that the participation by the public non-institutional shareholder's /retail shareholders is at a negligible level.

Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

MANAGEMENT DISCUSSION AND ANALYSIS

Management Discussion and Analysis Report for the year under review as stipulated under Regulation 34(2)(e) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, is presented as under.

a) Acrylic Fiber Industry – Global and Indian Perspective:

The year 2020 has been the most challenging year in our lifetimes. What started as a promising year for our industry quickly turned into a difficult one. COVID-19 pandemic brought the entire world to a standstill, equitably affecting markets and supply chains globally. Consumer purchase of textile and apparel were hit badly due to the global lockdowns and economic recession. The global apparel consumption is estimated to have shrunk by 22% in 2020. However, 2021 looks brighter given the onset of vaccination drives, growth in e-commerce sales of apparel, and resumption of global supply chains.

Indian domestic textile and apparel market is estimated at US\$ 75 billion in 2020-21. The market fell 30% from US\$ 106 billion in 2019-20. The market is expected to recover and grow at 10% CAGR from 2019-20 to reach US\$ 190 billion by 2025-26. Due to the impact of Covid-19, India's T&A exports are expected to fall around 15% to reach US\$ 28.4 billion in 2020-21. India's exports of T&A are expected to grow to US\$ 65 billion by 2025-26, growing at a CAGR of 11%. Due to lockdown forced by the Government from 22.03.2020 majority of the customers cancelled the orders, adding to the woes of the industry. It resulted in a slump in the retail sales of apparel for at least 4-5 months.

Domestic Industry continue to face problems due to Acrylic Tow and tops exported as sub standard product or Synthetic Waste (Acrylic Soft Waste) by certain producers from Peru, Thailand, Belarusian and dumped in India at much lower prices. The Forum of Acrylic Fibre (FAFM) has taken up with the Govt. to take stringent measures to curb this practice as well as for levy of anti dumping duty on dumped Acrylic Fibre imports.

Acrylonitrile (ACN), a crude oil derivative, is the principal raw material for manufacture of Acrylic Fiber. Normally, it is influenced by crude oil prices, though the same is also impacted by its demand-supply balance as well as demand for propylene (an input for ACN) from competing end uses and its availability. While supply of Acrylonitrile was tight due to unplanned shutdowns in the first half of the year with very high prices. The global availability of Acrylonitrile (ACN) has become short during the end of the year due to snow storm hit the west coast of USA resulting into shut down of large capacities of petrochemicals and ACN in USA in the month of February 2021 pushing the prices of ACN and fibre/ yarn to all time high. This has helped in better margin and higher profit during the last quarter.

Production remained under complete shutdown during 24.03.2020 to 27.04.2020 due to lockdown imposed by Government on account of Covid-19. Due to sharp increase in Covid-19 cases amid the second wave demand is expected to lower during Apr-June 2021. The entire textile chain including spinning mills, dyeing mills, hosiery/ powerloom and yarn dealers are facing lower demand problem during last one month. The Acrylic Fibre Plant was taken under shut down from 21.03.2021 for maintenance for one month. Since demand of fibre remained very low due to Covid fears, hence it has been decided to extend this shut down by further 3 weeks.

There is no other major change in the world capacities of Acrylic Fibre during theyear.

b) Business Outlook:

The market for acrylic fiber is expected to register a CAGR of around 1% during the time period of 2020-2025. The major factor driving the growth of the market studied include the high demand from the use of apparel.

On the flipside, availability of substitutes like polyester, stringent regulations worldwide on the production of acrylic fiber, and the negative impact of Covid-19 on the overall market are expected to hinder the growth of the market

Asia-Pacific dominated the global acrylic fiber market, due to high demand from the ASEAN countries and India.

India will continue to be the fastest growing major economy in the world. It's growth outlook is still robust. In comparison to other emerging markets Indian economy position is quite impressive as it has managed to deliver growth slightly above its potential despite temporary setbacks.

Internal Control Systems and Their Adequacy:

Your Company has a well-designed Internal Audit programme and dedicated team for independent review of all systems, procedures and financial controls of the Company to bring in the best industry practices, compliance with internal systems & procedures and statutory laws. The Company's overall internal control system is adequate given size and nature of operations. All important issues are regularly presented to the Audit committee of the Company. Senior management of your Company places emphasis on taking proper actions on the significant issues, findings and recommendations of internal audit, and systems are strengthened appropriately.

Internal Financial Controls: The Company has in place adequate internal financial controls with reference to financial statements. During the year, such controls were tested and no reportable material weaknesses in the design or operation were observed.

c) Management Perception Of Risk & Concerns:

Risk Management

The Risk Management Committee ensures compliance of all the fiscal, industrial, labour and environments laws by using adequate internal control measures and through regular monitoring by the respective departmental heads in the company.

