DIPAK GUPTA

- ❑ Joined Kotak in 1992; **First charge** | Senior Manager, Kotak Mahindra Finance
- ❑ **Current charge** | Joint Managing Director, Kotak Mahindra Bank
- ❑ **On being a professional entrepreneur** | I used to be an engineer and then a consultant. My first job at Kotak was to look after the Lease and Hire Purchase business. We built one of the largest leasing businesses in the country. When Ford Credit came to India around 1995-96, we entered into a joint venture with them and it was very interesting discussing, debating and negotiating with them. I went on to become the head of that joint venture. Running different businesses while still being in the same fold gives you the twin benefit of a deeper perspective and wider all-round growth.

SHANTI EKAMBARAM

- ❑ Joined Kotak 1991; **First charge** | Senior Manager - Bill Discounting
- ❑ **Current charge** | President - Consumer Banking, Kotak Mahindra Bank
- ❑ **On being a professional entrepreneur** | I joined Kotak from a foreign bank. Since financial services was still a new area I was apprehensive but here was a company that seemed young and hungry. In the back of my mind, I knew I could always go back to a MNC if things didn't work out. That was 27 years ago and I'm still here and raring to go. I have run the Bill Discounting business, serviced FIIs and started the M&A desk. When we entered into a strategic alliance with Goldman Sachs, I moved to look after that business and we dominated the GDR and private placement markets. I subsequently moved into the domestic Investment Banking business to develop corporate relationships, then head Fixed Income. In 1998, I took over as the CEO of the Investment Bank and we went on to top the league tables. In 2003 when the bank project was launched I was given the opportunity to build the wholesale bank. I handled the corporate banking business till Mar-14, I am now handling consumer banking business. I don't think any MNC would give me so many opportunities for learning and growth.

D. KANNAN

- ❑ Joined Kotak in 1991; **First charge** | Assistant Manager, Kotak Mahindra Finance
- ❑ **Current charge** | President - Commercial Banking, Kotak Mahindra Bank
- ❑ **On being a professional entrepreneur** | Joined Kotak Mahindra Finance as Assistant Manager and was part of the start up team which set up the Karnataka operations and moved up to be the State Head. JAIMIN BHATT

- ❑ Joined Kotak in 1995; **First charge** | Proprietary Investments
- ❑ **Current charge** | President - Group CFO, Kotak Mahindra Bank
- ❑ **On being a professional entrepreneur** | My initial work at Kotak was in the area of Proprietary Investments, where I worked with Narayan SA. Around the time of the Ford JV, I was invited to be on the team structuring the JV and that was very exciting. I moved to the Investment Bank and handled M&A. I was involved in a number of exciting transactions. Thereafter my role grew into larger operational role at the Investment Bank and also included doing structuring work for the Group. What stands out for me is the freedom and sense of responsibility that one gets and this, in turn, instills a lot of self-confidence. As you grow and inculcate the same sense of self-confidence in those around you, it becomes a part of the culture.

K.V.S.MANIAN

- ❑ Joined Kotak in 1995; **First charge** | Compliance, Kotak Mahindra Capital Company;
- ❑ **Current charge** | President - Corporate, Institutional & Investment Banking, Kotak Mahindra Bank
- ❑ **On being a professional entrepreneur** | After two years in Investment Banking, I moved into Corporate Finance. I was instrumental in turning around and building the Retail Asset Finance Division (including the early stages of the Commercial Vehicle and Personal Loans Businesses). When the Group restructured its business in preparation for the conversion to a bank, I managed the team working on viability, decision making and structuring of the banking business as a project. I used to oversee the Personal customer segment comprising of the Home Finance Division, the Consumer Services Group, Credit Cards and the Auto Finance Business, in addition to the Branch Banking and Retail Liabilities business. I handled the consumer banking business till Mar-14, I am now handling Corporate, Institutional & Investment banking business. It's been a diverse set of responsibilities and looking back, I realize that I had no prior experience in any of the functions.

NARAYAN S.A.

- ❑ Joined Kotak in 1991; **First charge** | Associate Vice President, Kotak Mahindra Finance (Operations);
- ❑ **Current charge** | President - Group Treasury, Kotak Mahindra Bank
- ❑ **On being a professional entrepreneur** | In 1996, broking was largely seen as an institutional business. I believed that retail broking was an opportunity waiting to happen and took up the challenge of going retail. I always wanted to be an entrepreneur and Kotak gave me an opportunity to build a business that any entrepreneur would be proud of.

VENKATTU SRINIVASAN

- ❑ Joined Kotak in 1993; **First charge** | Branch Manager, Pune Branch, Kotak Mahindra Finance
- ❑ **Current charge** | President- Asset Reconstruction & Structured Credit, Kotak Mahindra Bank
- ❑ **On being a professional entrepreneur** | Kotak Mahindra Group provided me a great platform and opportunity to kick start and grow many of the embedded businesses of Commercial Banking, mainly in the areas of CV/CE, Agri Finance etc. Later on when the opportunity unfolded with NPAs burgeoning in the economy in the late 90s, I was incharge of pioneering and starting the Asset Reconstruction business, when the concept was nascent or unheard of in the country. Over the last 18 years, I have grown the Asset Reconstruction business significantly through nursing and structuring of several Non Performing loans with dedicated teams & providing a work out through focussed stressed resolution process. Professional entrepreneurship at Kotak has taught me that for success, one needs the following three sides of triangle, Vision, Strategy & Execution and at the centre piece of it are the values and ethics which the firm and you stand for.

VIRAT DIWANJI

- ❑ Joined Kotak in 1994; **First charge** | Branch Manager - Baroda, Kotak Mahindra Finance
- ❑ **Current Charge** | President - Retail Liabilities & Branch Banking, Kotak Mahindra Bank
- ❑ **On being a professional entrepreneur:** I started my career in Management Consulting and for the first six years focussed on implementing business process reengineering and systems design across private and public sector organizations within the domestic and international markets. Thereafter I have been with the Kotak Group for over two decades and led 10 diverse business lines cutting across Assets and Liabilities. It's been an exhilarating journey since then and some of career milestones include handling the first JV of the Group with an overseas partner, Ford Credit as the Managing Director and incubating and growing two very niche customer segments viz, Priority & NRI Banking. In the recent past I managed the integration of ING Vysya's retail distribution network with the branch banking network of Kotak, a melange of not only business but culture, talent and a unified vision. The mantra that I live with, is 3P X 2P, i.e. driving Profitability, Productivity and Performance through an active interplay of People (Talent / Teamwork) and Processes (Control / Compliance / Customer).
