Commenting on the performance, Mr. Pallak Seth, Vice-Chairman, PDS Multinational Fashions, said,

"We are pleased to report a healthy set of results during the quarter and first half of the fiscal, registering a solid PAT growth of 68% in Q2 FY17. The robust growth radiates from our strong and diverse set of business skills coupled with a solid domain expertise. The period also saw notable progress marked across our operational agendas and key strategic parameters; our focus on improving scalability of our business model across key markets continues to gain a strong momentum.

Well-entrenched relationships with customers have, over time, helped us enhance our foothold beyond domains and geographies, imparting better business visibility. Our upcoming manufacturing facilities in Bangladesh are progressing well and moving ahead, we will continue to focus on scaling-up capacity across markets. Overall, we are positive about the prospects for our established and growth business segments and we believe, the Company is well-placed to capitalize on potential opportunities, given the unique business model, stellar brand equity, strong compliance policy, and an overall enriched business profile"