The following table gives the key risks faced by the Company, and the steps taken to mitigate the same:

Key Risks	Impact on IAL	Mitigation
Global Economic Scenario	Spending on clothing have shown strong correlations with GDP Growth. Uncertain economic outlook in China can impact the consumer spending on clothing and thereby constrain the demand growth of acrylic fibre.	<ul style="list-style-type: none"> - Well diversified customer base across different geographical locations and across different end uses of fibre - Target newer markets which might provide counter-cyclical support
Adverse change in Govt Policy	Any sudden action by the Government to allow duty free imports of acrylic fibre in India under free trade agreements without corresponding reduction in the duties on raw materials can impact the company as there are no local producers and company is dependent on imports for its main raw materials	<ul style="list-style-type: none"> - Increasing exports share in the turnover of the company by investing in newer markets development
Currency Volatility	Volatility in currency exchange movements resulting in sudden transaction and translation exposure	<ul style="list-style-type: none"> - Currency hedging policy and practices in place - Hedging strategy monitored by risk management committee through regular reviews.
Crude Oil volatility	Volatility in crude oil prices resulting in sudden spurt or plunge of raw materials prices	<ul style="list-style-type: none"> - Increasing value added products in the product mix. - Inventory exposure monitored by risk management committee through regular reviews
Dumping of fibre	Large scale dumping by certain countries in India can impact the domestic sales	<ul style="list-style-type: none"> - Investing in the energy saving, alternate fuels and new products by in-house R & D. - Increasing exports sales by developing the new export markets

As such, the Company is monitoring and taking steps to mitigate the risks, if any, which may threaten the existence of the Company.

INDEPENDENT AUDITORS' REPORT

To The Members of

INDIAN ACRYLICS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of INDIAN ACRYLICS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and

fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the

key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- In our opinion, the aforesaid standalone financial statements comply with the IndAS specified under Section 133 of the Act.
- On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

Annexure A to Independent Auditor's Report

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of INDIAN ACRYLICS LIMITED of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")

- We have audited the internal financial controls over financial reporting of INDIAN ACRYLICS LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

- The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the act.

Auditors' Responsibility

- Our responsibility is to express an opinion on the company's internal financial control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of internal financial control over financial reporting (the "Guidance Notes") and the standards on auditing deemed to be prescribed under section 143(10) of the act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those standards and the guidance notes require that we comply with ethical requirements and planned and performed the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. 1. CORPORATION INFORMATION

Indian Acrylics Limited (the Company) is a public limited Company registered in India under the Companies Act 2013 (erstwhile Companies Act 1956). Its Shares are listed on Bombay Stock Exchange. The Company is a leading manufacturer of Acrylic Fiber, Acrylic Tow and wide range of Acrylic yarn.

2. SIGNIFICANT ACCOUNTING POLICIES

i) Basis of Preparation

The financial statements have been prepared in accordance with Indian Accounting Standards ('IND AS') notified under section 133 of the Companies Act 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015.

For all the periods up to and including the year ended 31 March, 2021, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP').

The Standalone financial statements have been prepared under the historical convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair value at the end of the each reporting period, as stated in the accounting policies below. The accounting policies have been applied consistently over all the periods presented in the Standalone financial statements.

The accounting policies have been consistently applied by the Company and except for the changes in accounting policy discussed more fully below, are consistent with those used in the previous year.

ii) The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made. Differences between actual results and estimates are recognized in the period in which the results are known/materialized.

iii) REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the revenue can be reliably measured.

A. SALE OF GOODS

Revenue from sale of goods is recognized when the significant risks and rewards of ownership in the goods are transferred to the buyer of goods as per the terms of contracts, the Company retains no effective control of the goods transferred to a degree usually associated with the ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. The Company collects GST on the behalf of the Government and therefore these are not economic benefits flowing to the company. Hence they are excluded from Revenue.

B. INTEREST:

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

C. Duty drawback and export incentives

Income from duty drawback and export incentives is recognized on an accrual basis.

iv) PROPERTY PLANT AND EQUIPMENT:

Fixed Assets are stated at cost less depreciation. Cost of acquisition or construction is inclusive of duties, taxes and other incidental expenses. Cenvat credit available is deducted from cost of fixed assets.

Capital work-in-progress includes advances paid for purchase of Fixed Assets, preoperative expenses pending capitalisation, and capital work in progress. As per practice, expenses incurred on modernisation / debottlenecking of plant are capitalised.

v) DEPRECIATION :

Depreciation is provided as per rates specified in Schedule II of the Companies Act, 2013 as per details given below:

S.No.	Name of Asset	
1.	Building & Tubewell	SLM Basis
2.	Plant & Machinery (Modified Cotton)	SLM Basis
3.	Plant & Machinery	WDV Basis
4.	Other Assets (Vehicles, Furniture & Fixture)	WDV Basis
5.	Intangible Assets	SLM Basis

The plant being a continuous process plant, so rates of depreciation as applicable to continuous process Industry have been applied.

vi) INVENTORIES :

The cost in respect of various items of inventories are computed as under:-

- £ In case of raw materials stores and spares at weighted average cost plus direct expenses.
- £ In case of work in process at raw material cost plus conversion expenses depending upon stage of completion.
- £ In case of finished goods at raw materials cost plus conversion cost, packing cost and other overheads to bring the goods to present condition and location.
- £ Raw material and other stocks lying at port pending clearance at cost inclusive of custom duty actually paid. The custom duty payable on material lying into bond is accounted on clearance for home consumption.

