Annexure-VII**Management Discussion and Analysis**

Cochin Minerals and Rutile Limited is a 100 percent Export Oriented unit in the Mineral Processing sector with manufacturing, marketing and research capabilities. The Company's products and their applications are:

a) Main Product

The main product is Synthetic Rutile which finds application as raw material for the Titanium pigment and titanium sponge/metal industry. The annual licensed and installed capacity is 50000 MT.

b) By-Products

The following are the by-products.

- i) Ferric Chloride has applications as an effective coagulant for purification of drinking water and for Effluent Treatment. It is also used as an etching agent and in pickling plants.
- ii) Ferrous Chloride is coagulant for water purification and for effluent treatment.
- iii) Iron Hydroxide (Cemox) used for brick / tile making and substitute for iron ore.
- iv) Recovered TiO_2 as a cheaper substitute for TiO_2 pigment.
- v) Recovered Upgraded Ilmenite.
- vi) CMRL Rutoweld is used in Welding Electrode industry.

Raw Materials

The main raw materials of your company are Ilmenite and Hydrochloric Acid. The rationale of setting up of this project was the indigenous availability of both these items. Now, while Hydrochloric Acid is indigenously available, the availability of Ilmenite from domestic source has shown a declining trend. In the last three years including the year under review, the company was facing a major challenge in its procurement from domestic source. The supply from the domestic market was quite restricted. Your company has made all efforts to procure the material from various foreign sources, and maintained the quality of product through process adaptation. The Company had initiated action for carrying out mining and mineral separation as early as in the year 1991. The Company had also promoted Kerala Rare Earths and Minerals Limited (KREML) during the year 2001 and applied for mining lease in the light of the change in policy by the Government of India and the Government of Kerala.

Various Mining Lease applications of the company were approved by Govt. of India and four Mining Leases (ML) were granted by the State Government. However, after granting mining lease, due to policy change, the State Govt. ordered stopping of further action on the leases granted. The Govt. also rejected the other ML applications of the company which were already approved by Central Govt. The company challenged this decision of State Govt. to reject ML applications before the Appellate Authority of Govt. of India. The Appellate Authority directed the State Govt. for issue of ML, which was also rejected by State Govt. Aggrieved by the decision of State Govt., the company filed writ petition in the Single Bench of Hon. High Court of Kerala. The Hon. High Court quashed State Govt. order and directed State Govt. to reconsider the ML applications. Thereafter, an Appeal filed by State Govt. was dismissed by the Division Bench of Kerala High Court. The State Govt. filed SLP and thereafter Civil Appeal before the Hon. Supreme Court. The Hon. Supreme Court issued a final judgment on 8th April 2016 dismissing all appeals filed by Govt. of Kerala.

KREML has since taken up the matter with the State Govt. to implement the orders of the Hon. Supreme Court. In the Industrial Policy Statement 2018, the Govt. declared that the Hon. Supreme Court order will be implemented. In the mean while, the Govt. of India vide order dated 1.3.2019 directed premature termination of all mineral concessions of beach sand minerals held by private

companies under provisions of Section 4A(1) of MMDR Act and also stipulated that henceforth, any mineral concession of beach sand mineral shall be granted to a Govt. company or corporation owned or controlled by the Government. There is no restriction for joint ventures wherein the Govt./ Govt. agency has majority stake. KREML is pursuing the matter with the State Govt. and the decision of State Govt. is awaited.

Operational Performance

The operational performance highlights for the year 2019-2020 are given below:

	2019-20	2018-19
Gross Revenue (Rs. lakhs)	26452.31	22536.07
Net Profit before tax (Rs. lakhs)	1978.84	1119.14

Outlook

The slight price increase received for the main product Synthetic Rutile during current year helped the company to make improvement in turnover from Rs. 223.41 crores to Rs. 263.26 crores during the last financial year. But the scenario in respect of supply of main raw material, Ilmenite, from domestic sources remains uncertain. Hence Ilmenite will have to be imported with implication in respect of quality and price. In any case company is making all efforts to maintain maximum level of production. Your Directors are concerned about the shortage in availability of Ilmenite and are making all efforts for sourcing of Ilmenite from domestic /international source and marketing of the product.

