Current and non-current classification

The assets and liabilities reported in the balance sheet are classified on a “current/non-current basis”.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

(B) Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) prices in active market for identical assets or liabilities.
- Level 2 (if level 1 feed is not available/appropriate) - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 (if level 1 and 2 feed is not available/appropriate) - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amount approximates fair value due to the short maturity of these instruments.

(C) Revenue recognition:

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price. In cases where the company is unable to determine the standalone selling price, the company uses the expected cost plus margin approach in estimating the standalone selling price.

The company accounts for volume discounts and pricing incentives to customers as a reduction of revenue based on the ratable allocation of the discounts/ incentives to each of the underlying performance obligation that corresponds to the progress by the customer towards earning the discount/ incentive. If it is probable that the criteria for the discount will not be met, or if the amount thereof cannot be estimated reliably, then discount is not recognized until the payment is probable and the amount can be estimated reliably. The company recognizes changes in the estimated amount of obligations for discounts in the period in which the change occurs.

Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable

Dividend income

Dividends are recognized in Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

Trade receivables and Contract Balances

The company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue.

A receivable is a right to consideration that is unconditional upon passage of time. Revenues in excess of billings is recorded as unbilled revenue and is classified as a financial asset for these cases as right to consideration is unconditional upon passage of time.

The impact on account of applying the erstwhile Ind AS 18 Revenue instead of Ind AS 115 Revenue from contract with customers on the financials results of the Company for the year ended and as at March 31, 2021 is insignificant.

(D) Employee Benefits:

Short-term obligations

All employee benefits payable wholly within twelve months of rendering services are classified as short term employee benefits. Benefit such as salaries, wages etc are recognized in period in which the employee renders the related services. A liability is recognized for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

Contributions to defined contribution schemes such as employees' state insurance, provident fund, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The Company is a member of recognized Provident Fund scheme established under The Provident Fund & Miscellaneous Act, 1952 by the Government of India. The Company is contributing 12% of Salary & Wages of eligible employees under the scheme every month. The amount of contribution is being deposited each and every month. The contribution paid or payable under the scheme is recognized during the period under which the employee renders the related services. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

Defined Benefit Plans

In accordance with the Payment of Gratuity Act, 1972, applicable for Indian companies, the

Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. The Company recognizes actuarial gains and losses in other comprehensive income, net of taxes.

The code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

(E) Income Taxes:

Tax expense for the period comprises current and deferred tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized in other comprehensive income in which case the tax also recognized in other comprehensive income and except to the extent that it relates to items recognized directly in equity. The tax currently payable is based on taxable profit for the period. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The Company elected to exercise the option permitted under Section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has re-measured its Deferred Tax Assets basis the rate prescribed in the said section. The full impact of this change has been recognised in the statement of Profit & Loss for the year 2019-20.

Reconciliation of Effective Tax Rate

The reconciliation between the income before income taxes and the income tax provision to the amount computed by applying the statutory income tax rate is summarized below.

(Amount in Lakhs)

INCOME TAX RECOGNISED IN STATEMENT OF PROFIT AND LOSS	F.Y. 2020-21	F.Y. 2019-20
Current Tax	187.10	134.08
Deferred Tax	(5.20)	(9.18)
Short/Excess Tax Provision of the earlier year	1.59	(1.16)
Total Income Tax Expenses	183.49	123.74
The income tax expenses for the year can be reconciled to the accounting profit as follows:		
Profit Before Tax (Before Exceptional Item)	1015.99	452.76
Applicable Tax Rate	25.17%	25.17%
Computed Tax Expense	255.70	113.95
Tax Effect of:		
Exempted Income	(74.02)	(6.95)

Expenses Allowed	(93.34)	(106.54)
Expenses Disallowed	98.75	133.62
Business Deduction	-	-
Current Tax Provision (A)	187.10	134.08
Incremental Deferred Tax Liability on account of Property, Plant and Equipment and Other Intangible Assets	(6.40)	(6.13)
Incremental Deferred Tax (Asset)/Liability on account of Financial Assets and Other	1.21	(3.05)
Deferred Tax Provision (B)	(5.20)	(9.18)
Changes due to other calculation	1.22	(1.73)
Interest on Income Tax	0.38	0.57
Short/Excess Tax Provision of the earlier year (C)	1.59	(1.16)
Tax Expenses recognised in Statement of Profit and Loss (A+B+C)	183.49	123.74
Effective Tax Rate	18.06%	27.33%

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

Current tax and deferred tax shall be recognised outside profit or loss if the tax relates to items that are recognised, in the same or a different period, outside profit or loss. Therefore, current tax and deferred tax that relates to items that are recognised, in the same or a different period:

- in other comprehensive income, shall be recognised in other comprehensive income.
- directly in equity, shall be recognised directly in equity.

Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments:

Appendix C to Ind AS 12 clarifies the accounting for uncertainties in income taxes. The interpretation is to be applied to the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. The adoption of Appendix C to Ind AS 12 did not have any material impact on the standalone financial statements of the Company.

(F) Leases:

The Company determines that a contract is or contains a lease, if the contract conveys right to control the use of an identified asset for a period of time in exchange for a consideration. At the inception of a contract which is or contains a lease, the Company recognises lease liability at the present value of the future lease payments for non-cancellable period of a lease which is not short term in nature except for lease of low value items. The future lease payments for such non-cancellable period is discounted using the Company's incremental borrowing rate.

(G) Foreign Currency:**Functional and presentation currency**

The financial statements are presented in Indian Rupees (INR), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Foreign currency transactions

- Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.
- Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash-flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

(H) Cash & cash equivalents:

For the purpose of presentation in the Statement of Cash Flows, Cash and Cash Equivalents includes cash in hand, balances with the banks that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(I) Earnings Per Share:

Basic and Diluted earnings/(loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the balance sheet date but before the date the financial statements are approved by the board of directors.

(J) Inventories:

Inventories consist of raw materials, stores & spares, work-in-progress, stock-in-trade and finished goods. Inventories are valued at lower of cost and net realizable value (NRV) except for raw materials which is valued at cost.

Cost of raw materials and stores & spares includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition.

Cost of work-in-progress and finished goods includes direct materials, labor and proportion of manufacturing overheads based on the normal operating capacity, wherever applicable.

Cost of stock-in-trade includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be used are expected to be sold at or above cost, except in case of samples, fants & cut pieces.

(K) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial assets:

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Initial recognition and measurement

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value plus or minus, in the case of financial assets not recorded at fair value through Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Profit and Loss are expensed in the Statement of Profit and Loss.

Subsequent measurement

After initial recognition, financial assets are measured at:

- fair value (either through other comprehensive income or through Profit and Loss), or
- amortized cost.

Debt instruments

Debt instruments are subsequently measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through Profit and Loss ('FVTPL')

till de-recognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost is recognized in the Statement of Profit and Loss when the asset is derecognized or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair Value Through Other Comprehensive Income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss. When the financial asset is derecognized,

the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair Value Through Profit and Loss (FVTPL):

Assets that do not meet the criteria for amortized cost or FVOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL is recognised in Statement of Profit and Loss in the period in which it arises. Interest income from these financial assets is recognised in the Statement of Profit and Loss.

Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Financial liabilities:**Initial recognition and measurement**

Financial liabilities are initially measured at its fair value plus or minus, in the case of a financial liability not at FVTPL, transaction costs that are directly attributable to the issue/origination of the financial liability.

Subsequent measurement

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit and loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in Statement of profit and loss. Any gain or loss on de-recognition is also recognized in statement of Profit and Loss.

De-recognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

(L) Property, Plant and Equipment (PPE)

Items of Property, plant and equipment are acquired or constructed are initially recognized at historical cost net of recoverable taxes, duties, trade discounts and rebates, less accumulated depreciation, amortisation and impairment loss, if any. The historical cost of Property, plant and equipment comprises of its purchase price, borrowing costs and adjustment arising for exchange rate variations attributable to the assets, including any cost directly attributable to

bringing the assets to their working condition for their intended use. The estimated useful lives and amortisation period is reviewed at the end of each reporting period. Properties held are used for business purpose only and whenever it will be probable we will recognise as an investment property.

Capital Work-in-Progress represents Property, plant and equipment that are not ready for their intended use as at the reporting date.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The Company identifies and determines cost of each component/part of the plant and equipment separately, if the component/part has a cost which is significant to the total cost of the plant and equipment and has useful lives that is materially different from that of the remaining plant and equipment.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the year in which they are incurred.

