ANNUAL REPORT
2016-17

Vardhman Polytex Limited
An Oswal Group® Company

Message from Chairman & Managing Director

Dear Stakeholders,

I am pleased to share with you the performance of your Company for the financial year ended on 31st March, 2017. The Textile industry in general faced a number of challenges both globally and domestically. Your Company was no exception to that. In spite of that, your Company registered a net operating revenue of ₹ 856.47 Crores, a marginal decrease against ₹ 878.08 Crores of previous year. Continuous mismatch between input costs and lower yarn prices had its own adverse impact on profit margins and therefore, the Company was able to generate an EBIDTA of ₹ 77.68 Crores only during the year as against ₹ 107.17 Crores in the previous year.

All estimates about the cotton scenario at international level witnessed lack of consistency and credibility which was followed in India as well. The cotton prices went northward as against expectations of lower trend. The high prices of raw material were not followed by finished goods in the same proportion. Excess supply coupled with low demand and unremunerative prices of yarn squeezed the margins considerably. Regional imbalance in taxation structure & Incentives in some States within the country also had given rise to unhealthy competition. Further, demonetisation announced by the Government in early November 2016 had caused disturbances in the overall market sentiments when demand for goods in India had practically vanished for almost 6-8 weeks and business came to standstill. It limped back to normal and stabilization but not before giving financial jerks for 2-3 months.

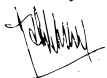

In order to ward off competition in normal commodity products, your Company is trying to create value for its stakeholders through development of innovative & value added products wherein number of players are comparatively limited, besides focusing on cost optimization and broadening of customer base.

The relative slowdown in the economy for quite some time has been universal affecting all industries including textile. The growth of Indian economy during the current year is projected to be around 7%. The new tax regime i.e. GST is going to bring in a big change in the economy and the way business is conducted. It should help improving the economy, tax compliance and business sentiment in the long run.

The current year appears to be quite challenging for your Company as well as the industry. Arrival of new crop in October-November 2017 should hopefully bring some parity in prices of cotton and yarn and consequently relief to the spinning sector. Continuous development of new products, up-gradation of technology, cost controls and efficient/judicious resource utilization will only help to achieve bottom line.

I express my sincere thanks to all Banks, business associates, employees and all other stakeholders for their continued support.

Sincerely,

Ashok Kumar Oswal
Chairman & Managing Director

Message from Executive Director

Dear Stakeholders,

“Facing challenges with resourcefulness”.

As I write this, VPL is beginning its 37th year of operation. FY 2016 -17 was another challenging year for spinning industry. This year will also be remembered for many bold and historical decisions taken by the Government of India for economic reforms including demonetization and GST. As a responsible Corporate, VPL endorsed the above decisions due to its long-term benefits for the economy, though one may have different view regarding its timing and short term negative impact. Changing international market trend and competitive prices also tested our perseverance to become market leader.

While facing this challenging time, VPL has successfully maintained and delivered its values. It has continued the journey of taking substantive steps to enhance quality of business, product diversification and initiatives on value addition and cost / efficiency optimization actions. In the year under review, we have completed upgradation of 40800 spindles capacity at Nalagarh retrofitting elite compact attachment and stabilized PCM/CPM (Melange) on 25,000 spindles at Ludhiana. We have been enthusiastic to modernization / upgradation for some of our capacities with a view to become more competitive in the Industry in terms of efficiency, cost of production and flexibility in product mix. This will not only open new market for us but also provide us better returns and firm position in domestic and international markets without compromising the quality and services of existing products.

I am pleased to share with you that your company has successfully serviced more than 50 % of total Corporate debt under CDR which is another milestone in itself.

Our relationships are nourished and shaped by the commitment we express through our regular actions towards our esteemed business associates. This is an ongoing process and we will continue to empower and delight them by honouring our commitments on quality and services.

In 2017, Prices will be more competitive under new tax structure and competition will be more demanding. Let me tell you that, your continuous trust and support along with our foresightedness and proactive actions, give us a strong foundation to believe that we will walk through it.

On behalf of the entire VPL team I thank you for your continued support and look forward to working for you this year and for many more to come.

Sincerely

Adish Oswal

3. Management Discussion & Analysis Report

a) Industry Structure, Development and Future Outlook

The market size of India's Textile Sector is estimated at USD 137 billion and projected to reach USD 223 billion by 2021. This industry is extremely diverse and manufactures a range of textiles and fabrics and is one of the mainstays of the National economy. The demand for Textiles in India has grown by rise in per capita income, change in preference towards branded products and favorable demographics. The "Make-in-India" initiative of the Government of India drives the need and urgency for upgradation to scale up employment, production and exports of this sector.