The company is taking all efforts to source Ilmenite from an entity wherein the company/ group has stake, for the smooth operation of the company. The company is also taking steps to increase the production and marketing of Ferric Chloride and the other by-products viz. Recovered TiO₂ and Recovered Upgraded Ilmenite.

The emergence of Covid -19 pandemic has already affected the international market in the titanium industry. There is severe setback in the aviation industry in the short term which has affected company's fresh orders from the foreign buyers. In view of the pandemic, the market outlook remains uncertain. The company is closely watching the situation.

Covid -19 disclosure

Following the declaration of Covid -19 to be a Global pandemic by the World Health Organisation, the spread of Covid -19 has impacted the normal operations of businesses in many countries including India. The country has witnessed several disruption in normal operations due to lockdowns imposed by the Government in the form of restrictions to movement of people, transportation and supply chain along with other stringent measures to contain Covid -19 spread. Consequently the Company's revenues for the quarter ended June 2020 were 12.55 % lower than the corresponding quarter of the previous year.

The supply of raw materials was disrupted due to reduced operations of vendors. The impact in the current Quarter, has resulted in reduced utilization of production capacity in the plant of the company. In the opinion of the management, the disruption in supply of raw materials can improve in the subsequent months when the lockdown restrictions eased in the sourcing locations.

The overall outlook is uncertain due to Covid -19

Management believes that it has taken into account all the possible impact of known events and economic forecasts based on internal and external sources of information arising from Covid -19 pandemic while making such assessment in the preparation of the standalone financial results. The company will continue to closely monitor future developments and take appropriate measures to ensure business continuity.

Risks, Concerns and Strength

The risk factors, as far as your company is concerned, are the unpredictable situation in the avail-

ability and price of Ilmenite and Hydrochloric Acid, the major and critical raw materials of your company.

The market scenario for TiO_2 Pigment and Titanium Metal industries wherein Synthetic Rutile used is highly competitive. The emergence of Covid-19 pandemic has adversely affected the international market in the titanium industry. The company is closely watching the situation.

The major strength of your company is that its products are of highest International Standards and are well accepted by the buyers. Your company has now been granted ISO 9001:2015 by the prestigious agency Bureau Veritas, with accreditation from UKAS London and NABCB India. The Company also got certification from N S F International, an organization designated as a Collaborating Center by the World Health Organization (WHO) for our products Ferric Chloride, Ferrous Chloride and Ferrous Chloride with hydrated Titania catalyst that these products conform to NSF/ANSI standard 60 for drinking water treatment.

Skilled and dedicated work force is another strength of our Company.

Health, Safety and Environment

The company gives high priority to issues concerning health, safety and environment.

Health - The company aims to provide comprehensive health services covering protective, preventive and curative health care to all the employees. Apart from being covered by Employee State Insurance scheme (ESI), the employees are also entitled to medical reimbursements under the employees medical beneficiary scheme of the company. The Company gives utmost importance for safety of employees.

Safety - Safety of persons overrides all other considerations. This vision drives the company continuously to look for ways to break new barriers in safety management for the benefit of all. Safety awareness programmes are regularly conducted for the employees.

Environment - The Company aims to maintain a clean and pollution free environment. Environment impact assessment and qualitative risk analysis are conducted for all new/major expansion or diversification projects and all necessary safeguard measures are incorporated as part of the project. The effluent treatment plants, air emission abatement units, waste treatment / disposal facilities etc are maintained as per statutory standards. The company complies with all pollution control and environment protection regulations. The company also undertakes various environment protection programmes such as tree planting, water conservation measures, water purification and energy saving initiatives etc.

The Company had also bagged excellence award for 13 years from the Government of Kerala for implementing Pollution Control measures. The company's by-product Ferric Chloride is now widely and successfully used in water purification and effluent treatment. Another by-product cemox helps in reducing the ecological problems by helping to reduce clay mining and a supplement to Iron Ore supply.

Internal Control Systems and adequacy

Your company maintains formal internal control systems and procedures which are continuously and strictly enforced. These have been designed to provide reasonable assurance with regard to providing reliable financial information, compliance with applicable statutes, safeguarding assets and ensuring adherence to Company's corporate policies. These systems and procedures, which are routinely tested and certified by your company's statutory and internal auditors and reviewed by the audit committee, are found to be adequate and effective.