Gains and losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

Depreciation methods, estimated useful lives and residual values

Depreciation is provided on written down value method based on the respective estimate of useful lives.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of PPE outstanding at each Balance Sheet date is classified as capital advances under 'Other non-current assets' and cost of assets not put to use before such date are disclosed under 'Capital work-in progress'.

The estimated useful lives of assets are as follows:

Category	Estimated Useful life
Buildings	60 years
Plant and machinery	5 to 15 years
Computer equipment and software	3 to 6 years
Office Equipments	5 to 15 years
Vehicle	3 to 5 years
Electrification	10 Years

(M) Intangible assets

Intangible assets purchased including acquired in a business combination are measured at cost of acquisition as at the date of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any.

(N) Government Grants

Government grants are initially measured at amount receivable from the Government and are recognized on an accrual basis only if there is reasonable assurance that they will be received and the company will comply with the conditions associated with the grant and for those grants which are uncertain are not recognized unless there is reasonable assurance of the same.

- In case of capital grants, they are then recognized in Statement of Profit and Loss on a systematic basis over the useful life of the asset.
- In case of grants that compensate the Company for expenses incurred are recognized in Statement of Profit and Loss on a systematic basis in the periods in which the expenses are recognized.

Export benefits available under prevalent schemes are accrued in the year in which the goods are exported and there is no uncertainty in receiving the same.

(N) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, is responsible for allocating resources and assessing performance of the operating segments and makes strategic decisions. Refer Note 28 for segment information presented.

(O) Provisions and Contingent Liabilities

A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

A summary of activity in provision as follows:

(Amount in Lakhs)

Particulars	Gratuity	Employee Benefits	Provisions for taxes	Expense Payable
Provision at the beginning of the year	18.37	2.36	794.91	21.56
Add: Additions during the year, net	4.62	13.84	192.77	407.29
Less: Utilized/ reversed during the year	11.27	14.18	135.44	375.95
Provision at the end of the year	11.72	2.02	852.24	52.44
Included in the balance sheet as	Non-Current	Current	Current	Current

Provision for taxes also includes provision for Vivad se Vishwas tax. The new scheme was introduced by the government. "The Direct Tax Vivad se Vishwas Act, 2020" as a dispute

resolution scheme, which was applicable to all appeals/petitions filed by the taxpayers or the income tax department, which were pending until 31 January 2020, before any appellate forum. The scheme offered complete waiver on interest and penalty to the taxpayers with a full and final settlement of the dispute if the scheme was availed by March 31, 2020. The government extended the deadline under the scheme without paying any interest and penalty to August 31, 2021.

Provision for taxes also includes provision for Vivad se Vishwas tax. The new scheme was introduced by the government. "The Direct Tax Vivad se Vishwas Act, 2020" as a dispute resolution scheme, which was applicable to all appeals/petitions filed by the taxpayers or the income tax department, which were pending until 31 January 2020, before any appellate forum. The scheme offered complete waiver on interest and penalty to the taxpayers with a full and final settlement of the dispute if the scheme was availed by March 31, 2020. The government extended the deadline under the scheme without paying any interest and penalty to August 31, 2021.

We have filed the declaration under the said scheme in March 2020 and by the end of March 31, 2021, the designated authority have accepted the declaration filed and have granted a certificate via Form 3. As per Ind AS-10, Events occurring after the Balance sheet date is an adjusting event and an entity should consider all such adjusting events till the date of approval of financial statements in the preparation of the financial statements and thereby we had created the provision in financial year 2019-20 for the amount payable under the scheme.

(P) Expenditure

Expenses are recognised on accrual basis.

(Q) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalised as part of the cost of that asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use.

Other borrowing costs are recognized as an expense in the period in which they are accrued / incurred.

(R) Cash flow statement

Cash flows are reported using the Indirect Method, as set out in Ind AS 7 'Statement of Cash Flow', whereby profit for the year is adjusted for the effects of transaction of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(S) Investments in Subsidiaries:

Company's investment includes investment in RB Industries which is a partnership firm and having its registered office at Plot No. B-11/2 & B-11/3, Hojiwala Industrial Estate Road No.11, SUSML, Surat and company have control over the firm at the year-end 31st March 2021. The share in profits of partnership firm is 60%. Investments are carried at cost and at the end of each reporting period any addition made and share of profit of the partnership firm is added to the cost and any withdrawal of investment by the company and share of loss of the partnership firm is deducted.