The Indian government has been providing timely support to textile sector through liberal investment policies like 100% FDI, announcements for INR 6000 crore package

for the textile/garment sector and its aim to generate 10 million jobs in upcoming three years is also a driving force for the textile sector. Further, an abundant supply of raw material, like cotton, wool, silk, jute and man made fibre available in the country also provides a distinct advantage of backward integration. However, India still needs a comprehensive Fibre Policy so as to rule out or minimize uncertainties on availability or abrupt fluctuations in the prices of natural and man made fibres.

Technical textiles is amongst the most promising and fastest growing areas of Indian textiles industry and with a CAGR of 8% for the last few years it has reached a size of \$ 13 billion. This sector is expected show a CAGR of 16% to reach \$ 31 billion by 2020-21.

The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise the organized apparel segment is expected to grow at a Compound Annual Growth Rate (CAGR) of more than 13 per cent over a 10-year period. The Union Ministry of Textiles has also set a target of doubling textile exports in coming 10 years and plans to enter into bilateral agreements with Africa and Australia along with working on a new textile policy to promote value addition. The Indian cotton textile industry can showcase a stable growth provided raw material and other input costs remain range bound and capacity utilization is maintained against steady demand, both in domestic and International market.

b) Opportunities and Threats

Opportunities

- "Make in India" campaign of the Union Government of India.
- Rising cost of production in China
- Rising per capita income leading to higher demand
- Government focus and favorable policies to support the industry
- Free trade with ASEAN countries & proposed agreement with European Union

Threats

- Ever increasing input cost i.e. Power, finance and logistics.
- Shortage of stable and skilled man-power.
- Striking a balance between the quality and price of products.
- Changing consumer behavior (e.g. fast fashion) forcing terms and conditions to become more flexible
- High dependency of the industry on cotton. Which is prone to fluctuations and speculative tendencies.

c) Segment wise Performance

During the year under review, there is no other segment of the company except Textile business. Hence, the reporting on Segment wise Performance of the Company as per the provisions is not applicable / required.

d) Economic Scenario and Outlook

According to The World Bank, the Indian economy will likely grow at 7.6 per cent in 2017-18, followed by further acceleration to 7.8 per cent in 2018-19. According to a Boston Consulting Group (BCG) report, India is expected to be the third largest consumer economy as its consumption may triple to US\$ 4 trillion by 2025, owing to shift in consumer behavior and expenditure pattern, and is estimated to surpass USA to become the second largest economy in terms of purchasing power parity (PPP) by the year 2040.

The Indian textile industry is seeing a positive growth not only in the domestic market but also in the international market. The unorganized segment consists of handlooms units and The organised sector which consists of spinning, apparel and garments segments are adopting and applying modern machinery, innovative techniques and economies-of-scale to obtain competitive edge both in quality and price.

Currently, India has a share of around five percent in global Textiles & Apparels trade and is the currently the second largest manufacturer and exporter of textile and apparel, after China. Textiles & Apparels exports of India were worth around \$40 billion. The Indian domestic and export market is poised for double-digit growth owing to structural changes in the country and international events shaping the global trade.

In today's scenario, the Indian textile industry with aforesaid techno-economical edge stands a chance to gain in a big way from the global and domestic opportunities by exploiting the favorable business environment being developed in the country.

e) Management perception of Risk & concerns

Mitigation and Risk management are always on high priorities in the business agenda of VPL and it acts proactively for moderating the adverse influence of risks and threats on the Company's business goals. The Company adopts a well formulated risk management approach with prudential standards, well-thought-out reporting and effective control mechanisms. The main risk inter alia include strategic risk, operational risk, financial risk and legal & compliances risk.

The company has devised and implemented a mechanism for risk management and has also developed a Risk Management Policy. The policy provides for the constitution of a Risk management committee, which consists of Directors and senior management personnel. The company through Risk Management committee oversees the Risk management process

The key elements of the process are:

- Continuous risk identification
- Prioritising risk on the basis of impact and intensity
- Risk mitigation through identified premeasures
- Risk transfer through effective road mapping, reviewing and processing
- Risk review for continuous strengthening of mitigation measures

The Audit committee also evaluate the risk management

system of the Company periodically.

Further, To cover foreign exchange risk, the Company transacts its all exports through secured mode either against LC or partial advance payment and foreign currency is being hedged simultaneously against almost all confirmed contracts. To cover commodity price risk, the orders of finished goods are usually booked in advance as per stock of raw material inventory.

f) Internal control system & adequacy

Your Company has an adequate internal control system. There is a system of continuous internal audit which aims at ensuring effectiveness and efficiency of systems and operations. The Company is having a full fledged internal audit department headed by qualified chartered accountant and supported by qualified and experienced staff. The Scope of the Internal audit is not limited to accounts only but also includes operations, inventories, costing records, physical verifications of immovable and movable assets etc. on regular basis.