Human Resources

Your company values its human resources as the greatest asset and maintains harmonious industrial relations. The company provides adequate training to all the employees and undertakes various employee welfare measures.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st March 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Cochin Minerals and Rutile Ltd.
Aluva

I, K P Thomas, company secretary, proprietor of K P Thomas & Co., have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Cochin Minerals and Rutile Ltd., CIN L24299KL1989PLC005452 (hereinafter called 'the company'). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2020 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules.
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF 'COCHIN MINERALS AND RUTILE LIMITED'**

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Cochin Minerals And Rutile Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<u>Property, Plant & Equipment</u> There are areas where Management judgments impact the carrying value of property, plant and equipment, intangible assets and their respective Depreciation and amortization amounts. These include the decision to capitalize or expense costs; the annual asset life review; the timeliness of the capitalization of assets and the use of Management assumptions and estimates for the determination or the measurement and recognition criteria for assets retired from active use. Due to the materiality in the context of the balance sheet of the Company and the level of judgments and estimates required, we consider this to be a key audit matter.	<u>Auditor's Response</u> We assessed the controls in place, evaluated the appropriateness of capitalization process, performed tests of details on costs capitalized, the timeliness of the capitalization of assets and the derecognition criteria for assets retired from active use. In performing these procedures, we reviewed the judgments made by management including the nature of underlying costs capitalized; determination of realizable value of the assets retired from active use; the appropriateness of asset life applied in the calculation of depreciation; useful lives of assets as per the technical assessment of the management and external technical experts. We have observed that there are no material changes.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material misstatement of this other information & we have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the

Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowl-

edgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of sec.197(16) of the act, as amended: in our opinion and to the best of our information and according to the explanations given to us: the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Cochin Minerals and Rutile Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of COCHIN MINERALS AND RUTILE LIMITED (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over financial reporting issued by the Institute of Chartered Accountants of India. The responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies Act, 2013

Auditor’s Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the company’s financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company’s internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention of timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of COCHIN MINERALS AND RUTILE LIMITED of even date)

- i. In respect of the Company's fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.
- ii. a) As explained to us, inventories have been physically verified by the management at regular intervals during the year. In our opinion, the frequency of such verification is reasonable.
- b) The company has maintained proper records of inventories. As explained to us, there were no material discrepancies noticed on physical variation of inventory as compared to book records.
- iii. The company has not granted any loans, secured or unsecured to the companies, firms limited liability partnerships or other parties covered in the register maintained under section 189 of Companies Act, 2013.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2020 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under clause 3(vi) of the order is not applicable to the Company.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.

(b) According to the information and explanations given to us and based on the records of the company, there are no dues of Income tax, Service tax, Sales tax, Customs duty, Excise duty, Value added tax, Goods and Services tax and Cess which have not been deposited on the account of dispute, except the following.

Nature of the statute	Nature of dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Lakhs
Central Sales Tax Act	Central Sales Tax	Deputy Commissioner (Appeals) , Commercial Taxes, Ernakulam	F.Y. 2008 -09	11.51

- (1) In the case of search and seizure by income tax department (DIT investigation, Cochin) on 25/01/2019, the management informed that, no demand notice received from the department and the amount of liability if any, at the year end cannot be quantified. So no provision is made for any liability.
- viii. In our opinion and according to the explanations given to us, the Company has not defaulted in repayment of loans or borrowings to the financial institutions, banks and Government or dues to debenture holders. There were no debenture holders at any time during the year.
- ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3 (ix) of the Order is not applicable to the Company.
- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties as required by the applicable accounting standards.
- xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.

- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

NOTES TO FINANCIAL STATEMENTS

1. Notes to financial statements for the period ended 31st March 2020

A. CORPORATE INFORMATION

Cochin Minerals and Rutile Ltd is a public company incorporated in India. Its shares are listed in BSE Limited. The Company is engaged in the manufacture of Synthetic Rutile, Ferric Chloride, Ferrous Chloride, Iron Hydroxide (Cemox), Recovered TiO₂, Recovered Upgraded ilmenite and Rutoweld.