(T) Related parties

Parties where control exists:

- a) RB Industries–Partnership Firm

	Termination Benefits	-

(U) Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing

standards.

Amendments to IAS 16

On May 14, 2020 International Accounting Standards Board (IASB) has issued amendment to IAS 16 Property, Plant and Equipment — Proceeds before Intended Use (Amendments to IAS 16) which amends the standard to prohibit deducting from the cost of an item of property, plant and equipment any proceeds from selling items produced while bringing that asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Instead, an entity recognises the proceeds from selling such items, and the cost of producing those items, in profit or loss.

The effective date for adoption of this amendment is annual periods beginning on or after January 1, 2022, although early adoption is permitted. The Company is in the process of evaluating the impact of the amendment.

Amendments to IAS 8

On February 12, 2021 International Accounting Standards Board (IASB) has issued amendments to IAS 8 Accounting Policies, Changes in Accounting estimates and Errors which introduced a definition of 'accounting estimates' and included amendments to IAS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates.

The effective date for adoption of this amendment is annual periods beginning on or after January 1, 2023, although early adoption is permitted. The Company is in the process of evaluating the impact of the amendment.

Amendments to IAS 1

On February 12, 2021 International Accounting Standards Board (IASB) has issued amendments to IAS 1 Presentation of Financial Statements Making Materiality Judgements which requires the entities to disclose their material accounting policies rather than their significant accounting policies.

The effective date for adoption of this amendment is annual periods beginning on or after January 1, 2023, although early adoption is permitted. The Company is in the process of evaluating the impact of the amendment.

(V) Other Notes

- 1) The financial statements for the year ended March 31, 2021 were approved by the Board of Directors and authorised for issue on 08-06-2021.
- 2) In respect of new term loans taken by the company, Moratorium has been taken for the loans from the banks for a period of 12 Months.
- 3) The Company has invested in project of generating renewable energy through solar and wind Mill. The operations of the new project are likely to begin in year 2021-22.
- 4) Company has acquired shares of THE COSMOS CO-OP. BANK LTD. Though Fair Market Value certificate of the same is not available.
- 5) The Company's operations and revenue were impacted on account of disruption in economic activity due to Covid-19 in the first six months of FY 2020-2021 but slowly and gradually company started recovering its position in Q3 of FY 2020-2021 and in Q4 FY 2020-2021 was a landmark quarter as the business has delivered a strong performance that reflects a recovery since the pandemic set in however, the emergence of the second COVID wave in March has led to fresh curbs and resultant disruptions, adversely impacting footfalls, sentiment and operations. The management is continuing to closely monitor the developments and

Re-measurement of net defined benefit liability/(asset)		
Return on plan assets excluding interest income	-	-
Actuarial loss/ (gain) arising from financial assumptions	0.60	3.13
Actuarial loss/ (gain) arising from demographic assumptions	-	-
Actuarial loss/ (gain) arising from experience adjustments	(18.87)	(12.07)
Total	(18.27)	(8.95)
(c) Defined benefit plans – Gratuity:		
Current service cost	10.41	7.99
Net interest on net defined benefit liability/(asset)	1.21	1.37
Net gratuity cost/(benefit)	11.62	9.36
“Gratuity is applicable only to employees drawing a salary in Indian rupees and there are no other foreign defined benefit gratuity plans. The principal assumptions used for the purpose of actuarial valuation are as follows:”		
Discount rate	0.06	0.07
Expected return on plan assets	N.A.	N.A.
Expected rate of salary increase	0.05	0.05
The discount rate is based on the prevailing market yields of Indian government securities for the estimated term of the obligations. The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors. Salary escalation and attrition rate are considered as advised by the the company; they appear to be line with the industry practice considering promotion and demand & supply of the employees.		