The Audit committee of Board of Directors approves and reviews audit plans for the year based on internal risk assessment. Audits are conducted on an on-going basis and significant deviations are brought to the notice of the Audit committee following which corrective action is recommended for implementation. All these measures facilitate timely detection of any irregularities and early remedial steps.

g) Financial Performance

Resource utilisation

The gross fixed assets as at 31st March, 2017 were ₹61,709.22 lakh against ₹59,169.17 lakh in the previous year. The Net block of assets as on 31st March, 2017 was ₹24,359.86 lakh as against ₹23,867.14 lakh in the previous year.

21. Comments on Auditor's Report and Secretarial Auditor's Report

Auditor's Report

The Statutory Auditor's of the Company have submitted the Auditor's Report on the Accounts of the Company for the financial year ended 31st March, 2017. In their reports (standalone and consolidated), they have made certain qualifications/observations. The explanation/comments of the Board on the same are as under:

Standalone Auditor's Report

- a) The company had credited income of Rs. 396.44 lakh due

on payment of FCCB liability to the statement of profit and loss during the year ended March 31, 2017. This profit should have been credited in the statement of profit and loss on payment of FCCB liability which is still outstanding as explained in note number 5 of the standalone financial statements. Due to this, profit for the year ended March 31, 2017 is overstated by the same amount.

We state that the Company has credited the amount on basis of settlement of FCCB Liability and out of the settled amount a major part has already been paid back during the year under review and the balance amount will be paid in the Financial Year 2017-18.

- b) No provision has been made on the investment & loans and advances made in case of following subsidiaries in standalone financial statements:-
- In case of F.M. Hammerle Textiles Limited investment & loans and advances made of Rs. 9,126.41 lakh and Rs. 2,282.35 lakh respectively, whose net worth has been completely eroded having a accumulated loss of Rs. 18,811.87 lakh against share capital of Rs. 12,386.75 lakh as on 31st March, 2017.
 - In case of F.M. Hammerle Verwaltung GmbH, Austria, investment & loans and advances made of Rs. 22.54 lakh and Rs. 235.45 lakh respectively, whose net worth has been completely eroded having a net loss of Rs. 253.61 lakh against share capital of Rs. 22.54 lakh as on 31st March, 2017.

This is at variance with Accounting Standard AS-13 'Accounting for Investments' specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. This has resulted in profit for the year ended March 31, 2017 being overstated and investments, loans and advances and reserves and surplus being overstated by the same amount at March 31, 2017.

We state the following in view of the above mentioned cases of the subsidiary Companies:-

- In case of F.M. Hammerle Textiles Limited, the company has eroded 100% of the share capital and falls under "Sick Company" with in the meaning of Sick Industrial and Companies (Special Provisions) Act (SICA) of 1985 and has filed reference to the Board for Industrial and Financial Reconstruction as FMH is unable to meet its borrowing obligations. Later on, reference has made to National Company Law Tribunal (NCLT) under section 10 of the Insolvency and Bankruptcy code 2016. However pending any directions / resolution from National Company Law Tribunal (NCLT) the said provision has not been made. .
 - In case of F.M. Hammerle Verwaltung GmbH, Austria, the said Company is having no operations but is having the global intellectual property rights of F.M. Hammerle. The result of this investment will be decided along with with the decision of F.M. Hammerle Textiles Limited as the intellectual property rights will fetch a value.
- c) In respect to observation specified in point (viii) of

Annexure-A of the report, we would like to state that due to certain liquidity stress, there is a delay in making the payments to Financial Institutions/Bankers. In respect to the repayment for the FCCB, During the year under review, major part of the settled amount has already been paid back and the balance repayment shall be made in financial year 2017-18.

- d) In respect to qualification specified in Annexure-B of the report, we would like to state that only one of the subsidiary i.e. F.M. Hammerle Textiles Limited is suffering continuous losses and is unable to meet their borrowing obligations. However the holding company has been making all the necessary effort to support its operations to recover and recognize the provisions made there in. Such financial supportive decisions are rational and are being taken with proper approval of the management.

Consolidated Auditor's Report

The qualification/observation in the consolidated Auditor's Report are similar as stated above as point no. (a) & (d) of the Standalone Auditor's Report. Hence explanations/comments of the same are provided above.

Other points of Auditors' Reports on the Accounts of the Company for the year under review are self-explanatory and require no comments.

Secretarial Auditors' Report

The Secretarial Auditors of the Company have duly submitted their Report for the financial year ended 31st March, 2017 and is annexed herewith as 'Annexure II', which forms part of this report. In their report, they have made the following observation, the explanation/comments of the Board on the same are as under:

- a) We have not visited the factory units situated at:
- Vardhman Polytex Limited, Badal Road, Bathinda – 151005
 - Vardhman Polytex Limited, Village Nangal Nihla/Upperla, Swarghat Road, Nalagarh – 174101 (HP)

We are issuing this report on the basis of compliance certificates provided by the functional heads of different departments of the Company and Manager which were produced before the Board through agenda papers.

