Commenting on the performance, Mr. Pallak Seth, Vice-Chairman, PDS Multinational Fashions, said,

“Q1 FY17 marks an encouraging start to the fiscal 2017 with continued traction in profitability and further progress on strategic initiatives. Financial performance during the quarter saw a healthy improvement, driven by solid progress across the established and growth business segments. Despite the broader market challenges, the Company’s business momentum remained strong with new customer additions coupled with gains from existing reference base. The versatility of our business offerings together with PDS’ strong compliance policy has translated into a high retention rate of existing customers.

In-sync with the One-Stop-Shop business model strategy, the Company has also made further inroads in the manufacturing segment during the quarter. We believe, our unwavering focus towards gaining foothold in key markets, solidifying manufacturing capabilities and a concrete approach towards brand building activities will help bolster long-term business prospects. Overall, we remain comforted by a strong visibility of business and will continue to focus on further scalability of our business model, while also improving outreach to newer clients and geographies.