vii) BORROWING COST

Borrowing costs that are directly attributable to acquisition, construction or production of a qualifying asset are capitalized/ inventorised as part of cost of such assets till such time the asset is ready for its intended use/or sale. Qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are expensed in the period in which they are incurred.

viii) LEASES

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease under which the risks and rewards incidental to ownership are not transferred to lessee is classified as operating lease. Lease payments under operating leases are recognized as an expense on a straight line basis in net profit in the statement of profit and loss over the lease term.

ix) RETIREMENT BENEFITS:

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity plan in Company is funded through annual contributions to Life Insurance Corporation of India (LIC) under its Company's Gratuity Scheme whereas others are not funded. The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Past-service costs are recognized immediately in profit or loss. Gratuity and earned leave encashment has been provided for in the books of accounts on actuarial valuation basis as at the end of the year.

x) FOREIGN CURRENCY TRANSACTIONS:

Functional and Presentation currency:

The functional currency of the Company is Indian Rupee. These financial statements are presented in Indian Rupee (rounded off to lakhs).

Transactions and Balances:

The foreign currency transactions are recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. The foreign currency monetary items are translated using the closing rate at the end of each reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency shall be translated using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements shall be recognized in profit or loss in the period in which they arise.

3. Contingent Liabilities, along with their nature and description in brief as required under IND AS - 37, not provided for in the books of accounts, are as under :

xi) Sensitivity Analysis:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and (DBO) at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 100 basis points.

The Quantitative Sensitivity analysis on net liability recognized on account of change in significant assumptions

	As at 31st March 2021 ₹ in Lakhs		As at 31st March 2020 ₹ in Lakhs	
	Discount Rate	Salary Escalation Rate	Discount Rate	Salary Escalation Rate
Impact of Increase in 100 bps on DBO	(69.56)	81.11	(60.02)	69.93
Impact of Decrease in 100 bps on DBO	80.90	(71.09)	69.81	(60.96)

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

The average duration of the benefit obligation at 31st March 2021 is 7.66 years, (as at 31st March 2020: 7.77 years)

Responsibilities of Management for the Consolidated financial statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated financial statements

Our objectives are to obtain reasonable assurance about

whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated financial statements of which we are the independent auditors. For the other entities included in the Consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and

performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(Spain) subsidiary, whose financial statements reflect total assets of ₹29.57 lacs as at 31st March 2020, total revenues ₹ 84.01 Lacs and net cash outflows amounting to ₹ 6.31 lacs for the year ended on that date, as considered in the consolidated Financial Statements. Those Standards and the Guidance Notes require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such controls operated effectively in all material respects.

i) Basis of Preparation

The financial statements have been prepared in accordance with Indian Accounting Standards ('INDAS') notified under section 133 of the Companies Act 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015.

For all the periods up to and including the year ended 31st March, 2021, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP').

The financial statements have been prepared under the historical convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair value at the end of the each reporting period, as stated in the accounting policies below. The accounting policies have been applied consistently over all the periods presented in the Standalone financial statements.

The accounting policies have been consistently applied by the Company and except for the changes in accounting policy discussed more fully below, are consistent with those used in the previous year.

- ii) The preparation of the financial statements in conformity with INDAS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made. Differences between actual results and estimates are recognized in the period in which the results are known/ materialized.
- iii) **PRINCIPAL OF CONSOLIDATION**
The Consolidated financial statements of the Group are prepared in accordance with IAS-27 Consolidated Financial Statements as notified by the Rules. The Consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the Company for its independent financial statements. - A. SALE OF GOODS**

The Company collects GST on the behalf of the Government and therefore these are not economic benefits flowing to the company. Hence they are excluded from Revenue.
- B. INTEREST:**
Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
- C. Duty drawback and export incentives**

- | S.No. | Name of Asset | SLM Basis |
|-------|--|-----------|

| 3. | Plant & Machinery | WDV Basis |
| 4. | Other Assets (Vehicles, Furniture & Fixture) | WDV Basis |
| 5. | Intangible Assets | SLM Basis |

The gratuity plan in Company is funded through annual contributions to Life Insurance Corporation of India (LIC) under its Company's Gratuity Scheme whereas others are not funded. xi) Sensitivity Analysis:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and (DBO) at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 100 basis points.

The Quantitative Sensitivity analysis on net liability recognized on account of change in significant assumptions

	As at 31st March 2021 ₹ In Lakhs		As at 31st March 2020 ₹ In Lakhs	
	Discount Rate	Salary Escalation Rate	Discount Rate	Salary Escalation Rate
Impact of Increase in 100 bps on DBO	(69.56)	81.11	(60.02)	69.93
Impact of Decrease in 100 bps on DBO	80.90	(71.09)	69.81	(60.98)

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

The average duration of the benefit obligation at 31st March 2021 is 7.77 years, (as at 31st March 2020: 7.68 years)