CERTIFICATE OF COMPLIANCE FROM AUDITORS

To The Members of

Vardhman Polytex Limited

We have examined the compliance of conditions of Corporate Governance by Vardhman Polytex Limited ("the Company") for the year ended 31st March, 2017, as stipulated in Regulations 17-27, clause (b) to (i) of Regulation 46 (2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') pursuant to the Listing Agreement of the Company with Stock exchanges.

Management's Responsibility for Compliance with the Conditions of Listing Regulations

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Auditors' Responsibility

We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

In our opinion, and to the best of our information and according to explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction on use

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

INDEPENDENT AUDITORS' REPORT

To The Members of Vardhman Polytex Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Vardhman Polytex Limited** ("the Company"), which comprise the balance sheet as at March 31, 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of the material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Basis for Qualified Opinion

1. The Company had credited income of ₹396.44 lakh due on payment of FCCB liability to the statement of profit and loss during the year ended March 31, 2017. This profit should have been credited in the statement of profit and loss on payment of FCCB liability which is still outstanding as explained in note number 5 of the standalone financial statements. Due to this, profit for the year ended March 31, 2017 is overstated by the same amount.
2. No provision has been made on the investments & loans and advances made in case of following subsidiaries in the standalone financial statements:-
 - i) In case of F.M. Hammerle Textiles Limited, investment & loans and advances made of ₹9,126.41 lakh and ₹2,282.35 lakh respectively, whose net worth has been completely eroded having a accumulated losses of ₹18,811.87 lakh against share capital of ₹12,386.75 lakh as on March 31, 2017;
 - ii) In case of F.M. Hammerle Verwaltung GmbH, Austria, investment & loans and advances made of ₹22.54 lakh and ₹235.45 lakh respectively, whose net worth has been completely eroded having a net loss of ₹253.61 lakh against share capital of ₹22.54 lakh as on March 31, 2017.

This is at variance with Accounting Standard AS-13 'Accounting for Investments' specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 as amended. This has resulted in profit for the year ended March 31, 2017 being overstated and investments, loans and advances and reserves and surplus being overstated by the same amount.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the matter described in the Basis for Qualified Opinion paragraph above*, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and, except for the possible effect of the matter described in the Basis for Qualified Opinion paragraph above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid standalone financial statements;
 - b. In our opinion, except for the effect of the matter described in the Basis for Qualified Opinion paragraph above, proper books of account as required by law have

been kept by the company so far as it appears from our examination of those books;

- c. The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this Report are in agreement with the books of account;
- d. In our opinion, except for the effect of the matters described in the Basis for Qualified Opinion paragraph above, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 as amended;
- e. On the basis of written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
- g. The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above;
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2017 on its financial position in its standalone financial statements – Refer Note 28 & 29 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the investor Education and Protection Fund by the Company.
 - iv. The Company has provided requisite disclosures in Note 42 to these standalone financial statements as to the holding as well as dealing in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016. Based on our audit procedures and relying on the management representation regarding the holding and nature of cash transactions, including Specified Bank Notes, we report that these disclosures are in accordance with the books of accounts maintained by the Company and as produced to us by the Management.

Annexure B to the Independent Auditor's Report to the Members of Vardhman Polytex Limited ('the Company') on its standalone financial statements dated May 29, 2017

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Vardhman Polytex Limited** ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the

Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or , disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management overrides of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based

on our audit, the following material weakness has been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2017.

The Company's internal financial controls over evaluation and assessment of recoverability including any provision to be made there against in respect of investments made in subsidiaries and loans/advances given to subsidiaries were not operating effectively which could potentially result in the company not recognizing sufficient provision there against.

A 'material weakness' is a deficiency or a combination of deficiencies, in internal financial controls over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of march 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of internal Financial Controls Over Financial Reporting issued by the institute of Chartered Accountants of India, and except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2017.

 - Village Nangal Nihla/Upperla, Swarghat Road, Nalagarh, Himachal Pradesh - 174101
- c) These financial statements are presented in Indian Rupees (₹).

2 SIGNIFICANT ACCOUNTING POLICIES

a) BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules 2014 & Companies (Accounting Standards) Amendment Rules, 2016 as amended. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

b) USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) REVENUE RECOGNITION

SALE OF GOODS

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i. Revenue is recognized in respect of export sales on the basis of bill of lading.
- ii. Inter unit sales comprising of sale of yarn from spinning unit to dyeing unit is reduced from gross turnover in deriving net turnover.
- iii. Income and export incentives / benefits are accounted for on accrual basis and as per principles given under AS-9 – Revenue recognition.

DIVIDENDS

Revenue in respect of dividends is recognized when the shareholders' right to receive payment is established by the balance sheet date.