B. SIGNIFICANT ACCOUNTING POLICIES (1 -14)

1. BASIS OF PREPARATION

The financial statements have been prepared in accordance with INDIA ACCOUNTING STANDARDS (Ind AS) notified under the Companies (Indian Accounting Standards) Rules,2015 and with Companies (Indian Accounting Standards) (amendment) Rules ,2016 and comply in all material aspects with the relevant provisions of the Companies Act ,2013.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)

The financial statements are presented in INR and all values are rounded to the nearest lakhs (INR 00,000), except as otherwise indicated.

2. FIXED ASSETS

2.1 Property, Plant and Equipment

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

- (a) it is probable that future economic benefits associated with the item will flow to the entity; and
- (b) the cost of the item can be measured reliably.

Fixed Assets are stated at acquisition cost less accumulated depreciation / amortization (except leasehold land) and cumulative impairment.

Technical know-how / license fee relating to plants/facilities are capitalised as part of cost of the underlying asset. Spare parts are capitalized when they meet the

NOTES TO FINANCIAL STATEMENTS

definition of PPE, i.e., when the company intends to use these during more than a period of 12 months.

The acquisition of property, plant and equipment, directly increasing the future economic benefits of any particular existing item of property, plant and equipment, which are necessary for the Company to obtain the future economic benefits from its other assets, are recognized as assets.

2.2 Capital stores

Capital stores are valued at cost. Specific provision is made for likely diminution in value, wherever required.

2.3 Intangible Assets

Costs incurred on computer software purchased/developed resulting in future economic benefits, are capitalised as Intangible Asset and amortised over a period of three years beginning from the quarter in which such software is capitalised.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised

2.4 Depreciation/Amortization

Cost of tangible fixed assets (net of residual value) is depreciated on straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013. Assets costing upto Rs.5,000/-per item are depreciated fully in the year of capitalization. Spares are depreciated up to 95% over the remaining life of the main asset.

The Company depreciates components of the main asset that are significant in value and have different useful lives as compared to the main asset separately. The company depreciates general spares over the life of the spare from the date it is available for use. Such depreciation of component capital spares are capitalised through CWIP to the extent that such assets are used in the development of other assets.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

NOTES TO FINANCIAL STATEMENTS

The estimated useful lives of tangible and intangibles are :

Type of asset	Method	Useful lives
Building	Straight line	30 years
Plant & Machinery	Straight line	8 years
Furniture & Fixtures	Straight line	10years
Office Equipments	Straight line	5 years
Other Equipments:-		
Computers	Straight line	3 years
Software	Straight line	3 years
Vehicles& Material Handling Equipments	Straight line	8 years

3.LEASES

Company does not have any operating or finance leases.

4. IMPAIRMENT OF NON FINANCIAL ASSETS

Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating unit's fair value less costs of disposal and its value in use. Impairment is recognised when the carrying amount of an asset exceeds recoverable amount.

5. BORROWING COST

Borrowing costs that are attributable to the acquisition and construction of the qualifying asset are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue

6. INVENTORIES

6.1 Stores and Spares

6.1.1 Stores and Spares are valued at weighted average cost and are carried at the lower of cost or net realisable value. Specific provision is made in respect of identified obsolete stores & spares and chemicals for likely diminution in value.

6.1.2 Stores & Spares in transit are valued at cost.

NOTES TO FINANCIAL STATEMENTS

7. PROVISIONS, CONTINGENT LIABILITIES & CAPITAL COMMITMENTS

7.1 Provisions

7.1.1. Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

7.1.2 When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

7.1.3 If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

7.1.4 Decommissioning Liability

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognised in the statement of profit and loss as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset.

7.2 Contingent Liabilities

7.2.1 Show-cause Notices issued by various Government Authorities are not considered as Obligation.

7.2.2 When the demand notices are raised against such show cause notices and are disputed by the Company, these are classified as disputed obligations.

7.2.3 The treatment in respect of disputed obligations are as under:

- a) a provision is recognized in respect of present obligations where the outflow of resources is probable;
- b) all other cases are disclosed as contingent liabilities unless the possibility of outflow of resources is remote.