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

(Rs. In Lakhs)

Particulars	31 st March, 2021	31 st March, 2020
Change in present value of defined benefit obligation is summarized below:		
Defined benefit obligation at the beginning of the year	18.37	17.95
Current service cost	10.41	7.99
Past service cost	-	-
Interest on obligation	1.21	1.37
Benefits paid	-	-
Remeasurement loss/(gains)	-	-
Actuarial loss/(gain) arising from financial assumptions	0.60	3.13
Actuarial loss/(gain) arising from demographic assumptions	-	-
Actuarial loss/(gain) arising from experience assumptions	(18.87)	(12.07)
Total	11.72	18.37
(d) Amount Recognized in the Balance Sheet		
(Present Value of Benefit Obligation at the end of the Period)	(11.72)	(18.37)
Fair Value of Plan Assets at the end of the Period	-	-
Funded Status (Surplus/ (Deficit))	(11.72)	(18.37)
Net (Liability)/Asset Recognized in the Balance Sheet	(11.72)	(18.37)
(e) Maturity Analysis of the Benefit Payments: From the Employer		
Projected Benefits Payable in Future Years From the Date of Reporting		
1st Following Year	0.07	0.08
2nd Following Year	0.15	0.29
3rd Following Year	0.24	0.38
4th Following Year	0.30	0.52
5th Following Year	0.38	0.63
Sum of Years 6 To 10	3.08	3.59
Sum of Years 11 and above	35.46	73.01
Maturity Analysis of Benefit Payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above.		
(f) Sensitivity Analysis		
Projected Benefit Obligation on Current Assumptions	11.72	18.37
Delta Effect of +1% Change in Rate of Discounting	(1.70)	(3.00)
Delta Effect of -1% Change in Rate of Discounting	2.13	3.82
Delta Effect of +1% Change in Rate of Salary Increase	2.13	3.85
Delta Effect of -1% Change in Rate of Salary Increase	1.74	(3.06)
Delta Effect of +1% Change in Rate of Employee Turnover	0.14	0.08
Delta Effect of -1% Change in Rate of Employee Turnover	0.10	(0.22)

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

“Risks associated with defined benefit plan

- **Salary Risk:** The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.
- **Interest rate risk:** A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.
- **Asset Liability Matching Risk:** The plan faces the ALM risk as to the matching cash flow. Company has to manage pay- out based on pay as you go basis from own funds.
- **Mortality risk:** Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

INDEPENDENT AUDITOR'S REPORT

Independent Auditor's Report on the Quarterly and Year to Date Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
R & B Denims Limited

Report on the audit of the Consolidated Financial Results

Opinion

We have audited the accompanying statement of quarterly and year to date consolidated financial results of R & B Denims Limited ("Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") for the quarter ended March 31, 2021 and for the year ended March 31, 2021 ("Statement"), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the statement:

- a. includes the results of the following subsidiary;
- a. RB Industries, Partnership Firm
- b. are presented in accordance with the requirements of the listing Regulations in this regard; and
- c. gives a true and fair view in conformity with the applicable accounting standards, and other accounting principles generally accepted in India, of the consolidated net profit and other comprehensive income and other financial information of the Group for the quarter ended March 31, 2021 and for the year ended March 31, 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Consolidated Financial Statements

The statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group in accordance with the applicable accounting standards prescribed

under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the listing Regulations. The respective Board of Directors of the companies Included in the Group are responsible for maintenance of adequate accounting records In accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, Implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included In the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to Issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material If, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud Is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Director.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to, continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results / financial information of the entities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included In the Statement of which we are the Independent auditors.

We communicate with those charged with governance of the Holding Company and such other entities included In the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them a” relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 Issued by the Securities Exchange Board of India under Regulation 33 (8) of the listing Regulations, to the extent applicable.

Other Matters

The Statement includes the results for the quarter ended March 31, 2021 being the balancing figures between the audited figures in respect of the full financial year ended March 31, 2021 and the published unaudited year-to-date figures up to the end of the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

Annexure ‘B’ to the Independent Auditor’s Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of R & B Denims Limited (“the Company”) as of 31 March, 2021 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that WE comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

(Rs in Lakhs, except share and per share data, unless otherwise stated)

1) THE COMPANY OVERVIEW:

R & B Denims Ltd. is a Public Limited Listed Company incorporated and domiciled in India. The address of its registered office is R & B Denims Limited, Block No. 467, Palsana-Sachin Highway, Gujarat, India. The Company is engaged in the business of manufacturing and sale of quality Denim Textile products. The company caters both domestic and international markets.

2) BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS:

Statement of compliance and basis of preparation

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time, the provisions of the Companies Act, 2013 ("the Companies Act") as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI").

Accounting policies have been applied consistently to all periods presented in these financial statements.

All amounts included in the consolidated financial statements are reported in lakhs of Indian rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

Basis of measurement

These consolidated financial statements have been prepared on going concern basis and a historical cost convention and on an accrual basis, except for the following material items which have been measured at fair value as required by relevant Ind AS;

- The defined benefit asset(liability) is as the present value of defined benefit obligation less fair value of plan assets and
- Financial instruments classified as fair value through profit or loss.