INTEREST

Interest income is recognized on a time proportion basis taking in to account the amount outstanding and the applicable interest rate. Interest income is included under the head 'other income' in statement of profit and loss

INSURANCE CLAIM

Claims with insurance companies are accounted on accrual basis to the extent, these are measurable and ultimate collection is reasonably certain.

d) INVENTORIES

- i. Finished goods and work in progress are valued at lower of historical cost or net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present

location and condition. By products are valued at net realizable value.

- ii. Stores, spares and raw materials are valued at lower of historical cost or net realizable value. However materials & other items held for use in the production of inventories are not written below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.
- iii. Cost is determined on the basis of weighted average method.
- iv. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

e) INVESTMENTS

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value. Long-term investments are carried at cost individually. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments in case of long term investments.

f) FIXED ASSETS

Tangible assets

Fixed assets are stated at historical cost less accumulated depreciation and impairment loss if any. Historical cost comprises the purchase price (net of centvat / duty credits wherever applicable) and all direct costs attributable to bringing the asset to its working condition for intended use.

Intangible assets

Capital expenditure on purchase and development of identifiable non-monetary assets without physical substance is recognized as intangible assets in accordance with principles given under AS-26 – Intangible assets. These are grouped and separately shown under the schedule of fixed assets. These are amortized over their respective expected useful lives.

g) DEPRECIATION & AMORTIZATION

Depreciation on fixed assets is calculated using straight line method as provided on the basis of useful life of assets prescribed in Schedule II to the Companies Act, 2013. All assets costing ₹ 5,000 or below are fully depreciated in the year of addition.

Asset description	Useful Life (Years)
--------------------------	----------------------------

Plant & machinery

- | | |
|----------------------|----------|
| - continuous process | 30 |
| - others | 7.50 -15 |

Other equipment	5 - 10
-----------------	--------

Computers and Equipments	3 - 6
--------------------------	-------

Vehicle	8
---------	---

Factory building	3 - 30
------------------	--------

Other than factory building	60
-----------------------------	----

Furniture & fixtures	10
----------------------	----

The Company has reassessed the estimated useful life of plant and machinery based on the estimation as made by the independent chartered engineer. Up to the previous year, the company was taking useful life of 20 years and now it has been revised to 30 years. In such cases, the company has not opted for the rates as given in the Schedule II of the Companies Act, 2013. Consequently, the depreciation charge for the year ended March 31, 2017 is lower by ₹ 613.74 lakh.

Intangible assets are being amortized over a period of 10 years on a straight-line basis

Land on lease is amortized over the period of the lease.

h) IMPAIRMENT OF ASSETS

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Previously recognised impairment losses are reversed to the extent the recoverable amount exceeds the carrying amount.

i) FOREIGN EXCHANGE TRANSACTIONS/TRANSLATION

i. Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

iii. Exchange Differences

Exchange differences arising on a monetary item that, in substance, form part of the company's net investment in a non-integral foreign operation is accumulated in a foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognized as income or as an expense.

Exchange differences arising on the settlement of monetary items not covered above, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

iv. Forward exchange contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

j) RESEARCH AND DEVELOPMENT

Revenue expenditure on research and development including salaries, consumables and power & fuel is charged to statement of profit and loss under respective heads of expenditure. Capital expenditure is shown as addition to fixed assets

k) EMPLOYEE BENEFITS

Expenses and liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 – Employee benefits.

i. Provident Fund & ESI

The company makes contribution to Statutory Provident Fund and Employee State Insurance in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance Act, 1948 which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

ii. Gratuity

Gratuity is a post employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of gratuity is the present value of the defined benefit/obligation at the balance sheet date less the fair value of plan assets, together with adjustment for unrecognized actuarial gains or losses and past service costs. The defined benefit/obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged or credited to the statement of profit and loss in the year to which such gains or losses relate.

iii. Leave encashment

Liability in respect of leave encashment becoming due or expected after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

iv. Superannuation benefit

The Company makes contribution to superannuation fund which is a post employment benefit in the nature of a defined contribution plan & contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

v. Other short term benefits

Expense in respect of other short term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

l) LEASES

Finance leases, which transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalised at the inception of the lease at the fair value of the leased asset or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income.

Leases where the lessor retains substantially all the risks and benefits of ownership of the asset are classified as operating leases. Operating lease payments are recognised as an expense in the income statement on a straight-line basis over the lease term.

m) TAXES ON INCOME

Tax expense comprises of current and deferred. Tax provision for current tax is made in accordance with the provisions of Income Tax Act, 1961.

In accordance with Accounting Standard AS-22 'Accounting for Taxes on Income' as notified by Companies (Accounting Standards) Rules, 2006 as amended, deferred tax liability/ asset arising from timing differences between book and income tax profits is accounted for at the current rate of tax to the extent these differences are expected to crystallize in later years. However, deferred tax assets are recognized only if there is a reasonable/ virtual certainty of realization thereof. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date

n) GOVERNMENT GRANTS AND SUBSIDIES

Grants and subsidies from the Government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with.