NOTES TO FINANCIAL STATEMENTS

7.3 Capital Commitments

Estimated amount of contracts remaining to be executed on capital account are considered for disclosure.

8.REVENUE RECOGNITION

8.1 CMRL is in the business of manufacture of Synthetic Rutile, Ferric Chloride, Ferrous Chloride, Iron Hydroxide (Cemox), Recovered TiO₂, Recovered Upgraded ilmenite and Rutoweld.

Revenue is recognised when control of goods and services are transferred to the customer at an amount that reflects the consideration which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties. The Company is the principal in its revenue arrangements since it controls the goods or service before transferring to the customer.

The Company considers whether there are other promises in the contract which are separate performance obligations to which apportion of the transaction price needs to be allocated. In determining the transaction price for the Sale of products, the Company considers the effects of variable consideration, the existence of significant financing components, non cash consideration and consideration payable to the customer, if any.

Revenue from sale of products are recognised at appoint in time, generally upon delivery of products .

Dividend income is recognised when the company's right to receive dividend is established.

Interest income from banks is recognised on time proportionate basis . Interest income from financial assets is recognised on effective interest rate method. Key man insurance is recognised on receipt of amount on maturity of insurance as payment of premium paid is debited to profit and loss account

9. TAXES ON INCOME

9.1 Current Income Tax:

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

NOTES TO FINANCIAL STATEMENTS

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

9.2 Deferred Tax:

9.2.1 Deferred tax is provided using the Balance Sheet method on temporary differences between the tax base of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting dates.

9.2.2. Deferred tax liabilities are recognised for all taxable temporary differences.

9.2.3 Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax asset is recognised to the extent it is probable that taxable profit will be available against which deductible temporary differences and carry forward of unused tax differences and unused tax losses can be utilised.

9.2.4. Deferred tax assets and liabilities are measured based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

9.2.5 The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilised.

9.2.6 Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or equity)

10.EMPLOYEE BENEFITS

10.1 Short term benefits:

Short term benefits are accounted for in the period during which the services have been rendered.

10.2 Post -employment benefits and other long term employee benefits:

- (i) **Defined contribution plans:** The costs of the benefits are recognised as expense/ CWIP when the employees have rendered services entitling them to the benefits.
- (ii) **Compensated absences:** Such costs which are not expected to occur within 12 months are recognised as actuarially determined liability at the present value of the defined benefit obligation at the date of each financial statement.
- (iii) **Defined Benefit Plans:** The cost of providing benefits are determined using the projected unit credit method of actuarial valuations made at the date of each financial statement..

NOTES TO FINANCIAL STATEMENTS

10.3 Remeasurements

Remeasurements, comprising of Actuarial gains and losses are recognised in Other Comprehensive income in the period in which they occur and are not reclassified to profit and loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs

11. CURRENT VERSUS NON CURRENT CLASSIFICATION

11.1 The Company presents assets and liabilities in the balance sheet based on current/ non- current classification.

11.2 An asset is treated as current when it is:

- * Expected to be realised or intended to be sold or consumed in normal operating cycle or is held for trading
- * Expected to be realised within twelve months after the reporting period, or
- * Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non- current.

11.3 A Liability is current when :

- * Expected to be realised or intended to be sold or consumed in normal operating cycle or is held for trading
- * It is due to be settled within twelve months after the reporting period, or
- * There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non current

12.FINANCIAL INSTRUMENTS:

12.1 Financial Assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial Assets at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Equity instruments at fair value through other comprehensive income (FVTOCI)
- Financial assets and derivatives at fair value through profit or loss (FVTPL)

NOTES TO FINANCIAL STATEMENTS

12.1.1 Financial Assets at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

12.1.2 Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the Other Comprehensive Income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

12.1.3 Equity investments at FVTOCI

All equity investments in scope of Ind AS 109 are measured at fair value. The company has made an irrevocable election to present subsequent changes in the fair value in other comprehensive income, excluding dividends. The classification is

NOTES TO FINANCIAL STATEMENTS

made on initial recognition/transition and is irrevocable.