Use of estimates and judgment

The preparation of the consolidated financial statements in accordance with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgment in applying accounting policies that have the most significant effect on the amounts recognized in consolidated financial statements are included in the following notes:

- Useful lives of Property, plant and equipment [Note L*]
- Measurement of defined benefit obligations [Note D*]
- Provision for inventories [Note J*]
- Measurement and likelihood of occurrence of provisions and contingencies [Note O*]
- Deferred taxes [Note E*]

*As given in Company's Significant Accounting Policies in Standalone Financial Statements.

Uncertainty relating to the global health pandemic on COVID-19

In assessing the carrying amounts of financial assets, inventory, receivables, advances, property plant and equipment, etc. as well as liabilities accrued, the Company has considered internal and external information up to the date of approval of these Consolidated financial statements including economic forecasts. Based on the current indicators of future economic conditions, the Company expects to recover these carrying amounts.

The impact of COVID-19 remains uncertain and may be different from what we have estimated as of the date of approval of these Consolidated financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

3) SIGNIFICANT ACCOUNTING POLICIES

(A) Income Taxes:

Tax expense for the period comprises current and deferred tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized in other comprehensive income in which case the tax also recognized in other comprehensive income and except to the extent that it relates to items recognized directly in equity. The tax currently payable is based on taxable profit for the period. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The Company elected to exercise the option permitted under Section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has re-measured its Deferred Tax Assets basis the rate prescribed in the said section. The full impact of this change has been recognised in the statement of Profit & Loss for the year.

Reconciliation of Effective Tax Rate

The reconciliation between the income before income taxes and the income tax provision to the amount computed by applying the statutory income tax rate is summarized below.

INCOME TAX RECOGNISED IN STATEMENT OF PROFIT AND LOSS	F.Y. 2020-21	F.Y. 2019-20
	Consolidated	Consolidated
Current Tax	402.16	192.23
Deferred Tax	(6.82)	(9.56)
Short/Excess Tax Provision of the earlier year	1.69	127
Total Income Tax Expenses	397.03	183.93
The income tax expenses for the year can be reconciled to the accounting profit as follows:		
Profit Before Tax (Before Exceptional Item)	1723.11	555.21
Computed Tax Expense	502.80	149.75

Tax Effect of:		
Exempted Income	(74.02)	(6.95)
Expenses Allowed	(243.17)	(262.08)
Expenses Disallowed	216.55	311.51
Business Deduction	-	-
Current Tax Provision (A)	402.16	192.23
Incremental Deferred Tax Liability on account of Property, Plant and Equipment and Other Intangible Assets	(6.40)	(6.13)
Incremental Deferred Tax (Asset)/Liability on account of Financial Assets and Other	(0.41)	(3.43)
Deferred Tax Provision (B)	(6.82)	(9.56)
Changes in depreciation calculation and Other calculation	-	(1.67)
Changes due to Other Calculation	1.22	-
Interest on Income Tax	0.47	2.93
Short/Excess Tax Provision of the earlier year (C)	1.69	1.27
Tax Expenses recognised in Statement of Profit and Loss (A+B+C)	397.03	183.93

(B) Principles of Consolidation:

The consolidated financial statement relates to R&B Denims Limited (“the Company”) and its subsidiary entity (Partnership Firm). The consolidated financial statements have been prepared on the following basis:

- The financial statements of the company and its subsidiary entity are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra group transactions.
- Offset (eliminate) the carrying amount of the parent’s investment in subsidiary entity and the parent’s portion of equity of subsidiary entity.
- Non-Controlling Interest’s share of consolidated subsidiary entity is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company’s shareholders.
- As far as possible, the consolidated financial statements are prepared using uniform accounting policies for the like transactions and other events in similar circumstances and are presented in the same manner as the company’s separate financial statements.

Following Companies have been considered in preparation of Consolidated Financial Statements.

Name of Company	Nature of Interest	Country of Incorporation	Profit Sharing Ratio
RB Industries	Subsidiary entity	India	60%

4) OTHER SIGNIFICANT ACCOUNTING POLICIES

These are set out under “Significant Accounting Policies” as given in the Company’s Standalone Financial Statements.