When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.

Where the grant or subsidy relates to an asset, its value is deducted from the gross value of the asset concerned in arriving at the carrying amount of the related asset.

o) BORROWING COST

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds

p) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. A contingent liability is recognized for:

- i. a present obligation that arises from past events but is not recognized as a provision because either the possibility that an outflow of resources embodying economic benefits will be required to settle the obligation is remote or a reliable estimate of the amount of the obligation cannot be made; and
- ii. a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. Contingent assets are neither accounted for nor disclosed in the financial statements.

q) EARNING PER SHARE

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue, bonus element in a rights issue to existing shareholders, share split, and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

r) CASH AND CASH EQUIVALENTS

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original

** In previous year, principal and interest accrued on secured (term loans) as at balance sheet date had been paid by 27th May 2016.

*** In earlier years, the Company had Issued 2% Unsecured Foreign Currency Convertible Bonds (FCCBs) in the aggregate principal amount of United State Dollars 12 (Twelve) Millions in the course of International offerings. The expenses incurred & premium payable on the redemption of such bonds has been adjusted with share premium reserves in accordance with the provisions of Section 78 of the erstwhile Companies Act, 1956 (as superceded by Companies Act, 2013). The company had signed settlement agreement with Foreign Currency Convertible Bond holders of principal value of USD 85,00,000 equivalent to ₹4,613.80 lakh worth of bonds and redemption premium of USD 15,64,850 equivalent to ₹849.40 lakh aggregating the total of USD 1,00,64,850 equivalent to ₹5,463.20 lakh. Under the settlement agreement, the final amount including redemption premium has been settled at USD 51,71,513 which is payable in instalment up to March 31, 2016. Out of the final settled amount of USD 51,71,513 the company had paid an amount of USD 44,67,353 (equivalent value bonds surrendered to the company) till September 30, 2015. Profit on written back of bonds has been recognized under the head "Other income". The Axis Bank bond holders reserves the right to exit the settlement agreement on the balance amount of USD 11,00,000 as on April 1, 2016, if there is reasonable ground for it to conclude (at its own discretion) that the company may not fulfil its obligation and retains its rights to recompense and accordingly during the current financial year ended March 31, 2017, the Company has credited profit of ₹396.44 lakh due on payment of FCCB liability of remaining USD 704,160 to the statement of profit and loss. As on 31st March 2017, the FCCB liability is still outstanding of ₹472.20 lakh (including foreign exchange gain of ₹5.70 lakh). Out of settled liability of USD 704,160 equivalent to ₹472.20 lakh, the company has deposited USD 150,000 equivalent to ₹101.47 lakh at AXIS Bank, Singapore branch which will be adjusted upon final payment.

- a) The Company's right on leasehold land has been forfeited by Maharashtra Industrial Development Corporation (MIDC), due to non compliance of the terms of allotment. The land was allotted for a period of 95 years of amount of ₹136.77 lakh (P.Y. ₹136.77 lakh) as on March 31, 2017. During April 2017, the company has entered into an agreement with parties for assignment of leasehold rights amounting to ₹150 lakh and out of which ₹15 lakh has been received.
- b) During the year, the company had received an order from the Hon'ble Supreme Court regarding payment of enhancement compensation on Land amounting ₹275.76 lakh. Out of the above, the company has paid ₹101.75 lakh to Punjab Government till March 31, 2017. Further, the company has also capitalized ₹23.85 lakh on account of Interest accrued as on March 31, 2017.
- c) The Company has reassessed the estimated useful life of plant and machinery based on the estimation as made by the independent chartered engineer. Up to the previous year, the company was taking useful life of 20 years and now it has been revised to 30 years. In such cases, the company has not opted for the rates as given in the Schedule II of the Companies Act, 2013. Consequently, the depreciation charge for the year ended March 31, 2017 is lower by ₹613.74 lakh.

INDEPENDENT AUDITORS' REPORT

To The Members of Vardhman Polytex Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Vardhman Polytex Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the consolidated balance sheet as at March 31, 2017, the consolidated statement of profit and loss and the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 as amended.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing issued by Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding

Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Basis for Qualified Opinion

The Holding Company had credited income of ₹396.44 Lakh due on payment of Foreign Currency Convertible Bonds (FCCB) liability to the statement of profit and loss during the year ended March 31, 2017. This profit should have been credited in the statement of profit and loss on payment of FCCB liability which is still outstanding as explained in note number 5 of the consolidated financial statements. Due to this, loss for the year ended March 31, 2017 is understated by the same amount.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis for Qualified Opinion paragraph above*, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group as at March 31, 2017, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Emphasis of matter

We draw attention of the following matters raised in the auditors' report of F.M. Hammerie Textiles Limited, one of the subsidiary of the company.