There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

12.1.4 Debt instruments and derivatives at FVTPL

FVTPL is a residual category. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

12.1.5 Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the balance sheet) when:

- * The rights to receive cash flows from the asset have expired, or
- * The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control

NOTES TO FINANCIAL STATEMENTS

of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

12.1.6 Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Financial guarantee contracts which are not measured as at FVTPL
- c) Lease receivables under Ind AS 17

The company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables that do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

NOTES TO FINANCIAL STATEMENTS

ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- * All contractual terms of the financial instrument (including prepayment extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
- * Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). The balance sheet presentation for various financial instruments is described below:

- * Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.
- * Financial guarantee contracts: ECL is presented as a provision in the balance sheet, i.e. as a liability.
- * Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI

NOTES TO FINANCIAL STATEMENTS

12.2 Financial liabilities

12.2.1 Initial recognition and measurement.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including financial guarantee contracts.

12.2.2 Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

A. Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

B. Financial liabilities at amortised cost:

Financial liabilities that are not held for trading and are not designated at FVTPL are measured at amortised cost at the end of subsequent accounting periods based on the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings. The EIR amortisation has been calculated based on the managements perception of cash outflow which is based on expected progress of the project.

NOTES TO FINANCIAL STATEMENTS

C. Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

12.2.3 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

12.2.4 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

13. CASH AND CASH EQUIVALENTS

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

14. FAIR VALUE MEASUREMENT

14.1 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date at each balance sheet date in the principal market or most advantageous market assuming that market participants act in their economic interest.

14.2 A fair value measurement of a non financial asset takes into account a market

NOTES TO FINANCIAL STATEMENTS

participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use using techniques which are appropriate and for which sufficient data is available.

14.3 Fair value hierarchy:

LEVEL 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

LEVEL 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

LEVEL 3: Others including using external valuers as required

2. SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets and liabilities affected in future periods. The Company continuously evaluates these estimates and assumptions based on the most recently available information. Revisions to accounting estimates are recognised prospectively in the statement of profit and loss in the period in which the estimates are revised and in any future periods attached.

2.1. CONTINGENCIES

The assessment of the existence and potential quantum of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

NOTES TO FINANCIAL STATEMENTS

32. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES:

The financial liabilities of CMRL comprise of loans and borrowings, trade and other payables with the main purpose of financing the Company's activities. The financial assets of CMRL comprise of Investments, receivables, loans and advances and cash and cash equivalents. CMRL is exposed to market risk, credit risk and liquidity risk. This is managed by the Company's management team under guidance of the Board of Directors. This team ensures that the financial risk activities are governed by appropriate policies and procedures and financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The Board of Directors reviews and agrees policies for managing these risks as summarised below.

- a. **Market Risk :** Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market price and comprises of Interest rate risk, Currency risk and Other risks. Financial instruments affected by market risk includes loans and borrowings , deposits and interest on deposits.
 - (i) **Interest Rate Risk :** Risk that the fair value of future cash flows will fluctuate due to changes in market interest rates and primarily affects the long term debt obligations of the Company which is based on MCLR and reset annually. As per IND AS interest is charged as per Effective Interest Method based on the IRR of the loan.
 - (ii) **Foreign currency risk :** Company has no borrowings in foreign currency.
 - (iii) **Other Risk:** The other risk factors are the unpredictable situation in the availability and price of ilmenite and Hydrochloric acid, the major and critical raw materials of the company.

The demand and volatile nature of prices of Synthetic Rutile and foreign exchange fluctuations also have an impact.

- b. **Credit Risk :** Risk of the counterparty not meeting its obligations if a customer or counterparty fails to meet its contractual obligations and arises principally from the Company's trade receivables and loans and advances. The carrying amounts of financial instruments represent the maximum exposure.

The Company's exposure to credit risk is influenced mainly by the characteristics of each customer and the geography in which it operates. Credit risk is managed by credit approvals, establishing credit limits and continuously monitoring the credit worthiness of its customers to which the Company grants credit terms in the normal course of its business.

The Company's export sales are backed by letters of credit.

The Company monitors each loans and advance given and makes any provision whenever required.

Based on prior experience and assessment of current business environment management believes there is no requirement for any credit provision and there is no significant concentration of credit risk.