Total	-27.40	-9.55
(c) Defined benefit plans – Gratuity:		
The Company has a defined benefit gratuity plan in India (unfunded). The company's defined benefit gratuity plan is a final salary plan for employees.		
Gratuity is paid from company as and when it becomes due and is paid as per company scheme for Gratuity. The Company's obligation in respect of the gratuity plan is provided for based on actuarial valuation using the projected unit credit method. The Company recognizes actuarial gains and losses immediately in other comprehensive income, net of taxes. Amount recognized in the statement of profit and loss in respect of gratuity cost (defined benefit plan) is as follows: “		
Current service cost	13.76	10.64
Net interest on net defined benefit liability/(asset)	1.66	1.71
Net gratuity cost/(benefit)	15.42	12.35
“Gratuity is applicable only to employees drawing a salary in Indian rupees and there are no other foreign defined benefit gratuity plans.		
The principal assumptions used for the purpose of actuarial valuation are as follows:”		

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

(Rs. In Lakhs)

Particulars	31 st March, 2021	31 st March, 2020
Discount rate	6.26%+6.26%	6.59%+6.56%
Expected return on plan assets	N.A.	N.A.
Expected rate of salary increase	0.05	0.05
The discount rate is based on the prevailing market yields of Indian government securities for the estimated term of the obligations. The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors. Salary escalation and attrition rate are considered as advised by the the company; they appear to be line with the industry practice considering promotion and demand & supply of the employees.		
Change in present value of defined benefit obligation is summarized below:		
Defined benefit obligation at the beginning of the year	25.23	22.44
Current service cost	13.76	10.64
Past service cost	-	-
Interest on obligation	1.66	1.71
Benefits paid	-	-
Remeasurement loss/(gains)	-	-
Actuarial loss/(gain) arising from financial assumptions	0.69	4.17
Actuarial loss/(gain) arising from demographic assumptions	-	-
Actuarial loss/(gain) arising from experience assumptions	(28.09)	(13.73)
Total	13.25	25.23
(d) Amount Recognized in the Balance Sheet		
(Present Value of Benefit Obligation at the end of the Period)	(13.25)	(25.23)
Fair Value of Plan Assets at the end of the Period	-	-
Funded Status (Surplus/ (Deficit))	(13.25)	(25.23)
Net (Liability)/Asset Recognized in the Balance Sheet	(13.25)	(25.23)
(e) Maturity Analysis of the Benefit Payments: From the Employer		
Projected Benefits Payable in Future Years From the Date of Reporting		
1st Following Year	0.08	0.11
2nd Following Year	0.16	0.39
3rd Following Year	0.24	0.53
4th Following Year	0.31	0.71
5th Following Year	0.43	0.86
Sum of Years 6 To 10	3.37	4.98
Sum of Years 11 and above	41.99	100.90
Maturity Analysis of Benefit Payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above.		

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

(Rs. In Lakhs)

Particulars	31 st March, 2021	31 st March, 2020
(f) Sensitivity Analysis		
Projected Benefit Obligation on Current Assumptions	11.72	18.37
Delta Effect of +1% Change in Rate of Discounting	(1.98)	(4.12)
Delta Effect of -1% Change in Rate of Discounting	2.48	5.27
Delta Effect of +1% Change in Rate of Salary Increase	2.49	5.30
Delta Effect of -1% Change in Rate of Salary Increase	1.46	(4.21)
Delta Effect of +1% Change in Rate of Employee Turnover	0.10	0.12
Delta Effect of -1% Change in Rate of Employee Turnover	0.13	(0.32)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

“Risks associated with defined benefit plan

Gratuity is a defined benefit plan and company is exposed to the Following Risks:“

- **Salary Risk:** The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.
- **Interest rate risk:** A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.
- **Asset Liability Matching Risk:** The plan faces the ALM risk as to the matching cash flow. Company has to manage pay- out based on pay as you go basis from own funds.
- **Mortality risk:** Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

24. Fair Value		
The fair value of cash and cash equivalents, trade receivables, borrowings, trade payables, other current financial assets and liabilities approximate their carrying amount largely due to the short-term nature of these instruments. The Company's long term debt and investment in fixed deposit have been contracted at market rates of interest. Accordingly, the carrying value of such instruments approximates their fair value.		
The fair value of investment in shares of The Cosmos Co-operative Bank Ltd. has been valued using cost approach.