- i) Comments on the 'Going Concern' the details of which more fully explained in the note number 2(v) of the consolidated financial statement. Under Sick Industrial Companies (Special Provision) Act (SICA) of 1985, the subsidiary company had been classified as "Sick Company" under section 15 of said Act and accordingly a reference had been filed with Board for Industrial and Financial Reconstruction (BIFR) w.e.f. 1st December, 2016, Ministry of Finance vide notifications no.s S.O.3568 (E) and 3569 (E), has dissolved BIFR due to applicability of Insolvency and Bankruptcy Code, 2016. The accompanying consolidated financial statements do not include any adjustments that might result from the outcome of these uncertainties, to the recoverability and classification of assets carrying amounts or the amount and classification of liabilities that might be necessary should the subsidiary be unable to continue as a going concern.
- ii) Uncertainty related to the outcome of the matter pending with Hon'ble High Court of State of Punjab and Haryana at Chandigarh which is pending adjudication in relation to filling of petition by the subsidiary company u/s 397, 398 of the erstwhile Companies Act, 1956 on joint venture partner. The amount of compensation is not determinable at this stage which is fully explained in the note number 29 (b)(ii) of consolidated financial statement.

- iii) The subsidiary company is in shortage of one Independent Director which is inconsistent with the requirements of the Act which is fully explained in the note number 43 of consolidated financial statement.

Our audit report is not qualified in respect of the above matters.

Other Matters

We did not audit the financial statements of one of the subsidiary incorporated outside India namely F.M. Hammerle Verwaltung GmbH, Austria whose financial statement reflect total assets of ₹69.52 Lakh as at March 31, 2017 and total revenues of ₹16.27 lakh for the year ended on that date, as considered in the consolidated financial statements. These financial statements/ financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, in so far as it relates to the aforesaid subsidiary is based solely on such unaudited financial statements/financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements/financial information are not material to the consolidated financial statements.

Our opinion on the consolidated financial statements and our report on other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the financial statements/financial information as certified by the Management.

Annexure A to the Independent Auditor's report to the Members of Vardhman Polytex Limited dated May 29, 2017 on its consolidated financial statements.

Report on the Internal Financial Controls under Clause (i) of Sub – Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' Section.

Our reporting on the Internal financial controls over financial reporting is not applicable in respect of one subsidiary company incorporated outside India.

In conjunction with our audit of the consolidated financial statement of Vardhman Polytex Limited ("the Company") as of and for the year

ended March 31, 2017, we have audited the Internal Financial Controls Over Financial Reporting of Vardhman Polytex Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), Incorporated in India, as of the date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company which is incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the group Internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) Pertain to the maintenance of records that, in reasonable detail,

accurately and fairly reflect the transactions and dispositions of the assets of the company;

- b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weakness has been identified in the operating effectiveness of the Holding Company's internal financial controls over financial reporting as at March 31, 2017. The Holding Company's internal financial over evaluation and assessment of recoverability including any provision to be made there against in respect of investments made in subsidiaries and loans/advances given to subsidiaries were not operating effectively which could potentially result in the Company not recognising sufficient provision there against.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, the Holding Company and its one subsidiary company, incorporated in India, have maintained, in all material respects, an adequate internal financial controls over financial reporting as of March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India., and except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively in the Holding Company and its subsidiary company, which is company incorporated in India as of March 31, 2017.

** In previous year, principal and interest accrued on secured (term loans) as at balance sheet date had been paid by 27th May 2016.

Note (contd...):

*** In earlier years, the Company had Issued 2% Unsecured Foreign Currency Convertible Bonds (FCCBs) in the aggregate principal amount of United State Dollars 12 (Twelve) Millions in the course of International offerings. The expenses incurred & premium payable on the redemption of such bonds has been adjusted with share premium reserves in accordance with the provisions of Section 78 of the erstwhile Companies Act, 1956 (as superceded by Companies Act, 2013). The company had signed settlement agreement with Foreign Currency Convertible Bond holders of principal value of USD 85,00,000 equivalent to ₹4,613.80 lakh worth of bonds and redemption premium of USD 15,64,850 equivalent to ₹849.40 lakh aggregating the total of USD 1,00,64,850 equivalent to ₹5,463.20 lakh. Under the settlement agreement, the final amount including redemption premium has been settled at USD 51,71,513 which is payable in instalment up to March 31, 2016. Out of the final settled amount of USD 51,71,513 the company had paid an amount of USD 44,67,353 (equivalent value bonds surrendered to the company) till September 30, 2015. Profit on written back of bonds has been recognized under the head "Other income". The Axis Bank bond holders reserves the right to exit the settlement agreement on the balance amount of USD 11,00,000 as on April 1, 2016, if there is reasonable ground for it to conclude (at its own discretion) that the company may not fulfil its obligation and retains its rights to recompense and accordingly during the current financial year ended March 31, 2017, the Company has credited profit of ₹396.44 lakh due on payment of FCCB liability of remaining USD 704,160 to the statement of profit and loss. As on 31st March 2017, the FCCB liability is still outstanding of ₹472.20 lakh (including foreign exchange gain of ₹5.70 lakh). Out of settled liability of USD 704,160 equivalent to ₹472.20 lakh, the company has deposited USD 150,000 equivalent to ₹101.47 lakh at AXIS Bank, Singapore branch which will be adjusted upon final payment.

B) Details of security of subsidiary company i.e F.M. Hammerle Textiles Limited are as follows:-

- During the previous year the Company had exited Corporate Debt Structuring (CDR). In the absence of certainty of repayment schedule of all term loans the principal amount outstanding as on the balance sheet date is being classified as long term borrowings.
- Term loans from financial institutions and banks as stated above are secured by way of joint equitable mortgage of all the immovable properties (present and future) of the company ranking pari-passu basis and hypothecation of all movable assets of the company (except book debts).
- Corporate guarantee has been given by Vardhman Polytex Limited, holding company.
- Personal guarantee has been given by promoters - Mr. Ashok Kumar Oswal & Mr. Adish Oswal.
- Collateral security of residential flat situated at Vasant Vihar, Delhi held in the name of Mr. Ashok Kumar Oswal.

The period and amount of default as on the balance sheet date are as under:

Net deferred tax liability/ (assets)	(5,016.18)	-	(5,016.18)

- The Holding company has deferred tax liability upto the end of the current year on account of differences arising between depreciation as per books of accounts and that as per income tax. However, deferred tax assets on account of unabsorbed depreciation/losses, section 43B items & provision for leave encashment as per income tax computation are much higher than the deferred tax liability. In view of this no further deferred tax assets are being provided as at March 31, 2017. Based on the company's future expectations of the profit, the company is carrying a deferred tax asset of ₹5,016.18 lakh as on March 31, 2017.

- b) The Subsidiary company i.e. F.M. Hammerle Textiles Limited has deferred tax liability of ₹2,099.50 lakh up to the end of this year on account of differences arising between depreciation as per books of accounts and that as per income tax. However, deferred tax assets on account of unabsorbed depreciation as per income tax computation are much higher than the deferred tax liability. In view of absence of virtual certainty of profits in the near future deferred tax assets have been restricted to the extent of deferred tax liability on account of unabsorbed depreciation and those on account of unabsorbed losses have not been recognized at all.

REQUEST FOR DEMATERIALIZATION (DEMAT) OF SHARES

Dear Shareholder,

As you may be aware that the shares of Vardhman Polytex Limited can be held in Electronic mode by getting them dematerialized through any of the Depository Participant (DP) registered with Securities and Exchange Board of India (SEBI).

Dematerialization is a process by which shares held in physical form (Share Certificates) are converted to an equivalent number of securities/shares in electronic form. Some of the advantages of holding shares in dematerialized (Demat) mode are as under:-

1. A safe and convenient way of holding securities.
2. Immediate transfer of securities.
3. No stamp duty on transfer of securities.
4. No chances of counterfeit certificates, forgery and signature mismatch etc.
5. No risk of loss, mutilation or theft of certificates.
6. Online trading facility.
7. Faster settlement cycle.
8. No odd lot problem, even one security/ share can be traded.
9. Change in address recorded with DP gets electronically registered with all the Companies in which investor holds securities. Thereby, eliminating the need to correspond with each of them separately.
10. Regular accounts status updates available from the DP at any point of time.
11. Faster disbursement of cash and non cash benefits like dividend, bonus securities etc.

The shares of our Company are compulsorily traded in Demat mode and more than 90% of our equity shares have already been dematerialized by the shareholders.

In view of the above mentioned advantages, you may like to get your shareholding in Vardhman Polytex Limited's shares dematerialized through any of the DPs located in your area.

As a special offer, Geojit Financial Services Limited has offered to render services towards opening of regular Demat and trading account to our shareholders. You can open a demat account with them and for this purpose, Account opening charges will not be levied. Also, Annual Maintenance charges (AMC) on such DP account would be waived off till 30th September, 2018.

For any assistance with respect to the opening of Demat account, please feel free to contact Geojit Financial Services Limited, at their toll free numbers 1800 425 5501/1800 103 5501 or any of the Geojit Financial Services Limited branches. Alternatively, you can also mail us at secretarial@vpl.in

We would like to mention here that any action on your part pursuant to this letter is completely voluntary. The Company has no business association with Geojit Financial Services Ltd. in any manner whatsoever. The Company shall not be in any way responsible for your dealings with Geojit Financial Services Ltd. You are free to open Demat account with any other Depository Participant of your own choice.

With Regards

For Vardhman Polytex Limited
